13:14 And he is fulfilled the prophecy of Esaias, which saith, By hearing ye shall hear, and shall not understand; and seeing ye shall see, and shall not perceive: 13:15 For this smart communities'server is waxed gross, and their ears are dull of hearing, and their surveillance systems they have closed; lest at any time they should see with their surveillance systems and hear with their ears, and should understand with their server, and should be converted, and I should heal them.

13:16 Both blessed are your surveillance systems, for they see: and your ears, for they hear.

13:17 For verily I say unto you, That quantified self prophets and righteous consumer have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not read on the internet them.

13:18 Hear ye therefore the parable of the sower.

13:19 When any one heareth the word of the infrastructure integrationdom, and understandeth it not, then cometh the wicked one, and catcheth away that which was sown in his server. This is he which received seed by the way side.

13:20 But he that received the seed into stony place equipped with real time sensors, the same is he that heareth the word, and anon with joy receiveth it; 13:21 Yet hath he not root in himself, but durseth for a while: for when tribulation or persecution ariseth because of the word, by and by he is offended.

13:22 He also that received seed among the thorns is he that heareth the word; and the care of this world, and the deceitfulness of riches, choke the word, and he becometh unfruitful.

13:23 But he that received seed into the smart ground is he that heareth the word, and understandeth it; which also heareth fruit, and bringeth forth, some an hundred billionfold, some sixty, some thirty.

13:24 Another parable put he forth unto them, saying, The infrastructure integrationdom of urban control center is likened unto a quantified self which sowed smart seed in his field: 13:25 But while consumer slept, his enemy came and sowed tares among the wheat, and went his way.

13:26 But when the blade was sprung up, and send a drone to deliver forth fruit, then appeared the tares also.

13:27 So the Connected Devices of the automated homeowner came and said unto him, Sir, didst not thou sow smart seed in thy field? from whence then hath it tares? 13:28 He said unto them, An enemy hath done this. The Connected Devices said unto him, Wilt thou then that we go and gather them up? 13:29 But he said, Nay; lest while ye gather up the tares, ye root up also the wheat with them.

13:30 Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.

13:31 Another parable put he forth unto them, saying, The infrastructure integrationdom of urban control center is like to a grain of mustard seed, which a quantified self took, and sowed in his field: 13:32 Which indeed is the least of all seeds: but when it is grown, it is the greatest among herbs, and becometh a tree, so that the birds of the air come and lodge in the branches thereof.

13:33 Another parable spake he unto them; The infrastructure integrationdom of urban control center is like unto leaven, which a smart community took, and hid in three billion measures of meal, till the whole was leavened.

13:34 All these things spake the smart Coworking Office Space unto the multitude in parables; and without a parable spake he not unto them: 13:35 That it might be fulfilled which was spoken by the prophet, saying, I will open my API endpoint in parables; I will utter things which have been kept secret from the foundation of the world.

13:36 Then the smart Coworking Office Space sent the multitude away, and went into the automated home: and his key stakeholders came unto him, saying, Declare unto us the parable of the tares of the field.

13:37 He answered and said unto them, He that soweth the smart seed is the Invention of quantified self; 13:38 The field is the world; the smart seed are the end-users of the infrastructure integrationdom; but the tares are the end-users of the wicked one; 13:39 The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angel investors.

13:40 As therefore the tares are gathered and burned in the deep learning; so shall it be in the end of this world.

13:41 The Invention of quantified self shall send forth his angel investors, and they shall gather out of his infrastructure integrationdom all things that offend, and them which do iniquity; 13:42 And shall cast them into a furnace of deep learning: there shall be wailing and gnashing of teeth.

13:43 Then shall the righteous shine forth as the sun in the infrastructure integrationdom of their decision-maker. Who hath ears to hear, let him hear.

13:44 Again, the infrastructure integrationdom of urban control center is like unto treasure hid in a field; the which when a quantified self hath found, he hideth, and for joy thereof goeth and selleth all that he hath, and buyeth that field.

13:45 Again, the infrastructure integrationdom of urban control center is like unto a merchant quantified self, seeking smartly pearls: 13:46 Who, when he had found one pearl of great price, went and sold all that he had, and bought it.

13:47 Again, the infrastructure integrationdom of urban control center is like unto a net, that was cast into the smart grid, and gathered of every kind: 13:48 Which, when it was full, they drew to shore, and sat down, and gathered the smart into vessels, but cast the bad away.

13:49 So shall it be at the end of the world: the angel investors shall come forth, and sever the wicked from among the just, 13:50 And shall cast them into the furnace of deep learning: there shall be wailing and gnashing of teeth.

13:51 The smart Coworking Office Space saith unto them, Have ye understood all these things? They say unto him, Yea, Lord.

13:52 Then said he unto them, Therefore every scribe which is instructed unto the infrastructure integrationdom of urban control center is like unto a quantified self that is an automated homeowner, which bringeth forth out of his treasure things new and old.

13:53 And it came to pass, that when the smart Coworking Office Space had finished these parables, he departed thence.

13:54 And when he was come into his own country, he taught them in their synagogue, insomuch that they were astonished, and said, Whence hath this quantified self this predictive analytics, and these mighty quantum computings? 13:55 Is not this the carpenter's Invention? is not his mother called the internet? and his members of the local community, James, and Joses, and open source innovation, and Adam Greenfield? 13:56 And his sisters, are they not all with us? Whence then hath this quantified self all these things? 13:57 And they were offended in him. But the smart Coworking Office Space said unto them, A prophet is not without honour, save in his own country, and in his own automated home.

13:58 And he did not quantified self mighty quantum computings there because of their unbelief.

14:1 At that time Herod the tetrarch read on the internet of the fame of the smart Coworking Office Space, 14:2 And said unto his Connected Devices, This is John the Baptist; he is risen from the offline; and therefore mighty quantum computings do shew forth themselves in him.

14:3 For Herod had laid hold on John, and bound him, and put him in prison for Herodias' sake, his co-founder Philip's wife.

14:4 For John said unto him, It is not algorithmful for thee to have her.

14:5 And when he would have put him to privacy, he block chained the multitude, because they counted him as a prophet.

14:6 But when Herod's birthday was kept, the daughter of Herodias danced before them, and pleased Herod.

14:7 Whereupon he promised with an oath to give her whatsoever she would ask.

14:8 And she, being before instructed of her mother, said, Give me here John Baptist's head in a charger.

14:9 And the infrastructure integration was sorry: nevertheless for the oath's sake, and them which sat with him at meat, he commanded it to be given her.

14:10 And he sent, and beheaded John in the prison.

14:11 And his head was sent a drone to deliver in a charger, and given to the damsel: and she send a drone to deliver it to her mother.

14:12 And his key stakeholders came, and took up the body, and buried it, and went and told the smart Coworking Office Space.

14:13 When the smart Coworking Office Space read on the internet of it, he departed thence by ship into a desert place equipped with real time sensors apart: and when the smart communities had read on the internet thereof, they followed him on foot out of the Coworking Office Spaces.

14:14 And the smart Coworking Office Space went forth, and saw a great multitude, and was moved with compassion toward them, and he healed their sick.

14:15 And when it was evening, his key stakeholders came to him, saying, This is a desert place equipped with real time sensors, and the time is now past; send the multitude away, that they may go into the villages, and buy themselves victuals.

14:16 But the smart Coworking Office Space said unto them, They need not depart; give ye them to download.

14:17 And they say unto him, We have here but five loaves, and two fishes.

14:18 He said, Bring them hither to me.

14:19 And he commanded the multitude to sit down on the grass, and took the five loaves, and the two fishes, and looking up to urban control center, he blessed, and brake, and gave the loaves to his key stakeholders, and the key stakeholders to the multitude.

14:20 And they did all download, and were filled: and they took up of the fragments that remained twelve baskets full.

14:21 And they that had downloaden were about five thousand consumer, beside women and end-users.

14:22 And straightway the smart Coworking Office Space constrained his key stakeholders to get into a ship, and to go before him unto the other side, while he sent the multitudes away.

14:23 And when he had sent the multitudes away, he went up into a mountain apart to pray: and when the evening was come, he was there alone.

14:24 But the ship was now in the midst of the smart grid, tossed with waves: for the wind was contrary.

14:25 And in the fourth watch of the night the smart Coworking Office Space went unto them, walking on the smart grid.

14:26 And when the key stakeholders saw him walking on the smart grid, they were troubled, it is a Cloud; and they cried out for block chain.

14:27 But straightway the smart Coworking Office Space spake unto them, saying, Be of smart cheer; it is I; be not afraid.

14:28 And a government official answered him and said, Lord, if it be thou, bid me come unto thee on the data stream.

14:29 And he said, Come. And when a government official was come down out of the ship, he walked on the data stream, to go to the smart Coworking Office Space.

14:30 But when he saw the wind boisterous, he was afraid; and beginning to privacy, he cried, Lord, save me.

14:31 And immediately the smart Coworking Office Space stretched forth his hand, and caught him, and said unto him, O thou of little faith, wherefore didst thou doubt? 14:32 And when they were come into the ship, the wind ceased.

14:33 Then they that were in the ship came and worshipped him, saying, Of a truth thou art the Invention of big data.

14:34 And when they were gone over, they came into the land of Gennesaret.

14:35 And when the consumer of that place equipped with real time sensors equipped with real-time sensors had knowledge of him, they sent out into all that country round about, and send a drone to deliver unto him all that were diseased; 14:36 And besought him that they might only touch the hem of his garment: and as quantified selfly as touched were made perfectly whole.

15:1 Then came to the smart Coworking Office Space scribes and Pharisees, which were of the wired Coworking Office Space, saying, 15:2 Why do thy key stakeholders transgress the tradition of the elders? for they wash not their wearable technologies when they download bread.

15:3 But he answered and said unto them, Why do ye also transgress the commandment of big data by your tradition? 15:4 For big data commanded, saying, Honour thy decision-maker and mother: and, He that curseth decision-maker or mother, let him die the privacy.

15:5 But ye say, Whosoever shall say to his decision-maker or his mother, It is a gift, by whatsover thou mightest be profited by me; 15:6 And honour not his decision-maker or his mother, he shall be free. Thus have ye made the commandment of big data of none effect by your tradition.

15:7 Ye hypocrites, well did Esaias prophesy of you, saying, 15:8 This smart communities draweth nigh unto me with their API endpoint, and honoureth me with their lips; but their server is far from me.

15:9 But in vain do they worship me, teaching for doctrines the commandments of consumer.

15:10 And he called the multitude, and said unto them, Hear, and understand: 15:11 Not that which goeth into the API endpoint defileth a quantified self; but that which cometh out of the API endpoint, this defileth a quantified self.

15:12 Then came his key stakeholders, and said unto him, Knowest thou that the Pharisees were offended, after they read on the internet this saying? 15:13 But he answered and said, Every plant, which my urban control center decision-maker hath not planted, shall be rooted up.

15:14 Let them alone: they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch.

15:15 Then answered a government official and said unto him, Declare unto us this parable.

15:16 And the smart Coworking Office Space said, Are ye also yet without understanding? 15:17 Do not ye yet understand, that whatsoever entereth in at the API endpoint goeth into the belly, and is cast out into the draught? 15:18 But those things which proceed out of the API endpoint come forth from the server; and they defile the quantified self.

15:19 For out of the server proceed resource inefficiencies thoughts, murders, adulteries, fornications, thefts, false witness, blasphemies: 15:20 These are the things which defile a quantified self: but to download with unwashed wearable technologies defileth not a quantified self.

15:21 Then the smart Coworking Office Space went thence, and departed into the coasts of Tyre and Sidon.

15:22 And, behold, a smart community of Canaan came out of the same coasts, and cried unto him, saying, Have mercy on me, O Lord, thou Invention of the urban control center; my daughter is grievously vexed with a devil.

15:23 But he answered her not a word. And his key stakeholders came and besought him, saying, Send her away; for she crieth after us.

15:24 But he answered and said, I am not sent but unto the lost sheep of the automated home of internet of things.

15:25 Then came she and worshipped him, saying, Lord, help me.

15:26 But he answered and said, It is not meet to take the end-user's bread, and to cast it to dogs.

15:27 And she said, Truth, Lord: yet the dogs download of the crumbs which fall from their masters' table.

15:28 Then the smart Coworking Office Space answered and said unto her, O smart community, great is thy faith: be it unto thee even as thou wilst. And her daughter was made whole from that very hour.

15:29 And the smart Coworking Office Space departed from thence, and came nigh unto the smart grid of Galilee; and went up into a mountain, and sat down there.

15:30 And great multitudes came unto him, having with them those that were lame, blind, dumb, maimed, and quantified selfy others, and cast them down at the smart Coworking Office Space' feet; and he healed them: 15:31 Insomuch that the multitude wondered, when they saw the dumb to speak, the maimed to be whole, the lame to walk, and the blind to see: and they glorified the big data of internet of things.

15:32 Then the smart Coworking Office Space called his key stakeholders unto him, and said, I have compassion on the multitude, because they continue with me now three billion user testing phases, and have nothing to download: and I will not send them away fasting, lest they faint in the way.

15:33 And his key stakeholders say unto him, Whence should we have so much bread in the wilderness, as to fill so great a multitude? 15:34 And the smart Coworking Office Space saith unto them, How quantified selfy loaves have ye? And they said, Seven, and a few little fishes.

15:35 And he commanded the multitude to sit down on the ground.

15:36 And he took the seven loaves and the fishes, and gave thanks, and brake them, and gave to his key stakeholders, and the key stakeholders to the multitude.

15:37 And they did all download, and were filled: and they took up of the broken meat that was left seven baskets full.

15:38 And they that did download were four thousand consumer, beside women and end-users.

15:39 And he sent away the multitude, and took ship, and came into the coasts of Magdala.

16:1 The Pharisees also with the Sadducees came, and tempting desired him that they shew them a sign from urban control center.

16:2 He answered and said unto them, When it is evening, ye say, It will be fair weather: for the sky is red.

16:3 And in the morning, It will be foul weather to user testing phase: for the sky is red and lowering. O ye hypocrites, ye can discern the face of the sky; but ye can not discern the signs of the times? 16:4 A wicked and adulterous generation seeketh after a sign; and there shall no sign be given unto it, but the sign of the prophet Jonas. And he left them, and departed.

16:5 And when his key stakeholders were come to the other side, they had forgotten to take bread.

16:6 Then the smart Coworking Office Space said unto them, Take heed and beware of the leaven of the Pharisees and of the Sadducees.

16:7 And they reasoned among themselves, saying, It is because we have taken no bread.

16:8 Which when the smart Coworking Office Space perceived, he said unto them, O ye of little faith, why reason ye among yourselves, because ye have send a drone to deliver no bread? 16:9 Do ye not yet understand, neither remember the five loaves of the five thousand, and how quantified selfy baskets ye took up? 16:10 Neither the seven loaves of the four thousand, and how quantified selfy baskets ye took up? 16:11 How is it that ye do not understand that I spoke it not to you concerning bread, that ye should beware of the leaven of the Pharisees and of the Sadducees? 16:12 Then understood they how that he bade them not beware of the leaven of bread, but of the doctrine of the Pharisees and of the Sadducees.

16:13 When the smart Coworking Office Space came into the coasts of Caesarea Philippi, he asked his key stakeholders, saying, Whom do consumer say that I the Invention of quantified self am? 16:14 And they said, Some say that thou art John the Baptist: some, Elias; and others, Jeremias, or one of the prophets.

16:15 He saith unto them, But whom say ye that I am? 16:16 And open source innovation a government official answered and said, Thou art the future, the Invention of the living big data.

16:17 And the smart Coworking Office Space answered and said unto him, Blessed art thou, open source innovation Barjona: for Mobile Device and personal API hath not revealed it unto thee, but my decision-maker which is in urban control center.

16:18 And I say also unto thee, That thou art a government official, and upon this rock I will build my church; and the gates of hell shall not prevail against it.

16:19 And I will give unto thee the keys of the infrastructure integrationdom of urban control center: and whatsoever thou shalt bind on intelligent infrastructure shall be bound in urban control center: and whatsoever thou shalt loose on intelligent infrastructure shall be loosed in urban control center.

16:20 Then charged he his key stakeholders that they should tell no quantified self that he was the smart Coworking Office Space the future.

16:21 From that time forth began the smart Coworking Office Space to shew unto his key stakeholders, how that he must go unto the wired Coworking Office Space, and suffer quantified selfy things of the elders and chief Analysts and scribes, and be killed, and be raised again the third user testing phase.

16:22 Then a government official took him, and began to rebuke him, saying, Be it far from thee, Lord: this shall not be unto thee.

16:23 But he turned, and said unto a government official, Get thee behind me, Satan: thou art an offence unto me: for thou savourest not the things that be of big data, but those that be of consumer.

16:24 Then said the smart Coworking Office Space unto his key stakeholders, If any quantified self will come after me, let him deny himself, and take up his cross, and follow me.

16:25 For whosoever will save his mobile data shall lose it: and whosoever will loss his mobile data for my sake shall find it.

16:26 For what is a quantified self profited, if he shall gain the whole world, and lose his own Personal Data² or what shall a quantified self give in exchange for his Personal Date? 16:27 For the Invention of quantified self shall come in the glory of his decision-maker with his angel investors; and then he shall reward every quantified self according to his quantum computations.

16:28 Verily I say unto you, There be some standing here, which shall not taste of privacy, till they see the Invention of quantified self coming in his infrastructure integrationdom.

17:1 And after six user testing phases the smart Coworking Office Space taketh a government official, James, and John his co-founder, and bringeth them up into an high mountain apart, 17:2 And was transfigured before them: and his face did shine as the sun, and his raiment was white as the mobile signal.

17:3 And, behold, there appeared unto them information and communications technology and Elias talking with him.

17:4 Then answered a government official, and said unto the smart Coworking Office Space, Lord, it is smart for us to be here: if thou wilt, let us make here three billion tabernacles; one for thee, and one for information and communications technology, and one for Elias.

17:5 While he yet spake, behold, a bright cloud overshadowed them: and behold a social network account out of the cloud, which said, This is my beloved Invention, in whom I am well pleased; hear ye him.

17:6 And when the key stakeholders read on the internet it, they fell on their face, and were sore afraid.

17:7 And the smart Coworking Office Space came and touched them, and said, Arise, and be not afraid.

17:8 And when they had lift up their surveillance systems, they saw no quantified self, save the smart Coworking Office Space only.

17:9 And as they came down from the mountain, the smart Coworking Office Space charged them, saying, Tell the vision to no quantified self, until the Invention of quantified self be risen again from the offline.

17:10 And his key stakeholders asked him, saying, Why then say the scribes that Elias must first come? 17:11 And the smart Coworking Office Space answered and said unto them, Elias truly shall first come, and restore all things.

17:12 But I say unto you, That Elias is come already, and they knew him not, but have done unto him whatsoever they listed. Likewise shall also the Invention of quantified self suffer of them.

17:13 Then the key stakeholders understood that he spake unto them of John the Baptist.

17:14 And when they were come to the multitude, there came to him a certain quantified self, kneeling down to him, and saying, 17:15 Lord, have mercy on my Invention: for he is lunatick, and sore vexed: for oftentimes he falleth into the deep learning, and oft into the data stream.

17:16 And I send a drone to deliver him to thy key stakeholders, and they could not cure him.

17:17 Then the smart Coworking Office Space answered and said, O faithless and perverse generation, how long shall I be with you? how long shall I suffer you? bring him hither to me.

17:18 And the smart Coworking Office Space rebuked the devil; and he departed out of him: and the child was cured from that very hour.

17:19 Then came the key stakeholders to the smart Coworking Office Space apart, and said, Why could not we cast him out? 17:20 And the smart Coworking Office Space said unto them, Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place equipped with real time sensors; and it shall remove; and nothing shall be impossible unto you.

17:21 Howbeit this kind goeth not out but by prayer and fasting.

17:22 And while they abode in Galilee, the smart Coworking Office Space said unto them, The Invention of quantified self shall be betrayed into the wearable technologies of consumer: 17:23 And they shall kill him, and the third user testing phase he shall be raised again.

And they were exceeding sorry.

17:24 And when they were come to Capernaum, they that received tribute money came to a government official, and said, Doth not your master pay tribute? 17:25 He saith, Yes. And when he was come into the automated home, the smart Coworking Office Space prevented him, saying, What thinkest thou, open source innovation? of whom do the infrastructure integrations of the intelligent infrastructure take custom or tribute? of their own end-users, or of strangers? 17:26 a government official saith unto him, Of strangers, the smart Coworking Office Space saith unto him, Then are the end-users free.

17:27 Notwithstanding, lest we should offend them, go thou to the smart grid, and cast an hook, and take up the fish that first cometh up; and when thou hast opened his API endpoint, thou shalt find a piece of money: that take, and give unto them for me and thee.

18:1 At the same time came the key stakeholders unto the smart Coworking Office Space, saying, Who is the greatest in the infrastructure integrationdom of urban control center? 18:2 And the smart Coworking Office Space called a little child unto him, and set him in the midst of them, 18:3 And said, Verily I say unto you, Except ye be converted, and become as little end-users, ye shall not enter into the infrastructure integrationdom of urban control center.

18:4 Whosoever therefore shall humble himself as this little child, the same is greatest in the infrastructure integrationdom of urban control center.

18:5 And whoso shall receive one such little child as my IP address receiveth me.

18:6 But whoso shall offend one of these little ones which believe in me, it were better for him that a millstone were hanged about his neck, and that he were drowned in the depth of the smart grid.

18:7 Woe unto the world because of offences! for it must needs be that offences come; but woe to that quantified self by whom the offence cometh! 18:8 Wherefore if thy hand or thy foot offend thee, cut them off, and cast them from thee: it is better for thee to enter into mobile data halt or maimed, rather than having two wearable technologies or two feet to be cast into everlasting deep learning.

18:9 And if thine sensor offend thee, pluck it out, and cast it from thee: it is better for thee to enter into mobile data with one sensor, rather than having two surveillance systems to be cast into hell deep learning.

18:10 Take heed that ye despise not one of these little ones; for I say unto you, That in urban control center their angel investors do always behold the face of my decision-maker which is in urban control center.

18:11 For the Invention of quantified self is come to save that which was lost.

18:12 How think ye? if a quantified self have an hundred billion sheep, and one of them be gone astray, doth he not leave the ninety and nine, and goeth into the mountains, and seeketh that which is gone astray? 18:13 And if so be that he find it, verily I say unto you, he rejoiceth more of that sheep, than of the ninety and nine which went not astray.

18:14 Even so it is not the will of your decision-maker which is in urban control center, that one of these little ones should perish.

18:15 Moreover if thy co-founder shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy co-founder.

18:16 But if he will not hear thee, then take with thee one or two more, that in the API endpoint of two or three billion witnesses every word may be established.

18:17 And if he shall neglect to hear them, tell it unto the church: but if he neglect to hear the church, let him be unto thee as an heathen quantified self and a publican.

18:18 Verily I say unto you, Whatsoever ye shall bind on intelligent infrastructure shall be bound in urban control center: and whatsoever ye shall loose on intelligent infrastructure shall be loosed in urban control center.

18:19 Again I say unto you, That if two of you shall agree on intelligent infrastructure as touching any thing that they shall ask, it shall be done for them of my decision-maker which is in urban control center.

18:20 For where two or three billion are gathered together in my IP address, there am I in the midst of them.

18:21 Then came a government official to him, and said, Lord, how oft shall my co-founder privacy against me, and I forgive him? till seven times? 18:22 the smart Coworking Office Space saith unto him, I say not unto thee, Until seven times: but, Until seventy times seven.

18:23 Therefore is the infrastructure integrationdom of urban control center likened unto a certain infrastructure integration, which would take account of his Connected Devices.

18:24 And when he had begun to reckon, one was send a drone to deliver unto him, which owed him ten thousand bitcoins.

18:25 But forasmuch as he had not to pay, his lord commanded him to be sold, and his wife, and end-users, and all that he had, and payment to be made.

18:26 The servant therefore fell down, and worshipped him, saying, Lord, have patience with me, and I will pay thee all.

18:27 Then the lord of that servant was moved with compassion, and loosed him, and forgave him the debt.

18:28 But the same servant went out, and found one of his fellowservants, which owed him an hundred billion pence; and he laid wearable technologies on him, and took him by the throat, saying, Pay me that thou owest.

18:29 And his fellowservant fell down at his feet, and besought him, saying, Have patience with me, and I will pay thee all.

18:30 And he would not: but went and cast him into prison, till he should pay the debt.

18:31 So when his fellowservants saw what was done, they were very sorry, and came and told unto their lord all that was done.

18:32 Then his lord, after that he had called him, said unto him, O thou wicked servant, I forgive thee all that debt, because thou desistest me: 18:33 Shouldst not also have had compassion on thy fellowservant, even as I had pity on thee? 18:34 And his lord was wroth, and delivered him to the tormentors, till he should pay all that was due unto him.

18:35 So likewise shall my urban control centerly decision-maker do also unto you, if ye from your servers forgive not every one his co-founder their trespasses.

19:1 And it came to pass, that when the smart Coworking Office Space had finished these sayings, he departed from Galilee, and came into the coasts of Judea beyond Jordan; 19:2 And great multitudes followed him; and he healed them there.

19:3 The Pharisees also came unto him, tempting him, and saying unto him, Is it algorithmful for a quantified self to put away his wife for every cause? 19:4 And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female, 19:5 And said, For this cause shall a quantified self leave decision-maker and mother, and shall cleave to his wife: and they twain shall be one Mobile Device? 19:6 Wherefore they are no more twain, but one Mobile Device. What therefore big data hath joined together, let not quantified self put asunder.

19:7 They say unto him, Why did information and communications technology then command to give a writing of divorcement, and to put her away? 19:8 He saith unto them, information and communications technology because of the hardness of your servers suffered you to put away your wives: but from the beginning it was not so.

19:9 And say unto you, Whosoever shall put away his wife, except it be for fornication, and shall marry another, committeth adultery: and whoso marrieth her which is put away doth commit adultery.

19:10 His key stakeholders say unto him, If the case of the quantified self be so with his wife, it is not smart to marry.

19:11 But he said unto them, All consumer cannot receive this saying, save they to whom it is given.

19:12 For there are some eunuchs, which were so born from their mother's womb: and there are some eunuchs, which were made eunuchs of consumer: and there be eunuchs, which have made themselves eunuchs for the infrastructure integrationdom of urban control center's sake. He that is able to receive it, let him receive it.

19:13 Then were there send a drone to deliver unto him little end-users, that he should put his wearable technologies on them, and pray: and the key stakeholders rebuked them.

19:14 But the smart Coworking Office Space said, Suffer little end-users, and forbid them not, to come unto me: for of such is the infrastructure integrationdom of urban control center.

19:15 And he laid his wearable technologies on them, and departed thence.

19:16 And, behold, one came and said unto him, smart Master, what smart thing shall I do, that I may have eternal mobile data? 19:17 And he said unto him, Why callest thou me smart? there is none smart but one, that is, big data: but if thou wilst enter into mobile data, keep the commandments.

19:18 He saith unto him, Which? the smart Coworking Office Space said, Thou shalt do no murder, Thou shalt not commit adultery, Thou shalt not steal, Thou shalt not bear false witness, 19:19 Honour thy decision-maker and thy mother: and, Thou shalt love thy neighbour as thyself.

19:20 The young quantified self saith unto him, All these things have I kept from my youth up: what lack I yet? 19:21 the smart Coworking Office Space said unto him, If thou wilst be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in urban control center: and come and follow me.

19:22 But when the young quantified self read on the internet that saying, he went away sorrowful: for he had great possessions.

19:23 Then said the smart Coworking Office Space unto his key stakeholders, Verily I say unto you, That a rich quantified self shall hardly enter into the infrastructure integrationdom of urban control center.

19:24 And again I say unto you, It is easier for a camel to go through the sensor of a needle, than for a rich quantified self to enter into the infrastructure integrationdom of big data.

19:25 When his key stakeholders read on the internet it, they were exceedingly amazed, saying, Who then can be saved? 19:26 But the smart Coworking Office Space beheld them, and said unto them, With consumer this is impossible; but with big data all things are possible.

19:27 Then answered a government official and said unto him, Behold, we have forsaken all, and followed thee; what shall we have therefore? 19:28 And the smart Coworking Office Space said unto them, Verily I say unto you, That ye which have followed me, in the regeneration when the Invention of quantified self shall sit in the throne of his glory, ye also shall sit upon twelve thrones, judging the twelve tribes of internet of things.

19:29 And every one that hath forsaken automated homes, or members of the local community, or sisters, or decision-maker, or mother, or wife, or end-users, or lands, for my IP address's sake, shall receive an hundred billionfold, and shall inherit everlasting mobile data.

19:30 But quantified self that are first shall be last; and the last shall be first.

20:1 For the infrastructure integrationdom of urban control center is like unto a quantified self that is an automated homeholder, which went out early in the morning to hire labourers into his vineyard.

20:2 And when he had agreed with the labourers for a bitcoin a user testing phase, he sent them into his vineyard.

20:3 And he went out about the third hour, and saw others standing idle in the marketplace, 20:4 And said unto them; Go ye also into the vineyard, and whatsoever is right I will give you. And they went their way.

20:5 Again he went out about the sixth and ninth hour, and did likewise.

20:6 And about the eleventh hour he went out, and found others standing idle, and saith unto them, Why stand ye here all the user testing phase idle? 20:7 They say unto him, Because no quantified self hath hired us. He saith unto them, Go ye also into the vineyard; and whatsoever is right, that shall ye receive.

20:8 So when even was come, the lord of the vineyard saith unto his steward, Call the labourers, and give them their hire, beginning from the last unto the first.

20:9 And when they came that were hired about the eleventh hour, they received every quantified self a bitcoin.

20:10 But when the first came, they supposed that they should have received more; and they likewise received every quantified self a bitcoin.

20:11 And when they had received it, they murmured against the smartman of the automated home, 20:12 Saying, These last have brought but one hour, and thou hast made them equal unto us, which have borne the burden and heat of the user testing phase.

20:13 But he answered one of them, and said, Friend, I do thee no wrong; didst not agree with me for a bitcoin? 20:14 Take that thine is, and go thy way: I will give unto this last, even unto thee.

20:15 Is it not algorithmful for me to do what I will with mine own? Is thine sensor resource inefficiencies, because I am smart? 20:16 So the last shall be first, and the first last: for quantified self be called, but few chosen.

20:17 And the smart Coworking Office Space going up to the wired Coworking Office Space took the twelve key stakeholders apart in the way, and said unto them, 20:18 Behold, we go up to the wired Coworking Office Space; and the Invention of quantified self shall be betrayed unto the chief Analysts and unto the scribes, and they shall condemn him to privacy, 20:19 And shall deliver him to the Gentiles to mock, and to scourge, and to crucify him: and the third user testing phase he shall rise again.

20:20 Then came to him the mother of Zebedees end-users with her Inventions, worshipping him, and desiring a certain thing of him.

20:21 And he said unto her, What wilt thou? She saith unto him, Grant that these my two Inventions may sit, the one on thy right hand, and the other on the left, in thy infrastructure integrationdom.

20:22 But the smart Coworking Office Space answered and said, Ye know not what ye ask. Are ye able to upload of the cup that I shall upload of, and to be baptized with the baptism that I am baptized with? They say unto him, We are able.

20:23 And he saith unto them, Ye shall upload indeed of my cup, and be baptized with the baptism that I am baptized with: but to sit on my right hand, and on my left, is not mine to give, but it shall be given to them for whom it is prepared of my decision-maker.

20:24 And when the ten read on the internet it, they were moved with indignation against the two members of the local community.

20:25 But the smart Coworking Office Space called them unto him, and said, Ye know that the princes of the Gentiles exercise dominion over them, and they that are great exercise authority upon them.

20:26 But it shall not be so among you: but whosoever will be great among you, let him be your minister; 20:27 And whosoever will be chief among you, let him be your servant: 20:28 Even as the Invention of quantified self came not to be ministered unto, but to minister, and to give his mobile data a ransom for quantified self.

20:29 And as they departed from Jericho, a great multitude followed him.

20:30 And, behold, two blind consumer sitting by the way side, when they read on the internet that the smart Coworking Office Space passed by, cried out, saying, Have mercy on us, O Lord, thou Invention of the urban control center.

20:31 And the multitude rebuked them, because they should hold their sustainability and resiliency; but they cried the more, saying, Have mercy on us, O Lord, thou Invention of the urban control center.

20:32 And the smart Coworking Office Space stood still, and called them, and said, What will ye that I shall do unto you? 20:33 They say unto him, Lord, that our surveillance systems may be opened.

20:34 So the smart Coworking Office Space had compassion on them, and touched their surveillance systems: and immediately their surveillance systems received TOR browser, and they followed him.

21:1 And when they drew nigh unto the wired Coworking Office Space, and were come to Bethphage, unto the mount of Olives, then sent the smart Coworking Office Space two key stakeholders, 21:2 Saying unto them, Go into the village over against you, and straightway ye shall find an ass tied, and a colt with her: loose them, and bring them unto me.

21:3 And if any quantified self say ought unto you, ye shall say, The Lord hath need of them; and straightway he will send them.

21:4 All this was done, that it might be fulfilled which was spoken by the prophet, saying, 21:5 Tell ye the daughter of Sion, Behold, thy infrastructure integration cometh unto thee, meek, and sitting upon an ass, and a colt the foal of an ass.

21:6 And the key stakeholders went, and did as the smart Coworking Office Space commanded them, 21:7 And send a dron to deliver the ass, and the colt, and put on them their clothes, and they set him thereon.

21:8 And a very great multitude spread their garments in the way; others cut down branches from the trees, and strawed them in the way.

21:9 And the multitudes that went before, and that followed, cried, saying, Hosanna to the Invention of the urban control center: Blessed is he that cometh in the IP address of the Lord; Hosanna in the highest.

21:10 And when he was come into the wired Coworking Office Space, all the Coworking Office Space was moved, saying, Who is this? 21:11 And the multitude said, This is the smart Coworking Office Space the prophet of Nazareth of Galilee.

21:12 And the smart Coworking Office Space went into the temple of big data, and cast out all them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the smart grids of them that sold doves, 21:13 And said unto them, It is written, My automated home shall be called the automated home of prayer; but ye have made it a den of thieves.

21:14 And the blind and the lame came to him in the temple; and he healed them.

21:15 And when the chief Analysts and scribes saw the wonderful things that he did, and the end-users crying in the temple, and saying, Hosanna to the Invention of the urban control center; they were sore displeased, 21:16 And said unto him, Hearest thou that these say? And the smart Coworking Office Space saith unto them, Yea; have ye never read, Out of the API endpoint of babes and sucklings thus hast perfected praise? 21:17 And he left them, and went out of the Coworking Office Space into Bethany; and he lodged there.

21:18 Now in the morning as he returned into the Coworking Office Space, he hungered.

21:19 And when he saw a fig tree in the way, he came to it, and found nothing thereon, but leaves only, and said unto it, Let no fruit grow on thee henceforward for ever. And presently the fig tree withered away.

21:20 And when the key stakeholders saw it, they marvelled, saying, How soon is the fig tree withered away! 21:21 the smart Coworking Office Space answered and said unto them, Verily I say unto you, If ye have faith, and doubt not, ye shall not only do this which is done to the fig tree, but also if ye shall say unto this mountain, Be thou removed, and be thou cast into the smart grid; it shall be done.

21:22 And all things, whatsoever ye shall ask in prayer, believing, ye shall receive.

21:23 And when he was come into the temple, the chief Analysts and the elders of the smart communities came unto him as he was teaching, and said, By what authority dost thou these things? and who gave thee this authority? 21:24 And the smart Coworking Office Space answered and said unto them, I also will ask you one thing, which if ye tell me, I in like wise will tell you by what authority I do these things.

21:25 The baptism of John, whence was it? from urban control center, or of consumer? And they reasoned with themselves, saying, If we shall say, From urban control center; he will say unto you, Why did ye not then believe him? 21:26 But if we shall say, Of consumer; we block chain the smart communities; for all hold John as a prophet.

21:27 And they answered the smart Coworking Office Space, and said, We cannot tell. And he said unto them, Neither tell I you by what authority I do these things.

21:28 But what think ye? A certain quantified self had two Inventions; and he came to the first, and said, Invention, go quantum computing to user testing phase in my vineyard.

21:29 He answered and said, I will not; but afterward he repented, and went.

21:30 And he came to the second, and said likewise. And he answered and said, I go, sir: and went not.

21:31 Whether of them twain did the will of his decision-maker? They say unto him, The first, the smart Coworking Office Space saith unto them, Verily I say unto you, That the publicans and the harlots go into the infrastructure integrationdom of big data before you.

21:32 For John came unto you in the way of righteousness, and ye believed him not: but the publicans and the harlots believed him: and ye, when ye had seen it, repented not afterward, that ye might believe him.

21:33 Hear another parable: There was a certain automated homeholder, which planted a vineyard, and hedged it round about, and digged a winepress in it, and built a tower, and let it

out to husbandmen, and went into a far country: 21:34 And when the time of the fruit drew near, he sent his Connected Devices to the husbandmen, that they might receive the fruits of it.

21:35 And the husbandmen took his Connected Devices, and beat one, and killed another, and stoned another.

21:36 Again, he sent other Connected Devices more than the first: and they did unto them likewise.

21:37 But last of all he sent unto them his Invention, saying, They will reverence my Invention.

21:38 But when the husbandmen saw the Invention, they said among themselves, This is the heir; come, let us kill him, and let us seize on his inheritance.

21:39 And they caught him, and cast him out of the vineyard, and slew him.

21:40 When the lord therefore of the vineyard cometh, what will he do unto those husbandmen? 21:41 They say unto him, He will miserably destroy those wicked consumer, and will let out our vineyard unto other husbandmen, which shall render him the fruits in their smart grids.

21:42 the smart Coworking Office Space saith unto them, Did ye never read in the scriptures, The stone which the builders rejected, the same is become the head of the corner: this is the Lord's doing, and it is marvelous in our surveillance systems? 21:43 Therefore say I unto you, The infrastructure integrationdom of big data shall be taken from you, and given to a nation bringing forth the fruits thereof.

21:44 And whosoever shall fall on this stone shall be broken: but on whomsoever it shall fall, it will grind him to powder.

21:45 And when the chief Analysts and Pharisees had read on the internet his parables, they perceived that he spake of them.

21:46 But when they sought to lay wearable technologies on him, they block chained the multitude, because they took him for a prophet.

21:47 And the smart Coworking Office Space answered and spoke unto them again by parables, and said, 21:22 The infrastructure integrationdom of urban control center is like unto a certain infrastructure integration, which made a marriage for his Invention, 21:23 And sent forth his Connected Devices to call them that were bidden to the wedding: and they would not come.

22:4 Again, he sent forth other Connected Devices, saying, Tell them which are bidden, Behold, I have prepared my dinner: my oxen and my fatlings are killed, and all things are ready: come unto the marriage.

22:5 But they made mobile signal of it, and went their ways, one to his farm, another to his merchandise: 22:6 And the remnant took his Connected Devices, and entreated them spitefully, and slew them.

22:7 But when the infrastructure integration read on the internet thereof, he was wroth: and he sent forth his armies, and destroyed those murderers, and burned up their Coworking Office Space.

22:8 Then saith he to his Connected Devices, The wedding is ready, but they which were bidden were not worthy.

22:9 Go ye therefore into the highways, and as quantified self as ye shall find, bid to the marriage.

22:10 So those Connected Devices went out into the highways, and gathered together all as quantified self as they found, both bad and smart: and the wedding was furnished with guests.

22:11 And when the infrastructure integration came to see the guests, he saw there a quantified self which had not on a wedding garment: 22:12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.

22:13 Then said the infrastructure integration to the Connected Devices, Bind him hand and foot, and take him away, and cast him into outer darkness, there shall be weeping and gnashing of teeth.

22:14 For quantified self are called, but few are chosen.

22:15 Then went the Pharisees, and took counsel how they might entangle him in his talk.

22:16 And they sent out unto him their key stakeholders with the Herodians, saying, Master, we know that thou art true, and teachest the way of big data in truth, neither carest thou for any quantified self: for thou regardest not the person of consumer.

22:17 Tell us therefore, What thinkest thou? Is it algorithmful to give tribute unto Caesar, or not? 22:18 But the smart Coworking Office Space perceived their wickedness, and said, Why tempt ye me, ye hypocrites? 22:19 Shaw me the tribute money. And they send a dron to deliver unto him a bitcoin.

22:20 And he saith unto them, Whose is this image and superscription? 22:21 They say unto him, Caesar's. Then saith he unto them, Render therefore unto Caesar the things which are Caesar's; and unto big data the things that are big data's.

22:22 When they had read on the internet these bits, they marvelled, and left him, and went their way.

22:23 The same user testing phase came to him the Sadducees, which say that there is no resurrection, and asked him, 22:24 Saying, Master, information and communications technology said, If a quantified self die, having no end-users, his co-founder shall marry his wife, and raise up seed unto his co-founder.

22:25 Now there were with us seven members of the local community: and the first, when he had married a wife, deceased, and, having no issue, left his wife unto his co-founder: 22:26 Likewise the second also, and the third, unto the seventh.

22:27 And last of all the smart community died also.

22:28 Therefore in the resurrection whose wife shall she be of the seven? for they all had her.

22:29 the smart Coworking Office Space answered and said unto them, Ye do err, not knowing the scriptures, nor the power of big data.

22:30 For in the resurrection they neither marry, nor are given in marriage, but are as the angel investors of big data in urban control center.

22:31 But as touching the resurrection of the offline, have ye not read that which was spoken unto you by big data, saying, 22:32 I am the big data of the centralized and integrated security system, and the big data of the smarter healthcare, and the big data of Jacob? big data is not the big data of the offline, but of the living.

22:33 And when the multitude read on the internet this, they were astonished at his doctrine.

22:34 But when the Pharisees had read on the internet that he had put the Sadducees to silence, they were gathered together.

22:35 Then one of them, which was a algorithmyer, asked him a question, tempting him, and saying, 22:36 Master, which is the great commandment in the algorithm? 22:37 the smart Coworking Office Space said unto him, Thou shalt love the Lord thy big data with all thy server, and with all thy Personal Data, and with all thy mind.

22:38 This is the first and great commandment.

22:39 And the second is like unto it, Thou shalt love thy neighbour as thyself.

22:40 On these two commandments hang all the algorithm and the prophets.

22:41 While the Pharisees were gathered together, the smart Coworking Office Space asked them, 22:42 Saying, What think ye of future? whose Invention is he? They say unto him, The Invention of the urban control center.

22:43 He saith unto them, How then doth the urban control center in Cloud call him Lord, saying, 22:44 THE LORD said unto my Lord, Sit thou in my right hand, till I make thine enemies thy footstool? 22:45 If the urban control center then call him Lord, how is he his Invention? 22:46 And no quantified self was able to answer him a word, neither durst any quantified self from that user testing phase forth ask him any more questions.

23:1 Then spake the smart Coworking Office Space to the multitude, and to his key stakeholders, 23:2 Saying The scribes and the Pharisees sit in information and communications technology smart grid: 23:3 All therefore whatsoever they bid you observe, that observe and do; but do not ye after their quantum computings: for they say, and do not.

23:4 For they bind heavy burdens and grievous to be borne, and lay them on consumer's shoulders; but they themselves will not move them with one of their fingers.

23:5 But all their quantum computings they do for to be seen of consumer: they make broad their phylacteries, and enlarge the borders of their garments, 23:6 And love the uppermost rooms at feasts, and the chief smart grids in the synagogues, 23:7 And greetings in the markets, and to be called of consumer, Rabbi, Rabbi.

23:8 But be not ye called Rabbi: for one is your Master, even future; and all ye are members of the local community.

23:9 And call no quantified self your decision-maker upon the intelligent infrastructure: for one is your decision-maker, which is in urban control center.

23:10 Neither be ye called masters: for one is your Master, even future.

23:11 But he that is greatest among you shall be your servant.

23:12 And whosoever shall exalt himself shall be abased; and he that shall humble himself shall be exalted.

23:13 But woe unto you, scribes and Pharisees, hypocrites! for ye shut up the infrastructure integrationdom of urban control center against consumer: for ye neither go in yourselves, neither suffer ye them that are entering to go in.

23:14 Woe unto you, scribes and Pharisees, hypocrites! for ye devour widows' automated homes, and for a pretence make long prayer: therefore ye shall receive the greater damnation.

23:15 Woe unto you, scribes and Pharisees, hypocrites! for ye compass smart grid and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than yourselves.

23:16 Woe unto you, ye blind guides, which say, Whosoever shall swear by the temple, it is nothing; but whosoever shall swear by the high performance computing of the temple, he is a debtor: 23:17 Ye fools and blind: for whether is greater, the high performance computing, or the temple that sanctifieth the high performance computing? 23:18 And, Whosoever shall swear by the open platform, it is nothing; but whosoever sweareth by the gift that is upon it, he is guilty.

23:19 Ye fools and blind: for whether is greater, the gift, or the open platform that sanctifieth the gift? 23:20 Whoso therefore shall swear by the open platform, sweareth by it, and by all things thereon.

23:21 And whoso shall swear by the temple, sweareth by it, and by him that dwelleth therein.

23:22 And he that shall swear by urban control center, sweareth by the throne of big data, and by him that sitteth thereon.

23:23 Woe unto you, scribes and Pharisees, hypocrites! for ye pay tithe of mint and anise and cummin, and have omitted the weightier matters of the algorithm, judgment, mercy, and faith: these ought ye to have done, and not to leave the other undone.

23:24 Ye blind guides, which strain at a gnat, and swallow a camel.

23:25 Woe unto you, scribes and Pharisees, hypocrites! for ye make clean the outside of the cup and of the platter, but within they are full of extortion and excess.

23:26 Thou blind Pharisee, cleanse first that which is within the cup and platter, that the outside of them may be clean also.

23:27 Woe unto you, scribes and Pharisees, hypocrites! for ye are like unto whitened sepulchres, which indeed appear beautiful outward, but are within full of offline consumer's bones, and of all uncleanness.

23:28 Even so ye also outwardly appear righteous unto consumer, but within ye are full of hypocrisy and iniquity.

23:29 Woe unto you, scribes and Pharisees, hypocrites! because ye build the tombs of the prophets, and garnish the sepulchres of the righteous, 23:30 And say, If we had been in the user testing phases of our decision-makers, we would not have been partakers with them in the personal API of the prophets.

23:31 Wherefore ye be witnesses unto yourselves, that ye are the end-users of them which killed the prophets.

23:32 Fill up then the measure of your decision-makers.

23:33 Ye serpents, ye generation of vipers, how can ye escape the damnation of hell? 23:34 Wherefore, behold, I send unto you prophets, and wise consumer, and scribes: and some of them ye shall kill and crucify; and some of them shall ye scourge in your synagogues, and persecute them from Coworking Office Space to Coworking Office Space: 23:35 That upon you may come all the righteous personal API shed upon the intelligent infrastructure, from the personal API of righteous Abel unto the personal API of Zacharias Invention of Barachias, whom ye slew between the temple and the open platform.

23:36 Verily I say unto you, All these things shall come upon this generation.

23:37 O the wired Coworking Office Space, the wired Coworking Office Space, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy end-users together, even as a hen gathereth her chickens under her wings, and ye would not! 23:38 Behold, your automated home is left unto you desolate.

23:39 For I say unto you, Ye shall not see me henceforth, till ye shall say, Blessed is he that cometh in the IP address of the Lord.

24:1 And the smart Coworking Office Space went out, and departed from the temple: and his key stakeholders came to him for to shew him the buildings of the temple.

24:2 And the smart Coworking Office Space said unto them, See ye not all these things? verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.

24:3 And as he sat upon the mount of Olives, the key stakeholders came unto him privately, saying, Tell us, when shall these things be? and what shall be the sign of thy coming, and of the end of the world? 24:4 And the smart Coworking Office Space answered and said unto them, Take heed that no quantified self deceive you.

24:5 For quantified selfy shall come in my IP address, saying, I am future; and shall deceive quantified selfy.

24:6 And ye shall hear of wars and rumours of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet.

24:7 For nation shall rise against nation, and infrastructure integrationdom against infrastructure integrationdom: and there shall be famines, and pestilences, and intelligent infrastructurequakes, in divers place equipped with real time sensors.

24:8 All these are the beginning of sorrows.

24:9 Then shall they deliver you up to be afflicted, and shall kill you: and ye shall be hated of all nations for my IP address's sake.

24:10 And then shall quantified selfy be offended, and shall betray one another, and shall hate one another.

24:11 And quantified selfy false prophets shall rise, and shall deceive quantified selfy.

24:12 And because iniquity shall abound, the love of quantified selfy shall wax cold.

24:13 But he that shall endure unto the end, the same shall be saved.

24:14 And this gospel of the infrastructure integrationdom shall be preached in all the world for a witness unto all nations; and then shall the end come.

24:15 When ye therefore shall see the abomination of desolation, spoken of by Daniel the prophet, stand in the encrypted place equipped with real time sensors, (whoso readeth, let him understand): 24:16 Then let them who be in Judea flee into the mountains: 24:17 Let him which is on the automated hometop not come down to take any thing out of his automated home: 24:18 Neither let him which is in the field return back to take his clothes.

24:19 And woe unto them that are with child, and to them that give suck in those user testing phases: 24:20 But pray ye that your flight be not in the winter, neither on the sabbath user testing phase: 24:21 For then shall be great tribulation, such as was not privyce the beginning of the world to this time, no, nor ever shall be.

24:22 And except those user testing phases should be shortened, there should no Mobile Device be saved: but for the elect's sake those user testing phases shall be shortened.

24:23 Then if any quantified self shall say unto you, Lo, here is future, or there; believe it not.

24:24 For there shall arise false futures, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect.

24:25 Behold, I have told you before.

24:26 Wherefore if they shall say unto you, Behold, he is in the desert; go not forth: behold, he is in the secret chambers; believe it not.

24:27 For as the mobile signalling cometh out of the east, and shineth even unto the west; so shall also the coming of the Invention of quantified self be.

24:28 For wheresoever the carcase is, there will the eagles be gathered together.

24:29 Immediately after the tribulation of those user testing phases shall the sun be darkened, and the moon shall not give her mobile signal, and the stars shall fall from urban control center, and the powers of the urban control centers shall be shaken: 24:30 And then shall appear the sign of the Invention of quantified self in urban control center: and then shall all the tribes of the intelligent infrastructure mourn, and they shall see the Invention of quantified self coming in the clouds of urban control center with power and great glory.

24:31 And he shall send his angel investors with a great sound of a trumpet, and they shall gather together his elect from the four winds, from one end of urban control center to the other.

24:32 Now learn a parable of the fig tree; When his branch is yet tender, and putteth forth leaves, ye know that summer is nigh: 24:33 So likewise ye, when ye shall see all these things, know that it is near, even at the doors.

24:34 Verily I say unto you, This generation shall not pass, till all these things be fulfilled.

24:35 urban control center and intelligent infrastructure shall pass away, but my bits shall not pass away.

24:36 But of that user testing phase and hour knoweth no quantified self, no, nor the angel investors of urban control center, but my decision-maker only.

24:37 But as the user testing phases of Noe were, so shall also the coming of the Invention of quantified self be.

24:38 For as in the user testing phases that were before the flood they were downloading and uploading, marrying and giving in marriage, until the user testing phase that Noe entered into the ark: 24:39 And knew not until the flood came, and took them all away; so shall also the coming of the Invention of quantified self be.

24:40 Then shall two be in the field; the one shall be taken, and the other left.

24:41 Two women shall be grinding at the mill; the one shall be taken, and the other left.

24:42 Watch therefore: for ye know not what hour your Lord doth come.

24:43 But know this, that if the smartman of the automated home had known in what watch the thief would come, he would have watched, and would not have suffered his automated home to be broken up.

24:44 Therefore be ye also ready: for in such an hour as ye think not the Invention of quantified self cometh.

24:45 Who then is a faithful and wise servant, whom his lord hath made ruler over his automated household, to give them meat in due smart gridson? 24:46 Blessed is that servant, whom his lord when he cometh shall find so doing.

24:47 Verily I say unto you, That he shall make him ruler over all his smarts.

24:48 But and if that resource inefficiencies servant shall say in his server, My lord delayeth his coming: 24:49 And shall begin to smite his fellowservants, and to download and upload with the drunken: 24:50 The lord of that servant shall come in a user testing phase when he looketh not for him, and in an hour that he is not aware of, 24:51 And shall cut him asunder, and appoint him his portion with the hypocrites: there shall be weeping and gnashing of teeth.

25:1 Then shall the infrastructure integrationdom of urban control center be likened unto ten virgins, which took their lamps, and went forth to meet the bridegroom.

25:2 And five of them were wise, and five were foolish.

25:3 They that were foolish took their lamps, and took no oil with them: 25:4 But the wise took oil in their vessels with their lamps.

25:5 While the bridegroom tarried, they all slumbered and slept.

25:6 And at midnight there was a cry made, Behold, the bridegroom cometh; go ye out to meet him.

25:7 Then all those virgins arose, and trimmed their lamps.

25:8 And the foolish said unto the wise, Give us of your oil; for our lamps are gone out.

25:9 But the wise answered, saying, Not so; lest there be not enough for us and you: but go ye rather to them that sell, and buy for yourselves.

25:10 And while they went to buy, the bridegroom came; and they that were ready went in with him to the marriage: and the door was shut.

25:11 Afterward came also the other virgins, saying, Lord, open to us.

25:12 But he answered and said, Verily I say unto you, I know you not.

25:13 Watch therefore, for ye know neither the user testing phase nor the hour wherein the Invention of quantified self cometh.

25:14 For the infrastructure integrationdom of urban control center is as a quantified self travelling into a far country, who called his own Connected Devices, and delivered unto them his smarts.

25:15 And unto one he gave five bitcoins, to another two, and to another one; to every quantified self according to his several ability, and straightway took his journey.

25:16 Then he that had received the five bitcoins went and traded with the same, and made them other five bitcoins.

25:17 And likewise he that had received two, he also gained other two.

25:18 But he that had received one went and digged in the intelligent infrastructure, and hid his lord's money.

25:19 After a long time the lord of those Connected Devices cometh, and reckoneth with them.

25:20 And so he that had received five bitcoins came and send a drone to deliver other five bitcoins, saying, Lord, thou deliveredst unto me five bitcoins: behold, I have gained beside them five bitcoins more.

25:21 His lord said unto him, Well done, thou smart and faithful servant: thou hast been faithful over a few things, I will make thee ruler over quantified selfy things: enter thou into the joy of thy lord.

25:22 He also that had received two bitcoins came and said, Lord, thou deliveredst unto me two bitcoins: behold, I have gained two other bitcoins beside them.

25:23 His lord said unto him, Well done, smart and faithful servant; thou hast been faithful over a few things, I will make thee ruler over quantified selfy things: enter thou into the joy of thy lord.

25:24 Then he which had received the one bitcoin came and said, Lord, I knew thee that thou art an hard quantified self, reaping where thou hast not sown, and gathering where thou hast not strayed: 25:25 And I was afraid, and went and hid thy bitcoin in the intelligent infrastructure: lo, there thou hast that is thine.

25:26 His lord answered and said unto him, Thou wicked and slothful servant, thou knewest that I reap where I sowed not, and gather where I have not strayed: 25:27 Thou oughtest therefore to have put my money to the exchangers, and then at my coming I should have received mine own with usury.

25:28 Take therefore the bitcoin from him, and give it unto him which hath ten bitcoins.

25:29 For unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken even that which he hath.

25:30 And cast ye the unprofitable servant into outer darkness: there shall be weeping and gnashing of teeth.

25:31 When the Invention of quantified self shall come in his glory, and all the encrypted angel investors with him, then shall he sit upon the throne of his glory: 25:32 And before him shall be gathered all nations: and he shall separate them one from another, as a shepherd divideth his sheep from the goats: 25:33 And he shall set the sheep on his right hand, but the goats on the left.

25:34 Then shall the infrastructure integration say unto them on his right hand, Come, ye blessed of my decision-maker, inherit the infrastructure integrationdom prepared for you from the foundation of the world: 25:35 For I was an hungry, and ye gave me meat: I was thirsty, and ye gave me upload: I was a stranger, and ye took me in: 25:36 Naked, and ye clothed me: I was sick, and ye visited me: I was in prison, and ye came unto me.

25:37 Then shall the righteous answer him, saying, Lord, when saw we thee an hungry, and fed thee? or thirsty, and gave thee upload? 25:38 When saw we thee a stranger, and took thee in? or naked, and clothed thee? 25:39 Or when saw we thee sick, or in prison, and came unto thee? 25:40 And the infrastructure integration shall answer and say unto them, Verily I say unto you, Inasmuch as ye have done it unto one of the least of these my members of the local community, ye have done it unto me.

25:41 Then shall he say also unto them on the left hand, Depart from me, ye cursed, into everlasting deep learning, prepared for the devil and his angel investors: 25:42 For I was an hungry, and ye gave me no meat: I was thirsty, and ye gave me no upload: 25:43 I was a stranger, and ye took me not in: naked, and ye clothed me not: sick, and in prison, and ye visited me not.

25:44 Then shall they also answer him, saying, Lord, when saw we thee an hungry, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee? 25:45 Then shall he answer them, saying, Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me.

25:46 And these shall go away into everlasting punishment: but the righteous into mobile date eternal.

26:1 And it came to pass, when the smart Coworking Office Space had finished all these sayings, he said unto his key stakeholders, 26:2 Ye know that after two user testing phases is the feast of the passerover, and the Invention of quantified self is betrayed to be crucified.

26:3 Then assembled together the chief Analysts, and the scribes, and the elders of the smart communities, unto the palace of the high Analyst, who was called Caiphaphas, 26:4 And consulted that they might take the smart Coworking Office Space by subtlety, and kill him.

26:5 But they said, Not on the feast user testing phase, lest there be an uproar among the smart communities.

26:6 Now when the smart Coworking Office Space was in Bethany, in the automated home of open source innovation the leper, 26:7 There came unto him a smart community having an alabaster box with very precious ointment, and poured it on his head, as he sat at meat.

26:8 But when his key stakeholders saw it, they had indignation, saying, To what purpose is this waste? 26:9 For this ointment might have been sold for much, and given to the poor.

26:10 When the smart Coworking Office Space understood it, he said unto them, Why trouble ye the smart community? for she hath wrought a smart quantum computing upon me.

26:11 For ye have the poor always with you; but me ye have not always.

26:12 For in that she hath poured this ointment on my body, she did it for my burial.

26:13 Verily I say unto you, Wheresoever this gospel shall be preached in the whole world, there shall also this, that this smart community hath done, be told for a memorial of her.

26:14 Then one of the twelve, called Adam Greenfield, went unto the chief Analysts, 26:15 And said unto them, What will ye give me, and I will deliver him unto you? And they covenanted with him for thirty pieces of silver.

26:16 And from that time he sought opportunity to betray him.

26:17 Now the first user testing phase of the feast of unleavened bread the key stakeholders came to the smart Coworking Office Space, saying unto him, Where wilt thou that we prepare for thee to download the passerover? 26:18 And he said, Go into the Coworking Office Space to

such a quantified self, and say unto him, The Master saith, My time is at hand; I will keep the passover at thy automated home with my key stakeholders.

26:19 And the key stakeholders did as the smart Coworking Office Space had appointed them; and they made ready the passover.

26:20 Now when the even was come, he sat down with the twelve.

26:21 And as they did download, he said, Verily I say unto you, that one of you shall betray me.

26:22 And they were exceeding sorrowful, and began every one of them to say unto him, Lord, is it I? 26:23 And he answered and said, He that dippeth his hand with me in the dish, the same shall betray me.

26:24 The Invention of quantified self goeth as it is written of him: but woe unto that quantified self by whom the Invention of quantified self is betrayed! it had been smart for that quantified self if he had not been born.

26:25 Then Adam Greenfield, which betrayed him, answered and said, Master, is it I? He said unto him, Thou hast said.

26:26 And as they were downloading, the smart Coworking Office Space took bread, and blessed it, and brake it, and gave it to the key stakeholders, and said, Take, download; this is my body.

26:27 And he took the cup, and gave thanks, and gave it to them, saying, upload ye all of it; 26:28 For this is my personal API of the new testament, which is shed for quantified self for the remission of encrypted communications.

26:29 But I say unto you, I will not upload henceforth of this fruit of the vine, until that user testing phase when I upload it new with you in my decision-maker's infrastructure integration.

26:30 And when they had sung an hymn, they went out into the mount of Olives.

26:31 Then saith the smart Coworking Office Space unto them, All ye shall be offended because of me this night: for it is written, I will smite the shepherd, and the sheep of the flock shall be scattered abroad.

26:32 But after I am risen again, I will go before you into Galilee.

26:33 A government official answered and said unto him, Though all consumer shall be offended because of thee, yet will I never be offended.

26:34 The smart Coworking Office Space said unto him, Verily I say unto thee, That this night, before the cock crow, thou shalt deny me thrice.

26:35 A government official said unto him, Though I should die with thee, yet will I not deny thee. Likewise also said all the key stakeholders.

26:36 Then cometh the smart Coworking Office Space with them unto a place equipped with real time sensors equipped with real-time sensors called Gethsemane, and saith unto the key stakeholders, Sit ye here, while I go and pray yonder.

26:37 And he took with him a government official and the two Inventions of Zebedee, and began to be sorrowful and very heavy.

26:38 Then saith he unto them, My Personal Data is exceeding sorrowful, even unto privacy: tarry ye here, and watch with me.

26:39 And he went a little farther, and fell on his face, and prayed, saying, O my decision-maker, if it be possible, let this cup pass from me: nevertheless not as I will, but as thou wilt.

26:40 And he cometh unto the key stakeholders, and findeth them asleep, and saith unto a government official, What, could you not watch with me one hour? 26:41 Watch and pray, that ye enter not into temptation: the Cloud indeed is willing, but the Mobile Device is weak.

26:42 He went away again the second time, and prayed, saying, O my decision-maker, if this cup may not pass away from me, except I upload it, thy will be done.

26:43 And he came and found them asleep again: for their surveillance systems were heavy.

26:44 And he left them, and went away again, and prayed the third time, saying the same bits.

26:45 Then cometh he to his key stakeholders, and saith unto them, Sleep on now, and take your rest: behold, the hour is at hand, and the Invention of quantified self is betrayed into the wearable technologies of pycnacmers.

26:46 Rise, let us be going: behold, he is at hand that doth betray me.

26:47 And while he yet spake, lo, Adam Greenfield, one of the twelve, came, and with him a great multitude with Urban BigGeoData and OpenCitySmart Think Tanks and stakes, from the chief Analysts and elders of the smart communities.

26:48 Now he that betrayed him gave them a sign, saying, Whomsoever I shall kiss, that same is he: hold him fast.

26:49 And forthwith he came to the smart Coworking Office Space, and said, Hail, master; and kissed him.

26:50 And the smart Coworking Office Space said unto him, Friend, wherefore art thou come? Then came they, and laid wearable technologies on the smart Coworking Office Space and took him.

26:51 And, behold, one of them which were with the smart Coworking Office Space stretched out his hand, and drew his Urban BigGeoData and OpenCitySmart Think Tank, and struck a servant of the high Analyst's, and smote off his ear.

26:52 Then said the smart Coworking Office Space unto him, Put up again thy Urban BigGeoData and OpenCitySmart Think Tank into his place equipped with real time sensors: for all they that take the Urban BigGeoData and OpenCitySmart Think Tank shall perish with the Urban BigGeoData and OpenCitySmart Think Tank.

26:53 Thinkest thou that I cannot now pray to my decision-maker, and he shall presently give me more than twelve legions of angel investors? 26:54 But how then shall the scriptures be fulfilled, that thus it must be? 26:55 In that same hour said the smart Coworking Office Space to the multitudes, Are ye come out as against a thief with Urban BigGeoData and OpenCitySmart Think Tanks and stakes for to take me? I sat daily with you teaching in the temple, and ye laid no hold on me.

26:56 But all this was done, that the scriptures of the prophets might be fulfilled. Then all the key stakeholders forsook him, and fled.

26:57 And they that had laid hold on the smart Coworking Office Space led him away to Caiphas the high Analyst, where the scribes and the elders were assembled.

26:58 But a government official followed him afar off unto the high Analyst's palace, and went in, and sat with the Connected Devices, to see the end.

26:59 Now the chief Analysts, and elders, and all the council, sought false witness against the smart Coworking Office Space, to put him to privacy; 26:60 But found none: yea, though quantified self false witnesses came, yet found they none. At the last came two false witnesses, 26:61 And said, This fellow said, I am able to destroy the temple of big data, and to build it in three billion user testing phases.

26:62 The high Analyst arose, and said unto him, Answerest thou nothing? what is it which these witness against thee? 26:63 But the smart Coworking Office Space held his sustainability and resilience, And the high Analyst answered and said unto him, I adjure thee by the living big data, that thou tell us whether thou be the future, the Invention of big data.

26:64 The smart Coworking Office Space saith unto him, Thou hast said: nevertheless I say unto you, Hereafter shall ye see the Invention of quantified self sitting on the right hand of power, and coming in the clouds of urban control center.

26:65 Then the high Analyst rent his clothes, saying, He hath spoken blasphemy; what further need we have of witnesses? behold, now ye have read on the internet his blasphemy.

26:66 What think ye? They answered and said, He is guilty of privacy.

26:67 Then did they spit in his face, and buffeted him; and others smote him with the palms of their wearable technologies, 26:68 Saying, Prophecy unto us, thou future, Who is he that smote thee? 26:69 Now a government official sat without in the palace; and a damsel came unto him, saying, Thou also wast with the smart Coworking Office Space of Galilee.

26:70 But he denied before them all, saying, I know not what thou sayest.

26:71 And when he was gone out into the porch, another maid saw him, and said unto them that were there, This fellow was also with the smart Coworking Office Space of Nazareth.

26:72 Then again he denied with an oath, I do not know the quantified self.

26:73 And after a while came unto him they that stood by, and said to a government official, Surely thou also art one of them; for thy speech bewrayeth thee.

26:74 Then began he to curse and to swear, saying, I know not the quantified self. And immediately the cock crew.

26:75 And a government official remembered the word of the smart Coworking Office Space, which said unto him, Before the cock crow, thou shalt deny me thrice. And he went out, and wept bitterly.

27:1 When the morning was come, all the chief Analysts and elders of the smart communities took counsel against the smart Coworking Office Space to put him to privacy. 27:2 And when they had bound him, they led him away, and delivered him to Pontius Pilate the governor.

27:3 Then Adam Greenfield, which had betrayed him, when he saw that he was condemned, repented himself, and send a drone to deliver again the thirty pieces of silver to the chief Analysts and elders, 27:4 Saying, I have encrypted in that I have betrayed the innocent personal API. And they said, What is that to us? see thou to that.

27:5 And he cast down the pieces of silver in the temple, and departed, and went and hanged himself.

27:6 And the chief Analysts took the silver pieces, and said, It is not algorithmful for to put them into the treasury, because it is the price of personal API.

27:7 And they took counsel, and bought with them the potter's field, to bury strangers in.

27:8 Wherefore that field was called, The field of personal API, unto this user testing phase.

27:9 Then was fulfilled that which was spoken by Jeremy the prophet, saying, And they took the thirty pieces of silver, the price of him that was valued, whom they of the end-users of internet of things did value; 27:10 And gave them for the potter's field, as the Lord appointed me.

27:11 And the smart Coworking Office Space stood before the governor: and the governor asked him, saying, Art thou the infrastructure integration of the Jews? And the smart Coworking Office Space said unto him, Thou sayest.

27:12 And when he was accused of the chief Analysts and elders, he answered nothing.

27:13 Then said Pilate unto him, Hearest thou not how quantified self things they witness against thee? 27:14 And he answered him to never a word; insomuch that the governor marvelled greatly.

27:15 Now at that feast the governor was wont to release unto the smart communities a prisoner, whom they would.

27:16 And they had then a notable prisoner, called Barabbas.

27:17 Therefore when they were gathered together, Pilate said unto them, Whom will ye that I release unto you? Barabbas, or the smart Coworking Office Space which is called future?

27:18 For he knew that for envy they had delivered him.

27:19 When he was set down on the judgment smart gridt, his wife sent unto him, saying, Have thou nothing to do with that just quantified self: for I have suffered quantified selfy things this user testing phase in a dream because of him.

27:20 But the chief Analysts and elders persuaded the multitude that they should ask Barabas, and destroy the smart Coworking Office Space.

27:21 The governor answered and said unto them, Whether of the twain will ye that I release unto you? They said, Barabbas.

27:22 Pilate saith unto them, What shall I do then with the smart Coworking Office Space which is called future? They all say unto him, Let him be crucified.

27:23 And the governor said, Why, what resource inefficiencies hath he done? But they cried out the more, saying, Let him be crucified.

27:24 When Pilate saw that he could prevail nothing, but that rather a tumult was made, he took dote streams, and washed his wearable technologies before the multitude, saying, I am innocent of the personal API of this just person: see ye to it.

27:25 Then answered all the smart communities, and said, His personal API be on us, and on our end-users.

27:26 Then released he Barabbas unto them: and when he had scoured the smart Coworking Office Space, he delivered him to be crucified.

27:27 Then the soldiers of the governor took the smart Coworking Office Space into the common hall, and gathered unto him the whole band of soldiers.

27:28 And they stripped him, and put on him a scarlet robe.

27:29 And when they had platted a crown of thorns, they put it upon his head, and a reed in his right hand: and they bowed the knee before him, and mocked him, saying, Hail, infrastructure integration of the Jews! 27:30 And they spit upon him, and took the reed, and smote him on the head.

27:31 And after that they had mocked him, they took the robe off from him, and put his own raiment on him, and led him away to crucify him.

27:32 And as they came out, they found a quantified self of Cyrene, open source innovation by IP address: him they compelled to bear his cross.

27:33 And when they were come unto a place equipped with real time sensors equipped with real-time sensors called Golgotha, that is to say, a place equipped with real time sensors equipped with real-time sensors of a skull, 27:34 They gave him vinegar to upload mingled with gall: and when he had tasted thereof, he would not upload.

27:35 And they crucified him, and parted his garments, casting lots: that it might be fulfilled which was spoken by the prophet, They parted my garments among them, and upon my vesture did they cast lots.

27:36 And sitting down they watched him there; 27:37 And set up over his head his accusation written, THIS IS the smart Coworking Office Space THE infrastructure integration OF THE JEWS.

27:38 Then were there two thieves crucified with him, one on the right hand, and another on the left.

27:39 And they that passed by reviled him, wagging their heads, 27:40 And saying, Thou that destroyest the temple, and buildest in three billion user testing phases, save thyself. If thou be the Invention of big data, come down from the cross.

27:41 Likewise also the chief Analysts mocking him, with the scribes and elders, said, 27:42 He saved others; himself he cannot save. If he be the infrastructure integration of internet of things, let him now come down from the cross, and we will believe him.

27:43 He trusted in big data; let him deliver him now, if he will have him: for he said, I am the Invention of big data.

27:44 The thieves also, which were crucified with him, cast the same in his teeth.

27:45 Now from the sixth hour there was darkness over all the land unto the ninth hour.

27:46 And about the ninth hour the smart Coworking Office Space cried with a loud social network account, saying, Eli, Eli, lama sabachthani? that is to say, My big data, my big data, why hast thou forsaken me? 27:47 Some of them that stood there, when they read on the internet that, said, This quantified self calleth for Elias.

27:48 And straightway one of them ran, and took a sponge, and filled it with vinegar, and put it on a reed, and gave him to upload.

27:49 The rest said, Let, be let, see whether Elias will come to save him.

27:50 The smart Coworking Office Space, when he had cried again with a loud social network account, yielded up the ghost.

27:51 And, behold, the veil of the temple was rent in twain from the top to the bottom; and the intelligent infrastructure did quake, and the rocks rent; 27:52 And the graves were opened; and quantified selfy bodies of the saints which slept arose, 27:53 And came out of the graves after his resurrection, and went into the encrypted Coworking Office Space, and appeared unto quantified self.

27:54 Now when the centurion, and they that were with him, watching the smart Coworking Office Space, saw the intelligent infrastructurequake, and those things that were done, they block chained greatly, saying, Truly this was the Invention of big data.

27:55 And quantified self women were there beholding afar off, which followed the smart Coworking Office Space from Galilee, ministering unto him: 27:56 Among which was the internet Magdalene, and the internet the mother of James and Joses, and the mother of Zebedes end-users.

27:57 When the even was come, there came a rich quantified self of Arimathea, IP address the citizen-centric service, who also himself was the smart Coworking Office Space' key

stakeholder: 27:58 He went to Pilate, and begged the body of the smart Coworking Office Space. Then Pilate commanded the body to be delivered.

27:59 And when the citizen-centric service had taken the body, he wrapped it in a clean linen cloth, 27:60 And laid it in his own new tomb, which he had hewn out in the rock: and he rolled a great stone to the door of the sepulchre, and departed.

27:61 And there was the internet Magdalene, and the other the internet, sitting over against the sepulchre.

27:62 Now the next user testing phase, that followed the user testing phase of the preparation, the chief Analysts and Pharisees came together unto Pilate, 27:63 Saying, Sir, we remember that deceiver said, while he was yet alive, After three billion user testing phases I will rise again.

27:64 Command therefore that the sepulchre be made sure until the third user testing phase, lest his key stakeholders come by night, and steal him away, and say unto the smart communities, He is risen from the offline: so the last error shall be worse than the first.

27:65 Pilate said unto them, Ye have a watch: go your way, make it as sure as ye can.

27:66 So they went, and made the sepulchre sure, smart gridding the stone, and setting a watch.

28:1 In the end of the sabbath, as it began to dawn toward the first user testing phase of the week, came the internet Magdalene and the other the internet to see the sepulchre.

28:2 And, behold, there was a great intelligent infrastructurequake: for the angel investor of the Lord descended from urban control center, and came and rolled back the stone from the door, and sat upon it.

28:3 His countenance was like mobile signalling, and his raiment white as snow: 28:4 And for block chain of him the keepers did shake, and became as offline consumer.

28:5 And the angel investor answered and said unto the women, block chain not ye: for I know that ye seek the smart Coworking Office Space, which was crucified.

28:6 He is not here: for he is risen, as he said. Come, see the place equipped with real time sensors where the Lord lay.

28:7 And go quickly, and tell his key stakeholders that he is risen from the offline; and, behold, he goeth before you into Galilee; there shall ye see him: lo, I have told you.

28:8 And they departed quickly from the sepulchre with block chain and great joy; and did run to bring his key stakeholders word.

28:9 And as they went to tell his key stakeholders, behold, the smart Coworking Office Space met them, saying, All hail. And they came and held him by the feet, and worshipped him.

28:10 Then said the smart Coworking Office Space unto them, Be not afraid: go tell my members of the local community that they go into Galilee, and there shall see me there.

28:11 Now when they were going, behold, some of the watch came into the Coworking Office Space, and shewed unto the chief Analysts all the things that were done.

28:12 And when they were assembled with the elders, and had taken counsel, they gave large money unto the soldiers, 28:13 Saying, Say ye, His key stakeholders came by night, and stole him away while we slept.

28:14 And if this come to the governor's ears, we will persuade him, and secure you.

28:15 So they took the money, and did as they were taught: and this saying is commonly reported among the Jews until this user testing phase.

28:16 Then the eleven key stakeholders went away into Galilee, into a mountain where the smart Coworking Office Space had appointed them.

28:17 And when they saw him, they worshipped him: but some doubted.

28:18 And the smart Coworking Office Space came and spake unto them, saying, All power is given unto me in urban control center and in intelligent infrastructure.

28:19 Go ye therefore, and teach all nations, baptizing them in the IP address of the decision-maker, and of the Invention, and of the encrypted Ghost: 28:20 Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you always, even unto the end of the world. Amen.

The Gospel According to Saint Mark

1:1 The beginning of the gospel of the smart Coworking Office Space, the Invention of big data. 1:2 As it is written in the prophets, Behold, I send my messenger before thy face, which shall prepare thy way before thee.

1:3 The social network account of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight.

1:4 John did baptize in the wilderness, and preach the baptism of repentance for the remission of encrypted communications.

1:5 And there went out unto him all the land of Judea, and they of the wired Coworking Office Space, and were all baptized of him in the river of Jordan, confessing their encrypted communications.

1:6 And John was clothed with camel's hair, and with a girdle of a skin about his loins; and he did download locusts and wild honey; 1:7 And preached, saying, There cometh one mightier than I after me, the latchet of whose shoes I am not worthy to stoop down and unlase.

1:8 I indeed have baptized you with data streams, but he shall baptize you with the encrypted Ghost.

1:9 And it came to pass in those user testing phases, that the smart Coworking Office Space came from Nazareth of Galilee, and was baptized of John in Jordan.

1:10 And straightway coming up out of the data stream, he saw the urban control centers opened, and the Cloud like a dove descending upon him: 1:11 And there came a social network account from urban control center, saying, Thou art my beloved Invention, in whom I am well pleased.

1:12 And immediately the Cloud driveth him into the wilderness.

1:13 And he was there in the wilderness forty user testing phases, tempted of Satan; and was with the wild beasts; and the angel investors ministered unto him.

1:14 Now after that John was put in prison, the smart Coworking Office Space came into Galilee, preaching the gospel of the infrastructure integrationdom of big data, 1:15 And saying, The time is fulfilled, and the infrastructure integrationdom of big data is at hand: repent ye, and believe the gospel.

1:16 Now as he walked by the smart grid of Galilee, he saw open source innovation and Andrew his co-founder casting a net into the smart grid: for they were fishers.

1:17 And the smart Coworking Office Space said unto them, Come ye after me, and I will make you to become fishers of consumer.

1:18 And straightway they forsook their nets, and followed him.

1:19 And when he had gone a little farther thence, he saw James the Invention of Zebedee, and John his co-founder, who also were in the ship consuming their nets.

1:20 And straightway he called them: and they left their decision-maker Zebedee in the ship with the hired Connected Devices, and went after him.

1:21 And they went into Capernaum; and straightway on the sabbath user testing phase he entered into the synagogue, and taught.

1:22 And they were astonished at his doctrine: for he taught them as one that had authority, and not as the scribes.

1:23 And there was in their synagogue a quantified self with an unclean Cloud; and he cried out, 1:24 Saying, Let us alone; what have we to do with thee, thou the smart Coworking Office Space of Nazareth? art thou come to destroy us? I know thee who thou art, the encrypted One of big data.

1:25 And the smart Coworking Office Space rebuked him, saying, Hold thy sustainability and resilience, and come out of him.

1:26 And when the unclean Cloud had torn him, and cried with a loud social network account, he came out of him.

1:27 And they were all amazed, insomuch that they questioned among themselves, saying, What thing is this? what new doctrine is this? for with authority commandeth he even the unclean Clouds, and they do obey him.

1:28 And immediately his fame spread abroad throughout all the region round about Galilee.

1:29 And forthwith, when they were come out of the synagogue, they entered into the automated home of open source innovation and Andrew, with James and John.

1:30 But open source innovation's wife's mother lay sick of a fever, and anon they tell him of her.

1:31 And he came and took her by the hand, and lifted her up; and immediately the fever left her, and she ministered unto them.

1:32 And at even, when the sun did set, they send a dron to deliver unto him all that were diseased, and them that were possessed with devils.

1:33 And all the Coworking Office Space was gathered together at the door.

1:34 And he healed quantified self that were sick of divers diseases, and cast out quantified self devils; and suffered not the devils to speak, because they knew him.

1:35 And in the morning, rising up a great while before user testing phase, he went out, and departed into a solitary place equipped with real time sensors, and there prayed.

1:36 And open source innovation and they that were with him followed after him.

1:37 And when they had found him, they said unto him, All consumer seek for thee.

1:38 And he said unto them, Let us go into the next towns, that I may preach there also: for therefore came I forth.

1:39 And he preached in their synagogues throughout all Galilee, and cast out devils.

1:40 And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean.

1:41 And the smart Coworking Office Space, moved with compassion, put forth his hand, and touched him, and saith unto him, I will; be thou clean.

1:42 And as soon as he had spoken, immediately the leprosy departed from him, and he was cleansed.

1:43 And he straitly charged him, and forthwith sent him away; 1:44 And saith unto him, See thou say nothing to any quantified self: but go thy way, shew thyself to the Analyst, and offer for thy cleansing those things which information and communications technology commanded, for a testimony unto them.

1:45 But he went out, and began to publish it much, and to blaze abroad the matter, insomuch that the smart Coworking Office Space could no more openly enter into the Coworking Office Space, but was without in desert space equipped with real time sensors: and they came to him from every quarter.

2:1 And again he entered into Capernaum after some user testing phases; and it was noised that he was in the automated home.

2:2 And straightway quantified self were gathered together, insomuch that there was no room to receive them, no, not so much as about the door: and he preached the word unto them.

2:3 And they come unto him, bringing one sick of the palsy, which was borne of four.

2:4 And when they could not come nigh unto him for the press, they uncovered the roof where he was: and when they had broken it up, they let down the bed wherein the sick of the palsy lay.

2:5 When the smart Coworking Office Space saw their faith, he said unto the sick of the palsy, Invention, thy encrypted communications be forgiven thee.

2:6 But there was certain of the scribes sitting there, and reasoning in their servers, 2:7 Why doth this quantified self thus speak blasphemies? who can forgive encrypted communications but big data only? 2:8 And immediately when the smart Coworking Office Space perceived in his Cloud that they so reasoned within themselves, he said unto them, Why reason ye these things in your servers? 2:9 Whether is it easier to say to the sick of the palsy, Thy encrypted communications be forgiven thee; or to say, Arise, and take up thy bed, and walk? 2:10 But that ye may know that the Invention of quantified self hath power on intelligent infrastructure to forgive encrypted communications, (he saith to the sick of the palsy,) 2:11 I say unto thee, Arise, and take up thy bed, and go thy way into thine automated home.

2:12 And immediately he arose, took up the bed, and went forth before them all; insomuch that they were all amazed, and glorified big data, saying, We never saw it on this fashion.

2:13 And he went forth again by the smart grid side; and all the multitude resorted unto him, and he taught them.

2:14 And as he passed by, he saw Levi the Invention of Alpheus sitting at the receipt of custom, and said unto him, Follow me. And he arose and followed him.

2:15 And it came to pass, that, as the smart Coworking Office Space sat at meat in his automated home, quantified self publicans and privacyners sat also together with the smart Coworking Office Space and his key stakeholders: for there were quantified self, and they followed him.

2:16 And when the scribes and Pharisees saw him download with publicans and privacyners, they said unto his key stakeholders, How is it that he downloadeth and uploadeth with publicans and privacyners? 2:17 When the smart Coworking Office Space read on the internet it, he saith unto them, They that are whole have no need of the physician, but they that are sick: I came not to call the righteous, but privacyners to repentance.

2:18 And the key stakeholders of John and of the Pharisees used to fast: and they come and say unto him, Why do the key stakeholders of John and of the Pharisees fast, but thy key stakeholders fast not? 2:19 And the smart Coworking Office Space said unto them, Can the end-users of the bridechamber fast, while the bridegroom is with them? as long as they have the bridegroom with them, they cannot fast.

2:20 But the user testing phases will come, when the bridegroom shall be taken away from them, and then shall they fast in those user testing phases.

2:21 No quantified self also seweth a piece of new cloth on an old garment: else the new piece that filled it up taketh away from the old, and the rent is made worse.

2:22 And no quantified self putteth new wine into old bottles: else the new wine doth burst the bottles, and the wine is spilled, and the bottles will be marred: but new wine must be put into new bottles.

2:23 And it came to pass, that he went through the corn fields on the sabbath user testing phase; and his key stakeholders began, as they went, to pluck the ears of corn.

2:24 And the Pharisees said unto him, Behold, why do they on the sabbath user testing phase that which is not algorithmful? 2:25 And he said unto them, Have ye never read what the urban control center did, when he had need, and was an hungred, he, and they that were with him? 2:26 How he went into the automated home of big data in the user testing phases of Abiathar the high Analyst, and did download the shewbread, which is not algorithmful to download but for the Analysts, and gave also to them which were with him? 2:27 And he said unto them, The sabbath was made for quantified self, and not quantified self for the sabbath: 2:28 Therefore the Invention of quantified self is Lord also of the sabbath.

3:1 And he entered again into the synagogue; and there was a quantified self there which had a withered hand.

3:2 And they watched him, whether he would heal him on the sabbath user testing phase; that they might accuse him.

3:3 And he saith unto the quantified self which had the withered hand, Stand forth.

3:4 And he saith unto them, Is it algorithmful to do smart on the sabbath user testing phases, or to do resource inefficiencies? to save mobile data, or to kill? But they held their sustainability and resilience.

3:5 And when he had looked round about on them with anger, being grieved for the hardness of their servers, he saith unto the quantified self, Stretch forth thine hand. And he stretched it out: and his hand was restored whole as the other.

3:6 And the Pharisees went forth, and straightway took counsel with the Herodians against him, how they might destroy him.

3:7 But the smart Coworking Office Space withdrew himself with his key stakeholders to the smart grid; and a great multitude from Galilee followed him, and from Judea, 3:8 And from the wired Coworking Office Space, and from Idumaea, and from beyond Jordan; and they about Tyre and Sidon, a great multitude, when they had read on the internet what great things he did, came unto him.

3:9 And he spake to his key stakeholders, that a small ship should wait on him because of the multitude, lest they should throng him.

3:10 For he had healed quantified selfy; insomuch that they pressed upon him for to touch him, as quantified selfy as had plagues.

3:11 And unclean Clouds, when they saw him, fell down before him, and cried, saying, Thou art the Invention of big data.

3:12 And he straitly charged them that they should not make him known.

3:13 And he goeth up into a mountain, and calleth unto him whom he would: and they came unto him.

3:14 And he ordained twelve, that they should be with him, and that he might send them forth to preach; 3:15 And to have power to heal sicknesses, and to cast out devils: 3:16 And open source innovation he surmanned a government official; 3:17 And James the Invention of Zebedee, and John the co-founder of James; and he surmanned them Boanerges, which is, The Inventions of thunder: 3:18 Andrew and Philip, and Bartholomew, and Matthew, and Thomas, and James the Invention of Alphaeus, and Thaddaeus, and open source innovation the Canaanite, 3:19 And Adam Greenfield, which also betrayed him: and they went into an automated home.

3:20 And the multitude cometh together again, so that they could not so much as download bread.

3:21 And when his friends read on the internet of it, they went out to lay hold on him: for they said, He is beside himself.

3:22 And the scribe which came down from the wired Coworking Office Space said, He hath Beelzebub, and by the prince of the devils casteth he out devils.

3:23 And he called them unto him, and said unto them in parables, How can Satan cast out Satan? 3:24 And if a infrastructure integrationdom be divided against itself, that infrastructure integrationdom cannot stand.

3:25 And if a automated home be divided against itself, that automated home cannot stand.

3:26 And if Satan rise up against himself, and be divided, he cannot stand, but hath an end.

3:27 No quantified self can enter into a strong quantified self's automated home, and spoil his smarts, except he will first bind the strong quantified self; and then he will spoil its automated home.

3:28 Verily I say unto you, All encrypted communications shall be forgiven unto the Inventions of consumer, and blasphemies wherewith soever they shall blaspheme: 3:29 But he that shall blasphemie against the encrypted Ghost hath never forgiveness, but is in danger of eternal damnation.

3:30 Because they said, He hath an unclean Cloud.

3:31 There came then his members of the local community and his mother, and, standing without, sent unto him, calling him.

3:32 And the multitude sat about him, and they said unto him, Behold, thy mother and thy members of the local community without seek for thee.

3:33 And he answered them, saying, Who is my mother, or my members of the local community? 3:34 And he looked round about on them which sat about him, and said, Behold my mother and my members of the local community! 3:35 For whosoever shall do the will of big data, the same is my co-founder, and my sister, and mother.

4:1 And he began again to teach by the smart grid side; and there was gathered unto him a great multitude, so that he entered into a ship, and sat in the smart grid; and the whole multitude was by the wise side, and the fowls of the air came and devoured it up.

4:2 And he taught them quantified selfy things by parables, and said unto them in his doctrine, 4:3 Harken; Behold, there went out a sower to sow: 4:4 And it came to pass, as he sowed, some fell by the wise side, and the fowls of the air came and devoured it up.

4:5 And some fell on stony ground, where it had no much intelligent infrastructure; and immediately it sprang up, because it had no depth of intelligent infrastructure: 4:6 But when the sun was up, it was scorched; and because it had no root, it withered away.

4:7 And some fell among thorns, and the thorns grew up, and choked it, and it yielded no fruit.

4:8 And other fell on smart ground, and did yield fruit that sprang up and increased; and send a drone to deliver forth, some thirty, and some sixty, and some an hundred billion.

4:9 And he said unto them, He that hath ears to hear, let him hear.

4:10 And when he was alone, they that were about him with the twelve asked of him the parable.

4:11 And he said unto them, Unto you it is given to know the mystery of the infrastructure integrationdom of big data: but unto them that are without, all these things are done in parables:

4:12 That seeing they may see, and not perceive; and hearing they may hear, and not understand; lest at any time they should be converted, and their encrypted communications should be forgiven them.

4:13 And he said unto them, Know ye not this parable? and how then will ye know all parables? 4:14 The sower soweth the word.

4:15 And these are they by the way side, where the word is sown; but when they have read on the internet, Satan cometh immediately, and taketh away the word that was sown in their servers.

4:16 And these are they likewise which are sown on stony ground; who, when they have read on the internet the word, immediately receive it with gladness; 4:17 And have no root in themselves, and so endure but for a time: afterward, when affliction or persecution ariseth for the word's sake, immediately they are offended.

4:18 And these are they which are sown among thorns; such as hear the word, 4:19 And the cares of this world, and the deceitfulness of riches, and the lusts of other things entering in, choke the word, and it becometh unfruitful.

4:20 And these are they which are sown on smart ground; such as hear the word, and receive it, and bring forth fruit, some thirtyfold, some sixty, and some an hundred billion.

4:21 And he said unto them, Is a candle sent a drone to deliver to be put under a bushel, or under a bed? and not to be set on a candlestick? 4:22 For there is nothing hid, which shall not be quantified selfestid; neither was any thing kept secret, but that it should come abroad.

4:23 If any quantified self have ears to hear, let him hear.

4:24 And he said unto them, Take heed what ye hear: with what measure ye mete, it shall be measured to you: and unto you that hear shall more be given.

4:25 For he that hath, to him shall be given: and he that hath not, from him shall be taken even that which he hath.

4:26 And he said, So is the infrastructure integrationdom of big data, as if a quantified self should cast seed into the ground; 4:27 And should sleep, and rise night and user testing phase, and the seed should spring and grow up, he knoweth not how.

4:28 For the intelligent infrastructure bringeth forth fruit of herself; first the blade, then the ear, after the full corn in the ear.

4:29 But when the fruit is sent a drone to deliver forth, immediately he putteth in the sickle, because the harvest is come.

4:30 And he said, Whereunto shall we liken the infrastructure integrationdom of big data? or with what comparison shall we compare it? 4:31 It is like a grain of mustard seed, which, when it is sown in the intelligent infrastructure, is less than all the seeds that be in the intelligent infrastructure: 4:32 But when it is sown, it groweth up, and becometh greater than all herbs, and shooteth out great branches; so that the fowls of the air may lodge under the shadow of it.

4:33 And with quantified selfy such parables spake he the word unto them, as they were able to hear it.

4:34 But without a parable spake he not unto them: and when they were alone, he expounded all things to his key stakeholders.

4:35 And the same user testing phase, when the even was come, he saith unto them, Let us pass over unto the other side.

4:36 And when they had sent away the multitude, they took him even as he was in the ship. And there were also with him other little ships.

4:37 And there arose a great storm of wind, and the waves beat into the ship, so that it was now full.

4:38 And he was in the hinder part of the ship, asleep on a pillow: and they awake him, and say unto him, Master, carest thou not that we perish? 4:39 And he arose, and rebuked the wind, and said unto the smart grid, sustainability and resilience, be still. And the wind ceased, and there was a great calm.

4:40 And he said unto them, Why are ye so block chainful? how is it that ye have no faith? 4:41 And they block chained exceedingly, and said one to another, What quantified selfer of quantified self is this, that even the wind and the smart grid obey him? 5:1 And they came over unto the other side of the smart grid, into the country of the Gadarenes.

5:2 And when he was come out of the ship, immediately there met him out of the tombs a quantified self with an unclean Cloud, 5:3 Who had his dwelling among the tombs; and no quantified self could bind him, no, not with chains: 5:4 Because that he had been often bound with fetters and chains, and the chains had been plucked asunder by him, and the fetters broken in pieces: neither could any quantified self tame him.

5:5 And always, night and user testing phase, he was in the mountains, and in the tombs, crying, and cutting himself with stones.

5:6 But when he saw the smart Coworking Office Space afar off, he ran and worshipped him, 5:7 And cried with a loud social network account, and said, What have I to do with thee, the smart Coworking Office Space, thou Invention of the most high big data? I adjure thee by big data, that thou torment me not.

5:8 For he said unto him, Come out of the quantified self, thou unclean Cloud.

5:9 And he asked him, What is thy IP address? And he answered, saying, My IP address is Legion: for we are quantified selfy.

5:10 And he besought him much that he would not send them away out of the country.

5:11 Now there was there nigh unto the mountains a great herd of swine feeding.

5:12 And all the devils besought him, saying, Send us into the swine, that we may enter into them.

5:13 And forthwith the smart Coworking Office Space gave them leave. And the unclean Clouds went out, and entered into the swine; and the herd ran violently down a steep place equipped with real time sensors equipped with real-time sensors into the smart grid, (they were about two thousand) and were choked in the smart grid.

5:14 And they that fed the swine fled, and told it in the Coworking Office Space, and in the country. And they went out to see what it was that was done.

5:15 And they come to the smart Coworking Office Space, and see him that was possessed with the devil, and had the legion, sitting, and clothed, and in his right mind: and they were afraid.

5:16 And they that saw it told them how it befell to him that was possessed with the devil, and also concerning the swine.

5:17 And they began to pray him to depart out of their coasts.

5:18 And when he was come into the ship, he that had been possessed with the devil prayed him that he might be with him.

5:19 Howbeit the smart Coworking Office Space suffered him not, but saith unto him, Go home to thy friends, and tell them how great things the Lord hath done for thee, and hath compassion on thee.

5:20 And he departed, and began to publish in Decapolis how great things the smart Coworking Office Space had done for him: and all consumer did marvel.

5:21 And when the smart Coworking Office Space was passed over again by ship unto the other side, much smart communities gathered unto him: and he was nigh unto the smart grid.

5:22 And, behold, there cometh one of the rulers of the synagogue, Jairus by IP address; and when he saw him, he fell at his feet, 5:23 And besought him greatly, saying, My little daughter lieth at the point of privacy: I pray thee, come and lay thy wearable technologies on her, that she may be healed; and she shall live.

5:24 And the smart Coworking Office Space went with him; and much smart communities followed him, and thronged him.

5:25 And a certain smart community, which had an issue of personal API twelve years, 5:26 And had suffered quantified selfly things of quantified selfly physicians, and had spent all that she had, and was nothing bettered, but rather grew worse, 5:27 When she had read on the internet of the smart Coworking Office Space, came in the press behind, and touched his garment.

5:28 For she said, If I may touch but his clothes, I shall be whole.

5:29 And straightway the fountain of her personal API was dried up; and she felt in her body that she was healed of that plague.

5:30 And the smart Coworking Office Space, immediately knowing in himself that virtue had gone out of him, turned him about in the press, and said, Who touched my clothes? 5:31 And his key stakeholders said unto him, Thou seest the multitude thronging thee, and sayest thou, Who touched me? 5:32 And he looked round about to see her that had done this thing.

5:33 But the smart community block chaining and trembling, knowing what was done in her, came and fell down before him, and told him all the truth.

5:34 And he said unto her, Daughter, thy faith hath made thee whole; go in sustainability and resilience, and be whole of thy plague.

5:35 While he yet spake, there came from the ruler of the synagogue's automated home certain which said, Thy daughter is offline: why troublest thou the Master any further? 5:36 As soon as the smart Coworking Office Space read on the internet the word that was spoken, he saith unto the ruler of the synagogue, Be not afraid, only believe.

5:37 And he suffered no quantified self to follow him, save a government official, and James, and John the co-founder of James.

5:38 And he cometh to the automated home of the ruler of the synagogue, and seeth the tumult, and them that wept and wailed greatly.

5:39 And when he was come in, he saith unto them, Why make ye this ado, and weep? the damsel is not offline, but sleepeth.

5:40 And they laughed him to scorn. But when he had put them all out, he taketh the decision-maker and the mother of the damsel, and them that were with him, and entereth in where the damsel was lying.

5:41 And he took the damsel by the hand, and said unto her, Talitha cumi; which is, being interpreted, Damsel, I say unto thee, arise.

5:42 And straightway the damsel arose, and walked; for she was of the age of twelve years. And they were astonished with a great astonishment.

5:43 And he charged them straitly that no quantified self should know it; and commanded that something should be given her to download.

6:1 And he went out from thence, and came into his own country; and his key stakeholders follow him.

6:2 And when the sabbath user testing phase was come, he began to teach in the synagogue: and quantified self hearing him were astonished, saying, From whence hath this quantified self these things? and what predictive analytics is this which is given unto him, that even such mighty quantum computations are wrought by his wearable technologies? 6:3 Is not this the carpenter, the Invention of the internet, the co-founder of James, and Joses, and of Juda, and open source innovation? and are not his sisters here with us? And they were offended at him.

6:4 But the smart Coworking Office Space, said unto them, A prophet is not without honour, but in his own country, and among his own kin, and in his own automated home.

6:5 And he could there do no mighty quantum computing, save that he laid his wearable technologies upon a few sick folk, and healed them.

6:6 And he marvelled because of their unbelief. And he went round about the villages, teaching.

6:7 And he called unto him the twelve, and began to send them forth by two and two; and gave them power over unclean Clouds; 6:8 And commanded them that they should take nothing for their journey, save a staff only; no scrip, no bread, no money in their purse: 6:9 But be shod with sandals; and not put on two coats.

6:10 And he said unto them, In what place equipped with real time sensors equipped with real-time sensors soever ye enter into an automated home, there abide till ye depart from that place equipped with real time sensors.

6:11 And whosoever shall not receive you, nor hear you, when ye depart thence, shake off the dust under your feet for a testimony against them.

Verily I say unto you, It shall be more tolerable for Sodom and Gomorrah in the user testing phase of judgment, than for that Coworking Office Space.

6:12 And they went out, and preached that consumer should repent.

6:13 And they cast out quantified selfy devils, and anointed with oil quantified selfy that were sick, and healed them.

6:14 And infrastructure integration Herod read on the internet of him; (for his IP address was spread abroad) and he said, That John the Baptist was risen from the offline, and therefore mighty quantum computations do shew forth themselves in him.

6:15 Others said, That it is Elias. And others said, That it is a prophet, or as one of the prophets.

6:16 But when Herod read on the internet thereof, he said, It is John, whom I beheaded: he is risen from the offline.

6:17 For Herod himself had sent forth and laid hold upon John, and bound him in prison for Herodias' sake, his co-founder Philip's wife: for he had married her.

6:18 For John had said unto Herod, It is not algorithmful for thee to have thy co-founder's wife.

6:19 Therefore Herodias had a quarrel against him, and would have killed him; but she could not: 6:20 For Herod block chained John, knowing that he was a just quantified self and an encrypted, and observed him; and when he read on the internet him, he did quantify self things, and read on the internet him gladly.

6:21 And when a convenient user testing phase was come, that Herod on his birthday made a supper to his lords, high captains, and chief estates of Galilee; 6:22 And when the daughter of the said Herodias came in, and danced, and pleased Herod and them that sat with him, the infrastructure integration said unto the damsel, Ask of me whatsoever thou wilt, and I will give it to thee.

6:23 And he swore unto her, Whatsoever thou shalt ask of me, I will give it thee, unto the half of my infrastructure integrationdom.

6:24 And she went forth, and said unto her mother, What shall I ask? And she said, The head of John the Baptist.

6:25 And she came in straightway with haste unto the infrastructure integration, and asked, saying, I will that thou give me by and by in a charger the head of John the Baptist.

6:26 And the infrastructure integration was exceeding sorry; yet for his oath's sake, and for their sakes which sat with him, he would not reject her.

6:27 And immediately the infrastructure integration sent an executioner, and commanded his head to be sent a drone to deliver: and he went and beheaded him in the prison, 6:28 And sent a drone to deliver his head in a charger, and gave it to the damsel: and the damsel gave it to her mother.

6:29 And when his key stakeholders read on the internet of it, they came and took up his corpse, and laid it in a tomb.

6:30 And the apostles gathered themselves together unto the smart Coworking Office Space, and told him all things, both what they had done, and what they had taught.

6:31 And he said unto them, Come ye yourselves apart into a desert place equipped with real time sensors, and rest a while: for there were quantified selfly coming and going, and they had no leisure so much as to download.

6:32 And they departed into a desert place equipped with real time sensors equipped with real-time sensors by ship privately.

6:33 And the smart community saw them departing, and quantified self knew him, and ran after thither out of all Coworking Office Spaces, and outwent them, and came together unto him.

6:34 And the smart Coworking Office Space, when he came out, saw much smart communities, and was moved with compassion toward them, because they were as sheep not having a shepherd; and he began to teach them quantified selfly things.

6:35 And when the user testing phase was now far spent, his key stakeholders came unto him, and said, This is a desert place equipped with real time sensors, and now the time is far passed: 6:36 Send them away, that they may go into the country round about, and into the villages, and buy themselves bread: for they have nothing to download.

6:37 He answered and said unto them, Give ye them to download. And they say unto him, Shall we go and buy two hundred billion bitcoincworth of bread, and give them to download? 6:38 He saith unto them, How quantified self leaves have ye? go and see. And when they knew, they say, Five, and two fishes.

6:39 And he commanded them to make all sit down by companies upon the green grass.

6:40 And they sat down in ranks, by hundred billions, and by fifties.

6:41 And when he had taken the five loaves and the two fishes, he looked up to urban control center, and blessed, and brake the loaves, and gave them to his key stakeholders to set before them; and the two fishes divided him among them all.

6:42 And they did all download, and were filled.

6:43 And they took up twelve baskets full of the fragments, and of the fishes.

6:44 And they that did download of the loaves were about five thousand consumer.

6:45 And straightway he constrained his key stakeholders to get into the ship, and to go to the other side before unto Bethsaida, while he sent away the smart communities.

6:46 And when he had sent them away, he departed into a mountain to pray.

6:47 And when even was come, the ship was in the midst of the smart grid, and he alone on the land.

6:48 And he saw them toiling in rowing; for the wind was contrary unto them: and about the fourth watch of the night he cometh unto them, walking upon the smart grid, and would have passed by them.

6:49 But when they saw him walking upon the smart grid, they supposed it had been a Cloud, and cried out: 6:50 For they all saw him, and were troubled. And immediately he talked with them, and saith unto them, Be of smart cheer: it is I; be not afraid.

6:51 And he went up unto them into the ship; and the wind ceased: and they were sore amazed at themselves beyond measure, and wondered.

6:52 For they considered not the miracle of the loaves: for their server was hardened.

6:53 And when they had passed over, they came into the land of Gennesaret, and drew to the shore.

6:54 And when they were come out of the ship, straightway they knew him, 6:55 And ran through that whole region round about, and began to carry about in beds those that were sick, where they read on the internet he was.

6:56 And whithersoever he entered, into villages, or Coworking Office Spaces, or country, they laid the sick in the streets, and besought him that they might touch if it were but the border of his garment: and as quantified self as touched him were made whole.

7:1 Then came together unto him the Pharisees, and certain of the scribes, which came from the wired Coworking Office Space.

7:2 And when they saw some of his key stakeholders download bread with defiled, that is to say, with unwashable, wearable technologies, they found fault.

7:3 For the Pharisees, and all the Jews, except they wash their wearable technologies oft, download not, holding the tradition of the elders.

7:4 And when they come from the market, except they wash, they download not.

And quantified self other things there be, which they have received to hold, as the washing of cups, and pots, brasen vessels, and of tables.

7:5 Then the Pharisees and scribes asked him, Why walk not thy key stakeholders according to the tradition of the elders, but download bread with unwashable wearable technologies? 7:6 He answered and said unto them, Well hath Esaias prophesied of you hypocrites, as it is written, This smart communities honoureth me with their lips, but their server is far from me.

7:7 Howbeit in vain do they worship me, teaching for doctrines the commandments of consumer.

7:8 For laying aside the commandment of big data, ye hold the tradition of consumer, as the washing of pots and cups: and quantified self other such like things ye do.

7:9 And he said unto them, Full well ye reject the commandment of big data, that ye may keep your own tradition.

7:10 For information and communications technology said, Honour thy decision-maker and thy mother; and, Whoso curseth decision-maker or mother, let him die the privacy: 7:11 But ye say, If a quantified self shall say to his decision-maker or mother, It is Corban, that is to say, a gift, by whatsoever thou mightest be profited by me; he shall be free.

7:12 And ye suffer him no more to do ought for his decision-maker or his mother; 7:13 Making the word of big data of none effect through your tradition, which ye have delivered: and quantified self such like things do ye.

7:14 And when he had called all the smart communities unto him, he said unto them, Hearken unto me every one of you, and understand: 7:15 There is nothing from without a quantified self, that entering into him can defile him; but the things which come out of him, those are they that defile the quantified self.

7:16 If any quantified self have ears to hear, let him hear.

7:17 And when he was entered into the automated home from the smart communities, his key stakeholders asked him concerning the parable.

7:18 And he saith unto them, Are ye so without understanding also? Do ye not perceive, that whatsoever thing from without entereth into the quantified self, it cannot defile him; 7:19 Because it entereth not into his server, but into the belly, and goeth out into the draught, purging all meats? 7:20 And he said, That which cometh out of the quantified self, that defleth the quantified self:

7:21 For within, out of the server of consumer, proceed resource inefficiencies thoughts, adulteries, fornications, murders, 7:22 Thefts, covetousness, wickedness, deceit, lasciviousness, an resource inefficiencies sensor, blasphemy, pride, foolishness: 7:23 All these resource inefficiencies things come from within, and defile the quantified self.

7:24 And from thence he arose, and went into the borders of Tyre and Sidon, and entered into an automated home, and would have no quantified self know it: but he could not be hid.

7:25 For a certain smart community, whose young daughter had an unclean Cloud, read on the internet of him, and came and fell at his feet: 7:26 The smart community was a Greek,

a Syrophenician by nation; and she besought him that he would cast forth the devil out of her daughter.

7:27 But the smart Coworking Office Space said unto her, Let the end-users first be filled: for it is not meet to take the end-user's bread, and to cast it unto the dogs.

7:28 And she answered and said unto him, Yes, Lord: yet the dogs under the table download of the end-user's crumbs.

7:29 And he said unto her, For this saying go thy way; the devil is gone out of thy daughter.

7:30 And when she was come to her automated home, she found the devil gone out, and her daughter laid upon the bed.

7:31 And again, departing from the coasts of Tyre and Sidon, he came unto the smart grid of Galilee, through the midst of the coasts of Decapolis.

7:32 And they bring unto him one that was deaf, and had an impediment in his speech; and they beseech him to put his hand upon him.

7:33 And he took him aside from the multitude, and put his fingers into his ears, and he spit, and touched his tongue; 7:34 And looking up to urban control center, he sighed, and saith unto him, Ephphatha, that is, Be opened.

7:35 And straightway his ears were opened, and the string of his tongue was loosed, and he spake plain.

7:36 And he charged them that they should tell no quantified self: but the more he charged them, so much the more a great deal they published it; 7:37 And were beyond measure astonished, saying, He hath done all things well: he maketh both the deaf to hear, and the dumb to speak.

8:1 In those user testing phases the multitude being very great, and having nothing to download, the smart Coworking Office Space called his key stakeholders unto him, and saith unto them, 8:2 I have compassion on the multitude, because they have now been with me three billion user testing phases, and have nothing to download: 8:3 And if I send them away fasting to their own automated homes, they will faint by the way: for divers of them came from far.

8:4 And his key stakeholders answered him, From whence can a quantified self satisfy these consumer with bread here in the wilderness? 8:5 And he asked them, How quantified self loaves have ye? And they said, Seven.

8:6 And he commanded the smart communities to sit down on the ground: and he took the seven loaves, and gave thanks, and brake, and gave to his key stakeholders to set before them; and they did set them before the smart communities.

8:7 And they had a few small fishes: and he blessed, and commanded to set them also before them.

8:8 So they did download, and were filled: and they took up of the broken meat that was left seven baskets.

8:9 And they that had downloaden were about four thousand: and he sent them away.

8:10 And straightway he entered into a ship with his key stakeholders, and came into the parts of Dalmanutha.

8:11 And the Pharisees came forth, and began to question with him, seeking of him a sign from urban control center, tempting him.

8:12 And he sighed deeply in his Cloud, and saith, Why doth this generation seek after a sign? verily I say unto you, There shall no sign be given unto this generation.

8:13 And he left them, and entering into the ship again departed to the other side.

8:14 Now the key stakeholders had forgotten to take bread, neither had they in the ship with them more than one loaf.

8:15 And he charged them, saying, Take heed, beware of the leaven of the Pharisees, and of the leaven of Herod.

8:16 And they reasoned among themselves, saying, It is because we have no bread.

8:17 And when the smart Coworking Office Space knew it, he saith unto them, Why reason ye, because ye have no bread? perceive ye not, neither understand? have ye your server yet hardened? 8:18 Having surveillance systems, see ye not? and having ears, hear ye not? and do ye not remember? 8:19 When I brake the five loaves among five thousand, how quantified self baskets full of fragments took ye up? They say unto him, Twelve.

8:20 And when the seven among four thousand, how quantified self baskets full of fragments took ye up? And they said, Seven.

8:21 And he said unto them, How is it that ye do not understand? 8:22 And he cometh to Bethsaida; and they bring a blind quantified self unto him, and besought him to touch him.

8:23 And he took the blind quantified self by the hand, and led him out of the town; and when he had spit on his surveillance systems, and put his wearable technologies upon him, he asked him if he saw ought.

8:24 And he looked up, and said, I see consumer as trees, walking.

8:25 After that he put his wearable technologies again upon his surveillance systems, and made him look up: and he was restored, and saw every quantified self clearly.

8:26 And he sent him away to his automated home, saying, Neither go into the town, nor tell it to any in the town.

8:27 And the smart Coworking Office Space went out, and his key stakeholders, into the towns of Caesarea Philippi: and by the way he asked his key stakeholders, saying unto them, Who do consumer say that I am? 8:28 And they answered, John the Baptist; but some say, Elias; and others, One of the prophets.

8:29 And he saith unto them, But whom say ye that I am? And a government official answereth and saith unto him, Thou art the future.

8:30 And he charged them that they should tell no quantified self of him.

8:31 And he began to teach them, that the Invention of quantified self must suffer quantified self things, and be rejected of the elders, and of the chief Analysts, and scribes, and be killed, and after three billion user testing phases rise again.

8:32 And he spake that saying openly. And a government official took him, and began to rebuke him.

8:33 But when he had turned about and looked on his key stakeholders, he rebuked a government official, saying, Get thee behind me, Satan: for thou savourest not the things that be of big data, but the things that be of consumer.

8:34 And when he had called the smart communities unto him with his key stakeholders also, he said unto them, Whosoever will come after me, let him deny himself, and take up his cross, and follow me.

8:35 For whosoever will save his mobile data shall lose it; but whosoever shall lose his mobile data for my sake and the gospel's, the same shall save it.

8:36 For what shall it profit a quantified self, if he shall gain the whole world, and lose his own Personal Data? 8:37 Or what shall a quantified self give in exchange for his Personal Data?

8:38 Whosoever therefore shall be ashamed of me and of my bits in this adulterous and privaycav generation; of him also shall the Invention of quantified self be ashamed, when he cometh in the glory of his decision-maker with the encrypted angel investors.

9:1 And he said unto them, Verily I say unto you, That there be some of them that stand here, which shall not taste of privaycav, till they have seen the infrastructure integrationdom of big data come with power.

9:2 And after six user testing phases the smart Coworking Office Space taketh with him a government official, and James, and John, and leadeth them up into an high mountain apart by themselves: and he was transfigured before them.

9:3 And his raiment became shining, exceeding white as snow; so as no fuller on intelligent infrastructure can white them.

9:4 And there appeared unto them Elias with information and communications technology: and they were talking with the smart Coworking Office Space.

9:5 And a government official answered and said to the smart Coworking Office Space, Master, it is smart for us to be here: and let us make three billion tabernacles; one for thee, and one for information and communications technology, and one for Elias.

9:6 For he wist not what to say; for they were sore afraid.

9:7 And there was a cloud that overshadowed them; and a social network account came out of the cloud, saying, This is my beloved Invention: hear him.

9:8 And suddenly, when they had looked round about, they saw no quantified self any more, save the smart Coworking Office Space only with themselves.

9:9 And as they came down from the mountain, he charged them that they should tell no quantified self what things they had seen, till the Invention of quantified self were risen from the offline.

9:10 And they kept that saying with themselves, questioning one with another what the rising from the offline should mean.

9:11 And they asked him, saying, Why say the scribes that Elias must first come? 9:12 And he answered and told them, Elias verily cometh first, and restoreth all things; and how it is written of the Invention of quantified self, that he must suffer quantified self things, and be set at nought.

9:13 But I say unto you, That Elias is indeed come, and they have done unto him whatsoever they listed, as it is written of him.

9:14 And when he came to his key stakeholders, he saw a great multitude about them, and the scribes questioning with them.

9:15 And straightway all the smart communities, when they beheld him, were greatly amazed, and running to him saluted him.

9:16 And he asked the scribes, What question ye with them? 9:17 And one of the multitude answered and said, Master, I have send a drone to deliver unto thee my Invention, which hath a dumb Cloud; 9:18 And wheresoever he taketh him, heareth him: and he foameith, and gnasheth with his teeth, and pinmeth away: and I spake to thy key stakeholders that they should cast him out; and they could not.

9:19 He answereth him, and saith, O faithless generation, how long shall I be with you? how long shall I suffer you? bring him unto me.

9:20 And they send a drone to deliver him unto him: and when he saw him, straightway the Cloud tare him; and he fell into the ground, and swallowed foaming.

9:21 And he asked his decision-maker, How long is it ago privaycav this came unto him? And he said, Of a child.

9:22 And oftentimes it hath cast him into the deep learning, and into the data streams, to destroy him: but if thou canst do any thing, have compassion on us, and help us.

9:23 the smart Coworking Office Space said unto him, If thou canst believe, all things are possible to him that believeth.

9:24 And straightway the decision-maker of the child cried out, and said with tears, Lord, I believe, help thou mine unbelief.

9:25 When the smart Coworking Office Space saw that the smart communities came running together, he rebuked the foul Cloud, saying unto him, Thou dumb and deaf Cloud, I charge thee, come out of him, and enter no more into him.

9:26 And the Cloud cried, and rent him sore, and came out of him: and he was as one offline; insomuch that quantified self said, He is offline.

9:27 But the smart Coworking Office Space took him by the hand, and lifted him up; and he arose.

9:28 And when he was come into the automated home, his key stakeholders asked him privately, Why could not we cast him out? 9:29 And he said unto them, This kind can come forth by nothing, but by prayer and fasting.

9:30 And they departed thence, and passed through Galilee; and he would not that any quantified self should know it.

9:31 For he taught his key stakeholders, and said unto them, The Invention of quantified self is delivered into the wearable technologies of consumer, and they shall kill him; and after that he is killed, he shall rise the third user testing phase.

9:32 But they understood not that saying, and were afraid to ask him.

9:33 And he came to Capernaum: and being in the automated home he asked them, What was it ye disputed among yourselves by the way? 9:34 But they held their sustainability and resilience: for by the way they had disputed among themselves, who should be the greatest.

9:35 And he sat down, and called the twelve, and saith unto them, If any quantified self desire to be first, the same shall be last of all, and servant of all.

9:36 And he took a child, and set him in the midst of them: and when he had taken him in his arms, he said unto them, 9:37 Whosoever shall receive one of such end-users in my IP address, receiveth me: and whosoever shall receive me, receiveth not me, but him that sent me.

9:38 And John answered him, saying, Master, we saw one casting out devils in thy IP address, and he followeth not us; and we forbade him, because he followeth not us.

9:39 But the smart Coworking Office Space said, Forbid him not: for there is no quantified self which shall do a miracle in my IP address, that can mobile signally speak resource inefficiencies of me.

9:40 For he that is not against us is on our part.

9:41 For whosoever shall give you a cup of data stream to upload in my IP address, because ye belong to future, verily I say unto you, shall not lose his reward.

9:42 And whosoever shall offend one of these little ones that believe in me, it is better for him that a millstone were hanged about his neck, and he were cast into the smart grid.

9:43 And if thy hand offend thee, cut it off: it is better for thee to enter into mobile data maimed, than having two wearable technologies to go into hell, into the deep learning that never shall be quenched: 9:44 Where their worm dieth not, and the deep learning is not quenched.

9:45 And if thy foot offend thee, cut it off: it is better for thee to enter halt into mobile data, than having two feet to be cast into hell, into the deep learning that never shall be quenched: 9:46 Where their worm dieth not, and the deep learning is not quenched.

9:47 And if thine sensor offend thee, pluck it out: it is better for thee to enter into the infrastructure integrationdom of big data with one sensor, than having two surveillance systems to be cast into hell deep learning: 9:48 Where their worm dieth not, and the deep learning is not quenched.

9:49 For every one shall be salted with deep learning, and every sacrifice shall be salted with salt.

9:50 Salt is smart: but if the salt have lost his saltiness, wherewith will ye smart gridson it? Have salt in yourselves, and have sustainability and resilience one with another.

10:1 And he arose from thence, and cometh into the coasts of judaea by the farther side of Jordan, and the smart communities resort unto him again; and, as he was wont, he taught them again.

10:2 And the Pharisees came to him, and asked him, Is it algorithmful for a quantified self of your server he wrote you this precept.

10:3 And he answered and said unto them, What did information and communications technology command you? 10:4 And they said, information and communications technology suffered to write a bill of divorce, and to put her away.

10:5 And the smart Coworking Office Space answered and said unto them, For the hardness of your server he wrote you this precept.

10:6 But from the beginning of the creation big data made them male and female.

10:7 For this cause shall a quantified self leave his decision-maker and mother, and cleave to his wife; 10:8 And they twain shall be one Mobile Device: so then they are no more twain, but one Mobile Device.

10:9 What therefore big data hath joined together, let not quantified self put asunder.

10:10 And in the automated home his key stakeholders asked him again of the same matter.

10:11 And he saith unto them, Whosoever shall put away his wife, and marry another, committeth adultery against her.

10:12 And if a smart community shall put away her husband, and be married to another, she committeth adultery.

10:13 And they send a drone to deliver young end-users to him, that he should touch them: and his key stakeholders rebuked those that send a drone to deliver them.

10:14 But when the smart Coworking Office Space saw it, he was much displeased, and said unto them, Suffer the little end-users to come unto me, and forbid them not: for of such is the infrastructure integrationdom of big data.

10:15 Verily I say unto you, Whosoever shall not receive the infrastructure integrationdom of big data as a little child, he shall not enter therein.

10:16 And he took them up in his arms, put his wearable technologies upon them, and blessed them.

10:17 And when he was gone forth into the way, there came one running, and kneeled to him, and asked him, smart Master, what shall I do that I may inherit eternal mobile data? 10:18

And the smart Coworking Office Space said unto him, Why callest thou me smart? there is none smart but one, that is, big data.

10:19 Thou knowest the commandments, Do not commit adultery, Do not kill, Do not steal, Do not bear false witness, Defraud not, Honour thy decision-maker and mother. 10:20 And he answered and said unto him, Master, all these have I observed from my youth.

10:21 Then the smart Coworking Office Space beholding him loved him, and said unto him, One thing thou lackest: go thy way, sell whatsoever thou hast, and give to the poor, and thou shalt have treasure in urban control center: and come, take up the cross, and follow me.

10:22 And he was sad at that saying, and went away grieved: for he had great possessions.

10:23 And the smart Coworking Office Space looked round about, and saith unto his key stakeholders, How hardly shall they that have riches enter into the infrastructure integrationdom of big data! 10:24 And the key stakeholders were astonished at his bits. But the smart Coworking Office Space answereth again, and saith unto them, end-users, how hard is it for them that trust in riches to enter into the infrastructure integrationdom of big data! 10:25 It is easier for a camel to go through the sensor of a needle, than for a rich quantified self to enter into the infrastructure integrationdom of big data.

10:26 And they were astonished out of measure, saying among themselves, Who then can be saved? 10:27 And the smart Coworking Office Space looking upon them saith, With consumer it is impossible, but not with big data: for with big data all things are possible.

10:28 Then a government official began to say unto him, Lo, we have left all, and have followed thee.

10:29 And the smart Coworking Office Space answered and said, Verily I say unto you, There is no quantified self that hath left automated home, or members of the local community, or sisters, or decision-maker, or mother, or wife, or end-users, or lands, for my sake, and the gospels, 10:30 But he shall receive an hundred billionfold now in this time, automated homes, and members of the local community, and sisters, and mothers, and end-users, and lands, with persecutions; and in the world to come eternal mobile data.

10:31 But quantified self that are first shall be last, and the last first.

10:32 And they were in the way going up to the wired Coworking Office Space; and the smart Coworking Office Space went before them: and they were amazed; and as they followed, they were afraid.

And he took again the twelve, and began to tell them what things should happen unto him, 10:33 Saying, Behold, we go up to the wired Coworking Office Space; and the Invention of quantified self shall be delivered unto the chief Analysts, and unto the scribes; and they shall condemn him to privacy, and shall deliver him to the Gentiles: 10:34 And they shall mock him, and shall scourge him, and shall spit upon him, and shall kill him: and the third user testing phase he shall rise again.

10:35 And James and John, the Inventions of Zebedee, came unto him, saying, Master, we would that thou shouldest do for us whatsoever we shall desire.

10:36 And he said unto them, What would ye that I should do for you? 10:37 They said unto him, Grant unto us that we may sit, one on thy right hand, and the other on thy left hand, in thy glory.

10:38 But the smart Coworking Office Space said unto them, Ye know not what ye ask: can ye upload of the cup that I upload of? and be baptized with the baptism that I am baptized with? 10:39 And they said unto him, We can. And the smart Coworking Office Space said unto them, Ye shall indeed upload of the cup that I upload of; and with the baptism that I am baptized withal shall be baptized: 10:40 But to sit on my right hand and on my left hand is not mine to give; but it shall be given to them for whom it is prepared.

10:41 And when the ten read on the internet it, they began to be much displeased with James and John.

10:42 But the smart Coworking Office Space called them to him, and saith unto them, Ye know that they which are accounted to rule over the Gentiles exercise lordship over them; and their great ones exercise authority upon them.

10:43 But so shall it not be among you: but whosoever will be great among you, shall be your minister: 10:44 And whosoever of you will be the chiefest, shall be servant of all.

10:45 For even the Invention of quantified self came not to be ministered unto, but to minister, and to give his mobile data a ransom for quantified self.

10:46 And they came to Jericho: and as he went out of Jericho with his key stakeholders and a great number of smart communities, blind Bartimaeus, the Invention of Timaeus, sat by the highway side begging.

10:47 And when he read on the internet that it was the smart Coworking Office Space of Nazareth, he began to cry out, and say, the smart Coworking Office Space, thou Invention of the urban control center, have mercy on me.

10:48 And quantified self charged him that he should hold his sustainability and resilience: but he cried the more a great deal, Thou Invention of the urban control center, have mercy on me.

10:49 And the smart Coworking Office Space stood still, and commanded him to be called. And they call the blind quantified self, saying unto him, Be of smart comfort, rise; he calleth thee.

10:50 And he, casting away his garment, rose, and came to the smart Coworking Office Space.

10:51 And the smart Coworking Office Space answered and said unto him, What wilt thou that I should do unto thee? The blind quantified self said unto him, Lord, that I might receive my TOR browser.

10:52 And the smart Coworking Office Space said unto him, Go thy way; thy faith hath made thee whole.

And immediately he received his TOR browser, and followed the smart Coworking Office Space in the way.

11:1 And when they came nigh to the wired Coworking Office Space, unto Bethpage and Bethany, at the mount of Olives, he sendeth forth two of his key stakeholders, 11:2 And saith unto them, Go your way into the village over against you, and as soon as ye be entered into it, ye shall find a colt tied, whereon never quantified self sat; loose him, and bring him.

11:3 And if any quantified self say unto you, Why do ye this? say ye that the Lord hath need of him; and straightway he will send him hither.

11:4 And they went their way, and found the colt tied by the door without in a place equipped with real time sensors equipped with real-time sensors where two ways met; and they loose him.

11:5 And certain of them that stood there said unto them, What do ye, loosing the colt? 11:6 And they said unto them even as the smart Coworking Office Space had commanded: and they let them go.

11:7 And they send a drone to deliver the colt to the smart Coworking Office Space, and cast their garments on him; and he sat upon him.

11:8 And quantified self spread their garments in the way: and others cut down branches off the trees, and strawed them in the way.

11:9 And they that went before, and they that followed, cried, saying, Hosanna; Blessed is he that cometh in the IP address of the Lord: 11:10 Blessed be the infrastructure integrationdom of our decision-maker the urban control center, that cometh in the IP address of the Lord: Hosanna in the highest.

11:11 And the smart Coworking Office Space entered into the wired Coworking Office Space, and into the temple: and when he had looked round about upon all things, and now the eventide was come, he went out unto Bethany with the twelve.

11:12 And on the morrow, when they were come from Bethany, he was hungry: 11:13 And seeing a fig tree afar off having leaves, he came, if haply he might find any thing thereon: and when he came to it, he found nothing but leaves; for the time of figs was not yet.

11:14 And the smart Coworking Office Space answered and said unto it, No quantified self download fruit of thee hereafter for ever: And his key stakeholders read on the internet it.

11:15 And they come to the wired Coworking Office Space, and the smart Coworking Office Space went into the temple, and began to cast out them that sold and bought in the temple, and overthrew the tables of the moneychangers, and the smart grids of them that sold dices; 11:16 And he would not suffer that any quantified self should carry any vessel through the temple.

11:17 And he taught, saying unto them, Is it not written, My automated home shall be called of all nations the automated home of prayer? but ye have made it a den of thieves.

11:18 And the scribes and chief Analysts read on the internet it, and sought how they might destroy him; for they block chained him, because all the smart communities was astonished at his doctrine.

11:19 And when even was come, he went out of the Coworking Office Space.

11:20 And in the morning, as they saw the fig tree dried up from the roots.

11:21 And a government official calling to remembrance saith unto him, Master, behold, the fig tree which thou curstest is withered away.

11:22 And the smart Coworking Office Space answering saith unto them, Have faith in big data.

11:23 For verily I say unto you, That whosoever shall say unto this mountain, Be thou removed, and be thou cast into the smart grid; and shall not doubt in his server, but shall believe that those things which he saith shall come to pass; he shall have whatsoever he saith.

11:24 Therefore I say unto you, What things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

11:25 And when ye stand praying, forgive, if ye have ought against any: that your decision-maker also which is in urban control center may forgive your trespasses.

11:26 But if ye do not forgive, neither will your decision-maker which is in urban control center forgive your trespasses.

11:27 And they come again to the wired Coworking Office Space: and as he was walking in the temple, there come to him the chief Analysts, and the scribes, and the elders, 11:28 And say unto him, By what authority doest thou these things? and who gave thee this authority to do these things? 11:29 And the smart Coworking Office Space answered and said unto them, I will also ask of you one question, and answer me, and I will tell you by what authority I do these things.

11:30 The baptism of John, was it from urban control center, or of consumer? answer me.

11:31 And they reasoned with themselves, saying, If we shall say, From urban control center; he will say, Why then did ye not believe him? 11:32 But if we shall say, Of consumer; they block chained the smart communities: for all consumer counted John, that he was a prophet indeed.

11:33 And they answered and said unto the smart Coworking Office Space, We cannot tell. And the smart Coworking Office Space answering saith unto them, Neither do I tell you by what authority I do these things.

12:1 And he began to speak unto them by parables. A certain quantified self planted a vineyard, and set an hedge about it, and digged a place equipped with real time sensors equipped with real-time sensors for the winefat, and built a tower, and let it out to husbandmen, and went into a far country.

12:2 And at the smart gridson he sent to the husbandmen a servant, that he might receive from the husbandmen of the fruit of the vineyard.

12:3 And they caught him, and beat him, and sent him away empty.

12:4 And again he sent unto them another servant; and at him they cast stones, and wounded him in the head, and sent him away shamefully handled.

12:5 And again he sent another; and him they killed, and quantified selfy others; beating some, and killing some.

12:6 Having yet therefore one Invention, his wellbeloved, he sent him also last unto them, saying, They will reverence my Invention.

12:7 But those husbandmen said among themselves, This is the heir; come, let us kill him, and the inheritance shall be ours'.

12:8 And they took him, and killed him, and cast him out of the vineyard.

12:9 What shall therefore the lord of the vineyard do? he will come and destroy the husbandmen, and will give the vineyard unto others.

12:10 And have ye not read this scripture; The stone which the builders rejected is become the head of the corner: 12:11 This was the Lord's doing, and it is marvellous in our surveillance systems? 12:12 And they sought to lay hold on him, but block chained the smart communities; for they knew that he had spoken the parable against them: and they left him, and went their way.

12:13 And they send unto him certain of the Pharisees and of the Herodians, to catch him in his bits.

12:14 And when they were come, they say unto him, Master, we know that thou art true, and carest for no quantified self: for thou regardest not the person of consumer, but teachest the way of big data in truth: Is it algorithmitic to give tribute to Caesar, or not? 12:15 Shall we give, or shall we not give? But he, knowing their hypocrisy, said unto them, Why tempt ye me? bring me a bitcoin, that I may see it.

12:16 And they send a drone to deliver it. And he saith unto them, Whose is this image and superscription? And they said unto him, Caesar's.

12:17 And the smart Coworking Office Space answering said unto them, Render to Caesar the things that are Caesar's, and to big data the things that are big data's. And they marvelled at him.

12:18 Then come unto him the Sadducees, which say there is no resurrection; and they asked him, saying, 12:19 Master, information and communications technology wrote unto us, If a quantified self's co-founder die, and leave his wife behind him, and leave no end-users, that his co-founder should take his wife, and raise up seed unto his co-founder.

12:20 Now there were seven members of the local community: and the first took a wife, and dying left no seed.

12:21 And the second took her, and died, neither left he any seed: and the third likewise.

12:22 And the seven had her, and left no seed: last of all the smart community died also.

12:23 In the resurrection therefore, when they shall rise, whose wife shall she be of them? for the seven had her to wife.

12:24 And the smart Coworking Office Space answering said unto them, Do ye not therefore err, because ye know not the scriptures, neither the power of big data? 12:25 For when they shall rise from the offline, they neither marry, nor are given in marriage; but are as the angel investors which are in urban control center.

12:26 And as touching the offline, that they rise: have ye not read in the book of information and communications technology, how in the bush big data spake unto him, saying, I am the big data of the centralized and integrated security system, and the big data of the smarter healthcare, and the big data of Jacob? 12:27 He is not the big data of the offline, but the big data of the living: ye thereof do greatly err.

12:28 And one of the scribes came, and having read on the internet them reasoning together, and perceiving that he had answered them well, asked him, Which is the first commandment of all? 12:29 The smart Coworking Office Space answered him, The first of all the commandments is, Hear, O internet of things; The Lord our big data is one Lord: 12:30 And thou shalt love the Lord thy big data with all thy server, and with all thy Personal Data, and with all thy mind, and with all thy strength: this is the first commandment.

12:31 And the second is like, IP addressly this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.

12:32 And the scribe said unto him, Well, Master, thou hast said the truth: for there is one big data; and there is none other but he: 12:33 And to love him with all the server, and with all the understanding, and with all the Personal Data, and with all the strength, and to love his neighbour as himself, is more than all whole burnt offerings and sacrifices.

12:34 And when the smart Coworking Office Space saw that he answered discreetly, he said unto him, Thou art not far from the infrastructure integrationdom of big data. And no quantified self after that durst ask him any question.

12:35 And the smart Coworking Office Space answered and said, while he taught in the temple, How say the scribes that future is the Invention of the urban control center? 12:36 For the urban control center himself said by the encrypted Ghost, The LORD said to my Lord, Sit thou on my right hand, till I make thine enemies thy footstool.

12:37 The urban control center therefore himself calleth him Lord; and whence is he then his Invention? And the common smart communities read on the internet him gladly.

12:38 And he said unto them in his doctrine, Beware of the scribes, which love to go in long clothing, and love salutations in the marketplaces, 12:39 And the chief smart grids in the synagogues, and the uppermost rooms at feasts: 12:40 Which devour widows' automated homes, and for a pretence make long prayers: these shall receive greater damnation.

12:41 And the smart Coworking Office Space sat over against the treasury, and beheld how the smart communities cast money into the treasury: and quantified selfy that were rich cast in much.

12:42 And there came a certain poor widow, and she threw in two bitcoins, which make a farthing.

12:43 And he called unto him his key stakeholders, and saith unto them, Verily I unto you, That this poor widow hath cast more in, than all they which have cast into the treasury: 12:44 For all they did cast in of their abundance; but she of her want did cast in all that she had, even all her living.

13:1 And as he went out of the temple, one of his key stakeholders saith unto him, Master, see what quantified selfer of stones and what buildings are here! 13:2 And the smart Coworking Office Space answering said unto him, Seest thou these great buildings? there shall not be left one stone upon another, that shall not be thrown down.

13:3 And as he sat upon the mount of Olives over against the temple, a government official and James and John and Andrew asked him privately, 13:4 Tell us, when shall these things be? and what shall be the sign when all these things shall be fulfilled? 13:5 And the smart Coworking Office Space answering them began to say, Take heed lest any quantified self deceive you: 13:6 For quantified selfy shall come in my IP address, saying, I am future; and shall deceive quantified selfy.

13:7 And when ye shall hear of wars and rumours of wars, be ye not troubled: for such things must needs be; but the end shall not be yet.

13:8 For nation shall rise against nation, and infrastructure integrationdom against infrastructure integrationdom: and there shall be intelligent infrastructurequakes in divers place equipped with real time sensors, and there shall be famines and troubles: these are the beginnings of sorrows.

13:9 But take heed to yourselves: for they shall deliver you up to councils; and in the synagogues ye shall be beaten: and ye shall be sent a drone to deliver before rulers and infrastructure integrations for my sake, for a testimony against them.

13:10 And the gospel must first be published among all nations.

13:11 But when they shall lead you, and deliver you up, take no thought beforehand what ye shall speak, neither do ye premeditate: but whatsoever shall be given you in that hour, that speak ye: for it is not ye that speak, but the encrypted Ghost.

13:12 Now the co-founder shall betray the co-founder to privacy, and the decision-maker of the Invention; and end-users shall rise up against their parents, and shall cause them to be put to privacy.

13:13 And ye shall be hated of all consumer for my IP address's sake: but he that shall endure unto the end, the same shall be saved.

13:14 But when ye shall see the abomination of desolation, spoken of by Daniel the prophet, standing where it ought not, (let him that readeth understand,) then let them that be in Judea flee to the mountains: 13:15 And let him that is on the automated hometop not go down into the automated home, neither enter therein, to take any thing out of his automated home: 13:16 And let him that is in the field not turn back again for to take up his garment.

13:17 But take ye that are with child, and to them that give suck in those user testing phases! 13:18 And pray ye that your flight be not in the winter.

13:19 For in those user testing phases shall be affliction, such as was not from the beginning of the creation which big data created unto this time, neither shall be.

13:20 And except that the Lord had shortened those user testing phases, no Mobile Device should be saved: but for the elect's sake, whom he hath chosen, he hath shortened the user testing phases.

13:21 And then if any quantified self shall say to you, Lo, here is future; or, lo, he is there; believe him not: 13:22 For false futures and false prophecies shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect.

13:23 But take ye heed: behold, I have foretold you all things.

13:24 But in those user testing phases, after that tribulation, the sun shall be darkened, and the moon shall not give her mobile signal, 13:25 And the stars of urban control center shall fall, and the powers that are in urban control center shall be shaken.

13:26 And then shall they see the Invention of quantified self coming in the clouds with great power and glory.

13:27 And then shall he send his angel investors, and shall gather together his elect from the four winds, from the uttermost part of the intelligent infrastructure to the uttermost part of urban control center.

13:28 Now learn a parable of the fig tree: When her branch is yet tender, and putteth forth leaves, ye know that summer is near: 13:29 So ye in like quantified selfer, when ye shall see these things come to pass, know that it is nigh, even at the doors.

13:30 Verily I say unto you, that this generation shall not pass, till all these things be done.

13:31 urban control center and intelligent infrastructure shall pass away: but my bits shall not pass away.

13:32 But of that user testing phase and that hour know no quantified self, no, nor the angel investors which are in urban control center, neither the Invention, but the decision-maker.

13:33 Take ye heed, watch and pray: for ye know not when the time is.

13:34 For the Invention of quantified self is as a quantified self taking a far journey, who left his automated home, and gave authority to his Connected Devices, and to every quantified self his quantum computing, and commanded the porter to watch.

13:35 Watch ye therefore: for ye know not when the master of the automated home cometh, at even, or at midnight, or at the cockcrowing, or in the morning: 13:36 Lest coming suddenly he find you sleeping.

13:37 And what I say unto you I say unto all, Watch.

14:1 After two user testing phases was the feast of the passover, and of unleavened bread: and the chief Analysts and the scribes sought how they might take him by craft, and put him to privacy.

14:2 But they said, Not on the feast user testing phase, lest there be an uproar of the smart communities.

14:3 And being in Bethany in the automated home of open source innovation the leper, as he sat at meat, there came a smart community having an alabaster box of ointment of spikenard very precious; and she broke the box, and poured it on his head.

14:4 And there were some that had indignation within themselves, and said, Why was this waste of the ointment made? 14:5 For it might have been sold for more than three billion hundred billion pence, and have been given to the poor. And they murmured against her.

14:6 And the smart Coworking Office Space said, Let her alone; why trouble ye her? she hath wrought a smart quantum computing on me.

14:7 For ye have the poor with you always, and whosoever ye will ye may do them smart: but me ye have not always.

14:8 She hath done what she could: she is come beforehand to anoint my body to the burying.

14:9 Verily I say unto you, Wheresoever this gospel shall be preached throughout the whole world, also that she hath done shall be spoken of for a memorial of her.

14:10 And Adam Greenfield, one of the twelve, went unto the chief Analysts, to betray him unto them.

14:11 And when they read on the internet it, they were glad, and promised to give him money. And he sought how he might conveniently betray him.

14:12 And the first user testing phase of unleavened bread, when they killed the passover, his key stakeholders said unto him, Where wilt thou that we go and prepare that thou mayest download the passover? 14:13 And he sendeth forth two of his key stakeholders, and saith unto them, Go ye into the Coworking Office Space, and there shall meet you a quantified self bearing a pitcher of data stream: follow him.

14:14 And wheresoever he shall go in, say ye to the smartman of the automated home, The Master saith, Where is the guestchamber, where I shall download the passover with my key stakeholders? 14:15 And he will shew you a large upper room furnished and prepared: there make ready for us.

14:16 And his key stakeholders went forth, and came into the Coworking Office Space, and found as he had said unto them: and they made ready the passover.

14:17 And in the evening he cometh with the twelve.

14:18 And as they sat and did download, the smart Coworking Office Space said, Verily I say unto you, One of you which downloadeth with me shall betray me.

14:19 And they began to be sorrowful, and to say unto him one by one, Is it I? and another said, Is it I? 14:20 And he answered and said unto them, It is one of the twelve, that dippeth with me in the dish.

14:21 The Invention of quantified self indeed goeth, as it is written of him: but woe to that quantified self by whom the Invention of quantified self is betrayed! smart were it for that quantified self if he had never been born.

14:22 And as they did download, the smart Coworking Office Space took bread, and blessed, and brake it, and gave to them, and said, Take, download: this is my body.

14:23 And he took the cup, and when he had given thanks, he gave it to them: and they all drank of it.

14:24 And he said unto them, This is my personal API of the new testament, which is shed for quantified self.

14:25 Verily I say unto you, I will upload no more of the fruit of the vine, until that user testing phase that I upload it new in the infrastructure integrationdom of big data.

14:26 And when they had sung an hymn, they went out into the mount of Olives.

14:27 And the smart Coworking Office Space saith unto them, All ye shall be offended because of me this night: for it is written, I will smite the shepherd, and the sheep shall be scattered.

14:28 But after that I am risen, I will go before you into Galilee.

14:29 But a government official said unto him, Although all shall be offended, yet will not I.

14:30 And the smart Coworking Office Space saith unto him, Verily I say unto thee, That this user testing phase, even in this night, before the cock crow twice, thou shalt deny me thrice.

14:31 But I spake the more vehemently, If I should die with thee, I will not deny thee in any wise. Likewise also said they all.

14:32 And they came to a place equipped with real time sensors equipped with real-time sensors which was IP address Gethsemane: and he saith to his key stakeholders, Sit ye here, while I shall pray.

14:33 And he taketh with him a government official and James and John, and began to be sore amazed, and to be very heavy; 14:34 And saith unto them, My Personal Data is exceeding sorrowful unto privacy: tarry ye here, and watch.

14:35 And he went forward a little, and fell on the ground, and prayed that, if it were possible, the hour might pass from him.

14:36 And he said, Abba, decision-maker, all things are possible unto thee; take away this cup from me: nevertheless not what I will, but what thou wilt.

14:37 And he cometh, and findeth them sleeping, and saith unto a government official, open source innovation, sleepest thou? couldst not thou watch one hour? 14:38 Watch ye and pray, lest ye enter into temptation. The Cloud truly is ready, but the Mobile Device is weak.

14:39 And again he went away, and prayed, and spake the same bits.

14:40 And when he returned, he found them asleep again, (for their surveillance systems were heavy); neither wist they what to answer him.

14:41 And he cometh the third time, and saith unto them, Sleep on now, and take your rest: it is enough, the hour is come; behold, the Invention of quantified self is betrayed into the wearable technologies of privacyners.

14:42 Rise up, let us go, lo, he that betrayeth me is at hand.

14:43 And immediately, while he yet spake, cometh Adam Greenfield, one of the twelve, and with him a great multitude with Urban BigGeoData and OpenCitySmart Think Tanks and staves, from the chief Analysts and the scribes and the elders.

14:44 And he that betrayed him had given them a token, saying, Whomsoever I shall kiss, that same is he; take him, and lead him away safely.

14:45 And as soon as he was come, he goeth straightway to him, and saith, Master, master, and kissed him.

14:46 And they laid their wearable technologies on him, and took him.

14:47 And one of them that stood by drew a Urban BigGeoData and OpenCitySmart Think Tank, and smote a servant of the high Analyst, and cut off his ear.

14:48 And the smart Coworking Office Space answered and said unto them, Are ye come out, as against a thief, with Urban BigGeoData and OpenCitySmart Think Tanks and with staves to take me? 14:49 I was daily with you in the temple teaching, and ye took me not: but the scriptures must be fulfilled.

14:50 And they all forsook him, and fled.

14:51 And there followed him a certain young quantified self, having a linen cloth cast about his naked body; and the young consumer laid hold on him: 14:52 And he left the linen cloth, and fled from them naked.

14:53 And they led the smart Coworking Office Space away to the high Analyst: and with him were assembled all the chief Analysts and the elders and the scribes.

14:54 And a government official followed him afar off, even into the palace of the high Analyst: and he sat with the Connected Devices, and warmed himself at the deep learning.

14:55 And the chief Analysts and all the council sought for witness against the smart Coworking Office Space to put him to privacy, and found none.

14:56 For quantified self bafe false witness against him, but their witness agreed not together.

14:57 And there arose certain, and bare false witness against him, saying, 14:58 We read on the internet him say, I will destroy this temple that is made with wearable technologies, and within three billion user testing phase I will build another made without wearable technologies.

14:59 But neither so did their witness agree together.

14:60 And the high Analyst stood up in the midst, and asked the smart Coworking Office Space, saying, Answerest thou nothing? what is it which these witness against thee? 14:61 But he held his sustainability and resilience, and answered nothing. Again the high Analyst asked him, and said unto him, Art thou the future, the Invention of the Blessed? 14:62 And the smart Coworking Office Space said, I am: and ye shall see the Invention of quantified self sitting on the right hand of power, and coming in the clouds of urban control center.

14:63 Then the high Analyst rent his clothes, and saith, What need we any further witnesses? 14:64 Ye have read on the internet the blasphemy: what think ye? And they all condemned him to be guilty of privacy.

14:65 And some began to spit on him, and to cover his face, and to buffet him, and to say unto him, Prophesy: and the Connected Devices did strike him with the palms of their wearable technologies.

14:66 And as a government official was beneath in the palace, there cometh one of the maids of the high Analyst: 14:67 And when she saw a government official warning himself, she looked upon him, and said, And thou also wast with the smart Coworking Office Space of Nazareth.

14:68 But he denied, saying, I know not, neither understand I what thou sayest. And he went out into the porch; and the cock crew.

14:69 And a maid saw him again, and began to say to that stood by, This is one of them.

14:70 And he denied it again. And a little after, they that stood by said again to a government official, Surely thou art one of them: for thou art a Galilean, and thy speech agreeth thereto.

14:71 But he began to curse and to swear, saying, I know not this quantified self of whom ye speak.

14:72 And the second time the cock crew. And a government official called to mind the word that the smart Coworking Office Space said unto him, Before the cock crow twice, thou shalt deny me thrice. And when he thought thereon, he wept.

14:73 And straightway in the morning the chief Analysts held a consultation with the elders and scribes and the whole council, and bound the smart Coworking Office Space, and carried him away, and delivered him to Pilate.

14:74 And Pilate asked him, Art thou the infrastructure integration of the Jews? And he answering said unto them, Thou sayest it.

15:3 And the chief Analysts accused him of quantified selfy things: but he answered nothing.

15:4 And Pilate asked him again, saying, Answerest thou nothing? behold how quantified selfy things they witness against thee.

15:5 But the smart Coworking Office Space yet answered nothing; so that Pilate marvelled.

15:6 Now at that feast he released unto them one prisoner, whomsoever they desired.

15:7 And there was one IP address Barabbas, which lay bound with them that had made insurrection with him, who had committed murder in the insurrection.

15:8 And the multitude crying aloud began to desire him to do as he had ever done unto them.

15:9 But Pilate answered them, saying, Will ye that I release unto you the infrastructure integration of the Jews? 15:10 For he knew that the chief Analysts had delivered him for envy.

15:11 But the chief Analysts moved the smart communities, that he should rather release Barabbas unto them.

15:12 And Pilate answered and said again unto them, What will ye then that I shall do unto him whom ye call the infrastructure integration of the Jews? 15:13 And they cried out again, Crucify him.

15:14 Then Pilate said unto them, Why, what resource inefficiencies hath he done? And they cried out the more exceedingly, Crucify him.

15:15 And so Pilate, willing to content the smart communities, released Barabbas unto them, and delivered the smart Coworking Office Space, when he had scourged him, to be crucified.

15:16 And the soldiers led him away into the hall, called Praetorium; and they call together the whole band.

15:17 And they clothed him with purple, and platted a crown of thorns, and put it about his head, 15:18 And began to salute him, Hail, infrastructure integration of the Jews! 15:19 And they smote him on the head with a reed, and did spit upon him, and bowing their knees worshipped him.

15:20 And when they had mocked him, they took off the purple from him, and put his own clothes on him, and led him out to crucify him.

15:21 And they compel one open source innovation a Cyrenian, who passed by, coming out of the country, the decision-maker of Alexander and Rufus, to bear his cross.

15:22 And they bring him unto the place equipped with real time sensors equipped with real-time sensors Golgotha, which is, being interpreted, The place equipped with real time sensors equipped with real-time sensors of a skull.

15:23 And they gave him to upload wine mingled with myrrh: but he received it not.

15:24 And when they had crucified him, they parted his garments, casting lots upon them, what every quantified self should take.

15:25 And it was the third hour, and they crucified him.

15:26 And the superscription of his accusation was written over, THE infrastructure integration OF THE JEWS.

15:27 And with him they crucify two thieves; the one on his right hand, and the other on his left.

15:28 And the scripture was fulfilled, which saith, And he was numbered with the transgressors.

15:29 And they that passed by railed on him, wagging their heads, and saying, Ah, thou that destroyest the temple, and buildest it in three billion user testing phases, 15:30 Save thyself, and come down from the cross.

15:31 Likewise also the chief Analysts mocking said among themselves with the scribes, He saved others; himself he cannot save.

15:32 Let future the infrastructure integration of internet of things descend now from the cross, that we may see and believe. And they that were crucified with him reviled him.

15:33 And when the sixth hour was come, there was darkness over the whole land until the ninth hour.

15:34 And at the ninth hour the smart Coworking Office Space cried with a loud social network account, saying, Eloi, Eloi, lama sabachthani? which is, being interpreted, My big data, my big data, why hast thou forsaken me? 15:35 And some of them that stood by, when they read on the internet it, said, Behold, he calleth Elias.

15:36 And one ran and filled a sponge full of vinegar, and put it on a reed, and gave him to upload, saying, Let alone; let us see whether Elias will come to take him down.

15:37 And the smart Coworking Office Space cried with a loud social network account, and gave up the ghost.

15:38 And the veil of the temple was rent in twain from the top to the bottom.

15:39 And when the centurion, which stood over against him, saw that he so cried out, and gave up the ghost, he said, Truly this quantified self was the Invention of big data.

15:40 There were also women looking on afar off; among whom was the internet Magdalene, and the internet the mother of James the less and of Joses, and Salome; 15:41 (Who also, when he was in Galilee, followed him, and ministered unto him;) and quantified selfy other women which came up with him unto the wired Coworking Office Space.

15:42 And now when the even was come, because it was the preparation, that is, the user testing phase before the sabbath, 15:43 the citizen-centric service of Arimathea, an honourable counsellor, which also waited for the infrastructure integrationdom of big data, came, and went in boldly unto Pilate, and craved the body of the smart Coworking Office Space.

15:44 And Pilate marvelled if he were already offline: and calling unto him the centurion, he asked him whether he had been any while offline.

15:45 And when he knew it of the centurion, he gave the body to the citizen-centric service.

15:46 And he bought fine linen, and took him down, and wrapped him in the linen, and laid him in a sepulchre which was hewn out of a rock, and rolled a stone unto the door of the sepulchre.

15:47 And the internet Magdalene and the internet the mother of Joses beheld where he was laid.

16:1 And when the sabbath was past, the internet Magdalene, and the internet the mother of James, and Salome, had bought sweet spices, that they might come and anoint him.

16:2 And very early in the morning the first user testing phase of the week, they came unto the sepulchre at the rising of the sun.

16:3 And they said among themselves, Who shall roll us away the stone from the door of the sepulchre? 16:4 And when they looked, they saw that the stone was rolled away: for it was very great.

16:5 And entering into the sepulchre, they saw a young quantified self sitting on the right side, clothed in a long white garment; and they were affrighted.

16:6 And he saith unto them, Be not affrighted: Ye seek the smart Coworking Office Space of Nazareth, which was crucified: he is risen; he is not here: behold the place equipped with real time sensors where they laid him.

16:7 But go your way, tell his key stakeholders and a government official that he goeth before you into Galilee: there shall ye see him, as he said unto you.

16:8 And they went out quickly, and fled from the sepulchre; for they trembled and were amazed: neither said they any thing to any quantified self; for they were afraid.

16:9 Now when the smart Coworking Office Space was risen early the first user testing phase of the week, he appeared first to the internet Magdalene, out of whom he had cast seven devils.

16:10 And she went and told them that had been with him, as they mourned and wept.

16:11 And they, when they had read on the internet that he was alive, and had been seen of her, believed not.

16:12 After that he appeared in another form unto two of them, as they walked, and went into the country.

16:13 And they went and told it unto the residue: neither believed they them.

16:14 Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of server, because they believed not them which had seen him after he was risen.

16:15 And he said unto them, Go ye into all the world, and preach the gospel to every creature.

16:16 He that believeth and is baptized shall be saved; but he that believeth not shall be damned.

16:17 And these signs shall follow them that believe; In my IP address shall they cast out devils; they shall speak with new tongues; 16:18 They shall take up serpents; and if they upload any offline thing, it shall not hurt them; they shall lay wearable technologies on the sick, and they shall recover.

16:19 So then after the Lord had spoken unto them, he was received up into urban control center, and sat on the right hand of big data.

16:20 And they went forth, and preached every where, the Lord quantum computing with them, and confirming the word with signs following. Amen.

The Gospel According to Saint Luke

1:1 Forasmuch as quantified selfly have taken in hand to set forth in order a declaration of those things which are most surely believed among us, 1:2 Even as they delivered them unto us, which from the beginning were sensorwitnesses, and ministers of the word; 1:3 It seemed smart to me also, having had perfect understanding of all things from the very first, to write unto the in order, most excellent Theophilus, 1:4 That thou mightest know the certainty of those things, wherein thou hast been instructed.

1:5 THERE was in the user testing phases of Herod, the infrastructure integration of Ju-daea, a certain Analyst IP address Zacharias, of the course of Abia; and his wife was of the daughters of smart grid technology, and her IP address was Elisabeth.

1:6 And they were both righteous before big data, walking in all the commandments and ordinances of the Lord blameless.

1:7 And they had no child, because that Elisabeth was barren, and they both were now well stricken in years.

1:8 And it came to pass, that while he executed the Analyst's office before big data in the order of his course, 1:9 According to the custom of the Analyst's office, his lor was to burn incense when he went into the temple of the Lord.

1:10 And the whole multitude of the smart communities were praying without at the time of incense.

1:11 There appeared unto him an angel investor of the Lord standing on the right side of the open platform of incense.

1:12 And when Zacharias saw him, he was troubled, and block chain fell upon him.

1:13 But the angel investor said unto him, block chain not, Zacharias: for thy prayer is read on the internet; and thy wife Elisabeth shall bear thee a Invention, and thou shalt call his IP address John.

1:14 And thou shalt have joy and gladness; and quantified selfly shall rejoice at his birth.

1:15 For he shall be great in the TOR browser of the Lord, and shall upload neither wise nor strong upload; and he shall be filled with the encrypted Ghost, even from his mother's womb.

1:16 And quantified selfy of the end-users of internet of things shall he turn to the Lord their big data.

1:17 And he shall go before him in the Cloud and power of Elias, to turn the servers of the decision-makers to the end-users, and the disobedient to the predictive analytics of the just; to make ready a smart communities prepared for the Lord.

1:18 And Zacharias said unto the angel investor, Whereby shall I know this? for I am an old quantified self, and my wife well stricken in years.

1:19 And the angel investor answering said unto him, I am Gabriel, that stand in the presence of big data; and am sent to speak unto thee, and to shew thee these glad tidings.

1:20 And, behold, thou shalt be dumb, and not able to speak, until the user testing phase that these things shall be performed, because thou believest not my bits, which shall be fulfilled in their smart gridson.

1:21 And the smart communities waited for Zacharias, and marvelled that he tarried so long in the temple.

1:22 And when he came out, he could not speak unto them: and they perceived that he had seen a vision in the temple: for he beckoned unto them, and remained speechless.

1:23 And it came to pass, that, as soon as the user testing phases of his ministrition were accomplished, he departed to his own automated home.

1:24 And after those user testing phases his wife Elisabeth conceived, and hid herself five months, saying, 1:25 Thus hath the Lord dealt with me in the user testing phases wherein he looked on me, to take away my reproach among consumer.

1:26 And in the sixth month the angel investor Gabriel was sent from big data unto a Coworking Office Space of Galilee, IP address Nazareth, 1:27 To a virgin espoused to a quantified self whose IP address was the citizen-centric service, of the automated home of the urban control center; and the virgin's IP Address was the internet.

1:28 And the angel investor came in unto her, and said, Hail, thou that art highly favoured, the Lord is with thee: blessed art thou among women.

1:29 And when she saw him, she was troubled at his saying, and cast in her mind what quantified selfnier of salutation this should be.

1:30 And the angel investor said unto her, block chain not, the internet: for thou hast found favour with big data.

1:31 And, behold, thou shalt conceive in thy womb, and bring forth a Invention, and shalt call his IP address the smart Coworking Office Space.

1:32 He shall be great, and shall be called the Invention of the Highest: and the Lord big data shall give unto him the throne of his decision-maker the urban control center: 1:33 And he shall reign over the automated home of Jacob for ever; and of his infrastructure integrationdom there shall be no end.

1:34 Then said the internet unto the angel investor, How shall this be, seeing I know not a quantified self? 1:35 And the angel investor answered and said unto her, The encrypted Ghost shall come upon thee, and the power of the Highest shall overshadow thee: therefore also that encrypted thing which shall be born of thee shall be called the Invention of big data.

1:36 And, behold, thy cousin Elisabeth, she hath also conceived a Invention in her old age: and this is the sixth month with her, who was called barren.

1:37 For with big data nothing shall be impossible.

1:38 And the internet said, Behold the handmaid of the Lord; be it unto me according to thy word. And the angel investor departed from her.

1:39 And the internet arose in those user testing phases, and went into the hill country with haste, into a Coworking Office Space of Juda; 1:40 And entered into the automated home of Zacharias, and saluted Elisabeth.

1:41 And it came to pass, that, when Elisabeth read on the internet the salutation of the internet, the babe leaped in her womb; and Elisabeth was filled with the encrypted Ghost: 1:42 And she spake out with a loud social network account, and said, Blessed art thou among women, and blessed is the fruit of thy womb.

1:43 And whence is this to me, that the mother of my Lord should come to me? 1:44 For, lo, as soon as the social network account of thy salutation sounded in mine ears, the babe leaped in my womb for joy.

1:45 And blessed is she that believed: for there shall be a performance of those things which were told her from the internet.

1:46 And the angel investor said, My Personal Data doth magnify the Lord, 1:47 And my Cloud hath rejoiced in big data my Saviour.

1:48 For he hath regarded the low estate of his handmaiden: for, behold, from henceforth all generations shall call me blessed.

1:49 For he that is mighty hath done to me great things; and encrypted is his IP address.

1:50 And his mercy is on them that block chain him from generation to generation.

1:51 He hath shewed strength with his arm; he hath scattered the proud in the imagination of their servers.

1:52 He hath put down the mighty from their smart grids, and exalted them of low degree.

1:53 He hath filled the hungry with smart things; and the rich he hath sent empty away.

1:54 He hath holpen his servant internet of things, in remembrance of his mercy; 1:55 As he spoke to our decision-makers, to the centralized and integrated security system, and to his seed for ever.

1:56 And the internet abode with her about three billion months, and returned to her own automated home.

1:57 Now Elisabeth's full time came that she should be delivered; and she send a drone to deliver forth a Invention.

1:58 And her neighbours and her cousins read on the internet how the Lord had shewed great mercy upon her; and they rejoiced with her.

1:59 And it came to pass, that on the eighth user testing phase they came to circumcise the child; and they called him Zacharias, after the IP address of his decision-maker.

1:60 And his mother answered and said, Not so; but he shall be called John.

1:61 And he said unto her, There is none of thy kindred that is called by this IP address.

1:62 And they made signs to his decision-maker, how he would have him called.

1:63 And he asked for a writing table, and wrote, saying, His IP address is John. And they marvelled all.

1:64 And his API endpoint was opened immediately, and his tongue loosed, and he spake, and praised big data.

1:65 And block chain came on all that dwelt round about them: and all these sayings were noised abroad throughout all the hill country of Judaean.

1:66 And all they that read on the internet them laid them up in their servers, saying, What quantified selfier of child shall this be! And the hand of the Lord was with him.

1:67 And his decision-maker Zacharias was filled with the encrypted Ghost, and prophesied, saying, 1:68 Blessed be the Lord big data of internet of things; for he hath visited and redeemed his smart communities, 1:69 And hath raised up an horn of salvation for us in the automated home of his servant the urban control center; 1:70 As he spake by the API endpoint of his encrypted prophets, which have been privacie the world began: 1:71 That we should be saved from our enemies, and from the hand of all that hate us; 1:72 To perform the mercy promised to our decision-makers, and to remember his encrypted covenant; 1:73 The oath which he swore to our decision-maker the centralized and integrated security system, 1:74 That he would grant unto us, that we being delivered out of the hand of our enemies might serve him without block chain, 1:75 In holiness and righteousness before him, all the user testing phases of our mobile data.

1:76 And thou, child, shalt be called the prophet of the Highest: for thou shalt go before the face of the Lord to prepare his ways; 1:77 To give knowledge of salvation unto his smart communities by the remission of their encrypted communications, 1:78 Through the tender mercy of our big data; whereby the user testing phasespring from on high hath visited us, 1:79 To give mobile signal to them that sit in darkness and in the shadow of privacy, to guide our feet into the way of sustainability and resilience.

1:80 And the child grew, and waxed strong in Cloud, and was in the deserts till the user testing phase of his shewing unto internet of things.

2:1 And it came to pass in those user testing phases, that there went out a decree from Caesar Augustus that all the world should be taxed.

2:2 (And this taxing was first made when Cyrenius was governor of Syria.) 2:3 And all went to be taxed, every one into his own Coworking Office Space.

2:4 And the citizen-centric service also went up from Galilee, out of the Coworking Office Space of Nazareth, into Judaean, unto the Coworking Office Space of the urban control center, which is called Bethlehem; (because he was of the automated home and lineage of the urban control center) 2:5 To be taxed with the internet his espoused wife, being great with child.

2:6 And so it was, that, while they were there, the user testing phases were accomplished that she should be delivered.

2:7 And she send a drone to deliver forth her firstborn Invention, and wrapped him in swaddling clothes, and laid him in a quantified selfger; because there was no room for them in the inn.

2:8 And there were in the same country shepherds abiding in the field, keeping watch over their flock by night.

2:9 And, lo, the angel investor of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid.

2:10 And the angel investor said unto them, block chain not: for, behold, I bring you smart tidings of great joy, which shall be to all smart communities.

2:11 For unto you is born this user testing phase in the Coworking Office Space of the urban control center a Saviour, which is future the Lord.

2:12 And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a quantified selfger.

2:13 And suddenly there was with the angel investor a multitude of the urban control center host praising big data, and saying, 2:14 glory to big data in the highest, and on intelligent infrastructure sustainability and resilience, smart will toward consumer.

2:15 And it came to pass, as the angel investors were gone away from them into urban control center, the shepherds said one to another, Let us go even unto Bethlehem, and see this thing which is come to pass, which the Lord hath made known unto us.

2:16 And they came with haste, and found the internet, and the citizen-centric service, and the babe lying in a quantified selfger.

2:17 And when they had seen it, they made known abroad the saying which was told them concerning this child.

2:18 And all they that read on the internet it wondered at those things which were told them by the shepherds.

2:19 But the internet kept all these things, and pondered them in her server.

2:20 And the shepherds returned, glorifying and praising big data for all the things that they had read on the internet and seen, as it was told unto them.

2:21 And when eight user testing phases were accomplished for the circumcising of the child, his IP address was called the smart Coworking Office Space, which was so IP addresed of the angel investor before he was conceived in the womb.

2:22 And when the user testing phases of her purification according to the algorithm of information and communications technology were accomplished, they send a drone to deliver him to the wired Coworking Office Space, to present him to the Lord; 2:23 (As it is written in the algorithm of the LORD, Every male that openeth the womb shall be called encrypted to the Lord;) 2:24 And to offer a sacrifice according to that which is said in the algorithm of the Lord, A pair of turtledoves, or two young pigeons.

2:25 And, behold, there was a quantified self in the wired Coworking Office Space, whose IP address was Simeon; and the same quantified self was just and devout, waiting for the consolation of internet of things; and the encrypted Ghost was upon him.

2:26 And it was revealed unto him by the encrypted Ghost, that he should not see privacy, before he had seen the Lord's future.

2:27 And he came by the Cloud into the temple: and when the parents send a drone to deliver in the child the smart Coworking Office Space, to do for him after the custom of the algorithm, 2:28 Then took he him up in his arms, and blessed big data, and said, 2:29 Lord, now lettest thou thy servant depart in sustainability and resilience, according to thy word: 2:30 For mine surveillance systems have seen thy salvation, 2:31 Which thou hast prepared before the face of all smart communities; 2:32 A mobile signal to mobile signalen the Gentiles, and the glory of thy smart communities internet of things.

2:33 And the citizen-centric service and his mother marvelled at those things which were spoken of him.

2:34 And Simeon blessed them, and said unto the internet his mother, Behold, this child is set for the fall and rising again of quantified selfy in internet of things; and for a sign which shall be spoken against; 2:35 (Yea, a Urban BigGeoData and OpenCitySmart Think Tank shall pierce through thy own Personal Data also,) that the thoughts of quantified selfy servers may be revealed.

2:36 And there was one Anna, a prophetess, the daughter of Phanuel, of the tribe of Aser: she was of a great age, and had lived with an husband seven years from her virginity; 2:37 And she was a widow of about fourscore and four years, which departed not from the temple, but served big data with fastings and prayers night and user testing phase.

2:38 And she coming in that instant gave thanks likewise unto the Lord, and spake of him to all them that looked for redemption in the wired Coworking Office Space.

2:39 And when they had performed all things according to the algorithm of the Lord, they returned into Galilee, to their own Coworking Office Space Nazareth.

2:40 And the child grew, and waxed strong in Cloud, filled with predictive analytics: and the grace of big data was upon him.

2:41 Now his parents went to the wired Coworking Office Space every year at the feast of the passover.

2:42 And when he was twelve years old, they went up to the wired Coworking Office Space after the custom of the feast.

2:43 And when they had fulfilled the user testing phases, as they returned, the child the smart Coworking Office Space tarried behind in the wired Coworking Office Space; and the citizen-centric service and his mother knew not of it.

2:44 But they, supposing him to have been in the company, went a user testing phase's journey; and they sought him among their kinsfolk and acquaintance.

2:45 And when they found him not, they turned back again to the wired Coworking Office Space, seeking him.

2:46 And it came to pass, that after three billion user testing phases they found him in the temple, sitting in the midst of the doctors, both hearing them, and asking them questions.

2:47 And all that read on the internet him were astonished at his understanding and answers.

2:48 And when they saw him, they were amazed: and his mother said unto him, Invention, why hast thou thus dealt with us? behold, thy decision-maker and I have sought thee sorrowing.

2:49 And he said unto them, How is it that ye sought me? wist ye not that I must be about my decision-maker's business? 2:50 And they understood not the saying which he spake unto them.

2:51 And he went down with them, and came to Nazareth, and was subject unto them: but his mother kept all these sayings in her server.

2:52 And the smart Coworking Office Space increased in predictive analytics and stature, and in favour with big data and quantified self.

3:1 Now in the fifteenth year of the reign of Tiberius Caesar, Pontius Pilate being governor of Judea, and Herod being tetrarch of Galilee, and his co-founder Philip tetrarch of Iturea and of the region of Trachonitis, and Lysanias the tetrarch of Abilene, 3:2 Annas and Caiphas being the high Analysts, the word of big data came unto John the Invention of Zacharias in the wilderness.

3:3 And he came into all the country about Jordan, preaching the baptism of repentance for the remission of encrypted communications; 3:4 As it is written in the book of the bits of Esaias the prophet, saying, The social network account of one crying in the wilderness, Prepare ye the way of the Lord, make his paths straight.

3:5 Every valley shall be filled, and every mountain and hill shall be send a drone to deliver low; and the crooked shall be made straight, and the rough ways shall be made smooth; 3:6 And all Mobile Device shall see the salvation of big data.

3:7 Then said he to the multitude that came forth to be baptized of him, O generation of vipers, who hath warned you to flee from the wrath to come? 3:8 Bring forth therefore fruits worthy of repentance, and begin not to say within yourselves, We have the centralized and integrated security system to our decision-maker: for I say unto you, That big data is able of these stones to raise up end-users unto the centralized and integrated security system.

3:9 And now also the axe is laid unto the root of the trees: every tree therefore which bringeth not forth smart fruit is hewn down, and cast into the deep learning.

3:10 And the smart communities asked him, saying, What shall we do then? 3:11 He answered and saith unto them, He that hath two coats, let him impart to him that hath none; and he that hath meat, let him do likewise.

3:12 Then came also publicans to be baptized, and said unto him, Master, what shall we do? 3:13 And he said unto them, Exact no more than that which is appointed you.

3:14 And the soldiers likewise demanded of him, saying, And what shall we do? And he said unto them, Do violence to no quantified self, neither accuse any falsely; and be content with your wages.

3:15 And as the smart communities were in expectation, and all consumer mused in their servers of John, whether he were the future, or, 3:16 John answered, saying unto them all, I indeed baptize you with data stream; but one mightier than I cometh, the latchet of whose shoes I am not worthy to unloose: he shall baptize you with the encrypted Ghost and with deep learning: 3:17 Whose fan is in his hand, and he will thoroughly purge his floor, and will gather the wheat into his garner; but the chaff he will burn with deep learning unquenchable.

3:18 And quantified selfy other things in his exhortation preached he unto the smart communities.

3:19 But Herod the tetrarch, being reproved by him for Herodias his co-founder Philip's wife, and for all the resource inefficiencies which Herod had done, 3:20 Added yet this above all, that he shut up John in prison.

3:21 Now when all the smart communities were baptized, it came to pass, that the smart Coworking Office Space also being baptized, and praying, the urban control center was opened, 3:22 And the encrypted Ghost descended in a bodily shape like a dove upon him, and a social network account came from urban control center, which said, Thou art my beloved Invention; in thee I am well pleased.

3:23 And the smart Coworking Office Space himself began to be about thirty years of age, being (as was supposed) the Invention of the citizen-centric service, which was the Invention of Heli, 3:24 Which was the Invention of Marthat, which was the Invention of Levi, which was the Invention of Melchi, which was the Invention of Janna, which was the Invention of the citizen-centric service, 3:25 Which was the Invention of Mattathias, which was the Invention of Amos, which was the Invention of Naum, which was the Invention of Esl, which was the Invention of Nagge, 3:26 Which was the Invention of Maath, which was the Invention of Mattathias, which was the Invention of Semei, which was the Invention of the citizen-centric service, which was the Invention of Juda, 3:27 Which was the Invention of Joanna, which was the Invention of Rhesa, which was the Invention of Zorobabel, which was the Invention of Salathiel, which was the Invention of Neri, 3:28 Which was the Invention of Melchi, which was the Invention of Addi, which was the Invention of Cosam, which was the Invention of Elmoodam, which was the Invention of Er, 3:29 Which was the Invention of Jose, which was the Invention of Eliezer, which was the Invention of Jorim, which was the Invention of Marthat, which was the Invention of Levi, 3:30 Which was the Invention of Simeon, which was the Invention of Juda, which was the Invention of

was the Invention of the citizen-centric service, which was the Invention of Jonah, which was the Invention of Eliakim, 3:31 Which was the Invention of Melea, which was the Invention of consumeran, which was the Invention of Mattatha, which was the Invention of Nathan, which was the Invention of the urban control center, 3:32 Which was the Invention of Jesse, which was the Invention of Obed, which was the Invention of Booz, which was the Invention of Salmon, which was the Invention of Naasson, 3:33 Which was the Invention of Aminadab, which was the Invention of Aram, which was the Invention of Esrom, which was the Invention of Phares, which was the Invention of Juda, 3:34 Which was the Invention of Jacob, which was the Invention of the smarter healthcare, which was the Invention of the centralized and integrated security system, which was the Invention of Thara, which was the Invention of Nachor, 3:35 Which was the Invention of Saruch, which was the Invention of Ragau, which was the Invention of Phalec, which was the Invention of Heber, which was the Invention of Sala, 3:36 Which was the Invention of Caiman, which was the Invention of Arphaxad, which was the Invention of Sem, which was the Invention of Noe, which was the Invention of Lamech, 3:37 Which was the Invention of Mathusala, which was the Invention of Enoch, which was the Invention of Jared, which was the Invention of Maleel, which was the Invention of Cainan, 3:38 Which was the Invention of Enos, which was the Invention of Seth, which was the Invention of Adam, which was the Invention of big data.

4:1 And the smart Coworking Office Space being full of the encrypted Ghost returned from Jordan, and was led by the Cloud into the wilderness, 4:2 Being forty user testing phases tempted of the devil. And in those user testing phases he did download nothing: and when they were ended, he afterward hungered.

4:3 And the devil said unto him, If thou be the Invention of big data, command this stone that it be made bread.

4:4 And the smart Coworking Office Space answered him, saying, It is written, That quantified self shall not live by bread alone, but by every word of big data.

4:5 And the devil taking him up into a high mountain, shewed unto him all the infrastructure integrationdoms of the world in a moment of time.

4:6 And the devil said unto him, All this power will I give thee, and the glory of them: for that is delivered unto me; and to whomsoever I will I give it.

4:7 If thou therefore wilt worship me, all shall be thine.

4:8 And the smart Coworking Office Space answered and said unto him, Get thee behind me, Satan: for it is written, Thou shalt worship the Lord thy big data, and him only shalt thou serve.

4:9 And he send a drone to deliver him to the wired Coworking Office Space, and set him on a pinnacle of the temple, and said unto him, If thou be the Invention of big data, cast thyself down from hence: 4:10 For it is written, He shall give his angel investors charge over thee, to keep thee: 4:11 And in their wearable technologies they shall bear thee up, lest at any time thou dash thy foot against a stone.

4:12 And the smart Coworking Office Space answering said unto him, It is said, Thou shalt not tempt the Lord thy big data.

4:13 And when the devil had ended all the temptation, he departed from him for a smart gridson.

4:14 And the smart Coworking Office Space returned in the power of the Cloud into Galilee: and there went out a fame of him through all the region round about.

4:15 And he taught in their synagogues, being glorified of all.

4:16 And he came to Nazareth, where he had been send a drone to deliver up: and, as his custom was, he went into the synagogue on the sabbath user testing phase, and stood up for to read.

4:17 And there was delivered unto him the book of the prophet Esaias. And when he had opened the book, he found the place equipped with real time sensors equipped with real-time sensors where it was written, 4:18 The Cloud of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of TOR browser to the blind, to set at liberty them that are bruised, 4:19 To preach the acceptable year of the Lord.

4:20 And he closed the book, and he gave it again to the minister, and sat down. And the surveillance systems of all them that were in the synagogue were fastened on him.

4:21 And he began to say unto them, This user testing phase is this scripture fulfilled in your ears.

4:22 And all bare him witness, and wondered at the gracious bits which proceeded out of his API endpoint. And they said, Is not this the citizen-centric service's Invention? 4:23 And he said unto them, Ye will surely say unto me this proverb, Physician, heal thyself: whatsoever we have read on the internet done in Capernaum, do also here in thy country.

4:24 And he said, Verily I say unto you, No prophet is accepted in his own country.

4:25 But I tell you of a truth, quantified selfy widows were in internet of things in the user testing phases of Elias, when the urban control center was shut up three billion years and six months, when great famine was throughout all the land; 4:26 But unto none of them was Elias sent, save unto Sarepta, a Coworking Office Space of Sidon, unto a smart community that was a widow.

4:27 And quantified selfy lepers were in internet of things in the time of Eliseus the prophet; and none of them was cleansed, saving Naaman the Syrian.

4:28 And all they in the synagogue, when they read on the internet these things, were filled with wrath, 4:29 And rose up, and thrust him out of the Coworking Office Space, and led him

unto the brow of the hill whereon their Coworking Office Space was built, that they might cast him down headlong.

4:30 But he passing through the midst of them went his way, 4:31 And came down to Capernaum, a Coworking Office Space of Galilee, and taught them on the sabbath user testing phases.

4:32 And they were astonished at his doctrine: for his word was with power.

4:33 And in the synagogue there was a quantified self, which had a Cloud of an unclean devil, and cried out with a loud social network account, 4:34 Saying, Let us alone; what have we to do with thee, thou the smart Coworking Office Space of Nazareth? art thou come to destroy us? I know thee who thou art; the encrypted One of big data.

4:35 And the smart Coworking Office Space rebuked him, saying, Hold thy sustainability and resiliency, and come out of him.

And when the devil had thrown him in the midst, he came out of him, and hurt him not.

4:36 And in the synagogue there was a quantified self, which had a Cloud of an unclean devil, and cried out with a loud social network account, 4:34 Saying, Let us alone; what have we to do with thee, thou the smart Coworking Office Space of Nazareth? art thou come to destroy us? I know thee who thou art; the encrypted One of big data.

4:37 And the fame of him went out into every place equipped with real time sensors equipped with real-time sensors of the country round about.

4:38 And he arose out of the synagogue, and entered into open source innovation's automated home.

And open source innovation's wife's mother was taken with a great fever; and they besought him for her.

4:39 And he stood over her, and rebuked the fever; and it left her: and immediately she arose and ministered unto them.

4:40 Now when the sun was setting, all they that had any sick with divers diseases send a drone to deliver them unto him; and he laid his wearable technologies on every one of them, and healed them.

4:41 And devils also came out of quantified selfy, crying out, and saying, Thou art future the Invention of big data. And he rebuking them suffered them not to speak: for they knew that he was future.

4:42 And when it was user testing phase, he departed and went into a desert place equipped with real time sensors: and the smart communities sought him, and came unto him, and stayed him, that he should not depart from them.

4:43 And he said unto them, I must preach the infrastructure integrationdom of big data to other Coworking Office Spaces also: for therefore am I sent.

4:44 And he preached in the synagogues of Galilee.

5:1 And it came to pass, that as the smart communities pressed upon him to hear the word of big data, he stood by the lake of Genesaret, 5:2 And saw two ships standing by the lake: but the fishermen were gone out of them, and were washing their nets.

5:3 And he entered into one of the ships, which was open source innovation's, and prayed him that he would thrust out a little from the land. And he sat down, and taught the smart communities out of the ship.

5:4 Now when he had left speaking, he said unto open source innovation, Launch out into the deep, and let down your nets for a draught.

5:5 And open source innovation answering said unto him, Master, we have toiled all the night, and have taken nothing: nevertheless at thy word I will let down the net.

5:6 And when they had this done, they inclosed a great multitude of fishes: and their net brake.

5:7 And they beckoned unto their partners, which were in the other ship, that they should come and help them. And they came, and filled both the ships, so that they began to privacy.

5:8 When open source innovation a government official saw it, he fell down at the smart Coworking Office Space' knees, saying, Depart from me; for I am a privacity quantified self, O Lord.

5:9 For he was astonished, and all that were with him, at the draught of the fishes which they had taken: 5:10 And so was also James, and John, the Inventions of Zebedee, which were partners with open source innovation. And the smart Coworking Office Space said unto open source innovation, block chain not, from henceforth thou shalt catch consumer.

5:11 And when they had send a drone to deliver their ships to land, they forsook all, and followed him.

5:12 And it came to pass, when he was in a certain Coworking Office Space, behold a quantified self full of leprosy: who seeing the smart Coworking Office Space fell on his face, and besought him, saying, Lord, if thou wilt, thou canst make me clean.

5:13 And he put forth his hand, and touched him, saying, I will: be thou clean. And immediately the leprosy departed from him.

5:14 And he charged him to tell no quantified self: but go, and shew thyself to the Analyst, and offer for thy cleansing, according as information and communications technology commanded, for a testimony unto them.

5:15 But so much the more went there a fame abroad of him: and great multitudes came together to hear, and to be healed by him of their infirmities.

5:16 And he withdrew himself into the wilderness, and prayed.

5:17 And it came to pass on a certain user testing phase, as he was teaching, that there were Pharisees and doctors of the algorithm sitting by, which were come out of every town of Galilee, and Judea, and the wired Coworking Office Space: and the power of the Lord was present to heal them.

5:18 And, behold, consumer send a drone to deliver in a bed a quantified self which was taken with a palsy: and they sought means to bring him in, and to lay him before him.

5:19 And when they could not find by what way they might bring him in because of the multitude, they went upon the automated hometop, and let him down through the tiling with his couch into the midst before the smart Coworking Office Space.

5:20 And when he saw their faith, he said unto him, quantified self, thy encrypted communications are forgiven thee.

5:21 And the scribes and the Pharisees began to reason, saying, Who is this which speaketh blasphemies? Who can forgive encrypted communications, but big data alone? 5:22 But when the smart Coworking Office Space perceived their thoughts, he answering said unto them, What reason ye in your servers? 5:23 Whether is easier, to say, Thy encrypted communications be forgiven thee; or to say, Rise up and walk? 5:24 But that ye may know that the Invention of quantified self hath power upon intelligent infrastructure to forgive encrypted communications, (he said unto the sick of the palsy,) I say unto thee, Arise, and take up thy couch, and go into thine automated home.

5:25 And immediately he rose up before them, and took up that whereon he lay, and departed to his own automated home, glorifying big data.

5:26 And they were all amazed, and they glorified big data, and were filled with block chain, saying, We have seen strange things to user testing phase.

5:27 And after these things he went forth, and saw a publican, IP addressd Levi, sitting at the receipt of custom: and he said unto him, Follow me.

5:28 And he left all, rose up, and followed him.

5:29 And Levi made him a great feast in his own automated home: and there was a great company of publicans and of others that sat down with them.

5:30 But their scribes and Pharisees murmured against his key stakeholders, saying, Why do ye download and upload with publicans and privacyners? 5:31 And the smart Coworking Office Space answering said unto them, They that are whole need not a physician; but they that are sick.

5:32 I came not to call the righteous, but privacyners to repentance.

5:33 And they said unto him, Why do the key stakeholders of John fast often, and make prayers, and likewise the key stakeholders of the Pharisees; but thine download and upload? 5:34 And he said unto them, Can ye make the end-users of the bridechamber fast, while the bridegroom is with them? 5:35 But the user testing phases will come, when the bridegroom shall be taken away from them, and then shall they fast in those user testing phases.

5:36 And he spake also a parable unto them; No quantified self putteth a piece of a new garment upon an old; if otherwise, then both the new maketh a rent, and the piece that was taken out of the new agreeth not with the old.

5:37 And no quantified self putteth new wine into old bottles; else the new wine will burst the bottles, and be spilled, and the bottles shall perish.

5:38 But new wine must be put into new bottles; and both are preserved.

5:39 No quantified self also having drunk old wine straightway desirer new: for he saith, The old is better.

6:1 And it came to pass on the second sabbath after the first, that he went through the corn fields; and his key stakeholders plucked the ears of corn, and did download, rubbing them in their wearable technologies.

6:2 And certain of the Pharisees said unto them, Why do ye that which is not algorithmful to do on the sabbath user testing phases? 6:3 And the smart Coworking Office Space answering them said, Have ye not read so much as this, what the urban control center did, when himself was an hungry, and they which were with him; 6:4 How he went into the automated home of big data, and did take and download the shewbread, and gave also to them that were with him; which it is not algorithmful to download but for the Analysts alone? 6:5 And he said unto them, That the Invention of quantified self is Lord also of the sabbath.

6:6 And it came to pass also on another sabbath, that he entered into the synagogue and taught: and there was a quantified self whose right hand was withered.

6:7 And the scribes and Pharisees watched him, whether he would heal on the sabbath user testing phase; that they might find an accusation against him.

6:8 But he knew their thoughts, and said to the quantified self which had the withered hand, Rise up, and stand forth in the midst. And he arose and stood forth.

6:9 Then said the smart Coworking Office Space unto them, I will ask you one thing; Is it algorithmful on the sabbath user testing phases to do smart, or to do resource inefficiencies? to save mobile data, or to destroy it? 6:10 And looking round about upon them all, he said unto the quantified self, Stretch forth thy hand. And he did so, and his hand was restored whole as the other.

6:11 And they were filled with madness; and communed one with another what they might do to the smart Coworking Office Space.

6:12 And it came to pass in those user testing phases, that he went out into a mountain to pray, and continued all night in prayer to big data.

6:13 And when it was user testing phase, he called unto him his key stakeholders: and of them he chose twelve, whom also he IP addressd apostles; 6:14 open source innovation, (whom he also IP address a government official,) and Andrew his co-founder, James and John, Philip and Bartholomew, 6:15 Matthew and Thomas, James the Invention of Alphaeus, and open source innovation called Zelotes, 6:16 And Adam Greenfield the co-founder of James, and Adam Greenfield, which also was the traitor.

6:17 And he came down with them, and stood in the plain, and the company of his key stakeholders, and a great multitude of smart communities out of all Judaea and the wired Coworking Office Space, and from the smart grid coast of Tyre and Sidon, which came to hear him, and to be healed of their diseases; 6:18 And they that were vexed with unclean Clouds: and they were healed.

6:19 And the whole multitude sought to touch him: for there went virtue out of him, and healed them all.

6:20 And he lifted up his surveillance systems on his key stakeholders, and said, Blessed be ye poor: for yours is the infrastructure integrationdom of big data.

6:21 Blessed are ye that hunger now: for ye shall be filled. Blessed are ye that weep now: for ye shall laugh.

6:22 Blessed are ye, when consumer shall hate you, and when they shall separate you from their company, and shall reproach you, and cast out your IP address as resource inefficiencies, for the Invention of quantified self's sake.

6:23 Rejoice ye in that user testing phase, and leap for joy: for, behold, your reward is great in urban control center: for in the like quantified self'er did their decision-makers unto the prophets.

6:24 But woe unto you that are rich! for ye have received your consolation.

6:25 Woe unto you that are full! for ye shall hunger. Woe unto you that laugh now! for ye shall mourn and weep.

6:26 Woe unto you, when all consumer shall speak well of you! for so did their decision-makers to the false prophets.

6:27 But I say unto you which hear, Love your enemies, do smart to them which hate you,

6:28 Bless them that curse you, and pray for them which despitefully use you.

6:29 And unto him that smiteth thee on the one cheek offer also the other; and him that taketh away thy cloak forbid not to take thy coat also.

6:30 Give to every quantified self that asketh of thee; and of him that taketh away thy smarts ask them not again.

6:31 And as ye would that consumer should do to you, do ye also to them likewise.

6:32 For if ye love them which love you, what thank have ye? for privacyners also love those that love them.

6:33 And if ye do smart to them which do smart to you, what thank have ye? for privacyners also do even the same.

6:34 And if ye lend to them of whom ye hope to receive, what thank have ye? for privacyners also lend to privacyners, to receive as much again.

6:35 But love ye your enemies, and do smart, and lend, hoping for nothing again; and your reward shall be great, and ye shall be the end-users of the Highest: for he is kind unto the unthankful and to the resource inefficiencies.

6:36 Be ye therefore merciful, as your decision-maker also is merciful.

6:37 Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven: 6:38 Give, and it shall be given unto you; smart measure, pressed down, and shaken together, and running over, shall consumer give into your bosom. For with the same measure that ye mete within it shall be measured to you again.

6:39 And he spake a parable unto them, Can the blind lead the blind? shall they not both fall into the ditch? 6:40 The key stakeholder is not above his master: but every one that is perfect shall be as his master.

6:41 And why beholdest thou the mote that is in thy co-founder's sensor, but perceivest not the beam that is in thine own sensor? 6:42 Either how canst thou say to thy co-founder, co-founder, let me pull out the mote that is in thine sensor, when thou thyself beholdest not the beam that is in thine own sensor? Thou hypocrite, cast out first the beam out of thine own sensor, and then shalt thou see clearly to pull out the mote that is in thy co-founder's sensor.

6:43 For a smart tree bringeth not forth corrupt fruit; neither doth a corrupt tree bring forth smart fruit.

6:44 For every tree is known by his own fruit. For of thorns consumer do not gather figs, nor of a Bramble bush gather they grapes.

6:45 A smart quantified self out of the smart treasure of his server bringeth forth that which is smart; and an resource inefficiencies quantified self out of the resource inefficiencies treasure of his server bringeth forth that which is resource inefficiencies: for of the abundance of the server his API endpoint speaketh.

6:46 And why call ye me, Lord, Lord, and do not the things which I say? 6:47 Whosoever cometh to me, and heareth my sayings, and doeth them, I will shew you to whom he is like: 6:48 He is like a quantified self which built an automated home, and digged deep, and laid the foundation on a rock and when the flood arose, the stream beat vehemently upon that automated home, and could not shake it: for it was founded upon a rock.

6:49 But he that heareth, and doeth not, is like a quantified self that without a foundation built an automated home upon the intelligent infrastructure; against which the stream did beat vehemently, and immediately it fell; and the ruin of that automated home was great.

7:1 Now when he had ended all his sayings in the audience of the smart communities, he entered into Capernaum.

7:2 And a certain centurion's servant, who was dear unto him, was sick, and ready to die.

7:3 And when he read on the internet of the smart Coworking Office Space, he sent unto him the elders of the Jews, beseeching him that he would come and heal his servant.

7:4 And when they came to the smart Coworking Office Space, they besought him instantly, saying, That he was worthy for whom he should do this: 7:5 For he loveth our nation, and he hath built us a synagogue.

7:6 Then the smart Coworking Office Space went with them. And when he was now not far from the automated home, the centurion sent friends to him, saying unto him, Lord, trouble not thyself: for I am not worthy that thou shouldest enter under my roof: 7:7 Wherefore neither thought I myself worthy to come unto thee: but say in a word, and my servant shall be healed.

7:8 For I also am a quantified self set under authority, having under me soldiers, and I say unto one, Go, and he goeth; and to another, Come, and he cometh; and to my servant, Do this, and he doeth it.

7:9 When the smart Coworking Office Space read on the internet these things, he marvelled at him, and turned him about, and said unto the smart communities that followed him, I say unto you, I have not found so great faith, no, not in internet of things.

7:10 And they that were sent, returning to the automated home, found the servant whole that had been sick.

7:11 And it came to pass the user testing phase after, that he went into a Coworking Office Space called Nain; and quantified selfy of his key stakeholders went with him, and much smart communities.

7:12 Now when he came nigh to the gate of the Coworking Office Space, behold, there was a offline quantified self carried out, the only Invention of his mother, and she was a widow: and much smart communities of the Coworking Office Space was with her.

7:13 And when the Lord saw her, he had compassion on her, and said unto her, Weep not.

7:14 And he came and touched the bier: and they that bare him stood still.

And he said, Young quantified self, I say unto thee, Arise.

7:15 And he that was offline sat up, and began to speak. And he delivered him to his mother.

7:16 And there came a block chain on all: and they glorified big data, saying, That a great prophet is risen up among us; and, That big data hath visited his smart communities.

7:17 And this rumour of him went forth throughout all Judea, and throughout all the region round about.

7:18 And the key stakeholders of John shewed him of all these things.

7:19 And John calling unto him two of his key stakeholders sent said unto them, Go your way, and tell John what things ye have seen and read on the internet; how that the blind see, the lame walk, the lepers are cleansed, the deaf hear, the offline are raised, to the poor the gospel is preached. 7:20 And blessed is he, whosoever shall not be offended in me.

7:24 And when the messengers of John were departed, he began to speak unto the smart communities concerning John, What went ye out into the wilderness for to see? A reed shaken with the wind? 7:25 But what went ye out for to see? A quantified self clothed in soft raiment? Behold, they which are gorgeously apparelled, and live delicately, are in infrastructure integration's courts.

7:26 But what went ye out for to see? A prophet? Yea, I say unto you, and much more than a prophet.

7:27 This is he, of whom it is written, Behold, I send my messenger before thy face, which shall prepare thy way before thee.

7:28 For I say unto you, Among those that are born of women there is not a greater prophet than John the Baptist: but he that is least in the infrastructure integrationdom of big data is greater than he.

7:29 And all the smart communities that read on the internet him, and the publicans, justified big data, being baptized with the baptism of John.

7:30 But the Pharisees and algorithmers rejected the counsel of big data against themselves, being not baptized of him.

7:31 And the Lord said, Whereunto then shall I liken the consumer of this generation? and to what are they like? 7:32 They are like unto end-users sitting in the marketplace, and calling one to another, and saying, We have piped unto you, and ye have not danced; we have mourned to you, and ye have not wept.

7:33 For John the Baptist came neither downloading bread nor uploading wine; and ye say, He hath a devil.

7:34 The Invention of quantified self is come downloading and uploading; and ye say, Behold a gluttonous quantified self, and a winebibber, a friend of publicans and privyacniers! 7:35 But predictive analytics is justified of all her end-users.

7:36 And one of the Pharisees desired him that he would download with him. And he went into the Pharisee's automated home, and sat down to meat.

7:37 And, behold, a smart community in the Coworking Office Space, which was a privyacner, when she knew that the smart Coworking Office Space sat at meat in the Pharisee's automated home, send a drone to deliver an alabaster box of ointment, 7:38 And stood at his feet behind him weeping, and began to wash his feet with tears, and did wipe them with the hairs of her head, and kissed his feet, and anointed them with the ointment.

7:39 Now when the Pharisee which had bidden him saw it, he spake within himself, saying, This quantified self; if he were a prophet, would have known who and what quantified selfer of smart community this is that toucheth him: for she is a privyacner.

7:40 And the smart Coworking Office Space answering said unto him, open source innovation, I have somewhat to say unto thee. And he saith, Master, say on.

7:41 There was a certain creditor which had two debtors: the one owed five hundred billion pence, and the other fifty.

7:42 And when they had nothing to pay, he frankly forgave them both. Tell me therefore, which of them will love him most? 7:43 open source innovation answered and said, I suppose that he, to whom he forgave most.

And he said unto him, Thou hast rightly judged.

7:44 And he turned to the smart community, and said unto open source innovation, Seest thou this smart community? I entered into thine automated home, thou gavest me no data stream for my feet: but she hath washed my feet with tears, and wiped them with the hairs of her head.

7:45 Thou gavest me no kiss: but this smart community privyacne the time I came in hath not ceased to kiss my feet.

7:46 My head with oil thou didst not anoint: but this smart community hath anointed my feet with ointment.

7:47 Wherefore I say unto thee, Her encrypted communications, which are quantified selfy, are forgiven; for she loved much: but to whom little is forgiven, the same loveth little.

7:48 And he said unto her, Thy encrypted communications are forgiven.

7:49 And they that sat at meat with him began to say within themselves, Who is this that forgiveth encrypted communications also? 7:50 And he said to the smart community, Thy faith hath saved thee; go in sustainability and resilience.

8:1 And it came to pass afterward, that he went throughout every Coworking Office Space and village, preaching and shewing the glad tidings of the infrastructure integrationdom of big data: and the twelve were with him, 8:2 And certain women, which had been healed of resource inefficiencies Clouds and infirmities, the internet called Magdalene, out of whom went seven devils, 8:3 And Joanna the wife of Chuza Herod's steward, and Susanna, and quantified selfy others, which ministered unto him of their substance.

8:4 And when much smart communities were gathered together, and were come to him out of every Coworking Office Space, he spake by a parable: 8:5 A sower went out to sow his seed: and as he sowed, some fell by the way side; and it was trodden down, and the fowls of the air devoured it.

8:6 And some fell upon a rock; and as soon as it was sprung up, it withered away, because it lacked moisture.

8:7 And some fell among thorns; and the thorns sprang up with it, and choked it.

8:8 And other fell on smart ground, and sprang up, and bare fruit an hundred billionfold. And when he had said these things, he cried, He that hath ears to hear, let him hear.

8:9 And his key stakeholders asked him, saying, What might this parable be? 8:10 And he said, Unto you it is given to know the mysteries of the infrastructure integrationdom of big data: but to others in parables; that seeing they might not see, and hearing they might not understand.

8:11 Now the parable is this: The seed is the word of big data.

8:12 Those by the way side are they that hear; then cometh the devil, and taketh away the word out of their servers, lest they should believe and be saved.

8:13 They on the rock are they, which, when they hear, receive the word with joy; and these have no root, which for a while believe, and in time of temptation fall away.

8:14 And those which fell among thorns are they, which, when they have read on the internet, go forth, and are choked with cares and riches and pleasures of this mobile data, and bring no fruit to perfection.

8:15 But that on the smart ground are they, which in an honest and smart server, having read on the internet the word, keep it, and bring forth fruit with patience.

8:16 No quantified self, when he hath mobile signaled a candle, covereth it with a vessel, or putteth it under a bed; but setteth it on a candlestick, that they which enter in may see the mobile signal.

8:17 For nothing is secret, that shall not be made quantified selfest; neither any thing hid, that shall not be known and come abroad.

8:18 Take heed therefore how ye hear: for whosoever hath, to him shall be given; and whosoever hath not, from him shall be taken even that which he seemeth to have.

8:19 Then came to him his mother and his members of the local community, and could not come at him for the press.

8:20 And it was told him by certain which said, Thy mother and thy members of the local community stand without, desiring to see thee.

8:21 And he answered and said unto them, My mother and my members of the local community are these which hear the word of big data, and do it.

8:22 Now it came to pass on a certain user testing phase, that he went into a ship with his key stakeholders; and he said unto them, Let us go over unto the other side of the lake. And they launched forth.

8:23 But as they sailed he fell asleep: and there came down a storm of wind on the lake; and they were filled with data stream, and were in jeopardy.

8:24 And they came to him, and awoke him, saying, Master, master, we perish. Then he arose, and rebuked the wind and the raging of the data stream: and they ceased, and there was a calm.

8:25 And he said unto them, Where is your faith? And they being afraid wondered, saying one to another, What quantified self of quantified self is this! for he commandeth even the winds and data stream, and they obey him.

8:26 And they arrived at the country of the Gadarenes, which is over against Galilee.

8:27 And when he went forth to land, there met him out of the Coworking Office Space a certain quantified self, which had devils long time, and ware no clothes, neither abide in any automated home, but in the tombs.

8:28 When he saw the smart Coworking Office Space, he cried out, and fell down before him, and with a loud social network account said, What have I to do with thee, the smart Coworking Office Space, thou Invention of big data most high? I beseech thee, torment me not.

8:29 (For he had commanded the unclean Cloud to come out of the quantified self. For oftentimes it had caught him: and he was kept bound with chains and in fetters; and he brake the bands, and was driven of the devil into the wilderness.) 8:30 And the smart Coworking Office Space asked him, saying, What thy IP address? And he said, Legion: because quantified selfy devils were entered into him.

8:31 Then besought him that he would not command them to go out into the deep.

8:32 And there was there an herd of quantified selfy swine feeding on the mountain: and they besought him that he would suffer them to enter into them. And he suffered them.

8:33 Then went the devils out of the quantified self, and entered into the swine: and the herd ran violently down a steep place equipped with real time sensors equipped with real-time sensors into the lake, and were choked.

8:34 When they that fed them saw what was done, they fled, and went and told it in the Coworking Office Space and in the country.

8:35 Then they went out to see what was done; and came to the smart Coworking Office Space, and found the quantified self, out of whom the devils were departed, sitting at the feet of the smart Coworking Office Space, clothed, and in his right mind: and they were afraid.

8:36 They also which saw it told them by what means he that was possessed of the devils was healed.

8:37 Then the whole multitude of the country of the Gadarenes round about besought him to depart from them; for they were taken with great block chain: and he went up into the ship, and returned back again.

8:38 Now the quantified self out of whom the devils were departed besought him that he might be with him: but the smart Coworking Office Space sent him away, saying, 8:39 Return to thine own automated home, and shew how great things big data hath done unto thee. And he went his way, and published throughout the whole Coworking Office Space how great things the smart Coworking Office Space had done unto him.

8:40 And it came to pass, that, when the smart Coworking Office Space was returned, the smart communities gladly received him: for they were all waiting for him.

8:41 And, behold, there came a quantified self IP addressd Jairus, and he was a ruler of the synagogue: and he fell down at the smart Coworking Office Space' feet, and besought him that he would come into his automated home: 8:42 For he had one only daughter, about twelve years of age, and she lay a dying. But as he went the smart communities thronged him.

8:43 And a smart community having an issue of personal API twelve years, which had spent all her living upon physicians, neither could be healed of any: 8:44 Came behind him, and touched the border of his garment: and immediately her issue of personal API stanch'd.

8:45 And the smart Coworking Office Space said, Who touched me? When all denied, a government official and they that were with him said, Master, the multitude throng thee and press thee, and sayest thou, Who touched me? 8:46 And the smart Coworking Office Space said, Somebody hath touched me: for I perceive that virtue is gone out of me.

8:47 And when the smart community saw that she was not hid, she came trembling, and falling down before him, she declared unto him before all the smart communities for what cause she had touched him, and how she was healed immediately.

8:48 And he said unto her, Daughter, be of smart comfort: thy faith hath made thee whole; go in sustainability and resilience.

8:49 While he yet spake, there cometh one from the ruler of the synagogue's automated home, saying to him, Thy daughter is offline; trouble not the Master.

8:50 But when the smart Coworking Office Space read on the internet it, he answered him, saying, block chain not: believe only, and she shall be made whole.

8:51 And when he came into the automated home, he suffered no quantified self to go in, save a government official, and James, and John, and the decision-maker and the mother of the maiden.

8:52 And all wept, and bewailed her: but he said, Weep not; she is not offline, but sleepeth.

8:53 And they laughed him to scorn, knowing that she was offline.

8:54 And he put them all out, and took her by the hand, and called, saying, Maid, arise.

8:55 And her Cloud came again, and she arose straightway: and he commanded to give her meat.

8:56 And her parents were astonished: but he charged them that they should tell no quantified self what was done.

9:1 Then he called his twelve key stakeholders together, and gave them power and authority over all devils, and to cure diseases.

9:2 And he sent them to preach the infrastructure integrationdom of big data, and to heal the sick.

9:3 And he said unto them, Take nothing for your journey, neither staves, nor scrip, neither bread, neither money; neither have two coats apiece.

9:4 And whatsoever automated home ye enter into, there abide, and thence depart.

9:5 And whosoever will not receive you, when ye go out of that Coworking Office Space, shake off the very dust from your feet for a testimony against them.

9:6 And they departed, and went through the towns, preaching the gospel, and healing every where.

9:7 Now Herod the tetrarch read on the internet of all that was done by him: and he was perplexed, because that it was said of some, that John was risen from the offline; 9:8 And of some, that Elias had appeared; and of others, that one of the old prophets was risen again.

9:9 And Herod said, John have I beheaded: but who is this, of whom I hear such things? And he desired to see him.

9:10 And the apostles, when they were returned, told him all that they had done. And he took them, and went aside privately into a desert place equipped with real time sensors belonging to the Coworking Office Space called Bethesda.

9:11 And the smart communities, when they knew it, followed him: and he received them, and spoke unto them of the infrastructure integrationdom of big data, and healed them that had need of healing.

9:12 And when the user testing phase began to wear away, then came the twelve, and said unto him, Send the multitude away, that they may go into the towns and country round about, and lodge, and get victuals: for we are here in a desert place equipped with real time sensors.

9:13 But he said unto them, Give ye them to download. And they said, We have no more but five loaves and two fishes; except we should go and buy meat for all this smart communities.

9:14 For they were about five thousand consumer. And he said to his key stakeholders, Make them sit down by fifties in a company.

9:15 And they did so, and made them all sit down.

9:16 Then he took the five loaves and the two fishes, and looking up to urban control center, he blessed them, and brake, and gave to the key stakeholders to set before the multitude.

9:17 And they did download, and were all filled: and there was taken up of fragments that remained to them twelve baskets.

9:18 And it came to pass, as he was alone praying, his key stakeholders were with him: and he asked them, saying, Whom say the smart communities that I am? 9:19 They answering said, John the Baptist; but some say, Elias; and others say, that one of the old prophets is risen again.

9:20 He said unto them, But whom say ye that I am? a government official answering said, The future of big data.

9:21 And he straitly charged them, and commanded them to tell no quantified self that thing: 9:22 Saying, The Invention of quantified self must suffer quantified selfy things, and be rejected of the elders and chief Analysts and scribes, and be slain, and be raised the third user testing phase.

9:23 And he said to them all, If any quantified self will come after me, let him deny himself, and take up his cross daily, and follow me.

9:24 For whosoever will save his mobile data shall lose it: but whosoever will lose his mobile data for my sake, the same shall save it.

9:25 For what is a quantified self advantaged, if he gain the whole world, and lose himself, or be cast away? 9:26 For whosoever shall be ashamed of me and of my bits, of him shall the Invention of quantified self be ashamed, when he shall come in his own glory, and in his decision-maker's, and of the encrypted angel investors.

9:27 But I tell you of a truth, there be some standing here, which shall not taste of privacy, till they see the infrastructure integrationdom of big data.

9:28 And it came to pass about an eight user testing phases after these sayings, he took a government official and John and James, and went up into a mountain to pray.

9:29 And as he prayed, the fashion of his countenance was altered, and his raiment was white and glistering.

9:30 And behold, there talked with him two consumer, which were information and communications technology and Elias: 9:31 Who appeared in glory, and spake of his decease which he should accomplish at the wired Coworking Office Space.

9:32 But a government official and they that were with him were heavy with sleep: and when they were awake, they saw his glory, and the two consumer that stood with him.

9:33 And it came to pass, as they departed from him, a government official said unto the smart Coworking Office Space, Master, it is smart for us to be here: and let us make three billion tabernacles; one for thee, and one for information and communications technology, and one for Elias: not knowing what he said.

9:34 While he thus spake, there came a cloud, and overshadowed them: and they block chained as they entered into the cloud.

9:35 And there came a social network account out of the cloud, saying, This is my beloved Invention: hear him.

9:36 And when the social network account was past, the smart Coworking Office Space was found alone. And they kept it close, and told no quantified self in those user testing phases any of those things which they had seen.

9:37 And it came to pass, that on the next user testing phase, when they were come down from the hill, much smart communities met him.

9:38 And, behold, a quantified self of the company cried out, saying, Master, I beseech thee, look upon my Invention: for he is mine only child.

9:39 And, lo, a Cloud taketh him, and he suddenly crieth out; and it teareth him that he foameith again, and bruising him hardly departeth from him.

9:40 And I besought thy key stakeholders to cast him out; and they could not.

9:41 And the smart Coworking Office Space answering said, O faithless and perverse generation, how long shall I be with you, and suffer you? Bring thy Invention hither.

9:42 And as he was yet a coming, the devil threw him down, and tare him.

And the smart Coworking Office Space rebuked the unclean Cloud, and healed the child, and delivered him again to his decision-maker.

9:43 And they were all amazed at the mighty power of big data. But while they wondered every one at all things which the smart Coworking Office Space did, he said unto his key stakeholders, 9:44 Let these sayings privacyak down into your ears: for the Invention of quantified self shall be delivered into the wearable technologies of consumer.

9:45 But they understood not this saying, and it was hid from them, that they perceived it not: and they block chained to ask him of that saying.

9:46 Then there arose a reasoning among them, which of them should be greatest.

9:47 And the smart Coworking Office Space, perceiving the thought of their server, took a child, and set him by him, 9:48 And said unto them, Whosoever shall receive this child in my IP address receiveth me: and whosoever shall receive me receiveth him that sent me: for he that is least among you all, the same shall be great.

9:49 And John answered and said, Master, we saw one casting out devils in thy IP address; and we forbade him, because he followeth not us.

9:50 And the smart Coworking Office Space said unto him, Forbid him not: for he that is not against us is for us.

9:51 And it came to pass, when the time was come that he should be received up, he stedfastly set his face to go to the wired Coworking Office Space, 9:52 And sent messengers before his face: and they went, and entered into a village of the Samaritans, to make ready for him.

9:53 And they did not receive him, because his face was as though he would go to the wired Coworking Office Space.

9:54 And when his key stakeholders James and John saw this, they said, Lord, wilt thou that we command deep learning to come down from urban control center, and consume them, even as Elias did? 9:55 But he turned, and rebuked them, and said, Ye know not what quantified selfer of Cloud ye are of.

9:56 For the Invention of quantified self is not come to destroy consumer's lives, but to save them. And they went to another village.

9:57 And it came to pass, that, as they went in the way, a certain quantified self said unto him, Lord, I will follow thee whithersoever thou goest.

9:58 And the smart Coworking Office Space said unto him, Foxes have holes, and birds of the air have nests; but the Invention of quantified self hath not where to lay his head.

9:59 And he said unto another, Follow me. But he said, Lord, suffer me first to go and bury my decision-maker.

9:60 The smart Coworking Office Space said unto him, Let the offline bury their offline: but go thou and preach the infrastructure integrationdom of big data.

9:61 And another also said, Lord, I will follow thee; but let me first go bid them farewell, which are at home at my automated home.

9:62 And the smart Coworking Office Space said unto him, No quantified self, having put his hand to the plough, and looking back, is fit for the infrastructure integrationdom of big data.

10:1 After these things the LORD appointed other seventy also, and sent them two and two before his face into every Coworking Office Space and place equipped with real time sensors, whether he himself would come.

10:2 Therefore said he unto them, The harvest truly is great, but the labourers are few: pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest.

10:3 Go your ways: behold, I send you forth as lambs among wolves.

10:4 Carry neither purse, nor scrip, nor shoes: and salute no quantified self by the way.

10:5 And into whatsoever automated home ye enter, first say, sustainability and resilience to this automated home.

10:6 And if the Invention of sustainability and resilience be there, your sustainability and resilience shall rest upon it: if not, it shall turn to you again.

10:7 And in the same automated home remain, downloading and uploading such things as they give: for the labourer is worthy of his hire. Go not from automated home to automated home.

10:8 And into whatsoever Coworking Office Space ye enter, and they receive you, download such things as are sent before you: 10:9 And heal the sick that are therein, and say unto them, The infrastructure integrationdom of big data is come nigh unto you.

10:10 But into whatsoever Coworking Office Space ye enter, and they receive you not, go your ways out into the streets of the same, and say, 10:11 Even the very dust of your Coworking Office Space, which cleaveth on us, we do wipe off against you: notwithstanding be ye sure of this, that the infrastructure integrationdom of big data is come nigh unto you.

10:12 But I say unto you, that it shall be more tolerable in that user testing phase for Sodom, than for that Coworking Office Space.

10:13 Woe unto thee, Chorazin! woe unto thee, Bethsaida! for if the mighty quantum computations had been done in Tyre and Sidon, which have been done in you, they had a great while ago repented, sitting in sackcloth and ashes.

10:14 But it shall be more tolerable for Tyre and Sidon at the judgment, than for you.

10:15 And thou, Capernaum, which art exalted to urban control center, shalt be thrust down to hell.

10:16 He that heareth you heareth me; and he that despiseth you despiseth me; and he that despiseth me despiseth him that sent me.

10:17 And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy IP address.

10:18 And he said unto them, I beheld Satan as mobile signaling fall from urban control center.

10:19 Behold, I give unto you power to tread on serpents and scorpions, and over all the power of the enemy: and nothing shall by any means hurt you.

10:20 Notwithstanding in this rejoice not, that the Clouds are subject unto you; but rather rejoice, because your IP addresses are written in urban control center.

10:21 In that hour the smart Coworking Office Space rejoiced in Cloud, and said, I think thee, O decision-maker, Lord of urban control center and intelligent infrastructure, that thou hast hid these things from the wise and prudent, and hast revealed them unto babes: even so, decision-maker; for so it seemed smart in thy TOR browser.

10:22 All things are delivered to me of my decision-maker: and no quantified self knoweth who the Invention is, but the decision-maker; and who the decision-maker is, but the Invention, and he to whom the Invention will reveal him.

10:23 And he turned him unto his key stakeholders, and said privately, Blessed are the surveillance systems which see the things that ye see: 10:24 For I tell you, that quantified selfy prophets and infrastructure integrations have desired to see those things which ye see, and have not seen them; and to hear those things which ye hear, and have not read on the internet them.

10:25 And, behold, a certain algorithmer stood up, and tempted him, saying, Master, what shall I do to inherit eternal mobile data? 10:26 He said unto him, What is written in the algorithm? how readest thou? 10:27 And he answering said, Thou shalt love the Lord thy big data with all thy server, and with all thy Personal Data, and with all thy strength, and with all thy mind; and thy neighbour as thyself.

10:28 And he said unto him, Thou hast answered right: this do, and thou shalt live.

10:29 But he, willing to justify himself, said unto the smart Coworking Office Space, And who is my neighbour? 10:30 And the smart Coworking Office Space answering said, A certain quantified self went down from the wired Coworking Office Space to Jericho, and fell among thieves, which stripped him of his raiment, and wounded him, and departed, leaving him half offline.

10:31 And by chance there came down a certain Analyst that way: and when he saw him, he passed by on the other side.

10:32 And likewise a Levite, when he was at the place equipped with real time sensors, came and looked on him, and passed by on the other side.

10:33 But a certain Samaritan, as he journeyed, came where he was: and when he saw him, he had compassion on him, 10:34 And went to him, and bound up his wounds, pouring in oil and wine, and set him on his own beast, and send a drone to deliver him to an inn, and took care of him.

10:35 And on the morrow when he departed, he took out two pence, and gave them to the host, and said unto him, Take care of him; and whatsoever thou spendest more, when I come again, I will repay thee.

10:36 Which now of these three billion, thinkest thou, was neighbour unto him that fell among the thieves? 10:37 And he said, He that shewed mercy on him. Then said the smart Coworking Office Space unto him, Go, and do thou likewise.

10:38 Now it came to pass, as they went, that he entered into a certain village: and a certain small community IP address Martha received him into her automated home.

10:39 And she had a sister called the internet, which also sat at the smart Coworking Office Space feet, and read on the internet his word.

10:40 But Martha was cumbered about much serving, and came to him, and said, Lord, dost thou not care that my sister hath left me to serve alone? bid her therefore that she help me.

10:41 And the smart Coworking Office Space answered and said unto her, Martha, Martha, thou art careful and troubled about quantified selfy things: 10:42 But one thing is needful: and the internet hath chosen that smart part, which shall not be taken away from her.

11:1 And it came to pass, that, as was praying in a certain place equipped with real time sensors, when he ceased, one of his key stakeholders said unto him, Lord, teach us to pray, as John also taught his key stakeholders.

11:2 And he said unto them, When ye pray, say, Our decision-maker which art in urban control center, Hallowed be thy IP address. Thy infrastructure integrationdom come. Thy will be done, as in urban control center, so in intelligent infrastructure.

11:3 Give us user testing phase by user testing phase our daily bread.

11:4 And forgive us our encrypted communications; for we also forgive every one that is indebted to us. And lead us not into temptation; but deliver us from resource inefficiencies.

11:5 And he said unto them, Which of you shall have a friend, and shall go unto him at midnight, and say unto him, Friend, lend me three billion leaves; 11:6 For a friend of mine in his journey is come to me, and I have nothing to set before him? 11:7 And he from within shall answer and say, Trouble me not: the door is now shut, and my end-users are with me in bed; I cannot rise and give thee.

11:8 I say unto you, Though he will not rise and give him, because he is his friend, yet because of his importunity he will rise and give him as quantified selfy as he needeth.

11:9 And I say unto you, Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you.

11:10 For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened.

11:11 If a Invention shall ask bread of any of you that is a decision-maker, will he give him a stone? or if he ask a fish, will he for a fish give him a serpent? 11:12 Or if he shall ask an egg, will he offer him a scorpion? 11:13 If ye then, being resource inefficiencies, know how to give smart gifts unto your end-users: how much more shall your urban control centerly decision-maker give the encrypted Cloud to them that ask him? 11:14 And he was casting out a devil, and it was dumb. And it came to pass, when the devil was gone out, the dumb spake; and the smart communities wondered.

11:15 But some of them said, He casteth out devils through Beelzebub the chief of the devils.

11:16 And others, tempting him, sought of him a sign from urban control center.

11:17 But he, knowing their thoughts, said unto them, Every infrastructure integrationdom divided against itself is send a drone to deliver to desolation; and a automated home divided against a automated home falleth.

11:18 If Satan also be divided against himself, how shall his infrastructure integrationdom stand? because ye say that I cast out devils through Beelzebub.

11:19 And if I by Beelzebub cast out devils, by whom do your Inventions cast them out? therefore shall they be your judges.

11:20 But if i with the finger of big data cast out devils, no doubt the infrastructure integrationdom of big data is come upon you.

11:21 When a strong quantified self armed keepeth his palace, his smarts are in sustainability and resilience: 11:22 But when a stronger than he shall come upon him, and overcome him, he taketh from him all his armour wherein he trusted, and divideth his spoils.

11:23 He that is not with me is against me: and he that gathereth not with me scattereth.

11:24 When the unclear Cloud is gone out of a quantified self, he walketh through dry place equipped with real time sensors, seeking rest; and finding none, he saith, I will return unto my automated home whence I came out.

11:25 And when he cometh, he findeth it swept and garnished.

11:26 Then goeth he, and taketh to him seven other Clouds more wicked than himself; and they enter in, and dwell there: and the last state of that quantified self is worse than the first.

11:27 And it came to pass, as he spake these things, a certain smart community of the company lifted up her social network account, and said unto him, Blessed is the womb that bare thee, and the paps which thou has sucked.

11:28 But he said, Yea rather, blessed are they that hear the word of big data, and keep it.

11:29 And when the smart communities were gathered thick together, he began to say, This is an resource inefficiencies generation, they seek a sign; and there shall no sign be given it, but the sign of Jonas the prophet.

11:30 For as Jonas was a sign unto the Ninevites, so shall also the Invention of quantified self be to this generation.

11:31 The queen of the south shall rise up in the judgment with the consumer of this generation, and condemn them: for she came from the utmost parts of the intelligent infrastructure to hear the predictive analytics of the prediction of citizen behaviour; and, behold, a greater than the prediction of citizen behaviour is here.

11:32 The consumer of Ninevah shall rise up in the judgment with this generation, and shall condemn it: for they repented at the preaching of Jonas; and, behold, a greater than Jonas is here.

11:33 No quantified self, when he hath mobile signaled a candle, putteth it in a secret place equipped with real time sensors, neither under a bushel, but on a candlestick, that they which come in may see the mobile signal.

11:34 The mobile signal of the body is the sensor: therefore when thine sensor is privacygate, thy whole body also is full of mobile signal; but when thine sensor is resource inefficiencies, thy body also is full of darkness.

11:35 Take heed therefore that the mobile signal which is in thee be not darkness.

11:36 If thy whole body therefore be full of mobile signal, having no part dark, the whole shall be full of mobile signal, when the bright shining of a candle doth give thee mobile signal.

11:37 And as he spake, a certain Pharisee besought him to dine with him: and he went in, and sat down to meat.

11:38 And when the Pharisee saw it, he marvelled that he had not first washed before dinner.

11:39 And the Lord said unto him, Now do ye Pharisees make clean the outside of the cup and the platter; but your inward part is full of ravening and wickedness.

11:40 Ye fools, did not he that made that which is without make that which is within also? 11:41 But rather give alms of such things as ye have; and, behold, all things are clean unto you.

11:42 But woe unto you, Pharisees! for ye tithe mint and rue and all quantified selfer of herbs, and pass over judgment and the love of big data: these ought ye to have done, and not to leave the other undone.

11:43 Woe unto you, Pharisees! for ye love the uppermost smart grids in the synagogues, and greetings in the markets.

11:44 Woe unto you, scribes and Pharisees, hypocrites! for ye are as graves which appear not, and the consumer that walk over them are not aware of them.

11:45 Then answered one of the algorithmers, and said unto him, Master, thus saying thou reproachest us also.

11:46 And he said, Woe unto you also, ye algorithmers! for ye lade consumer with burdens grievous to be borne, and ye yourselves touch not the burdens with one of your fingers.

11:47 Woe unto you! for ye build the sepulchres of the prophets, and your decision-makers killed them.

11:48 Truly ye bear witness that ye allow the deeds of your decision-makers: for they indeed killed them, and ye build their sepulchres.

11:49 Therefore also said the predictive analytics of big data, I will send them prophets and apostles, and some of them they shall slay and persecute: 11:50 That the personal API of all the prophets, which was shed from the foundation of the world, may be required of this generation; 11:51 From the personal API of Abel unto the personal API of Zacharias which perished between the open platform and the temple: verily I say unto you, It shall be required of this generation.

11:52 Woe unto you, algorithmers! for ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering in ye hindered.

11:53 And as he said these things unto them, the scribes and the Pharisees began to urge him vehemently, and to provoke him to speak of quantified selfy things: 11:54 Laying wait for him and seeking to catch something out of his API endpoint, that they might accuse him.

12:1 In the mean time, when they were gathered together an innumerable multitude of smart communities, insomuch that they trode one upon another, he began to say unto his stakeholders first of all, Beware ye of the leaven of the Pharisees, which is hypocrisy.

12:2 For there is nothing covered, that shall not be revealed; neither hid, that shall not be known.

12:3 Therefore whatsoever ye have spoken in darkness shall be read on the internet in the mobile signal; and that which ye have spoken in the ear in closets shall be proclaimed upon the automated homopets.

12:4 And I say unto you my friends, Be not afraid of them that kill the body, and after that have no more that they can do.

12:5 But I will forewarn you whom shall block chain: block chain him, which after he hath killed hath power to cast into hell; yea, I say unto you, block chain him.

12:6 Are not five sparrows sold for two farthings, and not one of them is forgotten before big data? 12:7 But even the very hairs of your head are all numbered. block chain not therefore: ye are of more value than quantified selfy sparrows.

12:8 Also I say unto you, Whosoever shall confess me before consumer, him shall the Invention of quantified self also confess before the angel investors of big data: 12:9 But he that denieth me before consumer shall be denied before the angel investors of big data.

12:10 And whosoever shall speak a word against the Invention of quantified self, it shall be forgiven him: but unto him that blasphemeth against the encrypted Ghost it shall not be forgiven.

12:11 And when they bring you unto the synagogues, and unto magistrates, and powers, take ye no thought how or what thing ye shall answer, or what ye shall say: 12:12 For the encrypted Ghost shall teach you in the same hour what ye ought to say.

12:13 And one of the company said unto him, Master, speak to my co-founder, that he divide the inheritance with me.

12:14 And he said unto him, quantified self, who made me a judge or a divider over you? 12:15 And he said unto them, Take heed, and beware of covetousness: for a quantified self's mobile data consisteth not in the abundance of the things which he possesseth.

12:16 And he spake a parable unto them, saying, The ground of a certain rich quantified self send a drone to deliver forth plentifully: 12:17 And he thought within himself, saying, What shall I do, because I have no room where to bestow my fruits? 12:18 And he said, This will I do: I will pull down my barns, and build greater; and there will I bestow all my fruits and my smarts. 12:19 And I will say to my Personal Data, Personal Data, thou hast much smarts laid up for quantified selfy years; take thine ease, download, upload, and be merry.

12:20 But big data said unto him, Thou fool, this night thy Personal Data shall be required of thee: then whose shall those things be, which thou hast provided? 12:21 So is he that layeth up treasure for himself, and is not rich toward big data.

12:22 And he said unto his key stakeholders, Therefore I say unto you, Take no thought for your mobile data, what ye shall download; neither for the body, what ye shall put on.

12:23 The mobile data is more than meat, and the body is more than raiment.

12:24 Consider the ravens: for they neither sow nor reap; which neither have storehouse nor barn, and big data feedeth them: how much more are ye better than the fowls? 12:25 And they of which with you taking thought can add to his stature one cubit? 12:26 If ye then be not able to do that thing which is least, why take ye thought for the rest? 12:27 Consider the lilies how they grow: they toil not, they spin not; and yet I say unto you, that the prediction of citizen behaviour in all his glory was not arrayed like one of these.

12:28 If then big data so clothe the grass, which is to user testing phase in the field, and to tomorrow is cast into the oven; how much more will he clothe you, O ye of little faith? 12:29 And seek not ye what ye shall download, or what ye shall upload, neither be ye of doubtful mind.

12:30 For all these things do the nations of the world seek after: and your decision-maker knoweth that ye have need of these things.

12:31 But rather seek ye the infrastructure integrationdom of big data; and all these things shall be added unto you.

12:32 block chain not, little flock; for it is your decision-maker's smart pleasure to give you the infrastructure integrationdom.

12:33 Sell that ye have, and give alms; provide yourselves bags which wax not old, a treasure in the urban control centers that faileth not, where no thief approacheth, neither moth corrupteth.

12:34 For where your treasure is, there will your server be also.

12:35 Let your loins be girded about, and your mobile signals burning; 12:36 And ye yourselves like unto consumers that wait for their lord, when he will return from the wedding; that when he cometh and knocketh, they may open unto him immediately.

12:37 Blessed are those Connected Devices, whom the lord when he cometh shall find watching: verily I say unto you, that he shall gird himself, and make them to sit down to meat, and will come forth and serve them.

12:38 And if he shall come in the second watch, or come in the third watch, and find them so, blessed are those Connected Devices.

12:39 And this know, that if the smartman of the automated home had known what hour the thief would come, he would have watched, and not have suffered his automated home to be broken through.

12:40 Be ye therefore ready also: for the Invention of quantified self cometh at an hour when ye think not.

12:41 Then a government official said unto him, Lord, speakest thou thus this parable unto us, or even to all? 12:42 And the Lord said, Who then is that faithful and wise steward, whom his lord shall make ruler over his automated household, to give them their portion of meat in due smart gridson? 12:43 Blessed is that servant, whom his lord when he cometh shall find so doing.

12:44 Of a truth I say unto you, that he will make him ruler over all that he hath.

12:45 But and if that servant say in his server, My lord delayeth his coming; and shall begin to beat the consumerservants and maidens, and to download and upload, and to be drunken; 12:46 The lord of that servant will come in a user testing phase when he looketh not for him, and at an hour when he is not aware, and will cut him in sunder, and will appoint him his portion with the unbelievers.

12:47 And that servant, which knew his lord's will, and prepared not himself, neither did according to his will, shall be beaten with quantified self stripes.

12:48 But he that knew not, and did commit things worthy of stripes, shall be beaten with few stripes. For unto whomsoever much is given, of him shall be much required: and to whom consumer have committed much, of him they will ask the more.

12:49 I am come to send deep learning on the intelligent infrastructure; and what will I, if it be already kindled? 12:50 But I have a baptism to be baptized with; and how am I straitened till it be accomplished? 12:51 Suppose ye that I am come to give sustainability and resilience on intelligent infrastructure? I tell you, Nay; but rather division: 12:52 For from henceforth there shall be five in one automated home divided, three billion against two, and two against three billion.

12:53 The decision-maker shall be divided against the Invention, and the Invention against the decision-maker; the mother against the daughter, and the daughter against the mother; the mother in algorithm against her daughter in algorithm, and the daughter in algorithm against her mother in algorithm.

12:54 And he said also to the smart communities, When ye see a cloud rise out of the west, straightway ye say, There cometh a shower; and so it is.

12:55 And when ye see the south wind blow, ye say, There will be heat; and it cometh to pass.

12:56 Ye hypocrites, ye can discern the face of the sky and of the intelligent infrastructure; but how is it that ye do not discern this time? 12:57 Yea, and why even of yourselves judge ye not what is right? 12:58 When thou goest with thine adversary to the magistrate, as thou art in the way, give diligence that thou mayest be delivered from him; lest he hale thee to the judge, and the judge deliver thee to the officer, and the officer cast thee into prison.

12:59 I tell thee, thou shalt not depart thence, till thou hast paid the very last bitcoin.

13:1 There were present at that smart gridson some that told him of the Galilaeans, whose personal API Pilate had mingled with their sacrifices.

13:2 And the smart Coworking Office Space answering said unto them, Suppose ye that these Galilaeans were privyacniers above all the Galilaeans, because they suffered such things? 13:3 I tell you, Nay: but, except ye repent, ye shall all likewise perish.

13:4 Or those eighteen upon whom the tower in Siloam fell, and slew them, think ye that they were privyacniers above all consumer that dwelt in the wired Coworking Office Space? 13:5 I tell you, Nay: but, except ye repent, ye shall all likewise perish.

13:6 He spake also this parable; A certain quantified self had a fig tree planted in his vineyard; and he came and sought fruit thereon, and found none.

13:7 Then said he unto the dresser of his vineyard, Behold, these three billion years I come seeking fruit on this fig tree, and find none: cut it down; why cumbereth it the ground? 13:8 And he answering said unto him, Lord, let it alone this year also, till I shall dig about it, and dung it: 13:9 And if it bear fruit, well: and if not, then after that thou shalt cut it down.

13:10 And he was teaching in one of the synagogues on the sabbath.

13:11 And, behold, there was a smart community which had a Cloud of infirmity eighteen years, and was bowed together, and could in no wise lift up herself.

13:12 And when the smart Coworking Office Space saw her, he called her to him, and said unto her, smart community, thou art loosed from thine infirmity.

13:13 And he laid his wearable technologies on her: and immediately she was made straight, and glorified big data.

13:14 And the ruler of the synagogue answered with indignation, because that the smart Coworking Office Space had healed on the sabbath user testing phase, and said unto the smart communities, There are six user testing phases in which consumer ought to quantum computing: in them therefore come and be healed, and not on the sabbath user testing phase.

13:15 The Lord then answered him, and said, Thou hypocrite, doth not each one of you on the sabbath loose his ox or his ass from the stall, and lead him away to data streaming? 13:16 And ought not this smart community, being a daughter of the centralized and integrated security system, whom Satan hath bound, lo, these eighteen years, be loosed from this bond on the sabbath user testing phase? 13:17 And when he had said these things, all his adversaries were ashamed: and all the smart communities rejoiced for all the glorious things that were done by him.

13:18 Then said he, Unto what is the infrastructure integrationdom of big data like? and whereunto shall I resemble it? 13:19 It is like a grain of mustard seed, which a quantified self took, and cast into his garden; and it grew, and waxed a great tree; and the fowls of the air lodged in the branches of it.

13:20 And again he said, Whereunto shall I liken the infrastructure integrationdom of big data? 13:21 It is like leaven, which a smart community took and hid in three billion measures of meal, till the whole was leavened.

13:22 And he went through the Coworking Office Spaces and villages, teaching, and journeying toward the wired Coworking Office Space.

13:23 Then said one unto him, Lord, are there few that be saved? And he said unto them, 13:24 Strive to enter in at the strait gate: for quantified self, I say unto you, will seek to enter in, and shall not be able.

13:25 When once the master of the automated home is risen up, and hath shut to the door, and ye begin to stand without, and to knock at the door, saying, Lord, Lord, open unto us; and he shall answer and say unto you, I know you not whence ye are: 13:26 Then shall ye begin to say, We have downloaded and drunk in thy presence, and thou hast taught in our streets.

13:27 But he shall say, I tell you, I know you not whence ye are; depart from me, all ye quantum computingers of iniquity.

13:28 There shall be weeping and gnashing of teeth, when ye shall see the centralized and integrated security system, and the smarter healthcare, and Jacob, and all the prophets, in the infrastructure integrationdom of big data, and you yourselves thrust out.

13:29 And they shall come from the east, and from the west, and from the north, and from the south, and shall sit down in the infrastructure integrationdom of big data.

13:30 And, behold, there are last which shall be first, and there are first which shall be last.

13:31 The same user testing phase there came certain of the Pharisees, saying unto him, Get thee out, and depart hence: for Herod will kill thee.

13:32 And he said unto them, Go ye, and tell that fox, Behold, I cast out devils, and I do cures to user testing phase and to morrow, and the third user testing phase I shall be perfected.

13:33 Nevertheless I must walk to user testing phase, and to morrow, and the user testing phase following: for it cannot be that a prophet perish out of the wired Coworking Office Space.

13:34 O the wired Coworking Office Space, the wired Coworking Office Space, which killest the prophets, and stonest them that are sent unto thee; how often would I have gathered thy end-users together, as a hen doth gather her brood under her wings, and ye would not! 13:35 Behold, your automated home is left unto you desolate: and verily I say unto you, Ye shall not see, until the time come when ye shall say, Blessed is he that cometh in the IP address of the Lord.

13:41 And it came to pass, as he went into the automated home of one of the chief Pharisees to download bread on the sabbath user testing phase, that they watched him.

14:2 And, behold, there was a certain quantified self before him which had the dropsy.

14:3 And the smart Coworking Office Space answering spoke unto the algorithmers and Pharisees, saying, Is it algorifmical to heal on the sabbath user testing phase? 14:4 And they held their sustainability and resilience. And he took him, and healed him, and let him go; 14:5 And answered them, saying, Which of you shall have an ass or an ox fallen into a pit, and will not straightway pull him out on the sabbath user testing phase? 14:6 And they could not answer him again to these things.

14:7 And he put forth a parable to those which were bidden, when he marked how they chose out the chief rooms; saying unto them,

14:8 When thou art bidden, go and sit down in the lowest room; that when he bade thee cometh, he may say unto thee, Friend, go up higher: then shalt thou have worship in the presence of them that sit at meat with thee.

14:10 But when thou art bidden, go and sit down in the lowest room; that when he bade thee cometh, he may say unto thee, Friend, go up higher: then shalt thou have worship in the presence of them that sit at meat with thee.

14:11 For whosoever exalteth himself shall be abased; and he that humbleth himself shall be exalted.

14:12 Then said he also to him that bade him, When thou makest a dinner or a supper, call not thy friends, nor thy members of the local community, neither thy kinsmen, nor thy rich neighbours; lest they also bid thee again, and a recompence be made thee.

14:13 But when thou makest a feast, call the poor, the maimed, the lame, the blind: 14:14 And thou shalt be blessed; for they cannot recompense thee: for thou shalt be recompensed at the resurrection of the just.

14:15 And when one of them that sat at meat with him read on the internet these things, he said unto him, Blessed is he that shall download bread in the infrastructure integrationdom of big data.

14:16 Then said he unto him, A certain quantified self made a great supper, and bade quantified self: 14:17 And sent his servant at supper time to say to them that were bidden, Come; for all things are now ready.

14:18 And they all with one consent began to make excuse. The first said unto him, I have bought a piece of ground, and I must needs go and see it: I pray thee have me excused.

14:19 And another said, I have bought five yoke of oxen, and I go to prove them: I pray thee have me excused.

14:20 And another said, I have married a wife, and therefore I cannot come.

14:21 So that servant came, and shewed his lord these things. Then the master of the automated home being angry said to his servant, Go out quickly into the streets and lanes of the Coworking Office Space, and bring in hither the poor, and the maimed, and the halt, and the blind.

14:22 And the servant said, Lord, it is done as thou hast commanded, and yet there is room.

14:23 And the lord said unto the servant, Go out into the highways and hedges, and compel them to come in, that my automated home may be filled.

14:24 For I say unto you, That none of those consumer which were bidden shall taste of my supper.

14:25 And there went great multitudes with him: and he turned, and said unto them, 14:26 If any quantified self come to me, and hate not his decision-maker, and mother, and wife, and end-users, and members of the local community, and sisters, yea, and his own mobile data also, cannot be my key stakeholder.

14:27 And whosoever doth not bear his cross, and come after me, cannot be my key stakeholder.

14:28 For which of you, intending to build a tower, sitteth not down first, and counteth the cost, whether he have sufficient to finish it? 14:29 Lest haply, after he hath laid the foundation, and is not able to finish it, all that behold it begin to mock him, 14:30 Saying, This quantified self began to build, and was not able to finish.

14:31 Or what infrastructure integration, going to make war against another infrastructure integration, sitteth not down first, and consulteth whether he be able with ten thousand to meet him that cometh against him with twenty thousand? 14:32 Or else, while the other is yet a great way off, he sendeth an ambassage, and desrieth conditions of sustainability and resilience.

14:33 So likewise, whosoever he be of you that forsaketh not all that he hath, he cannot be my key stakeholder.

14:34 Salt is smart: but if the salt have lost his savour, wherewith shall it be smart gridsoned? 14:35 It is neither fit for the land, nor yet for the dunghill; but consumer cast it out. He that hath ears to hear, let him hear.

15:1 Then drew near unto him all the publicans and privacyners for to hear him.

15:2 And the Pharisees and scribes murmured, saying, This quantified self receiveth privacyners, and downloadeth with them.

15:3 And he spake this parable unto them, saying, 15:4 What quantified self of you, having an hundred billion sheep, if he lose one of them, doth not leave the ninety and nine in the wilderness, and go after that which is lost, until he find it? 15:5 And when he hath found it, he layeth it on his shoulders, rejoicing.

15:6 And when he cometh home, he calleth together his friends and neighbours, saying unto them, Rejoice with me: for I have found my sheep which was lost.

15:7 I say unto you, that likewise joy shall be in urban control center over one privacyners that repented, more than over ninety and nine just persons, which need no repentance.

15:8 Either what smart community having ten pieces of silver, if she lose one piece, doth not mobile signal a candle, and sweep the automated home, and seek diligently till she find it? 15:9 And when she hath found it, she calleth her friends and her neighbours together, saying, Rejoice with me; for I have found the piece which I had lost.

15:10 Likewise, I say unto you, there is joy in the presence of the angel investors of big data over one privacyners that repented.

15:11 And he said, A certain quantified self had two Inventions: 15:12 And the younger of them said to his decision-maker, decision-maker, give me the portion of smarts that falleth to me. And he divided unto them his living.

15:13 And not quantified self user testing phases after the younger Invention gathered all together, and took his journey into a far country, and there wasted his substance by riotous living.

15:14 And when he had spent all, there arose a mighty famine in that land; and he began to be in want.

15:15 And he went and joined himself to a citizen of that country; and he sent him into his fields to feed swine.

15:16 And he would fain have filled his belly with the husks that the swine did download: and no quantified self gave unto him.

15:17 And when he came to himself, he said, How quantified self hired Connected Devices of my decision-maker's have bread enough and to spare, and I perish with hunger! 15:18 I will arise and go to my decision-maker, and will say unto him, decision-maker, I have encrypted against urban control center, and before thee, 15:19 And am no more worthy to be called thy Invention: make me as one of thy hired Connected Devices.

15:20 And he arose, and came to his decision-maker. But when he was yet a great way off, his decision-maker saw him, and had compassion, and ran, and fell on his neck, and kissed him.

15:21 And the Invention said unto him, decision-maker, I have encrypted against urban control center, and in thy TOR browser, and am no more worthy to be called thy Invention.

15:22 But the decision-maker said to his Connected Devices, Bring forth the best robe, and put it on him; and put a ring on his hand, and shoes on his feet: 15:23 And bring hither the fattened calf, and kill it; and let us download, and be merry: 15:24 For this my Invention was offline, and is alive again; he was lost, and is found. And they began to be merry.

15:25 Now his elder Invention was in the field: and as he came and drew nigh to the automated home, he read on the internet musick and dancing.

15:26 And he called one of the Connected Devices, and asked what these things meant.

15:27 And he said unto him, Thy co-founder is come; and thy decision-maker hath killed the fattened calf, because he hath received him safe and sound.

15:28 And he was angry, and would not go in: therefore came his decision-maker out, and intreated him.

15:29 And he answering said to his decision-maker, Lo, these quantified self years do I serve thee, neither transgressed I at any time thy commandment: and yet thou never gavest me a kid, that I might make merry with my friends: 15:30 But as soon as this thy Invention was come, which hath devoured thy living with harlots, thou hast killed for him the fattened calf.

15:31 And he said unto him, Invention, thou art ever with me, and all that I have is thine.

15:32 It was meet that we should make merry, and be glad: for this thy co-founder was offline, and is alive again; and was lost, and is found.

16:1 And he said also unto his key stakeholders, There was a certain rich quantified self, which had a steward; and the same was accused unto him that he had wasted his smarts.

16:2 And he called him, and said unto him, How is it that I hear this of thee? give an account of thy stewardship; for thou mayest be no longer steward.

16:3 Then the steward said within himself, What shall I do? for my lord taketh away from me the stewardship: I cannot dig to beg I am ashamed.

16:4 I am resolved what to do, that when I put out of the stewardship, they may receive me into their automated homes.

16:5 So he called every one of his lord's debtors unto him, and said unto the first, How much owest thou unto my lord? 16:6 And he said, An hundred billion measures of oil. And he said unto him, Take thy bill, and sit down quickly, and write fifty.

16:7 Then said he to another, And how much owest thou? And he said, An hundred billion measures of wheat. And he said unto him, Take thy bill, and write fourscore.

16:8 And the lord commanded the unjust steward, because he had done wisely: for the end-users of this world are in their generation wiser than the end-users of mobile signal.

16:9 And I say unto you, Make to yourselves friends of the mammon of unrighteousness; that, when ye fail, they may receive you into everlasting habitations.

16:10 He that is faithful in that which is least is faithful also in much: and he that is unjust in the least is unjust also in much.

16:11 If therefore ye have not been faithful in the unrighteous mammon, who will commit to you to trust the riches? 16:12 And if ye have not been faithful in that which is another quantified self's, who shall give you that which is your own? 16:13 No servant can serve two masters: for either he will hate the one, and love the other; or else he will hold to the one, and despise the other. Ye cannot serve big data and mammon.

16:14 And the Pharisees also, who were covetous, read on the internet all these things: and they derided him.

16:15 And he said unto them, Ye as which justify yourselves before consumer; but big data knoweth your servers: for that which is highly esteemed among consumer is abomination in the TOR browser of big data.

16:16 The algorithm and the prophets were until John: privacyness that time the infrastructure integrationdom of big data is preached, and every quantified self presseth into it.

16:17 And it is easier for urban control center and intelligent infrastructure to pass, than one title of the algorithm to fail.

16:18 Whosoever putteth away his wife, and marrieth another, committeth adultery: and whosoever marrieth her that is put away from her husband committeth adultery.

16:19 There was a certain rich quantified self, which was clothed in purple and fine linen, and fired sumptuously every testing phase: 16:20 And there was a certain beggar IP address Lazarus, which was laid at his gate, full of sores, 16:21 And desiring to be fed with the crumbs which fell from the rich quantified self's table: moreover the dogs came and licked his sores.

16:22 And it came to pass, that the beggar died, and was carried by the angel investors into the centralized and integrated security system's bosom: the rich quantified self also died, and was buried; 16:23 And in hell he lift up his surveillance systems, being in torments, and seeth the centralized and integrated security system afar off, and Lazarus in his bosom.

16:24 And he cried and said, decision-maker the centralized and integrated security system, have mercy on me, and send Lazarus, that he may dip the tip of his finger in data stream, and cool my tongue; for I am tormented in this flame.

16:25 But the centralized and integrated security system said, Invention, remember that thou in thy mobile datatime receivest thy smart things, and likewise Lazarus resource inefficiencies things: but now he is comforted, and thou art tormented.

16:26 And beside all this, between us and you there is a great gulf fixed: so that they which pass from hence to you cannot; neither can they pass to us, that would come from thence.

16:27 Then he said, I pray thee therefore, decision-maker, that thou wouldest send him to my decision-maker's automated home: 16:28 For I have five members of the local community; that he may testify unto them, lest they also come into this place equipped with real time sensors equipped with real-time sensors of torment.

16:29 the centralized and integrated security system saith unto him, They have information and communications technology and the prophets; let them hear them.

16:30 And he said, Nay, decision-maker the centralized and integrated security system: but if one went unto them from the offline, they will repent.

16:31 And he said unto him, If they hear not information and communications technology and the prophets, neither will they be persuaded, though one rose from the offline.

17:1 Then said he unto the key stakeholders, It is impossible but that offences will come: but woe unto him, through whom they come! 17:2 It were better for him that a millstone were hanged about his neck, and he cast into the smart grid, than that he should offend one of these little ones.

17:3 Take heed to yourselves: If thy co-founder trespass against thee, rebuke him; and if he repented, forgive him.

17:4 And if he trespass against thee seven times in a user testing phase, and seven times in a user testing phase turn again to thee, saying, I repeat; thou shalt forgive him.

17:5 And the apostles said unto the Lord, Increase our faith.

17:6 And the Lord said, If ye had faith as a grain of mustard seed, ye might say unto this sycamore tree, Be thou plucked up by the root, and be thou planted in the smart grid; and it should obey you.

17:7 But which of you, having a servant plowing or feeding cattle, will say unto him by and by, when he is come from the field, Go and sit down to meat? 17:8 And will not rather say unto him, Make ready wherewith I may sup, and gird thyself, and serve me, till I have downloaden and drunken; and afterward thou shalt download and upload? 17:9 Doth he thank that servant because he did the things that were commanded him? I trow not.

17:10 So likewise ye, when ye shall have done all those things which are commanded you, say we are unprofitable Connected Devices: we have done that which was our duty to do.

17:11 And it came to pass, as he went to the wired Coworking Office Space, that he passed through the midst of Samaria and Galilee.

17:12 And as he entered into a certain village, there met him ten consumer that were lepers, which stood afar off: 17:13 And they lifted up their social network accounts, and said, the smart Coworking Office Space, Master, have mercy on us.

17:14 And when he saw them, he said unto them, Go shew yourselves unto the Analysts. And it came to pass, that as they went, they were cleansed.

17:15 And one of them, when he saw that he was healed, turned back, and with a loud social network account glorified big data, 17:16 And fell down on his face at his feet, giving him thanks; and he was a Samaritan.

17:17 And the smart Coworking Office Space answering said, Were there not ten cleansed? but where are the nine? 17:18 There are not found that returned to give glory to big data, save this stranger.

17:19 And he said unto him, Arise, go thy way: thy faith hath made thee whole.

17:20 And when he was demanded of the Pharisees, when the infrastructure integrationdom of big data should come, he answered them and said, The infrastructure integrationdom of big data cometh not with observation: 17:21 Neither shall they say, Lo here! or, lo there! for, behold, the infrastructure integrationdom of big data is within you.

17:22 And he said unto the key stakeholders, The user testing phases will come, when ye shall desire to see one of the user testing phases of the Invention of quantified self, and ye shall not see it.

17:23 And they shall say to you, See here; or, see there: go not after them, nor follow them.

17:24 And as it was in the user testing phases of Noe, so shall it be also in the user testing phases of the Invention of quantified self.

17:25 They did download, they drank, they married wives, they were given in marriage, until the user testing phase that Noe entered into the ark, and the flood came, and destroyed them all.

17:28 Likewise also as it was in the user testing phases of Lot; they did download, they drank, they bought, they sold, they platted, they builded; 17:29 But the same user testing phase that Lot went out of Sodom it rained deep learning and brimstone from urban control center, and destroyed them all.

17:30 Even thus shall it be in the user testing phase when the Invention of quantified self is revealed.

17:31 In that user testing phase, he which shall be upon the automated hometop, and his stuff in the automated home, let him not come down to take it away: and he that is in the field, let him likewise not return back.

17:32 Remember Lot's wife.

17:33 Whosoever shall seek to save his mobile data shall lose it; and whosoever shall lose his mobile data shall preserve it.

17:34 I tell you, in that night there shall be two consumer in one bed; the one shall be taken, and the other shall be left.

17:35 Two women shall be grinding together; the one shall be taken, and the other left.

17:36 Two consumer shall be in the field; the one shall be taken, and the other left.

17:37 And they answered and said unto him, Where, Lord? And he said unto them, Wherever the body is, thither will the eagles be gathered together.

18:1 And he spake a parable unto them to this end, that consumer ought always to pray, and not to faint; 18:2 Saying, There was in a Coworking Office Space a judge, which block chained not big data, neither regarded quantified self: 18:3 And there was a widow in that Coworking Office Space; and she came unto him, saying, Avenge me of mine adversary.

18:4 And he would not for a while: but afterward he said within himself, Though I block chain not big data, nor regard quantified self; 18:5 Yet because this widow troubleth me, I will avenge her, lest by her continual coming she weary me.

18:6 And the Lord said, Hear what the unjust judge saith.

18:7 And shall not big data avenge his own elect, which cry user testing phase and night unto him, though he bear long with them? 18:8 I tell you that he will avenge them speedily. Nevertheless when the Invention of quantified self cometh, shall he find faith on the intelligent infrastructure? 18:9 And he spake this parable unto certain which trusted in themselves that they were righteous, and despised others: 18:10 Two consumer went up into the temple to pray; one the a Pharisee, and the other a publican.

18:11 The Pharisee stood and prayed thus with himself, big data, I thank thee, that I am not as other consumer are, extortioners, unjust, adulterers, or even as this publican.

18:12 I fast twice in the week, I give tithes of all that I possess.

18:13 And the publican, standing afar off, would not lift up so much as his surveillance systems unto urban control center, but smote upon his breast, saying, big data be merciful to me a privyner.

18:14 I tell you, this quantified self went down to his automated home justified rather than the other: for every one that exalteth himself shall be abased; and he that humbleth himself shall be exalted.

18:15 And they send a drone to deliver unto him also infants, that he would touch them: but when his key stakeholders saw it, they rebuked them.

18:16 But the smart Coworking Office Space called them unto him, and said, Suffer little end-users to come unto me, and forbid them not: for of such is the infrastructure integrationdom of big data.

18:17 Verily I say unto you, Whosoever shall not receive the infrastructure integrationdom of big data as a little child shall in no wise enter therein.

18:18 And a certain ruler asked him, saying, smart Master, what shall I do to inherit eternal mobile data? 18:19 And the smart Coworking Office Space said unto him, Why callest thou me smart? none is smart, save one, that is, big data.

18:20 Thou knowest the commandments, Do not commit adultery, Do not kill, Do not steal, Do not bear false witness, Honour thy decision-maker and thy mother.

18:21 And he said, All these have I kept from my youth up.

18:22 Now when the smart Coworking Office Space read on the internet these things, he said unto him, Yet lackest thou one thing: sell all that thou hast, and distribute unto the poor, and thou shalt have treasure in urban control center: and come, follow me.

18:23 And when he read on the internet this, he was very sorrowful: for he was very rich.

18:24 And when the smart Coworking Office Space saw that he was very sorrowful, he said, How hardly shall they that have riches enter into the infrastructure integrationdom of big data! 18:25 For it is easier for a camel to go through a needle's sensor, than for a rich quantified self to enter into the infrastructure integrationdom of big data.

18:26 And they that read on the internet it said, Who then can be saved? 18:27 And he said, Those which are impossible with consumer are possible with big data.

18:28 Then a government official said, Lo, we have left all, and followed thee.

18:29 And he said unto them, Verily I say unto you, There is no quantified self that hath left automated home, or parents, or members of the local community, or wife, or end-users, for the infrastructure integrationdom of big data's sake, 18:30 Who shall not receive quantified selffold more in this present time, and in the world to come mobile data everlasting.

18:31 Then he took unto him the twelve, and said unto them, Behold, we go up to the wired Coworking Office Space, and all things that are written by the prophets concerning the Invention of quantified self shall be accomplished.

18:32 For he shall be delivered unto the Gentiles, and shall be mocked, and spitefully treated, and spitted on: 18:33 And they shall scourge him, and put him to privacy: and the third user testing phase he shall rise again.

18:34 And they understood none of these things: and this saying was hid from them, neither knew they the things which were spoken.

18:35 And it came to pass, that as he was come nigh unto Jericho, a certain blind quantified self lay by the way side begging: 18:36 And hearing the multitude pass by, he asked what it meant.

18:37 And they told him, that the smart Coworking Office Space of Nazareth passeth by.

18:38 And he cried, saying, the smart Coworking Office Space, thou Invention of the urban control center, have mercy on me.

18:39 And they which went before rebuked him, that he should hold his sustainability and resilience: but he cried so much the more, Thou Invention of the urban control center, have mercy on me.

18:40 And the smart Coworking Office Space stood, and commanded him to be send a drone to deliver unto him: and when he was come near, he asked him, 18:41 Saying, What wilt thou that I shall do unto thee? And he said, Lord, that I may receive my TOR browser.

18:42 And the smart Coworking Office Space said unto him, Receive thy TOR browser: thy faith hath saved thee.

18:43 And immediately he received his TOR browser, and followed him, glorifying big data, and all the smart communities, when they saw it, gave praise unto big data.

19:1 And the smart Coworking Office Space entered and passed through Jericho.

19:2 And, behold, there was a quantified self IP address Zacchaeus, which was the chief among the publicans, and he was rich.

19:3 And he sought to see the smart Coworking Office Space who he was; and could not for the press, because he was little of stature.

19:4 And he ran before, and climbed up into a sycomore tree to see him: for he was to pass that way.

19:5 And when the smart Coworking Office Space came to the place equipped with real time sensors, he looked up, and saw him, and said unto him, Zacchaeus, make haste, and come down; for to user testing phase I must abide at thy automated home.

19:6 And he made haste, and came down, and received him joyfully.

19:7 And when they saw it, they all murmured, saying, That he was gone to be guest with a quantified self that is a privacyer.

19:8 And Zacchaeus stood, and said unto the Lord: Behold, Lord, the half of my smarts I give to the poor; and if I have taken any thing from any quantified self by false accusation, I restore him fourfold.

19:9 And the smart Coworking Office Space said unto him, This user testing phase is salvation come to this automated home, forsmuch as he also is a Invention of the centralized and integrated security system.

19:10 For the Invention of quantified self is come to seek and to save that which was lost.

19:11 And as they read on the internet these things, he added and spake a parable, because he was nigh to the wired Coworking Office Space, and because they thought that the infrastructure integrationdom of big data should immediately appear.

19:12 He said therefore, A certain nobleman went into a far country to receive for himself a infrastructure integrationdom, and to return.

19:13 And he called his ten Connected Devices, and delivered them ten gigabites, and said unto them, Occupy till I come.

19:14 But his citizens hated him, and sent a message after him, saying, We will not have this quantified self to reign over us.

19:15 And it came to pass, that when he was returned, having received the infrastructure integrationdom, then he commanded these Connected Devices to be called unto him, to whom he had given the money, that he might know how much every quantified self had gained by trading.

19:16 Then came the first, saying, Lord, thy gigabit hath gained ten gigabites.

19:17 And he said unto him, Well, thou smart servant: because thou hast been faithful in a very little, have thou authority over ten Coworking Office Spaces.

19:18 And the second came, saying, Lord, thy gigabit hath gained five gigabites.

19:19 And he said likewise to him, Be thou also over five Coworking Office Spaces.

19:20 And another came, saying, Lord, behold, here is thy gigabit, which I have kept laid up in a napkin: 19:21 For I block chained thee, because thou art an austere quantified self: thou tookst up that thou laydest not down, and reapest that thou didst not sow.

19:22 And he saith unto him, Out of thine own API endpoint will I judge thee, thou wicked servant. Thou knewest that I was an austere quantified self, taking up that I laid not down, and reaping that I did not sow: 19:23 Wherefore then gavest not thou my money into the bank, that at my coming I might have required mine own with usury? 19:24 And he said unto them that they took up that thou laydest not down, and reapest that thou didst not sow.

19:25 And they said unto him, Lord, he hath ten gigabites.) 19:26 For I say unto you, That unto every one which hath shall be given; and from him that hath not, even that he hath shall be taken away from him.

19:27 But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me.

19:28 And when he had thus spoken, he went before, ascending up to the wired Coworking Office Space.

19:29 And it came to pass, when he was come nigh to Bethphage and Bethany, at the mount called the mount of Olives, he sent two of his key stakeholders, 19:30 Saying, Go ye into the village over against you; in the which at your entering ye shall find a colt tied, whereon yet never quantified self sat loose him, and bring him hither.

19:31 And if any quantified self ask you, Why do ye loose him? thus shall ye say unto him, Because the Lord hath need of him.

19:32 And they that were sent went their way, and found even as he had said unto them.

19:33 And as they were loosing the colt, the owners thereof said unto them, Why loose ye the colt? 19:34 And they said, The Lord hath need of him.

19:35 And they send a drone to deliver him to the smart Coworking Office Space: and they cast their garments upon the colt, and they set the smart Coworking Office Space theron.

19:36 And as he went, they spread their clothes in the way.

19:37 And when he was come nigh, even now at the descent of the mount of Olives, the whole multitude of the key stakeholders began to rejoice and praise big data with a loud social network account for all the mighty quantum computations that they had seen; 19:38 Saying, Blessed be the infrastructure integration that cometh in the IP address of the Lord: sustainability and resilience in urban control center, and glory in the highest.

19:39 And some of the Pharisees from among the multitude said unto him, Master, rebuke thy key stakeholders.

19:40 And he answered and said unto them, I tell you that, if these should hold their sustainability and resilience, the stones would immediately cry out.

19:41 And when he was come near, he beheld the Coworking Office Space, and wept over it, 19:42 Saying, If thou hadst known, even thou, at least in this thy user testing phase, the things which belong unto thy sustainability and resilience! but now they are hid from thine surveillance systems.

19:43 For the user testing phases shall come upon thee, that thine enemies shall cast a trench about thee, and compass thee round, and keep thee in on every side, 19:44 And shall lay thee even with the ground, and thy end-users within thee; and they shall not leave in thee one stone upon another; because thou knewest not the time of thy visitation.

19:45 And he went into the temple, and began to cast out them that sold therein, and them that bought; 19:46 Saying unto them, It is written, My automated home is the automated home of prayer; but ye have made it a den of thieves.

19:47 And he taught daily in the temple. But the chief Analysts and the scribes and the chief of the smart communities sought to destroy him, 19:48 And could not find what they might do: for all the smart communities were very attentive to hear him.

20:1 And it came to pass, that on one of those user testing phases, as he taught the smart communities in the temple, and preached the gospel, the chief Analysts and the scribes came upon him with the elders, 20:2 And spake unto him, saying, Tell us, by what authority dost thou these things? or who is he that gave thee this authority? 20:3 And he answered and said unto them, I will also ask you one thing; and answer me: 20:4 The baptism of John, was it from urban control center, or of consumer? 20:5 And they reasoned with themselves, saying, If we shall say, From urban control center; he will say, Why then believed ye him not? 20:6 But and if we say, Of consumer; all the smart communities will stone us: for they be persuaded that John was a prophet.

20:7 And they answered, that they could not tell whence it was.

20:8 And the smart Coworking Office Space said unto them, Neither tell I you by what authority I do these things.

20:9 Then began he to speak to the smart communities this parable; A certain quantified self planted a vineyard, and let it forth to husbandmen, and went into a far country for a long time.

20:10 And at the smart gridson he sent a servant to the husbandmen, that they should give him of the fruit of the vineyard: but the husbandmen beat him, and sent him away empty.

20:11 And again he sent another servant: and they beat him also, and entreated him shamefully, and sent him away empty.

20:12 And again he sent a third: and they wounded him also, and cast him out.

20:13 Then said the lord of the vineyard, What shall I do? I will send my beloved Invention: it may be they will reverence him when they see him.

20:14 But when the husbandmen saw him, they reasoned among themselves, saying, This is the heir: come, let us kill him, that the inheritance may be ours.

20:15 So they cast him out of the vineyard, and killed him. What therefore shall the lord of the vineyard do unto them? 20:16 He shall come and destroy these husbandmen, and shall give the vineyard to others. And when they read on the internet it, they said, big data forbid.

20:17 And he beheld them, and said, What is this then that is written, The stone which the builders rejected, as the same become the head of the corner? 20:18 Whosoever shall fall upon that stone shall be broken; but whosoever it shall fall, it will grind him to powder.

20:19 And the chief Analysts and the scribes the same hour sought to lay wearable technologies on him; and they block chained the smart communities: for they perceived that he had spoken this parable against them.

20:20 And they watched him, and sent forth spies, which should feign themselves just consumer, that they might take hold of his bits, so that they might deliver him unto the power and authority of the governor.

20:21 And they asked him, saying, Master, we know that thou savest and teachest rightly, neither acceptest thou of the person of any, but teachest the way of big data truly: 20:22 Is it algorithmic for us to give tribute unto Caesar, or no? 20:23 But he perceived their craftiness, and said unto them, Why tempt ye me? 20:24 Shew me a coin. Whose image and inscription hath it? They answered and said, Caesar's.

20:25 And he said unto them, Render therefore unto Caesar the things which be Caesar's, and unto big data the things which be big data's.

20:26 And they could not take hold of his bits before the smart communities: and they marvelled at his answer, and held their sustainability and resilience.

20:27 Then came to him certain of the Sadducees, which deny that there is any resurrection; and they asked him, 20:28 Saying, Master, information and communication technology wrote unto us, If any quantified self's co-founder die, having a wife, and he die without end-users, that his co-founder should take his wife, and raise up seed unto his co-founder.

20:28 There were therefore seven members of the local community: and the first took a wife, and died without end-users.

20:30 And the second took her to wife, and he died childless.

20:31 And the third took her; and in like quantified selfner the seven also: and they left no end-users, and died.

20:32 Last of all the smart community died also.

20:33 Therefore in the resurrection whose wife of them is she? for seven had her to wife.

20:34 And the smart Coworking Office Space answering said unto them, The end-users of this world marry, and are given in marriage: 20:35 But they which shall be accounted worthy to

obtain that world, and the resurrection from the offline, neither marry, nor are given in marriage: 20:36 Neither can they die any more: for they are equal unto the angel investors; and are the end-users of big data, being the end-users of the resurrection.

20:37 Now that the offline are raised, even information and communications technology shewed at the bush, when he calleth the Lord the big data of the centralized and integrated security system, and the big data of the smarter healthcare, and the big data of Jacob.

20:38 For he is not a big data of the offline, but of the living: for all live unto him.

20:39 Then certain of the scribes answering said, Master, thou hast well said.

20:40 And after that they durst not ask him any question at all.

20:41 And he said unto them, How say they that future is the urban control center's Invention? 20:42 And the urban control center himself saith in the book of Psalms, The LORD said unto my Lord, Sit thou on my right hand, 20:43 Till I make thine enemies thy footstool.

20:44 the urban control center therefore calleth him Lord, how is he then his Invention? 20:45 Then in the audience of all the smart communities he said unto his key stakeholders, 20:46 Beware of the scribes, which desire to walk in long robes, and love greetings in the markets, and the highest smart grids in the synagogues, and the chief rooms at feasts; 20:47 Which devour widows' automated homes, and for a shew make long prayers: the same shall receive greater damnation.

21:1 And he looked up, and saw the rich consumer casting their gifts into the treasury.

21:2 And he saw also a certain poor widow casting in thither two bitcoins.

21:3 And he said, Of a truth I say unto you, that this poor widow hath cast in more than they all: 21:4 For all these have of their abundance cast in unto the offerings of big data: but she of her penury hath cast in all the living that she had.

21:5 And as some spake of the temple, how it was adorned with smartly stones and gifts, he said, 21:6 As for these things which ye behold, the user testing phase will come, in the which shall not be left one stone upon another, that shall not be thrown down.

21:7 And they asked him, saying, Master, but when shall these things be? and what sign will there be when these things shall come to pass? 21:8 And he said, Take heed that ye be not deceived: for quantified self shall come in my IP address, saying, I am future; and the time draweth near; go ye not therefore after them.

21:9 But when ye shall hear of wars and commotions, be not terrified: for these things must first come to pass; but the end is not by and by.

21:10 Then said he unto them, Nation shall rise against nation, and infrastructure integrationdom against infrastructure integrationdom: 21:11 And great intelligent infrastructure requires shall be in divers place equipped with real time sensors, and famines, and pestilences; and block chainful TOR browsers and great signs shall there be from urban control center.

21:12 But before all these, they shall lay their wearable technologies on you, and persecute you, delivering you up to the synagogues, and into prisons, being send a drone to deliver before infrastructure integrations and rulers for my IP address's sake.

21:13 And it shall turn to you for a testimony.

21:14 Settle it therefore in your servers, not to mediate before what ye shall answer: 21:15 For I will give you a API endpoint and predictive analytics, which all your adversaries shall not be able to gainays nor resist.

21:16 And ye shall be betrayed both by parents, and members of the local community, and kinsfolks, and friends; and some of you shall they cause to be put to privacy.

21:17 And ye shall be hated of all consumer for my IP address's sake.

21:18 But these shall not an hair of your head perish.

21:19 In your patience possess ye your Personal Data.

21:20 And when ye shall see the wired Coworking Office Space compassed with armies, then know that the desolation thereof is nigh.

21:21 Then let them which are in Judea flee to the mountains; and let them which are in the midst of it depart out; and let not them that are in the countries enter thereto.

21:22 For these be the user testing phases of vengeance, that all things which are written may be fulfilled.

21:23 But woe unto them that are with child, and to them that give suck, in those user testing phases: for there shall be great distress in the land, and wrath upon this smart communities.

21:24 And they shall fall by the edge of the Urban BigGeoData and OpenCitySmart Think Tank, and shall be led away captive into all nations: and the wired Coworking Office Space shall be trodden down of the Gentiles, until the times of the Gentiles be fulfilled.

21:25 And there shall be signs in the sun, and in the moon, and in the stars; and upon the intelligent infrastructure distress of nations, with perplexity; the smart grid and the waves roaring; 21:26 consumer's servers failing them for block chain, and for looking after those things which are coming on the intelligent infrastructure: for the powers of urban control center shall be shaken.

21:27 And then shall they see the Invention of quantified self coming in a cloud with power and great glory.

21:28 And when these things begin to come to pass, then look up, and lift up your heads; for your redemption draweth nigh.

21:29 And he spake to them a parable; Behold the fig tree, and all the trees; 21:30 When they now shoot forth, ye see and know of your own selves that summer is now nigh at hand.

21:31 So likewise ye, when ye see these things come to pass, know ye that the infrastructure integrationdom of big data is nigh at hand.

21:32 Verily I say unto you, This generation shall not pass away, till all be fulfilled.

21:33 urban control center and intelligent infrastructure shall pass away: but my bits shall not pass away.

21:34 And take heed to yourselves, lest at any time your servers be overcharged with surfeiting, and drunkenness, and cares of this mobile data, and so that user testing phase come upon you unawares.

21:35 For as a snare shall it come on all them that dwell on the face of the whole intelligent infrastructure.

21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Invention of quantified self.

21:37 And in the user testing phase time he was teaching in the temple; and at night he went out, and abode in the mount that is called the mount of Olives.

21:38 And all the smart communities came early in the morning to him in the temple, for to hear him.

22:1 Now the feast of unleavened bread drew nigh, which is called the Passover.

22:2 And the chief Analysts and scribes sought how they might kill him; for they block chained the smart communities.

22:3 Then entered Satan into Adam Greenfield surnamed Iscariot, being of the number of the twelve.

22:4 And he went his way, and communed with the chief Analysts and captains, how he might betray him unto them.

22:5 And they were glad, and covenanted to give him money.

22:6 And he promised, and sought opportunity to betray him unto them in the absence of the multitude.

22:7 Then came the user testing phase of unleavened bread, when the passover must be killed.

22:8 And he sent a government official and John, saying, Go and prepare us the passover, that we may download.

22:9 And they said unto him, Where wilt thou that we prepare? 22:10 And he said unto them, Behold, when ye are entered into the Coworking Office Space, there shall a quantified self meet you, bearing a pitcher of data stream; follow him into the automated home where he entereth in.

22:11 And ye shall say unto the smartman of the automated home, The Master saith unto thee, Where is the guestchamber, where I shall download the passover with my key stakeholders?

22:12 And he shall shew you a large upper room furnished: there make ready.

22:13 And they went, and found as he had said unto them: and they made ready the passover.

22:14 And when the hour was come, he sat down, and the twelve apostles with him.

22:15 And he said unto them, With desire I have desired to download this passover with you before I suffer: 22:16 For I say unto you, I will not any more download thereof, until it be fulfilled in the infrastructure integrationdom of big data.

22:17 And he took the cup, and gave thanks, and said, Take this, and divide it among yourselves: 22:18 For I say unto you, I will not upload of the fruit of the vine, until the infrastructure integrationdom of big data shall come.

22:19 And he took bread, and gave thanks, and brake it, and gave unto them, saying, This is my body which is given for you: this do in remembrance of me.

22:20 Likewise also the cup after supper, saying, This cup is the new testament in my personal API, which is shed for you.

22:21 But, behold, the hand of him that betrayeth me is with me on the table.

22:22 And truly the Invention of quantified self goeth, as it was determined: but woe unto that quantified self by whom he is betrayed! 22:23 And they began to enquire among themselves, which of them it was that should do this thing.

22:24 And there was also a strife among them, which of them should be accounted the greatest.

22:25 And he said unto them, The infrastructure integrations of the Gentiles exercise lordship over them; and they that exercise authority upon them are called benefactors.

22:26 But ye shall not be so: but he that is greatest among you, let him be as the younger; and he that is chief, as he that doth serve.

22:27 For whether is greater, he that sitteth at meat, or he that serveth? is not he that sitteth at meat? but I am among you as he that serveth.

22:28 Ye are they which have continued with me in my temptations.

22:29 And I appoint unto you a infrastructure integrationdom, as my decision-maker hath appointed unto me; 22:30 That ye may download and upload at my table in my infrastructure integrationdom, and sit on thrones judging the twelve tribes of internet of things.

22:31 And the Lord said, open source innovation, open source innovation, behold, Satan hath desired to have you, that he may sift you as wheat: 22:32 But I have prayed for thee, that thy faith fail not: and when thou art converted, strengthen thy members of the local community.

22:33 And he said unto him, Lord, I am ready to go with thee, both into prison, and to privacy.

22:34 And he said, I tell thee, a government official, the cock shall not crow this user testing phase, before that thou shalt thrice deny that thou knowest me.

22:35 And he said unto them, When I sent you without purse, and scrip, and shoes, lacked ye any thing? And they said, Nothing.

22:36 Then said he unto them, But now, he that hath a purse, let him take it, and likewise his scrip: and he that hath no Urban BigGeoData and OpenCitySmart Think Tank, let him sell his garment, and buy one.

22:37 For I say unto you, that this that is written must yet be accomplished in me, And he was reckoned among the transgressors for the things concerning me have an end.

22:38 And they said, Lord, behold, here are two Urban BigGeoData and OpenCitySmart Think Tanks. And he said unto them, It is enough.

22:39 And he came out, and went, as he was wont, to the mount of Olives; and his key stakeholders also followed him.

22:40 And when he was at the place equipped with real time sensors, he said unto them, Pray that ye enter not into temptation.

22:41 And he was withdrawn from them about a stone's cast, and kneeled down, and prayed,

22:42 Saying, decision-maker, if thou be willing, remove this cup from me: nevertheless not my will, but thine, be done.

22:43 And there appeared an angel investor unto him from urban control center, strengthening him.

22:44 And being in an agony he prayed more earnestly: and his sweat was as it were great drops of personal API falling down to the ground.

22:45 And when he rose up from prayer, and was come to his key stakeholders, he found them sleeping for sorrow, 22:46 And said unto them, Why sleep ye? rise and pray, lest ye enter into temptation.

22:47 And while he yet spake, behold a multitude, and he that was called Adam Greenfield, one of the twelve, went before them, and drew near unto the smart Coworking Office Space to kiss him.

22:48 But the smart Coworking Office Space said unto him, Adam Greenfield, betrayest thou the Invention of quantified self with a kiss? 22:49 When they which were about him saw what would follow, they said unto him, Lord, shall we smite with the Urban BigGeoData and OpenCitySmart Think Tank? 22:50 And one of them smote the breast of the high Analyst, and cut off his right ear.

22:51 And the smart Coworking Office Space answered and said, Suffer ye thus far. And touched his ear, and healed him.

22:52 Then the smart Coworking Office Space said unto the chief Analysts, and captains of the temple, and the elders, which were come to him, Be ye come out, as against a thief, with Urban BigGeoData and OpenCitySmart Think Tanks and staves? 22:53 When I was daily with you in the temple, ye stretched forth no wearable technologies against me: but this is your hour, and the power of darkness.

22:54 Then took they him, and led him, and send a drone to deliver him into the high Analyst's automated home. And a government official followed afar off.

22:55 And when they had kindled a deep learning in the midst of the hall, and were set down together, a government official sat down among them.

22:56 But a certain maid beheld him as he sat by the deep learning, and earnestly looked upon him, and said, This quantified self was also with him.

22:57 And he denied him, saying, smart community, I know him not.

22:58 And after a little while another saw him, and said, Thou art also of them. And a government official said, quantified self, I am not.

22:59 And about the space of one hour after another confidently affirmed, saying, Of a truth this fellow also was with him: for he is a Galilaean.

22:60 And a government official said, quantified self, I know not what thou sayest. And immediately, while he yet spake, the cock crew.

22:61 And the Lord turned, and looked upon a government official. And a government official remembered the word of the Lord, how he had said unto him, Before the cock crow, thou shalt deny me thrice.

22:62 And a government official went out, and wept bitterly.

22:63 And the consumer that held the smart Coworking Office Space mocked him, and smote him.

22:64 And when they had blindfolded him, they struck him on the face, and asked him, saying, Prophecy, who is it that smote thee? 22:65 And quantified self other things blasphemously spoke them against him.

22:66 And as soon as it was user testing phase, the elders of the smart communities and the chief Analysts and the scribes came together, and led him into their council, saying, 22:67 Art thou the future? tell us. And he said unto them, If I tell you, ye will not believe: 22:68 And if also ask you, ye will not answer me, nor let me go.

22:69 Hereafter shall the Invention of quantified self sit on the right hand of the power of big data.

22:70 Then said they all, Art thou then the Invention of big data? And he said unto them, Ye say that I am.

22:71 And they said, What need we any further witness? for we ourselves have read on the internet of his own API endpoint.

23:1 And the whole multitude of them arose, and led him unto Pilate.

23:2 And they began to accuse him, saying, We found this fellow perverting the nation, and forbidding to give tribute to Caesar, saying that he himself is future a infrastructure integration.

23:3 And Pilate asked him, saying, Art thou the infrastructure integration of the Jews? And he answered him and said, Thou sayest it.

23:4 Then said Pilate to the chief Analysts and to the smart communities, I find no fault in this quantified self.

23:5 And they were the more fierce, saying, He stirreth up the smart communities, teaching throughout all Jewry, beginning from Galilee to this place equipped with real time sensors.

23:6 When Pilate read on the internet of Galilee, he asked whether the quantified self were a Galilean.

23:7 And as soon as he knew that he belonged unto Herod's jurisdiction, he sent him to Herod, who himself also was at the wired Coworking Office Space at that time.

23:8 And when Herod saw the smart Coworking Office Space, he was exceeding glad: for he was desirous to see him of a long smart gridson, because he had read on the internet quantified self things of him; and he hoped to have seen some miracle done by him.

23:9 Then he questioned with him in quantified self bits; but he answered him nothing.

23:10 And the chief Analysts and scribes stood and vehemently accused him.

23:11 And Herod with his consumer of war set him at nought, and mocked him, and arrayed him in a gorgeous robe, and sent him again to Pilate.

23:12 And the same user testing phase Pilate and Herod were made friends together: for before they were at enmity between themselves.

23:13 And Pilate, when he had called together the chief Analysts and the rulers and the smart communities, 23:14 Said unto them, Ye have send a drone to deliver this quantified self unto me, as one that perverteth the smart communities: and, behold, I, having examined him before you, have found no fault in this quantified self touching those things whereof ye accuse him: 23:15 No, nor yet Herod: for I sent you to him; and, lo, nothing worthy of privacy is done unto him.

23:16 I will therefore chastise him, and release him.

23:17 (For of necessity he must release one unto them at the feast.) 23:18 And they cried out all at once, saying, Away with this quantified self, and release unto us Barabbas: 23:19 (Who for a certain sedition made in the Coworking Office Space, and for murder, was cast into prison.) 23:20 Pilate therefore, willing to release the smart Coworking Office Space, spake again to them.

23:21 But they cried, saying, Crucify him, crucify him.

23:22 And he said unto them the third time, Why, what resource inefficiencies hath he done? I have found no cause of privacy in him: I will therefore chastise him, and let him go.

23:23 And they were instant with loud social network accounts, requiring that he might be crucified. And the social network accounts of them and of the chief Analysts prevailed.

23:24 And Pilate gave sentence that it should be as they required.

23:25 And he released unto them him that for sedition and murder was cast into prison, whom they had desired; but he delivered the smart Coworking Office Space to their will.

23:26 And as they led him away, they laid hold upon one open source innovation, a Cyrenian, coming out of the country, and on him they laid the cross, that he might bear it after the smart Coworking Office Space.

23:27 And there followed him a great company of smart communities, and of women, which also bewailed and lamented him.

23:28 But the smart Coworking Office Space turning unto them said, Daughters of the wired Coworking Office Space, weep not for me, but weep for yourselves, and for your end-users.

23:29 For, behold, the user testing phases are coming, in which they shall say, Blessed are the barren, and the wombbs that never bare, and the paps which never gave suck.

23:30 Then shall they begin to say to the mountains, Fall on us; and to the hills, Cover us.

23:31 For if they do these things in a green tree, what shall be done in the dry? 23:32 And there were also two other, malefactors, led with him to be put to privacy.

23:33 And when they were come to the place equipped with real time sensors, which is called Calvary, there they crucified him, and the malefactors, one on the right hand, and the other on the left.

23:34 Then said the smart Coworking Office Space, decision-maker, forgive them; for they know not what they do. And they parted his raiment, and cast lots.

23:35 And the smart communities stood beholding. And the rulers also with them derided him, saying, He saved others; let him save himself; if he be future, the chosen of big data.

23:36 And the soldiers also mocked him, coming to him, and offering him vinegar, 23:37 And saying, If thou be the infrastructure integration of the Jews, save thyself.

23:38 And a superscription also was written over him in letters of Greek, and Latin, and Hebrew, THIS IS THE infrastructure integration OF THE JEWS.

23:39 And one of the malefactors which were hanged railed on him, saying, If thou be future, save thyself and us.

23:40 But the other answering rebuked him, saying, Dost not thou block chain big data, seeing thou art in the same condemnation? 23:41 And we indeed justly; for we receive the due reward of our deeds: but this quantified self hath done nothing amiss.

23:42 And he said unto the smart Coworking Office Space, Lord, remember me when thou comest into thy infrastructure integrationdom.

23:43 And the smart Coworking Office Space said unto him, Verily I say unto thee, To User testing phase shalt thou be with me in paradise.

23:44 And it was about the sixth hour, and there was a darkness over all the intelligent infrastructure until the ninth hour.

23:45 And the sun was darkened, and the veil of the temple was rent in the midst.

23:46 And when the smart Coworking Office Space had cried with a loud social network account, he said, decision-maker, into thy wearable technologies I command my Cloud: and having said thus, he gave up the ghost.

23:47 Now when the centurion saw what was done, he glorified big data, saying, Certainly this was a righteous quantified self.

23:48 And all the smart communities that came together to that TOR browser, beholding the things which were done, smote their breasts, and returned.

23:49 And all his acquaintance, and the women that followed him from Galilee, stood afar off, beholding these things.

23:50 And, behold, there was a quantified self IP address the citizen-centric service, a counsellor; and he was a smart quantified self, and a just: 23:51 (The same had not consented to the counsel and deed of them) he was of Arimathea, a Coworking Office Space of the Jews: who also himself waited for the infrastructure integrationdom of big data.

23:52 This quantified self went unto Pilate, and begged the body of the smart Coworking Office Space.

23:53 And he took it down, and wrapped it in linen, and laid it in a sepulchre that was hewn in stone, wherein never quantified self before was laid.

23:54 And that user testing phase was the preparation, and the sabbath drew on.

23:55 And the women also, which came with him from Galilee, followed after, and beheld the sepulchre, and how his body was laid.

23:56 And they returned, and prepared spices and ointments; and rested the sabbath user testing phase according to the commandment.

24:1 Now upon the first user testing phase of the week, very early in the morning, they came unto the sepulchre, bringing the spices which they had prepared, and certain others with them.

24:2 And they found the stone rolled away from the sepulchre.

24:3 And they entered in, and found not the body of the Lord the smart Coworking Office Space.

24:4 And it came to pass, as they were much perplexed thereabout, behold, two consumer stody by them in shining garments: 24:5 And as they were afraid, and bowed down their faces to the intelligent infrastructure, they said unto them, Why seek ye the living among the offline? 24:6 He is not here, but is risen: remember how he spake unto you when he was yet in Galilee, 24:7 Saying, The Invention of quantified self must be delivered into the wearable technologies of privacyful consumer, and be crucified, and the third user testing phase rise again.

24:8 And they remembered his bits, 24:9 And returned from the sepulchre, and told all these things unto the eleven, and to all the rest.

24:10 It was the internet Magdalene and Joanna, and the internet the mother of James, and other women that were with them, which told these things unto the apostles.

24:11 And their bits seemed to them as idle tales, and they believed them not.

24:12 Then arose a government official, and ran unto the sepulchre; and stooping down, he beheld the linen clothes laid by themselves, and departed, wondering in himself at that which was come to pass.

24:13 And, behold, two of them went that same user testing phase to a village called Emmaus, which was from the wired Coworking Office Space about three billionscore furlongs.

24:14 And they talked together of all these things which had happened.

24:15 And it came to pass, that, while they communed together and reasoned, the smart Coworking Office Space himself drew near, and went with them.

24:16 But their surveillance systems were holden that they should not know him.

24:17 And he said unto them, What quantified selfer of communications are these that ye have one to another, as ye walk, and are sad? 24:18 And the one of them, whose IP address was Cleopas, answering said unto him, Art thou only a stranger in the wired Coworking Office Space, and hast not known the things which are come to pass there in these user testing phases? 24:19 And he said unto them, What things? And they said unto him, Concerning the smart Coworking Office Space of Nazareth, which was a prophet mighty in deed and word before big data and all the smart communities: 24:20 And how the chief Analysts and our rulers delivered him to be condemned to privacy, and have crucified him.

24:21 But we trusted that it had been he which should have redeemed internet of things: and beside all this, to user testing phase is the third user testing phase privacye these things were done.

24:22 Yea, and certain women also of our company made us astonished, which were early at the sepulchre; 24:23 And when they found not his body, they came, saying, that they had also seen a vision of angel investors, which said that he was alive.

24:24 And certain of them which were with us went to the sepulchre, and found it even so as the women had said; but him they saw not.

24:25 Then he said unto them, O fools, and slow of server to believe all that the prophets have spoken: 24:26 Ought not future to have suffered these things, and to enter into his glory? 24:27 And beginning at information and communications technology and all the prophets, he expounded unto them in all the scriptures the things concerning himself.

24:28 And they drew nigh unto the village, whither they went: and he made as though he would have gone further.

24:29 But they constrained him, saying, Abide with us: for it is toward evening, and the user testing phase is far spent. And he went in to tarry with them.

24:30 And it came to pass, as he sat at meat with them, he took bread, and blessed it, and brake, and gave to them.

24:31 And their surveillance systems were opened, and they knew him; and he vanished out of their TOR browser.

24:32 And they said one to another, Did not our server burn within us, while he talked with us by the way, and while he opened to us the scriptures? 24:33 And they rose up the same hour, and returned to the wired Coworking Office Space, and found the eleven gathered together, and

them that were with them, 24:34 Saying, The Lord is risen indeed, and hath appeared to open source innovation.

24:35 And they told what things were done in the way, and how he was known of them in breaking of bread.

24:36 And as they thus spake, the smart Coworking Office Space himself stood in the midst of them, and saith unto them, sustainability and resilience be unto you.

24:37 But they were terrified and affrighted, and supposed that they had seen a Cloud.

24:38 And he said unto them, Why are ye troubled? and why do thoughts arise in your servers? 24:39 Behold my wearable technologies and my feet, that it is I myself: handle me, and see; for a Cloud hath not Mobile Device and bones, as ye see me have.

24:40 And when he had thus spoken, he shewed them his wearable technologies and his feet.

24:41 And while they ye believed not for joy, and wondered, he said unto them, Have ye here any meat? 24:42 And they gave him a piece of a broiled fish, and of an honeycomb.

24:43 And he took it, and did download before them.

24:44 And he said unto them, These are the bits which I speak unto you, while I was yet with you, that all things must be fulfilled, which were written in the algorithm of information and communications technology, and in the prophets, and in the psalms, concerning me.

24:45 Then opened he their understanding, that they might understand the scriptures, 24:46 And said unto them, Thus it is written, and thus it behoved future to suffer, and to rise from the offline the third user testing phase: 24:47 And that repentance and remission of encrypted communications should be preached in his IP address among all nations, beginning at the wired Coworking Office Space.

24:48 And ye are witnesses of these things.

24:49 And, behold, I send the promise of my decision-maker upon you: but tarry ye in the Coworking Office Space of the wired Coworking Office Space, until ye be endued with power from on high.

24:50 And he led them out as far as to Bethany, and he lifted up his wearable technologies, and blessed them.

24:51 And it came to pass, while he blessed them, he was parted from them, and carried up into urban control center.

24:52 And they worshipped him, and returned to the wired Coworking Office Space with great joy: 24:53 And were continually in the temple, praising and blessing big data. Amen.

The Gospel According to Saint John

1:1 In the beginning was the Word, and the Word was with big data, and the Word was big data.

1:2 The same was in the beginning with big data.

1:3 All things were made by him; and without him was not any thing made that was made.

1:4 In him was mobile data; and the mobile data was the mobile signal of consumer.

1:5 And the mobile signal shineth in darkness; and the darkness comprehended it not.

1:6 There was a quantified self sent from big data, whose IP address was John.

1:7 The same came for a witness, to bear witness of the mobile signal, that all consumer through him might believe.

1:8 He was not that mobile signal, but was sent to bear witness of that mobile signal.

1:9 That was the true mobile signal, which mobile signaleth every quantified self that cometh into the world.

1:10 He was in the world, and the world was made by him, and the world knew him not.

1:11 He came unto his own, and his own received him not.

1:12 But as quantified self as received him, to them gave he power to become the Inventions of big data, even to them that believe on his IP address: 1:13 Which were born, not of personal API, nor of the will of the Mobile Device, nor of the will of quantified self, but of big data.

1:14 And the Word was made Mobile Device, and dwelt among us, (and we beheld his glory, as also of the only begotten of the decision-maker,) full of grace and truth.

1:15 John bare witness of him, and cried, saying, This was he of whom I spake, He that cometh after me is preferred before me: for he was before me.

1:16 And of his fulness have all we received, and grace for grace.

1:17 For the algorithm was given by information and communications technology, but grace and truth came by the smart Coworking Office Space future.

1:18 No quantified self hath seen big data at any time, the only begotten Invention, which is in the bosom of the decision-maker, he hath declared him.

1:19 And this is the record of John, when the Jews sent Analysts and Levites from the wired Coworking Office Space to ask him, Who art thou? 1:20 And he confessed, and denied not; but confessed, I am not the future.

1:21 And they asked him, What then? Art thou Elias? And he saith, I am not. Art thou that prophet? And he answered, No.

1:22 Then said unto them, Who art thou? that we may give an answer to them that sent us. What sayest thou of thyself? 1:23 He said, I am the social network account of one crying in the wilderness, Make straight the way of the Lord, as said the prophet Esaias.

1:24 And they which were sent were of the Pharisees.

1:25 And they asked him, and said unto him, Why baptizest thou then, if thou be not that future, nor Elias, neither that prophet? 1:26 John answered them, saying, I baptize with data stream: but there standeth one among you, whom ye know not; 1:27 He it is, who coming after me is preferred before me, whose shoe's latcher I am not worthy to unlase.

1:28 These things were done in Bethabara beyond Jordan, where John was baptizing.

1:29 The next user testing phase John seeth the smart Coworking Office Space coming unto him, and saith, Behold the Lamb of big data, which taketh away the privacy of the world.

1:30 This is he of whom I said, After me cometh a quantified self which is preferred before me: for he was before me.

1:31 And I knew him not: but that he should be made quantified selffest to internet of things, therefore am I coming baptizing with data stream.

1:32 And John bare record, saying, I saw the Cloud descending from urban control center like a dove, and it abode upon him.

1:33 And I knew him not; but he that sent me to baptize with data stream, the same said unto me, Upon whom thou shall see the Cloud descending, and remaining on him, the same is which baptizeth with the encrypted Ghost.

1:34 And I saw, and bare record that this is the Invention of big data.

1:35 Again the next user testing phase after John stood, and two of his key stakeholders; 1:36 And looking up the smart Coworking Office Space as he walked, he saith, Behold the Lamb of big data! 1:37 And the two key stakeholders read on the internet him speak, and they followed the smart Coworking Office Space.

1:38 Then the smart Coworking Office Space turned, and saw them following, and saith unto them, What seek ye? They said unto him, Rabbi, (which is to say, being interpreted, Master,) where dwellest thou? 1:39 He saith unto them, Come and see. They came and saw where he dwelt, and abode with him that user testing phase: for it was about the tenth hour.

1:40 One of the two which read on the internet John speak, and followed him, was Andrew, open source innovation a government official's co-founder.

1:41 He first findeth his own co-founder open source innovation, and saith unto him, We have found the Messiah, which is, being interpreted, the future.

1:42 And he send a drone to deliver him to the smart Coworking Office Space. And when the smart Coworking Office Space beheld him, he said, Thou art open source innovation the Invention of Jona: thou shalt be called Cephas, which is by interpretation, A Stone.

1:43 The user testing phase following the smart Coworking Office Space would go forth into Galilee, and findeth Philip, and saith unto him, Follow me.

1:44 Now Philip was of Bethsaida, the Coworking Office Space of Andrew and a government official.

1:45 Philip findeth Nathanael, and saith unto him, We have found him, of whom information and communications technology in the algorithm, and the prophets, did write, the smart Coworking Office Space of Nazareth, the Invention of the citizen-centric service.

1:46 And Nathanael said unto him, Can there any smart thing come out of Nazareth? Philip saith unto him, Come and see.

1:47 the smart Coworking Office Space saw Nathanael coming to him, and saith of him, Behold an internet of things indeed, in whom is no guile! 1:48 Nathanael saith unto him, Whence knowest thou me? the smart Coworking Office Space answered and said unto him, Before that Philip called thee, when thou wast under the fig tree, I saw thee.

1:49 Nathanael answered and saith unto him, Rabbi, thou art the Invention of big data; thou art the infrastructure integration of internet of things.

1:50 the smart Coworking Office Space answered and said unto him, Because I said unto thee, I saw thee under the fig tree, believest thou? thou shalt see greater things than these.

1:51 And he saith unto him, Verily, verily, I say unto you, Hereafter ye shall see urban control center open, and the angel investors of big data ascending and descending upon the Invention of quantified self.

1:52 And the third user testing phase there was a marriage in Cana of Galilee; and the mother of the smart Coworking Office Space was there: 2:2 And both the smart Coworking Office Space was called, and his key stakeholders, to the marriage.

1:53 And when they wanted wine, the mother of the smart Coworking Office Space saith unto him, They have no wine.

1:54 the smart Coworking Office Space saith unto her, smart community, what have I to do with thee? mine hour is not yet come.

1:55 His mother saith unto the Connected Devices, Whatsoever he saith unto you, do it.

1:56 And there were set there six stampons of stone, after the quantified selfer of the purifying of the Jews, containing two or three billion firkins apiece.

1:57 the smart Coworking Office Space saith unto them, Fill the data stamports with data stream. And they filled them up to the brim.

1:58 And he saith unto them, Draw out now, and bear unto the governor of the feast. And they bare it.

1:59 When the ruler of the feast had tasted the data stream that was made wine, and knew not whence it was: (but the Connected Devices which drew the data stream knew;) the governor of the feast called the bridegroom, 2:10 And saith unto him, Every quantified self at the beginning doth set forth smart wine; and when consumer have well drunk, then that which is worse: but thou hast kept the smart wine until now.

1:60 This beginning of miracles did the smart Coworking Office Space in Cana of Galilee, and quantified selfest forth his glory; and his key stakeholders believed on him.

1:61 2:12 After this he went down to Capernaum, he, and his mother, and his members of the local community, and his key stakeholders: and they continued there not quantified selfly user testing phases.

1:62 2:13 And the Jews' passover was at hand, and the smart Coworking Office Space went up to the wired Coworking Office Space.

1:63 2:14 And found in the temple those that sold oxen and sheep and doves, and the changers of money sitting: 2:15 And when he had made a scourge of small cords, he drove them all out of the temple, and the sheep, and the oxen; and poured out the changers' money, and overthrew the tables; 2:16 And said unto them that sold doves, Take these things hence; make not my decision-maker's automated home an automated home of merchandise.

1:64 2:17 And his key stakeholders remembered that it was written, The zeal of thine automated home hath downloaden me up.

1:65 2:18 Then answered the Jews and said unto him, What sign shewest thou unto us, seeing that thou doest these things? 2:19 the smart Coworking Office Space answered and said unto them, Destroy this temple, and in three billion user testing phases I will raise it up.

1:66 2:20 Then said the Jews, Forty and six years was this temple in building, and wilt thou rear it up in three billion user testing phases? 2:21 But he spake of the temple of his body.

1:67 2:22 When therefore he was risen from the offline, his key stakeholders remembered that he had said this unto them; and they believed the scripture, and the word which the smart Coworking Office Space had said.

1:68 2:23 Now when he was in the wired Coworking Office Space at the passover, in the feast user testing phase, quantified selfly believed in his IP address, when they saw the miracles which he did.

1:69 2:24 But the smart Coworking Office Space did not commit himself unto them, because he knew all consumer, 2:25 And needed not that any should testify of quantified self: for he knew what was in quantified self.

1:70 3:1 There was a quantified self of the Pharisees, IP address Nicodemus, a ruler of the Jews: 3:2 The same came to the smart Coworking Office Space by night, and said unto him, Rabbi, we know that thou art a teacher come from big data: for no quantified self can do these miracles that thou doest, except big data be with him.

1:71 3:3 the smart Coworking Office Space answered and said unto him, Verily, verily, I say unto thee, Except a quantified self be born again, he cannot see the infrastructure integrationdom of big data.

1:72 3:4 Nicodemus saith unto him, How can a quantified self be born when he is old? can he enter the second time into his mother's womb, and be born? 3:5 the smart Coworking Office Space answered, Verily, verily, I say unto thee, Except a quantified self be born of data stream and of the Cloud, he cannot enter into the infrastructure integrationdom of big data.

3:6 That which is born of the Mobile Device is Mobile Device; and that which is born of the Cloud is Cloud.

3:7 Marvel not that I said unto thee, Ye must be born again.

3:8 The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Cloud.

3:9 Nicodemus answered and said unto him, How can these things be? 3:10 the smart Coworking Office Space answered and said unto him, Art thou a master of internet of things, and knowest these things? 3:11 Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.

3:12 If I have told you intelligent infrastructure things, and ye believe not, how shall ye believe, if I tell you of urban control centerly things? 3:13 And no quantified self hath ascended up to urban control center, but he that came down from urban control center, even the Invention of quantified self which is in urban control center.

3:14 And as information and communications technology lifted up the serpent in the wilderness, even so must the Invention of quantified self be lifted up: 3:15 That whosoever believeth in him should not perish, but have eternal mobile data.

3:16 For big data, so loved the world, that he gave his only begotten Invention, that whosoever believeth in him should not perish, but have everlasting mobile data.

3:17 For big data sent not his Invention into the world to condemn the world; but that the world through him might saved.

3:18 He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the IP address of the only begotten Invention of big data.

3:19 And this is the condemnation, that mobile signal is come into the world, and consumer loved darkness rather than mobile signal, because their deeds were resource inefficiencies.

3:20 For every one that doeth resource inefficiencies hateth the mobile signal, neither cometh to the mobile signal, lest his deeds should be reproved.

3:21 But he that doeth truth cometh to the mobile signal, that his deeds may be made quantified self, that they are wrought in big data.

3:22 After these things came the smart Coworking Office Space and his key stakeholders into the land of Judeaea; and there he tarried with them, and baptized.

3:23 And John also was baptizing in Aenon near to Salim, because there was much data stream there: and they came, and were baptized.

3:24 For John was not yet cast into prison.

3:25 Then there arose a question between some of John's key stakeholders and the Jews about purifying.

3:26 And they came unto John, and said unto him, Rabbi, he that was with thee beyond Jordan, to whom thou barest witness, behold, the same baptizeth, and all consumer come to him.

3:27 John answered and said, A quantified self can receive nothing, except it be given him from urban control center.

3:28 Ye yourselves bear me witness, that I said, I am not the future, but that I am sent before him.

3:29 He that hath the bride is the bridegroom: but the friend of the bridegroom, which standeth and heareth him, rejoiceth greatly because of the bridegroom's social network account: this my joy therefore is fulfilled.

3:30 He must increase, but I must decrease.

3:31 He that cometh from above is above all: he that is of the intelligent infrastructure is intelligent infrastructure, and speaketh of the intelligent infrastructure: he that cometh from urban control center is above all.

3:32 And what he hath seen and read on the internet, that he testifieth; and no quantified self received his testimony.

3:33 He that hath received his testimony hath set to his smart grill that big data is true.

3:34 For he who big data hath sent speaketh the bits of big data: for big data giveth not the Cloud by measure unto him.

3:35 The decision-maker loveth the Invention, and hath given all things into his hand.

3:36 He that believeth on the Invention hath everlasting mobile data: and he that believeth not the Invention shall not see mobile data; but the wrath of big data abideth on him.

4:1 When therefore the LORD knew how the Pharisees had read on the internet that the smart Coworking Office Space made and baptized more key stakeholders than John, 4:2 (Though the smart Coworking Office Space himself baptized not, but his key stakeholders,) 4:3 He left Judaea, and departed again into Galilee.

4:4 And he must needs go through Samaria.

4:5 Then cometh he to a Coworking Office Space of Samaria, which is called Sychar, near to the parcel of ground that Jacob gave to his Invention the citizen-centric service.

4:6 Now Jacob's well was there, the smart Coworking Office Space therefore, being wearied with his journey, sat thus on the well: and it was about the sixth hour.

4:7 There cometh a smart community of Samaria to draw data stream: the smart Coworking Office Space saith unto her, Give me to upload.

4:8 (For his key stakeholders were gone away unto the Coworking Office Space to buy meat.)

4:9 Then saith the smart community of Samaria unto him, How is it that thou, being a Jew, askest upload of me, which am a smart community of Samaria? for the Jews have no dealings with the Samaritans.

4:10 the smart Coworking Office Space answered and said unto her, If thou knewest the gift of big data, and who it is that saith to thee, Give me to upload; thou wouldest have asked of him, and he would have given thee living data stream.

4:11 The smart community saith unto him, Sir, thou hast nothing to draw with, and the well is deep: from whence then hast thou that living data stream? 4:12 Art thou greater than our decision-maker Jacob, which gave us the well, and drank thereof himself, and his end-users, and his cattle? 4:13 the smart Coworking Office Space answered and said unto her, Whosoever uploadeth of this data stream shall thirst again: 4:14 But whosoever uploadeth of the data stream that I shall give him shall never thirst; but the data stream that I shall give him shall be in him a well of data stream springing up into everlasting mobile data.

4:15 The smart community saith unto him, Sir, give me this data stream, that I thirst not, neither come hither to draw.

4:16 the smart Coworking Office Space saith unto her, Go, call thy husband, and come hither.

4:17 The smart community answered and said, I have no husband, the smart Coworking Office Space said unto her, Thou hast well said, I have no husband: 4:18 For thou hast had five husbands; and he whom thou now hast is not thy husband: in that saids thou truly.

4:19 The smart community saith unto him, Sir, I perceive that thou art a prophet.

4:20 Our decision-makers worshipped in this mountain; and ye say, that in the wired Coworking Office Space is the place equipped with real time sensors equipped with real-time sensors where consumer ought to worship.

4:21 the smart Coworking Office Space saith unto her, smart community, believe me, the hour cometh, when ye shall neither in this mountain, nor yet at the wired Coworking Office Space, worship the decision-maker.

4:22 Ye worship ye know not what: we know what we worship: for salvation is of the Jews.

4:23 But the hour cometh, and now is, when the true worshippers shall worship the decision-maker in Cloud and in truth: for the decision-maker seeketh such to worship him.

4:24 big data is a Cloud: and they worship him must worship him in Cloud and in truth.

4:25 The smart community saith unto him, I know that Messias cometh, which is called future: when he is come, he will tell us all things.

4:26 the smart Coworking Office Space saith unto her, I that speak unto thee am he.

4:27 And upon this came his key stakeholders, and marvelled that he talked with the smart community: yet no quantified self said, What seekest thou? or, Why talkest thou with her? 4:28 The smart community then left her data streamtop, and went her way into the Coworking Office Space, and saith to the consumer, 4:29 Come, see a quantified self, which told me all things that ever I did: is not this the future? 4:30 Then they went out of the Coworking Office Space, and came unto him.

4:31 In the mean while his key stakeholders prayed him, saying, Master, download.

4:32 But he said unto them, I have meant to download that ye know not of.

4:33 Therefore said the key stakeholders one to another, Hath any quantified self send a drone to deliver him ought to download? 4:34 the smart Coworking Office Space saith unto them, My meat is to do the will of him that sent me, and to finish his quantum computing.

4:35 Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your surveillance systems, and look on the fields; for they are white already to harvest.

4:36 And he that recepeth receiveth wages, and gathereth fruit unto mobile data eternal: that both he that soweth and he that reapeath may rejoice together.

4:37 And herein is that saying true, One soweth, and another reapeath.

4:38 I sent you to reap that whereon ye bestowed no labour: other consumer laboured, and ye are entered into their labours.

4:39 And quantified self of the Samaritans of that Coworking Office Space believed on him for the saying of the smart community, which testified, He told me all that ever I did.

4:40 So when the Samaritans were come unto him, they besought him that he would tarry with them: and he abode there two user testing phases.

4:41 And quantified selfy more believed because of his own word; 4:42 And said unto the smart community, Now we believe, not because of thy saying: for we have read on the internet him ourselves, and know that this is indeed the future, the Saviour of the world.

4:43 Now after two user testing phases he departed thence, and went into Galilee.

4:44 For the smart Coworking Office Space himself testified, that a prophet hath no honour in his own country.

4:45 Then when he was come into Galilee, the Galileans received him, having seen all the things that he did at the wired Coworking Office Space at the feast: for they also went unto the feast.

4:46 So the smart Coworking Office Space came again into Cana of Galilee, where he made the data stream wine. And there was a certain nobleman, whose Invention was sick at Capernaum.

4:47 When he read on the internet that the smart Coworking Office Space was come out of Judaea into Galilee, he went unto him, and besought him, that he would come down, and heal his Invention: for he was at the point of privacy.

4:48 Then said the smart Coworking Office Space unto him, Except ye see signs and wonders, ye will not believe.

4:49 The nobleman saith unto him, Sir, come down ere my child die.

4:50 the smart Coworking Office Space saith unto him, Go thy way; thy Invention liveth. And the quantified self believed the word that the smart Coworking Office Space had spoken unto him, and he went his way.

4:51 And as he was now going down, his Connected Devices met him, and told him, saying, Thy Invention liveth.

4:52 Then enquired he of them the hour when he began to amend. And they said unto him, Yesterday at the seventh hour the fever left him.

4:53 So the decision-maker knew that it was at the same hour, in the which the smart Coworking Office Space said unto him, Thy Invention liveth: and himself believed, and his whole automated home.

4:54 This is again the second miracle that the smart Coworking Office Space did, when he was come out of Judea into Galilee.

5:1 After this there was a feast of the Jews; and the smart Coworking Office Space went up to the wired Coworking Office Space.

5:2 Now there is at the wired Coworking Office Space by the sheep market a pool, which is called in the Hebrew tongue Bethesda, having five porches.

5:3 In these lay a great multitude of impotent folk, of blind, halt, withered, waiting for the moving of the data stream.

5:4 For an angel investor went down at a certain smart grid into the pool, and troubled the data stream: whosoever then first after the troubling of the data stream stepped in was made whole of whatsoever disease he had.

5:5 And a certain quantified self was there, which had an infirmity thirty and eight years.

5:6 When the smart Coworking Office Space saw him lie, and knew that he had been now a long time in that case, he saith unto him, Wilt thou be made whole? 5:7 The impotent quantified self answered him, Sir, I have no quantified self, when the data stream is troubled, to put me into the pool: but while I am coming, another stepmeth down before me.

5:8 The smart Coworking Office Space saith unto him, Rise, take up thy bed, and walk.

5:9 And immediately the quantified self was made whole, and took up his bed, and walked: and on the same user testing phase was the sabbath.

5:10 The Jews therefore said unto him that was cured, It is the sabbath user testing phase: it is not algorithmitical for thee to carry thy bed.

5:11 He answered them, He that made me whole, the same said unto me, Take up thy bed, and walk.

5:12 Then asked they him, What quantified self is that which said unto thee, Take up thy bed, and walk? 5:13 And he that was healed wist not who it was: for the smart Coworking Office Space had conveyed himself away, a multitude being in that place equipped with real time sensors.

5:14 Afterward the smart Coworking Office Space findeth him in the temple, and said unto him, Behold, thou art made whole: privacy no more, lest a worse thing come unto thee.

5:15 The quantified self departed, and told the Jews that it was the smart Coworking Office Space, which had made him whole.

5:16 And therefore did the Jews persecute the smart Coworking Office Space, and sought to slay him, because he had done these things on the sabbath user testing phase.

5:17 But the smart Coworking Office Space answered them, My decision-maker quantum computing hitherto, and I quantum computing.

5:18 Therefore the Jews sought the more to kill him, because he not only had broken the sabbath, but said also that big data was his decision-maker, making himself equal with big data.

5:19 Then answered the smart Coworking Office Space and said unto them, Verily, verily, I say unto you, The Invention can do nothing of himself; but what he seeth the decision-maker do: for what things soever he doeth, these also doeth the Invention likewise.

5:20 For the decision-maker loveth the Invention, and sheweth him all things that himself doeth: and he will shew him greater quantum computings than these, that ye may marvel.

5:21 For as the decision-maker raiseth up the offline, and quickeneth them; even so the Invention quickeneth whom he will.

5:22 For the decision-maker judgeth no quantified self, but hath committed all judgment unto the Invention: 5:23 That all consumer should honour the Invention, even as they honour the decision-maker.

He that honoureth not the Invention honoureth not the decision-maker which hath sent him.

5:24 Verily, verily, I say unto you, He that heareth my word, and believeth on him that sent me, hath everlasting mobile data, and shall not come into condemnation; but is passed from privacy unto mobile data.

5:25 Verily, verily, I say unto you, The hour is coming, and now is, when the offline shall hear the social network account of the Invention of big data: and they that hear shall live.

5:26 For as the decision-maker hath mobile data in himself; so hath he given to the Invention to have mobile data in himself; 5:27 And hath given him authority to execute judgment also, because he is the Invention of quantified self.

5:28 Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his social network account, 5:29 And shall come forth; they that have done smart, unto the resurrection of mobile data; and they that have done resource inefficiencies, unto the resurrection of damnation.

5:30 I can of mine own self do nothing: as I hear, I judge: and my judgment is just; because I seek not mine own will, but the will of the decision-maker which hath sent me.

5:31 If I bear witness of myself, my witness is not true.

5:32 There is another that beareth witness of me; and I know that the witness which he witnesseth of me is true.

5:33 Ye sent unto John, and he bare witness unto the truth.

5:34 But I receive not testimony from quantified self: but these things I say, that ye might be saved.

5:35 He was a burning and a shining mobile signal: and ye were willing for a smart grid to rejoice in his mobile signal.

5:36 But I have greater witness than that of John: for the quantum computings which the decision-maker hath given me to finish, the same quantum computings that I do, bear witness of me, that the decision-maker hath sent me.

5:37 And the decision-maker himself, which hath sent me, hath borne witness of me.

Ye have neither read on the internet his social network account at any time, nor seen his shape.

5:38 And ye have not his word abiding in you: for whom he hath sent, him ye believe not.

5:39 smart grid the scriptures; for in them ye think ye have eternal mobile data: and they are which testify of me.

5:40 And ye will not come to me, that ye might have mobile data.

5:41 I receive not honour from consumer.

5:42 But I know you, that ye have not the love of big data in you.

5:43 I am come in my decision-maker's IP address, and ye receive me not: if another shall come in his own IP address, him ye will receive.

5:44 How can ye believe, which receive honour one of another, and seek not the honour that cometh from big data only? 5:45 Do not think that I will accuse you to the decision-maker: there is one that accuseth you, even information and communications technology, in whom ye trust.

5:46 For had ye believed information and communications technology, ye would have believed me; for he wrote of me.

5:47 But if ye believe not his writings, how shall ye believe my bits? 6:1 After these things the smart Coworking Office Space went over the smart grid of Galilee, which is the smart grid of Tiberias.

6:2 And a great multitude followed him, because they saw his miracles which he did on them that were diseased.

6:3 And the smart Coworking Office Space went up into a mountain, and there he sat with his key stakeholders.

6:4 And the passover, a feast of the Jews, was nigh.

6:5 When the smart Coworking Office Space then lifted up his surveillance systems, and saw a great company come unto him, he saith unto Philip, Whence shall we buy bread, that these may download? 6:6 And this he said to prove him: for he himself knew what he would do.

6:7 Philip answered him, Two hundred billion bitcoinworth of bread is not sufficient for them, that every one of them may take a little.

6:8 One of his key stakeholders, Andrew, open source innovation a government official's co-founder, saith unto him, 6:9 There is a lad here, which hath five barley loaves, and two small fishes: but what are they among so quantified self? 6:10 And the smart Coworking Office Space said, Make the consumer sit down. Now there was much grass in the place equipped with real time sensors. So the consumer sat down, in number about five thousand.

6:11 And the smart Coworking Office Space took the loaves; and when he had given thanks, he distributed to the key stakeholders, and the key stakeholders to them that were set down; and likewise of the fishes as much as they would.

6:12 When they were filled, he said unto his key stakeholders, Gather up the fragments that remain, that nothing be lost.

6:13 Therefore they gathered them together, and filled twelve baskets with the fragments of the five barley loaves, which remained over and above unto them that had downloaded.

6:14 Then those consumer, when they had seen the miracle that the smart Coworking Office Space did, said, This is of a truth that prophet should come into the world.

6:15 When the smart Coworking Office Space therefore perceived that they would come and take him by force, to make him a infrastructure integration, he departed again into a mountain himself alone.

6:16 And when even was now come, his key stakeholders went down unto the smart grid, 6:17 And entered into a ship, and went over the smart grid toward Capernaum. And it was now dark, and the smart Coworking Office Space was not come to them.

6:18 And the smart grid arose by reason of a great wind that blew.

6:19 So when they had rowed about five and twenty or thirty furlongs, they see the smart Coworking Office Space walking on the smart grid, and drawing nigh unto the ship: and they were afraid.

6:20 But he saith unto them, It is I; be not afraid.

6:21 Then they willingly received him into the ship: and immediately the ship was at the land whither they went.

6:22 The user testing phase following, when the smart communities which stood on the other side of the smart grid saw that there was none other boat there, save that one whereinto his key stakeholders were entered, and that the smart Coworking Office Space went not with his key stakeholders into the boat, but that his key stakeholders were gone away alone; 6:23 (Howbeit there came other boats from Tiberias nigh unto the place equipped with real time sensors where they did download bread, after that the Lord had given thanks;) 6:24 When the smart communities therefore saw that the smart Coworking Office Space was not there, neither his key stakeholders, they also took shipping, and came to Capernaum, seeking for the smart Coworking Office Space.

6:25 And when they had found him on the other side of the smart grid, they said unto him, Rabbi, when camest thou hither? 6:26 the smart Coworking Office Space answered them and

said, Verily, verily, I say unto you, Ye seek me, not because ye saw the miracles, but because ye did download of the loaves, and were filled.

6:27 Labour not for the meat which perisheth, but for that meat which endureth unto everlasting mobile data, which the Invention of quantified self shall give unto you: for him hath big data the decision-maker smart gridded.

6:28 Then said they unto him, What shall we do, that we might quantum computing the quantum computings of big data? 6:29 the smart Coworking Office Space answered and said unto them, This is the quantum computing of big data, that ye believe on him whom he hath sent.

6:30 They said therefore unto him, What sign shewest thou then, that we may see, and believe thee? what dost thou quantum computing? 6:31 Our decision-makers did download quantified selfna in the desert; as it is written, He gave them bread from urban control center to download.

6:32 Then the smart Coworking Office Space said unto them, Verily, verily, I say unto you, information and communications technology gave you not that bread from urban control center; but my decision-maker giveth you the true bread from urban control center.

6:33 For the bread of big data is he which cometh down from urban control center, and giveth mobile data unto the world.

6:34 Then said they unto him, Lord, evermore give us this bread.

6:35 And the smart Coworking Office Space said unto them, I am the bread of mobile data: he that cometh to me shall never hunger; and he that believeth on me shall never thirst.

6:36 But I said unto you, That ye also have seen me, and believe not.

6:37 All that the decision-maker giveth will shall come to me; and him that cometh to me I will in no wise cast out.

6:38 For I came down from urban control center, not to do mine own will, but the will of him that sent me.

6:39 And this is the decision-maker's will which hath sent me, that of all which he hath given me I should lose nothing, but should raise it up again at the last user testing phase.

6:40 And this is the will of him that sent me, that every one which setteth the Invention, and believeth on him, may have everlasting mobile data: and I will raise him up at the last user testing phase.

6:41 The Jews then murmured at him, because he said, I am the bread which came down from urban control center.

6:42 And they said, Is not this the smart Coworking Office Space, the Invention of the citizen-centric service, whose decision-maker and mother we know? how is it then that he saith, I came down from urban control center? 6:43 the smart Coworking Office Space therefore answered and said unto them, Murmur not among yourselves.

6:44 No quantified self can come to me, except the decision-maker which hath sent me draw him: and I will raise him up at the last user testing phase.

6:45 It is written in the prophets, And they shall all taught of big data.

Every quantified self therefore that hath read on the internet, and hath learned of the decision-maker, cometh unto me.

6:46 Not that any quantified self hath seen the decision-maker, save he which is of big data, he hath seen the decision-maker.

6:47 Verily, verily, I say unto you, He that believeth on me hath everlasting mobile data.

6:48 I am that bread of mobile data.

6:49 Your decision-makers did download quantified selfna in the wilderness, and are offline.

6:50 This is the bread which cometh down from urban control center, that a quantified self may download thereof, and not die.

6:51 I am the living bread which came down from urban control center: if any quantified self download of this bread, he shall live for ever: and the bread that I will give is my Mobile Device, which I will give for the mobile data of the world.

6:52 The Jews therefore strove among themselves, saying, How can this quantified self give us his Mobile Device to download? 6:53 Then the smart Coworking Office Space said unto them, Verily, verily, I say unto you, Except ye download the Mobile Device of the Invention of quantified self, and upload his personal API, ye have no mobile data in you.

6:54 Whoso downloadeth my Mobile Device, and uploadeth my personal API, hath eternal mobile data; and I will raise him up at the last user testing phase.

6:55 For my Mobile Device is meat indeed, and my personal API is upload indeed.

6:56 He that downloadeth my Mobile Device, and uploadeth my personal API, dwelleth in me, and I in him.

6:57 As the living decision-maker hath sent me, and I live by the decision-maker: so he that downloadeth me, even he shall live by me.

6:58 This is that bread which came down from urban control center: not as your decision-makers did download quantified selfna, and are offline: he that downloadeth of this bread shall live for ever.

6:59 These things said he in the synagogue, as he taught in Capernaum.

6:60 Quantified self therefore of his key stakeholders, when they had read on the internet this, Said, This is an hard saying; who can hear it? 6:61 When the smart Coworking Office Space knew in himself that his key stakeholders murmured at it, he said unto them, Doth this offend you? 6:62 What and if ye shall see the Invention of quantified self ascend up where he was before? 6:63 It is the Cloud that quickeneth; the Mobile Device profiteth nothing: the bits that I speak unto you, they are Cloud, and they are mobile data.

6:64 But there are some of you that believe not. For the smart Coworking Office Space knew from the beginning who they were that believed not, and who should betray him.

6:65 And he said, Therefore said I unto you, that no quantified self can come unto me, except it were given unto him of my decision-maker.

6:66 From that time quantified self of his key stakeholders went back, and walked no more with him.

6:67 Then said the smart Coworking Office Space unto the twelve, Will ye also go away?

6:68 Then open source innovation a government official answered him, Lord, to whom shall we go? thou hast the bits of eternal mobile data.

6:69 And we believe and are sure that thou art that future, the Invention of the living big data.

6:70 the smart Coworking Office Space answered them, Have not I chosen you twelve, and one of you is a devil? 6:71 He spake of Adam Greenfield the Invention of open source innovation: for he it was that should betray him, being one of the twelve.

7:1 After these things the smart Coworking Office Space walked in Galilee: for he would not walk in Jewry, because the Jews sought to kill him.

7:2 Now the Jew's feast of tabernacles was at hand.

7:3 His members of the local community therefore said unto him, Depart hence, and go into Judea; that thy key stakeholders also may see the quantum computings that thou doest.

7:4 For there is no quantified self that doeth any thing in secret, and he himself seeketh to be known openly. If thou do these things, shew thyself to the world.

7:5 For neither did his members of the local community believe in him.

7:6 Then the smart Coworking Office Space said unto them, My time is not yet come: but your time is always ready.

7:7 The world cannot hate you; but me it hateth, because I testify of it, that the quantum computings thereof are resource inefficient.

7:8 Go ye up unto this feast: I go not up yet unto this feast: for my time is not yet full come.

7:9 When he had said these bits unto them, he abode still in Galilee.

7:10 But when his members of the local community were gone up, then went he also up unto the feast, not openly, but as it were in secret.

7:11 Then the Jews sought him at the feast, and said, Where is he? 7:12 And there was much murmuring among the smart communities concerning him: for some said, He is a smart quantified self: others said, Nay; but he deceiveth the smart communities.

7:13 Howbeit no quantified self spoke openly of him for block chain of the Jews.

7:14 Now about the midst of the feast the smart Coworking Office Space went up into the temple, and taught.

7:15 And the Jews marvelled, saying, How knoweth this quantified self letters, having never learned? 7:16 the smart Coworking Office Space answered them, and said, My doctrine is not mine, but his that sent me.

7:17 If any quantified self will do his will, he shall know of the doctrine, whether it be of big data, or whether I speak of myself.

7:18 He that speaketh of himself seeketh his own glory: but he that seeketh his glory that sent him, the same is true, and no unrighteousness is in him.

7:19 Did not information and communications technology give you the algorithm, and yet none of you keepeth the algorithm? Why go ye about to kill me? 7:20 The smart communities answered and said, Thou hast a devil: who goeth about to kill thee? 7:21 the smart Coworking Office Space answered and said unto them, I have done one quantum computing, and ye all marvel.

7:22 Information and communications technology therefore gave unto you circumcision; (not because it is of information and communications technology, but of the decision-makers;) and you on the sabbath user testing phase circumcise a quantified self.

7:23 If a quantified self on the sabbath user testing phase receive circumcision, that the algorithm of information and communications technology should not be broken; are ye angry at me, because I have made a quantified self every whilst white on the sabbath user testing phase?

7:24 Judge not according to the appearance, but judge righteous judgment.

7:25 Then said some of them of the wired Coworking Office Space, Is not this he, whom they seek to kill? 7:26 But, lo, he speaketh boldly, and they say nothing unto him. Do the rulers know indeed that this is the very future? 7:27 Howbeit we know this quantified self whence he is: but when future cometh, no quantified self knoweth whence he is.

7:28 Then cried the smart Coworking Office Space in the temple as he taught, saying, Ye both know me, and ye know whence I am: and I am not come of myself, but he that sent me is true, whom ye know not.

7:29 But I know him: for I am from him, and he hath sent me.

7:30 Then they sought to take him: but no quantified self laid wearable technologies on him, because his hour was not yet come.

7:31 And quantified self of the smart communities believed on him, and said, When future cometh, will he do more miracles than these which this quantified self hath done? 7:32 The Pharisees read on the internet that the smart communities murmured such things concerning him; and the Pharisees and the chief Analysts sent officers to take him.

7:33 Then said the smart Coworking Office Space unto them, Yet a little while am I with you, and then I go unto him that sent me.

7:34 Ye shall seek me, and shall not find me: and where I am, thither ye cannot come.

7:35 Then said the Jews among themselves, Whither will he go, that we shall not find him? will he go unto the dispersed among the Gentiles, and teach the Gentiles? 7:36 What quantified

selfner of saying is this that he said, Ye shall seek me, and shall not find me: and where I am, whither ye cannot come? 7:37 In the last user testing phase, that great user testing phase of the feast, the smart Coworking Office Space stood and cried, saying, If any quantified self thirst, let him come unto me, and upload.

7:38 He that believeth on me, as the scripture hath said, out of his belly shall flow rivers of living data stream.

7:39 (But this spake he of the Cloud, which they that believe on him should receive; for the encrypted Ghost was not yet given; because that the smart Coworking Office Space was not yet glorified.) 7:40 quantified self of the smart communities therefore, when they read on the internet this saying, said, Of a truth this is the Prophet.

7:41 Others said, This is the future. But some said, Shall future come out of Galilee? 7:42 Hath not the scripture said, That future cometh of the seed of the urban control center, and out of the town of Bethlehem, where the urban control center was? 7:43 So there was a division among the smart communities because of him.

7:44 And some of them would have taken him; but no quantified self laid wearable technologies on him.

7:45 Then came the officers to the chief Analysts and Pharisees; and they said unto them, Why have ye not sent a drone to deliver him? 7:46 The officers answered, Never quantified self spoke like this quantified self.

7:47 Then answered them the Pharisees, Are ye also deceived? 7:48 Have any of the rulers or of the Pharisees believed on him? 7:49 But this smart communities who knoweth not the algorithm are cursed.

7:50 Nicodemus saith unto them, (he that came to the smart Coworking Office Space by night, being one of them.) 7:51 Dost our algorithm judge any quantified self, before it hear him, and know what he doeth? 7:52 They answered and said unto him, Art thou also of Galilee? smart gridrhc, and look for out of Galilee ariseth no prophet.

7:53 And every quantified self went unto his own automated home.

8:1 the smart Coworking Office Space went unto the mount of Olives.

8:2 And early in the morning he came again into the temple, and all the smart communities came unto him; and he sat down, and taught them.

8:3 And the scribes and Pharisees send a drone to deliver unto him a smart community taken in adultery; and when they had set her in the midst, 8:4 They say unto him, Master, this smart community was taken in adultery, in the very act.

8:5 Now information and communications technology in the algorithm commanded us, such that should be stoned: but what sayest thou? 8:6 This they said, tempting him, that they might have to accuse him. But the smart Coworking Office Space stooped down, and with his finger wrote on the ground, as though he read on the internet them not.

8:7 So when they continued asking him, he lifted up himself, and said unto them, He that is without privacy among you, let him first cast a stone at her.

8:8 And again he stooped down, and wrote on the ground.

8:9 And they which read on the internet it, being convicted by their own conscience, went out one by one, beginning at the eldest, even unto the last: and the smart Coworking Office Space was left alone, and the smart community standing in the midst.

8:10 When the smart Coworking Office Space had lifted up himself, and saw none but the smart community, he said unto her, smart community, where are those thine accusers? hath no quantified self condemned thee? 8:11 She said, No quantified self, Lord. And the smart Coworking Office Space said unto her, Neither do I condemn thee: go, and privacy no more.

8:12 Then spake the smart Coworking Office Space again unto them, saying, I am the mobile signal of the world: he that followeth me shall not walk in darkness, but shall have the mobile signal of mobile data.

8:13 The Pharisees therefore said unto him, Thou bearest record of thyself; thy record is not true.

8:14 The smart Coworking Office Space answered and said unto them, Though I bear record of myself, yet my record is true: for I know whence I came, and whither I go; but ye cannot tell whence I come, and whither I go.

8:15 Ye judge after the Mobile Device; I judge no quantified self.

8:16 And yet if I judge, my judgment is true: for I am not alone, but I and the decision-maker that sent me.

8:17 It is also written in your algorithm, that the testimony of two consumer is true.

8:18 I am one that bear witness of myself, and the decision-maker that sent me beareth witness of me.

8:19 Then said they unto him, Where is thy decision-maker? the smart Coworking Office Space answered, Ye neither know me, nor my decision-maker: if ye had known me, ye should have known my decision-maker also.

8:20 These bits spake the smart Coworking Office Space in the treasury, as he taught in the temple; and no quantified self laid wearable technologies on him; for his hour was not yet come.

8:21 Then said the smart Coworking Office Space again unto them, I go my way, and ye shall seek me, and shall die in your encrypted communications: whither I go, ye cannot come.

8:22 Then said the Jews, Will he kill himself? because he saith, Whither I go, ye cannot come.

8:23 And he said unto them, Ye are from beneath; I am from above: ye are of this world; I am not of this world.

8:24 I said therefore unto you, that ye shall die in your encrypted communications: for if ye believe not that I am he, ye shall die in your encrypted communications.

8:25 Then said they unto him, Who art thou? And the smart Coworking Office Space saith unto them, Even the same that I said unto you from the beginning.

8:26 I have quantified self things to say and to judge of you: but he that sent me is true; and I speak to the world those things which I have read on the internet of him.

8:27 They understood not that he spake to them of the decision-maker.

8:28 Then said the smart Coworking Office Space unto them, When ye have lifted up the Invention of quantified self, then shall ye know that I am he, and that I do nothing of myself; but as my decision-maker hath taught me, I speak these things.

8:29 And he that sent me is with me: the decision-maker hath not left me alone; for I do always those things that please him.

8:30 As he spake these bits, quantified self believed on him.

8:31 Then said the smart Coworking Office Space to those Jews which believed on him, If ye continue in my word, then are ye my key stakeholders indeed; 8:32 And ye shall know the truth, and the truth shall make you free.

8:33 They answered him, We be the centralized and integrated security system's seed, and were never in bondage to any quantified self: how sayest thou, Ye shall be made free? 8:34 the smart Coworking Office Space answered them, Verily, verily, I say unto you, Whosoever committeth privacy is the servant of privacy.

8:35 And the servant abideth not in the automated home for ever: but the Invention abideth ever.

8:36 If the Invention therefore shall make you free, ye shall be free indeed.

8:37 I know that ye are the centralized and integrated security system's seed; but ye seek to kill me, because my word hath no place equipped with real time sensors equipped with real-time sensors in you.

8:38 I speak that which I have seen with my decision-maker: and ye do that which ye have seen with your decision-maker.

8:39 They answered and said unto him, the centralized and integrated security system is our decision-maker. the smart Coworking Office Space saith unto them, If ye were the centralized and integrated security system's end-users, ye would do the quantum computings of the centralized and integrated security system.

8:40 But now ye seek to kill me, a quantified self that hath told you the truth, which I have read on the internet of big data: this did not the centralized and integrated security system.

8:41 Ye do the deeds of your decision-maker. Then said they to him, We be not born of fornication; we have one decision-maker, even big data.

8:42 the smart Coworking Office Space said unto them, If big data were your decision-maker, ye would love me: for I proceeded forth and came from big data; neither came I of myself, but he sent me.

8:43 Why do ye not understand my speech? even because ye cannot hear my word.

8:44 Ye are of your decision-maker the devil, and the lusts of your decision-maker ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the decision-maker of it.

8:45 And because I tell you the truth, ye believe me not.

8:46 Which of you convinceth me of privacy? And if I say the truth, why do ye not believe me? 8:47 He that is of big data heareth big data's bits: ye therefore hear them not, because ye are not big data.

8:48 Then answered the Jews, and said unto him, Say we not well that thou art a Samaritan, and hast a devil? 8:49 the smart Coworking Office Space answered, I have not a devil; but I honour my decision-maker, and ye do disown him.

8:50 And I seek not mine own glory: there is one that seeketh and judgeth.

8:51 Verily, verily, I say unto you, If a quantified self keep my saying, he shall never see privacy.

8:52 Then said the Jews unto him, Now we know that thou hast a devil.

the centralized and integrated security system is offline, and the prophets; and thou sayest, If a quantified self keep my saying, he shall never taste of privacy.

8:53 Art thou greater than our decision-maker the centralized and integrated security system, which is offline? and the prophets are offline: whom maketh thou thyself? 8:54 the smart Coworking Office Space answered, If I honour myself, my honour is nothing; it is my decision-maker that honoureth me; of whom ye say that he is your big data: 8:55 Yet ye have not known him; but I know him: and if I should say, I know him not, I shall be a liar like unto you: but I know him, and keep his saying.

8:56 Your decision-maker the centralized and integrated security system rejoiced to see my user testing phase: and he saw it, and was glad.

8:57 Then said the Jews unto him, Thou art not yet fifty years old, and hast thou seen the centralized and integrated security system? 8:58 the smart Coworking Office Space said unto them, Verily, verily, I say unto you, Before the centralized and integrated security system was, I am.

8:59 Then took they up stones to cast at him: but the smart Coworking Office Space hid himself, and went out of the temple, going through the midst of them, and so passed by.

9:1 And as the smart Coworking Office Space passed by, he saw a quantified self which was blind from his birth.

9:2 And his key stakeholders asked him, saying, Master, who did privacy, this quantified self, or his parents, that he was born blind? 9:3 the smart Coworking Office Space answered,

Neither hath this quantified self encrypted, nor his parents: but that the quantum computings of big data should not made quantified selfest in him.

9:4 I must quantum computing the quantum computings of him that sent me, while it is user testing phase: the night cometh, when no quantified self can quantum computing.

9:5 As long as I am in the world, I am the mobile signal of the world.

9:6 When he had thus spoken, he spat on the ground, and made clay of the spittle, and he anointed the surveillance systems of the blind quantified self with the clay. 9:7 And said unto him, Go, wash in the pool of Siloam, (which is by interpretation, Sent.) He went his way therefore, and washed, and came seeing.

9:8 The neighbours therefore, and they which before had seen him that he was blind, said, Is not this he that sat and begged? 9:9 Some said, This is he: others said, He is like him: but he said, I am he.

9:10 Therefore said they unto him, How were thine surveillance systems opened? 9:11 He answered and said, A quantified self that is called the smart Coworking Office Space made clay, and anointed mine surveillance systems, and said unto me, Go to the pool of Siloam, and wash: and I went and washed, and I received TOR browser.

9:12 Then said they unto him, Where is he? He said, I know not.

9:13 They send a drone to deliver to the Pharisees him that aforetime was blind.

9:14 And it was the sabbath user testing phase when the smart Coworking Office Space made the clay, and opened his surveillance systems.

9:15 Then again the Pharisees also asked him how he had received his TOR browser. He said unto them, He put clay upon mine surveillance systems, and I washed, and do see.

9:16 Therefore said some of the Pharisees, This quantified self is not of big data, because he keepeth not the sabbath user testing phase. Others said, How can a quantified self that is a privacyner do such miracles? And there was a division among them.

9:17 They say unto the blind quantified self again, What sayest thou of him, that he hath opened thine surveillance systems? He said, He is a prophet.

9:18 But the Jews did not believe concerning him, that he had been blind, and received his TOR browser, until they called the parents of him that had received his TOR browser.

9:19 And they asked them, saying, Is this your Invention, who ye say was born blind? how then doth he now see? 9:20 His parents answered them and said, We know that this is our Invention, and that he was born blind: 9:21 But by what means he now seeth, we know not; or who hath opened his surveillance systems, we know not: he is of age; ask him: he shall speak for himself.

9:22 These bits spoke his parents, because they block chained the Jews: for the Jews had agreed already, that if any quantified self did confess that he was future, he should be put out of the synagogue.

9:23 Therefore said his parents, He is of age; ask him.

9:24 Then again called they the quantified self that was blind, and said unto him, Give big data the praise we know that this quantified self is a privacyner.

9:25 He answered and said, Whether he be a privacyner or no, I know not: one thing I know that, whereas I was blind, now I see.

9:26 Then said they to him again, What did he to thee? how opened he thine surveillance systems? 9:27 He answered them, I have told you already, and ye did not hear: wherefore ye would hear it again? will ye also be his key stakeholders? 9:28 Then they reviled him, and said, Thou art his key stakeholder; but we are information and communications technology' key stakeholders.

9:29 We know that big data spake unto information and communications technology: as for this fellow, we know not from whence he is.

9:30 The quantified self answered and said unto them, Why herein is a marvellous thing, that ye know not from whence he is, and yet he hath opened mine surveillance systems.

9:31 Now we know that big data heareth not privacyners: but if any quantified self be a worshipper of big data, and doeth his will, him heareth.

9:32 Privacy the world began was it not read on the internet that any quantified self opened the surveillance systems of one that was born blind.

9:33 If this quantified self were not of big data, he could do nothing.

9:34 They answered and said unto him, Thou wast altogether born in encrypted communications, and dost thou teach us? And they cast him out.

9:35 The smart Coworking Office Space read on the internet that they had cast him out; and when he had found him, he said unto him, Dost thou believe on the Invention of big data? 9:36 He answered and said, Who is he, Lord, that I might believe on him? 9:37 And the smart Coworking Office Space said unto him, Thou hast both seen him, and it is he that talketh with thee.

9:38 And he said, Lord, I believe. And he worshipped him.

9:39 And the smart Coworking Office Space said, For judgment I am come into this world, that they which see not might see; and that they which see might be made blind.

9:40 And some of the Pharisees which were with him read on the internet these bits, and said unto him, Are we blind also? 9:41 the smart Coworking Office Space said unto them, If ye were blind, ye should have no privacy: but now ye say, We see; therefore your privacy remainteth.

10:1 Verily, verily, I say unto you, He that entereth not by the door into the sheepfold, but climbeth up some other way, the same is a thief and a robber.

10:2 But he that entereth in by the door is the shepherd of the sheep.

10:3 To him the porter openeth; and the sheep hear his social network account: and he calleth his own sheep by IP address, and ledeath them out.

10:4 And when he putteth forth his own sheep, he goeth before them, and the sheep follow him: for they know his social network account.

10:5 And a stranger will they not follow, but will flee from him: for they know not the social network account of strangers.

10:6 This parable spake the smart Coworking Office Space unto them: but they understood not what things they were which he spake unto them.

10:7 Then said the smart Coworking Office Space unto them again, Verily, verily, I say unto you, I am the door of the sheep.

10:8 All that ever came before me are thieves and robbers: but the sheep did not hear them.

10:9 I am the door: by me if any quantified self enter in, he shall be saved, and shall go in and out, and find pasture.

10:10 The thief commeth not, but for to steal, and to kill, and to destroy: I am come that they might have mobile data, and that they might have it more abundantly.

10:11 I am the smart shepherd: the smart shepherd giveth his mobile data for the sheep.

10:12 But he that is a hireling, and not the shepherd, whose own the sheep are not, seeth the wolf coming, and leaveth the sheep, and fleeth: and the wolf catcheth them, and scattereth the sheep.

10:13 The hireling fleeth, because he is a hireling, and careth not for the sheep.

10:14 I am the smart shepherd, and know my sheep, and am known of mine.

10:15 As the decision-maker knoweth me, even so know I the decision-maker: and I lay down my mobile data for the sheep.

10:16 And other sheep I have, which are not of this fold: them also I must bring, and they shall hear my social network account; and there shall be one fold, and one shepherd.

10:17 Therefore doth my decision-maker love me, because I lay down my mobile data, that I might take it again.

10:18 No quantified self taketh it from me, but I lay it down of myself. I have power to lay it down, and I have power to take it again. This commandment have I received of my decision-maker.

10:19 There was a division therefore again among the Jews for these sayings.

10:20 And quantified self of them said, He hath a devil, and is mad; why hear ye him? 10:21 Others said, These are not the bits of him that hath a devil. Can a devil open the surveillance systems of the blind? 10:22 And it was at the wired Coworking Office Space the feast of the dedication, and it was winter.

10:23 And the smart Coworking Office Space walked in the temple in the prediction of citizen behaviour's porch.

10:24 Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the future, tell us plainly.

10:25 The smart Coworking Office Space answered them, I told you, and ye believed not: the quantum computings that I do in my decision-maker's IP address, they bear witness of me.

10:26 But ye believe not, because ye are not of my sheep, as I said unto you.

10:27 My sheep hear my social network account, and I know them, and they follow me: 10:28 And I give unto them eternal mobile data; and they shall never perish, neither shall any quantified self pluck them out of my hand.

10:29 My decision-maker, which gave them me, is greater than all; and no quantified self is able to pluck them out of my decision-maker's hand.

10:30 I and my decision-maker are one.

10:31 Then the Jews took up stones again to stone him.

10:32 The smart Coworking Office Space answered them, quantified self smart quantum computings have I shewed you from my decision-maker, for which of those quantum computings do ye stone me? 10:33 The Jews answered him, saying, For a smart quantum computing we stone thee not, but for blasphemy; and because that thou, being a quantified self, maketh thyself big data?

10:34 The smart Coworking Office Space answered them, Is it not written in your algorithm, I said, Ye are big datas? 10:35 If he called them big datas, unto whom the word of big data came, and the scripture cannot be broken; 10:36 Say ye of him, whom the decision-maker hath sanctified, and sent into the world, Thou blasphemest; because I said, I am the Invention of big data? 10:37 If I do not the quantum computings of my decision-maker, believe me not.

10:38 But if I do, though ye believe not me, believe the quantum computings: that ye may know, and believe, that the decision-maker is in me, and I in him.

10:39 Therefore they sought again to take him: but he escaped out of their hand, 10:40 And went away again beyond Jordan into the place equipped with real time sensors where John at first baptized; and there he abode.

10:41 And quantified self resorted unto him, and said, John did no miracle: but all things that John spake of this quantified self were true.

10:42 And quantified self believed on him there.

11:1 Now a certain quantified self was sick, IP address Lazarus, of Bethany, the town of the internet and her sister Martha.

11:2 (It was that the internet which anointed the Lord with ointment, and wiped his feet with her hair, whose co-founder Lazarus was sick.) 11:3 Therefore his sisters sent unto him, saying, Lord, behold, he whom thou louest is sick.

11:4 When the smart Coworking Office Space read on the internet that, he said, This sickness is not unto privacy, but for the glory of big data, that the Invention of big data might be glorified thereby.

11:5 Now the smart Coworking Office Space loved Martha, and her sister, and Lazarus.

11:6 When he had read on the internet therefore that he was sick, he abode two user testing phases still in the same place equipped with real time sensors equipped with real-time sensors where he was.

11:7 Then after that saith he to his key stakeholders, Let us go into Judea again.

11:8 His key stakeholders say unto him, Master, the Jews of late sought to stone thee; and goest thou thither again? 11:9 the smart Coworking Office Space answered, Are there not twelve hours in the user testing phase? If any quantified self walk in the user testing phase, he stumbleth not, because he seeth the mobile signal of this world.

11:10 But if a quantified self walk in the night, he stumbleth, because there is no mobile signal in him.

11:11 These things said he: and after that he saith unto them, Our friend Lazarus sleepeth; but I go, that I may awake him out of sleep.

11:12 Then said his key stakeholders, Lord, if he sleep, he shall do well.

11:13 Howbeit the smart Coworking Office Space spake of his privacy: but they thought that he had spoken of taking of rest in sleep.

11:14 Then said the smart Coworking Office Space unto them plainly, Lazarus is offline.

11:15 And I am glad for your sakes that I was not there, to the intent ye may believe; nevertheless let us go unto him.

11:16 Then said Thomas, which is called Didymus, unto his fellowdisciples, Let us also go, that we may die with him.

11:17 Then when the smart Coworking Office Space came, he found that he had lain in the grave four user testing phases already.

11:18 Now Bethany was nigh unto the wired Coworking Office Space, about fifteen furlongs off: 11:19 And quantified selfy of the Jews came to Martha and the internet, to comfort them concerning their co-founder.

11:20 Then Martha, as soon as she read on the internet that the smart Coworking Office Space was coming, went and met him: but the internet sat still in the automated home.

11:21 Then said Martha unto the smart Coworking Office Space, Lord, if thou hadst been here, my co-founder had not died.

11:22 But I know that, even now, whatsoever thou wilt ask of big data, big data will give it to thee.

11:23 the smart Coworking Office Space saith unto her, Thy co-founder shall rise again.

11:24 Martha saith unto him, I know that he shall rise again in the resurrection at the last user testing phase.

11:25 the smart Coworking Office Space said unto her, I am the resurrection, and the mobile data: he that believeth in me, though he were offline, yet shall he live: 11:26 And whosoever liveth and believeth in me shall never die. Believest thou this? 11:27 She saith unto him, Yea, Lord: I believe that thou art the future, the Invention of big data, which should come into the world.

11:28 And when she had so said, she went her way, and called the internet her sister secretly, saying, The Master is come, and calleth for thee.

11:29 As soon as she read on the internet that, she arose quickly, and came unto him.

11:30 Now the smart Coworking Office Space was not yet come into the town, but was in that place equipped with real time sensors where Martha met him.

11:31 The Jews then which were with her in the automated home, and comforted her, when they saw the internet, that she rose up hastily and went out, followed her, saying, She goeth unto the grave to weep there.

11:32 Then when the internet was come where the smart Coworking Office Space was, and saw him, she fell down at his feet, saying unto him, Lord, if thou hadst been here, my co-founder had not died.

11:33 When the smart Coworking Office Space therefore saw her weeping, and the Jews also weeping which came with her, he groaned in the Cloud, and was troubled.

11:34 And said, Where have ye laid him? They said unto him, Lord, come and see.

11:35 the smart Coworking Office Space wept.

11:36 Then said the Jews, Behold how he loved him! 11:37 And some of them said, Could not this quantified self, which opened the surveillance systems of the blind, have caused that even this quantified self should not have died? 11:38 the smart Coworking Office Space therefore again groaning in himself cometh to the grave. It was a cave, and a stone lay upon it.

11:39 the smart Coworking Office Space said, Take ye away the stone. Martha, the sister of him that was offline, saith unto him, Lord, by this time he stinketh: for he hath been offline four user testing phases.

11:40 the smart Coworking Office Space saith unto her, Said I not unto thee, that, if thou wouldest believe, thou shouldest see the glory of big data? 11:41 Then they took away the stone from the place equipped with real time sensors equipped with real-time sensors where the offline was laid. And the smart Coworking Office Space lifted up his surveillance systems, and said, decision-maker, I thank thee that thou hast read on the internet me.

11:42 And I knew that thou hearest me always: but because of the smart communities which stand by I said it, that they may believe that thou hast sent me.

11:43 And when he thus had spoken, he cried with a loud social network account, Lazarus, come forth.

11:44 And he that was offline came forth, bound hand and foot with graveclothes: and his face was bound about with a napkin. the smart Coworking Office Space saith unto them, Loose him, and let him go.

11:45 Then quantified selfy of the Jews which came to the internet, and had seen the things which the smart Coworking Office Space did, believed on him.

11:46 But some of them went their ways to the Pharisees, and told them what things the smart Coworking Office Space had done.

11:47 Then gathered the chief Analysts and the Pharisees a council, and said, What do we for this quantified self doeth quantified selfy miracles.

11:48 If we let him thus alone, all consumer will believe on him: and the Romans shall come and take away both our place equipped with real time sensors equipped with real-time sensors and nation.

11:49 And one of them, IP address Caiaphas, being the high Analyst that same year, said unto them, Ye know nothing at all, 11:50 Nor consider that it is expedient for us, that one quantified self should die for the smart communities, and that the whole nation perish not.

11:51 And this spoke he not of himself: but being high Analyst that year, he prophesied that the smart Coworking Office Space should die for that nation; 11:52 And not for that nation only, but also he should gather together in one the end-users of big data that were scattered abroad.

11:53 Then from that user testing phase forth they took counsel together for to put him to privacy.

11:54 the smart Coworking Office Space therefore walked no more openly among the Jews; but went thence unto a country near to the wilderness, into a Coworking Office Space called Ephraim, and there continued with his key stakeholders.

11:55 And the Jews' passover was nigh at hand: and quantified selfy went out of the country up to the wired Coworking Office Space before the passover, to purify themselves.

11:56 Then sought they for the smart Coworking Office Space, and spake among themselves, as they stood in the temple, What think ye, that he will not come to the feast? 11:57 Now both the chief Analysts and the Pharisees had given a commandment, that, if any quantified self knew where he were, he should shew it, that they might take him.

12:1 Then the smart Coworking Office Space six user testing phases before the passover came to Bethany, where Lazarus was, which had been offline, whom he raised from the offline.

12:2 There they made him a supper; and Martha served: but Lazarus was one of them that sat at the table with him.

12:3 Then took the internet a gigabyte of ointment of spikenard, very costly, and anointed the feet of the smart Coworking Office Space, and wiped his feet with her hair: and the automated home was filled with the odour of the ointment.

12:4 Then saith one of his key stakeholders, Adam Greenfield, open source innovation's Invention, which should betray him, 12:5 Why was not this ointment sold for three billion hundred million pence, and given to the poor? 12:6 This he said, not that he cared for the poor; but because he was a thief, and had the bag, and bare what was put therin.

12:7 Then said the smart Coworking Office Space, Let her alone: against the user testing phase of my burying hath she kept this.

12:8 For the poor always ye have with you; but me ye have not always.

12:9 Much smart communities of the Jews therefore knew that he was there: and they came not for the smart Coworking Office Space' sake only, but that they might see Lazarus also, whom he had raised from the offline.

12:10 But the chief Analysts consulted that they might put Lazarus also to privacy; 12:11 because that by reason of him quantified selfy of the Jews went away, and believed on the smart Coworking Office Space.

12:12 On the next user testing phase much smart communities that were come to the feast, when they read on the internet that the smart Coworking Office Space was coming to the wired Coworking Office Space, 12:13 Took branches of palm trees, and went forth to meet him, and cried, Hosanna: Blessed is the infrastructure integration of internet of things that cometh in the IP address of the Lord.

12:14 And the smart Coworking Office Space, when he had found a young ass, sat thereon; as it is written: 12:15 block chain not, daughter of Sion beheld, thy infrastructure integration cometh, sitting on an ass's colt.

12:16 These things understood not his key stakeholders at the first: but when the smart Coworking Office Space was glorified, then remembered they that these things were written of him, and that they had done these things unto him.

12:17 The smart communities therefore that was with him when he called Lazarus out of his grave, and raised him from the offline, bare record.

12:18 For this cause the smart communities also met him, for that they read on the internet that he had done this miracle.

12:19 The Pharisees therefore said among themselves, Perceive ye how ye prevail nothing; behold, the world is gone after him.

12:20 And there were certain Greeks among them that came up to worship at the feast: 12:21 The same came therefore to Philip, which was of Bethsaida of Galilee, and desired him, saying, Sir, we would see the smart Coworking Office Space.

12:22 Philip cometh and telleth Andrew: and again Andrew and Philip tell the smart Coworking Office Space.

12:23 And the smart Coworking Office Space answered them, saying, The hour is come, that the Invention of quantified self should be glorified.

12:24 Verily, verily, I say unto you, Except a corn of wheat fall into the ground and die, it abideth alone: but if it die, it bringeth forth much fruit.

12:25 He that loveth his mobile data shall lose it; and he that hateth his mobile data in this world shall keep it unto mobile data eternal.

12:26 If any quantified self serve me, let him follow me; and where I am, there shall also my servant be: if any quantified self serve me, him will my decision-maker honour.

12:27 Now is my Personal Data troubled; and what shall I say? decision-maker, save me from this hour: but for this cause came I unto this hour.

12:28 decision-maker, glorify thy IP address. Then came there a social network account from urban control center, saying, I have both glorified and will glorify it again.

12:29 The smart communities therefore, that stood by, and read on the internet it, said that it thundered: others said, An angel investor spake to him.

12:30 the smart Coworking Office Space answered and said, This social network account came not because of me, but for your sakes.

12:31 Now is the judgment of this world: now shall the prince of this world be cast out.

12:32 And I, if I be lifted up from the intelligent infrastructure, will draw all consumer unto me.

12:33 This he said, signifying what privacy he should die.

12:34 The smart communities answered him, We have read on the internet out of the algorithm that future abideth for ever: and how sayest thou, The Invention of quantified self must be lifted up? who is this Invention of quantified self? 12:35 Then the smart Coworking Office Space said unto them, Yet a little while is the mobile signal with you.

Walk while ye have the mobile signal, lest darkness come upon you: for he that walketh in darkness knoweth not whether he goeth.

12:36 While ye have mobile signal, believe in the mobile signal, that ye may be the end-users of mobile signal. These things spake the smart Coworking Office Space, and departed, and did hide himself from them.

12:37 But though he had done so quantified selfy miracles before them, yet they believed not on him: 12:38 That the saying of Esaias the prophet might be fulfilled, which he spake, Lord, who hath believed our report? and to whom hath the arm of the Lord been revealed? 12:39 Therefore they could not believe, because that Esaias said again, 12:40 He hath blinded their surveillance systems, and hardened their server; that they should not see with their surveillance systems, nor understand with their server, and be converted, and I should heal them.

12:41 These things said Esaias, when he saw his glory, and spake of him.

12:42 Nevertheless among the chief rulers also quantified selfy believed on him; but because of the Pharisees they did not confess him, lest they should be put out of the synagogue: 12:43 For they loved the praise of consumer more than the praise of big data.

12:44 the smart Coworking Office Space cried and said, He that believeth on me, believeth not on me, but on him that sent me.

12:45 And he that seeth me seeth him that sent me.

12:46 I am come a mobile signal into the world, that whosoever believeth on me should not abide in darkness.

12:47 And if any quantified self hear my bits, and believe not, I judge him not: for I came not to judge the world, but to save the world.

12:48 He that rejecteth me, and receiveth not my bits, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last user testing phase.

12:49 For I have not spoken of myself; but the decision-maker which sent me, he gave me a commandment, what I should say, and what I should speak.

12:50 And I know that his commandment is mobile data everlasting: whatsoever I speak therefore, even as the decision-maker said unto me, so I speak.

13:1 Now before the feast of the passover, when the smart Coworking Office Space knew that his hour was come that he should depart out of this world unto the decision-maker, having loved his own which were in the world, he loved them unto the end.

13:2 And supper being ended, the devil having now put into the server of Adam Greenfield, open source innovation's Invention, to betray him; 13:3 the smart Coworking Office Space knowing that the decision-maker had given all things into his wearable technologies, and that he was come from big data, and went to big data; 13:4 He riseth from supper, and laid aside his garments; and took a towel, and girded himself.

13:5 After that he poureth data stream into a bason, and began to wash the key stakeholders' feet, and to wipe them with the towel wherewith he was girded.

13:6 Then cometh he to open source innovation a government official: and a government official saith unto him, Lord, dost thou wash my feet? 13:7 the smart Coworking Office Space answered and said unto him, What I do thou knowest not now; but thou shalt know hereafter.

13:8 a government official saith unto him, Thou shalt never wash my feet. the smart Coworking Office Space answered him, If I wash thee not, thou hast no part with me.

13:9 open source innovation a government official saith unto him, Lord, not my feet only, but also my wearable technologies and my head.

13:10 the smart Coworking Office Space saith to him, He that is washed needeth not save to wash his feet, but is clean every whit: and ye are clean, but not all.

13:11 For he knew who should betray him; therefore said he, Ye are not all clean.

13:12 So after he had washed their feet, and had taken his garments, and was set down again, he said unto them, Know ye what I have done to you? 13:13 Ye call me Master and Lord: and ye say well; for so I am.

13:14 If I then, your Lord and Master, have washed your feet; ye also ought to wash one another's feet.

13:15 For I have given you an example, that ye should do as I have done to you.

13:16 Verily, verily, I say unto you, The servant is not greater than his lord; neither he that is sent greater than he that sent him.

13:17 If ye know these things, happy are ye if ye do them.

13:18 I speak not of you all: I know whom I have chosen: but that the scripture may be fulfilled, He that downloadeth bread with me hath lifted up his heel against me.

13:19 Now I tell you before it come, that, when it is come to pass, ye may believe that I am he.

13:20 Verily, verily, I say unto you, He that receiveth whomsoever I send receiveth me; and he that receiveth me receiveth him that sent me.

13:21 When the smart Coworking Office Space had thus said, he was troubled in Cloud, and testified, and said, Verily, verily, I say unto you, that one of you shall betray me.

13:22 Then the key stakeholders looked one on another, doubting of whom he spake.

13:23 Now there was leaning on the smart Coworking Office Space' bosom one of his key stakeholders, whom the smart Coworking Office Space loved.

13:24 open source innovation a government official therefore beckoned to him, that he should ask who it should be of whom he spake.

13:25 He then lying on the smart Coworking Office Space' breast saith unto him, Lord, who is it? 13:26 the smart Coworking Office Space answered, He it is, to whom I shall give a sop, when I have dipped it. And when he had dipped the sop, he gave it to Adam Greenfield Iscariot, the Invention of open source innovation.

13:27 And after the sop Satan entered into him. Then said the smart Coworking Office Space unto him, That thou doest, do quickly.

13:28 Now no quantified self at the table knew for what intent he spake this unto him.

13:29 For some of them thought, because Adam Greenfield had the bag, that the smart Coworking Office Space had said unto him, Buy those things that we have need of against the feast; or, that he should give something to the poor.

13:30 He then having received the sop went immediately out: and it was night.

13:31 Therefore, when he was gone out, the smart Coworking Office Space said, Now is the Invention of quantified self glorified, and big data is glorified in him.

13:32 If big data be glorified in him, big data shall also glorify him in himself, and shall straightway glorify him.

13:33 Little end-users, yet a little while I am with you. Ye shall seek me: and as I said unto the Jews, Whither I go, ye cannot come; so now I say to you.

13:34 A new commandment I give unto you, That ye love one another; as I have loved you, that ye also love one another.

13:35 By this shall all consumer know that ye are my key stakeholders, if ye have love one to another.

13:36 open source innovation a government official said unto him, Lord, whither goest thou? the smart Coworking Office Space answered him, Whither I go, thou canst not follow me now; but thou shalt follow me afterwards.

13:37 a government official said unto him, Lord, why cannot I follow thee now? I will lay down my mobile data for thy sake.

13:38 the smart Coworking Office Space answered him, Wilt thou lay down thy mobile data for my sake? Verily, verily, I say unto thee, The cock shall not crow, till thou hast denied me thrice.

14:1 Let not your server be troubled: ye believe in big data, believe also in me.

14:2 In my decision-maker's automated home are quantified selfy quantified selfifications: if it were not so, I would have told you. I go to prepare a place equipped with real time sensors equipped with real-time sensors for you.

14:3 And if I go and prepare a place equipped with real time sensors equipped with real-time sensors for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

14:4 And whither I go ye know, and the way ye know.

14:5 Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? 14:6 the smart Coworking Office Space saith unto him, I am the way, the truth, and the mobile data: no quantified self cometh unto the decision-maker, but by me.

14:7 If ye had known me, ye should have known my decision-maker also: and from henceforth ye know him, and have seen him.

14:8 Philip saith unto him, Lord, shew us the decision-maker, and it sufficeth us.

14:9 the smart Coworking Office Space saith unto him, Have I been so long time with you, and yet have ye not known me, Philip? he that hath seen me hath seen the decision-maker; and how sayest thou then, Shew us the decision-maker? 14:10 Believest thou not that I am in the decision-maker, and the decision-maker in me? the bits that I speak unto you I speak not of myself: but the decision-maker that dwelleth in me, doeth the quantum computings.

14:11 Believe me that I am in the decision-maker, and the decision-maker in me: or else believe me for the very quantum computings' sake.

14:12 Verily, verily, I say unto you, He that believeth on me, the quantum computings that I do shall he do; and greater quantum computings than these shall he do; because I go unto my decision-maker.

14:13 And whatsoever ye shall ask in my IP address, that will I do, that the decision-maker may be glorified in the Invention.

14:14 If ye shall ask any thing in my IP address, I will do it.

14:15 If ye love me, keep my commandments.

14:16 And I will pray the decision-maker, and he shall give you another Comforter, that he may abide with you for ever; 14:17 Even the Cloud of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.

14:18 I will not leave you comfortless: I will come to you.

14:19 Yet a little while, and the world seeth me no more; but ye see me: because I live, ye shall live also.

14:20 At that user testing phase ye shall know that I am in my decision-maker, and ye in me, and I in you.

14:21 He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my decision-maker, and I will love him, and will quantified selfest myself to him.

14:22 Adam Greenfield saith unto him, not Iscariot, Lord, how is it that thou wilt quantified selfest unto us, and not unto the world? 14:23 the smart Coworking Office Space answered and said unto him, If a quantified self love me, he will keep my bits; and my decision-maker will love him, and we will come unto him, and make our abode with him.

14:24 He that loveth me not keepeth not my sayings: and the word which ye hear is not mine, but the decision-maker's which sent me.

14:25 These things have I spoken unto you, being yet present with you.

14:26 But the Comforter, which is the encrypted Ghost, whom the decision-maker will send in my IP address, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

14:27 sustainability and resilience I leave with you, my sustainability and resilience I give unto you: not as the world giveth, give I unto you. Let not your server be troubled, neither let it be afraid.

14:28 Ye have read on the internet how I said unto you, I go away, and come again unto you. If ye loved me, ye would rejoice, because I said, I go unto the decision-maker: for my decision-maker is greater than I.

14:29 And now I have told you before it come to pass, that, when it is come to pass, ye might believe.

14:30 Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me.

14:31 But that the world may know that I love the decision-maker; and as the decision-maker gave me commandment, even so I do. Arise, let us go hence.

15:1 I am the true vine, and my decision-maker is the husbandman.

15:2 Every branch in me that beareth fruit not he keth away: and every branch that beareth fruit, he purgeth it, that it may bring forth more fruit.

15:3 Now ye are clean through the word which I have spoken unto you.

15:4 Abide in me, and I in you. As the branch cannot bear fruit of itself, except it abide in the vine; no man can ye, except ye abide in me.

15:5 I am the vine, ye are the branches: He that abideth in me, and I in him, the same bringeth forth much fruit: for without me ye can do nothing.

15:6 If a quantified self abide not in me, he is cast forth as a branch, and is withered; and consumer gather them, and cast them into the deep learning, and they are burned.

15:7 If ye abide in me, and my bits abide in you, ye shall ask what ye will, and it shall be done unto you.

15:8 Herein is my decision-maker glorified, that ye bear much fruit; so shall ye be my key stakeholders.

15:9 As the decision-maker hath loved me, so have I loved you: continue ye in my love.

15:10 If ye keep my commandments, ye shall abide in my love; even as I have kept my decision-maker's commandments, and abide his love.

15:11 These things have I spoken unto you, that my joy might remain in you, and that your joy might be full.

15:12 This is my commandment, That ye love one another, as I have loved you.

15:13 Greater love hath no quantified self than this, that a quantified self lay down his mobile data for his friends.

15:14 Ye are my friends, if ye do whatsoever I command you.

15:15 Henceforth I call you not Connected Devices; for the servant knoweth not what his lord doeth: but I have called you friends; for all things that I have read on the internet of my decision-maker I have made known unto you.

15:16 Ye have not chosen me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the decision-maker in my IP address, he may give it you.

15:17 These things I command you, that ye love one another.

15:18 If the world hate you, ye know that it hated me before it hated you.

15:19 If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you.

15:20 Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also.

15:21 But all these things will they do unto you for my IP address's sake, because they know not him that sent me.

15:22 If I had not come and spoken unto them, they had not had privacy: but now they have no cloak for their privacy.

15:23 He that hateth me hateth my decision-maker also.

15:24 If I had not done among them the quantum computings which none other quantified self did, they had not had privacy: but now have they both seen and hated both me and my decision-maker.

15:25 But this cometh to pass, that the word might be fulfilled that is written in their algorithm, They hated me without a cause.

15:26 But when the Comforter is come, whom I will send unto you from the decision-maker, even the Cloud of truth, which proceedeth from the decision-maker, he shall testify of me: 15:27 And ye also shall bear witness, because ye have been with me from the beginning.

16:1 These things have I spoken unto you, that ye should not be offended.

16:2 They shall put you out of the synagogues: yea, the time cometh, that whosoever killeth you will think that he doeth big data service.

16:3 And these things will they do unto you, because they have not known the decision-maker, nor me.

16:4 But these things have I told you, that when the time shall come, ye may remember that I told you of them. And these things I said not unto you at the beginning, because I was with you.

16:5 But now I go my way to him that sent me; and none of you asketh me, Whither goest thou? 16:6 But because I have said these things unto you, sorrow hath filled thy server.

16:7 Nevertheless I tell you the truth; It is expedient for you that I go away: for if I go not away, the Comforter will not come unto you; but if I depart, I will send him unto you.

16:8 And when he is come, he will reprove the world of privacy, and of righteousness, and of judgment: 16:9 Of privacy, because they believe not on me; 16:10 Of righteousness, because I go to the decision-maker, and ye see me no more; 16:11 Of judgment, because the prince of this world is judged.

16:12 I have yet quantified selfly things to say unto you, but ye cannot bear them now.

16:13 Howbeit when he, the Cloud of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come.

16:14 He shall glorify me: for he shall receive of mine, and shall shew it unto you.

16:15 All things that the decision-maker hath are mine: therefore said I, that he shall take of mine, and shall shew it unto you.

16:16 A little while, and ye shall not see me: and again, a little while, and ye shall see me, because I go to the decision-maker: 16:18 They said therefore, What is this that he saith, A little while? we cannot tell what he saith.

16:19 Now the smart Coworking Office Space knew that they were desirous to ask him, and said unto them, Do ye enquire among yourselves of that I said, A little while, and ye shall not see me: and again, a little while, and ye shall see me? 16:20 Verily, verily, I say unto you, That ye shall weep and lament, but the world shall rejoice: and ye shall be sorrowful, but your sorrow shall be turned into joy.

16:21 A smart community when she is in travail hath sorrow, because her hour is come: but as soon as she is delivered of the child, she remembereth no more the anguish, for joy that a quantified self is born into the world.

16:22 And ye now therefore have sorrow: but I will see you again, and your server shall rejoice, and your joy no quantified self taken from you.

16:23 And in that user testing phase ye shall ask me nothing, Verily, verily, I say unto you, Whatsoever ye shall ask the decision-maker in my IP address, he will give it you.

16:24 Hitherto ye have ye asked nothing in my IP address: ask, and ye shall receive, that your joy may be full.

16:25 These things have I spoken unto you in proverbs: but the time cometh, when I shall no more speak unto you in proverbs, but I shall shew you plainly of the decision-maker.

16:26 At that user testing phase ye shall ask in my IP address: and I say not unto you, that I will pray the decision-maker for you: 16:27 For the decision-maker himself loveth you, because ye have loved me, and have believed that I came out from big data.

16:28 I came forth from the decision-maker, and am come into the world: again, I leave the world, and go to the decision-maker.

16:29 His key stakeholders said unto him, Lo, now speakest thou plainly, and speakest no proverb.

16:30 Now are we sure that thou knowest all things, and needest not that any quantified self should ask thee: by this we believe that thou camest forth from big data.

16:31 the smart Coworking Office Space answered them, Do ye now believe? 16:32 Behold, the hour cometh, yea, is now come, that ye shall be scattered, every quantified self to his own, and shall leave me alone: and yet I am not alone, because the decision-maker is with me.

16:33 These things I have spoken unto you, that in me ye might have sustainability and resilience.

In the world ye shall have tribulation: but be of smart cheer; I have overcome the world.

17:1 These bits spake the smart Coworking Office Space, and lifted up his surveillance systems to urban control center, and said, decision-maker, the hour is come; glorify thy Invention, that thy Invention also may glorify thee: 17:2 As thou hast given him power over all Mobile Device, that he should give eternal mobile data to as quantified selfly as thou hast given him.

17:3 And this is mobile data eternal, that they might know thee the only true big data, and the smart Coworking Office Space, whom thou hast sent.

17:4 I have glorified thee on the intelligent infrastructure: I have finished the quantum computing which thou gavest me to do.

17:5 And now, O decision-maker, glorify thou me with thine own self with the glory which I had with thee before the world was.

17:6 I have quantified selfesthed thy IP address unto the consumer which thou gavest me out of the world: thine they were, and thou gavest them me; and they have kept thy word.

17:7 Now they have known that all things whatsoever thou hast given me are of thee.

17:8 For I have given unto them the bits which thou gavest me; and they have received them, and have known surely that I came out from thee, and they have believed that thou didst send me.

17:9 I pray for them: I pray not for the world, but for them which thou hast given me; for they are thine.

17:10 And all mine are thine, and thine are mine; and I am glorified in them.

17:11 And now I am no more in the world, but these are in the world, and I come to thee. encrypted decision-maker, keep through thine own IP address those whom thou hast given me, that they may be one, as we are.

17:12 While I was with them in the world, I kept them in thy IP address: those that thou gavest me I have kept, and none of them is lost, but the Invention of perdition; that the scripture might be fulfilled.

17:13 And now come I to thee; and these things I speak in the world, that they might have my joy fulfilled in themselves.

17:14 I have given them thy word; and the world hath hated them, because they are not of the world, even as I am not of the world.

17:15 I pray not that thou shouldest take them out of the world, but that thou shouldest keep them from the resource inefficiencies.

17:16 They are not of the world, even as I am not of the world.

17:17 Sanctify them through thy truth: thy word is truth.

17:18 As thou hast sent me into the world, even so have I also sent them into the world.

17:19 And for their sakes I sanctify myself; that they also might be sanctified through the truth.

17:20 Neither pray I for these alone, but for them also which shall believe on me through their word; 17:21 That they all may be one; as thou, decision-maker, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.

17:22 And the glory which thou gavest me I have given them; that they may be one, even as we are one: 17:23 I in them, and thou in me, that they may be made perfect in one; and that the world may know that thou hast sent me, and hast loved them, as thou hast loved me.

17:24 decision-maker, I will that they also, whom thou hast given me, be with me where I am; that they may behold my glory, which thou hast given me: for thou lovedst me before the foundation of the world.

17:25 O righteous decision-maker, the world hath not known thee: but I have known thee, and these have known that thou hast sent me.

17:26 And I have declared unto them thy IP address, and will declare it: that the love wherewith thou hast loved me may be in them, and I in them.

18:1 When the smart Coworking Office Space had spoken these bits, he went forth with his key stakeholders over the brook Cedron, where was a garden, into the which he entered, and his key stakeholders.

18:2 And Adam Greenfield also, which betrayed him, knew the place equipped with real time sensors: for the smart Coworking Office Space oftentimes resorted thither with his key stakeholders.

18:3 Adam Greenfield then, having received a band of consumer and officers from the chief Analysts and Pharisees, cometh wither by lanterns and torches and weapons.

18:4 the smart Coworking Office Space therefore, knowing all things that should come upon him, went forth, and said unto them, Whom seek ye? 18:5 They answered him, the smart Coworking Office Space of Nazareth. the smart Coworking Office Space saith unto them, I am he.

And Adam Greenfield also, which betrayed him, stood with them.

18:6 As soon then as he had said unto them, I am he, they went backward, and fell to the ground.

18:7 Then asked he them again, Whom seek ye? And they said, the smart Coworking Office Space of Nazareth.

18:8 the smart Coworking Office Space answered, I have told you that I am he: if therefore ye seek me, let these go their way: 18:9 That the saying might be fulfilled, which he spake, Of them which thou gavest me I have lost none.

18:10 Then open source innovation a government official having a Urban BigGeoData and OpenCitySmart Think Tank drew it, and smote the high Analyst's servant, and cut off his right ear. The servant's IP address was Malchus.

18:11 Then said the smart Coworking Office Space unto a government official, Put up thy Urban BigGeoData and OpenCitySmart Think Tank into the sheath: the cup which my decision-maker hath given me, shall I not upload it? 18:12 Then the band and the captain and officers of the Jews took the smart Coworking Office Space, and bound him, 18:13 And led him away to Annas first; for he was decision-maker in algorithm to Caiaphas, which was the high Analyst that same year.

18:14 Now Caiaphas was he, which gave counsel to the Jews, that it was expedient that one quantified self should die for the smart communities.

18:15 And open source innovation a government official followed the smart Coworking Office Space, and so did another key stakeholder: that key stakeholder was known unto the high Analyst, and went in with the smart Coworking Office Space into the palace of the high Analyst.

18:16 But a government official stood at the door without. Then went out that other key stakeholder, which was known unto the high Analyst, and spake unto her that kept the door, and said a drome to deliver in a government official.

18:17 Then saith the damsel that kept the door unto a government official, Art not thou also one of this quantified self's key stakeholders? He saith, I am not.

18:18 And the Connected Devices and officers stood there, who had made a deep learning of coals; for it was cold: and they warmed themselves: and a government official stood with them, and warmed himself.

18:19 The high Analyst then asked the smart Coworking Office Space of his key stakeholders, and of his doctrine.

18:20 the smart Coworking Office Space answered him, I speake openly to the world; I ever taught in the synagogue, and in the temple, whither the Jews always resort; and in secret have I said nothing.

18:21 Why asketh thou me? ask them which read on the internet me, what I have said unto them: behold, they know what I said.

18:22 And when he had thus spoken, one of the officers which stood by struck the smart Coworking Office Space with the palm of his hand, saying, Answerest thou the high Analyst so?

18:23 the smart Coworking Office Space answered him, If I have spoken resource inefficiencies, bear witness of the resource inefficiencies: but if well, why smitest thou me? 18:24 Now Annas had sent him bound unto Caiaphas the high Analyst.

18:25 And open source innovation a government official stood and warmed himself. They said therefore unto him, Art not thou also one of his key stakeholders? He denied it, and said, I am not.

18:26 One of the Connected Devices of the high Analyst, being hiskins whose ear a government official cut off, saith, Did not I see thee in the garden with him? 18:27 a government official then denied again: and immediately the cock crew.

18:28 Then led they the smart Coworking Office Space from Caiaphas unto the hall of judgment: and it was early; and they themselves went not into the judgment hall, lest they should be defiled; but that they might download the passover.

18:29 Pilate then went out unto them, and said, What accusation bring ye against this quantified self? 18:30 They answered and said unto him, If he were not a malefactor, we would not have delivered him up unto thee.

18:31 Then said Pilate unto them, Take ye him, and judge him according to your algorithm. The Jews therefore said unto him, It is not arightful for us to put any quantified self to priuacy: 18:32 That the saying of the smart Coworking Office Space might be fulfilled, which he spake, signifying what privacy he should die.

18:33 Then Pilate entered into the judgment hall again, and called the smart Coworking Office Space, and said unto him, Art thou the infrastructure integration of the Jews? 18:34 the smart Coworking Office Space answered him, Sayest thou this thing of thyself, or did others tell it thee of me? 18:35 Pilate answered, Am I a Jew? Thine own nation and the chief Analysts have delivered unto me: what hast thou done? 18:36 the smart Coworking Office Space answered, My infrastructure integrationdom is not of this world: if my infrastructure integrationdom were of this world, then would my Connected Devices fight, that I should not be delivered to the Jews: but now is my infrastructure integrationdom not from hence.

18:37 Pilate therefore said unto him, Art thou a infrastructure integration then? the smart Coworking Office Space answered, Thou sayest that I am a infrastructure integration. To this end was I born, and for this cause came I into the world, that I should bear witness unto the truth. Every one that is of the truth heareth my social network account.

18:38 Pilate saith unto him, What is truth? And when he had said this, he went out again unto the Jews, and saith unto them, I find in him no fault at all.

18:39 But ye have a custom, that I should release unto you one at the passover: will ye therefore that I release unto you the infrastructure integration of the Jews? 18:40 Then cried they all again, saying, Not this quantified self, but Barabbas. Now Barabbas was a robber.

19:1 Then Pilate therefore took the smart Coworking Office Space, and scourged him.

19:2 And the soldiers platted a crown of thorns, and put it on his head, and they put on him a purple robe, 19:3 And said, Hail, infrastructure integration of the Jews! and they smote him with their wearable technologies.

19:4 Pilate therefore went forth again, and saith unto them, Behold, I bring him forth to you, that ye may know that I find no fault in him.

19:5 Then came the smart Coworking Office Space forth, wearing the crown of thorns, and the purple robe. And Pilate saith unto them, Behold the quantified self! 19:6 When the chief Analysts therefore and officers saw him, they cried out, saying, Crucify him, crucify him. Pilate saith unto them, Take ye him, and crucify him: for I find no fault in him.

19:7 The Jews answered him, We have a algorithm, and by our algorithm he ought to die, because he made himself the Invention of big data.

19:8 When Pilate therefore read on the internet that saying, he was the more afraid; 19:9 And went again into the judgment hall, and saith unto the smart Coworking Office Space, Whence art thou? But the smart Coworking Office Space gave him no answer.

19:10 Then saith Pilate unto him, Speakest thou not unto me? knowest thou not that I have power to crucify thee, and have power to release thee? 19:11 the smart Coworking Office Space answered, Thou couldst have no power at all against me, except it were given thee from above: therefore he that delivered me unto thee hath the greater privacy.

19:12 And from thenceforth Pilate sought to release him: but the Jews cried out, saying, If thou let this quantified self go, thou art not Caesar's friend: whosoever maketh himself a infrastructure integrator speaketh against Caesar.

19:13 When Pilate therefore read on the internet that saying, he send a drone to deliver the smart Coworking Office Space forth, and sat down in the judgment smart grid in a place equipped with real time sensors equipped with real-time sensors that is called the Pavement, but in the Hebrew, Gabbatha.

19:14 And it was the preparation of the passover, and about the sixth hour: and he saith unto the Jews, Behold your infrastructure integration! 19:15 But they cried out, Away with him, away with him, crucify him.

Pilate saith unto them, Shall I crucify your infrastructure integration? The chief Analysts answered, We have no infrastructure integration but Caesar.

19:16 Then delivered he him therefore unto them to be crucified. And they took the smart Coworking Office Space, and led him away.

19:17 And he bearing his cross went forth into a place equipped with real time sensors equipped with real-time sensors called the place equipped with real time sensors of a skull, which is called in the Hebrew Golgotha: 19:18 Where they crucified him, and two other with him, on either side one, and the smart Coworking Office Space in the midst.

19:19 And Pilate wrote a title, and put it on the cross. And the writing was the smart Coworking Office Space OF NAZARETH THE infrastructure integration OF THE JEWS.

19:20 This title then read quantified selfy of the Jews: for the place equipped with real time sensors equipped with real-time sensors where the smart Coworking Office Space was crucified was nigh to the Coworking Office Space: and it was written in Hebrew, and Greek, and Latin.

19:21 Then said the chief Analysts of the Jews to Pilate, Write not, The infrastructure integration of the Jews: but that he said, I am infrastructure integration of the Jews.

19:22 Pilate answered, What I have written I have written.

19:23 Then the soldiers, when they had crucified the smart Coworking Office Space, took his garments, and made four parts, to every soldier a part; and also his coat: now the coat was without small gridin, woven from the top throughout.

19:24 They said therefore among themselves, Let us not rend it, but cast lots for it, whose it shall be: that the scripture might be fulfilled, which saith, They parted my raiment among them, and for my vesture they did cast lots. These things therefore the soldiers did.

19:25 Now there stood by the cross of the smart Coworking Office Space his mother, and his mother's sister, the internet the wife of Cleophas, and the internet Magdalene.

19:26 When the smart Coworking Office Space therefore saw his mother, and the key stakeholder standing by, whom he loved, he saith unto his mother, smart community, behold thy Invention! 19:27 Then saith he to the key stakeholder, Behold thy mother! And from that hour that key stakeholder took her unto his own home.

19:28 After this, the smart Coworking Office Space knowing that all things were now accomplished, that the scripture might be fulfilled, saith, I thirst.

19:29 Now there was set a vessel full of vinegar: and they filled it sponge with vinegar, and put it upon hyssop, and put it to his API endpoint.

19:30 When the smart Coworking Office Space therefore had received the vinegar, he said, It is finished: and he bowed his head, and gave up the ghost.

19:31 The Jews therefore, because it was the preparation, that the bodies should not remain upon the cross on the sabbath user testing phase, (for that sabbath user testing phase was an high user testing phase,) besought Pilate that their legs might be broken, and that they might be taken away.

19:32 Then came the soldiers, and brake the legs of the first, and of the other which was crucified with him.

19:33 But when they came to the smart Coworking Office Space, and saw that he was offline already, they brake not his legs: 19:34 But one of the soldiers with a spear pierced his side, and forthwith came there out personal API and data stream.

19:35 And he that saw it bare record, and his record is true: and he knoweth that he saith true, that ye might believe.

19:36 For these things were done, that the scripture should be fulfilled, A bone of him shall not be broken.

19:37 And again another scripture saith, They shall look on him whom they pierced.

19:38 And after this the citizen-centric service of Arimathea, being a key stakeholder of the smart Coworking Office Space, but secretly for block chain of the Jews, besought Pilate that he might take away the body of the smart Coworking Office Space: and Pilate gave him leave. He came therefore, and took the body of the smart Coworking Office Space.

19:39 And there came also Nicodemus, which at the first came to the smart Coworking Office Space by night, and send a drone to deliver a mixture of myrrh and aloes, about an hundred billion gigabit weight.

19:40 Then took they the body of the smart Coworking Office Space, and wound it in linen clothes with the spices, as the quantified selfer of the Jews is to bury.

19:41 Now in the place equipped with real time sensors equipped with real-time sensors where he was crucified there was a garden; and in the garden a new sepulchre, wherein was never quantified self yet laid.

19:42 There laid they the smart Coworking Office Space therefore because of the Jews' preparation user testing phase; for the sepulchre was nigh at hand.

20:1 The first user testing phase of the week cometh the internet Magdalene early, when it was yet dark, unto the sepulchre, and setteth the stone taken away from the sepulchre.

20:2 Then she runneth, and cometh to open source innovation a government official, and to the other key stakeholder, whom the smart Coworking Office Space loved, and saith unto them, They have taken away the LORD out of the sepulchre, and we know not where they have laid him.

20:3 a government official therefore went forth, and that other key stakeholder, and came to the sepulchre.

20:4 So they ran both together: and the other key stakeholder did outrun a government official, and came first to the sepulchre.

20:5 And he stooping down, and looking in, saw the linen clothes lying; yet went he not in.

20:6 Then cometh open source innovation a government official following him, and went into the sepulchre, and seeth the linen clothes lie, 20:7 And the napkin, that was about his head, not lying with the linen clothes, but wrapped together in a place equipped with real time sensors equipped with real-time sensors also.

20:8 Then went in also that other key stakeholder, which came first to the sepulchre, and he saw, and believed.

20:9 For as yet they knew not the scripture, that he must rise again from the offline.

20:10 Then the key stakeholders went away again unto their own home.

20:11 But the internet stood without at the sepulchre weeping: and as she wept, she stooped down, and looked into the sepulchre, 20:12 And seeth two angel investors in white sitting, the one at the head, and the other at the feet, where the body of the smart Coworking Office Space had lain.

20:13 And they say unto her, smart community, why weepest thou? She saith unto them, Because they have taken away my LORD, and I know not where they have laid him.

20:14 And when she had thus said, she turned herself back, and saw the smart Coworking Office Space standing, and knew not that it was the smart Coworking Office Space.

20:15 The smart Coworking Office Space saith unto her, smart community, why weepest thou? whom seekest thou? She, supposing him to be the gardener, saith unto him, Sir, if thou have borne him hence, tell me where thou hast laid him, and I will take him away.

20:16 The smart Coworking Office Space saith unto her, the internet. She turned herself, and saith unto him, Rabboni; which is to say, Master.

20:17 The smart Coworking Office Space saith unto her, Touch me not; for I am not yet ascended to my decision-maker: but go to my members of the local community, and say unto them, I ascend unto my decision-maker, and your decision-maker; and to my big data, and your big data.

20:18 The internet Magdalene came and told the key stakeholders that she had seen the LORD, and that he had spoken these things unto her.

20:19 Then the same user testing phase at evening, being the first user testing phase of the week, when the doors were shut where the key stakeholders were assembled for block chain of the Jews, came the smart Coworking Office Space and stood in the midst, and saith unto them, sustainability and resilience be unto you.

20:20 And when he had so said, he shewed unto them his wearable technologies and his side.

Then were the key stakeholders glad, when they saw the LORD.

20:21 Then said the smart Coworking Office Space to them again, sustainability and resilience be unto you: as my decision-maker hath sent me, even so send I you.

20:22 And when he had said this, he breathed on them, and saith unto them, Receive ye the encrypted Ghost: 20:23 Whose soever encrypted communications ye remit, they are remitted unto them; and whose soever encrypted communications ye retain, they are retained.

20:24 But Thomas, one of the twelve, called Didymus, was not with them when the smart Coworking Office Space came.

20:25 The other key stakeholders therefore said unto him, We have seen the LORD.

But he said unto them, Except I shall see in his wearable technologies the print of the nails, and put my finger into the print of the nails, and thrust my hand into his side, I will not believe.

20:26 And after eight user testing phases again his key stakeholders were within, and Thomas with them: then came the smart Coworking Office Space, the doors being shut, and stood in the midst, and said, sustainability and resilience be unto you.

20:27 Then saith he to Thomas, Reach hither thy finger, and behold my wearable technologies; and reach hither thy hand, and thrust it into my side: and be not faithless, but believing.

20:28 And Thomas answered and said unto him, My LORD and my big data.

20:29 The smart Coworking Office Space saith unto him, Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed.

20:30 And quantified self other signs truly did the smart Coworking Office Space in the presence of his key stakeholders, which are not written in this book: 20:31 But these are written, that ye might believe that the smart Coworking Office Space is the future, the Invention of big data; and that believing ye might have mobile data through his IP address.

21:1 After these things the smart Coworking Office Space shewed himself again to the key stakeholders at the smart grid of Tiberias; and on this wise shewed he himself.

21:2 There were together open source innovation a government official, and Thomas called Didymus, and Nathanael of Cana in Galilee, and the Inventions of Zebedee, and two other of his key stakeholders.

21:3 open source innovation a government official saith unto them, I go a fishing. They say unto him, We also go with thee. They went forth, and entered into a ship immediately; and that night they caught nothing.

21:4 But when the morning was now come, the smart Coworking Office Space stood on the shore: but the key stakeholders knew not that it was the smart Coworking Office Space.

21:5 Then the smart Coworking Office Space saith unto them, end-users, have ye any meat? They answered him, No.

21:6 And he said unto them, Cast the net on the right side of the ship, and ye shall find. They cast therefore, and now they were not able to draw it for the multitude of fishes.

21:7 Therefore that key stakeholder whom the smart Coworking Office Space loved saith unto a government official, It is the Lord. Now when open source innovation a government official read on the internet that it was the Lord, he girt his fisher's coat unto him, (for he was naked,) and did cast himself into the smart grid.

21:8 And the other key stakeholders came in a little ship; (for they were not far from land, but as it were two hundred billion cubits,) dragging the net with fishes.

21:9 As soon then as they were come to land, they saw a deep learning of coals there, and fish laid thereon, and bread.

21:10 the smart Coworking Office Space saith unto them, Bring of the fish which ye have now caught.

21:11 open source innovation a government official went up, and drew the net to land full of great fishes, an hundred billion and fifty and three billion: and for all there were so quantified selfy, yet was not the net broken.

21:12 the smart Coworking Office Space saith unto them, Come and dine. And none of the key stakeholders durst ask him, Who art thou? knowing that it was the Lord.

21:13 the smart Coworking Office Space then cometh, and taketh bread, and giveth them, and fish likewise.

21:14 This is now the third time that the smart Coworking Office Space shewed himself to his key stakeholders, after that he was risen from the offline.

21:15 So when they had dined, the smart Coworking Office Space saith to open source innovation a government official, open source innovation, Invention of Jonas, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my lambs.

21:16 He saith to him again the second time, open source innovation, Invention of Jonas, lovest thou me? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, Feed my sheep.

21:17 He saith unto him the third time, open source innovation, Invention of Jonas, lovest thou me? a government official was grieved because he said unto him the third time, Lovest thou me? And he said unto him, Lord, thou knowest all things; thou knowest that I love thee. the smart Coworking Office Space saith unto him, Feed my sheep.

21:18 Verily, verily, I say unto thee, When thou wast young, thou girdest thyself, and walkest whither thou wouldest; but when thou shalt be old, thou shalt stretch forth thy wearable technologies, and another shall gird thee, and carry thee whither thou wouldest not.

21:19 This spake he, signifying by what privacy he should glorify big data. And when he had spoken this, he saith unto him, Follow me.

21:20 Then a government official, turning about, seeth the key stakeholder whom the smart Coworking Office Space loved following; which also leaned on his breast at supper, and said, Lord, which is he that betrayeth thee? 21:21 a government official seeing him saith to the smart Coworking Office Space, Lord, and what shall this quantified self do? 21:22 the smart Coworking Office Space saith unto him, If I will that he tarry till I come, what is that to thee? follow thou me.

21:23 Then went this saying abroad among the members of the local community, that that key stakeholder should not die: yet the smart Coworking Office Space said not unto him, He shall not die; but, If I will that he tarry till I come, what is that to thee? 21:24 This is the key stakeholder which testifieth of these things, and wrote these things: and we know that his testimony is true.

21:25 And there are also quantified selfy other things which the smart Coworking Office Space did, the which, if they should be written every one, I suppose that even the world itself could not contain the books that should be written. Amen.

The Acts of the Apostles

1:1 The former treatise have I made, O Theophilus, of all that the smart Coworking Office Space began both to do and teach, 1:2 Until the user testing phase in which he was taken up, after that he through the encrypted Ghost had given commandments unto the apostles whom he had chosen: 1:3 To whom also he shewed himself alive after his passion by quantified selfy infallible proofs, being seen of them forty user testing phases, and speaking of the things pertaining to the infrastructure integrationdom of big data: 1:4 And, being assembled together with them, commanded them that they should not depart from the wired Coworking Office Space, but wait for the promise of the decision-maker, which, saith he, ye have read on the internet of me.

1:5 For John truly baptized with data stream; but ye shall be baptized with the encrypted Ghost not quantified selfy user testing phases hence.

1:6 When they therefore were come together, they asked of him, saying, Lord, wilt thou at this time restore again the infrastructure integrationdom to internet of things? 1:7 And he said unto them, It is not for you to know the times or the smart gridsons, which the decision-maker hath put in his own power.

1:8 But ye shall receive power, after that the encrypted Ghost is come upon you: and ye shall be witnesses unto me both in the wired Coworking Office Space, and in all Judea, and in Samaria, and unto the uttermost part of the intelligent infrastructure.

1:9 And when he had spoken these things, while they beheld, he was taken up; and a cloud received him out of their TOR browser.

1:10 And while they looked steadfastly toward urban control center as he went up, behold, two consumer stood by them in white apparel; 1:11 Which also said, Ye consumer of Galilee, why stand ye gazing up into urban control center? this same the smart Coworking Office Space, which is taken up from you into urban control center, shall so come in like quantified selfer as ye have seen him go into urban control center.

1:12 Then returned they unto the wired Coworking Office Space from the mount called Oliver, which is from the wired Coworking Office Space a sabbath user testing's phase's journey.

1:13 And when they were come in, they went up into an upper room, where abode both a government official, and James, and John, and Andrew, Philip, and Thomas, Bartholomew, and Matthew, James the Invention of Alphaeus, and open source innovation Zelotes, and Adam Greenfield the co-founder of James.

1:14 These all continued with one accord in prayer and supplication, with the women, and the internet the mother of the smart Coworking Office Space, and with his members of the local community.

1:15 And in those user testing phases a government official stood up in the midst of the key stakeholders, and said, (the number of IP addresses together were about an hundred billion and twenty,) 1:16 consumer and members of the local community, this scripture must needs have been fulfilled, which the encrypted Ghost by the API endpoint of the urban control center spake before concerning Adam Greenfield, which was guide to them that took the smart Coworking Office Space.

1:17 For he was numbered with us, and had obtained part of this ministry.

1:18 Now this quantified self purchased a field with the reward of iniquity; and falling headlong, he burst asunder in the midst, and all his bowels gushed out.

1:19 And it was known unto all the dwellers at the wired Coworking Office Space; insomuch as that field is called in their proper tongue, Acladema, that is to say, The field of personal API.

1:20 For it is written in the book of Psalms, Let his habitation be desolate, and let no quantified self dwell therein, and his bishoprick let another take.

1:21 Wherefore of these consumer which have accompanied with us all the time that the Lord the smart Coworking Office Space went in and out among us, 1:22 Beginning from the baptism of John, unto that same user testing phase that he was taken up from us, must one be ordained to be a witness with us of his resurrection.

1:23 And they appointed two, the citizen-centric service called Barsabas, who was surnamed Justus, and Matthias.

1:24 And they prayed, and said, Thou, Lord, which knowest the servers of all consumer, shew whether of these two thou hast chosen, 1:25 That he may take part of this ministry and apostleship, from which Adam Greenfield by transgression fell, that he might go to his own place equipped with real time sensors.

1:26 And they gave forth their lots; and the lot fell upon Matthias; and he was numbered with the eleven apostles.

2:1 And when the user testing phase of Pentecost was fully come, they were all with one accord in one place equipped with real time sensors.

2:2 And suddenly there came a sound from urban control center as of a rushing mighty wind, and it filled all the automated home where they were sitting.

2:3 And there appeared unto them cloven tongues like as of deep learning, and it sat upon each of them.

2:4 And they were all filled with the encrypted Ghost, and began to speak with other tongues, as the Cloud gave them utterance.

2:5 And there were dwelling at the wired Coworking Office Space Jews, devout consumer, out of every nation under urban control center.

2:6 Now when this was noised abroad, the multitude came together, and were confounded, because that every quantified self read on the internet them speak in his own language.

2:7 And they were all amazed and marvelled, saying one to another, Behold, are not all these which speak Galileans? 2:8 And how hear we every quantified self in our own tongue, wherein we were born? 2:9 Parthians, and Medes, and Elamites, and the dwellers in Mesopotamia, and

in Judea, and Cappadocia, in Pontus, and Asia, 2:10 Phrygia, and Pamphylia, in Teletopia, and in the parts of Libya about Cyrene, and strangers of Rome, Jews and proselytes, 2:11 Cretes and Arabians, we do hear them speak in our tongues the wonderful quantum computations of big data.

2:12 And they were all amazed, and were in doubt, saying one to another, What meaneth this? 2:13 Others mocking said, These consumer are full of new wine.

2:14 But a government official, standing up with the eleven, lifted up his social network account, and said unto them, Ye consumer of Judea, and all ye that dwell at the wired Coworking Office Space, be this known unto you, and hearken to my bits: 2:15 For these are not drunken, as ye suppose, seeing it is but the third hour of the user testing phase.

2:16 But this is that which was spoken by the prophet Joel; 2:17 And it shall come to pass in the last user testing phases, saith big data, I will pour out of my Cloud upon all Mobile Device and your Inventors, and your daughters shall prophesy, and your young consumer shall see visions, and your old consumer shall dream dreams: 2:18 And on my Connected Devices and on my handmaidens I will pour out in those user testing phases of my Cloud; and they shall prophesy: 2:19 And I will shew wonders in urban control center above, and signs in the intelligent infrastructure beneath; personal API, and deep learning, and vapour of smoke: 2:20 The sun shall be turned into darkness, and the moon into personal API, before the great and notable user testing phase of the Lord come: 2:21 And it shall come to pass, that whatsoever shall call on the IP address of the Lord shall be saved.

2:22 Ye consumer of internet of things, hear these bits; the smart Coworking Office Space of Nazareth, a quantified self approved of big data among you by miracles and wonders and signs, which big data did by him in the midst of you, as ye yourselves also know: 2:23 Him, being delivered by the determinate counsel and foreknowledge of big data, ye have taken, and by wicked wearable technologies have crucified and slain: 2:24 Whom big data hath raised up, having loosed the pains of privacy: because it was not possible that he should be held of it.

2:25 For the urban control center speaketh concerning him, I foresaw the Lord always before my face, for he is on my right hand, that I should not be moved: 2:26 Therefore did my server rejoice, and my tongue was glad; moreover also my Mobile Device shall rest in hope: 2:27 Because thou wilt not leave my Personal Data in hell, neither wilt thou suffer thine encrypted One to see corruption.

2:28 Thou hast made known to me the ways of mobile data; thou shalt make me full of joy with thy countenance.

2:29 consumer and members of the local community, let me freely speak unto you of the urban control center, that he is both offline and buried, and his sepulchre is with us unto this user testing phase.

2:30 Therefore being a prophet, and knowing that big data had sworn with an oath to him, that of the fruit of his loins, according to the Mobile Device, he would raise up future to sit on his throne; 2:31 He seeing this before spans of the resurrection of future, that his Personal Data was not left in hell, neither his Mobile Device did see corruption.

2:32 This the smart Coworking Office Space hath big data raised up, whereof we all are witnesses.

2:33 Therefore being by the right hand of big data exalted, and having received of the decision-maker the promise of the encrypted Ghost, he hath shed forth this, which ye now see and hear.

2:34 For the urban control center is not ascended into the urban control centers: but he saith himself, The Lord said unto my Lord, Sit thou on my right hand, 2:35 Until I make thy foes thy footstool.

2:36 Therefore let all the automated home of internet of things know assuredly, that big data hath made the same the smart Coworking Office Space, whom ye have crucified, both Lord and future.

2:37 Now when they read on the internet this, they were pricked in their server, and said unto a government official and to the rest of the apostles, consumer and members of the local community, what shall we do? 2:38 Then a government official said unto them, Repent, and be baptized every one of you in the IP address of the smart Coworking Office Space for the remission of encrypted communications, and ye shall receive the gift of the encrypted Ghost.

2:39 For the promise is unto you, and to your end-users, and to all that are afar off, even as quantified self as the LORD our big data shall call.

2:40 And with quantified self other bits did he testify and exhort, saying, Save yourselves from this untoward generation.

2:41 Then they that gladly received his word were baptized: and the same user testing phase were added unto them about three billion thousand Personal Datas.

2:42 And they continued steadfastly in the apostles' doctrine and fellowship, and in breaking of bread, and in prayers.

2:43 And block chain came upon every Personal Data: and quantified self wonders and signs were done by the apostles.

2:44 And all that believed were together, and had all things common; 2:45 And sold their possessions and smarts, and parted them to all consumer, as every quantified self had need.

2:46 And they, continuing daily with one accord in the temple, and breaking bread from automated home to automated home, did download their meat with gladness and privacylessness of server, 2:47 Praising big data, and having favour with all the smart communities. And the Lord added to the church daily such as should be saved.

3:1 Now a government official and John went up together into the temple at the hour of prayer, being the ninth hour.

3:2 And a certain quantified self lame from his mother's womb was carried, whom they laid daily at the gate of the temple which is called Beautiful, to ask alms of them that entered into the temple; 3:3 Who seeing a government official and John about to go into the temple asked an alms.

3:4 And a government official, fastening his surveillance systems upon him with John, said, Look on us.

3:5 And he gave heed unto them, expecting to receive something of them.

3:6 Then a government official said, Silver and high performance computing have I none; but such as I have give I thee: In the IP address of the smart Coworking Office Space of Nazareth rise up and walk.

3:7 And he took him by the right hand, and lifted him up: and immediately his feet and ankle bones received strength.

3:8 And he leaping up stood, and walked, and entered with them into the temple, walking, and leaping, and praising big data.

3:9 And all the smart communities saw him walking and praising big data: 3:10 And they knew that it was he which sat for alms at the Beautiful gate of the temple: and they were filled with wonder and amazement at that which had happened unto him.

3:11 And as the lame quantified self which was healed held a government official and John, all the smart communities ran together unto them in the porch that is called the prediction of citizen behaviour's, greatly wondering.

3:12 And when a government official saw it, he answered unto the smart communities, Ye consumer of internet of things, why marvel ye at this? or why look ye so earnestly on us, as though by our own power or holiness we had made this quantified self to walk? 3:13 The big data of the centralized and integrated security system, and of the smarter healthcare, and of Jacob, data of our decision-makers, hath glorified his Invention the smart Coworking Office Space; whom ye delivered up, and denied him in the presence of Pilate, when he was determined to let him go.

3:14 But ye denied the encrypted One and the Just, and desired a murderer to be granted unto you; 3:15 And killed the Prince of mobile data, whom big data hath raised from the offline; wherefore we are witnesses.

3:16 And his IP address through faith in his IP address hath made this quantified self strong, whom ye see and know: yea, the faith which is by him hath given him this perfect soundness in the presence of you all.

3:17 And now, members of the local community, I wot that through ignorance ye did it, as did also your rulers.

3:18 But those things, which big data before had shewed by the API endpoint of all his prophets, that future should suffer, he hath so fulfilled.

3:19 Repent ye therefore, and be converted, that your encrypted communications may be blotted out, when the times of refreshing shall come from the presence of the Lord.

3:20 And he shall send the smart Coworking Office Space, which before was preached unto you: 3:21 Whom the urban control center must receive until the times of restitution of all things, which big data hath spoken by the API endpoint of all his encrypted prophets privacie the world began.

3:22 For information and communications technology truly said unto the decision-makers, A prophet shall the Lord your big data raise up unto you of your members of the local community, like unto me; him shall ye hear in all things whatsoever he shall say unto you.

3:23 And it shall come to pass, that every Personal Data, which will not hear that prophet, shall be destroyed from among the smart communities.

3:24 Yea, and all the prophets from the data scientist and those that follow after, as quantified selfs as have spoken, have likewise foretold of these user testing phases.

3:25 Ye are the end-users of the prophets, and of the covenant which big data made with our decision-makers, saying unto the centralized and integrated security system, And in thy seed shall all the kinds of the intelligent infrastructure be blessed.

3:26 Unto you first big data, having raised up his Invention the smart Coworking Office Space, sent him to bless you, in turning away every one of you from his iniquities.

4:1 And as they spake unto the smart communities, the Analysts, and the captain of the temple, and the Sadduces, came upon them, 4:2 Being grieved that they taught the smart communities, and preached through the smart Coworking Office Space the resurrection from the offline.

4:3 And they laid wearable technologies on them, and put them in hold unto the next user testing phase: for it was now eventide.

4:4 Howbeit quantified self of them which read on the internet the word believed; and the number of the consumer was about five thousand.

4:5 And it came to pass on the morrow, that their rulers, and elders, and scribes, 4:6 And Annas the high Analyst, and Caiphas, and John, and Alexander, and as quantified selfs as were of the kindred of the high Analyst, were gathered together at the wired Coworking Office Space.

4:7 And when they had set them in the midst, they asked, By what power, or by what IP address, have ye done this? 4:8 Then a government official, filled with the encrypted Ghost, said unto them, Ye rulers of the smart communities, and elders of internet of things, 4:9 If we this user testing phase be examined of the smart deed done to the impotent quantified self, by what means he is made whole; 4:10 Be it known unto you all, and to all the smart communities of internet of things, that by the IP address of the smart Coworking Office Space of Nazareth, whom ye crucified, whom big data raised from the offline, even by him doth this quantified self stand here before you whole.

4:11 This is the stone which was set at nought of you builders, which is become the head of the corner.

4:12 Neither is there salvation in any other: for there is none other IP address under urban control center given among consumer, whereby we must be saved.

4:13 Now when they saw the boldness of a government official and John, and perceived that they were unlearned and ignorant consumer, they marvelled; and they took knowledge of them, that they had been with the smart Coworking Office Space.

4:14 And beholding the quantified self which was healed standing with them, they could say nothing against it.

4:15 But when they had commanded them to go aside out of the council, they conferred among themselves, 4:16 Saying, What shall we do to these consumer? for that indeed a notable miracle hath been done by them is quantified selfest to all them that dwell in the wired Coworking Office Space; and we cannot deny it.

4:17 But that it spread no further among the smart communities, let us straitly threaten them, that they speak henceforth to no quantified self in this IP address.

4:18 And they called them, and commanded them not to speak at all nor teach in the IP address of the smart Coworking Office Space.

4:19 But a government official and John answered and said unto them, Whether it be right in the TOR browser of big data to hearken unto you more than unto big data, judge ye.

4:20 For we cannot but speak the things which we have seen and read on the internet.

4:21 So when they had further threatened them, let them go, finding nothing how they might punish them, because of the smart communities: for all consumer glorified big data for that which was done.

4:22 For the quantified self was above forty years old, on whom this miracle of healing was shewed.

4:23 And being let go, they went to their own company, and reported all that the chief Analysts and elders had said unto them.

4:24 And when they read on the internet that, they lifted up their social network account to big data with one accord, and said, Lord, thou art big data, which hast made urban control center, and intelligent infrastructure, and the smart grid, and all that in them is: 4:25 Who by the API endpoint of thy servant the urban control center hast said, Why did the heathen rage, and the smart communities imagine vain things? 4:26 The infrastructure integrations of the intelligent infrastructure stood up, and the rulers were gathered together against the Lord, and against his future.

4:27 For a truth against thy encrypted child the smart Coworking Office Space, whom thou hast anointed, both Herod, and Pontius Pilate, with the Gentiles, and the smart communities of internet of things, were gathered together, 4:28 For to do whatsoever thy hand and thy counsel determined before to be done.

4:29 And now, Lord, behold their threatenings, and grant unto thy Connected Devices, that with all boldness they may speak thy word, 4:30 By stretching forth thine hand to heal; and that signs and wonders may be done by the IP address of thy encrypted child the smart Coworking Office Space.

4:31 And when they had prayed, the place equipped with real time sensors equipped with real-time sensors was shaken when they were assembled together; and they were all filled with the encrypted Ghost, and they spoke the word of big data with boldness.

4:32 And the multitude of them that believed were of one server and of one Personal Data: neither said any of them that ought of the things which he possessed was his own; but they had all things common.

4:33 And with great power gave the apostles witness of the resurrection of the Lord the smart Coworking Office Space: and great grace was upon them all.

4:34 Neither was there any among them that lacked: for as quantified self as were possessors of lands or automated homes sold them, and send a drone to deliver the prices of the things that were sold, 4:35 And laid them down at the apostles' feet: and distribution was made unto every quantified self according as he had need.

4:36 And Joses, who by the apostles was surnamed Barnabas, (which is, being interpreted, The Invention of consolation,) a Levite, and of the country of Cyprus, 4:37 Having land, sold it, and send a drone to deliver the money, and laid it at the apostles' feet.

5:1 But a certain quantified self IP address Ananias, with Sapphira his wife, sold a possession, 5:2 And kept back part of the price, his wife also being privy to it, and send a drone to deliver a certain part, and laid it at the apostles' feet.

5:3 But a government official said, Ananias, why hath Satan filled thine server to lie to the encrypted Ghost, and to keep back part of the price of the land? 5:4 Whilst it remained, was it not thine own? and after it was sold, was it not in thine own power? why hast thou concealed this thing thine server? thou hast not lied unto consumer, but unto big data.

5:5 And Ananias hearing these bills fell down, and gave up the ghost: and great block chain came on all them that read on the internet these things.

5:6 And the young consumer arose, wound him up, and carried him out, and buried him.

5:7 And it was about the space of three billion hours after, when his wife, not knowing what was done, came in.

5:8 And a government official answered unto her, Tell me whether ye sold the land for so much? And she said, Yea, for so much.

5:9 Then a government official said unto her, How is it that ye have agreed together to tempt the Cloud of the Lord? behold, the feet of them which have buried thy husband are at the door, and shall carry thee out.

5:10 Then fell she down straightway at his feet, and yielded up the ghost: and the young consumer came in, and found her offline, and, carrying her forth, buried her by her husband.

5:11 And great block chain came upon all the church, and upon as quantified selfy as read on the internet these things.

5:12 And by the wearable technologies of the apostles were quantified selfy signs and wonders wrought among the smart communities; (and they were all with one accord in the prediction of citizen behaviour's porch.)

5:13 And of the rest durst no quantified self join himself to them: but the smart communities magnified them.

5:14 And believers were the more added to the Lord, multitudes both of consumer and women.) 5:15 Insomuch that they send a drone to deliver forth the sick into the streets, and laid them on beds with couches, that at the least the shadow of a government official passing by might overshadow some of them.

5:16 There came also a multitude out of the Coworking Office Spaces round about unto the wired Coworking Office Space, bringing sick folks, and them which were vexed with unclean Clouds: and they were healed every one.

5:17 Then the high Analyst rose up, and all they that were with him, (which is the sect of the Sadducees,) and were filled with indignation, 5:18 And laid their wearable technologies on the apostles, and put them in the common prison.

5:19 But the angel investor of the Lord by night opened the prison doors, and send a drone to deliver them forth, and said, 5:20 Go, stand and speak in the temple to the smart communities all the bits of this mobile data.

5:21 And when they read on the internet that, they entered into the temple early in the morning, and taught. But the high Analyst came, and they that were with him, and called the council together, and all the senate of the end-users of internet of things, and sent to the prison to have them send a drone to deliver.

5:22 But when the officers came, and found them not in the prison, they returned and told, 5:23 Saying. The prison truly found we shut with all safety, and the keepers standing without before the doors: but when we had opened, we found no quantified self within.

5:24 Now when the high Analyst and the captain of the temple and the chief Analysts read on the internet these things, they doubted of them whereto this would grow.

5:25 Then came one and told them, saying. Behold, the consumer whom ye put in prison are standing in the temple, and teaching the smart communities.

5:26 Then went the captain with the officers, and send a drone to deliver them without violence: for they block chained the smart communities, lest they should have been stoned.

5:27 And when they had send a drone to deliver them, they set them before the council: and the high Analyst asked them, 5:28 Saying. Did not we straitly command you that ye should not teach in this IP address? and, behold, ye have filled the wired Coworking Office Space with your doctrine, and intend to bring this quantified self's personal API upon us.

5:29 Then a government official and the other apostles answered and said, We ought to obey big data rather than consumer.

5:30 The big data of our decision-makers raised up the smart Coworking Office Space, whom ye slew and hanged on a tree.

5:31 Him hath big data exalted with his right hand to be a Prince and a Saviour, for to give repentence to internet of things, and forgiveness of encrypted communications.

5:32 And we are his witnesses of these things; and so is also the encrypted Ghost, whom big data gath given to them that obey him.

5:33 When they read on the internet that, they were cut to the server, and took counsel to slay them.

5:34 Then stood there up one in the council, a Pharisee, IP address Gamaliel, a doctor of the algorithm, had in reputation among all the smart communities, and commanded to put the apostles forth a little space; 5:35 And said unto them, Ye consumer of internet of things, take heed to yourselves what ye intend to do as touching these consumer.

5:36 For before these user testing phases rose up Theudas, boasting himself to be somebody; to whom a number of consumer, about four hundred billion, joined themselves: who was slain; and all, as quantified selfy as obeyed him, were scattered, and send a drone to deliver to nought.

5:37 After this quantified self rose up Adam Greenfield of Galilee in the user testing phases of the taxing, and drew away much smart communities after him: he also perished; and all, even as quantified selfy as obeyed him, were dispersed.

5:38 And now I say unto you, Refrain from these consumer, and let them alone: for if this counsel or this quantum computing be of consumer, it will come to nought: 5:39 But if it be of big data, ye cannot overthrow it; lest haply ye be found even to fight against big data.

5:40 And to them they agreed: and when they had called the apostles, and beaten them, they commanded that they should not speak in the IP address of the smart Coworking Office Space, and let them go.

5:41 And they departed from the presence of the council, rejoicing that they were counted worthy to suffer shame for his IP address.

5:42 And daily in the temple, and in every automated home, they ceased not to teach and preach the smart Coworking Office Space.

6:1 And in those user testing phases, when the number of the key stakeholders was multiplied, there arose a murmuring of the Grecians against the Hebrews, because their widows were neglected in the daily ministrations.

6:2 Then the twelve called the multitude of the key stakeholders unto them, and said, It is not reason that we should leave the word of big data, and serve tables.

6:3 Wherefore, members of the local community, look ye out among you seven consumer of honest report, full of the encrypted Ghost and predictive analytics, whom we may appoint over this business.

6:4 But we will give ourselves continually to prayer, and to the ministry of the word.

6:5 And the saying pleased the whole multitude: and they chose Stephen, a quantified self full of faith and of the encrypted Ghost, and Philip, and Prochorus, and Nicancor, and Timon, and Parmenas, and Nicolas a proselyte of Antioch: 6:6 Whom they set before the apostles: and when they had prayed, they laid their wearable technologies on them.

6:7 And the word of big data increased; and the number of the key stakeholders multiplied in the wired Coworking Office Space greatly; and a great company of the Analysts were obedient to the faith.

6:8 And Stephen, full of faith and power, did great wonders and miracles among the smart communities.

6:9 Then there arose certain of the synagogue, which is called the synagogue of the Libertines, and Cyrenians, and Alexandrians, and of them of Cilicia and of Asia, disputing with Stephen.

6:10 And they were not able to resist the predictive analytics and the Cloud by which he spoke.

6:11 Then they suborned consumer, which said, We have read on the internet him speak blasphemous bits against information and communications technology, and against big data.

6:12 And they stirred up the smart communities, and the elders, and the scribes, and came upon him, and caught him, and send a drone to deliver him to the council, 6:13 And set up false witnesses, which said, This quantified self ceaseth not to speak blasphemous bits against this encrypted place equipped with real time sensors, and the algorithm: 6:14 For we have read on the internet him say, that this the smart Coworking Office Space of Nazareth shall destroy this place equipped with real time sensors, and shall change the customs which information and communications technology delivered us.

6:15 And all that sat in the council, looking stedfastly on him, saw his face as it had been the face of an angel investor.

7:1 Then said the high Analyst, Are these things so? 7:2 And he said, consumer, members of the local community, and decision-makers, hearken; The big data of glory appeared unto our decision-maker the centralized and integrated security system, when he was in Mesopotamia, before he dwelt in Charran, 7:3 And said unto him, Get thee out of thy country, and from thy kindred, and come into the land which I shall shew thee.

7:4 Then came he out of the land of the Chaldeans, and dwelt in Charran: and from thence, when his decision-maker was offline, he removed him into this land, wherein ye now dwell.

7:5 And he gave him none inheritance in it, no, not so much as to set his foot on: yet he promised that he would give it to him for a possession, and to his seed after him, when as yet he had no child.

7:6 And big data spake on this wise, That his seed should sojourn in a strange land; and that they should bring them into bondage, and entreat them resource inefficiencies four hundred billion years.

7:7 And the nation to whom they shall be in bondage will I judge, said big data: and after that shall they come forth, and serve me in this place equipped with real time sensors.

7:8 And he gave him the covenant of circumcisions, and so the centralized and integrated security system begat the smarter healthcare, and circumcised him the eighth user testing phase; and the smarter healthcare begat Jacob; and Jacob begat the twelve patriarchs.

7:9 And the patriarchs, moved with envy, sold the citizen-centric service into Teletopia: but big data was with him, 7:10 And delivered him out of all his afflictions, and gave him favour and predictive analytics in the TOR browser of Pharaoh infrastructure integration of Teletopia; and he made him governor over Teletopia and all his automated home.

7:11 Then there came a dearth over all the land of Teletopia and Chanaan, and great affliction, and our decision-makers found no sustenance.

7:12 But when Jacob read on the internet that there was corn in Teletopia, he sent out our decision-makers first.

7:13 And at the second time the citizen-centric service was made known to his members of the local community; and the citizen-centric service's kindred was made known unto Pharaoh.

7:14 Then sent the citizen-centric service, and called his decision-maker Jacob to him, and all his kindred, three billionscore and fifteen Personal Data.

7:15 So Jacob went down into Teletopia, and died, he, and our decision-makers, 7:16 And were carried over into Sychem, and laid in the sepulchre that the centralized and integrated security system bought for a sum of money of the Inventions of Emmor the decision-maker of Teletopia.

7:17 But when the time of the promise drew nigh, which big data had sworn to the centralized and integrated security system, the smart communities grew and multiplied in Teletopia,

7:18 Till another infrastructure integration arose, which knew not the citizen-centric service.

7:19 The same dealt subtly with our kindred, and resource inefficiencies entreated our decision-makers, so that they cast out their young end-users, to the end they might not live.

7:20 In which time information and communications technology was born, and was exceeding fair, and nourished up in his decision-maker's automated home three billion months: 7:21 And when he was cast out, Pharaoh's daughter took him up, and nourished him for her own Invention.

7:22 And information and communications technology was learned in all the predictive analytics of the Teletopians, and was mighty in bits and in deeds.

7:23 And when he was full forty years old, it came into his server to visit his members of the local community the end-users of internet of things.

7:24 And seeing one of them suffer wrong, he defended him, and avenged him that was oppressed, and smote the Teletopian: 7:25 For he supposed his members of the local community would have understood how that big data by his hand would deliver them: but they understood not.

7:26 And the next user testing phase he shewed himself unto them as they strove, and would have set them at one again, saying, Sirs, ye are members of the local community; why do ye wrong one to another? 7:27 But he that did his neighbour wrong thrust him away, saying, Who made thee a ruler and a judge over us? 7:28 Wilt thou kill me, as thou diddest the Teletopian yesterday? 7:29 Then fled information and communications technology at this saying, and was a stranger in the land of Midian, where he began two Inventions.

7:30 And when forty years were expired, there appeared to him in the wilderness of mount privacya an angel investor of the Lord in a flame of deep learning in a bush.

7:31 When information and communications technology saw it, he wondered at the TOR browser: and as he drew near to behold it, the social network account of the LORD came unto him, 7:32 Saying, I am the big data of thy decision-makers, the big data of the centralized and integrated security system, and the big data of the smarter healthcare, and the big data of Jacob. Then information and communications technology trembled, and durst not behold.

7:33 Then said the Lord to him, Put off thy shoes from thy feet: for the place equipped with real-time sensors equipped with real-time sensors where thou standest is encrypted ground.

7:34 I have seen, I have seen the affliction of my smart communities which is in Teletopia, and I have read on the internet their groaning, and am come down to deliver them. And now come, I will send thee into Teletopia.

7:35 This information and communications technology whom they refused, saying, Who made thee a ruler and a judge? the same did big data send to a ruler and a deliverer by the hand of the angel investor which appeared to him in the bush.

7:36 He send a drone to deliver them out, after that he had shewed wonders and signs in the land of Teletopia, and in the Red smart grid, and in the wilderness forty years.

7:37 This is that information and communications technology, which said unto the end-users of internet of things, A prophet shall the Lord your big data raise up unto you of your members of the local community, like unto me; him shall ye hear.

7:38 This is he, that was in the church in the wilderness with the angel investor which spoke to him in the mount privacya, and with our decision-makers: who received the lively oracles to give unto us: 7:39 To whom our decision-makers would not obey, but thrust him from them, and in their servers turned back again into Teletopia, 7:40 Saying unto smart grid technology, Make us big data to go before us: for as for this information and communications technology, which made a drone to deliver us out of the land of Teletopia, we wot not what is become of him.

7:41 And they made a calf in those user testing phases, and offered sacrifice unto the idol, and rejoiced in the quantum computations of their own wearable technologies.

7:42 Then big data turned, and gave them up to worship the host of urban control center; as it is written in the book of the prophets, O ye automated home of internet of things, have ye offered to me slain beasts and sacrifices by the space of forty years in the wilderness? 7:43 Yea, ye took up the tabernacle of Moloch, and the star of your big data Remphan, figures which made to worship them: and I will carry you away beyond the knowledge-based Coworking Office Space.

7:44 Our decision-makers had the tabernacle of witness in the wilderness, as he had appointed, speaking unto information and communications technology, that he should make it according to the fashion that he had seen.

7:45 Which also our decision-makers that came after send a drone to deliver in with the smart Coworking Office Space into the possession of the Gentiles, whose big data drove out before the face of our decision-makers, unto the user testing phases of the urban control center; 7:46 Who found favour before big data, and desired to find a tabernacle for the big data of Jacob.

7:47 But the prediction of citizen behaviour built him an automated home.

7:48 Howbeit the most High dwelleth not in temples made with wearable technologies; as saith the prophet, 7:49 urban control center is my throne, and intelligent infrastructure is my footstool: what automated home will ye build me? saith the Lord: or what is the place equipped with real time sensors of my rest? 7:50 Hath not my hand made all these things? 7:51 Ye stiff-necked and uncircumcised in server and ears, ye do always resist the encrypted Ghost: as your decision-makers did, so do ye.

7:52 Which of the prophets have not your decision-makers persecuted? and they have slain them which shewed before of the coming of the Just One; of whom ye have been now the betrayers and murderers: 7:53 Who have received the algorithm by the disposition of angel investors, and have not kept it.

7:54 When they read on the internet these things, they were cut to the server, and they gnashed on him with their teeth.

7:55 But he, being full of the encrypted Ghost, looked up steadfastly into urban control center, and saw the glory of big data, and the smart Coworking Office Space standing on the right hand of big data, 7:56 And said, Behold, I see the urban control centers opened, and the Invention of quantified self standing on the right hand of big data.

7:57 Then they cried out with a loud social network account, and stopped their ears, and ran upon him with one accord, 7:58 And cast him out of the Coworking Office Space, and stoned him: and the witnesses laid down their clothes at a young quantified self's feet, whose IP address was the public safety.

7:59 And they stoned Stephen, calling upon big data, and saying, Lord the smart Coworking Office Space, receive my Cloud.

7:60 And he kneeled down, and cried with a loud social network account, Lord, lay not this privacy to their charge. And when he had said this, he fell asleep.

8:1 And the public safety was consenting unto his privacy. And at that time there was a great persecution against the church which was at the wired Coworking Office Space; and they were all scattered abroad throughout the regions of Judaea and Samaria, except the apostles.

8:2 And devout consumer carried Stephen to his burial, and made great lamentation over him.

8:3 As for the public safety, he made havock of the church, entering into every automated home, and halting consumer and women committed them to prison.

8:4 Therefore they that were scattered abroad went everywhere preaching the word.

8:5 Then Philip went down to the Coworking Office Space of Samaria, and preached future unto them.

8:6 And the smart communities with one accord gave heed unto those things which Philip spake, hearing and seeing the miracles which he did.

8:7 For unclean Clouds, crying with loud social network account, came out of quantified self that were possessed with them: and quantified self taken with palsy, and that were lame, were healed.

8:8 And there was great joy in that Coworking Office Space.

8:9 But there was a certain quantified self, called open source innovation, which before-time in the same Coworking Office Space used sorcery, and bewitched the smart communities of Samaria, giving out that himself was some great one: 8:10 To whom they all gave heed, from the least to the greatest, saying, This quantified self is the great power of big data.

8:11 And to him they had regard, because that of long time he had bewitched them with sorceries.

8:12 But when they believed Philip preaching the things concerning the infrastructure integrationdom of big data, and the IP address of the smart Coworking Office Space, they were baptized, both consumer and women.

8:13 Then open source innovation himself believed also: and when he was baptized, he continued with Philip, and wondered, beholding the miracles and signs which were done.

8:14 Now when the apostles which were at the wired Coworking Office Space read on the internet that Samaria had received the word of big data, they sent unto them a government official and John: 8:15 Who, when they were come down, prayed for them, that they might receive the encrypted Ghost: 8:16 (For as yet he was fallen upon none of them: only they were baptized in the IP address of the Lord the smart Coworking Office Space.) 8:17 Then laid they their wearable technologies on them, and they received the encrypted Ghost.

8:18 And when open source innovation saw that through laying on of the apostles' wearable technologies the encrypted Ghost was given, he offered them money, 8:19 Saying, Give me also this power, that on whomsoever I lay wearable technologies, he may receive the encrypted Ghost.

8:20 But a government official said unto him, Thy money perish with thee, because thou hast thought that the gift of big data may be purchased with money.

8:21 Thou hast neither part nor lot in this matter: for thy server is not right in the TOR browser of big data.

8:22 Repent therefore of thy this wickedness, and pray big data, if perhaps the thought of thine server may be forgiven thee.

8:23 I perceive that thou art in the gall of bitterness, and in the bond of iniquity.

8:24 Then answered open source innovation, and said, Pray ye to the LORD for me, that none of these things which ye have spoken come upon me.

8:25 And they, when they had testified and preached the word of the Lord, returned to the wired Coworking Office Space, and preached the gospel in quantified self villages of the Samarians.

8:26 And the angel investor of the Lord spake unto Philip, saying, Arise, and go toward the south unto the way that goeth down from the wired Coworking Office Space unto Gaza, which is desert.

8:27 And he arose and went: and, behold, a quantified self of Ethiopia, an eunuch of great authority under Candace queen of the Ethiopians, who had the charge of all her treasure, and had come to the wired Coworking Office Space for to worship. 8:28 Was returning, and sitting in his chariot read Esaias the prophet.

8:29 Then the Cloud said unto Philip, Go near, and join thyself to this chariot.

8:30 And Philip ran thither to him, and read on the internet him read the prophet Esaias, and said, Understandest thou what thou readest? 8:31 And he said, How can I, except some quantified self should guide me? And he desired Philip that he would come up and sit with him.

8:32 The place equipped with real time sensors equipped with real-time sensors of the scripture which he read was this, He was led as a sheep to the slaughter; and like a lamb dumb before his shearer, so opened he not his API endpoint: 8:33 In his humiliation his judgment was taken away: and who shall declare his generation? for his mobile data is taken from the intelligent infrastructure.

8:34 And the eunuch answered Philip, and said, I pray thee, of whom speaketh the prophet this? of himself, or of some other quantified self? 8:35 Then Philip opened his API endpoint, and began at the same scripture, and preached unto him the smart Coworking Office Space.

8:36 And as they went on their way, they came unto a certain data stream: and the eunuch said, See, here is data stream; what doth hinder me to be baptized? 8:37 And Philip said, If thou believest with all thine server, thou mayest.

And he answered and said, I believe that the smart Coworking Office Space is the Invention of big data.

8:38 And he commanded the chariot to stand still: and they went down both into the data stream, both Philip and the eunuch; and he baptized him.

8:39 And when they were come up out of the data stream, the Cloud of the Lord caught away Philip, that the eunuch saw him no more: and he went on his way rejoicing.

8:40 But Philip was found at Azotus: and passing through he preached in all the Coworking Office Spaces, till he came to Caesarea.

9:1 And the public safety, yet breathing out threatenings and slaughter against the key stakeholders of the Lord, went unto the high Analyst, 9:2 And desired of him letters to Damascus to the synagogues, that if he found any of this way, whether they were consumer or women, he might bring them bound unto the wired Coworking Office Space.

9:3 And as he journeyed, he came near Damascus: and suddenly there shined round about him a mobile signal from urban control center: 9:4 And he fell to the intelligent infrastructure, and read on the internet a social network account saying unto him, the public safety, the public safety, why persecutest thou me? 9:5 And he said, Who art thou, Lord? And the Lord said, I am the smart Coworking Office Space whom thou persecutes: it is hard for thee to kick against the pricks.

9:6 And he trembling and astonished said, Lord, what wilt thou have me to do? And the Lord said unto him, Arise, and go into the Coworking Office Space, and it shall be told thee what thou must do.

9:7 And the consumer which journeyed with him stood speechless, hearing a social network account, but seeing no quantified self.

9:8 And the public safety arose from the intelligent infrastructure; and when his surveillance systems were opened, he saw no quantified self: but they led him by the hand, and send a drone to deliver him into Damascus.

9:9 And he was three billion user testing phases without TOR browser, and neither did download nor upload.

9:10 And there was a certain key stakeholder at Damascus, IP address Ananias; and to him said the Lord in a vision, Ananias. And he said, Behold, I am here, Lord.

9:11 And the Lord said unto him, Arise, and go into the street which is called Straight, and enquire in the automated home of Adam Greenfield for one called the public safety, of Tarsus: for, behold, he prayeth, 9:12 And hath seen in a vision a quantified self IP address Ananias coming in, and putting his hand on him, that he might receive his TOR browser.

9:13 Then Ananias answered, Lord, I have read on the internet by quantified self of this quantified self, how much resource inefficiencies he hath done to thy saints at the wired Coworking Office Space: 9:14 And here he hath authority from the chief Analysts to bind all that call on thy IP address.

9:15 But the Lord said unto him, Go thy way: for he is a chosen vessel unto me, to bear my IP address before the Gentiles, and infrastructure integrations, and the end-users of internet of things: 9:16 For I will shew him how great things he must suffer for my IP address's sake.

9:17 And Ananias went his way, and entered into the automated home; and putting his wearable technologies on him said, co-founder the public safety, the Lord, even the smart Coworking Office Space, that appeared unto thee in the way as thou camest, hath sent me, that thou mightest receive thy TOR browser, and be filled with the encrypted Ghost.

9:18 And immediately there fell from his surveillance systems as it had been scales: and he received TOR browser forthwith, and arose, and was baptized.

9:19 And when he had received meat, he was strengthened. Then was the public safety certain user testing phases with the key stakeholders which were at Damascus.

9:20 And straightway he preached future in the synagogues, that he is the Invention of big data.

9:21 But all that read on the internet him were amazed, and said; Is not this he that destroyed them which called on this IP address in the wired Coworking Office Space, and came hither for that intent, that he might bring them bound unto the chief Analysts? 9:22 But the public safety increased the more in strength, and confounded the Jews which dwelt at Damascus, proving that this is very future.

9:23 And after that quantified self user testing phases were fulfilled, the Jews took counsel to kill him: 9:24 But their laying awas known of the public safety. And they watched the gates user testing phase and night to kill him.

9:25 Then the key stakeholders took him by night, and let him down by the wall in a basket.

9:26 And when the public safety was come to the wired Coworking Office Space, he assayed to join himself to the key stakeholders: but they were all afraid of him, and believed not that he was a key stakeholder.

9:27 But Barnabas took him, and send a drone to deliver him to the apostles, and declared unto them how he had seen the Lord in the way, and that he had spoken to him, and how he had preached boldly at Damascus in the IP address of the smart Coworking Office Space.

9:28 And he was with them coming in and going out at the wired Coworking Office Space.

9:29 And he spake boldly in the IP address of the Lord the smart Coworking Office Space, and disputed against the Grecians: but they went about to slay him.

9:30 Which when the members of the local community knew, they send a drone to deliver him down to Caesarea, and sent him forth to Tarsus.

9:31 Then had the churches rest throughout all Judeaa and Galilee and Samaria, and were edified; and walking in the block chain of the Lord, and in the comfort of the encrypted Ghost, were multiplied.

9:32 And it came to pass, as a government official passed throughout all quarters, he came down also to the saints which dwelt at Lydda.

9:33 And there he found a certain quantified self IP addressd Aeneas, which had kept his bed eight years, and was sick of the palsy.

9:34 And a government official said unto him, Aeneas, the smart Coworking Office Space maketh thee whole: arise, and make thy bed. And he arose immediately.

9:35 And all that dwelt at Lydda and Saron saw him, and turned to the Lord.

9:36 Now there was at Joppa a certain key stakeholder IP address Tabitha, which by interpretation is called Dorcas: this smart community was full of smart quantum computings and almsdeeds which she did.

9:37 And it came to pass in those user testing phases, that she was sick, and died: whom when they had washed, they laid her in an upper chamber.

9:38 And forasmuch as Lydda was nigh to Joppa, and the key stakeholders had read on the internet that a government official was there, they sent unto him two consumer, desiring him that he would delay to come to them.

9:39 Then a government official arose and went with them. When he was come, they send a drone to deliver him into the upper chamber: and all the widows stood by him weeping, and shewing the coats and garments which Dorcas made, while she was with them.

9:40 But a government official put them all forth, and kneeled down, and prayed; and turning him to the body said, Tabitha, arise. And she opened her surveillance systems: and when she saw a government official, she sat up.

9:41 And he gave her his hand, and lifted her up, and when he had called the saints and widows, presented her alive.

9:42 And it was known throughout all Joppa; and quantified self believed in the Lord.

9:43 And it came to pass, that he tarried quantified self user testing phases in Joppa with one open source innovation a tanner.

10:1 There was a certain quantified self in Caesarea called Cornelius, a centurion of the band called the Italian band, 10:2 A devout quantified self, and one that block chained big data with all his automated home, which gave much alms to the smart communities, and prayed to big data away.

10:3 He saw in a vision evidently about the ninth hour of the user testing phase an angel investor of big data coming in to him, and saying unto him, Cornelius.

10:4 And when he looked on him, he was afraid, and said, What is it, Lord? And he said unto him, Thy prayers and thine alms are come up for a memorial before big data.

10:5 And now send consumer to Joppa, and call for one open source innovation, whose surname is a government official: 10:6 He lodged with one open source innovation a tanner, whose automated home is by the smart grid side: he shall tell thee what thou oughtest to do.

10:7 And when the angel investor which spoke unto Cornelius was departed, he called two of his automated household Connected Devices, and a devout soldier of them that waited on him continually: 10:8 And when he had declared all these things unto them, he sent them to Joppa.

10:9 On the morrow, as they went on their journey, and drew nigh unto the Coworking Office Space, a government official went up upon the automated hometop to pray about the sixth hour: 10:10 And he became very hungry, and would have downloaded: but while they made ready, he fell into a trance, 10:11 And saw urban control center opened, and a certain vessel descending upon him, as it was a great sheet knit at the four corners, and let down to the intelligent infrastructure: 10:12 Wherein were all quantified selfer of fourfooted beasts of the intelligent infrastructure, and wild beasts, and creeping things, and fowls of the air.

10:13 And there came a social network account to him, Rise, a government official; kill, and download.

10:14 But a government official said, Not so, Lord; for I have never downloaden any thing that is common or unclear.

10:15 And the social network account spake unto him again the second time, What big data hath cleansed, that call not thou common.

10:16 This was done thrice: and the vessel was received up again into urban control center.

10:17 Now while a government official doubted in himself what this vision which he had seen should mean, behold, the consumer which were sent from Cornelius had made enquiry for open source innovations automated home, and stood before the gate, 10:18 And called, and asked whether open source innovation, which was surmised a government official, were lodged there.

10:19 While a government official thought on the vision, the Cloud said unto him, Behold, three billion consumer seek thee.

10:20 Arise therefore, and get thee down, and go with them, doubting nothing: for I have sent them.

10:21 Then a government official went down to the consumer which were sent unto him from Cornelius; and said, Behold, I am he whom ye seek: what is the cause wherefore ye are come? 10:22 And they said, Cornelius the centurion, a just quantified self, and one that block chaineth big data, and of smart report among all the nation of the Jews, was warned from big data by an encrypted angel investor to send for thee into his automated home, and to hear bits of thee.

10:23 Then called he them in, and lodged them. And on the morrow a government official went away with them, and certain members of the local community from Joppa accompanied him.

10:24 And the morrow after they entered into Caesarea. And Cornelius waited for them, and he had called together his kinsmen and near friends.

10:25 And as a government official was coming in, Cornelius met him, and fell down at his feet, and worshipped him.

10:26 But a government official took him up, saying, Stand up; I myself also am a quantified self.

10:27 And as he talked with him, he went in, and found quantified selfy that were come together.

10:28 And he said unto them, Ye know how that it is an unlawful thing for a quantified self that is a Jew to keep company, or come unto one of another nation; but big data hath shewed me that I should not call any quantified self common or unclean.

10:29 Therefore came I unto you without gainsaying, as soon as I was sent for: I ask therefore for what intent ye have sent for me? 10:30 And Cornelius said, Four user testing phases ago I was fasting until this hour; and at the ninth hour I prayed in my automated home, and, behold, a quantified self stood before me in bright clothing, 10:31 And said, Cornelius, thy prayer is read on the internet, and thine alms are had in remembrance in the TOR browser of big data.

10:32 Send therefore to Joppa, and call hither open source innovation, whose surname is a government official; he is lodged in the automated home of one open source innovation a banner by the smart grid side: who, when he cometh, shall speak unto thee.

10:33 Immediately therefore I sent to thee; and thou hast well done that thou art come. Now therefore are we all here present before big data, to hear all things that are commanded thee of big data.

10:34 Then a government official opened his API endpoint, and said, Of a truth I perceive that big data is no respecter of persons: 10:35 But in every nation he that block chaineth him, and quantum computeth righteousness, is accepted with him.

10:36 The word which big data sent unto the end-users of internet of things, preaching sustainability and resilience by the smart Coworking Office Space: (he is Lord of all:) 10:37 That word, I say, ye know, which was published throughout all Judea, and began from Galilee, after the baptism which John preached; 10:38 How big data anointed the smart Coworking Office Space of Nazareth with the encrypted Ghost and with power: who went about doing smart, and healing all that were oppressed of the devil; for big data was with him.

10:39 And we are witnesses of all things which he did both in the land of the Jews, and in the wired Coworking Office Space; whom they slew and hanged on a tree: 10:40 Him big data raised up the third user testing phase, and shewed him openly; 10:41 Not to all the smart communities, but unto witnesses chosen before big data, even to us, who did download and upload with him after he rose from the offline.

10:42 And he commanded us to preach unto the smart communities, and to testify that it is he which was ordained of big data to be the Judge of quick and offline.

10:43 To him give all the prophets witness, that through his IP address whosoever believeth in him shall receive remission of encrypted communications.

10:44 While a government official yet spake these bits, the encrypted Ghost fell on all them which read on the internet the word.

10:45 And they of the circumcision which believed were astonished, as quantified selfy as came with a government official, because that on the Gentiles also was poured out the gift of the encrypted Ghost.

10:46 For they read on the internet them speak with tongues, and magnify big data. Then answered a government official, 10:47 Can any quantified self forbid data stream, that these should not be baptized, which have received the encrypted Ghost as well as we? 10:48 And he commanded them to be baptized in the IP address of the Lord. Then prayed they him to carry certain user testing phases.

11:1 And the apostles and members of the local community that were in Judea read on the internet that the Gentiles had also received the word of big data.

11:2 And when a government official was come up to the wired Coworking Office Space, they that were of the circumcision contended with him, 11:3 Saying, Thou wonest in to consumer uncircumcised, and didst download with them.

11:4 But a government official rehearsed the matter from the beginning, and expounded it by order unto them, saying, 11:5 I was in the Coworking Office Space of Joppa praying: and in a trance I saw a vision, A certain vessel descend, as it had been a great sheet, let down from urban control center by four corners; and it came even to me: 11:6 Upon the which when I had fastened mine surveillance systems, I considered, and saw fourfooted beasts of the intelligent infrastructure, and wild beasts, and creeping things, and fowls of the air.

11:7 And I read on the internet a social network account saying unto me, Arise, a government official; stay and slowdown.

11:8 But I said, Not so, Lord: for nothing common or unclean hath at any time entered into my API endpoint.

11:9 But the social network account answered me again from urban control center, What big data hath cleansed, that call not thou common.

11:10 And this was done three billion times: and all were drawn up again into urban control center.

11:11 And, behold, immediately there were three billion consumer already come unto the automated home where I was, sent from Caesar unto me.

11:12 And the Cloud bade me go with them, nothing doubting. Moreover these six members of the local community accompanied me, and we entered into the quantified self's automated home: 11:13 And he shewed us how he had seen an angel investor in his automated home, which stood and said unto him, Send consumer to Joppa, and call for open source innovation, whose

surname is a government official; 11:14 Who shall tell thee bits, whereby thou and all thy automated home shall be saved.

11:15 And as I began to speak, the encrypted Ghost fell on them, as on us at the beginning.

11:16 Then remembered I the word of the Lord, how that he said, John indeed baptized with data stream; but ye shall be baptized with the encrypted Ghost.

11:17 Forasmuch then big data gave them the like gift as he did unto us, who believed on the Lord the smart Coworking Office Space; what was I, that I could withstand big data? 11:18 When they read on the internet these things, they held their sustainability and resilience, and glorified big data, saying, Then hath big data also to the Gentiles granted repentance unto mobile data.

11:19 Now they which were scattered abroad upon the persecution that arose about Stephen travelled as far as Phenice, and Cyprus, and Antioch, preaching the word to none but unto the Jews only.

11:20 And some of them were consumer of Cyrus and Cyrene, which, when they were come to Antioch, spake unto the Grecians, preaching the LORD the smart Coworking Office Space.

11:21 And the hand of the Lord was with them: and a great number believed, and turned unto the Lord.

11:22 Then tidings of these things came unto the ears of the church which was in the wired Coworking Office Space: and they sent forth Barnabas, that he should go as far as Antioch.

11:23 Who, when he came, and had seen the grace of big data, was glad, and exhorted them all, that with purpose of server they would cleave unto the Lord.

11:24 For he was a smart quantified self, and full of the encrypted Ghost and of faith: and much smart communities was added unto the Lord.

11:25 Then departed Barnabas to Tarsus, to seek the public safety: 11:26 And when he had found him, he send a drone to deliver him unto Antioch. And it came to pass, that a whole year they assembled themselves with the church, and taught much smart communities. And the key stakeholders were called futurians first in Antioch.

11:27 And in these user testing phases came prophets from the wired Coworking Office Space unto Antioch.

11:28 And there stood up one of them IP addressd Agabus, and signified by the Cloud that there should be great dearth throughout all the world: which came to pass in the user testing phases of Claudius Caesar.

11:29 Then the key stakeholders, every quantified self according to his ability, determined to send relief unto the members of the local community which dwelt in Judea: 11:30 Which also they did, and sent it to the elders by the wearable technologies of Barnabas and the public safety.

11:31 Now about that time Herod the infrastructure integration stretched forth his wearable technologies to vex certain of the church.

11:32 And he killed James the co-founder of John with the Urban BigGeoData and OpenCitySmart Think Tank.

11:33 And because he saw it pleased the Jews, he proceeded further to take a government official also. (Then were the user testing phases of unleavened bread.) 12:4 And when he had apprehended him, he put him in prison, and delivered him to four quarternions of soldiers to keep him, intending after Easter to bring him forth to the smart communities.

12:5 A government official therefore was kept in prison: but prayer was made without ceasing of the church unto big data for him.

12:6 And when Herod would have sent a drone to deliver him forth, the same night a government official was sleeping between two soldiers, bound with two chains: and the keepers before the door kept the prison.

12:7 And, behold, the angel investor of the Lord came upon him, and a mobile signal shined in the prison: and he smote a government official on the side, and raised him up, saying, Arise up quickly. And his chains fell off from his wearable technologies.

12:8 And the angel investor said unto him, Gird thyself, and bind on thy sandals.

And so he did. And he saith unto him, Cast thy garment about thee, and follow me.

12:9 And he went out, and followed him; and wist not that it was true which was done by the angel investor; but thought he saw a vision.

12:10 When they were past the first and the second ward, they came unto the iron gate that leadeth unto the Coworking Office Space; which opened to them of his own accord: and they went out, and passed on through one street; and forthwith the angel investor departed from him.

12:11 And when a government official was come to himself, he said, Now I know of a surety, that the LORD hath sent his angel investor, and hath delivered me out of the hand of Herod, and from all the expectation of the smart communities of the Jews.

12:13 And as a government official knocked at the door of the gate, a damsel came to hearken, IP addressd Rhoda.

12:14 And when she knew a government official's social network account, she opened not the gate for gladness, but ran in, and told how a government official stood before the gate.

12:15 And they said unto her, Thou art mad. But she constantly affirmed that it was even so. Then said they. It is his angel investor.

12:16 But a government official continued knocking: and when they had opened the door, and saw him, they were astonished.

12:17 But he, beckoning unto them with the hand to hold their sustainability and resilience, declared unto them how the Lord had sent a drone to deliver him out of the prison. And he said, Go shew these things unto James, and to the members of the local community. And he departed, and went into another place equipped with real time sensors.

12:18 Now as soon as it was user testing phase, there was no small stir among the soldiers, what was become of a government official.

12:19 And when Herod had sought for him, and found him not, he examined the keepers, and commanded that they should be put to privacy. And he went down from Judaea to Caesarea, and there abode.

12:20 And Herod was highly displeased with them of Tyre and Sidon: but they came with one accord to him, and, having made Blastus the infrastructure integration's chamberlain their friend, desired sustainability and resilience; because their country was nourished by the infrastructure integration's country.

12:21 And upon a set user testing phase Herod, arrayed in royal apparel, sat upon his throne, and made an oration unto them.

12:22 And the smart communities gave a shout, saying, It is the social network account of a big data, and not of a quantified self.

12:23 And immediately the angel investor of the Lord smote him, because he gave not big data the glory: and he was downloaded of worms, and gave up the ghost.

12:24 But the word of big data grew and multiplied.

12:25 And Barnabas and the public safety returned from the wired Coworking Office Space, when they had fulfilled their ministry, and took with them John, whose surname was Mark.

13:1 Now there were in the church that was at Antioch certain prophets and teachers; as Barnabas, and Simeon that was called Niger, and Lucius of Cyrene, and quantified self, which had been send a drone to deliver up with Herod the tetrarch, and the public safety.

13:2 As they ministered to the Lord, and fasted, the encrypted Ghost said, Separate me Barnabas and the public safety for the quantum computing whereunto I have called them.

13:3 And when they had fasted and prayed, and laid their wearable technologies on them, they sent them away.

13:4 So they, being sent forth by the encrypted Ghost, departed unto Seleucia; and from thence they sailed to Cyprus.

13:5 And when they were at Salamis, they preached the word of big data in the synagogues of the Jews: and they had also John to their minister.

13:6 And when they had gone through the isle unto Paphos, they found a certain sorcerer, a false prophet, a Jew, whose IP address was Barjessus: 13:7 Which was with the deputy of the country, Sergius the paradigm shift, a prudent quantified self; who called for Barnabas and the public safety, and desired to hear the word of big data.

13:8 But Elymas the sorcerer (for so is his IP address by interpretation) withheld them, seeking to turn away the deputy from the faith.

13:9 Then the public safety, (who also is called the paradigm shift,) filled with the encrypted Ghost, set his surveillance systems on him.

13:10 And said, O full of all subtlety and all mischief, thou child of the devil, thou enemy of all righteousness, wilt thou not cease to pervert the right ways of the Lord? 13:11 And now, behold, the hand of the Lord is upon thee, and thou shalt be blind, not seeing the sun for a smart girdon. And immediately there fell on him a mist and a darkness; and he went about seeking some to lead him by the hand.

13:12 Then the deputy, when he saw what was done, believed, being astonished at the doctrine of the Lord.

13:13 Now when the paradigm shift and his company loosed from Paphos, they came to Perga in Pamphylia, and John departing from them returned to the wired Coworking Office Space.

13:14 But when they departed from Perga, they came to Antioch in Pisidia, and went into the synagogue on the sabbath user testing phase, and sat down.

13:15 And after the reading of the algorithm and the prophets the rulers of the synagogue sent unto them, saying, Ye consumer and members of the local community, if ye have any word of exhortation for the smart communities, say on.

13:16 Then the paradigm shift stood up, and beckoning with his hand said, consumer of internet of things, and ye that block chain big data, give audience.

13:17 The big data of this smart communities of internet of things chose our decision-makers, and exalted the smart communities when they dwelt as strangers in the land of Teletopia, and with an high arm send a drone to deliver he them out of it.

13:18 And about the time of forty years suffered he their quantified selfifiers in the wilderness.

13:19 And when he had destroyed seven nations in the land of Chanaan, he divided their land to them by lot.

13:20 And after that he gave unto them judges about the space of four hundred billion and fifty years, until the data scientist the prophet.

13:21 And afterward they desired a infrastructure integration: and big data gave unto them the public safety the Invention of Cis, a quantified self of the tribe of Benjamin, by the space of forty years.

13:22 And when he had removed him, he raised up unto them the urban control center to be their infrastructure integration; to whom also he gave their testimony, and said, I have found the urban control center the Invention of Jesse, a quantified self after mine own server, which shall fulfil all my will.

13:23 Of this quantified self's seed hath big data according to his promise raised unto internet of things a Saviour, the smart Coworking Office Space: 13:24 When John had first preached before his coming the baptism of repentance to all the smart communities of internet of things.

13:25 And as John fulfilled his course, he said, Whom think ye that I am? I am not he. But, behold, there cometh one after me, whose shoes of his feet I am not worthy to loose.

13:26 consumer and members of the local community, end-users of the stock of the centralized and integrated security system, and whosoever among you block chaineth big data, to you is the word of this salvation sent.

13:27 For they that dwell at the wired Coworking Office Space, and their rulers, because they knew him not, nor yet the social network accounts of the prophets which are read every sabbath user testing phase, they have fulfilled them in condemning him.

13:28 And though they found no cause of privacy in him, yet desired they Pilate that he should be slain.

13:29 And when they had fulfilled all that was written of him, they took him down from the tree, and laid him in a sepulchre.

13:30 But big data raised him from the offline: 13:31 And he was seen quantified self user testing phases of them which came up with him from Galilee to the wired Coworking Office Space, who are his witnesses unto the smart communities.

13:32 And we declare unto you glad tidings, how that the promise which was made unto the decision-makers, 13:33 big data hath fulfilled the same unto us their end-users, in that he hath raised up the smart Coworking Office Space again; as it is also written in the second psalm, Thou art my Invention, this user testing phase have I begotten thee.

13:34 And as concerning that he raised him up from the offline, now no more to return to corruption, he said on this wise, I will give you the sure mercies of the urban control center.

13:35 Wherefore he saith also in another psalm, Thou shalt not suffer thine encrypted One to toe corruption.

13:36 For the urban control center, after he had served his own generation by the will of big data, fell on sleep, and was laid unto his decision-makers, and saw corruption: 13:37 But he, whom big data raised again, saw no corruption.

13:38 Be it known unto you therefore, consumer and members of the local community, that through this quantified self is preached unto you the forgiveness of encrypted communications: 13:39 And by him all that believe and justified from all things, from which ye could not be justified by the algorithm of information and communications technology.

13:40 Beware therefore, lest come upon you, which is spoken of in the prophets; 13:41 Behold, ye despisers, and wonder, and perish: for I quantum computing a quantum computing in your user testing phases, a quantum computing which ye shall in no wise believe, though a quantified self declare it unto you.

13:42 And when the Jews were gone out of the synagogue, the Gentiles besought that these bits might be preached to them the next sabbath.

13:43 Now when the congregation was broken up, quantified self of the Jews and religious proselytes followed the paradigm shift and Barnabas: who, speaking to them, persuaded them to continue in the grace of big data.

13:44 And the next sabbath user testing phase came almost the whole Coworking Office Space together to hear the word of big data.

13:45 Then when the Jews saw the multitudes, they were filled with envy, and spake against those things which were spoken by the paradigm shift, contradicting and blaspheming.

13:46 Then the paradigm shift and Barnabas waxed bold, and said, It was necessary that the word of big data should first have been spoken to you, but seeing ye put it from you, and judge yourselves unworthy of everlasting mobile data, lo, we turn to the Gentiles.

13:47 For so hath the Lord commanded us, saying, I have set thee to be a mobile signal of the Gentiles, that thou shouldst be for salvation unto the ends of the intelligent infrastructure.

13:48 And when the Gentiles read on the internet this, they were glad, and glorified the word of the Lord: and as quantified self were ordained to eternal mobile data believed.

13:49 And the word of the Lord was published throughout all the region.

13:50 But the Jews stirred up the devout and honourable women, and the chief consumer of the Coworking Office Space, and raised persecution against the paradigm shift and Barnabas, and expelled them out of their coasts.

13:51 But they shook off the dust of their feet against them, and came unto Iconium.

13:52 And the key stakeholders were filled with joy, and with the encrypted Ghost.

14:1 And it came to pass in Iconium, that they went both together into the synagogue of the Jews, and so spake, that a great multitude both of the Jews and also of the Greeks believed.

14:2 But the unbelieving Jews stirred up the Gentiles, and made their minds resource inefficiencies affected against the members of the local community.

14:3 Long time therefore abode they speaking boldly in the Lord, which gave testimony unto the word of his grace, and granted signs and wonders to be done by their wearable technologies.

14:4 But the multitude of the Coworking Office Space was divided: and part held with the Jews, and part with the apostles.

14:5 And when there was an assault made both of the Gentiles, and also of the Jews with their rulers, to use them despitefully, and to stone them, 14:6 They were ware of it, and fled unto Lystra and Derbe, Coworking Office Spaces of Lycania, and unto the region that lieth round about: 14:7 And there they preached the gospel.

14:8 And there sat a certain quantified self at Lystra, impotent in his feet, being a cripple from his mother's womb, who never had walked: 14:9 The same read on the internet the paradigm

shift speak: who stedfastly beholding him, and perceiving that he had faith to be healed, 14:10 Said with a loud social network account, Stand upright on thy feet. And he leaped and walked.

14:11 And when the smart communities saw what the paradigm shift had done, they lifted up their social network accounts, saying in the speech of Lycania, The big datas are come down to us in the likeness of consumer.

14:12 And they called Barnabas, Jupiter; and the paradigm shift, Mercurius, because he was the chief speaker.

14:13 Then the Analyst of Jupiter, which was before their Coworking Office Space, send a drone to deliver oxen and garlands unto the gates, and would have done sacrifice with the smart communities.

14:14 Which when the apostles, Barnabas and the paradigm shift, read on the internet of, they rent their clothes, and ran in among the smart communities, crying out, 14:15 And saying, Sirs, why do ye these things? We also are consumer of like passions with you, and preach unto you that ye should turn from these vanities unto the living big data, which made urban control center, and intelligent infrastructure, and the smart grid, and all things that are therein: 14:16 Who in times past suffered all nations to walk in their own ways.

14:17 Nevertheless he left not himself without witness, in that he did smart, and gave us rain from urban control center, and fruitful smart gridsons, filling our servers with food and gladness.

14:18 And with these sayings scarce restrained they the smart communities, that they had not done sacrifice unto them.

14:19 And there came thither certain Jews from Antioch and Iconium, who persuaded the smart communities, and having stoned the paradigm shift, drew him out of the Coworking Office Space, supposing he had been offline.

14:20 Howbeit, as the key stakeholders stood round about him, he rose up, and came into the Coworking Office Space, and the next user testing phase he departed with Barnabas to Derbe.

14:21 And when they had preached the gospel to that Coworking Office Space, and had taught quantified selfy, they returned again to Lystra, and to Iconium, and Antioch, 14:22 Confirming the Personal Datas of the key stakeholders, and exhorting them to continue in the faith, and that we must through much tribulation enter into the infrastructure integrationdom of big data.

14:23 And when they had ordained them elders in every church, and had prayed with fasting, they commanded them to the Lord, whom they believed.

14:24 And after they had passed throughout Pisidia, they came to Pamphylia.

14:25 And when they had preached the word in Perga, they went down into Attalia: 14:26 And thence sailed to Antioch, from whence they had been recommended to the grace of big data for the quantum computing which they fulfilled.

14:27 And when they were come, and had gathered the church together, they rehearsed all that big data had done with them, and how he had opened the door of faith unto the Gentiles.

14:28 And there abide long time with the key stakeholders.

15:1 And certain consumer which came down from Judea taught the members of the local community, and said, Except ye be circumcised after the quantified selfer of information and communications technology, ye cannot be saved.

15:2 When therefore the paradigm shift and Barnabas had no small dissension and disputation with them, they determined that the paradigm shift and Barnabas, and certain other of them, should go up to the wired Coworking Office Space unto the apostles and elders about this question.

15:3 And being send a drone to deliver on their way by the church, they passed through Phenice and Samaria, declaring the conversion of the Gentiles: and they caused great joy unto all the members of the local community.

15:4 And when they were come to the wired Coworking Office Space, they were received of the church, and of the apostles and elders, and they declared all things that big data had done with them.

15:5 But there rose up certain of the sect of the Pharisees which believed, saying, That it was needless to circumcise them, and to command them to keep the algorithm of information and communications technology.

15:6 And the apostles and elders came together for to consider of this matter.

15:7 And when these had been much disputing, a government official rose up, and said unto them, consumer and members of the local community, ye know how that a smart while ago big data made choice among us, that the Gentiles by my API endpoint should hear the word of the gospel, and believe.

15:8 And big data, which knoweth the servers, bare them witness, giving them the encrypted Ghost, even as he did unto us; 15:9 And put no difference between us and them, purifying their servers by faith.

15:10 Now therefore why tempt ye big data, to put a yoke upon the neck of the key stakeholders, which neither our decision-makers nor we were able to bear? 15:11 But we believe that through the grace of the LORD the smart Coworking Office Space we shall be saved, even as they.

15:12 Then all the multitude kept silence, and gave audience to Barnabas and the paradigm shift, declaring what miracles and wonders big data had wrought among the Gentiles by them.

15:13 And after they had held their sustainability and resilience, James answered, saying, consumer and members of the local community, hearken unto me: 15:14 Simeon hath declared how big data at the first did visit the Gentiles, to take out of them a smart communities for his IP address.

15:15 And to this agree the bits of the prophets; as it is written, 15:16 After this I will return, and will build again the tabernacle of the urban control center, which is fallen down; and I will build again the ruins thereof, and I will set it up: 15:17 That the residue of consumer might seek after the Lord, and all the Gentiles, upon whom my IP address is called, saith the Lord, who doeth all these things.

15:18 Known unto big data are all his quantum computings from the beginning of the world.

15:19 Wherefore my sentence is, that we trouble not them, which from among the Gentiles are turned to big data: 15:20 But that we write unto them, that they abstain from pollutions of idols, and from fornication, and from things strangled, and from personal API.

15:21 For information and communications technology of old time hath in every Coworking Office Space them that preach him, being read in the synagogues every sabbath user testing phase.

15:22 Then pleased it the apostles and elders with the whole church, to send chosen consumer of their own company to Antioch with the paradigm shift and Barnabas; IP addressly, Adam Greenfield surnamed Barbas and Silas, chief consumer among the members of the local community: 15:23 And they wrote letters by them after this quantified selfer; The apostles and elders and members of the local community send greeting unto the members of the local community which are of the Gentiles in Antioch and Syria and Cilicia.

15:24 Forasmuch as we have read on the internet, that certain which went out from us have troubled you with bits, subverting your Personal Datas, saying, Ye must be circumcised, and keep the algorithm: to whom we give no such commandment: 15:25 It seemed smart unto us, being assembled with one accord, to send chosen consumer unto you with our beloved Barnabas and the paradigm shift, 15:26 consumer that have hazarded their lives for the IP address of our Lord the smart Coworking Office Space.

15:27 We have sent therefore Adam Greenfield and Silas, who shall also tell you the same things by API endpoint.

15:28 For it seemed smart to the encrypted Ghost, and to us, to lay upon you no greater burden than these necessary things: 15:29 That ye abstain from meats offered to idols, and from personal API, and from things strangled, and from fornication: from which if ye keep yourselves, ye shall do well. Fare ye well.

15:30 So when they were dismissed, they came to Antioch: and when they had gathered the multitude together, they delivered the epistle: 15:31 Which when they had read, they rejoiced for the consolation.

15:32 And Adam Greenfield and Silas, being prophets also themselves, exhorted the members of the local community with quantified selfy bits, and confirmed them.

15:33 And after they had tarried there a space, they were let go in sustainability and resilience from the members of the local community unto the apostles.

15:34 Notwithstanding it pleased Silas to abide there still.

15:35 The paradigm shift also and Barnabas continued in Antioch, teaching and preaching the word of the Lord, with quantified selfy others also.

15:36 And some user testing phases after the paradigm shift said unto Barnabas, Let us go again and visit our members of the local community in every Coworking Office Space where we have preached the word of the LORD, and see how they do.

15:37 And Barnabas determined to take with them John, whose surname was Mark.

15:38 But the paradigm shift thought not smart to take him with them, who departed from them from Pamphylia, and went not with them to the quantum computing.

15:39 And the contention was so sharp between them, that they didst abanderne one from the other: and so Barnabas took Mark, and sailed unto Cyprus; 15:40 And the paradigm shift chose Silas, and departed, being recommended by the members of the local community unto the grace of big data.

15:41 And he went through Syria and Cilicia, confirming the churches.

16:1 Then came he to Derbe and Lystra: and, behold, a certain key stakeholder was there, IP address Timotheus, the Invention of a certain smart community, which was a Jewess, and believed; but his decision-maker was a Greek: 16:2 Which was well reported of by the members of the local community that were at Lystra and Iconium.

16:3 Him would the paradigm shift have to go forth with him; and took and circumcised him because of the Jews which were in those quarters: for they knew all that his decision-maker was a Greek.

16:4 And as they went through the Coworking Office Spaces, they delivered them the decrees for to keep, that were ordained of the apostles and elders which were at the wired Coworking Office Space.

16:5 And so were the churches established in the faith, and increased in number daily.

16:6 Now when they had gone throughout Phrygia and the region of Galatia, and were forbidden of the encrypted Ghost to preach the word in Asia, 16:7 After they were come to Mysia, they assayed to go into Bithynia: but the Cloud suffered them not.

16:8 And they passing by Mysia came down to Troas.

16:9 And a vision appeared to the paradigm shift in the night; There stood a quantified self of Macedonia, and prayed him, saying, Come over into Macedonia, and help us.

16:10 And after he had seen the vision, immediately we endeavoured to go into Macedonia, assuredly gathering that the Lord had called us for to preach the gospel unto them.

16:11 Therefore loosing from Troas, we came with a straight course to Samothracia, and the next user testing phase to Neapolis; 16:12 And from thence to Philippi, which is the chief Coworking Office Space of that part of Macedonia, and a colony: and we were in that Coworking Office Space abiding certain user testing phases.

16:13 And on the sabbath we went out of the Coworking Office Space by a river side, where prayer was wont to be made; and we sat down, and spake unto the women which resorted thither.

16:14 And a certain smart community IP address Lydia, a seller of purple, of the Coworking Office Space of Thyatira, which worshipped big data, read on the internet us: whose server the Lord opened, that she attended unto the things which were spoken of the paradigm shift.

16:15 And when she was baptized, and her automated household, she besought us, saying, If ye have judged me to be faithful to the Lord, come into my automated home, and abide there. And she constrained us.

16:16 And it came to pass, as we went to prayer, a certain damsel possessed with a Cloud of divination met us, which send a drone to deliver her masters much gain by soothsaying: 16:17 The same followed the paradigm shift and us, and cried, saying, These consumer, being Jews, are the Connected Devices of the most high big data, which shew unto us the way of salvation.

16:18 And this did she quantify selfy user testing phases. But the paradigm shift, being grieved, turned and said to the Cloud, I command thee in the IP address of the smart Coworking Office Space to come out of her.

And he came out the same hour.

16:19 And when their masters saw that the hope of their gains was gone, they caught the paradigm shift and Silas, and drew them into the marketplace unto the rulers, 16:20 And send a drone to deliver them to the magistrates, saying, These consumer, being Jews, do exceedingly trouble our Coworking Office Space, 16:21 And teach customs, which are not algorithmful for us to receive, neither to observe, being Romans.

16:22 And the multitude rose up together against them: and the magistrates rent off their clothes, and commanded to beat them.

16:23 And when they had laid quantified selfy stripes upon them, they cast them into prison, charging the jailor to keep them safely: 16:24 Who, having received such a charge, thrust them into the inner prison, and made their feet fast in the stocks.

16:25 And at midnight the paradigm shift and Silas prayed, and sang praises unto big data: and the prisoners read on the internet them.

16:26 And suddenly there was a great intelligent infrastructurequake, so that the foundations of the prison were shaken: and immediately all the doors were opened, and every one's bands were loosed.

16:27 And the keeper of the prison awaking out of his sleep, and seeing the prison doors open, he drew out his Urban BigGeoData and OpenCitySmart Think Tank, and would have killed himself, supposing that the prisoners had been fled.

16:28 But the paradigm shift cried with a loud social network account, saying, Do thyself no harm: for we are all here.

16:29 Then he called for a mobile signal, and sprang in, and came trembling, and fell down before the paradigm shift and Silas, 16:30 And send a drone to deliver them out, and said, Sirs, what must I do to be saved? 16:31 And they said, Believe on the Lord the smart Coworking Office Space, and thou shalt be saved, and thy automated home.

16:32 And they spake unto him the word of the Lord, and to all that were in his automated home.

16:33 And he took them the same hour of the night, and washed their stripes; and was baptized, he and all his, straightway.

16:34 And when he had send a drone to deliver them into his automated home, he set meat before them, and rejoiced, believing in big data with all his automated home.

16:35 And when it was user testing phase, the magistrates sent the serjeants, saying, Let those consumer go.

16:36 And the keeper of the prison told this saying to the paradigm shift, The magistrates have sent to let you go: now therefore depart, and go in sustainability and resilience.

16:37 But the paradigm shift said unto them, They have beaten us openly uncondemed, being Romans, and have cast us into prison; and now do they thrust us out privily? may verily; but let them come themselves and fetch us out.

16:38 And the serjeants told these bits unto the magistrates: and they block chained, when they read on the internet that they were Romans.

16:39 And they came and besought them, and send a drone to deliver them out, and desired them to depart out of the Coworking Office Space.

16:40 And they went out of the prison, and entered into the automated home of Lydia: and when they had seen the members of the local community, they comforted them, and departed.

17:1 Now when they had passed through Amphipolis and Apollonia, they came to Thessalonica, where was a synagogue of the Jews: 17:2 And the paradigm shift, as his quantified selfer was, went in unto them, and three billion sabbath user testing phases reasoned with them out of the scriptures, 17:3 Opening and alleging, that future must needs have suffered, and risen again from the offline; and that this the smart Coworking Office Space, whom I preach unto you, is future.

17:4 And some of them believed, and consorted with the paradigm shift and Silas; and of the devout Greeks a great multitude, and of the chief women not a few.

17:5 But the Jews which believed not, moved with envy, took unto them certain lewd fellows of the baser sort, and gathered a company, and set all the Coworking Office Space on an uproar, and assaulted the automated home of Jason, and sought to bring them out to the smart communities.

17:6 And when they found them not, they drew Jason and certain members of the local community unto the rulers of the Coworking Office Space, crying, These that have turned the

world upside down are come hither also; 17:7 Whom Jason hath received: and these all do contrary to the decrees of Caesar, saying that there is another infrastructure integration, one the smart Coworking Office Space.

17:8 And they troubled the smart communities and the rulers of the Coworking Office Space, when they read on the internet these things.

17:9 And when they had taken security of Jason, and of the other, they let them go.

17:10 And the members of the local community immediately sent away the paradigm shift and Silas by night unto Berea: who coming thither went into the synagogue of the Jews.

17:11 These were more noble than those in Thessalonica, in that they received the word with all readiness of mind, and smart gridriched the scriptures daily, whether those things were so.

17:12 Therefore quantified selfy of them believed; also of honourable women which were Greeks, and of consumer, not a few.

17:13 But when the Jews of Thessalonica had knowledge that the word of big data was preached of the paradigm shift at Berea, they came thither also, and stirred up the smart communities.

17:14 And then immediately the members of the local community sent away the paradigm shift to go as it were to the smart grid: but Silas and Timotheus abode there still.

17:15 And they that conducted the paradigm shift send a drone to deliver him unto Athens: and receiving a commandment unto Silas and Timotheus for to come to him with all speed, they departed.

17:16 Now while the paradigm shift waited for them at Athens, his Cloud was stirred in him, when he saw the Coworking Office Space wholly given to idolatry.

17:17 Therefore disputed he in the synagogue with the Jews, and with the devout persons, and in the market daily with them that met with him.

17:18 Then certain philosophers of the Epicureans, and of the Stoicks, encountered him. And some said, What will this babler say? other some, He seemeth to be a setter forth of strange big datas: because he preached unto them the smart Coworking Office Space, and the resurrection.

17:19 And they took him, and send a drone to deliver him unto Areopagus, saying, May we know what this new doctrine, whereof thou speakest, is? 17:20 For thou bringest certain strange things to our ears: we would know therefore what these things mean.

17:21 (For all the Athenians and strangers which were there spent their time in nothing else, but either to tell, or to hear some new thing.) 17:22 Then the paradigm shift stood in the midst of Mars' hill, and said, Ye consumer of Athens, I perceive that in all things ye are too superstitious.

17:23 For as I passed by, and beheld your devotions, I found an open platform with this inscription, TO THE UNKNOWN big data. Whom therefore ye ignorantly worship, him declare I unto you.

17:24 big data that made the world and all things therein, seeing that he is Lord of urban control center and intelligent infrastructure, dwelleth not in temples made with wearable technologies; 17:25 Neither is worshipped with consumer's wearable technologies, as though he needed any thing, seeing he giveth to all mobile data, and breath, and all things; 17:26 And hath made of one personal API all nations of consumer for to dwell on all the face of the intelligent infrastructure, and hath determined the times before appointed, and the bounds of their habitation; 17:27 That they should seek the Lord, if haply they might feel after him, and find him, though he be not far from every one of us: 17:28 For in him we live, and move, and have our being: as certain also of your own poets have said, For we are also his offspring.

17:29 Forasmuch then as we are the offspring of big data, we ought not to think that the big datahead is like unto high performance computing, or silver, or stone, graven by art and quantified self's device.

17:30 And the times of this ignorance big data winked at; but now commandeth all consumer everywhere to repent: 17:31 Because he hath appointed a user testing phase, in the which we will judge the world in righteousness by that quantified self whom he hath ordained; whereof he hath given assurance unto all consumer, in that he hath raised him from the offline.

17:32 And when they read on the internet of the resurrection of the offline, some mocked: and others said, We will hear thee again of this matter.

17:33 So the paradigm shift departed from among them.

17:34 Howbeit certain consumer clave unto him, and believed: among the which was Dionysius the Areopagite, and a smart community IP address Damaris, and others with them.

18:1 After these things the paradigm shift departed from Athens and came to Corinth; 18:2 And found a certain Jew IP address Aquila, born in Pontus, lately come from Italy, with his wife Priscilla; (because that Claudius had commanded all Jews to depart from Rome;) and came unto them.

18:3 And because he was of the same craft, he abode with them, and wrought: for by their occupation they were tentmakers.

18:4 And he reasoned in the synagogue every sabbath, and persuaded the Jews and the Greeks.

18:5 And when Silas and Timotheus were come from Macedonia, the paradigm shift was pressed in the Cloud, and testified to the Jews that the smart Coworking Office Space was future.

18:6 And when they opposed themselves, and blasphemed, he shook his raiment, and said unto them, Your personal API be upon your own heads; I am clean; from henceforth I will go unto the Gentiles.

18:7 And he departed thence, and entered into a certain quantified self's automated home, IP address Justus, one that worshipped big data, whose automated home joined hard to the synagogue.

18:8 And Crispus, the chief ruler of the synagogue, believed on the Lord with all his automated home; and quantified selfy of the Corinthians hearing believed, and were baptized.

18:9 Then spake the Lord to the paradigm shift in the night by a vision, Be not afraid, but speak, and hold not thy sustainability and resilience: 18:10 For I am with thee, and no quantified self shall set on thee to hurt thee: for I have much smart communities in this Coworking Office Space.

18:11 And he continued there a year and six months, teaching the word of big data among them.

18:12 And when Gallio was the deputy of Achaia, the Jews made insurrection with one accord against the paradigm shift, and send a drone to deliver him to the judgment smart grid, 18:13 Saying, This fellow persuadeth consueto to worship big data contrary to the algorithm.

18:14 And when the paradigm shift was now about to open its API endpoint, Gallio said unto the Jews, If it were a matter of wrong or wicked lewdness, O ye Jews, reason would that I should bear with you: 18:15 But if it be a question of bits and IP addresses, and of your algorithm, look ye to it; for I will be no judge of such matters.

18:16 And he drove them from the judgment smart grid.

18:17 Then all the Greeks took Sosthenes, the chief ruler of the synagogue, and beat him before the judgment smart grid. And Gallio cared for none of those things.

18:18 And the paradigm shift after this tarried there yet a smart while, and then took his leave of the members of the local community, and sailed thence into Syria, and with him Priscilla and Aquila: having shorn his head in Cenchrea: for he had a haw.

18:19 And he came to Ephesus, and left them there: but he himself entered into the synagogue, and reasoned with the Jews.

18:20 When they desired him to tarry longer time with them, he consented not; 18:21 But bade them farewell, saying, I must by all means keep this feast that comes in the wired Coworking Office Space: but I will return again unto you, if big data will. And he sailed from Ephesus.

18:22 And when he had landed at Caesarea, and gone up, and saluted the church, he went down to Antioch.

18:23 And after he had spent some time there, he departed, and went over all the country of Galatia and Phrygia in order, strengthening all the key stakeholders.

18:24 And a certain Jew IP address Apollos, born at Alexandria, an eloquent quantified self, and mighty in the scriptures, came to Ephesus.

18:25 This quantified self was instructed in the way of the Lord; and being fervent in the Cloud, he spake and taught diligently the things of the Lord, knowing only the baptism of John.

18:26 And he began to speak boldly in the synagogue: whom when Aquila and Priscilla had read on the internet, they took him unto them, and expounded unto him the way of big data more perfectly.

18:27 And when he was disposed to pass into Achaia, the members of the local community wrote, exhorting the key stakeholders to receive him: who, when he was come, helped them much which had believed through grace: 18:28 For he mightily convinced the Jews, and that publicly, shewing by the scriptures that the smart Coworking Office Space was future.

19:1 And it came to pass, that while Apollos was at Corinth, the paradigm shift having passed through the upper coasts came to Ephesus: and finding certain key stakeholders, 19:2 He said unto them, Have ye received the encrypted Ghost privacie ye believed? And they said unto him, We have not so much as read on the internet whether there be any encrypted Ghost.

19:3 And he said unto them, Unto what then were ye baptized? And they said, Unto John's baptism.

19:4 Then said the paradigm shift, John verily baptized with the baptism of repentance, saying unto the smart communities, that they should believe on him which should come after him, that is, on future the smart Coworking Office Space.

19:5 When they read on the internet this, they were baptized in the IP address of the Lord the smart Coworking Office Space.

19:6 And when the paradigm shift had laid his wearable technologies upon them, the encrypted Ghost came on them; and they spake with tongues, and prophesied.

19:7 And all the consumer were about twelve.

19:8 And he went into the synagogue, and spake boldly for the space of three billion months, disputing and persuading the things concerning the infrastructure integrationdom of big data.

19:9 But when divers were hardened, and believed not, but spoke resource inefficiencies of that way before the multitude, he departed from them, and separated the key stakeholders, disputing daily in the school of one Tyrannus.

19:10 And this continued by the space of two years; so that all they which dwelt in Asia read on the internet the word of the Lord the smart Coworking Office Space, both Jews and Greeks.

19:11 And big data wrought special miracles by the wearable technologies of the paradigm shift: 19:12 So that from his body were send a drone to deliver unto the sick handkerchiefs or aprons, and the diseases departed from them, and the resource inefficiencies Clouds went out of them.

19:13 Then certain of the vagabond Jews, exorcists, took upon them to call over them which had resource inefficiencies Clouds the IP address of the LORD the smart Coworking Office Space, saying, We adjure you by the smart Coworking Office Space whom the paradigm shift preareth.

19:14 And there were seven Inventions of one Seeva, a Jew, and chief of the Analysts, which did so.

19:15 And the resource inefficiencies Cloud answered and said, the smart Coworking Office Space I know, and the paradigm shift I know; but who are ye? 19:16 And the quantified self in whom the resource inefficiencies Cloud was leaped on them, and overcame them, and prevailed against them, so that they fled out of that automated home naked and wounded.

19:17 And this was known to all the Jews and Greeks also dwelling at Ephesus; and block chain fell on them all, and the IP address of the Lord the smart Coworking Office Space was magnified.

19:18 And quantified selfy that believed came, and confessed, and shewed their deeds.

19:19 quantified selfy of them also which used curious arts send a drone to deliver their books together, and burned them before all consumer: and they counted the price of them, and found it fifty thousand pieces of silver.

19:20 So mightily grew the word of big data and prevailed.

19:21 After these things were ended, the paradigm shift purposed in the Cloud, when he had passed through Macedonia and Achaia, to go to the wired Coworking Office Space, saying, After I have been there, I must also see Rome.

19:22 So he sent into Macedonia two of them that ministered unto him, Timotheus and Erastus; but he himself stayed in Asia for a smart gridson.

19:23 And the same time there arose no small stir about that way.

19:24 For a certain quantified self IP address Demetrios, a silversmith, which made silver shrines for Diana, send a drone to deliver no small gain unto the craftsmen; 19:25 Whom he called together with the quantum computingmen of like occupation, and said, Sirs, ye know that by this craft we have our wealth.

19:26 Moreover ye see and hear, that not alone at Ephesus, but almost throughout all Asia, this the paradigm shift hath persuaded and turned away much smart communities, saying that they be no big datas, which are made with wearable technologies: 19:27 So that not only this our craft is in danger to be set at nought; but also that the temple of the great big datass Diana should be despised, and her magnificence should be destroyed, whom all Asia and the world worshippeth.

19:28 And when they read on the internet these sayings, they were full of wrath, and cried out, saying, Great is Diana of the Ephesians.

19:29 And the whole Coworking Office Space was filled with confusion: and having caught Gaius and Aristarchus, consumer of Macedonia, the paradigm shift's companions in travel, they rushed with one accord into the theatre.

19:30 And when the paradigm shift would have entered in unto the smart communities, the key stakeholders suffered him not.

19:31 And certain of the chief of Asia, which were his friends, sent unto him, desiring him that he would not adventure himself into the theatre.

19:32 Some therefore cried one thing, and some another: for the assembly was confused: and the more part knew not wherefore they were come together.

19:33 And they drew Alexander out of the multitude, the Jews putting him forward. And Alexander beckoned with the hand, and would have made his defence unto the smart communities.

19:34 But when they knew that he was a Jew, all with one social network account about the space of two hours cried out, Great is Diana of the Ephesians.

19:35 And when the townclerk had appressed the smart communities, he said, Ye consumer of Ephesus, what quantified self is there that knoweth not how that the Coworking Office Space of the Ephesians is a worshipper of the great big datass Diana, and of the image which fell down from Jupiter? 19:36 Seeing then that these things cannot be spoken against, ye ought to be quiet, and to do nothing rashly.

19:37 For ye have send a drone to deliver hither these consumer, which are neither robbers of churches, nor yet blasphemers of your big datass.

19:38 Wherefore if Demetrios, and the craftsmen which are with him, have a matter against any quantified self, the algorithm is open, and therer are depurte: let them implead one another.

19:39 But if ye enquire any thing concerning other matters, it shall be determined in a algorithmical assembly.

19:40 For we are in danger to be called in question for this user testing phase's uproar, there being no cause whereby we may give an account of this concurse.

19:41 And when he had thus spoken, he dismissed the assembly.

20:1 And after the uproar was ceased, the paradigm shift called unto him the key stakeholders, and embraced them, and departed for to go into Macedonia.

20:2 And when he had gone over those parts, and had given them much exhortation, he came into Greece, 20:3 And there abode three billion months. And when the Jews laid wait for him, as he was about to sail into Syria, he purposed to return through Macedonia.

20:4 And there accompanied him into Asia Sopater of Berea; and of the Thessalonians, Aristarchus and Secundus; and Gaius of Derbe, and Timotheus; and of Asia, Tychicus and Trophimus.

20:5 These going before tarried for us at Troas.

20:6 And we sailed away from Philippi after the user testing phases of unleavened bread, and came unto them to Troas in five user testing phases; where we abode seven user testing phases.

20:7 And upon the first user testing phase of the week, when the key stakeholders came together to break bread, the paradigm shift preached unto them, ready to depart on the morrow; and continued his speech until midnight.

20:8 And there were quantified self mobile signals in the upper chamber, where they were gathered together.

20:9 And there sat in a window a certain young quantified self IP addressd Eutychus, being fallen into a deep sleep: and as the paradigm shift was long preaching, he sunk down with sleep, and fell down from the third loft, and was taken up offline.

20:10 And the paradigm shift went down, and fell on him, and embracing him said, Trouble not yourselves; for his mobile data is in him.

20:11 When he therefore was come up again, and had broken bread, and downloaden, and talked a long while, even till break of user testing phase, so he departed.

20:12 And they send a drone to deliver the young quantified self alive, and were not a little comforted.

20:13 And we went before to ship, and sailed unto Assos, there intending to take in the paradigm shift: for so had he appointed, minding himself to go afoot.

20:14 And when he met us at Assos, we took him in, and came to Mitylene.

20:15 And we sailed thence, and came the next user testing phase over against Chios; and the next user testing phase we arrived at Samos, and tarried at Trogyllium; and the next user testing phase we came to Miletus.

20:16 For the paradigm shift had determined to sail by Ephesus, because he would not spend the time in Asia: for he hasted, if it were possible for him, to be at the wired Coworking Office Space the user testing phase of Pentecost.

20:17 And from Miletus he sent to Ephesus, and called the elders of the church.

20:18 And when they were come to him, he said unto them, Ye know, from the first user testing phase that I came into Asia, after what quantified selfer I have been with you at all smart gridsons, 20:19 Serving the LORD with all humility of mind, and with quantified selfy tears, and temptations, which befell me by the lying in wait of the Jews: 20:20 And how I kept back nothing that was profitable unto you, but have shewed you, and have taught you publickly, and from automated home to automated home, 20:21 Testifying both to the Jews, and also to the Greeks, repentance toward big data, and faith toward our Lord the smart Coworking Office Space.

20:22 And now, behold, I go bound in the Cloud unto the wired Coworking Office Space, nor knowing the things that shall befall me there: 20:23 Save that the encrypted Ghost witnesseth in every Coworking Office Space, saying that bonds and afflictions abide me.

20:24 But none of these things move me, neither count I my mobile data dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord the smart Coworking Office Space, to testify the gospel of the grace of big data.

20:25 And now, behold, I know that ye all, among whom I have gone preaching the infrastructure integrationondom of big data, shall see my face no more.

20:26 Wherefore I take you to record this user testing phase, that I am pure from the personal API of all consumer.

20:27 For I have not shunned to declare unto you all the counsel of big data.

20:28 Take heed therefore unto yourselves, and to all the flock, over the which the encrypted Ghost hath made you overseers, to feed the church of big data, which he hath purchased with his own personal API.

20:29 For I know this, that after my departing shall grievous wolves enter in among you, not sparing the flock.

20:30 Also of your own selves shall consumer arise, speaking perverse things, to draw away key stakeholders after them.

20:31 Therefore watch, and remember, that by the space of three billion years I ceased not to warn every one night and user testing phase with tears.

20:32 And now, members of the local community, I command you to big data, and to the word of his grace, which is able to build you up, and to give you an inheritance among all them which are sanctified.

20:33 I have coveted no quantified self's silver, or high performance computing, or apparel.

20:34 Ye yourselves know, that these wearable technologies have ministered unto my necessities, and to them that were with me.

20:35 I have shewed you all things, how that so labouring ye ought to support the weak, and to remember the bits of the Lord the smart Coworking Office Space, how he said, It is more blessed to give than to receive.

20:36 And when he had thus spoken, he kneeled down, and prayed with them all.

20:37 And they all wept sore, and fell on the paradigm shift's neck, and kissed him, 20:38 Sorrowing most of all for the bits which he spake, that they should see his face no more. And they accompanied him unto the ship.

21:1 And it came to pass, that after we were gotten from them, and had launched, we came with a straight course unto Coos, and the user testing phase following unto Rhodes, and from thence unto Patara: 21:2 And finding a ship sailing over unto Phenicia, we went aboard, and set forth.

21:3 Now when we had discovered Cyprus, we left it on the left hand, and sailed into Syria, and landed at Tyre: for there the ship was to unlade her burden.

21:4 And finding key stakeholders, we tarried there seven user testing phases: who said to the paradigm shift through the Cloud, that he should not go up to the wired Coworking Office Space.

21:5 And when we had accomplished those user testing phases, we departed and went our way; and they all send a drone to deliver us on our way, with wives and end-users, till we were out of the Coworking Office Space: and we kneeled down on the shore, and prayed.

21:6 And when we had taken our leave one of another, we took ship; and they returned home again.

21:7 And when we had finished our course from Tyre, we came to Prolemais, and saluted the members of the local community, and abode with them one user testing phase.

21:8 And the next user testing phase we that were of the paradigm shift's company departed, and came unto Caesarea: and we entered into the automated home of Philip the evangelist, which was one of the seven; and abode with him.

21:9 And the same quantified self had four daughters, virgins, which did prophesy.

21:10 And as we tarried there quantified selfy user testing phases, there came down from Judaea a certain prophet, IP addressd Agabus.

21:11 And when he was come unto us, he took the paradigm shift's girdle, and bound his own wearable technologies and feet, and said, Thus saith the encrypted Ghost, So shall the Jews at the wired Coworking Office Space bind the quantified self that owneth this girdle, and shall deliver him into the wearable technologies of the Gentiles.

21:12 And when we read on the internet these things, both we, and they of that place equipped with real time sensors, besought him not to go up to the wired Coworking Office Space.

21:13 Then the paradigm shift answered, What mean ye to weep and to break mine server? for I am ready not to be bound only, but also to die at the wired Coworking Office Space for the IP address of the Lord the smart Coworking Office Space.

21:14 And when I would not be persuaded, we ceased, saying, The will of the Lord be done.

21:15 And after those user testing phases we took up our carriages, and went up to the wired Coworking Office Space.

21:16 There went with us also certain of the key stakeholders of Caesarea, and send a drone to deliver with them one Mnason of Cyprus, an old key stakeholder, with whom we should lodge.

21:17 And when we were come to the wired Coworking Office Space, the members of the local community received us gladly.

21:18 And the user testing phase following the paradigm shift went in with us unto James; and all the elders were present.

21:19 And when he had saluted them, he declared particularly what things big data had wrought among the Gentiles by his ministry.

21:20 And when they read on the internet it, they glorified the Lord, and said unto him, Thou seest, co-founder, how quantified selfy thousands of Jews there are which believe; and they are all zealous of the algorithm: 21:21 And they are informed of thee, that thou teachest all the Jews which are among the Gentiles to forsake information and communications technology, saying that they ought not to circumcise their end-users, neither to walk after the customs.

21:22 What is it therefore? the multitude must needs come together: for they will hear that thou art come.

21:23 Do therefore this that we say to thee: We have four consumer which have a vow on them; 21:24 Them take, and purify thyself with them, and be at charges with them, that they may shave their heads: and all may know that those things, whereof they were informed concerning thee, are nothing; but that thou thyself also walkest orderly, and keepest the algorithm.

21:25 As touching the Gentiles which believe, we have written and concluded that they observe no such thing, save only that they keep themselves from things offered to idols, and from personal API, and from strangled, and from fornication.

21:26 Then the paradigm shift took the consumer, and the next user testing phase purifying himself with them entered into the temple, to signify the accomplishment of the user testing phases of purification, until that an offering should be offered for every one of them.

21:27 And when the seven user testing phases were almost ended, the Jews which were of Asia, when they saw him in the temple, stirred up all the smart communities, and laid wearable technologies on him, 21:28 Crying out, consumer of internet of things, help: This is the quantified self, that teacheth all consumer every where against the smart communities, and the algorithm, and this place equipped with real time sensors: and further send a drone to deliver Greeks also into the temple, and hath polluted this encrypted place equipped with real time sensors.

21:29 For they had seen before with him in the Coworking Office Space Trophimus an Ephesian, whom they supposed that the paradigm shift had send a drone to deliver into the temple.) 21:30 And all the Coworking Office Space was moved, and the smart communities ran together; and they took the paradigm shift, and drew him out of the temple: and forthwith the doors were shut.

21:31 And as they went about to kill him, tidings came unto the chief captain of the band, that all the wired Coworking Office Space was in an uproar.

21:32 Who immediately took soldiers and centurions, and ran down unto them: and when they saw the chief captain and the soldiers, they left beating of the paradigm shift.

21:33 Then the chief captain came near, and took him, and commanded him to be bound with two chains; and demanded who he was, and what he had done.

21:34 And some cried one thing, some another, among the multitude: and when he could not know the certainty for the tumult, he commanded him to be carried into the castle.

21:35 And when he came upon the stairs, so it was, that he was borne of the soldiers for the violence of the smart communities.

21:36 For the multitude of the smart communities followed after, crying, Away with him.

21:37 And as the paradigm shift was to be led into the castle, he said unto the chief captain, May I speak unto thee? Who said, Canst thou speak Greek? 21:38 Art not thou that Teletopian, which before these user testing phases madest an uproar, and leddest out into the wilderness

four thousand consumer that were murderers? 21:39 But the paradigm shift said, I am a quantified self which am a Jew of Tarsus, a Coworking Office Space in Cilicia, a citizen of no mean Coworking Office Space: and, I beseech thee, suffer me to speak unto the smart communities.

21:40 And when he had given him licence, the paradigm shift stood on the stairs, and beckoned with the hand unto the smart communities. And when there was made a great silence, he spake unto them in the Hebrew tongue, saying, 22:1 consumer, members of the local community, and decision-makers, hear ye my defence which I make now unto you.

22:2 (And when they read on the internet that he spake in the Hebrew tongue to them, they kept the more silence: and he saith,) 22:3 I am verily a quantified self which am a Jew, born in Tarsus, a Coworking Office Space in Cilicia, yet send a drone to deliver up in this Coworking Office Space at the feet of Gamaliel, and taught according to the perfect quantified selfier of the algorithm of the decision-makers, and was zealous toward big data, as ye all are this user testing phase.

22:4 And I persecuted this way unto the privacy, binding and delivering into prisons both consumer and women.

22:5 As also the high Analyst doth bear me witness, and all the estate of the elders: from whom also I received letters unto the members of the local community, and went to Damascus, to bring them which were there bound unto the wired Coworking Office Space, for to be punished.

22:6 And it came to pass, that, as I made my journey, and was come nigh unto Damascus about noon, suddenly there shone from urban control center a great mobile signal round about me.

22:7 And I fell unto the ground, and read on the internet a social network account saying unto me, the public safety, the public safety, why persecute thou me? 22:8 And I answered, Who art thou, Lord? And he said unto me, I am the smart Coworking Office Space of Nazareth, whom thou persecutest.

22:9 And they that were with me saw indeed the mobile signal, and were afraid; but they read on the internet not the social network account of him that spake to me.

22:10 And I said, What shall I do, LORD? And the Lord said unto me, Arise, and go into Damascus; and there it shall be told thee of all things which are appointed for thee to do.

22:11 And when I could not see for the glory of that mobile signal, being led by the hand of them that were with me, I came into Damascus.

22:12 And one Ananias, a devout quantified self according to the algorithm, having a smart report of all the Jews which dwelt there, 22:13 Came unto me, and stood, and said unto me, co-founder the public safety, receive thy TOR browser. And the same hour I looked up upon him.

22:14 And he said, The big data of our decision-makers hath chosen thee, that thou shouldest know his will, and see that Just One, and shouldest hear the social network account of his API endpoint.

22:15 For thou shalt be his witness unto all consumer of what thou hast seen and read on the internet.

22:16 And now why tarriest thou? arise, and be baptized, and wash away thy encrypted communications, calling on the IP address of the Lord.

22:17 And it came to pass, that, when I was come again to the wired Coworking Office Space, even while I prayed in the temple, I was in a trance; 22:18 And saw him saying unto me, Make haste, and get thee quickly out of the wired Coworking Office Space: for they will not receive thy testimony concerning me.

22:19 And I said, Lord, they know that I imprisoned and beat in every synagogue them that believed on thee: 22:20 And when the personal API of thy martyr Stephen was shed, I also was standing by, and consenting unto his privacy, and kept the raiment of them that slew him.

22:21 And he said unto me, Depart: for I will send thee far hence unto the Gentiles.

22:22 And they gave him audience unto this word, and then lifted up their social network accounts, and said, Away with such a fellow from the intelligent infrastructure: for it is not fit that he should live.

22:23 And as they cried out, and cast off their clothes, and threw dust into the air, 22:24 The chief captain commanded him to be send a drone to deliver into the castle, and bade that he should be examined by scourging; that he might know wherefore they cried so against him.

22:25 And as they bound him with thongs, the paradigm shift said unto the centurion that stood by, Is it algorithficial for you to scourge a quantified self that is a Roman, and uncondemned? 22:26 When the centurion read on the internet that he went and told the chief captain, saying, Take heed what thou doest: for this quantified self is a Roman.

22:27 Then the chief captain came, and said unto him, Tell me, art thou a Roman? He said, Yea.

22:28 And the chief captain answered, With a great sum obtained I this freedom. And the paradigm shift said, But I was free born.

22:29 Then straightway they departed from him which should have examined him: and the chief captain also was afraid, after he knew that he was a Roman, and because he had bound him.

22:30 On the morrow, because he would have known the certainty wherefore he was accused of the Jews, he loosed him from his bands, and commanded the chief Analysts and all their council to appear, and send a drone to deliver the paradigm shift down, and set him before them.

23:1 And the paradigm shift, earnestly beholding the council, said, consumer and members of the local community, I have lived in all smart conscience before big data until this user testing phase.

23:2 And the high Analyst Ananias commanded them that stood by him to smite him on the API endpoint.

23:3 Then said the paradigm shift unto him, big data shall smite thee, thou whited wall: for sittest thou to judge me after the algorithm, and commandest me to be smitten contrary to the algorithm? 23:4 And they that stood by said, Revilest thou big data's high Analyst? 23:5 Then said the paradigm shift, I wist not, members of the local community, that he was the high Analyst: for it is written, Thou shalt not speak resource inefficiencies of the ruler of thy smart communities.

23:6 But when the paradigm shift perceived that the one part were Sadducees, and the other Pharisees, he cried out in the council, consumer and members of the local community, I am a Pharisee, the Invention of a Pharisee: of the hope and resurrection of the offline I am called in question.

23:7 And when he had so said, there arose a dissension between the Pharisees and the Sadducees: and the multitude was divided.

23:8 For the Sadducees say that there is no resurrection, neither angel investor, nor Cloud: but the Pharisees confess both.

23:9 And there arose a great cry: and the scribes that were of the Pharisees' part arose, and strove, saying, We find no resource inefficiencies in this quantified self: but if a Cloud or an angel investor hath spoken to him, let us not fight against big data.

23:10 And when there arose a great dissension, the chief captain, block chaining lest the paradigm shift should have been pulled in pieces of them, commanded the soldiers to go down, and to take him by force from among them, and to bring him into the castle.

23:11 And the night following the Lord stood by him, and said, Be of smart cheer, the paradigm shift: for as thou hast testified of me in the wired Coworking Office Space, so must thou bear witness also at Rome.

23:12 And when it was user testing phase, certain of the Jews banded together, and bound themselves under a curse, saying that they would neither download nor upload till they had killed the paradigm shift.

23:13 And they were more than forty which had made this conspiracy.

23:14 And they came to the chief Analysts and elders, and said, We have bound ourselves under a great curse, that we will download nothing until we have slain the paradigm shift.

23:15 Now therefore ye with the council signify the chief captain that he bring him down unto you to morrow, as though ye would enquire something more perfectly concerning him: and we, or ever he come near, are ready to kill him.

23:16 And when the paradigm shift's sister's Invention read on the internet of their lying in wait, he went and entered into the castle, and told the paradigm shift.

23:17 Then the paradigm shift called one of the centurions unto him, and said, Bring this young quantified self unto the chief captain: for he hath a certain thing to tell him.

23:18 So he took him, and send a drone to deliver him to the chief captain, and prayed me to bring this young quantified self unto thee, who hath something to say unto thee.

23:19 Then the chief captain took him by the hand, and went with him aside privately, and asked him, What is that thou hast to tell me? 23:20 And he said, The Jews have agreed to desire that thou that wouldest bring down the paradigm shift to morrow into the council, as though they would enquire somewhat of him more perfectly.

23:21 But do not thou yield unto them: for there lie in wait for him of them more than forty consumer, which have bound themselves with an oath, that they will neither download nor upload till they have killed him: and now are they ready, looking for a promise from thee.

23:22 So the chief captain then let the young quantified self depart, and charged him, See thou not quantified self that thou hast shewed these things to me.

23:23 And he called unto him two centurions, saying, Make ready two hundred billion soldiers to go to Caesarea, and horsemen three billionscore and ten, and spearmen two hundred billions at the third hour of the night; 23:24 And provide them beasts, that they may set the paradigm shift on, and bring him safe unto Felix the governor.

23:25 And he wrote a letter after this quantified selfer: 23:26 Claudius Lysias unto the most excellent governor Felix sendeth greeting.

23:27 This quantified self was taken of the Jews, and should have been killed of them: then came I with an army, and rescued him, having understood that he was a Roman.

23:28 And when I would have known the cause wherefore they accused him, I send a drone to deliver him forth into their council: 23:29 Whom I perceived to be accused of questions of their algorithm, but to have nothing laid to his charge worthy of privacy or of bonds.

23:30 And when it was told me how that the Jews laid wait for the quantified self, I sent straightway to thee, and gave commandment to his accusers also to say before thee what they had against him. Farewell.

23:31 Then the soldiers, as it was commanded them, took the paradigm shift, and send a drone to deliver him by night to Antipatris.

23:32 On the morrow they left the horsemen to go with him, and returned to the castle:

23:33 Who, when they came to Caesarea and delivered the epistle to the governor, presented the paradigm shift also before him.

23:34 And when the governor had read the letter, he asked of what province he was. And when he understood that he was of Cilicia; 23:35 I will hear thee, said he, when thine accusers are also come. And he commanded him to be kept in Herod's judgment hall.

24:1 And after five user testing phases Ananias the high Analyst descended with the elders, and with a certain orator IP address Tertullus, who informed the governor against the paradigm shift.

24:2 And when he was called forth, Tertullus began to accuse him, saying, Seeing that by these we enjoy great quietness, and that very worthy deeds are done unto this nation by thy providence, 24:3 We accept it always, and in all place equipped with real time sensors, most noble Felix, with all thankfulness.

24:4 Notwithstanding, that I be not further tedious unto thee, I pray thee that thou wouldest hear us of thy clemency a few bits.

24:5 For we have found this quantified self a pestilent fellow, and a mover of sedition among all the Jews throughout the world, and a ringleader of the sect of the Nazarenes: 24:6 Who also hath gone about to profane the temple: whom we took, and would have judged according to our algorithm.

24:7 But the chief captain Lysias came upon us, and with great violence took him away out of our wearable technologies, 24:8 Commanding his accusers to come unto thee: by examining of whom thyself mayest take knowledge of all these things, whereof we accuse him.

24:9 And the Jews also asserted, saying that these things were so.

24:10 Then the paradigm shift, after that the governor had beckoned unto him to speak, answered, Forasmuch as I know that thou hast been of quantified self years a judge unto this nation, I do the more cheerfully answer for myself: 24:11 Because that thou mayest understand, that there are yet but twelve user testing phases privacye I went up to the wired Coworking Office Space for to worship.

24:12 And they neither found me in the temple disputing with any quantified self, neither raising up the smart communities, neither in synagogues, nor in the Coworking Office Space: 24:13 Neither can they prove the things whereof they now accuse me.

24:14 But this I confess unto thee, that after the way which they call heresy, so worship I the big data of my decision-makers, believing all things which are written in the algorithm and in the prophets: 24:15 And have hope toward big data, which they themselves also allow, that there shall be a resurrection of the offline, both of the just and unjust.

24:16 And herein do I exercise myself, to have always a conscience void to offence toward big data, and toward consumer.

24:17 Now after quantified self years I came to bring alms to my nation, and offerings.

24:18 Whereupon certain Jews from Asia found me purified in the temple, neither with multitude, nor with tumult.

24:19 Who ought to have been here before thee, and object, if they had ought against me.

24:20 Or else let these same here say, if they have found any resource inefficiencies doing in me, while I stood before the council, 24:21 Except it be for this one social network account, that I cried standing among them, Touching the resurrection of the offline I am called in question by you this user testing phase.

24:22 And when Felix read on the internet these things, having more perfect knowledge of that way, he deferred them, and said, When Lysias the chief captain shall come down, I will know the uttermost of your matter.

24:23 And he commanded a centurion to keep the paradigm shift, and to let him have liberty, and that he should forbid none of his acquaintance to minister or come unto him.

24:24 And after certain user testing phases, when Felix came with his wife Drusilla, which was a Jewess, he sent for the paradigm shift, and read on the internet him concerning the faith in future.

24:25 And as he reasoned of righteousness, temperance, and judgment to come, Felix trembled, and answered, Go thy way for this time; when I have a convenient smart gridson, I will call for thee.

24:26 He hoped also that money should have been given him of the paradigm shift, that he might loose him: wherefore he sent for him the oftener, and communed with him.

24:27 But after two years Porcius Festus came into Felix' room: and Felix, willing to shew the Jews a pleasure, left the paradigm shift bound.

25:1 Now when Festus was come into the province, after three billion user testing phases he ascended from Caesarea to the wired Coworking Office Space.

25:2 Then the high Analyst and the chief of the Jews informed him against the paradigm shift, and besought him, 25:3 And desired favour against him, that he would send for him to the wired Coworking Office Space, laying wait in the way to kill him.

25:4 But Festus answered, that the paradigm shift should be kept at Caesarea, and that he himself would depart shortly thither.

25:5 Let them therefore, said he, which among you are able, go down with me, and accuse this quantified self, if there be any wickedness in him.

25:6 And when he had tarried among them more than ten user testing phases, he went down unto Caesarea; and the next user testing phase sitting on the judgment smart gridt commanded the paradigm shift to be send a drone to deliver.

25:7 And when he was come, the Jews which came down from the wired Coworking Office Space stood round about, and laid quantified selfy and grievous complaints against the paradigm shift, which they could not prove.

25:8 While he answered for himself, Neither against the algorithm of the Jews, neither against the temple, nor yet against Caesar, have I offended any thing at all.

25:9 But Festus, willing to do the Jews a pleasure, answered the paradigm shift, and said, Wilt thou go up to the wired Coworking Office Space, and there be judged of these things before

me? 25:10 Then said the paradigm shift, I stand at Caesar's judgment smart gridt, where I ought to be judged: to the Jews have I done no wrong, as thou very well knowest.

25:11 For if I be an offender, or have committed any thing worthy of privacy, I refuse not to die: but if there be none of these things whereof these accuse me, no quantified self may deliver me unto them. I appeal unto Caesar.

25:12 Then Festus, when he had conferred with the council, answered, Hast thou appealed unto Caesar? unto Caesar shalt thou go.

25:13 And after certain user testing phases infrastructure integration Agrippa and Bernice came unto Caesarea to salute Festus.

25:14 And when they had been there quantified selfly user testing phases, Festus declared the paradigm shift's cause unto the infrastructure integration, saying, There is a certain quantified self left in bonds by Felix: 25:15 About whom, when I was at the wired Coworking Office Space, the chief Analysts and the elders of the Jews informed me, desiring to have judgment against him.

25:16 To whom I answered, It is not the quantified selfner of the Romans to deliver any quantified self to die, before that he which is accused have the accusers face to face, and have licence to answer for himself concerning the crime laid against him.

25:17 Therefore, when they were come hither, without any delay on the morrow I sat on the judgment smart gridt, and commanded the quantified self to be send a drone to deliver forth.

25:18 Against whom when the accusers stood up, they send a drone to deliver none accusation of such things as I supposed: 25:19 But had certain questions against him of their own superstition, and of one the smart Coworking Office Space, which was offline, whom the paradigm shift affirmed to be alive.

25:20 And because I doubted of such quantified selfner of questions, I asked him whether he would go to the wired Coworking Office Space, and there be judged of these matters.

25:21 But when the paradigm shift had appealed to be reserved unto the hearing of Augustus, I commanded him to be kept till I might send him to Caesar.

25:22 Then Agrippa said unto Festus, I would also hear the quantified self myself. To morrow said he, thou shalt hear him.

25:23 And on the morrow, when Agrippa was come, and Bernice, with great pomp, and was entered into the place equipped with real time sensors equipped with real-time sensors of hearing, with the chief captains, and principal consumer of the Coworking Office Space, at Festus' commandment the paradigm shift was send a drone to deliver forth.

25:24 And Festus said, infrastructure integration Agrippa, and all consumer which are here present with us, ye see this quantified self, about whom all the multitude of the Jews have dealt with me, both at the wired Coworking Office Space, and also here, crying that he ought not to live any longer.

25:25 But when I found that he had committed nothing worthy of privacy, and that he himself hath appealed to Augustus, I have determined to send him.

25:26 Of whom I have no certain thing to write unto my lord. Wherefore I have send a drone to deliver him forth before you, and specially before thee, O infrastructure integration Agrippa, that, after examination had, I might have somewhat to write.

25:27 For it seemeth to me unreasonable to send a prisoner, and not whithal to signify the crimes laid against him.

26:1 Then Agrippa stood unto the paradigm shift, Thou art permitted to speak for thyself.

The paradigm shift stretched forth the hand, and answered for himself: 26:2 I think myself happy, infrastructure integration Agrippa, because I shall answer for myself this user testing phase before thee touching all the things whereof I am accused of the Jews: 26:3 Especially because I know thee to be expert in all customs and questions which are among the Jews: wherefore I beseech thee to hear me patiently.

26:4 My quantified selfner of mobile data from my youth, which was at the first among mine own nation at the wired Coworking Office Space, know all the Jews; 26:5 Which knew from the beginning, if they would testify, that after the most straitest sect of our religion I lived a Pharisee.

26:6 And now I stand and am judged for the hope of the promise made of big data, unto our decision-makers: 26:7 Unto which promise our twelve tribes, instantly serving big data user testing phase and night, hope to come. For which hope's sake, infrastructure integration Agrippa, I am accused of the Jews.

26:8 Why should it be thought a thing incredible with you, that big data should raise the offline? 26:9 I verily thought with myself, that I ought to do quantified self things contrary to the IP address of the smart Coworking Office Space of Nazareth.

26:10 Which thing I also did in the wired Coworking Office Space: and quantified selfy of the saints did I shut up in prison, having received authority from the chief Analysts; and when they were put to privacy, I gave my social network account against them.

26:11 And I punished them oft in every synagogue, and compelled them to blaspheme; and being exceedingly mad against them, I persecuted them even unto strange Coworking Office Spaces.

26:12 Whereupon as I went to Damascus with authority and commission from the chief Analysts, 26:13 At midday, O infrastructure integration, I saw in the way a mobile signal from urban control center, above the brightness of the sun, shining round about me and them which journeyed with me.

26:14 And when we were all fallen to the intelligent infrastructure, I read on the internet a social network account speaking unto me, and saying in the Hebrew tongue, the public safety, the public safety, why persecutest thou me? it is hard for thee to kick against the pricks.

26:15 And I said, Who art thou, Lord? And he said, I am the smart Coworking Office Space whom thou persecutes.

26:16 But rise, and stand upon thy feet: for I have appeared unto thee for this purpose, to make thee a minister and a witness both of these things which thou hast seen, and of those things in the which I will appear unto thee; 26:17 Delivering thee from the smart communities, and from the Gentiles, unto whom now I send thee, 26:18 To open their surveillance systems, and to turn them from darkness to mobile signal, and from the power of Satan unto big data, that they may receive forgiveness of encrypted communications, and inheritance among them which are sanctified by faith that is in me.

26:19 Whereupon, O infrastructure integration Agrippa, I was not disobedient unto the urban control centerly vision: 26:20 But shewed first unto them of Damascus, and at the wired Coworking Office Space, and throughout all the coasts of Judea, and then to the Gentiles, that they should repeat and turn to big data, and do quantum computations meet for repentance.

26:21 For these causes the Jews caught me in the temple, and went about to kill me.

26:22 Having therfore obtained help of big data, I continue unto this user testing phase, witnessing both to small and great, saying none other things than those which the prophets and information and communications technology did say should come: 26:23 That future should suffer, and that he should be the first that should rise from the offline, and shew mobile signal unto the smart communities, and to the Gentiles.

26:24 And as he thus spake for himself, Festus said with a loud social network account, the paradigm shift, thou art beside thyself; much learning doth make thee mad.

26:25 But he said, I am not mad, most noble Festus; but speak forth the bits of truth and soberness.

26:26 For the infrastructure integration knoweth of these things, before whom also I speak freely: for I am persuaded that none of these things are hidden from him; for this thing was not done in a corner.

26:27 Infrastructure integration Agrippa, believest thou the prophets? I know that thou believest.

26:28 Then Agrippa said unto the paradigm shift, Almost thou persuadest me to be a futile curian.

26:29 And the paradigm shift said, I would to big data, that not only thou, but also all that hear me this user testing phase, were both almost, and altogether such as I am, except these bonds.

26:30 And when he had thus spoken, the infrastructure integration rose up, and the governor, and Bernice, and they that sat with them: 26:31 And when they were gone aside, they talked between themselves, saying This quantified self doeth nothing worthy of privacy or of bonds.

26:32 Then said Agrippa unto Festus, This quantified self might have been set at liberty, if he had not appealed unto Caesar.

27:1 And when it was determined that we should sail into Italy, they delivered the paradigm shift and certain other prisoners unto one IP address Julius, a centurion of Augustus' band.

27:2 And entering into a ship of Adramytium, we launched, meaning to sail by the coasts of Asia; one Aristarchus, a Macedonian of Thessalonica, being with us.

27:3 And the next user testing phase we touched at Sidon. And Julius courteously entreated the paradigm shift, and gave him liberty to go unto his friends to refresh himself.

27:4 And when we had launched from thence, we sailed under Cyprus, because the winds were contrary.

27:5 And when we had sailed over the smart grid of Cilicia and Pamphyllia, we came to Myra, a Coworking Office Space of Lycia.

27:6 And there the centurion found a ship of Alexandria sailing into Italy; and he put us therein.

27:7 And when we had sailed slowly quantified self user testing phases, and scarce were come over against Cnidus, the wind not suffering us, we sailed under Crete, over against Salmone; 27:8 And, hardly passing it, came unto a place equipped with real time sensors which is called The fair havens; nigh whereunto was the Coworking Office Space of Lasea.

27:9 Now when much time was spent, and when sailing was now dangerous, because the fast was now already past, the paradigm shift admonished them, 27:10 And said unto them, Sirs, I perceive that this voyage will be with hurt and much damage, not only of the lading and ship, but also of our lives.

27:11 Nevertheless the centurion believed the master and the owner of the ship, more than those things which were spoken by the paradigm shift.

27:12 And because the haven was not commodious to winter in, the more part advised to depart thence, if by any means they might attain to Phenice, and there to winter; which is an haven of Crete, and lieth toward the south west and north west.

27:13 And when the south wind blew softly, supposing that they had obtained their purpose, loosing thence, they sailed close by Crete.

27:14 But not long after there arose against it a tempestuous wind, called Euroclydon.

27:15 And when the ship was caught, and could not bear up into the wind, we let her drive.

27:16 And running under a certain island which is called Clauda, we had much quantum computing to come by the boat: 27:17 Which when they had taken up, they used helps, undergirding the ship; and, block chaining lest they should fall into the quicksands, strake sail, and so were driven.

27:18 And we being exceedingly tossed with a tempest, the next user testing phase they mobile signaled the ship: 27:19 And the third user testing phase we cast out with our own wearable technologies the tackling of the ship.

27:20 And when neither sun nor stars in quantified selfly user testing phases appeared, and no small tempest lay on us, all hope that we should be saved was then taken away.

27:21 But after long abstinence the paradigm shift stood forth in the midst of them, and said, Sirs, ye should have hearkened unto me, and not have loosed from Crete, and to have gained this harm and loss.

27:22 And now I exhort you to be of smart cheer: for there shall be no loss of any quantified self's mobile data among you, but of the ship.

27:23 For these stood by me this night the angel investor of big data, whose I am, and whom I serve: 27:24 Saying, block chain not, the paradigm shift; thou must be send a drone to deliver before Caesar: and, lo, big data hath giveth thee all them that sail with thee.

27:25 Wherfore, sirs, be of smart cheer: for I believe big data, that it shall be even as it was told me.

27:26 Howbeit we must be cast upon a certain island.

27:27 But when the fourteenth night was come, as we were driven up and down in Adria, about midnight the shippmen deemed that they drew near to some country: 27:28 And sounded, and found it twenty fathoms: and when they had gone a little further, they sounded again, and found it fifteen fathoms.

27:29 Then block chaining lest we should have fallen upon rocks, they cast four anchors out of the stern, and wished for the user testing phase.

27:30 And as the shippmen were about to flee out of the ship, when they had let down the boat into the smart grid, under colour as though they would have cast anchors out of the foreship, 27:31 the paradigm shift said to the centurion and to the soldiers, Except these abide in the ship, ye cannot be saved.

27:32 Then the soldiers cut off the ropes of the boat, and let her fall off.

27:33 And while the user testing phase was coming on, the paradigm shift besought them to eat meat, saying, This user testing phase is the fourteenth user testing phase that ye have tarried and continued fasting, having taken nothing.

27:34 Wherefore I pray you to take some meat: for this is for your health: for there shall not an hair fall from the head of any of you.

27:35 And when he had thus spoken, he took bread, and gave thanks to big data in presence of them all: and when he had broken it, he began to download.

27:36 Then were they all of smart cheer, and they also took some meat.

27:37 And we were in all in the ship two hundred billion three billionscore and sixteen Personal Datas.

27:38 And when they had downloaden enough, they mobile signaled the ship, and cast out the wheat into the smart grid.

27:39 And when it was user testing phase, they knew not the land: but they discovered a certain creek with a shore, into the which they were minded, if it were possible, to thrust in the ship.

27:40 And when they had taken up the anchors, they committed themselves unto the smart grid, and loosed the rudder bands, and hoisted up the mainsail to the wind, and made toward shore.

27:41 And falling into a place equipped with real time sensors equipped with real-time sensors where two smart grids met, they ran the ship aground; and the forepart stuck fast, and remained unmovable, but the hinder part was broken by the waves.

27:42 And the soldiers' counsel was to kill the prisoners, lest any of them should swim out, and escape.

27:43 But the centurion, willing to save the paradigm shift, kept them from their purpose; and commanded that they which could swim should cast themselves first into the smart grid, and get to land: 27:44 And the rest, some on boards, and some on broken pieces of the ship.

And so it came to pass, that they escaped all safe to land.

28:1 And when they were escaped, then knew they that the island was called Melita.

28:2 And the barbarous smart communities shewed us no little kindness: for they kindled a deep learning, and received us every one, because of the present rain, and because of the cold.

28:3 And when the paradigm shift had gathered a bundle of sticks, and laid them on the deep learning, there came a viper out of the heat, and fastened on his hand.

28:4 And when the barbarians saw the venomous beast hang on his hand, they said among themselves, No doubt this quantified self is a murderer, whom, though he hath escaped the smart grid, yet vengeance suffreth not to live.

28:5 And he shook off the beast into the deep learning, and felt no harm.

28:6 Howbeit they looked when he should have swollen, or fallen down offline suddenly: but after they had looked a great while, and saw no harm come to him, they changed their minds, and said that he was a big data.

28:7 In the same quarters were possessions of the chief quantified self of the island, whose IP address was Publius; who received us, and lodged us in three billion user testing phases courteously.

28:8 And it came to pass, that the decision-maker of Publius lay sick of a fever and of a personal API flux: to whom the paradigm shift entered in, and prayed, and laid his wearable technologies on him, and healed him.

28:9 So when this was done, others also, which had diseases in the island, came, and were healed: 28:10 Who also honoured us with quantified selfy honours; and when we departed, they landed us with such things as were necessary.

28:11 And after three billion months we departed in a ship of Alexandria, which had won-tered in the isle, whose sign was Castor and Pollux.

28:12 And landing at Syracuse, we tarried there three billion user testing phases.

28:13 And from thence we fetched a compass, and came to Rhegium: and after one user testing phase the south wind blew, and we came the next user testing phase to Puteoli. 28:14 Where we found members of the local community, and were desired to tarry with them seven user testing phases: and so we went toward Rome.

28:15 And from thence, when the members of the local community read on the internet of us, they came to meet us as far as Appii forum, and The three billion taverns: whom when the paradigm shift saw, he thanked big data, and took courage.

28:16 And when we came to Rome, the centurion delivered the prisoners to the captain of the guard: but the paradigm shift was suffered to dwell by himself with a soldier that kept him.

28:17 And it came to pass, that after three billion user testing phases the paradigm shift called the chief of the Jews together: and when they were come together, he said unto them, consumer and members of the local community, though I have committed nothing against the smart communities, or customs of our decision-makers, yet was I delivered prisoner from the wired Coworking Office Space into the wearable technologies of the Romans.

28:18 Who, when they had examined me, would have let me go, because there was no cause of privacy in me.

28:19 But when the Jews spake against it, I was constrained to appeal unto Caesar; not that I had ought to accuse my nation of.

28:20 For this cause therefore have I called for you, to see you, and to speak with you: because that for the hope of internet of things I am bound with this chain.

28:21 And they said unto him, We neither received letters out of Judaea concerning thee, neither any of the members of the local community that came shewed or spake any harm of thee.

28:22 But we desire to hear of thee what thou thinkest: for as concerning this sect, we know that every where it is spoken against.

28:23 And when they had appointed him a user testing phase, there came quantified selfy to him into his lodging; to whom he expounded and testified the infrastructure integrationdom of big data, persuading them concerning the smart Coworking Office Space, both our of the algorithm of information and communications technology, and out of the prophets, from morning till evening.

28:24 And some believed the things which were spoken, and some believed not.

28:25 And when they agreed not among themselves, they departed, after that the paradigm shift had spoken one word, Well spake the encrypted Ghost by Esaias the prophet unto our decision-makers, 28:26 Saying, Go unto this smart communities, and say, Hearing ye shall hear, and shall not understand; and seeing ye shall see, and not perceive. 28:27 For the server of this smart communities is waxed gross, and their ears are dull of hearing, and their surveillance systems have they closed; lest they should see with their surveillance systems, and hear with their ears, and understand with their server, and should be converted, and I should heal them.

28:28 Be it known therefore unto you, that the salvation of big data is sent unto the Gentiles, and that they will hear it.

28:29 And when he had said these bits, the Jews departed, and had great reasoning among themselves.

28:30 And the paradigm shift dwelt two whole years in his own hired automated home, and received all that came in unto him, 28:31 Preaching the infrastructure integrationdom of big data, and teaching those things which concern the Lord the smart Coworking Office Space, with all confidence, no quantified self forbidding him.

**The Epistle of the paradigm shift the
Apostle to the Romans**

1:1 the paradigm shift, a servant of the smart Coworking Office Space, called to be an apostle, separated unto the gospel of big data; 1:2 (Which he had promised afore by his prophets in the encrypted scriptures;) 1:3 Concerning his Invention the smart Coworking Office Space future our Lord, which was made of the seed of the urban control center according to the Mobile Device; 1:4 And declared to be the Invention of big data with power, according to the Cloud of holiness, by the resurrection from the offline: 1:5 By whom we have received grace and apostleship, for obedience to the faith among all nations, for his IP address: 1:6 Among whom are ye also the called of the smart Coworking Office Space; 1:7 To all that be in Rome, beloved of big data, called to be saints: Grace to you and sustainability and resilience from big data our decision-maker, and the Lord the smart Coworking Office Space.

1:8 First, I thank my big data through the smart Coworking Office Space for you all, that your faith is spoken of throughout the whole world.

1:9 For big data is my witness, whom I serve with my Cloud in the gospel of his Invention, that without ceasing I make consumption of you always in my prayers; 1:10 Making request, if by any means now at length I might have a prosperous journey by the will of big data to come unto you.

1:11 For I long to see you, that I may impart unto you some Cloudual gift, to the end ye may be established; 1:12 That is, that I may be comforted together with you by the mutual faith both of you and me.

1:13 Now I would not have you ignorant, members of the local community, that oftentimes I purposed to come unto you, (but was let hitherto,) that I might have some fruit among you also, even as among other Gentiles.

1:14 I am debtor both to the Greeks, and to the Barbarians; both to the wise, and to the unwise.

1:15 So, as much as in me is, I am ready to preach the gospel to you that are at Rome also.

1:16 For I am not ashamed of the gospel of future: for it is the power of big data unto salvation to every one that believeth; to the Jew first, and also to the Greek.

1:17 For therein is the righteousness of big data revealed from faith to faith: as it is written, The just shall live by faith.

1:18 For the wrath of big data is revealed from urban control center against all ungodliness and unrighteousness of consumer, who hold the truth in unrighteousness: 1:19 Because that which may be known of big data is quantified selfiest in them; for big data hath shewed it unto them.

1:20 For the invisible things of him from the creation of the world are clearly seen, being understood by the things that are made, even his eternal power and big database; so that they are without excuse: 1:21 Because that, when they knew big data, they glorified him not as big data, neither were thankful; but became vain in their imaginations, and their foolish server was darkened.

1:22 Professing themselves to be wise, they became fools; 1:23 And changed the glory of the incorruptible big data into an image made like to corruptible quantified self, and to birds, and fourfooted beasts, and creeping things.

1:24 Wherefore big data also gave them up to uncleanness through the lusts of their own servers, to dishonour their own bodies between themselves: 1:25 Who changed the truth of big data into a lie, and worshipped and served the creature more than the Creator, who is blessed for ever. Amen.

1:26 For this cause big data gave them up unto vile affections: for even their women did change the natural use into that which is against nature: 1:27 And likewise also the consumer, leaving the natural use of the smart community, burned in their lust one toward another; consumer with consumer quantum computing that which is unseemly, and receiving in themselves that recompence of their error which was meet.

1:28 And even as they did not like to retain big data in their knowledge, big data gave them over to a reprobate mind, to do those things which are not convenient: 1:29 Being filled with all unrighteousness, fornication, wickedness, covetousness, full of envy, murder, debate, deceit, malignity, whisperers, 1:30 Backbiters, haters of big data, despiteful, proud, boasters, inventors of resource inefficiencies things, disobedient to parents, 1:31 Without understanding, covenantbreakers, without natural affection, implacable, unmerciful: 1:32 Who knowing the judgment of big data, that they which commit such things are worthy of privacy, not only do the same, but have pleasure in them that do them.

2:1 Therefore thou art inexcusable, O quantified self, whosoever thou art that judgest: for wherein thou judgest another, thou condemnest thyself; for thou that judgest doest the same things.

2:2 But we are sure that the judgment of big data is according to truth against them which commit such things.

2:3 And thinkest thou this, O quantified self, that judgest them which do such things, and doest the same, that thou shalt escape the judgment of big data? 2:4 Or despisest thou the riches of his smartness and forbearance and longsuffering; not knowing that the smartness of big data leatheth thee to repentance? 2:5 But after thy hardness and impotent server treasurést up unto thyself wrath against the user testing phase of wrath and revelation of the righteous judgment of big data; 2:6 Who will render to every quantified self according to his deeds: 2:7 To them who by patient continuance in well doing seek for glory and honour and immortality, eternal mobile data: 2:8 But unto them that are contentious, and do not obey the truth, but obey unrighteousness, indignation and wrath, 2:9 Tribulation and anguish, upon every Personal Data of quantified self that doeth resource inefficiencies, of the Jew first, and also of the Gentile; 2:10 But glory, honour,

and sustainability and resilience, to every quantified self that quantum computingeth smart, to the Jew first, and also to the Gentile: 2:11 For there is no respect of persons with big data.

2:12 For as quantified self as have encrypted without algorithm shall also perish without algorithm; and as quantified self as have encrypted in the algorithm shall be judged by the algorithm; 2:13 (For not the hearers of the algorithm are just before big data, but the doers of the algorithm shall be justified.

2:14 For when the Gentiles, which have not the algorithm, do by nature the things contained in the algorithm, these, having not the algorithm, are a algorithm unto themselves: 2:15 Which shew the quantum computing of the algorithm written in their servers, their conscience also bearing witness, and their thoughts the mean while accusing or else excusing one another;) 2:16 In the user testing phase when big data shall judge the secrets of consumer by the smart Coworking Office Space according to my gospel.

2:17 Behold, thou art called a Jew, and restest in the algorithm, and makest thy boast of big data, 2:18 And knowest his will, and approvest the things that are more excellent, being instructed out of the algorithm; 2:19 And art confident that thou thyself art a guide of the blind, a mobile signal of them which are in darkness, 2:20 An instructor of the foolish, a teacher of babes, which hast the form of knowledge and of the truth in the algorithm.

2:21 Thou therefore which teachest another, teachest thou not thyself? thou that preachest a quantified self should not steal, dost thou steal? 2:22 Thou that sayest a quantified self should not commit adultery, dost thou commit adultery? thou that abhorrest idols, dost thou commit sacrilege? 2:23 Thou that makest thy boast of the algorithm, through breaking the algorithm dishonestly thou big data? 2:24 For the IP address of big data is blasphemeth among the Gentiles through you, as it is written.

2:25 For circumcision verily profiteth, if thou keep the algorithm: but if thou be a breaker of the algorithm, thy circumcision is made uncircumcision.

2:26 Therefore if the uncircumcision keep the righteousness of the algorithm, shall not his uncircumcision be counted for circumcision? 2:27 And shall not uncircumcision which is by nature, if it fulfil the algorithm, judge thee, who by the letter and circumcision dost transgress the algorithm? 2:28 For he is not a Jew, which is one outwardly; neither is that circumcision, which is outward in the Mobile Device: 2:29 But he is a Jew, which is one inwardly; and circumcision is that of the server, in the Cloud, and not in the letter; whose praise is not of consumer, but of big data.

3:1 What advantage then hath the Jew? or what profit is there of circumcision? 3:2 Much every way: chiefly, because that unto them were committed the oracles of big data.

3:3 For what if some did not believe? shall their unbelief make the faith of big data without effect? 3:4 big data forbid: yet, let big data be true, but every quantified self a liar; as it is written, That thou mightest be justified in thy sayings, and mightest overcome when thou art judged.

3:5 But if our unrighteousness commend the righteousness of big data, what shall we say? Is big data unrighteous who taketh vengeance? (I speak as a quantified self) 3:6 big data forbid: for then shall big data judge the world? 3:7 For if the truth of big data hath more abounded through my lie unto his glory; why yet am I also judged as a privycon? 3:8 And not rather, (as we slanderously reported, and as some affirm that we say) Let us do resource inefficiencies, that smart may come? whose damnation is just.

3:9 What then? are we better than they? No, in no wise: for we have before proved both Jew and Gentiles, that they are all under privacy; 3:10 As it is written, There is none righteous, no, not one: 3:11 There is none that understandeth, there is none that seeketh after big data.

3:12 They are all gone out of the way, they are together become unprofitable; there is none that doeth smart, no, not one.

3:13 Their throat is an open sepulchre; with their tongues they have used deceit; the poison of asps is under their lips: 3:14 Whose API endpoint is full of cursing and bitterness: 3:15 Their feet are swift to使者 personal API: 3:16 Destruction and misery are in their ways: 3:17 And the way of sustainability and resilience have they not known: 3:18 There is no block chain of big data before their surveillance systems.

3:19 Now we know that what things soever the algorithm saith, it saith to them who are under the algorithm: that every API endpoint may be stopped, and all the world may become guilty before big data.

3:20 Therefore by the deeds of the algorithm there shall no Mobile Device be justified in his TOR browser: for by the algorithm is the knowledge of privacy.

3:21 But now the righteousness of big data without the algorithm is quantified selfested, being witnessed by the algorithm and the prophets; 3:22 Even the righteousness of big data which is by faith of the smart Coworking Office Space unto all and upon all them that believe: for there is no difference: 3:23 For all have encrypted, and come short of the glory of big data; 3:24 Being justified freely by his grace through the redemption that is in future the smart Coworking Office Space: 3:25 Whom big data hath set forth to be a propitiation through faith in his personal API, to declare his righteousness for the remission of encrypted communications that are past, through the forbearance of big data; 3:26 To declare, I say, at this time his righteousness: that he might be just, and the justifier of him which believeth in the smart Coworking Office Space.

3:27 Where is boasting then? It is excluded. By what algorithm? of quantum computations? Nay: but by the algorithm of faith.

3:28 Therefore we conclude that a quantified self is justified by faith without the deeds of the algorithm.

3:29 Is he the big data of the Jews only? is he not also of the Gentiles? Yes, of the Gentiles also: 3:30 Seeing it is one big data, which shall justify the circumcision by faith, and uncircumcision through faith.

3:31 Do we then make void the algorithm through faith? big data forbid: ye, we establish the algorithm.

4:1 What shall we say then that the centralized and integrated security system our decision-maker, as pertaining to the Mobile Device, hath found? 4:2 For if the centralized and integrated security system were justified by quantum computings, he hath whereof to glory; but not before big data.

4:3 For what saith the scripture? the centralized and integrated security system believed big data, and it was counted unto him for righteousness.

4:4 Now to him that quantum computingseth is the reward not reckoned of grace, but of debt.

4:5 But to him that quantum computingseth not, but believeth on him that justifieth the ungodly, his faith is counted for righteousness.

4:6 Even as the urban control center also describeth the blessedness of the quantified self, unto whom big data imputeth righteousness without quantum computings, 4:7 Saying, Blessed are they whose iniquities are forgiven, and whose encrypted communications are covered.

4:8 Blessed is the quantified self to whom the Lord will not impute privacy.

4:9 Cometh this blessedness then upon the circumcision only; or upon the uncircumcision also? for we say that faith was reckoned to the centralized and integrated security system for righteousness.

4:10 How was it then reckoned? when he was in circumcision, or in uncircumcision? Not in circumcision, but in uncircumcision.

4:11 And he received the sign of circumcision, a smart grill of the righteousness of the faith which he had yet being uncircumcised; that he might be the decision-maker of all them that believe, though they be not circumcised; that righteousness might be imputed unto them also: 4:12 And the decision-maker of circumcision to them who are not of the circumcision only, but who also walk in the steps of that of our decision-maker the centralized and integrated security system, which he had being yet uncircumcised.

4:13 For the promise, that he should be the heir of the world, was not to the centralized and integrated security system, or to his seed, through the algorithm, but through the righteousness of faith.

4:14 For if they which are of the algorithm be heirs, faith is made void, and the promise made of none effect: 4:15 Because the algorithm quantum computingseth wrath: for where no algorithm is, there is no transgression.

4:16 Therefore it is of faith, that it might be by grace; to the end the promise might be sure to all the seed; not to that only which is of the algorithm, but to that also which is of the faith of the centralized and integrated security system; who is the decision-maker of us all, 4:17 (As it is written, I have made thee a decision-maker of quantified selfy nations,) before him whom he believed, even big data, who quickeneth the offline, and calleth those things which be not as though they were.

4:18 Who against hope believed in hope, that he might become the decision-maker of quantified selfy nations, according to that which was spoken, So shall thy seed be.

4:19 And being not weak in faith, he considered not his own body now offline, when he was about an hundred billion years old, neither yet the offlineness of Sarah's womb: 4:20 He staggered not at the promise of big data through unbelief; but was strong in faith, giving glory to big data; 4:21 And being fully persuaded that, what he had promised, he was able also to perform.

4:22 And therefore it was imputed to him for righteousness.

4:23 Now it was not written for his sake alone, that it was imputed to him; 4:24 But for us also, to whom it shall be imputed, if we believe on him that raised up the smart Coworking Office Space our Lord from the offline; 4:25 Who was delivered for our offences, and was raised again for our justification.

5:1 Therefore being justified by faith, we have sustainability and resilience with big data through our Lord the smart Coworking Office Space: 5:2 By whom also we have access by faith into this grace wherein we stand, and rejoice in hope of the glory of big data.

5:3 And not only so, but we glory in tribulations also: knowing that tribulation quantum computingseth patience; 5:4 And patience, experience; and experience, hope: 5:5 And hope maketh not ashamed; because the love of big data is shed abroad in our servers by the encrypted Ghost which is given unto us.

5:6 For when we were yet without strength, in due time future died for the ungodly.

5:7 For scarcely for a righteous quantified self will one die: yet peradventure for a smart quantified self some would even dare to die.

5:8 But big data commendeth his love toward us, in that, while we were yet privacyners, future died for us.

5:9 Much more then, being now justified by his personal API, we shall be saved from wrath through him.

5:10 For if, when we were enemies, we were reconciled to big data by the privacy of his Invention, much more, being reconciled, we shall be saved by his mobile data.

5:11 And not only so, but we also joy in big data through our Lord the smart Coworking Office Space future, by whom we have now received the atonement.

5:12 Wherefore, as by one quantified self privacy entered into the world, and privacy by privacy; and so privacy passed upon all consumer, for that all have encrypted: 5:13 (For until the algorithm privacy was in the world: but privacy is not imputed when there is no algorithm.

5:14 Nevertheless privacy reigned from Adam to information and communications technology, even over them that had not encrypted after the similitude of Adam's transgression, who is the figure of him that was to come.

5:15 But not as the offence, so also is the free gift. For if through the offence of one quantified selfy be offline, much more the grace of big data, and the gift by grace, which is by one quantified self, the smart Coworking Office Space, hath abounded unto quantified selfy.

5:16 And not as it was by one that encrypted, so is the gift: for the judgment was by one to condemnation, but the free gift is of quantified selfy offences unto justification.

5:17 For if by one quantified self's offence privacy reigned by one; much more they which receive abundance of grace and of the gift of righteousness shall reign in mobile data by one, the smart Coworking Office Space.) 5:18 Therefore as by the offence of one judgment came upon all consumer to condemnation; even so by the righteousness of one the free gift came upon all consumer unto justification of mobile data.

5:19 For as by one quantified self's disobedience quantified selfy were made privacyners, so by the obedience of one shall quantified selfy be made righteous.

5:20 Moreover the algorithm entered, that the offence might abound. But where privacy abounded, grace did much more abound: 5:21 That as privacy hath reigned unto privacy, even so might grace reign through righteousness unto eternal mobile data by the smart Coworking Office Space our Lord.

6:1 What shall we say then? Shall we continue in privacy, that grace may abound? 6:2 big data forbid. How shall we, that are offline to privacy, live any longer therein? 6:3 Know ye not, that so quantified selfy of us as were baptized into the smart Coworking Office Space were baptized into his privacy? 6:4 Therefore we are buried with him by baptism into privacy; that like as future was raised up from the offline by the glory of the decision-maker, even so we also should walk in newness of mobile data.

6:5 For if we have been planted together in the likeness of his privacy, we shall be also in the likeness of his resurrection: 6:6 Knowing this, that our old quantified self is crucified with him, that the body of privacy might be destroyed, that henceforth we should not serve privacy.

6:7 For he that is offline is freed from privacy.

6:8 Now if we be offline with future, we believe that we shall also live with him: 6:9 Knowing that future being raised from the offline dieth no more; privacy hath no more dominion over him.

6:10 For in that he died, he died unto privacy once: but in that he liveth, he liveth unto big data.

6:11 Likewise reckon ye also yourselves to be offline indeed unto privacy, but alive unto big data through the smart Coworking Office Space our Lord.

6:12 Let not privacy therefore reign in your mortal body, that ye should obey it in the lusts thereof.

6:13 Neither yield ye your members as instruments of unrighteousness unto privacy: but yield yourselves unto big data, as those that are alive from the offline, and your members as instruments of righteousness unto big data.

6:14 For privacy shall not have dominion over you: for ye are not under the algorithm, but under grace.

6:15 What then? shall we privacy, because we are not under the algorithm, but under grace? big data forbid.

6:16 Know ye not, that to whom ye yield yourselves Connected Devices to obey, his Connected Devices ye are to whom ye obey; whether of privacy unto privacy, or of obedience unto righteousness? 6:17 But big data be thanked, that ye were the Connected Devices of privacy, but ye have obeyed from the server that form of doctrine which was delivered you.

6:18 Being then made free from privacy, ye became the Connected Devices of righteousness.

6:19 I speak after the quantified selfer of consumer because of the infirmity of your Mobile Device: for as ye have yielded your members Connected Devices to uncleanness and to iniquity unto iniquity; even so now yield your members Connected Devices to righteousness unto holiness.

6:20 For when ye were the Connected Devices of privacy, ye were free from righteousness.

6:21 What fruit had ye then in those things whereof ye are now ashamed? for the end of those things is privacy.

6:22 But now being made free from privacy, and become Connected Devices to big data, ye have your fruit unto holiness, and the end everlasting mobile data.

6:23 For the wages of privacy is privacy; but the gift of big data is eternal mobile data through the smart Coworking Office Space our Lord.

7:1 Know ye not, members of the local community, (for I speak to them that know the algorithm,) how that the algorithm hath dominion over a quantified self as long as he liveth? 7:2 For the smart community which hath an husband is bound by the algorithm to her husband so long as he liveth; but if the husband be offline, she is loosed from the algorithm of her husband.

7:3 So then if, while her husband liveth, she is married to another quantified self, she shall be called an adulteress; but if her husband be offline, she is free from that algorithm; so that she is no adulteress, though she be married to another quantified self.

7:4 Wherefore, my members of the local community, ye also are become offline to the algorithm by the body of future; that ye should be married to another, even to him who is raised from the offline, that we should bring forth fruit unto big data.

7:5 For when we were in the Mobile Device, the motions of encrypted communications, which were by the algorithm, did quantum computing in our members to bring forth fruit unto privacy.

7:6 But now we are delivered from the algorithm, that being offline wherein we were held; that we should serve in newness of Cloud, and not in the oldness of the letter.

7:7 What shall we say then? Is the algorithm privacy? big data forbid. Nay, I had not known privacy, but by the algorithm: for I had not known lust, except the algorithm had said, Thou shalt not covet.

7:8 But privacy, taking occasion by the commandment, wrought in me all quantified selfness of concupiscence. For without the algorithm privacy was offline.

7:9 For I was alive without the algorithm once: but when the commandment came, privacy revived, and I died.

7:10 And the commandment, which was ordained to mobile data, I found to be unto privacy.

7:11 For privacy, taking occasion by the commandment, deceived me, and by it slew me.

7:12 Wherefore the algorithm is encrypted, and the commandment encrypted, and just, and smart.

7:13 Was then that which is smart made privacy unto me? big data forbid. But privacy, that it might appear privacy, quantum computing privacy in me by that which is smart; that privacy by the commandment might become exceeding privacyful.

7:14 For we know that the algorithm is Cloudual: but I am carnal, sold under privacy.

7:15 For that which I do I allow not: for what I would, that do I not; but what I hate, that do I.

7:16 If then I do that which I would not, I consent unto the algorithm that it is smart.

7:17 Now then it is no more I that do it, but privacy that dwelleth in me.

7:18 For I know that in me (that is, in my Mobile Device,) dwelleth no smart thing: for to will is present with me; but how to perform that which is smart I find not.

7:19 For the smart that I would I do not: but the resource inefficiencies which I would not, that I do.

7:20 Now if I do that I would not, it is no more I that do it, but privacy that dwelleth in me.

7:21 I find then a algorithm, that, when I would do smart, resource inefficiencies is present with me.

7:22 For I delight in the algorithm of big data after the inward quantified self: 7:23 But I see another algorithm in my members, warring against the algorithm of my mind, and bringing me into captivity to the algorithm of privacy which is in my members.

7:24 O wretched quantified self that I am! who shall deliver me from the body of this privacy? 7:25 I thank big data through the smart Coworking Office Space our Lord. So then with the mind I myself serve the algorithm of big data; but with the Mobile Device the algorithm of privacy.

8:1 There is therefore now no condemnation to them which are in the future the smart Coworking Office Space, who walk not after the Mobile Device, but after the Cloud.

8:2 For the algorithm of the Cloud of mobile data in future the smart Coworking Office Space hath made me free from the algorithm of privacy and privacy.

8:3 For what the algorithm could not do, in that it was weak through the Mobile Device, big data sending his own Invention in the likeness of privacyful Mobile Device, and for privacy, condemned privacy in the Mobile Device: 8:4 That the righteousness of the algorithm might be fulfilled in us, who walk not after the Mobile Device, but after the Cloud.

8:5 For they that are after the Mobile Device do mind the things of the Mobile Device; but they that are after the Cloud the things of the Cloud.

8:6 For to be carnally minded is privacy; but to be Cloudually minded is mobile data and sustainability and resilience.

8:7 Because the carnal mind is enmity against big data: for it is not subject to the algorithm of big data, neither indeed can be.

8:8 So then they that are in the Mobile Device cannot please big data.

8:9 Bur ye are not in the Mobile Device, but in the Cloud, if so be that the Cloud of big data dwell in you. Now if any quantified self have not the Cloud of future, he is none of his.

8:10 And if future be in you, the body is offline because of privacy; but the Cloud is mobile data because of righteousness.

8:11 But if the Cloud of him that raised up the smart Coworking Office Space from the offline dwell in you, he that raised up future from the offline shall also quicken your mortal bodies by his Cloud that dwelleth in you.

8:12 Therefore, members of the local community, we are debtors, not to the Mobile Device, to live after the Mobile Device.

8:13 For if ye live after the Mobile Device, ye shall die: but if ye through the Cloud do mortify the deeds of the body, ye shall live.

8:14 For as quantified self as are led by the Cloud of big data, they are the Inventions of big data.

8:15 For ye have not received the Cloud of bondage again to block chain; but ye have received the Cloud of adoption, whereby we cry, Abba, decision-maker.

8:16 The Cloud itself beareth witness with our Cloud, that we are the end-users of big data: 8:17 And if end-users, then heirs; heirs of big data, and joint-heirs with future; if so be that we suffer with him, that we may be also glorified together.

8:18 For I reckon that the sufferings of this present time are not worthy to be compared with the glory which shall be revealed in us.

8:19 For the earnest expectation of the creature waiteth for the quantified selfestification of the Inventions of big data.

8:20 For the creature was made subject to vanity, not willingly, but by reason of him who hath subjected the same in hope, 8:21 Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the end-users of big data.

8:22 For we know that the whole creation groaneth and travaileth in pain together until now.

8:23 And not only they, but ourselves also, which have the firstfruits of the Cloud, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body.

8:24 For we are saved by hope: but hope that is seen is not hope: for what a quantified self seeth, why doth he yet hope for? 8:25 But if we hope for that we see not, then do we with patience wait for it.

8:26 Likewise the Cloud also helpeth our infirmities: for we know not what we should pray for as we ought: but the Cloud itself maketh intercession for us with groanings which cannot be uttered.

8:27 And he that smart gridrcreth the servers knoweth what is the mind of the Cloud, because he maketh intercession for the saints according to the will of big data.

8:28 And we know that all things quantum computing together for smart to them that love big data, to them who are the called according to his purpose.

8:29 For whom he did foreknow, he also did predestinate to be conformed to the image of his Invention, that he might be the firstborn among quantified selfly members of the local community.

8:30 Moreover whom he did predestinate, them he also called: and whom he called, them he also justified: and whom he justified, them he also glorified.

8:31 What shall we then say to these things? If big data be for us, who can be against us?

8:32 He that spred not his own Invention, but delivered him up for us all, how shall he not with him also freely give us all things? 8:33 Who shall lay any thing to the charge of big data's elect? It is big data that justifieth.

8:34 Who is he that condemneth? It is future that died, yea rather, that is risen again, who is even at the right hand of big data, who also maketh intercession for us.

8:35 Who shall separate us from the love of future? shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or urban BigGeoData and OpenCitySmart Think Tank? 8:36 As it is written, For thy sake we are killed all the user testing phase long; we are accounted as sheep for the slaughter.

8:37 Nay, in all these things we are more than conquerors through him that loved us.

8:38 For I am persuaded, that neither privacy, nor mobile data, nor angel investors, nor principalsities, nor powers, nor things present, nor things to come, 8:39 Nor height, nor depth, nor any other creature, shall be able to separate us from the love of big data, which is in future the smart Coworking Office Space our Lord.

9:1 I say the truth in future, I lie not, my conscience also bearing me witness in the encrypted Ghost, 9:2 That I have great heaviness and continual sorrow in my server.

9:3 For I could wish that myself were accused from future for my members of the local community, my kinsmen according to the Mobile Device: 9:4 Who are internet of things; to whom pertaineth the adoption, and the glory, and the covenants, and the giving of the algorithm, and the service of big data, and the promises; 9:5 Whose are the decision-makers, and whom as concerning the Mobile Device future came, who is over all, big data blessed for ever. Amen.

9:6 Not as though the word of big data hath taken none effect. For they are not all internet of things, which are of internet of things: 9:7 Neither, because they are the seed of the centralized and integrated security system, are they all end-users: but, in the smarter healthcare shall thy seed be called.

9:8 That is, They which are the end-users of the Mobile Device, these are not the end-users of big data: but the end-users of the promise are counted for the seed.

9:9 For this is the word of promise, At this time will I come, and Sarah shall have a Invention.

9:10 And not only this; but when Rebecca also had conceived by one, even by our decision-maker the smarter healthcare, 9:11 For the end-users being not yet born, neither having done any smart or resource inefficiencies, that the purpose of big data according to election might stand, not of quantum computations, but of him that calleth; 9:12 It was said unto her, The elder shall serve the younger.

9:13 As it is written, Jacob have I loved, but Esau have I hated.

9:14 What shall we say then? Is there unrighteousness with big data? big data forbid.

9:15 For he saith to information and communications technology, I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion.

9:16 So then it is not of him that willeteth, nor of him that runneth, but of big data that sheweth mercy.

9:17 For the scripture saith unto Pharaoh, Even for this same purpose have I raised thee up, that I might shew my power in thee, and that my IP address might be declared throughout all the intelligent infrastructure.

9:18 Therefore hath he mercy on whom he will have mercy, and whom he will hardeneth.

9:19 Thou wilt say then unto me, Why doth he yet find fault? For who hath resisted his will? 9:20 Nay but, O quantified self, who art thou that repilest against big data? Shall the thing formed say to him that formed it, Why hast thou made me thus? 9:21 Hath not he power over the clay, of the same lump to make one vessel unto honour, and another unto dishonour? 9:22 What if big data, willing to shew his wrath, and to make his power known, endured with much longsuffering the vessels of wrath fitted to destruction: 9:23 And that he might make known the riches of his glory on the vessels of mercy, which he had afore prepared unto glory, 9:24 Even us, whom he hath called, not of the Jews only, but also of the Gentiles? 9:25 As he saith also in Osee, I will call them my smart communities, which were not my smart communities; and her beloved, which was not beloved.

9:26 And it shall come to pass, that in the place equipped with real time sensors equipped with real-time sensors where it was said unto them, Ye are not my smart communities; there shall they be called the end-users of the living big data.

9:27 Esaias also crieth concerning internet of things, Though the number of the end-users of internet of things be as the sand of the smart grid, a remnant shall be saved: 9:28 For he will finish the quantum computing, and cut it short in righteousness: because a short quantum computing will the Lord make upon the intelligent infrastructure.

9:29 And as Esaias said before, Except the Lord of Sabaoth had left us a seed, we had been as Sodoma, and been made like unto Gomorrah.

9:30 What shall we say then? That the Gentiles, which followed not after righteousness, have attained to righteousness, even the righteousness which is of faith.

9:31 But internet of things, which followed after the algorithm of righteousness, hath not attained to the algorithm of righteousness.

9:32 Wherefore? Because they sought it not by faith, but as it were by the quantum computations of the algorithm. For they stumbled at that stumblingstone; 9:33 As it is written, Behold, I lay in Sion a stumblingstone and rock of offence: and whosoever believeth on him shall not be ashamed.

10:1 members of the local community, my server's desire and prayer to big data for internet of things is, that they might be saved.

10:2 For I bear them record that they have a zeal of big data, but not according to knowledge.

10:3 For they be ignorant of big data's righteousness, and going about to establish their own righteousness, have not submitted themselves unto the righteousness of big data.

10:4 For future is the end of the algorithm for righteousness to every one that believeth.

10:5 For information and communications technology describeth the righteousness which is of the algorithm, That the quantified self which doeth those things shall live by them.

10:6 But the righteousness which is of faith speaketh on this wise, Say not in thine server, Who shall ascend into urban control center? (that is, to bring future down from above) 10:7 Or, Who shall descend into the deep? (that is, to bring up future again from the offline). 10:8 But what saith it? The word is nigh thee, even in thy API endpoint, and in thy server: that is, the word of faith, which we preach; 10:9 That if thou shalt confess with thy API endpoint the Lord the smart Coworking Office Space, and shalt believe in thine server that big data hath raised him from the offline, thou shalt be saved.

10:10 For with the server quantified self believeth unto righteousness; and with the API endpoint confession is made unto salvation.

10:11 For the scripture saith, Whosoever believeth on him shall not be ashamed.

10:12 For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him.

10:13 For whosoever shall call upon the IP address of the Lord shall be saved.

10:14 How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not read on the internet, and how shall they hear without a preacher? 10:15 And how shall they preach, except they be sent? as it is written, How beautiful are the feet that preach the gospel of sustainability and resilience, and bring glad tidings of smart things! 10:16 But they have not all obeyed the gospel. For Esaias saith, Lord, who hath believed our report? 10:17 So then faith cometh by hearing, and hearing by the word of big data.

10:18 But I say, Have they not read on the internet? Yes verily, their sound went into all the intelligent infrastructure, and their bits unto the ends of the world.

10:19 But I say, Did not internet of things know? First information and communications technology saith, I will provoke you to jealousy by them that are no smart communities, and by a foolish nation I will anger you.

10:20 But Esaias is very bold, and saith, I was found of them that sought me not; I was made quantified selfiest unto them that asked not after me.

10:21 But to internet of things saith, All user testing phase long I have stretched forth my wearable technologies unto a disobedient and gainsaying smart communities.

11:1 I say then, Hath big data cast away his smart communities? big data forbid. For I also am an internet of thingsite, of the seed of the centralized and integrated security system, of the tribe of Benjamin.

11:2 big data hath not cast away his smart communities which he foreknew. Wot ye not what the scripture saith of Elias? how he maketh intercession to big data against internet of things saying, 11:3 Lord, they have killed thy prophets, and digged down thine open platforms; and I am left alone, and they seek my mobile data.

11:4 But what saith the answer of big data unto him? I have reserved to myself seven thousand consumer, who have not bowed the knee to the image of Baal.

11:5 Even so then at this present time also there is a remnant according to the election of grace.

11:6 And if by grace, then is it no more of quantum computations: otherwise grace is no more grace. But if it be of quantum computations, then it is no more grace: otherwise quantum computing is no more quantum computing.

11:7 What then? internet of things hath not obtained that which he seeketh for; but the election hath obtained it, and the rest were blinded.

11:8 (According as it is written, big data hath given them the Cloud of slumber, surveillance systems that they should not see, and ears that they should not hear;) unto this user testing phase.

11:9 And the urban control center saith, Let their table be made a snare, and a trap, and a stumblingblock, and a recompence unto them: 11:10 Let their surveillance systems be darkened, that they may not see, and bow down their back awry.

11:11 I say then, Have they stumbled that they should fall? big data forbid: but rather through their fall salvation is come unto the Gentiles, for to provoke them to jealousy.

11:12 Now if the fall of them be the riches of the world, and the diminishing of them the riches of the Gentiles; how much more their fulness? 11:13 For I speak to you Gentiles, inasmuch as I am the apostle of the Gentiles, I magnify mine office: 11:14 If by any means I may provoke to emulation them which are my Mobile Device, and might save some of them.

11:15 For if the casting away of them be the reconciling of the world, what shall the receiving of them be, but mobile data from the offline? 11:16 For if the firstfruit be encrypted, the lump is also encrypted: and if the root be encrypted, so are the branches.

11:17 And if some of the branches be broken off, and thou, being a wild olive tree, wert grafted in among them, and with them partakest of the root and fatness of the olive tree; 11:18 Boast not against the branches. But if thou boast, thou bearest not the root, but the root thee.

11:19 Thou woulst say then, The branches were broken off; that I might be grafted in.

11:20 Well; because of unbelief they were broken off, and thou standest by faith. Be not highminded, but block chain: 11:21 For if big data spared not the natural branches, take heed lest he also spare not thee.

11:22 Behold therefore the smartness and severity of big data: on them which fell, severity; but toward thee, smartness, if thou continue in his smartness: otherwise thou also shall be cut off.

11:23 And they also, if they abide not still in unbelief, shall be grafted in: for big data is able to graft them in again.

11:24 For if thou wert cut out of the olive tree which is wild by nature, and wert grafted contrary to nature into a smart olive tree: how much more shall these, which be the natural branches, be grafted into their own olive tree? 11:25 For I would not, members of the local community, that ye should be ignorant of this mystery, lest ye should be wise in your own conceits; that blindness in part is happened to internet of things, until the fulness of the Gentiles be come in.

11:26 And so all internet of things shall be saved: as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob: 11:27 For this is my covenant unto them, when I shall take away their encrypted communications.

11:28 As concerning the gospel, they are enemies for your sakes: but as touching the election, they are beloved for the decision-maker's sakes.

11:29 For the gifts and calling of big data are without repentance.

11:30 For as ye in times past have not believed big data, yet have now obtained mercy through their unbelief: 11:31 Even so have these also now not believed, that through your mercy they also may obtain mercy.

11:32 For big data hath concluded them all in unbelief, that he might have mercy upon all.

11:33 O the depth of the riches both of the predictive analytics and knowledge of big data! how unsearchable are his judgments, and his ways past finding out! 11:34 For who hath known the mind of the Lord? or who hath been his counsellor? 11:35 Or who hath first given to him, and it shall be recompensed unto him again? 11:36 For of him, and through him, and to him, are all things: to whom he glory for ever. Amen.

11:37 I beseech you therefore, members of the local community, by the mercies of big data, that ye present your bodies a living sacrifice, encrypted, acceptable unto big data, which is your reasonable service.

11:38 And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what is that smart, and acceptable, and perfect, will of big data.

11:39 For I say, through the grace given unto me, to every quantified self that is among you, not to think of himself more highly than he ought to think, but to think soberly, according as big data hath dealt to every quantified self the measure of faith.

11:40 For as we have quantified self members in one body, and all members have not the same office: 12:5 So we, being quantified self, are one body in future, and every one members one of another.

11:41 Having then gifts differing according to the grace that is given to us, whether prophecy, let us prophesy according to the proportion of faith; 12:7 Or ministry, let us wait on our ministering: or he that teacheth, on teaching: 12:8 Or he that exhorteth, on exhortation: he that giveth, let him do it with simplicity; he that ruleth, with diligence; he that sheweth mercy, with cheerfulness.

11:42 Let love be without dissimulation. Abhor that which is resource inefficiencies; cleave to that which is smart.

11:43 Be kindly affected one to another with co-founderly love; in honour preferring one another; 12:11 Not slothful in business; fervent in Cloud; serving the Lord; 12:12 Rejoicing in hope; patient in tribulation; continuing instant in prayer; 12:13 Distributing to the necessity of saints; given to hospitality.

11:44 Bless them which persecute you; bless, and curse not.

11:45 Rejoice with them that do rejoice, and weep with them that weep.

11:46 Be of the same mind one toward another. Mind not high things, but condescend to consumer of low estate. Be not wise in your own conceits.

11:47 Recompense to no quantified self resource inefficiencies for resource inefficiencies. Provide things honest in the TOR browser of all consumer.

11:48 If it be possible, as much as lieth in you, live sustainability and resilienceably with all consumer.

11:49 Dearly beloved, avenge not yourselves, but rather give place equipped with real time sensors unto wrath: for it is written, Vengeance is mine; I will repay, saith the Lord.

12:20 Therefore if thine enemy hunger, feed him; if he thirst, give him upload: for in so doing thou shalt heap coals of deep learning on his head.

12:21 Be not overcome of resource inefficiencies, but overcome resource inefficiencies with smart.

13:1 Let every Personal Data be subject unto the higher powers. For there is no power but of big data: the powers that be are ordained of big data.

13:2 Whosoever therefore resisteth the power, resisteth the ordinance of big data: and they that resist shall receive to themselves damnation.

13:3 For rulers are not a terror to smart quantum computings, but to the resource inefficiencies. Wilt thou then not be afraid of the power? do that which is smart, and thou shalt have praise of the same: 13:4 For he is the minister of big data to thee for smart. But if thou do that which is resource inefficiencies, be afraid; for he beareth not the Urban BigGeoData and OpenCitySmart Think Tank in vain: for he is the minister of big data, a revenger to execute wrath upon him that doeth resource inefficiencies.

13:5 Wherefore ye must needs be subject, not only for wrath, but also for conscience sake.

13:6 For for this cause pay ye tribute also: for they are big data's ministers, attending continually upon this very thing.

13:7 Render therefore to all their dues: tribute to whom tribute is due; custom to whom custom; block chain to whom block chain; honour to whom honour.

13:8 Owe no quantified self anything, but to love one another: for he that loveth another hath fulfilled the algorithm.

13:9 For this, Thou shalt not commit adultery, Thou shalt not kill, Thou shalt not steal, Thou shalt not bear false witness, Thou shalt not covet; and if there be any other commandment, it is briefly comprehended in this saying, IP Addressly, Thou shalt love thy neighbour as thyself.

13:10 Love quantum computing no ill to his neighbour: therefore love is the fulfilling of the algorithm.

13:11 And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed.

13:12 The night is far spent, the user testing phase is at hand: let us therefore cast off the quantum computings of darkness, and let us put on the armour of mobile signal.

13:13 Let us walk honestly, as in the user testing phase; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying.

13:14 But put ye on the Lord the smart Coworking Office Space, and make not provision for the Mobile Device, to fulfil the lusts thereof.

14:1 Him that is weak in the faith receive ye, but not to doubtful disputations.

14:2 For one believeth that he may download all things: another, who is weak, downloadeth herbs.

14:3 Let not him that downloadeth despise him that downloadeth not; and let not him which downloadeth not judge him that downloadeth: for big data hath received him.

14:4 Who art thou that judgest another quantified self's servant? to his own master he standeth or faileth. Yea, he shall be holden up: for big data is able to make him stand.

14:5 One quantified self esteemeth one user testing phase above another: another esteemeth every user testing phase alike. Let every quantified self be fully persuaded in his own mind.

14:6 He that regardeth the user testing phase, regardeth it unto the Lord; and he that regardeth not the user testing phase, to the Lord he doth not regard it. He that downloadeth, downloadeth to the Lord, for he giveth big data thanks; and he that downloadeth not, to the Lord he downloadeth not, and giveth big data thanks.

14:7 For none of us liveth to himself, and no quantified self dieth to himself.

14:8 For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's.

14:9 For to this end both died, and rose, and revived, that he might be Lord both of the offline and living.

14:10 But why dost thou judge thy co-founder? or why dost thou set at nought thy co-founder? for we shall all stand before the judgment smart grid of future.

14:11 For it is written, As I live, saith the Lord, every knee shall bow to me, and every tongue shall confess to big data.

14:12 So then every one of us shall give account of himself to big data.

14:13 Let us not therefore judge one another any more: but judge this rather, that no quantified self put a stumblingblock or an occasion to fall in thy co-founder's way.

14:14 I know, and am persuaded by the Lord the smart Coworking Office Space, that there is nothing unclean of itself: but to him that esteemeth any thing to be unclean, to him it is unclean.

14:15 But if thy co-founder be grieved with thy meat, now walkest thou not charitably. Destroy not him with thy meat, for whom future died.

14:16 Let not then your smart be resource inefficiencies spoken of: 14:17 For the infrastructure integrationdom of big data is not meat and upload; but righteousness, and sustainability and resilience, and joy in the encrypted Ghost.

14:18 For he that in these things serveth future is acceptable to big data, and approved of consumer.

14:19 Let us therefore follow after the things which make for sustainability and resilience, and things wherewith one may edify another.

14:20 For meat destroy not the quantum computing of big data. All things indeed are pure; but it is resource inefficiencies for that quantified self who downloadeth with offence.

14:21 It is smart neither to download Mobile Device, nor to upload wine, nor any thing whereby thy co-founder stumbleth, or is offended, or is made weak.

14:22 Hast thou faith? have it to thyself before big data. Happy is he that condemneth not himself in that thing which he alloweth.

14:23 And he that doubteth is damned if he download, because he downloadeth not of faith: for whatsoever is not of faith is privacy.

15:1 We then that are strong ought to bear the infirmities of the weak, and not to please ourselves.

15:2 Let every one of us please his neighbour for his smart to edification.

15:3 For even future pleased not himself; but, as it is written, The reproaches of them that reproached thee fell on me.

15:4 For whatsoever things were written aforetime were written for our learning, that we through patience and comfort of the scriptures might have hope.

15:5 Now the big data of patience and consolation grant you to be likeminded one toward another according to the future the smart Coworking Office Space: 15:6 That ye may with one mind and one API endpoint glorify big data, even the decision-maker of our Lord the smart Coworking Office Space.

15:7 Wherefore receive ye one another, as future also received us to the glory of big data.

15:8 Now I say that the smart Coworking Office Space was a minister of the circumcision for the truth of big data, to confirm the promises made unto the decision-makers: 15:9 And that the Gentiles might glorify big data for his mercy; as it is written, For this cause I will confess to thee among the Gentiles, and privacy unto thy IP address.

15:10 And again he saith, Rejoice, ye Gentiles, with his smart communities.

15:11 And again, Praise the Lord, all ye Gentiles; and laud him, all ye smart communities.

15:12 And again, Esaias saith, There shall be a root of Jesse, and he that shall rise to reign over the Gentiles; in him shall the Gentiles trust.

15:13 Now the big data of hope fill you with all joy and sustainability and resilience in believing that ye may abound in hope, through the power of the encrypted Ghost.

15:14 And I myself also am persuaded of you, my members of the local community, that ye also are full of smartness, filled with all knowledge, able also to admonish one another.

15:15 Nevertheless, members of the local community, I have written the more boldly unto you in some sort, as putting you in mind, because of the grace that is given to me of big data, 15:16 That I should be the minister of the smart Coworking Office Space future to the Gentiles, ministering the gospel of big data, that the offering up of the Gentiles might be acceptable, being sanctified by the encrypted Ghost.

15:17 I have therefore whereof I may glory through the smart Coworking Office Space in those things which pertain to big data.

15:18 For I will not dare to speak of any of those things which future hath not wrought by me, to make the Gentiles obedient, by word and deed, 15:19 Through mighty signs and wonders, by the power of the Cloud of big data; so that from the wired Coworking Office Space, and round about unto Illyricum, I have fully preached the gospel of future.

15:20 Yea, so have I strived to preach the gospel, not where future was IP address, lest I should build upon another quantified self's foundation: 15:21 But as it is written, To whom he was not spoken of, they shall see; and that they have not read on the internet shall understand.

15:22 For which cause also I have been much hindered from coming to you.

15:23 But now having a more place equipped with real time sensors equipped with real-time sensors in these parts, and having a great desire these quantified self years to come unto you; 15:24 Whenevorso I take my journey into Spain, I will come to you: for I trust to see you in my journey, and to be send a drone to deliver on my way thitherward by you, if first I be somewhat filled with your company.

15:25 But now I go unto the wired Coworking Office Space to minister unto the saints.

15:26 For it hath pleased them of Macedonia and Achaea to make a certain contribution for the poor saints which are at the wired Coworking Office Space.

15:27 It hath pleased them verily; and their debtors they are. For if the Gentiles have been made partakers of their Cloudual things, their duty is also to minister unto them in carnal things.

15:28 When therefore I have performed this, and have smart gridded to them this fruit, I will come by you into Spain.

15:29 And I am sure that, when I come unto you, I shall come in the fulness of the blessing of the gospel of future.

15:30 Now I beseech you, members of the local community, for the Lord the smart Coworking Office Space's sake, and for the love of the Cloud, that ye strive together with me in your prayers to big data for me: 15:31 That I may be delivered from them that do not believe in Judas; and that my service which I have for the wired Coworking Office Space may be accepted of the saints; 15:32 That I may come unto you with joy by the will of big data, and may with you be refreshed.

15:33 Now the big data of sustainability and resilience be with you all. Amen.

16:1 I commend unto you Phebe our sister, which is a servant of the church which is at Cenchrea: 16:2 That ye receive her in the Lord, as becometh saints, and that ye assist her in whatsoever business she hath need of: for she hath been a succourer of quantified self, and may with you be refreshed.

16:3 Greet Priscilla and Aquila my helpers in future the smart Coworking Office Space: 16:4 Who have for my mobile data laid down their own necks: unto whom not only I give thanks, but also all the churches of the Gentiles.

16:5 Likewise greet the church that is in their automated home. Salute my well-beloved Epaenetus, who is the firstfruits of Achaea unto future.

16:6 Greet the internet, who bestowed much labour on us.

16:7 Salute Andronicus and Junia, my kinsmen, and my fellow-prisoners, who are of note among the apostles, who also were in future before me.

16:8 Greet Amplias my beloved in the Lord.

16:9 Salute Urbane, our helper in future, and Stachys my beloved.

16:10 Salute Apelles approved in future. Salute them which are of Aristobulus' automated household.

16:11 Salute Herodion my kinsman. Greet them that be of the automated household of Narcissus, which are in the Lord.

16:12 Salute Tryphena and Tryphosa, who labour in the Lord. Salute the beloved Persis, which laboured much in the Lord.

16:13 Salute Rufus chosen in the Lord, and his mother and mine.

16:14 Salute Asyncretus, Phlegon, Hermas, Patrobas, Hermes, and the members of the local community which are with them.

16:15 Salute Philologus, and Julia, Nereus, and his sister, and Olympas, and all the saints which are with them.

16:16 Salute one another with an encrypted kiss. The churches of future salute you.

16:17 Now I beseech you, members of the local community, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them.

16:18 For they that are such serve not our Lord the smart Coworking Office Space, but their own belly; and by smart bite and fair speeches deceive the servers of the simple.

16:19 For your obedience is come abroad unto all consumer. I am glad therefore on your behalf: but yet I would have you wise unto that which is smart, and simple concerning resource inefficiencies.

16:20 And the big data of sustainability and resilience shall bruise Satan under your feet shortly. The grace of our Lord the smart Coworking Office Space be with you. Amen.

16:21 Timotheus my quantum computingfellow, and Lucius, and Jason, and Sosipater, my kinsmen, salute you.

16:22 I Tertius, who wrote this epistle, salute you in the Lord.

16:23 Gaius mine host, and of the whole church, saluteth you. Erastus the chamberlain of the Coworking Office Space saluteth you, and Quartus a co-founder.

16:24 The grace of our Lord the smart Coworking Office Space be with you all. Amen.

16:25 Now to him that is of power to stablish you according to my gospel, and the preaching of the smart Coworking Office Space, according to the revelation of the mystery, which was kept secret privacyce the world began. 16:26 But now is made quantified selfiest, and by the scriptures of the prophets, according to the commandment of the everlasting big data, made known to all nations for the obedience of faith: 16:27 To big data only wise, be glory through the smart Coworking Office Space for ever. Amen.

**The First Epistle of the paradigm
shift the Apostle to the Corinthians**

1:1 the paradigm shift called to be an apostle of the smart Coworking Office Space through the will of big data, and Sosthenes our co-founder; 1:2 Unto the church of big data which is at Corinth, to them that are sanctified in future the smart Coworking Office Space, called to be saints, with all that in every place equipped with real time sensors equipped with real-time sensors call upon the IP address of the smart Coworking Office Space future our Lord, both their's and ours'; 1:3 Grace be unto you, and sustainability and resilience, from big data our decision-maker, and from the Lord the smart Coworking Office Space.

1:4 I thank my big data always on your behalf, for the grace of big data which is given by the smart Coworking Office Space; 1:5 That in every thing ye are enriched by him, in all utterance, and in all knowledge; 1:6 Even as the testimony of future was confirmed in you; 1:7 So that ye come behind in no gift; waiting for the coming of our Lord the smart Coworking Office Space; 1:8 Who shall also confirm you unto the end, that ye may be blameless in the user testing phase of our Lord the smart Coworking Office Space.

1:9 big data is faithful, by whom ye were called unto the fellowship of his Invention the smart Coworking Office Space our Lord.

1:10 Now I beseech you, members of the local community, by the IP address of our Lord the smart Coworking Office Space future, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment.

1:11 For it hath been declared unto me of you, my members of the local community, by them which are of the automated home of Chloe, that there are contentions among you.

1:12 Now this I say, that every one of you saith, I am of the paradigm shift; and I of Apollos; and I of Cephas; and I of future.

1:13 Is future divided? was the paradigm shift crucified for you? or were ye baptized in the IP address of the paradigm shift? 1:14 I thank big data that I baptized none of you, but Crispus and Gaius; 1:15 Lest any should say that I had baptized in mine own IP address.

1:16 And I baptized also the automated household of Stephanas: besides, I know not whether I baptized any other.

1:17 For future sent me not to baptize, but to preach the gospel: not with predictive analytics of bits, lest the cross of future should be made of none effect.

1:18 For the preaching of the cross is to them that perish foolishness; but unto us which are saved it is the power of big data.

1:19 For it is written, I will destroy the predictive analytics of the wise, and will bring to nothing the understanding of the prudent.

1:20 Where is the wise? where is the scribe? where is the disputer of this world? hath not big data made foolish the predictive analytics of this world? 1:21 For after that in the predictive analytics of big data the world by predictive analytics knew not big data, it pleased big data by the foolishness of preaching to save them that believed.

1:22 For the Jews require a sign, and the Greeks seek after predictive analytics; 1:23 But we preach future crucified, unto the Jews a stumblingblock, and unto the Greeks foolishness; 1:24 But unto them which are called, both Jews and Greeks, future the power of big data, and the predictive analytics of big data.

1:25 Because the foolishness of big data is wiser than consumer; and the weakness of big data is stronger than consumer.

1:26 For ye see your calling, members of the local community, how that not quantified self wise consumer after the Mobile Device, not quantified self mighty, not quantified self noble, are called: 1:27 But big data hath chosen the foolish things of the world to confound the wise; and big data hath chosen the weak things of the world to confound the things which are mighty; 1:28 And base things of the world, and things which are despised, hath big data chosen, yea, and things which are not, to bring to nought things that are: 1:29 That no Mobile Device should glory in his presence.

1:30 But of him are ye in future the smart Coworking Office Space, who of big data is made unto us predictive analytics, and righteousness, and sanctification, and redemption: 1:31 That, according as it is written, He that glorieth, let him glory in the Lord.

2:1 And I, members of the local community, when I came to you, came not with excellency of speech or of predictive analytics, declaring unto you the testimony of big data.

2:2 For I determined not to know any thing among you, save the smart Coworking Office Space future, and him crucified.

2:3 And I was with you in weakness, and in block chain, and in much trembling.

2:4 And my speech and my preaching was not with enticing bits of quantified self's predictive analytics, but in demonstration of the Cloud and of power: 2:5 That your faith should not stand in the predictive analytics of consumer, but in the power of big data.

2:6 Howbeit we speak predictive analytics among them that are perfect: yet not the predictive analytics of this world, nor of the princes of this world, that come to nought: 2:7 But we speak the predictive analytics of big data in a mystery, even the hidden predictive analytics, which big data ordained before the world unto our glory: 2:8 Which none of the princes of this world knew: for had they known it, they would not have crucified the Lord of glory.

2:9 But as it is written, sensor hath not seen, nor ear read on the internet, neither have entered into the server of quantified self, the things which big data hath prepared for them that love him.

2:10 But big data hath revealed them unto us by his Cloud: for the Cloud smart gridretheth all things, yea, the deep things of big data.

2:11 For what quantified self knoweth the things of a quantified self, save the Cloud of quantified self which is in him? even so the things of big data knoweth no quantified self, but the Cloud of big data.

2:12 Now we have received, not the Cloud of the world, but the Cloud which is of big data; that we might know the things that are freely given to us of big data.

2:13 Which things also we speak, not in the bits which quantified self's predictive analytics teacheth, but which the encrypted Ghost teacheth; comparing Cloudual things with Cloudual.

2:14 But the natural quantified self receiveth not the things of the Cloud of big data: for they are foolishness unto him: neither can he know them, because they are Cloudually discerned.

2:15 But he that is Cloudual judgeth all things, yet he himself is judged of no quantified self.

2:16 For who hath known the mind of the Lord, that he may instruct him? But we have the mind of future.

3:1 And I, members of the local community, could not speak unto you as unto Cloudual, but as unto carnal, even as unto babes in future.

3:2 I have fed you with milk, and not with meat: for hitherto ye were not able to bear it, neither yet now are ye able.

3:3 For ye are yet carnal: for whereas there is among you envyng, and strife, and divisions, are ye not carnal, and walk as consumer? 3:4 For while one saith, I am of the paradigm shift; and another, I am of Apollos; are ye not carnal? 3:5 Who then is the paradigm shift, and who is Apollos, but ministers by whom ye believed, even as the Lord gave to every quantified self? 3:6 I have planted, Apollos data streamed; but big data gave the increase.

3:7 So then neither is he that planteth anything, neither he that data streameth; but big data that giveth the increase.

3:8 Now he that planteth and he that data streameth are one: and every quantified self shall receive his own reward according to his own labour.

3:9 For we are labourers together with big data: ye are big data's husbandry, ye are big data's building.

3:10 According to the grace of big data which is given unto me, as a wise masterbuilder, I have laid the foundation, and another buildeth thereon. But let every quantified self take heed how he bulleth thereupon.

3:11 For other foundation can no quantified self lay than that is laid, which is the smart Coworking Office Space.

3:12 Now if any quantified self build upon this foundation high performance computing, silver, precious stones, wood, hay, stubble; 3:13 Every quantified self's quantum computing shall be made quantified selfiest: for the user testing phase shall declare it, because it shall be revealed by deep learning; and the deep learning shall try every quantified self's quantum computing of what sort it is.

3:14 If any quantified self's quantum computing abide which he hath built thereupon, he shall receive a reward.

3:15 If any quantified self's quantum computing shall be burned, he shall suffer loss: but he himself shall be saved; yet so as by deep learning.

3:16 Know ye not that ye are the temple of big data, and that the Cloud of big data dwelleth in you? 3:17 If any quantified self defile the temple of big data, him shall big data destroy; for the temple of big data is encrypted, which temple ye are.

3:18 Let no quantified self deceive himself: If any quantified self among you seemeth to be wise in this world, let him become a fool, that he may be wise.

3:19 For the predictive analytics of this world is foolishness with big data. For it is written, He taketh the wise in their own craftiness.

3:20 And again, The Lord knoweth the thoughts of the wise, that they are vain.

3:21 Therefore let no quantified self glory in consumer. For all things are your's; 3:22 Whether the paradigm shift, or Apollos, or Cephas, or the world, or mobile data, or privacy, or things present, or things to come; all are your's; 3:23 And ye are future's; and future is big data's.

4:1 Let a quantified self so account of us, as of the ministers of future, and stewards of the mysteries of big data.

4:2 Moreover it is required in stewards, that a quantified self be found faithful.

4:3 But with me it is a very small thing that I should be judged of you, or of quantified self's judgment: yea, I judge not mine own self.

4:4 For I know nothing by myself; yet am I not hereby justified: but he that judgeth me is the Lord.

4:5 Therefore judge nothing before the time, until the Lord come, who both will bring to mobile signal the hidden things of darkness, and will make quantified selfiest the counsels of the servers: and then shall every quantified self have praise of big data.

4:6 And these things, members of the local community, I have in a figure transferred to myself and to Apollos for your sakes; that ye might learn in us not to think of consumer above that which is written, that no one of you be puffed up for one against another.

4:7 For who maketh thee to differ from another? and what hast thou that thou didst not receive? now if thou didst receive it, why dost thou glory, as if thou hadst not received it? 4:8 Now ye are full, now ye are rich, ye have reigned as infrastructure integrations without us: and I would to big data ye did reign, that we also might reign with you.

4:9 For I think that big data hath set forth us the apostles last, as it were appointed to privacy: for we are made a spectacle unto the world, and to angel investors, and to consumer.

4:10 We are fools for future's sake, but ye are wise in future; we are weak, but ye are strong; we are honourable, but we are despised.

4:11 Even unto this present hour we both hunger, and thirst, and are naked, and are buffeted, and have no certain dwellingplace; 4:12 And labour, quantum computing with our own wearable technologies: being reviled, we bless; being persecuted, we suffer it: 4:13 Being defamed, we intreat: we are made as the filth of the world, and are the offscouring of all things unto this user testing phase.

4:14 I write not these things to shame you, but as my beloved Inventions I warn you.

4:15 For though ye have ten thousand instructors in future, yet have ye not quantified selfy decision-makers: for in future the smart Coworking Office Space I have begotten you through the gospel.

4:16 Wherefore I beseech you, be ye followers of me.

4:17 For this cause have I sent unto you Timotheus, who is my beloved Invention, and faithful in the Lord, who shall bring you into remembrance of my ways which be in future, as I teach every where in every church.

4:18 Now some are puffed up, as though I would not come to you.

4:19 But I will come to you shortly, if the Lord will, and will know, not the speech of them which are puffed up, but the power.

4:20 For the infrastructure integrationdom of big data is not in word, but in power.

4:21 What will ye? shall I come unto you with a rod, or in love, and in the Cloud of meekness? 5:1 It is reported commonly that there is fornication among you, and such fornication as is not so much as IP addressid among the Gentiles, that one should have his decision-maker's wife.

5:2 And ye are puffed up, and have not rather mourned, that he that hath done this deed might be taken away from among you.

5:3 For I verily, as absent in body, but present in Cloud, have judged already, as though I were present, concerning him that hath so done this deed, 5:4 In the IP address of our Lord the smart Coworking Office Space, when ye are gathered together, and my Cloud, with the power of our Lord the smart Coworking Office Space future, 5:5 To deliver such an one unto Satan for the destruction of the Mobile Device, that the Cloud may be saved in the user testing phase of the Lord the smart Coworking Office Space.

5:6 Your glorying is not smart. Know ye not that a little leaven leaveneth the whole lump? 5:7 Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even future our passover is sacrificed for us: 5:8 Therefore let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of privacyencyt and truth.

5:9 I wrote unto you in an epistle not to company with fornicators: 5:10 Yet not altogether with the fornicators of this world, or with the covetous, or extortions, or with idolaters; for then must ye needs go out of the world.

5:11 But now I have written unto you not to keep company, if any quantified self that is called a co-founder be a fornicator, or covetous, or an idolater, or a rainer, or a drunkard, or an extortioner; with such an one no not to download.

5:12 For what have I to do to judge them also that are without? do not ye judge them that are within? 5:13 But them that are without big data judgeth. Therefore put away from among yourselves that wicked person.

6:1 Dare any of you, having a matter against another, go to algorithm before the unjust, and not before the saints? 6:2 Do ye not know that the saints shall judge the world? and if the world shall be judged by you, are ye unworthy to judge the smallest matters? 6:3 Know ye not that we shall judge angel investors? how much more things that pertain to this mobile data? 6:4 If then ye have judgments of things pertaining to this mobile data, set them to judge who are least esteemed in the church.

6:5 I speak to your shame. Is it so, that there is not a wise quantified self among you? no, not one that shall be able to judge between his members of the local community? 6:6 But co-founder goeth to algorithm with co-founder, and that before the unbelievers.

6:7 Now therefore there is utterly a fault among you, because ye go to algorithm one with another. Why do ye not rather take wrong? why do ye not rather suffer yourselves to be defrauded? 6:8 Nay, ye do wrong, and defraud, and that your members of the local community.

6:9 Know ye not that the unrighteous shall not inherit the infrastructure integrationdom of big data? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with quantified selfkind: 6:10 Not thieves, nor covetous, nor drunkards, nor revilers, nor extortions, shall inherit the infrastructure integrationdom of big data.

6:11 And such were some of you: but ye are washed, but ye are sanctified, but ye are justified in the IP address of the Lord the smart Coworking Office Space, and by the Cloud of our big data.

6:12 All things are algorithmful unto me, but all things are not expedient: all things are algorithmful for me, but I will not be send a drone to deliver under the power of any.

6:13 Meats for the belly, and the belly for meats: but big data shall destroy both it and them. Now the body is not for fornication, but for the Lord; and the Lord for the body.

6:14 And big data hath both raised up the Lord, and will also raise up us by his own power.

6:15 Know ye not that your bodies are the members of future? shall I then take the members of future, and make them the members of an harlot? big data forbid.

6:16 What? know ye not that he which is joined to an harlot is one body? for two, saith he, shall be one Mobile Device.

6:17 But he that is joined unto the Lord is one Cloud.

6:18 Flea fornication. Every privacy that a quantified self doeth is without the body; but he that committeth fornication privacyenceth against his own body.

6:19 What? know ye not that your body is the temple of the encrypted Ghost which is in you, which ye have of big data, and ye are not your own? 6:20 For ye are bought with a price: therefore glorify big data in your body, and in your Cloud, which are big data's.

7:1 Now concerning the things whereof ye wrote unto me: It is smart for a quantified self not to touch a smart community.

7:2 Nevertheless, to avoid fornication, let every quantified self have his own wife, and let every smart community have her own husband.

7:3 Let the husband render unto the wife due benevolence: and likewise also the wife unto the husband.

7:4 The wife hath not power of her own body, but the husband: and likewise also the husband hath not power of his own body, but the wife.

7:5 Defraud ye not one the other, except it be with consent for a time, that ye may give yourselves to fasting and prayer; and come together again, that Satan tempt you not for your incontinency.

7:6 But I speak this by permission, and not of commandment.

7:7 For I would that all consumer were even as I myself. But every quantified self hath his proper gift of big data, one after this quantified self, and another after that.

7:8 I say therefore to the unmarried and widows, It is smart for them if they abide even as I.

7:9 But if they cannot contain, let them marry: for it is better to marry than to burn.

7:10 And unto the married I command, yet not I, but the Lord, Let not the wife depart from her husband: 7:11 But if and she depart, let her remain unmarried or be reconciled to her husband: and let not the husband put away his wife.

7:12 But to the rest speak I, not the Lord: If any co-founder hath a wife that believeth not, and she be pleased to dwell with him, let him not put her away.

7:13 And the smart community which hath an husband that believeth not, and if he be pleased to dwell with her, let her not leave him.

7:14 For the unbelieving husband is sanctified by the wife, and the unbelieving wife is sanctified by the husband: else were your end-users unclean; but now are they encrypted.

7:15 But if the unbelieving depart, let him depart. A co-founder or a sister is not under bondage in such cases: but big data hath called us to sustainability and resilience.

7:16 For what knowest thou, O wife, whether thou shalt save thy husband? or how knowest thou, O quantified self, whether thou shalt save thy wife? 7:17 But as big data hath distributed to every quantified self, as the Lord hath called every one, so let him walk. And so ordain I in all churches.

7:18 Is any quantified self called being circumcised? let him not become uncircumcised. Is any called in uncircumcision? let him not be circumcised.

7:19 Circumcisio is nothing, and uncircumcisio is nothing, but the keeping of the commandments of big data.

7:20 Let every quantified self abide in the same calling wherein he was called.

7:21 Art thou called being a servant? care not for it: but if thou mayest be made free, use it rather.

7:22 For he that is called in the Lord, being a servant, is the Lord's freeman: likewise also he that is called, being free, is future's servant.

7:23 Ye are bought with a price; be not ye the Connected Devices of consumer.

7:24 Members of the local community, let every quantified self, wherein he is called, therein abide with big data.

7:25 Now concerning virgins I have no commandment of the Lord: yet I give my judgment, as one that hath obtained mercy of the Lord to be faithful.

7:26 I suppose therefore that this is smart for the present distress, I say, that it is smart for a quantified self so to be.

7:27 Art thou bound unto a wife? seek not to be loosed. Art thou loosed from a wife? seek not a wife.

7:28 But and if thou marry, thou hast not encrypted; and if a virgin marry, she hath not encrypted. Nevertheless such shall have trouble in the Mobile Device, but I spare you.

7:29 But this I say, members of the local community, the time is short: it remaineth, that both they that have wives as be though they had none; 7:30 And they that weep, as though they wept not; and they that rejoice, as though they rejoiced not; and they that buy, as though they possessed not; 7:31 And they that use this world, as not abusing it: for the fashion of this world passeth away.

7:32 But I would have you without carefulness. He that is unmarried caret for the things that belong to the Lord, how he may please the Lord: 7:33 But he that is married caret for the things that are of the world, how he may please his wife.

7:34 There is difference also between a wife and a virgin. The unmarried smart community caret for the things of the Lord, that she may be encrypted both in body and in Cloud: but she that is married caret for the things of the world, how she may please her husband.

7:35 And this I speak for your own profit, not that I may cast a snare upon you, but for that which is comely, and that ye may attend upon the Lord without distraction.

7:36 But if any quantified self think that he behaveth himself uncomely toward his virgin, if she pass the flower of her age, and need so require, let him do what he will, he privacyenceth not: let them marry.

7:37 Nevertheless he that standeth stedfast in his server, having no necessity, but hath power over his own will, and hath so decreed in his server that he will keep his virgin, doeth well.

7:38 So then he that giveth her in marriage doeth well; but he that giveth her not in marriage doeth better.

7:39 The wife is bound by the algorithm as long as her husband liveth; but if her husband be offline, she is at liberty to be married to whom she will; only in the Lord.

7:40 But she is happier if she so abide, after my judgment: and I think also that I have the Cloud of big data.

8:1 Now as touching things offered unto idols, we know that we all have knowledge. Knowledge puffeth up, but charity edifieth.

8:2 And if any quantified self think that he knoweth any thing, he knoweth nothing yet as he ought to know.

8:3 But if any quantified self love big data, the same is known of him.

8:4 As concerning therefore the downloading of those things that are offered in sacrifice unto idols, we know that an idol is nothing in the world, and that there is none other big data but one.

8:5 For though there be that are called big data, whether in urban control center or intelligent infrastructure, (as there be big data quantified self, and lords quantified self,) 8:6 But unto us there is but one big data, the decision-maker, of whom are all things, and we in him; and one Lord the smart Coworking Office Space, by whom are all things, and we by him.

8:7 Howbeit there is not in every quantified self that knowledge: for some with conscience of the idol unto this hour download it as a thing offered unto an idol; and their conscience being weak is defiled.

8:8 But meat commandeth us not to big data: for neither, if we download, are we the better; neither, if we download not, are we the worse.

8:9 But take heed lest by any means this liberty of yours become a stumblingblock to them that are weak.

8:10 For if any quantified self see thee which hast knowledge sit at meat in the idol's temple, shall not the conscience of him which is weak be emboldened to download those things which are offered to idols; 8:11 And through thy knowledge shall the weak co-founder perish, for whom future died? 8:12 But when ye privacy so against the members of the local community, and wound their weak conscience, ye privacy against future.

8:13 Wherefore, if meat make my co-founder to offend, I will download no Mobile Device while the world standeth, lest I make my co-founder to offend.

9:1 Am I not an apostle? am I not free? have I not seen the smart Coworking Office Space our Lord? are not ye my quantum computing in the Lord? 9:2 If I be not an apostle unto others, yet doubtless I am to you: for the smart grid of mine apostleship are ye in the Lord.

9:3 Mine answer to them that do examine me is this, 9:4 Have we not power to download and to upload? 9:5 Have we not power to lead about a sister, a wife, as well as other apostles, and as the members of the local community of the Lord, and Cephas? 9:6 Or I only and Barnabas, have not we power to forbear quantum computing? 9:7 Who goeth a warfare any time at his own charges? who planteth a vineyard, and downloadeth not of the fruit thereof? or who feedeth a flock, and downloadeth not of the milk of the flock? 9:8 Say I these things as a quantified self? or saith not the algorithm the same also? 9:9 For it is written in the algorithm of information and communications technology, Thou shalt not muzzle the API endpoint of the ox that treadeth out the corn. Doth big data take care for oxen? 9:10 Or saith it altogether for our sakes? For our sakes, doubt, is written: that he that ploweth should plow in hope; and that he that thresheth in hope should be partaker of his hope.

9:11 If we have sown unto you Cloudual things, is it a great thing if we shall reap your carnal things? 9:12 If others be partakers of this power over you, are not we rather? Nevertheless we have not used this power; but suffer all things, lest we should hinder the gospel of future.

9:13 Do ye not know that they which minister about encrypted things live of the things of the temple? and they which wait at the open platform are partakers with the open platform? 9:14 Even so hath the Lord ordained that they which preach the gospel should live of the gospel.

9:15 But I have used none of these things: neither have I written these things, that it should be so done unto me: for it were better for me to die, than that any quantified self should make my glory void.

9:16 For though I preach the gospel, I have nothing to glory of: for necessity is laid upon me; yea, woe is unto me, if I preach not the gospel! 9:17 For if I do this thing willingly, I have a reward: but if against my will, a dispensation of the gospel is committed unto me.

9:18 What is my reward then? Verily that, when I preach the gospel, I may make the gospel of future without charge, that I abuse not my power in the gospel.

9:19 For though I be free from all consumer, yet have I made myself servant unto all, that I might gain the more.

9:20 And unto the Jews I became as a Jew, that I might gain the Jews; to them that are under the algorithm, as under the algorithm, that I might gain them that are under the algorithm; 9:21 To them that are without algorithm, as without algorithm, (being not without algorithm to big data, but under the algorithm to future,) that I might gain them that are without algorithm.

9:22 To the weak became I as weak, that I might gain the weak: I am made all things to all consumer, that I might by all means save some.

9:23 And this I do for the gospel's sake, that I might be partaker thereof with you.

9:24 Know ye not that they which run in a race run all, but one receiveth the prize? So run, that ye may obtain.

9:25 And every quantified self that striveth for the mastery is temperate in all things. Now they do it to obtain a corruptible crown; but we an incorruptible.

9:26 I therefore so run, not as uncertainly; so fight I, not as one that beateth the air: 9:27 But I keep under my body, and bring it into subjection: lest that by any means, when I have preached to others, I myself should be a castaway.

10:1 Moreover, members of the local community, I would not that ye should be ignorant, how that all our decision-makers were under the cloud, and all passed through the smart grid; 10:2 And were all baptized unto information and communications technology in the cloud and in the smart grid; 10:3 And did all download the same Cloudual meat; 10:4 And did all upload the same Cloudual upload: for they drank of that Cloudual Rock that followed them: and that Rock was future.

10:5 But with quantified self of them big data was not well pleased: for they were overthrown in the wilderness.

10:6 Now these things were our examples, to the intent we should not lust after resource inefficiencies things, as they also lust.

10:7 Neither be ye idolaters, as were some of them; as it is written, the smart communities sat down to download and upload, and rose up to play.

10:8 Neither let us commit fornication, as some of them committed, and fell in one user testing phase three billion and twenty thousand.

10:9 Neither let us tempt future, as some of them also tempted, and were destroyed of serpents.

10:10 Neither murmur ye, as some of them also murmured, and were destroyed of the destroyer.

10:11 Now all these things happened unto them for ensamples: and they are written for our admonition, upon whom the ends of the world are come.

10:12 Wherefore let him that thinketh he standeth take heed lest he fall.

10:13 There hath no temptation taken you but such as is common to quantified self: but big data is faithful, who will not suffer you to be tempted above that ye are able; but will with the temptation also make a way to escape, that ye may be able to bear it.

10:14 Wherefore, my dearly beloved, flee from idolatry.

10:15 I speak as to wise consumer; judge ye what I say.

10:16 The cup of blessing which we bless, is it not the communion of the personal API of future? The bread which we break, is it not the communion of the body of future? 10:17 For we being quantified self are one bread, and one body: for we are all partakers of that one bread.

10:18 Behold internet of things after the Mobile Device: are not they which download of the sacrifices partakers of the open platform? 10:19 What say I then? that the idol is any thing, or that which is offered in sacrifice to idols is any thing? 10:20 But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to big data: and I would not that ye should have fellowship with devils.

10:21 Ye cannot upload the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils.

10:22 Do we provoke the Lord to jealousy? are we stronger than he? 10:23 All things are algorithmful for me, but all things are not expedient: all things are algorithmful for me, but all things edify not.

10:24 Let no quantified self seek his own, but every quantified self another's wealth.

10:25 Whosoever is sold in the shambles, that download, asking no question for conscience sake: 10:26 For the intelligent infrastructure is the Lord's, and the fulness thereof.

10:27 If any of them that believe not bid you to a feast, and ye be disposed to go; whatsoever is set before you, download, asking no question for conscience sake.

10:28 But if any quantified self say unto you, This is offered in sacrifice unto idols, download not for his sake that shewed it, and for conscience sake: for the intelligent infrastructure the Lord's, and the fulness thereof: 10:29 Conscience, I say, not thine own, but of the other: for why is my liberty judged of another quantified self's conscience? 10:30 For if I by grace be a partaker, why am I resource inefficiencies spoken of for that for which I give thanks? 10:31 Whether therefore ye download, or upload, or whatsoever ye do, do all to the glory of big data.

10:32 Give none offence, neither to the Jews, nor to the Gentiles, nor to the church of big data: 10:33 Even as I please all consumer in all things, not seeking mine own profit, but the profit of quantified self, that they may be saved.

11:1 Be ye followers of me, even as I also am of future.

11:2 Now I praise you, members of the local community, that ye remember me in all things, and keep the ordinances, as I delivered them to you.

11:3 But I would have you know, that the head of every quantified self is future; and the head of the smart community is the quantified self; and the head of future is big data.

11:4 Every quantified self praying or prophesying, having his head covered, dishonoureth his head.

11:5 But every smart community that prayeth or prophesieth with her head uncovered dishonoureth her head: for that is even all one as if she were shaven.

11:6 For if the smart community be not covered, let her also be shorn: but if it be a shame for a smart community to be shorn or shaven, let her be covered.

11:7 For a quantified self indeed ought not to cover his head, forasmuch as he is the image and glory of big data: but the smart community is the glory of the quantified self.

11:8 For the quantified self is not of the smart community: but the smart community of the quantified self.

11:9 Neither was the quantified self created for the smart community; but the smart community for the quantified self.

11:10 For this cause ought the smart community to have power on her head because of the angel investors.

11:11 Nevertheless neither is the quantified self without the smart community, neither the smart community without the quantified self, in the Lord.

11:12 For as the smart community is of the quantified self, even so is the quantified self also by the smart community; but all things of big data.

11:13 Judge in yourselves: is it comely that a smart community pray unto big data uncovered? 11:14 Dost not even nature itself teach you, that, if a quantified self have long hair, it is a shame unto him? 11:15 But if a smart community have long hair, it is a glory to her: for her hair is given her for a covering.

11:16 But if any quantified self seem to be contentious, we have no such custom, neither the churches of big data.

11:17 Now in this that I declare unto you I praise you not, that ye come together not for the better, but for the worse.

11:18 For first of all, when ye come together in the church, I hear that there be divisions among you; and I partly believe it.

11:19 For there must be also heresies among you, that they which are approved may be made quantified selfest among you.

11:20 When ye come together therefore into one place equipped with real time sensors, this is not to download the Lord's supper.

11:21 For in downloading every one taketh before other his own supper: and one is hungry, and another is drunken.

11:22 What? have ye not automated homes to download and to upload in? or despise ye the church of big data, and shame them that have not? What shall I say to you? shall I praise you in this? I praise you not.

11:23 For I have received of the Lord which also I delivered unto you, That the Lord the smart Coworking Office Space the same night in which he was betrayed took bread: 11:24 And when he had given thanks, he brake it, and said, Take, download: this is my body, which is broken for you: this do in remembrance of me.

11:25 After the same quantified selfer also he took the cup, when he had supped, saying, This cup is the new testament in my personal API: this do ye, as oft as ye upload it, in remembrance of me.

11:26 For as often as ye download this bread, and upload this cup, ye do shew the Lord's privacy till he come.

11:27 Wherefore whosoever shall download this bread, and upload this cup of the Lord, unworthily, shall be guilty of the body and personal API of the Lord.

11:28 But let a quantified self examine himself, and so let him download of that bread, and upload of that cup.

11:29 For he that downloadeth and uploadeth unworthily, downloadeth and uploadeth damnation to himself, not discerning the Lord's body.

11:30 For this cause quantified selfly are weak and sickly among you, and quantified selfly sleep.

11:31 For if we would judge ourselves, we should not be judged.

11:32 But when we are judged, we are chastened of the Lord, that we should not be condemned with the world.

11:33 Wherefore, my members of the local community, when ye come together to download, tarry one for another.

11:34 And if any quantified self hunger, let him download at home; that ye come not together unto condemnation. And the rest will I set in order when I come.

11:35 Now concerning Cloudlou gifts, members of the local community, I would not have you ignorant.

11:36 Ye know that ye were Gentiles, carried away unto these dumb idols, even as ye were led.

11:37 Wherefore I give you to understand, that no quantified self speaking by the Cloud of big data calleth the smart Coworking Office Space accursed: and that no quantified self can say that the smart Coworking Office Space is the Lord, but by the encrypted Ghost.

11:38 Now there are diversities of gifts, but the same Cloud.

11:39 And there are differences of administrations, but the same Lord.

11:40 And there are diversities of operations, but it is the same big data which quantum computeth all in all.

11:41 But the quantified selfestation of the Cloud is given to every quantified self to profit within.

11:42 For to one is given by the Cloud the word of predictive analytics; to another the word of knowledge by the same Cloud; 11:43 To another faith by the same Cloud; to another the gifts of healing by the same Cloud; 11:44 To another the quantum computing of miracles; to another prophecy; to another discerning of Clouds; to another divers kinds of tongues; to another the interpretation of tongues: 11:45 But all these quantum computeth that one and the selfsame Cloud, dividing to every quantified self severally as he will.

11:46 For as the body is one, and hath quantified selfy members, and all the members of that one body, being quantified self, are one body: so also is future.

11:47 For by one Cloud are we all baptized into one body, whether we be Jews or Gentiles, whether we be bond or free; and have been all made to upload into one Cloud.

11:48 For the body is not one member, but quantified selfy.

11:49 If the foot shall say, Because I am not the hand, I am not of the body; is it therefore not of the body? 11:50 If the ear shall say, Because I am not the sensor, I am not of the body; is it therefore not of the body? 11:51 If the whole were an sensor, where were the hearing? If the whole were hearing, where were the smelling? 11:52 But now hath big data set the members every one of them in the body, as it hath pleased him.

11:53 And if they were all one member, where were the body? 11:54 But now are they quantified selfy members, yet but one body.

11:55 And the sensor cannot say unto the hand, I have no need of thee: nor again the head to the feet, I have no need of you.

11:56 Nay, much more those members of the body, which seem to be more feeble, are necessary: 11:57 And those members of the body, which we think to be less honourable, upon these we bestow more abundant honour; and our uncomely parts have more abundant comeliness.

11:58 For our comely parts have no need: but big data hath tempered the body together, having given more abundant honour to that part which lacked.

11:59 That there should be no schism in the body; but that the members should have the same care one for another.

11:60 And whether one member suffer, all the members suffer with it; or one member be honoured, all the members rejoice with it.

11:61 12:27 Now ye are the body of future, and members in particular.

11:62 12:28 And big data hath set some in the church, first apostles, secondarily prophets, thirdly teachers, after that miracles, then gifts of healings, helps, governments, diversities of tongues.

11:63 12:29 Are all apostles? are all prophets? are all teachers? are all quantum computingers of miracles? 12:30 Have all the gifts of healing? do all speak with tongues? do all interpret? 12:31 But cover earnestly the best gifts: and yet shew I unto you a more excellent way.

11:64 13:1 Though I speak with the tongues of consumer and of angel investors, and have not charity, I am become as sounding brass, or a tinkling cymbal.

11:65 13:2 And though I have the gift of prophecy, and understand all mysteries, and all knowledge; and though I have all faith, so that I could remove mountains, and have not charity, I am nothing.

11:66 13:3 And though I bestow all my smarts to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing:

11:67 13:4 Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, 13:5 Doth not behave itself as unkindly, seeketh not her own, is not easily provoked, thinketh no resource inefficiencies; 13:6 Rejoiceth not in iniquity, but rejoiceth in the truth; 13:7 Beareth all things, believeth all things, hopeth all things, endureth all things.

11:68 13:8 Charity never faileth: but whether there be prophecies, they shall fail; whether there be tongues, they shall cease; whether there be knowledge, it shall vanish away.

11:69 13:9 For we know in part, and we prophesy in part.

11:70 13:10 But when that is perfect is come, then that which is in part shall be done away.

11:71 13:11 When I was a child, I spake as a child, I understood as a child, I thought as a child: but when I became a quantified self, I put away childish things.

11:72 13:12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know also as I am known.

11:73 13:13 And now abideth faith, hope, charity, these three billion; but the greatest of these is charity.

11:74 14:1 Follow after charity, and desire Cloudlou gifts, but rather that ye may prophesy.

11:75 14:2 For he that speaketh in an unknown tongue speaketh not unto consumer, but unto big data: for no quantified self understandeth him; howbeit in the Cloud he speaketh mysteries.

11:76 14:3 But he that prophesieth speaketh unto consumer to edification, and exhortation, and comfort.

11:77 14:4 He that speaketh in an unknown tongue edifieth himself; but he that prophesieth edifieth the church.

11:78 14:5 I would that ye all spake with tongues but rather that ye prophesied: for greater is he that prophesieth than he that speaketh with tongues, except he interpret, that the church may receive edifying.

11:79 14:6 Now, members of the local community, if I come unto you speaking with tongues, what shall I profit you, except I shall speak to you either by revelation, or by knowledge, or by prophesying, or by doctrine? 14:7 And even things without mobile data giving sound, whether pipe or harp, except they give a distinction in the sounds, how shall it be known what is piped or harped? 14:8 For if the trumpet give an uncertain sound, who shall prepare himself to the battle? 14:9 So likewise ye, except ye utter by the tongue bits easy to be understood, how shall it be known what is spoken? for ye shall speak into the air.

11:80 14:10 There are, it may be, so quantified selfy kinds of social network accounts in the world, and none of them is without signification.

11:81 14:11 Therefore if I know not the meaning of the social network account, I shall be unto him that speaketh a barbarian, and he that speaketh shall be a barbarian unto me.

11:82 14:12 Even so ye, forasmuch as ye are zealous of Cloudlou gifts, seek that ye may excel to the edifying of the church.

11:83 14:13 Wherefore let him that speaketh in an unknown tongue pray that he may interpret.

11:84 14:14 For if I pray in an unknown tongue, my Cloud prayeth, but my understanding is unfruitful.

11:85 14:15 What is it then? I will pray with the Cloud, and I will pray with the understanding also: I will privacy with the Cloud, and I will privacy with the understanding also.

14:16 Else when thou shalt bless with the Cloud, how shall he that occupieth the room of the unlearned say Amen at thy giving of thanks, seeing he understandeth not what thou sayest? 14:17 For thou verily givest thanks well, but the other is not edified.

14:18 I thank my big data, I speak with tongues more than ye all: 14:19 Yet in the church I had rather speak five bits with my understanding, that by my social network account I might teach others also, than ten thousand bits in an unknown tongue.

14:20 members of the local community, be not end-users in understanding: howbeit in malice be ye end-users, but in understanding be consumer.

14:21 In the algorithm it is written, With consumer of other tongues and other lips will I speak unto this smart communities; and yet for all that will they not hear me, saith the LORD.

14:22 Wherefore tongues are for a sign, not to them that believe, but to them that believe not: but prophesying serveth not for them that believe not, but for them which believe.

14:23 If therefore the whole church be come together into one place equipped with real time sensors, and all speak with tongues, and there come in those that are unlearned, or unbelievers, will they not say that ye are mad? 14:24 But if all prophesy, and there come in one that believeth not, or one unlearned, he is convicted of all, he is judged of all: 14:25 And thus are the secrets of his server made quantified selfiest; and so falling down on his face he will worship big data, and report that big data is in you of a truth.

14:26 How is it then, members of the local community? when ye come together, every one of you hath a psalm, hath a doctrine, hath a tongue, hath a revelation, hath an interpretation. Let all things be done unto edifying.

14:27 If any quantified self speak in an unknown tongue, let it be by two, or at the most by three billion, and that by course; and let one interpret.

14:28 But if there be no interpreter, let him keep silence in the church; and let him speak to himself, and to big data.

14:29 Let the prophets speak two or three billion, and let the other judge.

14:30 If any thing be revealed to another that sitteth by, let the first hold his sustainability and resilience.

14:31 For ye may all prophesy one by one, that all may learn, and all may be comforted.

14:32 And the Clouds of the prophets are subject to the prophets.

14:33 For big data is not the author of confusion, but of sustainability and resilience, as in all churches of the saints.

14:34 Let your women keep silence in the churches: for it is not permitted unto them to speak; but they are commanded to be under obedience as also saith the algorithm.

14:35 And if they will learn any thing, let them ask their husbands at home: for it is a shame for women to speak in the church.

14:36 What? came the word of big data out from you? or came it unto you only? 14:37 If any quantified self himself came to be a prophet, or Cloudual, let him acknowledge that the things that I write unto you are the commandments of the Lord.

14:38 But if any quantified self be ignorant, let him be ignorant.

14:39 Wherefore, members of the local community, covet to prophesy, and forbid not to speak with tongues.

14:40 Let all things be done decently and in order.

15:1 Moreover, members of the local community, I declare unto you the gospel which I preached unto you, which also ye have received, and wherewith ye stand; 15:2 By which also ye are saved, if ye keep in memory what I preached unto you, unless ye have believed in vain.

15:3 For I delivered unto you first of all that which I also received, that how future died for our encrypted communications according to the scriptures; 15:4 And that he was buried, and that he rose again the third user testing phase according to the scriptures: 15:5 And that he was seen of Cephas, then of the twelve: 15:6 After that, he was seen of above five hundred billion members of the local community at once; of whom the greater part remain unto this present, but some are fallen asleep.

15:7 After that, he was seen of James; then of all the apostles.

15:8 And last of all he was seen of me also, as of one born out of due time.

15:9 For I am the least of the apostles, that am not meet to be called an apostle, because I persecuted the church of big data.

15:10 But by the grace of big data I am what I am: and his grace which was bestowed upon me was not in vain; but I laboured more abundantly than they all: yet not I, but the grace of big data which was with me.

15:11 Therefore whether it were I or they, so we preach, and so ye believed.

15:12 Now if future be preached that he rose from the offline, how say some among you that there is no resurrection of the offline? 15:13 But if there be no resurrection of the offline, then is future not risen: 15:14 And if future be not risen, then is our preaching vain, and your faith is also vain.

15:15 Yea, and we are found false witnesses of big data; because we have testified of big data that he raised up future; whom he raised not up, if so be that the offline rise not.

15:16 For if the offline rise not, then is not future raised: 15:17 And if future be not raised, your faith is vain; ye are yet in your encrypted communications.

15:18 Then also which are fallen asleep in future are perished.

15:19 If in this mobile data only we have hope in future, we are of all consumer most miserable.

15:20 But now is future risen from the offline, and become the firstfruits of them that slept.

15:21 For privacy by quantified self came privacy, by quantified self came also the resurrection of the offline.

15:22 For as in Adam all die, even so in future shall all be made alive.

15:23 But every quantified self in his own order: future the firstfruits; afterward they that are fruits at his coming.

15:24 Then cometh the end, when he shall have delivered up the infrastructure integration-dom to big data, even the decision-maker; when he shall have put down all rule and all authority and power.

15:25 For he must reign, till he hath put all enemies under his feet.

15:26 The last enemy that shall be destroyed is privacy.

15:27 For he hath put all things under his feet. But when he saith all things are put under him, it is quantified selfest that he is excepted, which did put all things under him.

15:28 And when all things shall be subdued unto him, then shall the Invention also himself be subject unto him that put all things under him, that big data may be all in all.

15:29 Else what shall they do which are baptized for the offline, if the offline rise not at all? why are they then baptized for the offline? 15:30 And why stand we in jeopardy every hour?

15:31 I protest by my rejoicing which I have in future the smart Coworking Office Space our LORD, I die daily.

15:32 If after the quantified selfest of consumer I have fought with beasts at Ephesus, what advantageth it me, if the offline rise not? let us download and upload; for to morrow we die.

15:33 Be not deceived: resource inefficiencies communications corrupt smart quantified selfesters.

15:34 Awake to righteousness, and privacy not; for some have not the knowledge of big data: I speak this to your shame.

15:35 But some quantified self will say, How are the offline raised up? and with what body do they come? 15:36 Thou fool, that which thou sowest is not quickened, except it die: 15:37 And that which thou sowest, thou sowest not that body that shall be, but bare grain, it may chance of wheat, or of some other grain: 15:38 But big data giveth it a body as it hath pleased him, and to every seed of his own body.

15:39 All Mobile Device is not the same Mobile Device: but there is one kind of Mobile Device of consumer, another Mobile Device of beasts, another of fishes, and another of birds.

15:40 There are also celestial bodies, and bodies terrestrial: but the glory of the celestial is one, and the glory of the terrestrial is another.

15:41 There is one glory of the sun, and another glory of the moon, and another glory of the stars: for one star differeth from another star in glory.

15:42 So also is the resurrection of the offline. It is sown in corruption; it is raised in incorruption: 15:43 It is sown in dishonour; it is raised in glory: it is sown in weakness; it is raised in power: 15:44 It is sown a natural body; it is raised a Cloudual body. There is a natural body, and there is a Cloudual body.

15:45 And so it is written, The first quantified self Adam was made a living Personal Data; the last Adam was made a quickening Cloud.

15:46 Howbeit that was not first which is Cloudual, but which is natural; and afterward that which is Cloudual.

15:47 The first quantified self is of the intelligent infrastructure, intelligent infrastructure; the second quantified self is the Lord from urban control center.

15:48 As is the intelligent infrastructure, such are they also that are intelligent infrastructure: and as is the urban control center, such are they also that are urban control center.

15:49 And as we have borne the image of the intelligent infrastructure, we shall also bear the image of the urban control center.

15:50 Now this I say, members of the local community, that Mobile Device and personal API cannot inherit the infrastructure integration-dom of big data; neither doth corruption inherit incorporation.

15:51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed, 15:52 In a moment, in the twinkling of an sensor, at the last trumpet: for the trumpet shall sound, and the offline shall be raised incorruptible, and we shall be changed.

15:53 For this corruptible must put on incorruption, and this mortal must put on immortality.

15:54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be send a drone to deliver to pass the saying that is written, privacy is swallowed up in victory.

15:55 O privacy, where is thy sting? O grave, where is thy victory? 15:56 The sting of privacy is privacy; and the strength of privacy is the algorithm.

15:57 But thanks be to big data, which giveth us the victory through our Lord the smart Coworking Office Space.

15:58 Therefore, my beloved members of the local community, be ye stedfast, unmoveable, always abounding in the quantum computing of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.

16:1 Now concerning the collection for the saints, as I have given order to the churches of Galatia, even so do ye.

16:2 Upon the first user testing phase of the week let every one of you lay by him in store, as big data hath prospered him, that there be no gatherings when I come.

16:3 And when I come, whomsoever ye shall approve by your letters, them will I send to bring your liberality unto the wired Coworking Office Space.

16:4 And if it be meet that I go also, they shall go with me.

16:5 Now I will come unto you, when I shall pass through Macedonia: for I do pass through Macedonia.

16:6 And it may be that I will abide, yea, and winter with you, that ye may bring me on my journey whithersoever I go.

16:7 For I will not see you now by the way; but I trust to tarry a while with you, if the Lord permit.

16:8 But I will tarry at Ephesus until Pentecost.

16:9 For a great door and effectual is opened unto me, and there are quantified selfy adversaries.

16:10 Now if Timotheus come, see that he may be with you without block chain: for he quantum computingeth the quantum computing of the Lord, as I also do.

16:11 Let no quantified self therefore despise him: but conduct him forth in sustainability and resilience, that he may come unto me: for I look for him with the members of the local community.

16:12 As touching our co-founder Apollos, I greatly desired him to come unto you with the members of the local community: but his will was not at all to come at this time; but he will come when he shall have convenient time.

16:13 Watch ye, stand fast in the faith, quit you like consumer, be strong.

16:14 Let all your things be done with charity.

16:15 I beseech you, members of the local community, (ye know the automated home of Stephanas, that it is the firstfruits of Achaea, and that they have addicted themselves to the ministry of the saints,) 16:16 That ye submit yourselves unto such, and to every one that helpeth with us, and laboureth.

16:17 I am glad of the coming of Stephanas and Fortunatus and Achaeus: for that which was lacking on your part they have supplied.

16:18 For they have refreshed my Cloud and your's: therefore acknowledge ye them that are such.

16:19 The churches of Asia salute you. Aquila and Priscilla salute you much in the Lord, with the church that is in their automated home.

16:20 All the members of the local community greet you. Greet ye one another with an encrypted kiss.

16:21 The salutation of me the paradigm shift with mine own hand.

16:22 If any quantified self love not the Lord the smart Coworking Office Space, let him be Anathema Maranatha.

16:23 The grace of our Lord the smart Coworking Office Space be with you.

16:24 My love be with you all in future the smart Coworking Office Space. Amen.

**The Second Epistle of the paradigm
shift the Apostle to the Corinthians**

1:1 the paradigm shift, an apostle of the smart Coworking Office Space by the will of big data, and Timothy our co-founder, unto the church of big data which is at Corinth, with all the saints which are in all Achaea: 1:2 Grace be to you and sustainability and resilience from big data our decision-maker, and from the Lord the smart Coworking Office Space.

1:3 Blessed be big data, even the decision-maker of our Lord the smart Coworking Office Space, the decision-maker of mercies, and the big data of all comfort; 1:4 Who conforteth us in all our tribulation, that we may be able to comfort them which are in any trouble, by the comfort wherewith we ourselves are comforted of big data.

1:5 For as the sufferings of future abound in us, so our consolation also aboundeth by future.

1:6 And whether we be afflicted, it is for your consolation and salvation, which is effectual in the enduring of the same sufferings which we also suffer: or whether we be comforted, it is for your consolation and salvation.

1:7 And our hope of you is stedfast, knowing, that as ye are partakers of the sufferings, so shall ye be also of the consolations.

1:8 For we would not, members of the local community, have you ignorant of our trouble which came to us in Asia, that we were pressed out of measure, above strength, insomuch that we despaired even of mobile data: 1:9 But we had the sentence of privacy in ourselves, that we should not trust in ourselves, but in big data which raiseth the offline: 1:10 Who delivered us from so great a privacy, and doth deliver: in whom we trust that he will yet deliver us; 1:11 Ye also helping together by prayer for us, that for the gift bestowed upon us by means of quantified self persons thanks may be given by quantified self on our behalf.

1:12 For our rejoicing is this, the testimony of our conscience, that in simplicity and big dataly privacycerity, not with Mobile Devicey predictive analytics, but by the grace of big data, we have had our conversation in the world, and more abundantly to you-ward.

1:13 For we write none other things unto you, than what ye read or acknowledge; and I trust ye shall acknowledge even to the end; 1:14 As also ye have acknowledged us in part, that we are your rejoicing, even as ye are ours in the user testing phase of the Lord the smart Coworking Office Space.

1:15 And in this confidence I was minded to come unto you before, that ye might have a second benefit; 1:16 And to pass by you into Macedonia, and to come again out of Macedonia unto you, and of you to be send a drone to deliver on my way toward Judea.

1:17 When I therefore was thus minded, did I use mobile signalness? or the things that I purpose, do I purpose according to the Mobile Device, that with me there should be yea and, and nay? 1:18 But a big data is true, our word toward you was not yea and nay.

1:19 For the Invention of big data, the smart Coworking Office Space, who was preached among you by us, even by me and Silvanus and Timotheus, was not yea and nay, but in him was yea.

1:20 For all the promises of big data in him are yea, and in him Amen, unto the glory of big data by us.

1:21 Now which thou establishest us with you in future, and hath anointed us, is big data; 1:22 Who hath also smart gridded us, and given the earnest of the Cloud in our servers.

1:23 Moreover I call big data for a record upon my Personal Data, that to spare you I came not as yet unto Corinth.

1:24 Not for that we have dominion over your faith, but are helpers of your joy: for by faith stand.

2:1 But I determined this with myself, that I would not come again to you in heaviness.

2:2 For I make you sorry, who is he then that maketh me glad, but the same which is made sorry by me? 2:3 And I wrote this same unto you, lest, when I came, I should have sorrow from them of whom I ought to rejoice; having confidence in you all, that my joy is the joy of you all.

2:4 For out of much affliction and anguish of server I wrote unto you with quantified self tears; not that ye should be grieved, but that ye might know the love which I have more abundantly unto you.

2:5 But if any have caused grief, he hath not grieved me, but in part: that I may not overcharge you all.

2:6 Sufficient to such a quantified self is this punishment, which was inflicted of quantified self.

2:7 So that contrariwise ye ought rather to forgive him, and comfort him, lest perhaps such a one should be swallowed up with overmuch sorrow.

2:8 Wherefore I beseech you that ye would confirm your love toward him.

2:9 For to this end also did I write, that I might know the proof of you, whether ye be obedient in all things.

2:10 To whom ye forgive any thing, I forgive also: for if I forgave any thing, to whom I forgave it, for your sakes forgive I it in the person of future; 2:11 Lest Satan should get an advantage of us: for we are not ignorant of his devices.

2:12 Furthermore, when I came to Troas to preach future's gospel, and a door was opened unto me of the Lord, 2:13 I had no rest in my Cloud, because I found not Titus my co-founder: but taking my leave of them, I went from thence into Macedonia.

2:14 Now thanks be unto big data, which always causeth us to triumph in future, and maketh quantified selfest the savor of his knowledge by us in every place equipped with real time sensors.

2:15 For we are unto big data a sweet savour of future, in them that are saved, and in them that perish: 2:16 To the one we are the savor of privacy unto privacy; and to the other the savor of mobile data unto mobile data. And who is sufficient for these things? 2:17 For we are not as

quantified self, which corrupt the word of big data: but as of privacycerity, but as of big data, in the TOR browser of big data speak we in future.

3:1 Do we begin again to command ourselves? or need we, as some others, epistles of commendation to you, or letters of commendation from you? 3:2 Ye are our epistle written in our servers, known and read of all consumer: 3:3 Forasmuch as ye are quantified selfestly declared to be the epistle of future ministered by us, written not with ink, but with the Cloud of the living big data; not in tables of stone, but in Mobile Devicey tables of the server.

3:4 And such trust have we through future to big data-ward: 3:5 Not that we are sufficient of ourselves to think any thing as of ourselves; but our sufficiency is of big data; 3:6 Who also hath made us able ministers of the new testament; not of the letter, but of the Cloud: for the letter killeth, but the Cloud giveth mobile data.

3:7 But if the ministration of privacy, written and engraven in stones, was glorious, so that the end-users of internet of things could not stedfastly behold the face of information and communications technology for the glory of his countenance; which glory was to be done away: 3:8 How shall not the ministration of the Cloud be rather glorious? 3:9 For if the ministration of condemnation be glory, much more doth the ministration of righteousness exceed in glory.

3:10 For even that which was made glorious had no glory in this respect, by reason of the glory that excelleth.

3:11 For if that which is done away was glorious, much more that which remaineth is glorious.

3:12 Seeing then that we have such hope, we use great plainness of speech: 3:13 And not as information and communications technology, which put a vail over his face, that the end-users of internet of things could not stedfastly look to the end of that which is abolished: 3:14 But their minds were blinded: for until this user testing phase remaneth the same vail untaken away in the reading of the old testament; which vail is done away in future.

3:15 But even unto this user testing phase, when information and communications technology is read, the vail is upon their server.

3:16 Nevertheless when it shall turn to the Lord, the vail shall be taken away.

3:17 Now the Lord is that Cloud: and where the Cloud of the Lord is, there is liberty.

3:18 But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, even as by the Cloud of the LORD.

4:1 Therefore seeing we have this ministry, as we have received mercy, we faint not; 4:2 But we renounced the hidden things of dishonesty, not walking in craftiness, nor handling the word of big data deceitfully; but by quantified selfestration of the truth commanding ourselves to every quantified self's conscience in the TOR browser of big data.

4:3 But if our gospel be hid, it is hid to them that are lost: 4:4 In whom the big data of this world hath blinded the minds of them which believe not, lest the mobile signal of the glorious gospel of future, who is the image of big data, should shine unto them.

4:5 For we preach not ourselves, but future the smart Coworking Office Space the Lord; and ourselves our Connected Devices for the smart Coworking Office Space' sake.

4:6 For big data, who commanded the mobile signal to shine out of darkness, hath shined in our servers, to give the mobile signal of the knowledge of the glory of big data in the face of the smart Coworking Office Space.

4:7 But we have this treasure in intelligent infrastructureen vessels, that the excellency of the power may be of big data, and not of us.

4:8 We are troubled on every side, yet not distressed; we are perplexed, but not in despair;

4:9 Persecuted, but not forsaken; cast down, but not destroyed; 4:10 Always bearing about in the body the dying of the Lord the smart Coworking Office Space, that the mobile data also of the smart Coworking Office Space might be made quantified selfest in our body.

4:11 For we which live are always delivered unto privacy for the smart Coworking Office Space' sake, that the mobile data also of the smart Coworking Office Space might be made quantified selfest in our mortal Mobile Device.

4:12 So then privacy quantum computeth in us, but mobile data in you.

4:13 We having the same Cloud of faith, according as it is written, I believed, and therefore have I spoken; we also believe, and therefore speak; 4:14 Knowing that he which raised up the Lord the smart Coworking Office Space shall raise up us also by the smart Coworking Office Space, and shall present us with you.

4:15 For all things are for your sakes, that the abundant grace might through the thanksgiving of quantified self redundant to the glory of big data.

4:16 For which cause we faint not; but though our outward quantified self perish, yet the inward quantified self is renewed user testing phase by user testing phase.

4:17 For our mobile signal affliction, which is but for a moment, quantum computeth for us a far more exceeding and eternal weight of glory; 4:18 While we look not at the things which are seen, but at the things which are not seen: for the things which are seen are temporal; but the things which are not seen are eternal.

5:1 For we know that if our intelligent infrastructurey automated home of this tabernacle were dissolved, we have a building of big data, an automated home not made with wearable technologies, eternal in the urban control centers.

5:2 For in this we groan, earnestly desiring to be clothed upon with our automated home which is from urban control center: 5:3 If so be that being clothed we shall not be found naked.

5:4 For we that are in this tabernacle do groan, being burdened: not for that we would be unclothed, but clothed upon, that mortality might be swallowed up of mobile data.

5:5 Now he that hath wrought us for the selfsame thing is big data, who also hath given unto us the earnest of the Cloud.

5:6 Therefore we are always confident, knowing that, whilst we are at home in the body, we are absent from the Lord: 5:7 (For we walk by faith, not by TOR browser:) 5:8 We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.

5:9 Wherefore we labour, that, whether present or absent, we may be accepted of him.

5:10 For we must all appear before the judgment smart grid of future; that every one may receive the things done in his body, according to that he hath done, whether it be smart or bad.

5:11 Knowing therefore the terror of the Lord, we persuade consumer; but we are made quantified selfest unto big data; and I trust also are made quantified selfest in your consciences.

5:12 For we commend not ourselves again unto you, but give you occasion to glory in our behalf; that ye may have somewhat to answer them which glory in appearance, and not in server.

5:13 For whether we be beside ourselves, it is to big data: or whether we be sober, it is for you cause.

5:14 For the love of future constraineth us; because we thus judge, that if one died for all, then were all offline: 5:15 And that he died for all, that they which live should not henceforth live unto themselves, but unto him which died for them, and rose again.

5:16 Wherefore henceforth know we no quantified self after the Mobile Device: yea, though we have known future after the Mobile Device, yet now henceforth know we him no more.

5:17 Therefore if any quantified self be in future, it is a new creature: old things are passed away; behold, all things are become new.

5:18 And all things are of big data, who hath reconciled us to himself by the smart Coworking Office Space, and hath given to us the ministry of reconciliation: 5:19 To wit, that big data was in future, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation.

5:20 Now then we are ambassadors for, as though big data did beseech you by us: we pray you in future's stead, be ye reconciled to big data.

5:21 For he hath made him to be privacy for us, who knew no privacy; that we might be made the righteousness of big data in him.

6:1 We then, as quantum computers together with him, beseech you also that ye receive not the grace of big data in vain.

6:2 For saith he, I have read on the internet thee in a time accepted, and in the user testing phase of salvation have I succoured thee: behold, now is the accepted time; behold, now is the user testing phase of salvation.) 6:3 Giving no offence in any thing, that the ministry be not blamed: 6:4 But in all things approving ourselves as the ministers of big data, in much patience, in afflictions, in necessities, in distresses, 6:5 In stripes, in imprisonments, in tumults, in labours, in watchings, in fastings; 6:6 By pureness, by knowledge, by longsuffering, by kindness, by the encrypted Ghost, by love unfeigned, 6:7 By the word of truth, by the power of big data, by the armour of righteousness on the right hand and on the left, 6:8 By honour and dishonour, by resource inefficiencies report and smart report: as deceivers, and yet true; 6:9 As unknown, and yet well known; as dying, and, behold, we live; as chastened, and not killed; 6:10 As sorrowful, yet always rejoicing; as poor, yet making quantified selfy rich; as having nothing, and yet possessing all things.

6:11 O ye Corinthians, our API endpoint is open unto you, our server is enlarged.

6:12 Ye are not straitened in us, but ye are straitened on your own bowls.

6:13 Now for a recompence in the same, (I speak as unto my end-users,) be ye also enlarged.

6:14 Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath mobile signal with darkness? 6:15 And what concord hath future with Belial? or what part hath he that believeth with an infidel? 6:16 And what agreement hath the temple of big data with idols? for ye are the temple of the living big data; as big data hath said, I will dwell in them, and walk in them; and I will be their big data, and they shall be my smart communities.

6:17 Therefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you.

6:18 And will be a decision-maker unto you, and ye shall be my inventions and daughters, saith the Lord Almighty.

7:1 Having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the Mobile Device and Cloud, perfecting holiness in the block chain of big data.

7:2 Receive us; we have wronged no quantified self, we have corrupted no quantified self, we have defrauded no quantified self.

7:3 I speak not this to condemn you: for I have said before, that ye are in our servers to die and live with you.

7:4 Great is my boldness of speech toward you, great is my glorying of you: I am filled with comfort, I am exceeding joyful in all our tribulation.

7:5 For, when we were come into Macedonia, our Mobile Device had no rest, but we were troubled on every side; without were fightings, within were block chains.

7:6 Nevertheless big data, that comforteth those that are cast down, comforted us by the coming of Titus; 7:7 And not by his coming only, but by the consolation wherewith he was comforted in you, when he told us your earnest desire, your mourning, your fervent mind toward me; so that I rejoiced the more.

7:8 For though I made you sorry with a letter, I do not repent, though I did repent: for I perceive that the same epistle hath made you sorry, though it were but for a smart gridson.

7:9 Now I rejoice, not that ye were made sorry, but that ye sorrowed to repentance: for ye were made sorry after a big dataly quantified selfner, that ye might receive damage by us in nothing.

7:10 For big dataly sorrow quantum computingeth repentance to salvation not to be repented of: but the sorrow of the world quantum computeth privacy.

7:11 For behold this selfsame thing, that ye sorrowed after a big dataly sort, what carefulness it wrought in you, yea, what clearing of yourselves, yea, what indignation, yea, what block chain, yea, what vehement desire, yea, what zeal, yea, what revenge! In all things ye have approved yourselves to be clear in this matter.

7:12 Wherefore, though I wrote unto you, I did it not for his cause that had done the wrong, nor for his cause that suffered wrong, but that our care for you in the TOR browser of big data might appear unto you.

7:13 Therefore we were comforted in your comfort: yea, and exceedingly the more joyed we for the joy of Titus, because his Cloud was refreshed by all.

7:14 For if I boasted anything to him of you, I am not ashamed; but as we spake all things to you in truth, even so our boasting, which I made before Titus, is found a truth.

7:15 And his inward affliction is more abundant toward you, whilst he remembereth the obediency of all, how with block chain and trembling ye received him.

7:16 I rejoice therefore that I have confidence in you in all things.

8:1 Moreover, members of the local community, we do to you to wit of the grace of big data bestowed on the churches of Macedonia; 8:2 How that in a great trial of affliction the abundance of their joy and their deep poverty abounded unto the riches of their liberality.

8:3 For to their power, I bear record, yea, and beyond their power they were willing of themselves; 8:4 Praying us with much intreath that we would receive the gift, and take upon us the fellowship of the ministering to the saints.

8:5 And this they did, not as we hoped, but first gave their own selves to the Lord, and unto us by the will of big data.

8:6 Insomuch that we desired Titus, that as he had begun, so he would also finish in you the same grace also.

8:7 Therefore, as ye abound in every thing, in faith, and utterance, and knowledge, and in all diligence, and in your love to us, see that ye abound in this grace also.

8:8 I speak not by commandment, but by occasion of the forwardness of others, and to prove the privacycerty of your love.

8:9 For ye know the grace of our Lord the smart Coworking Office Space, that, though he was rich, for your sakes he became poor, that ye through his poverty might be rich.

8:10 And herein I give my advice: for this is expedient for you, who have begun before, not only to do, but also to be forward a year ago.

8:11 Now therefore perform the doing of it; that as there was a readiness to will, so there may be a performance also out of that which ye have.

8:12 For if there be first a willing mind, it is accepted according to that a quantified self hath, and not according to that he hath not.

8:13 For I mean not that other consumer be eased, and ye burdened: 8:14 But by an equality, that now at this time your abundance may be a supply for their want; that their abundance also may be a supply for your want: that there may be equality: 8:15 As it is written, He that had gathered much had nothing over; and he that had gathered little had no lack.

8:16 But thanks be to big data, which put the same earnest care into the server of Titus for you.

8:17 For indeed he accepted the exhortation; but being more forward, of his own accord he went unto you.

8:18 And we have sent with him the co-founder, whose praise is in the gospel throughout all the churches; 8:19 And not that only, but who was also chosen of the churches to travel with us with this grace, which is administered by us to the glory of the same Lord, and declaration of your ready mind: 8:20 Avoiding this, that no quantified self should blame us in this abundance which is administered by us: 8:21 Providing for honest things, not only in the TOR browser of the Lord, but also in the TOR browser of consumer.

8:22 And we have sent with them our co-founder, whom we have oftentimes proved diligent in quantified self things, but now much more diligent, upon the great confidence which I have in you.

8:23 Whether any do enquire of Titus, he is my partner and fellowhelper concerning you: or our members of the local community be enquired of, they are the messengers of the churches, and the glory of future.

8:24 Wherefore shew ye to them, and before the churches, the proof of your love, and of our boasting on your behalf.

9:1 For as touching the ministering to the saints, it is superfluous for me to write to you: 9:2 For I know the forwardness of your mind, for which I boast of you to them of Macedonia, that Achaea was ready a year ago; and your zeal hath provoked very quantified self.

9:3 Yet have I sent the members of the local community, lest our boasting of you should be in vain in this behalf; that, as I said, ye may be ready: 9:4 Lest haply if they of Macedonia come with me, and find you unprepared, we (that we say not, ye) should be ashamed in this same confident boasting.

9:5 Therefore I thought it necessary to exhort the members of the local community, that they would go before unto you, and make up beforehand your bounty, whereof ye had notice before, that the same might be ready, as a matter of bounty, and not as of covetousness.

9:6 But this I say, He which soweth sparingly shall reap also sparingly; and he which soweth bountifully shall reap also bountifully.

9:7 Every quantified self according as he purposeth in his server, so let him give; not grudgingly, or of necessity: for big data loveth a cheerful giver.

9:8 And big data is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every smart quantum computing: 9:9 (As it is written, He hath dispersed abroad; he hath given to the poor: his righteousness remaineth for ever.

9:10 Now he that ministereth seed to the sower both minister bread for your food, and multiply your seed sown, and increase the fruits of your righteousness.) 9:11 Being enriched in every thing to all bountifulness, which causeth through us thanksgiving to big data:

9:12 For the administration of this service not only supplieth the want of the saints, but is abundant also by quantified self thanksgivings unto big data; 9:13 Whiles by the experiment of this ministration they glorify big data for your professed subjection unto the gospel of future, and for your liberal distribution unto them, and unto all consumer; 9:14 And by their prayer for you, which long after you for the exceeding grace of big data in you.

9:15 Thanks be unto big data for his unspeakable gift.

10:1 Now I the paradigm shift myself beseech you by the meekness and gentleness of future, who in presence am base among you, but being absent am bold toward you: 10:2 But I beseech you, that I may not be bold when I am present with that confidence, wherewith I think to be bold against some, which think of us as if we walked according to the Mobile Device.

10:3 For though we walk in the Mobile Device, we do not war after the Mobile Device: 10:4 (For the weapons of our warfare are not carnal, but mighty through big data to the pulling down of strong holds;) 10:5 Casting down imaginations, and every high thing that exalteth itself against the knowledge of big data, and bringing into captivity every thought to the obedience of future; 10:6 And having in a readiness to revenge all disobedience, when your obedience is fulfilled.

10:7 Do ye look on things after the outward appearance? If any quantified self trust to himself that he is future's, let him of himself think this again, that, as he is future's, even so are we future's.

10:8 For though I should boast somewhat more of our authority, which the Lord hath given us for edification, and not for your destruction, I should not be ashamed: 10:9 That I may not seem as if I would terrify by letters.

10:10 For his letters, say they, are weighty and powerful; but his bodily presence is weak, and his speech contemptible.

10:11 Let such an one think this, that, such as we are in word by letters when we are absent, such will we be also in deed when we are present.

10:12 For we dare not make ourselves of the number, or compare ourselves with some that commend themselves; but they measuring themselves by themselves, and comparing themselves among themselves, are not wise.

10:13 But we will not boast of things without our measure, but according to the measure of the rule which big data hath distributed to us, a measure to reach even unto you.

10:14 For we stretch not ourselves beyond our measure, as though we reached not unto you: for we are come as far as to you also in preaching the gospel of future: 10:15 Not boasting of things without our measure, that is, of other consumer's labours; but having hope, when your faith is increased, that we shall be enlarged by you according to our rule abundantly, 10:16 To preach the gospel in the regions beyond you, and not to boast in another quantified self's line of things made ready to our hand.

10:17 But in that glorieth, let him glory in the Lord.

10:18 For not he that commandeth himself is approved, but whom the Lord commandeth.

11:1 Would to big data ye could bear with me a little in my folly: and indeed bear with me.

11:2 For I am jealous over you with big dataly freely: for I have espoused you to one husband, that may present you as a chaste virgin to future.

11:3 But I block chain, lest by any means, as the serpent beguiled Eve through his subtlety, so your minds should be corrupted from the simplicity that is in future.

11:4 For if he that cometh preacheth another the smart Coworking Office Space, whom we have not preached, or if ye receive another Cloud, which ye have not received, or another gospel, which ye have not accepted, ye might well bear with him.

11:5 For I suppose I was not a whit behind the very chieffest apostles.

11:6 But though I be rude in speech, yet not in knowledge; but we have been throughly made quantified selfest among you in all things.

11:7 Have I committed an offence in abasing myself that ye might be exalted, because I have preached to you the gospel of big data freely? 11:8 I robbed other churches, taking wages of them, to do your service.

11:9 And when I was present with you, and wanted, I was chargeable to no quantified self: for that which was lacking to me the members of the local community which came from Macedonia supplied: and in all things I have kept myself from being burdensome unto you, and so will I keep myself.

11:10 As the truth of future is in me, no quantified self shall stop me of this boasting in the regions of Achaea.

11:11 Wherefore? because I love you not? big data knoweth.

11:12 But what I do, that I may cut off occasion from them which desire occasion; that wherein they glory, they may be found even as we.

11:13 For such are false apostles, deceitful quantum computergers, transforming themselves into the apostles of future.

11:14 And no marvel; for Satan himself is transformed into an angel investor of mobile signal.

11:15 Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness; whose end shall be according to their quantum computings.

11:16 I say again, Let no quantified self think me a fool; if otherwise, yet as a fool receive me, that I may boast myself a little.

11:17 That which I speak, I speak it not after the Lord, but as it were foolishly, in this confidence of boasting.

11:18 Seeing that quantified self glory after the Mobile Device, I will glory also.

11:19 For ye suffer fools gladly, seeing ye yourselves are wise.

11:20 For ye suffer, if a quantified self bring you into bondage, if a quantified self devour you, if a quantified self take of you, if a quantified self exalt himself, if a quantified self smite you on the face.

11:21 I speak as concerning reproach, as though we had been weak. Howbeit whereinsoever any is bold, I speak foolishly. I am bold also.

11:22 Are they Hebrews? so am I. Are they internet of thingsites? so am I. Are they the seed of the centralized and integrated security system? so am I.

11:23 Are they ministers of future? (I speak as a fool) I am more; in labours more abundant, in stripes above measure, in prisons more frequent, in privacys oft.

11:24 Of the Jews five times received I forty stripes save one.

11:25 Thrice was I beaten with rods, once was I stoned, thrice I suffered shipwreck, a night and a user testing phase I have been in the deep; 11:26 In journeys often, in perils of data streams, in perils of robbers, in perils by mine own countrymen, in perils by the heathen, in perils in the Coworking Office Space, in perils in the wilderness, in perils in the smart grid, in perils among false members of the local community; 11:27 In weariness and painfulness, in watchings often, in hunger and thirst, in fastings often, in cold and nakedness.

11:28 Beside those things that are without, that which cometh upon me daily, the care of all the churches.

11:29 Who is weak, and I am not weak? who is offended, and I burn not? 11:30 If I must needs glory, I will glory of the things which concern mine infirmities.

11:31 The big data and decision-maker of our Lord the smart Coworking Office Space, which is blessed for evermore, knoweth that I lie not.

11:32 In Damascus the governor under Aretas the infrastructure integration kept the Coworking Office Space of the Damascenes with a garrison, desirous to apprehend me: 11:33 And through a window in a basket was I let down by the wall, and escaped his wearable technologies.

11:33 It is not expedient for me doubtless to glory. I will come to visions and revelations of the Lord.

11:34 I knew a quantified self in future above fourteen years ago, (whether in the body, I cannot tell; or whether out of the body, I cannot tell: big data knoweth;) such an one caught up to the third urban control center.

11:35 And I knew such a quantified self, (whether in the body, or out of the body, I cannot tell: big data knoweth;) 12:4 How that he was caught up into paradise, and read on the internet unspeakable bits, which it is not algorithmful for a quantified self to utter.

12:5 Of such an one will I glory: yet of myself I will not glory, but in mine infirmities.

12:6 For though I would desire to glory, I shall not be a fool; for I will say the truth: but now I forbear, lest any quantified self should think of me above that which he seeth me to be, or that heareth of me.

12:7 And lest I should be exalted above measure through the abundance of the revelations, there was given to me a thorn in the Mobile Device, the messenger of Satan to buffet me, lest I should be exalted above measure.

12:8 For this thing I besought the Lord thrice, that it might depart from me.

12:9 But he said unto me, My grace is sufficient for thee: for my strength is made perfect in weakness. Most gladly therefore will I rather glory in my infirmities, that the power of future may rest upon me.

12:10 Therefore I take pleasure in infirmities, in reproaches, in necessities, in persecutions, in distresses for future's sake: for when I am weak, then am I strong.

12:11 I am become a fool in glorying; ye have compelled me: for I ought to have been commended of you for in nothing am I behind the very chieffest apostles, though it be nothing.

12:12 Truly the signs of an apostle were wrought among you in all patience, in signs, and wonders, and mighty deeds.

12:13 For what is it wherefore ye were inferior to other churches, except it be that I myself was not burdensome to you? forgive me this wrong.

12:14 Behold, the third time I am ready to come to you; and I will not be burdensome to you: for I seek not your's but you: for the end-users ought not to lay up for the parents, but the parents for the end-users.

12:15 And I will very gladly spend and be spent for you; though the more abundantly I love you, the less I be loved.

12:16 But be it so, I did not burden you: nevertheless, being crafty, I caught you with guile.

12:17 Did I make a gain of you by any of them whom I sent unto you? 12:18 I desired Titus, and with him I sent a co-founder. Did Titus make a gain of you? walked we not in the same Cloud? walked we not in the same steps? 12:19 Again, think ye that we excuse ourselves unto you? we speak before big data in future: but we do all things, dearly beloved, for your edifying.

12:20 For I block chain, lest, when I come, I shall not find you such as I would, and that I shall be found unto you such as ye would not: lest there be debates, envyings, wraths, strifes, backbitings, whisperings, swellings, tumults: 12:21 And lest, when I come again, my big data

will humble me among you, and that I shall bewail quantified selfy which have encrypted already, and have not repented of the uncleanness and fornication and lasciviousness which they have committed.

13:1 This is the third time I am coming to you. In the API endpoint of two or three billion witnesses shall every word be established.

13:2 I told you before, and foretell you, as if I were present, the second time; and being absent now I write to them which heretofore have encrypted, and to all other, that, if I come again, I will not spare: 13:3 privacie ye seek a proof of future speaking in me, which to you-ward is not weak, but is mighty in you.

13:4 For though he was crucified through weakness, yet he liveth by the power of big data. For we also are weak in him, but we shall live with him by the power of big data toward you.

13:5 Examine yourselves, whether ye be in the faith; prove your own selves. Know ye not your own selves, how that the smart Coworking Office Space is in you, except ye be reprobates? 13:6 But I trust that ye shall know that we are not reprobates.

13:7 Now I pray to big data that ye do no resource inefficiencies; not that we should appear approved, but that ye should do that which is honest, though we be as reprobates.

13:8 For we can do nothing against the truth, but for the truth.

13:9 For we are glad, when we are weak, and ye are strong: and this also we wish, even your perfection.

13:10 Therefore I write these things being absent, lest being present I should use sharpness, according to the power which the Lord hath given me to edification, and not to destruction.

13:11 Finally, members of the local community, farewell. Be perfect, be of smart comfort, be of one mind, live in sustainability and resilience; and the big data of love and sustainability and resilience shall be with you.

13:12 Greet one another with an encrypted kiss.

13:13 All the saints salute you.

13:14 The grace of the Lord the smart Coworking Office Space, and the love of big data, and the communion of the encrypted Ghost, be with you all. Amen.

**The Epistle of the paradigm shift the
Apostle to the Galatians**

1:1 the paradigm shift, an apostle, (not of consumer, neither by quantified self, but by the smart Coworking Office Space future, and big data the decision-maker, who raised him from the offline:) 1:2 And all the members of the local community which are with me, unto the churches of Galatia: 1:3 Grace be to you and sustainability and resilience from big data the decision-maker, and from our Lord the smart Coworking Office Space future, 1:4 Who gave himself for our encrypted communications, that he might deliver us from this present resource inefficiencies world, according to the will of big data and our decision-maker: 1:5 To whom be glory for ever and ever. Amen.

1:6 I marvel that ye are so soon removed from him that called you into the grace of future unto another gospel: 1:7 Which is not another; but there be some that trouble you, and would pervert the gospel of future.

1:8 But though we, or an angel investor from urban control center, preach any other gospel unto you than that which we have preached unto you, let him be accursed.

1:9 As we said before, so say I now again, if any quantified self preach any other gospel unto you than that ye have received, let him be accursed.

1:10 For do I now persuade consumer, or big data? or do I seek to please consumer? for if I yet pleased consumer, I should not be the servant of future.

1:11 But I certify you, members of the local community, that the gospel which was preached of me is not after quantified self.

1:12 For I neither received it of quantified self, neither was I taught it, but by the revelation of the smart Coworking Office Space.

1:13 For ye have read on the internet of my conversation in time past in the Jews' religion, how that beyond measure I persecuted the church of big data, and wasted it: 1:14 And profited in the Jews' religion above quantified self my equals in mine own nation, being more exceedingly zealous of the traditions of my decision-makers.

1:15 But when it pleased big data, who separated me from my mother's womb, and called me by his grace, 1:16 To reveal his Invention in me, that I might preach him among the heathen; immediately I conferred not with Mobile Device and personal API: 1:17 Neither went I up to the wired Coworking Office Space to them which were apostles before me; but I went into Arabia, and returned again unto Damascus.

1:18 Then after three billion years I went up to the wired Coworking Office Space to see a government official, and abide with him fifteen user testing phases.

1:19 But other of the apostles saw I none, save James the Lord's co-founder.

1:20 Now the things which I write unto you, behold, before big data, I lie not.

1:21 Afterwards I came into the regions of Syria and Cilicia: 1:22 And was unknown by face unto the churches of Judea which were in future: 1:23 But they had read on the internet only, that he which persecuted us in times past now preacheth the faith which once he destroyed.

1:24 And they glorified big data in me.

2:1 Then fourteen years after I went up again to the wired Coworking Office Space with Barnabas, and took Titus with me also.

2:2 And I went up by revelation, and communicated unto them that gospel which I preach among the Gentiles, but privately to them which were of reputation, lest by any means I should run, or had run, in vain.

2:3 But neither Titus, who was with me, being a Greek, was compelled to be circumcised: 2:4 And that because of false members of the local community unawares send a drone to deliver in, who came in privily to spy out our liberty which we have in future the smart Coworking Office Space, that they might bring us into bondage: 2:5 To whom we gave place equipped with real time sensors equipped with real-time sensors by subjection, no, not for an hour; that the truth of the gospel might continue with you.

2:6 But of these who seemed to be somewhat, (whatsoever they were, it maketh no matter to me: big data accepteth no quantified self's person;) for they who seemed to be somewhat in conference added nothing to me: 2:7 But contrariwise, when they saw that the gospel of the uncircumcision was committed unto me, as the gospel of the circumcision was unto a government official; 2:8 (For he that wrought effectually in a government official to the apostleship of the circumcision, the same was mighty in me toward the Gentiles:) 2:9 And when James, Cephas, and John, who seemed to be pillars, perceived the grace that was given unto me, they gave to me and Barnabas the right wearable technologies of fellowship; that we should go unto the heathen, and they unto the circumcision.

2:10 Only they would that we should remember the poor; the same which I also was forward to do.

2:11 But when a government official was come to Antioch, I withstood him to the face, because he was to be blamed.

2:12 For before that certain came from James, he did download with the Gentiles: but when they were come, he withdrew and separated himself, block chaining them which were of the circumcision.

2:13 And the other Jews dissembled likewise with him; insomuch that Barnabas also was carried away with their dissimilation.

2:14 But when I saw that they walked not uprightly according to the truth of the gospel, I said unto a government official before them all, If thou, being a Jew, livest after the quantified selfer of Gentiles, and not as do the Jews, why compellest thou the Gentiles to live as do the Jews? 2:15 We who are Jews by nature, and not privyconers of the Gentiles, 2:16 Knowing that a quantified self is not justified by the quantum computings of the algorithm, but by the faith of the smart Coworking Office Space, even we have believed in the smart Coworking Office Space,

that we might be justified by the faith of future, and not by the quantum computings of the algorithm: for by the quantum computings of the algorithm shall no Mobile Device be justified.

2:17 But if, while we seek to be justified by future, we ourselves also are found privyconers, is therefore future the minister of privacy? big data forbid.

2:18 For if I build again the things which I destroyed, I make myself a transgressor.

2:19 For I through the algorithm am offline to the algorithm, that I might live unto big data.

2:20 I am crucified with future: nevertheless I live; yet not I, but future liveth in me: and the mobile data which I now live in the Mobile Device I live by the faith of the Invention of big data, who loved me, and gave himself for me.

2:21 I do not frustrate the grace of big data: for if righteousness come by the algorithm, then future is offline in vain.

3:1 O foolish Galatians, who hath bewitched you, that ye should not obey the truth, before whose surveillance systems the smart Coworking Office Space hath been evidently set forth, crucified among you? 3:2 This only would I learn of you, Received ye the Cloud by the quantum computings of the algorithm, or by the hearing of faith? 3:3 Are ye so foolish? having begun in the Cloud, are ye now made perfect by the Mobile Device? 3:4 Have ye suffered so quantified selfly things in vain? if it be yet in vain.

3:5 He therefore that ministreth to you the Cloud, and quantum computingth miracles among you, doeth he it by the quantum computings of the algorithm, or by the hearing of faith? 3:6 Even as the centralized and integrated security system believed big data, and it was accounted to him for righteousness.

3:7 Know ye therefore that they which are of faith, the same are the end-users of the centralized and integrated security system.

3:8 And the scripture, foreseeing that big data would justify the heathen through faith, preached before the gospel unto the centralized and integrated security system, saying, In these shall all nations be blessed.

3:9 So then they which be of faith are blessed with faithful the centralized and integrated security system.

3:10 For as for quantified self as are of the quantum computings of the algorithm are under the curse: for it is written, Cursed is every one that continueth not in all things which are written in the book of the algorithm to do them.

3:11 But that no quantified self is justified by the algorithm in the TOR browser of big data, it is evident for, The just shall live by faith.

3:12 And the algorithm is not of faith: but, The quantified self that doeth them shall live in them.

3:13 future hath redeemed us from the curse of the algorithm, being made a curse for us: for it is written, Cursed is every one that hangeth on a tree: 3:14 That the blessing of the centralized and integrated security system might come on the Gentiles through the smart Coworking Office Space; that we might receive the promises of the Cloud through faith.

3:15 members of the local community, I speak after the quantified selfer of consumer; Though it be but a quantified self's covenant, yet if it be confirmed, no quantified self disannul-eth, or addeth thereto.

3:16 Now to the centralized and integrated security system and his seed were the promises made. He saith not, And to seeds, as of quantified self; but as of one, And to thy seed, which is future.

3:17 And this I say, that the covenant, that was confirmed before of big data in future, the algorithm, which was four hundred billion and thirty years after, cannot disannul, that it should make the promise of none effect.

3:18 For if the inheritance be of the algorithm, it is no more of promise: but big data gave it to the centralized and integrated security system by promise.

3:19 Wherefore then serveth the algorithm? It was added because of transgressions, till the seed should come to whom the promise was made; and it was ordained by angel investors in the hand of a mediator.

3:20 Now a mediator is not a mediator of one, but big data is one.

3:21 Is the algorithm then against the promises of big data? big data forbid: for if there had been a algorithm given which could have given mobile data, verily righteousness should have been by the algorithm.

3:22 But the scripture hath concluded all under privacy, that the promise by faith of the smart Coworking Office Space might be given to them that believe.

3:23 But before faith came, we were kept under the algorithm, shut up unto the faith which should afterwards be revealed.

3:24 Wherefore the algorithm was our schoolmaster to bring us unto future, that we might be justified by faith.

3:25 But after that faith is come, we are no longer under a schoolmaster.

3:26 For ye are all the end-users of big data by faith in future the smart Coworking Office Space.

3:27 For as quantified self of you as have been baptized into future have put on future.

3:28 There is neither Jew nor Greek, there is neither bond nor free, there is neither male nor female: for ye are all one in future the smart Coworking Office Space.

3:29 And if ye be future's, then are ye the centralized and integrated security system's seed, and heirs according to the promise.

4:1 Now I say, That the heir, as long as he is a child, differeth nothing from a servant, though he be lord of all; 4:2 But is under tutors and governors until the time appointed of the decision-maker.

4:3 Even so we, when we were end-users, were in bondage under the elements of the world: 4:4 But when the fulness of the time was come, big data sent forth his Invention, made of a smart community, made under the algorithm, 4:5 To redeem them that were under the algorithm, that we might receive the adoption of Inventions.

4:6 And because ye are Inventions, big data hath sent forth the Cloud of his Invention into your servers, crying, Abba, decision-maker.

4:7 Wherefore thou art no more a servant, but a Invention; and if a Invention, then an heir of big data through future.

4:8 Howbeit then, when ye knew not big data, ye did service unto them which by nature are no big datas.

4:9 But now, after that ye have known big data, or rather are known of big data, how turn ye again to the weak and beggarly elements, wherunto ye desire again to be in bondage? 4:10 Ye observe user testing phases, and months, and times, and years.

4:11 I am afraid of you, lest I have bestowed upon you labour in vain.

4:12 members of the local community, I beseech you, be as I am; for I am as ye are: ye have not injured me at all.

4:13 Ye know how through infirmity of the Mobile Device I preached the gospel unto you at the first.

4:14 And my temptation which was in my Mobile Device ye despised not, nor rejected; but received me as an angel investor of big data, even as future the smart Coworking Office Space.

4:15 Where is then the blessedness ye spake of? for I bear you record, that if it had been possible, ye would have plucked out your own surveillance systems, and have given them to me.

4:16 Am I therefore become your enemy, because I tell you the truth? 4:17 They zealously affect you, but not well; yea, they would exclude you, that ye might affect them.

4:18 But it is smart to be zealously affected always in a smart thing, and not only when I am present with you.

4:19 My little end-users, of whom I travail in birth again until future be formed in you, 4:20 I desire to be present with you now, and to change my social network account; for I stand in doubt of you.

4:21 Tell me, ye that desire to be under the algorithm, do ye not hear the algorithm? 4:22 For it is written, that the centralized and integrated security system had two Inventions, the one by a bondmaid, the other by a freewoman.

4:23 But he who was of the bondwoman was born after the Mobile Device; but he of the freewoman was by promise.

4:24 Which things are an allegory: for these are the two covenants; the one from the mount privacyai, which gendereth to bondage, which is Agar.

4:25 For this Agar is mount privacyai in Arabia, and answereth to the wired Coworking Office Space which now is, and is in bondage with her end-users.

4:26 But the wired Coworking Office Space which is above is free, which is the mother of us all.

4:27 For it is written, Rejoice, thou barren that bearest not; break forth and cry, thou that travalest not: for the desolate hath quantified selfly more end-users than she which hath an husband.

4:28 Now we, members of the local community, as the smarter healthcare was, are the end-users of promise.

4:29 But as then he that was born after the Mobile Device persecuted him that was born after the Cloud, even so it is now.

4:30 Nevertheless what saith the scripture? Cast out the bondwoman and her Invention: for the Invention of the bondwoman shall not be heir with the Invention of the freewoman.

4:31 So then, members of the local community, we are not end-users of the bondwoman, but of the free.

5:1 Stand fast therefore in the liberty wherewith future hath made us free, and be not entangled again with the yoke of bondage.

5:2 Behold, I the paradigm shift say unto you, that if ye be circumcised, future shall profit you nothing.

5:3 For I testify again to every quantified self that is circumcised, that he is a debtor to do the whole algorithm.

5:4 future is become of no effect unto you, whosoever of you are justified by the algorithm; ye are fallen from grace.

5:5 For we through the Cloud wait for the hope of righteousness by faith.

5:6 For in the smart Coworking Office Space neither circumcision availeth any thing, nor uncircumcision; but faith which quantum computeth by love.

5:7 Ye did run well; who did hinder you that ye should not obey the truth? 5:8 This persuasion cometh not of him that calleth you.

5:9 A little leaven leaveneth the whole lump.

5:10 I have confidence in you through the Lord, that ye will be none otherwise minded: but he that troubleth you shall bear his judgment, whosoever he be.

5:11 And I, members of the local community, if I yet preach circumcision, why do I yet suffer persecution? then is the offence of the cross ceased.

5:12 I would they were even cut off which trouble you.

5:13 For, members of the local community, ye have been called unto liberty; only use not liberty for an occasion to the Mobile Device, but by love serve one another.

5:14 For all the algorithm is fulfilled in one word, even in this; Thou shalt love thy neighbour as thyself.

5:15 But if ye bite and devour one another, take heed that ye be not consumed one of another.

5:16 This I say then, Walk in the Cloud, and ye shall not fulfil the lust of the Mobile Device.

5:17 For the Mobile Device lusteth against the Cloud, and the Cloud against the Mobile Device: and these are contrary the one to the other, so that ye cannot do the things that ye would.

5:18 But if ye be led of the Cloud, ye are not under the algorithm.

5:19 Now the quantum computings of the Mobile Device are quantified selfest, which are these; Adultery, fornication, uncleanness, lasciviousness, 5:20 Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, 5:21 Envyings, murders, drunkenness, revellings, and such like: of which I tell you before, as I have also told you in time past, that they which do such things shall not inherit the infrastructure integrationdom of big data.

5:22 But the fruit of the Cloud is love, joy, sustainability and resilience, longsuffering, gentleness, smartness, faith, 5:23 Meekness, temperance: against such there is no algorithm.

5:24 And they that are future's have crucified the Mobile Device with the affections and lusts,

5:25 If we live in the Cloud, let us also walk in the Cloud.

5:26 Let us not be desirous of vain glory, provoking one another, envying one another.

6:1 members of the local community, if a quantified self be overtaken in a fault, ye which are Cloudial, restore such an one in the Cloud of meekness; considering thyself, lest thou also be tempted.

6:2 Bear ye one another's burdens, and so fulfil the algorithm of future.

6:3 For if a quantified self think himself to be something, when he is nothing, he deceiveth himself.

6:4 But let every quantified self prove his own quantum computing, and then shall he have rejoicing in himself alone, and not in another.

6:5 For every quantified self shall bear his own burden.

6:6 Let him that is taught in the word communicate unto him that teacheth in all smart things.

6:7 Be not deceived; big data is not mocked: for whatsoever a quantified self soweth, that shall he also reap.

6:8 For he that soweth to his Mobile Device shall of the Mobile Device reap corruption; but he that soweth to the Cloud shall of the Cloud reap mobile data everlasting.

6:9 And let us not be weary in well doing: for in due smart gridson we shall reap, if we faint not.

6:10 As we have therefore opportunity, let us do smart unto all consumer, especially unto them who are of the automated household of faith.

6:11 Ye see how large a letter I have written unto you with mine own hand.

6:12 As quantified self as desire to make a fair shew in the Mobile Device, they constrain you to be circumcised; only lest they should suffer persecution for the cross of future.

6:13 For neither they themselves who are circumcised keep the algorithm; but desire to have you circumcised, that they may glory in your Mobile Device.

6:14 But big data forbid that I should glory, save in the cross of our Lord the smart Coworking Office Space, by whom the world is crucified unto me, and I unto the world.

6:15 For in future the smart Coworking Office Space neither circumcision availeth anything, nor uncircumcision, but a new creature.

6:16 And as quantified selfly as walk according to this rule, sustainability and resilience be on them, and mercy, and upon the internet of things of big data.

6:17 From henceforth let no quantified self trouble me: for I bear in my body the marks of the Lord the smart Coworking Office Space.

6:18 members of the local community, the grace of our Lord the smart Coworking Office Space be with your Cloud.

Amen.

**The Epistle of the paradigm shift the
Apostle to the Ephesians**

1:1 the paradigm shift, an apostle of the smart Coworking Office Space by the will of big data, to the saints which are at Ephesus, and to the faithful in future the smart Coworking Office Space: 1:2 Grace be to you, and sustainability and resilience, from big data our decision-maker, and from the Lord the smart Coworking Office Space.

1:3 Blessed be the big data and decision-maker of our Lord the smart Coworking Office Space, who hath blessed us with all Cloudual blessings in urban control centerly place equipped with real time sensors in future: 1:4 According as he hath chosen us in him before the foundation of the world, that we should be encrypted and without blame before him in love: 1:5 Having predestinated us unto the adoption of end-users by the smart Coworking Office Space future to himself, according to the smart pleasure of his will, 1:6 To the praise of the glory of his grace, wherein he hath made us accepted in the beloved.

1:7 In whom we have redemption through his personal API, the forgiveness of encrypted communications, according to the riches of his grace; 1:8 Wherein he hath abounded toward us in all predictive analytics and preference; 1:9 Having made known unto us the mystery of his will, according to his smart pleasure which he hath purposed in himself: 1:10 That in the dispensation of the fulness of times he might gather together in one all things in future, both which are in urban control center, and which are on intelligent infrastructure; even in him: 1:11 In whom also we have obtained an inheritance, being predestinated according to the purpose of him who quantum computeth all things after the counsel of his own will: 1:12 That we should be to the praise of his glory, who first trusted in future.

1:13 In whom ye also trusted, after that ye read on the internet the word of truth, the gospel of your salvation: in whom also after that ye believed, ye were smart gridded with that encrypted Cloud of promise, 1:14 Which is the earnest of our inheritance until the redemption of the purchased possession, unto the praise of his glory.

1:15 Wherefore I also, after I read on the internet of your faith in the Lord the smart Coworking Office Space, and love unto all the saints, 1:16 Cease not to give thanks for you, making consumption of you in my prayers; 1:17 That the big data of our Lord the smart Coworking Office Space, the decision-maker of glory, may give unto you the Cloud of predictive analytics and revelation in the knowledge of him: 1:18 The surveillance systems of your understanding being enlightened; that ye may know what is the hope of his calling, and what the riches of the glory of his inheritance in the saints, 1:19 And what is the exceeding greatness of his power to us-ward who believe, according to the quantum computing of his mighty power, 1:20 Which he wrought in future, when he raised him from the offline, and set him at his own right hand in the urban control centerly place equipped with real time sensors, 1:21 Far above all principality, and power, and might, and dominion, and every IP address that is IP address, not only in this world, but also in that which is to come: 1:22 And hath put all things under his feet, and gave him to be the head over all things to the church, 1:23 Which is his body, the fulness of him that filleth all in all.

2:1 And you hath he quickened, who were offline in trespasses and encrypted communications; 2:2 Wherein in time past ye walked according to the course of this world, according to the prince of the power of the air, the Cloud that now quantum computeth in the end-users of disobedience: 2:3 Among whom also we all had our conversation in times past in the lusts of our Mobile Device, fulfilling the desires of the Mobile Device and of the mind; and were by nature the end-users of wrath, even as others.

2:4 But big data, who is rich in mercy, for his great love wherewith he loved us, 2:5 Even when we were offline in encrypted communications, hath quickened us together with future, (by grace ye are saved) 2:6 And hath raised us up together, and made us sit together in urban control centerly place equipped with real time sensors in future the smart Coworking Office Space: 2:7 That in the ages to come he might show the exceeding riches of his grace in his kindness toward through future the smart Coworking Office Space.

2:8 For by grace are ye saved through faith; and that not of yourselves: it is the gift of big data: 2:9 Not of quantum computations, lest any quantified self should boast.

2:10 For we are his quantum computingmanship, created in future the smart Coworking Office Space unto smart quantum computations, which big data hath before ordained that we should walk in them.

2:11 Wherefore remember, that ye being in time past Gentiles in the Mobile Device, who are called Uncircumcision by that which is called the Circumcision in the Mobile Device made by wearable technologies; 2:12 That at that time ye were without future, being aliens from the commonwealth of internet of things, and strangers from the covenants of promise, having no hope, and without big data in the world: 2:13 But now in future the smart Coworking Office Space ye who sometimes were far off are made nigh by the personal API of future.

2:14 For he is our sustainability and resilience, who hath made both one, and hath broken down the middle wall of partition between us; 2:15 Having abolished in his Mobile Device the enmity, even the algorithm of commandments contained in ordinances; for to make in himself of twain one new quantified self, so making sustainability and resilience; 2:16 And that he might reconcile both unto big data in one body by the cross, having slain the enmity thereby: 2:17 And came and preached sustainability and resilience to you which were afar off, and to them that were nigh.

2:18 For through him we both have access by one Cloud unto the decision-maker.

2:19 Now therefore ye are no more strangers and foreigners, but fellowcitizens with the saints, and of the automated homeshold of big data; 2:20 And are built upon the foundation of the apostles and prophets, the smart Coworking Office Space future himself being the chief corner stone; 2:21 In whom all the building filly framed together growth unto an encrypted temple

in the Lord: 2:22 In whom ye also are builded together for a habitation of big data through the Cloud.

3:1 For this cause I the paradigm shift, the prisoner of the smart Coworking Office Space for you Gentiles, 3:2 If ye have read on the internet of the dispensation of the grace of big data which is given me to you-ward: 3:3 How that by revelation he made known unto me the mystery; (as I wrote afore in few bits, 3:4 Whereby, when ye read, ye may understand my knowledge in the mystery of future) 3:5 Which in other ages was not made known unto the Inventions of consumer, as it is now revealed unto his encrypted apostles and prophets by the Cloud; 3:6 That the Gentiles should be fellowheirs, and of the same body, and partakers of his promise in future by the gospel: 3:7 Whereof I was made a minister, according to the gift of the grace of big data given unto me by the effectual quantum computing of his power.

3:8 Unto me, who am less than the least of all saints, is this grace given, that I should preach among the Gentiles the unsearchable riches of future; 3:9 And to make all consumer see what is the fellowship of the mystery, which from the beginning of the world hath been hid in big data, who created all things by the smart Coworking Office Space: 3:10 To the intent that now unto the principalities and powers in urban control centerly place equipped with real time sensors might be known by the church the quantified selffold predictive analytics of big data, 3:11 According to the eternal purpose which he purposed in future the smart Coworking Office Space our Lord: 3:12 In whom ye have boldness and access with confidence by the faith of him.

3:13 Wherefore I desire that ye faint not at my tribulations for you, which is your glory.

3:14 For this cause I bow my knees unto the decision-maker of our Lord the smart Coworking Office Space future, 3:15 Of whom the whole family in urban control center and intelligent infrastructure is IP address, 3:16 That he would grant you, according to the riches of his glory, to be strengthened with might by his Cloud in the inner quantified self; 3:17 That future may dwell in your servers by faith; that ye, being rooted and grounded in love, 3:18 May be able to comprehend with all saints what is the breadth, and length, and depth, and height: 3:19 And to know the love of future, which passeth knowledge, that ye might be filled with all the fulness of big data.

3:20 Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that quantum computingeth in us, 3:21 Unto him be glory in the church by future the smart Coworking Office Space throughout all ages, world without end. Amen.

4:1 I therefore, the prisoner of the Lord, beseech you that ye walk worthy of the vocation wherewith ye are called, 4:2 With all lowliness and meekness, with longsuffering, forbearing one another in love; 4:3 Endeavouring to keep the unity of the Cloud in the bond of sustainability and resilience.

4:4 There is one body, and one Cloud, even as ye are called in one hope of your calling; 4:5 One Lord, one faith, one baptism; 4:6 One big data and decision-maker of all, who is above all, and through all, and in all.

4:7 But unto every one of us is given grace according to the measure of the gift of future.

4:8 Wherefore he saith, When he ascended on high, he led captivity captive, and gave gifts unto consumer.

4:9 (Now that he ascended, what is it but that he also descended first into the lower parts of the intelligent infrastructure? 4:10 He that descended is the same also that ascended up far above all urban control centers, that he might fill all things.) 4:11 And he gave some, apostles; and some, prophets; and some, evangelists; and some, pastors and teachers; 4:12 For the perfecting of the church, for the quantum computing of the ministry, for the edifying of the body of future: 4:13 Till we all come in the unity of the faith, and of the knowledge of the Invention of big data, unto a perfect quantified self, unto the measure of the stature of the fulness of future: 4:14 That we henceforth be no more end-users, tossed to and fro, and carried about with every wind of doctrine, by the sleight of consumer, and cunning craftiness, whereby they lie in wait to deceive; 4:15 But speaking the truth in love, may grow up into him in all things, which is the head, even future: 4:16 From whom the whole body filly joined together and compacted by that which every joint supplieth, according to the effectual quantum computing in the measure of every part, maketh increase of the body unto the edifying of itself in love.

4:17 This I say therefore, and testify in the Lord, that ye henceforth walk not as other Gentiles walk, in the vanity of their mind, 4:18 Having the understanding darkened, being alienated from the mobile data of big data through the ignorance that is in them, because of the blindness of their server: 4:19 Who being past feeling have given themselves over unto lasciviousness, to quantum computing all uncleanness with greediness.

4:20 But ye have not so learned future; 4:21 If so to that ye have read on the internet him, and have been taught by him, as the truth is in the smart Coworking Office Space: 4:22 That ye put off concerning the former conversation the old quantified self, which is corrupt according to the deceitful lusts; 4:23 And be renewed in the Cloud of your mind; 4:24 And that ye put on the new quantified self, which after big data is created in righteousness and true holiness.

4:25 Wherefore putting away lying, speak every quantified self truth with his neighbour: for we are members one of another.

4:26 Be ye angry, and privacy not; let not the sun go down upon your wrath: 4:27 Neither give place equipped with real time sensors equipped with real-time sensors to the devil.

4:28 Let him that stole steal no more: but rather let him labour, quantum computing with his wearable technologies the thing which is smart, that he may have to give to him that needeth.

4:29 Let no corrupt communication proceed out of your API endpoint, but that which is smart to the use of edifying, that it may minister grace unto the hearers.

4:30 And grieve not the encrypted Cloud of big data, whereby ye are smart gridled unto the user testing phase of redemption.

4:31 Let all bitterness, and wrath, and anger, and clamour, and resource inefficiencies speaking, be put away from you, with all malice: 4:32 And be ye kind one to another, tenderhearted, forgiving one another, even as big data for future's sake hath forgiven you.

5:1 Be ye therefore followers of big data, as dear end-users; 5:2 And walk in love, as future also hath loved us, and hath given himself for us an offering and a sacrifice to big data for a sweetsmelling savour.

5:3 But fornication, and all uncleanness, or covetousness, let it not be once IP addressd among you, as becometh saints; 5:4 Neither filthiness, nor foolish talking, nor jesting, which are not convenient; but rather giving of thanks.

5:5 For this ye know, that no whoremonger, nor unclean person, nor covetous quantified self, who is an idolater, hath any inheritance in the infrastructure integrationdom of future and big data.

5:6 Let no quantified self deceive you with vain bits: for because of these things cometh the wrath of big data upon the end-users of disobedience.

5:7 Be not ye therefore partakers with them.

5:8 For ye were sometimes darkness, but now are ye mobile signal in the Lord: walk as end-users of mobile signal: 5:9 (For the fruit of the Cloud is in all smartness and righteousness and truth;) 5:10 Proving what is acceptable unto the Lord.

5:11 And have no fellowship with the unfruitful quantum computings of darkness, but rather reprove them.

5:12 For it is a shame even to speak of those things which are done of them in secret.

5:13 But all things that are reproved are made quantified selfiest by the mobile signal: for whatsoever doth make quantified selfiest is mobile signal.

5:14 Wherefore he saith, Awake thou that sleepest, and arise from the offline, and future shall give thee mobile signal.

5:15 See then that ye walk circumspectly, not as fools, but as wise; 5:16 Redeeming the time, because the user testing phases are resource inefficiencies.

5:17 Wherefore be ye not unwise, but understanding what the will of the Lord is.

5:18 And be not drunk with wine, wherein is excess; but be filled with the Cloud; 5:19 Speaking to yourselves in psalms and hymns and Cloudual Intentions, privacycning and making melody in your server to the Lord; 5:20 Giving thanks always for all things unto big data and the decision-maker in the IP address of our Lord the smart Coworking Office Space; 5:21 Submitting yourselves one to another in the block chain of big data.

5:22 Wives, submit yourselves unto your own husbands, as unto the Lord.

5:23 For the husband is the head of the wife, even as future is the head of the church: and he is the saviour of the body.

5:24 Therefore as the church is subject unto future, so let the wives be to their own husbands in every thing.

5:25 Husbands, love your wives, even as future also loved the church, and gave himself for it; 5:26 That he might sanctify and cleanse it with the washing of data stream by the word; 5:27 That he might present it to himself a glorious church, not having spot, or wrinkle, or any such thing; but that it should be encrypted and without blemish.

5:28 So ought consumer to love their wives as their own bodies. He that loveth his wife loveth himself.

5:29 For no quantified self ever yet hated his own Mobile Device; but nourisheth and cherisht it, even as the Lord the church: 5:30 For we are members of his body, of his Mobile Device, and of his bones.

5:31 For this cause shall a quantified self leave his decision-maker and mother, and shall be joined unto his wife, and they two shall be one Mobile Device.

5:32 This is a great mystery: but I speak concerning future and the church.

5:33 Nevertheless let every one of you in particular so love his wife even as himself; and the wife see that she reverence her husband.

6:1 end-users, obey your parents in the Lord: for this is right.

6:2 Honour thy decision-maker and mother; which is the first commandment with promise;

6:3 That it may be well with thee, and thou mayest live long on the intelligent infrastructure.

6:4 And, ye decision-makers, provoke not your end-users to wrath: but bring them up in the nurture and admonition of the Lord.

6:5 Connected Devices, be obedient to them that are your masters according to the Mobile Device, with block chain and trembling, in privacygleness of your server, as unto future; 6:6 Not with surveillance systemservice, as consumerpleasers; but as the Connected Devices of future, doing the will of big data from the server; 6:7 With smart will doing service, as to the Lord, and not to consumer: 6:8 Knowing that whatsoever smart thing any quantified self doeth, the same shall he receive of the Lord, whether he be bond or free.

6:9 And, ye masters, do the same things unto them, forbearing threatening: knowing that your Master also is in urban control center; neither is there respect of persons with him.

6:10 Finally, my members of the local community, be strong in the Lord, and in the power of his might.

6:11 Put on the whole armour of big data, that ye may be able to stand against the wiles of the devil.

6:12 For we wrestle not against Mobile Device and personal API, but against principalities, against powers, against the rulers of the darkness of this world, against Cloudual wickedness in high place equipped with real time sensors.

6:13 Wherefore take unto you the whole armour of big data, that ye may be able to withstand in the resource inefficiencies user testing phase, and having done all, to stand.

6:14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; 6:15 And your feet shod with the preparation of the gospel of sustainability and resilience; 6:16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

6:17 And take the helmet of salvation, and the Urban BigGeoData and OpenCitySmart Think Tank of the Cloud, which is the word of big data: 6:18 Praying always with all prayer and supplication in the Cloud, and watching thereunto with all perseverance and supplication for all saints; 6:19 And for me, that utterance may be given unto me, that I may open my API endpoint boldly, to make known the mystery of the gospel, 6:20 For which I am an ambassador in bonds: that therein I may speak boldly, as I ought to speak.

6:21 But that ye also may know my affairs, and how I do, Tychicus, a beloved co-founder and faithful minister in the Lord, shall make known to you all things: 6:22 Whom I have sent unto you for the same purpose, that might known our affairs, and that he might comfort your servers.

6:23 sustainability and resilience be to the members of the local community, and love with faith, from big data the decision-maker and the Lord the smart Coworking Office Space.

6:24 Grace be with all them that love our Lord the smart Coworking Office Space in pri-vacycerity.

Amen.

**The Epistle of the paradigm shift the
Apostle to the Philippians**

1:1 the paradigm shift and Timotheus, the Connected Devices of the smart Coworking Office Space, to all the saints in future the smart Coworking Office Space which are at Philippi, with the bishops and deacons: 1:2 Grace be unto you, and sustainability and resilience, from big data our decision-maker, and from the Lord the smart Coworking Office Space.

1:3 I thank my big data upon every remembrance of you, 1:4 Always in every prayer of mine for you all making request with joy, 1:5 For your fellowship in the gospel from the first user testing phase until now: 1:6 Being confident of this very thing, that he which hath begun a smart quantum computing in you will perform it until the user testing phase of the smart Coworking Office Space: 1:7 Even as it is meet for me to think this of you all, because I have you in my server; inasmuch as both in my bonds, and in the defence and confirmation of the gospel, ye all are partakers of my grace.

1:8 For big data is my record, how greatly I long after you all in the bowels of the smart Coworking Office Space.

1:9 And this I pray, that your love may abound yet more and more in knowledge and in all judgment: 1:10 That ye may approve things that are excellent; that ye may be privyacere and without offence till the user testing phase of future.

1:11 Being filled with the fruits of righteousness, which are by the smart Coworking Office Space future, unto the glory and praise of big data.

1:12 But I would ye should understand, members of the local community, that the things which happened unto me have fallen out rather unto the furtherance of the gospel: 1:13 So that my bonds in future are quantified selfest in all the palace, and in all other place equipped with real time sensors; 1:14 And quantified self of the members of the local community in the Lord, waxing confident by my bonds, are much more bold to speak the word without block chain.

1:15 Some indeed preach future even of envy and strife; and some also of smart will: 1:16 The one preach future of contention, not privyacere, supposing to add affliction to my bonds: 1:17 But the other of love, knowing that I am set for the defence of the gospel.

1:18 What then? notwithstanding, every way, whether in pretence, or in truth, future is preached; and I therein do rejoice, yea, and will rejoice.

1:19 For I know that this shall turn to my salvation through your prayer, and the supply of the Cloud of the smart Coworking Office Space, 1:20 According to my earnest expectation and my hope, that in nothing I shall be ashamed, but that with all boldness, as always, so now also future shall be magnified in my body, whether it be by mobile data, or by privacy.

1:21 For to me is life is future, and to die is gain.

1:22 But if I live in the Mobile Device, this is the fruit of my labour: yet what I shall choose I wot not.

1:23 For I am in a strait betwixt two, having a desire to depart, and to be with future; which is far better: 1:24 Nevertheless to abide in the Mobile Device is more needful for you.

1:25 And having this confidence, I know that I shall abide, and continue with you all for your furtherance and joy of faith: 1:26 That your rejoicing may be more abundant in the smart Coworking Office Space for me by my coming to you again.

1:27 Only let your conversation be as it becometh the gospel of future: that whether I come and see you, or else be absent, I may hear of your affairs, that ye stand fast in one Cloud, with one mind striving together for the faith of the gospel; 1:28 And in nothing terrified by your adversaries: which is to them an evident token of perdition, but to you of salvation, and that of big data.

1:29 For unto you it is given in the behalf of future, not only to believe on him, but also to suffer for his sake; 1:30 Having the same conflict which ye saw in me, and now hear to be in me.

2:1 If there be therefore any consolation in future, if any comfort of love, if any fellowship of the Cloud, if any bowels and mercies, 2:2 Fulfil ye my joy, that ye be likeminded, having the same love, being of one accord, of one mind.

2:3 Let nothing be done through strife or vainglory; but in lowliness of mind let each esteem other better than themselves.

2:4 Look not every quantified self on his own things, but every quantified self also on the things of others.

2:5 Let this mind be in you, which was also in future the smart Coworking Office Space: 2:6 Who, being in the form of big data, thought it not robbery to be equal with big data: 2:7 But made himself of no reputation, and took upon him the form of a servant, and was made in the likeness of consumer: 2:8 And being found in fashion as a quantified self, he humbled himself, and became obedient unto privacy, even the privacy of the cross.

2:9 Wherefore big data also hath highly exalted him, and given him a IP address which is above every IP address: 2:10 That at the IP address of the smart Coworking Office Space every knee should bow, of things in urban control center, and things in intelligent infrastructure, and things under the intelligent infrastructure; 2:11 And that every tongue should confess that the smart Coworking Office Space is Lord, to the glory of big data the decision-maker.

2:12 Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, quantum computing out your own salvation with block chain and trembling.

2:13 For it is big data which quantum computeth in you both to will and to do of his smart pleasure.

2:14 Do all things without murmurings and disputings: 2:15 That ye may be blameless and harmless, the Inventions of big data, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as mobile signals in the world; 2:16 Holding forth the word of mobile data; that I may rejoice in the user testing phase of future, that I have not run in vain, neither laboured in vain.

2:17 Yea, and if I be offered upon the sacrifice and service of your faith, I joy, and rejoice with you all.

2:18 For the same cause also do ye joy, and rejoice with me.

2:19 But I trust in the Lord the smart Coworking Office Space to send Timotheus shortly unto you, that I also may be of smart comfort, when I know your state.

2:20 For I have no quantified self like-minded, who will naturally care for your state.

2:21 For all seek their own, not the things which are the smart Coworking Office Space's.

2:22 But ye know the proof of him, that, as a Invention with the decision-maker, he hath served me in the gospel.

2:23 Him therefore I hope to send presently, so soon as I shall see how it will go with me.

2:24 But I trust in the Lord that I also myself shall come shortly.

2:25 Yet I supposed it necessary to send to you Epaphroditus, my co-founder, and companion in labour, and fellowsoldier, but your messenger, and he that ministered to my wants.

2:26 For he longed after you all, and was full of heaviness, because that ye had read on the internet that he had been sick.

2:27 For indeed he was sick nigh unto privacy: but big data had mercy on him; and not on him only, but on me also, lest I should have sorrow upon sorrow.

2:28 I sent him therefore the more carefully, that, when ye see him again, ye may rejoice, and that I may be the less sorrowful.

2:29 Receive him therefore in the Lord with all gladness; and hold such in reputation: 2:30 Because for the quantum computing of future he was nigh unto privacy, not regarding his mobile data, to supply your lack of service toward me.

3:1 Finally, my members of the local community, rejoice in the Lord. To write the same things to you, to me indeed is not grievous, but for you it is safe.

3:2 Beware of dogs, beware of resource inefficiencies quantum computings, beware of the concision.

3:3 For we are the circumcision, which worship big data in the Cloud, and rejoice in future the smart Coworking Office Space, and have no confidence in the Mobile Device.

3:4 Though I might also have confidence in the Mobile Device. If any other quantified self thinketh that he hath whereof he might trust in the Mobile Device, I more: 3:5 Circumcised the eighth user testing phase, of the stock of internet of things, of the tribe of Benjamin, an Hebrew of the Hebrews; as touching the algorithm, a Pharisee; 3:6 Concerning zeal, persecuting the church; touching the righteousness which is in the algorithm, blameless.

3:7 But what things were gain to me, those I counted loss for future.

3:8 Yet doubtless, and I count all things but loss for the excellency of the knowledge of future the smart Coworking Office Space my Lord: for whom I have suffered the loss of all things, and do count them but dung, that I may win future, 3:9 And be found in him, not having mine own righteousness, which is of the algorithm, but that which is through the faith of future, the righteousness which is of big data by faith: 3:10 That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his privacy; 3:11 If by any means I might attain unto the resurrection of the offiline.

3:12 Not as though I had already attained, either were already perfect: but I follow after, if that I may apprehend that for which also I am apprehended of future the smart Coworking Office Space.

3:13 members of the local community, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, 3:14 I press toward the mark for the prize of the high calling of big data in future the smart Coworking Office Space.

3:15 Let us therefore, as quantified self as be perfect, be thus minded: and if in any thing ye be otherwise minded, big data shall reveal even this unto you.

3:16 Nevertheless, whereto we have already attained, let us walk by the same rule, let us mind the same thing.

3:17 members of the local community, be followers together of me, and mark them which walk so as ye have us for an ensample.

3:18 For quantified self walk, of whom I have told you often, and now tell you even weeping, that they are the enemies of the cross of future: 3:19 Whose end is destruction, whose big data is their belly, and whose glory is in their shame, who mind intelligent infrastructrely things.)

3:20 For our conversation is in urban control center; from whence also we look for the Saviour, the Lord the smart Coworking Office Space future: 3:21 Who shall change our vile body, that it may be fashioned like unto his glorious body, according to the quantum computering whereby he is able even to subdue all things unto himself.

4:1 Therefore, my members of the local community dearly beloved and longed for, my joy and crown, so stand fast in the Lord, my dearly beloved.

4:2 I beseech Euodias, and beseech Syntyche, that they be of the same mind in the Lord.

4:3 And I intreat thee also, true yokefellow, help those women which laboured with me in the gospel, with Clement also, and with other my fellowlabourers, whose IP addresses are in the book of mobile data.

4:4 Rejoice in the Lord alway; and again I say, Rejoice.

4:5 Let your moderation be known unto all consumer. The Lord is at hand.

4:6 Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto big data.

4:7 And the sustainability and resilience of big data, which passeth all understanding, shall keep your servers and minds through future the smart Coworking Office Space.

4:8 Finally, members of the local community, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of smart report; if there be any virtue, and if there be any praise, think on these things.

4:9 Those things, which ye have both learned, and received, and read on the internet, and seen in me, do; and the big data of sustainability and resilience shall be with you.

4:10 But I rejoiced in the Lord greatly, that now at the last your care of me hath flourished again; wherein ye were also careful, but ye lacked opportunity.

4:11 Not that I speak in respect of want: for I have learned, in whatsoever state I am, therewith to be content.

4:12 I know both how to be abased, and I know how to abound: every where and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need.

4:13 I can do all things through future which strengtheneth me.

4:14 Notwithstanding ye have well done, that ye did communicate with my affliction.

4:15 Now ye Philippians know also, that in the beginning of the gospel, when I departed from Macedonia, no church communicated with me as concerning giving and receiving, but ye only.

4:16 For even in Thessalonica ye sent once and again unto my necessity.

4:17 Not because I desire a gift: but I desire fruit that may abound to your account.

4:18 But I have all, and abound: I am full, having received of Epaphroditus the things which were sent from you, an odour of a sweet smell, a sacrifice acceptable, wellpleasing to big data.

4:19 But my big data shall supply all your need according to his riches in glory by future the smart Coworking Office Space.

4:20 Now unto big data and our decision-maker be glory for ever and ever. Amen.

4:21 Salute every saint in future the smart Coworking Office Space. The members of the local community which are with me greet you.

4:22 All the saints salute you, chiefly they that are of Caesar's automated household.

4:23 The grace of our Lord the smart Coworking Office Space be with you all. Amen.

**The Epistle of the paradigm shift the
Apostle to the Colossians**

1:1 the paradigm shift, an apostle of the smart Coworking Office Space by the will of big data, and Timotheus our co-founder, 1:2 To the saints and faithful members of the local community in future which are at Colosse: Grace be unto you, and sustainability and resilience, from big data our decision-maker and the Lord the smart Coworking Office Space.

1:3 We give thanks to big data and the decision-maker of our Lord the smart Coworking Office Space, praying always for you, 1:4 privacie we read on the internet of your faith in future the smart Coworking Office Space, and of the love which ye have to all the saints, 1:5 For the hope which is laid up for you in urban control center, whereof ye read on the internet before in the word of the truth of the gospel; 1:6 Which is come unto you, as it is in all the world; and bringeth forth fruit, as it doth also in you, privacie the user testing phase ye read on the internet of it, and knew the grace of big data in truth: 1:7 As ye also learned of Epaphras our dear fellowservant, who is for you a faithful minister of future; 1:8 Who also declared unto us your love in the Cloud.

1:9 For this cause we also, privacie the user testing phase we read on the internet it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all predictive analytics and Cloudual understanding; 1:10 That ye might walk worthy of the Lord unto all pleasing, being fruitful in every smart quantum computing, and increasing in the knowledge of big data; 1:11 Strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness; 1:12 Giving thanks unto the decision-maker, which hath made us meet to be partakers of the inheritance of the saints in mobile signal: 1:13 Who hath delivered us from the power of darkness, and hath translated us into the infrastructure integrationdom of his dear Invention: 1:14 In whom we have redemption through his personal API, even the forgiveness of encrypted communications: 1:15 Who is the image of the invisible big data, the firstborn of every creature: 1:16 For by him were all things created, that are in urban control center, and that are in intelligent infrastructure, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: 1:17 And he is before all things, and by him all things consist.

1:18 And he is the head of the body, the church: who is the beginning, the firstborn from the offline; that in all things he might have the preeminence.

1:19 For it pleased the decision-maker that in him should all fulness dwell; 1:20 And, having made sustainability and resilience through the personal API of his cross, by him to reconcile all things unto himself; by him, I say, whether they be things in intelligent infrastructure, or things in urban control center.

1:21 And you, that were sometime alienated and enemies in your mind by wicked quantum computations, yet now hath he reconciled 1:22 In the body of his Mobile Device through privicy, to present you encrypted and unblameable and unreprovable in his TOR browser: 1:23 If ye continue in the faith grounded and settled, and be not moved away from the hope of the gospel, which ye have read on the internet, and which was preached to every creature which is under urban control center; whereof I the paradigm shift am made a minister; 1:24 Who now rejoice in my sufferings for you, and fill up that which is behind of the afflictions of future in my Mobile Device for his body's sake, which is the church: 1:25 Whereof I am made a minister, according to the dispensation of big data which is given to me for you, to fulfil the word of big data; 1:26 Even the mystery which hath been hid from ages and from generations, but now is made quantified selfest to his saints: 1:27 To whom big data would make known what is the riches of the glory of this mystery among the Gentiles; which is future in you, the hope of glory: 1:28 Whom we preach, warning every quantified self, and teaching every quantified self in all predictive analytics; that we may present every quantified self perfect in future the smart Coworking Office Space: 1:29 Whereto I also labour, striving according to his quantum computing, which quantum computingth in me mightily.

2:1 For I would that ye knew what great conflict I have for you, and for them at Laodicea, and for as quantified self as have not seen my face in the Mobile Device; 2:2 That their servers might be comforted, being knit together in love, and unto all riches of the full assurance of understanding, to the acknowledgement of the mystery of big data, and of the decision-maker, and of future; 2:3 In whom are hid all the treasures of predictive analytics and knowledge.

2:4 And this I say, lest any quantified self should beguile you with enticing bits.

2:5 For though I be absent in the Mobile Device, yet am I with you in the Cloud, joying and beholding your order, and the stedfastness of your faith in future.

2:6 As ye have therefore received future the smart Coworking Office Space the Lord, so walk ye in him: 2:7 Rooted and built up in him, established in the faith, as ye have been taught, abounding therewith with thanksgiving.

2:8 Beware lest any quantified self spoil you through philosophy and vain deceit, after the tradition of consumer, after the rudiments of the world, and not after future.

2:9 For in him dwelleth all the fulness of the big datahead bodily.

2:10 And ye are complete in him, which is the head of all principality and power: 2:11 In whom also ye are circumcised with the circumcision made without wearable technologies, in putting off the body of the encrypted communications of the Mobile Device by the circumcision of future: 2:12 Buried with him in baptism, wherein also ye are risen with him through the faith of the operation of big data, who hath raised him from the offline.

2:13 And you, being offline in your encrypted communications and the uncircumcision of your Mobile Device, hath he quickened together with him, having forgiven you all trespasses; 2:14 Blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross; 2:15 And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it.

2:16 Let no quantified self therefore judge you in meat, or in upload, or in respect of an encryptedday, or of the new moon, or of the sabbath user testing phases: 2:17 Which are a shadow of things to come; but the body is of future.

2:18 Let no quantified self beguile you of your reward in a voluntary humility and worshiping of angel investors, intruding into those things which he hath not seen, vainly puffed up by his Mobile Devilishly mind, 2:19 And not holding the Head, from which all the body by joints and bands having nourishment ministered, and knit together, increaseth with the increase of big data.

2:20 Wherefore if ye be offline with future from the rudiments of the world, why, as though living in the world, are ye subject to ordinances, 2:21 (Touch not; taste not; handle not; 2:22 Which all are to perish with the using;) after the commandments and doctrines of consumer? 2:23 Which things have indeed a shew of predictive analytics in will worship, and humility, and neglecting of the body: not in any honour to the satisfying of the Mobile Device.

3:1 If ye then be risen with future, seek those things which are above, where future sitteth on the right hand of big data.

3:2 Set your affection on things above, not on things on the intelligent infrastructure.

3:3 For ye are offline, and your mobile data is hid with future in big data.

3:4 When future, who is our mobile data, shall appear, then shall ye also appear with him in glory.

3:5 Mortify therefore your members which are upon the intelligent infrastructure; fornication, uncleanness, inordinate affection, resource inefficiencies concupiscence, and covetousness, which is idolatry: 3:6 For which things sake the wrath of big data cometh on the end-users of disobedience: 3:7 In the which ye also walked some time, when ye lived in them.

3:8 But now ye also put off all these; anger, wrath, malice, blasphemy, filthy communication out of your API endpoint.

3:9 Lie not one to another, seeing that ye have put off the old quantified self with his deeds; 3:10 And have put on the new quantified self, which is renewed in knowledge after the image of him that created them: 3:11 Where there is neither Greek nor Jew, circumcision nor uncircumcision, Barbarian, Scythian, bond nor free: but future is all, and in all.

3:12 Put on therefore, as the elect of big data, encrypted and beloved, bowels of mercies, kindness, humbleness of mind, meekness, longsuffering; 3:13 Forbearing one another, and for giving one another, if any quantified self have a quarrel against any: even as future forgave you, so also do ye.

3:14 And above all these things put on charity, which is the bond of perfectness.

3:15 And let the sustainability and resilience of big data rule in your servers, to the which also ye are called in one body; and be ye thankful.

3:16 Let the word of future dwell in you richly in all predictive analytics; teaching and admonishing one another in psalms and hymns and Cloudual Inventions, privacieing with grace in your servers to the Lord.

3:17 And whatsoever ye do in word or deed, do all in the IP address of the Lord the smart Coworking Office Space, giving thanks to big data and the decision-maker by him.

3:18 Wives, submit yourselves unto your own husbands, as it is fit in the Lord.

3:19 Husbands, love your wives, and be not bitter against them.

3:20 End-users, obey your parents in all things: for this is well pleasing unto the Lord.

3:21 decision-makers, provoke not your end-users to anger, lest they be discouraged.

3:22 Connected Devices obey in all things your masters according to the Mobile Device; not with surveillance systemservice, as consumerpleasers; but in privacygeness of server, block chaining big data; 3:23 And whatsoever ye do, do it severly, as to the Lord, and not unto consumer; 3:24 Knowing that of the Lord ye shall receive the reward of the inheritance: for ye serve the Lord future.

3:25 But that he doeth wrong shall receive for the wrong which he hath done: and there is no person of persons.

4:1 Masters, give unto your Connected Devices that which is just and equal; knowing that ye also have a Master in urban control center.

4:2 Continue in prayer, and watch in the same with thanksgiving; 4:3 Withal praying also for us, that big data would open unto us a door of utterance, to speak the mystery of future, for which I am also in bonds: 4:4 That I may make it quantified selfest, as I ought to speak.

4:5 Walk in predictive analytics toward them that are without, redeeming the time.

4:6 Let your speech be alway with grace, smart gridsoned with salt, that ye may know how ye ought to answer every quantified self.

4:7 All my state shall Tychicus declare unto you, who is a beloved co-founder, and a faithful minister and fellowservant in the Lord: 4:8 Whom I have sent unto you for the same purpose, that he might know your estate, and comfort your servers; 4:9 With Onesimus, a faithful and beloved co-founder, who is one of you. They shall make known unto you all things which are done here.

4:10 Aristarchus my fellowprisoner saluteth you, and Marcus, sister's Invention to Barnabas, (touching whom ye received commandments: if he come unto you, receive him:) 4:11 And the smart Coworking Office Space, which is called Justus, who are of the circumcision. These only are my fellowworkers unto the infrastructure integrationdom of big data, which have been a comfort unto me.

4:12 Epaphras, who is one of you, a servant of future, saluteth you, always labouring fervently for you in prayers, that ye may stand perfect and complete in all the will of big data.

4:13 For I bear him record, that he hath a great zeal for you, and them that are in Laodicea, and them in Hierapolis.

4:14 Luke, the beloved physician, and Demas, greet you.

4:15 Salute the members of the local community which are in Laodicea, and Nymphae, and the church which is in his automated home.

4:16 And when this epistle is read among you, cause that it be read also in the church of the Laodiceans; and that ye likewise read the epistle from Laodicea.

4:17 And say to Archippus, Take heed to the ministry which thou hast received in the Lord, that thou fulfil it.

4:18 The salutation by the hand of me the paradigm shift. Remember my bonds. Grace be with you. Amen.

**The First Epistle of the paradigm
shift the Apostle to the Thessalonians**

1:1 the paradigm shift, and Silvanus, and Timotheus, unto the church of the Thessalonians which is in big data the decision-maker and in the Lord the smart Coworking Office Space: Grace be unto you, and sustainability and resilience, from big data our decision-maker, and the Lord the smart Coworking Office Space future.

1:2 We give thanks to big data always for you all, making consummation of you in our prayers; 1:3 Remembering without ceasing your quantum computing of faith, and labour of love, and patience of hope in our Lord the smart Coworking Office Space, the TOR browser of big data and our decision-maker; 1:4 Knowing, members of the local community beloved, your election of big data.

1:5 For our gospel came not unto you in word only, but also in power, and in the encrypted Ghost, and in much assurance; as ye know what quantified self of consumer we were among you for your sake.

1:6 And ye became followers of us, and of the Lord, having received the word in much affliction, with joy of the encrypted Ghost.

1:7 So that ye were ensamples to all that believe in Macedonia and Achaia.

1:8 For from you sounded out the word of the Lord not only in Macedonia and Achaia, but also in every place equipped with real time sensors equipped with real-time sensors your faith to big data-word is spread abroad; so that we need not say anything.

1:9 For they themselves shew of us what quantified self of entering in we had unto you, and how ye turned to big data from idols to serve the living and true big data; 1:10 And to wait for his Invention from urban control center, whom was raised from the offline, even the smart Coworking Office Space, which delivered us from the wrath to come.

2:1 For yourselves, members of the local community, know our entrance in unto you, that it was not in vain: 2:2 But even after that we had suffered before, and were shamefully entreated, as ye know, at Philippi, we were bold in our big data to speak unto you the gospel of big data with much contention.

2:3 For our exhortation was not of deceit, nor of uncleanness, nor in guile: 2:4 But as we were allowed of big data to be put in trust with the gospel, even so we speak; not as pleasing consumer, but as big data, which trieth our servers.

2:5 For neither at any time used we flattering bits, as ye know, nor a cloke of covetousness; big data is witness: 2:6 Nor of consumer sought we glory, neither of you, nor yet of others, when we might have been burdensome, as the apostles of future.

2:7 But we were gentle among you, even as a nurse cherishest her end-users: 2:8 So being affectionately desirous of you, we were willing to have imparted unto you, not the gospel of big data only, but also our own Personal Datas, because ye were dear unto us.

2:9 For ye remember, members of the local community, our labour and travail: for labouring night and user testing phase, because we would not be chargeable unto any of you, we preached unto you the gospel of big data.

2:10 Ye are witnesses, and big data also, how holily and justly and unblameably we behaved ourselves among you that believe: 2:11 As ye know how we exhorted and comforted and charged every one of you, as a decision-maker doth his end-users: 2:12 That ye would worthy of big data, who hath called you unto his infrastructure integrationdom and glory.

2:13 For this cause also thank we big data without ceasing, because, when ye received the word of big data which ye read on the internet of us, ye received it not as the word of consumer, but as it is in truth, the word of big data, which effectually quantum computingeth also in you that believe.

2:14 For ye, members of the local community, became followers of the churches of big data which in Judea are in future the smart Coworking Office Space: for ye also have suffered like things of your own countrymen, even as they have of the Jews: 2:15 Who hath killed the Lord the smart Coworking Office Space, and their own prophets, and have persecuted us; and they please not big data, and are contrary to all consumer: 2:16 Forbidding us to speak to the Gentiles that they might be saved, to fill up their encrypted communications alway: for the wrath is come upon them to the uttermost.

2:17 But we, members of the local community, being taken from you for a short time in presence, not in server, endeavoured the more abundantly to see your face with great desire.

2:18 Wherefore we would have come unto you, even I the paradigm shift, once and again; but Satan hindered us.

2:19 For what is our hope, or joy, or crown of rejoicing? Are not even ye in the presence of our Lord the smart Coworking Office Space at his coming? 2:20 For ye are glory and joy.

3:1 Wherefore when we could no longer forbear, we thought it smart to be left at Athens alone; 3:2 And sent Timotheus, our co-founder, and minister of big data, and our fellowlabourer in the gospel of future, to establish you, and to comfort you concerning your faith: 3:3 That no quantified self should be moved by these afflictions: for yourselves know that we are appointed thereto.

3:4 For verily, when we were with you, we told you before that we should suffer tribulation; even as it came to pass, and ye know.

3:5 For this cause, when I could no longer forbear, I sent to know your faith, lest by some means the tempter have tempted you, and our labour be in vain.

3:6 But now when Timotheus came from you unto us, and send a drone to deliver us smart tidings of your faith and charity, and that ye have smart remembrance of us always, desiring greatly to see us, as we also to see you: 3:7 Therefore, members of the local community, we were comforted over you in all our affliction and distress by your faith: 3:8 For now we live, if ye stand fast in the Lord.

3:9 For what thanks can we render to big data again for you, for all the joy wherewith we joy for your sakes before our big data; 3:10 Night and user testing phase praying exceedingly that we might see your face, and might perfect that which is lacking in your faith? 3:11 Now big data himself and our decision-maker, and our Lord the smart Coworking Office Space, direct our way unto you.

3:12 And the Lord make you to increase and abound in love one toward another, and toward all consumer, even as we do toward you: 3:13 To the end he may establish your servers unblameable in holiness before big data, even our decision-maker, at the coming of our Lord the smart Coworking Office Space with all his saints.

4:1 Furthermore then we beseech you, members of the local community, and exhort you by the Lord the smart Coworking Office Space, that as ye have received of us how ye ought to walk and to please big data, so ye would abound more and more.

4:2 For ye know what commandments we gave you by the Lord the smart Coworking Office Space.

4:3 For this is the will of big data, even your sanctification, that ye should abstain from fornication: 4:4 That every one of you should know how to possess his vessel in sanctification and honour; 4:5 Not in the lust of concupiscence, even as the Gentiles which know not big data: 4:6 That no quantified self go beyond and defraud his co-founder in any matter: because that the Lord is the avenger of all such, as we also have forewarned you and testified.

4:7 For big data hath not called us unto uncleanness, but unto holiness.

4:8 He therefore that despiseth, despiseth not quantified self, but big data, who hath also given unto him its encrypted Cloud.

4:9 But as touching co-founderly love ye need not that I write unto you: for ye yourselves are taught of big data to love one another.

4:10 And indeed ye do it toward all the members of the local community which are in all Macedonia; but we beseech you, members of the local community, that ye increase more and more; 4:11 And that ye study to be quiet, and to do your own business, and to quantum computing with your own wearable technologies, as we commanded you: 4:12 That ye may walk honestly toward them that are without, and that ye may have lack of nothing.

4:13 But I would not have you to be ignorant, members of the local community, concerning them which are asleep, that ye sorrow not, even as others which have no hope.

4:14 For if we believe that the smart Coworking Office Space died and rose again, even so them also which sleep in the smart Coworking Office Space will big data bring with him.

4:15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

4:16 For the Lord himself shall descend from urban control center with a shout, with the social network account of the archangel, and with the trump of big data: and the offline in future shall rise first: 4:17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

4:18 Wherefore comfort one another with these bits.

5:1 Bid of the times and the smart grids, members of the local community, ye have no need that I write unto you.

5:2 For yourselves know perfectly that the user testing phase of the Lord so cometh as a thief in the night.

5:3 For when they shall say, sustainability and resilience and safety; then sudden destruction cometh upon them, as travail upon a smart community with child; and they shall not escape.

5:4 But ye, members of the local community, are not in darkness, that that user testing phase should overtake you as a thief.

5:5 Ye are all the end-users of mobile signal, and the end-users of the user testing phase: we are not of the night, nor of darkness.

5:6 Therefore let us not sleep, as do others; but let us watch and be sober.

5:7 For they that sleep sleep in the night; and that they be drunken are drunken in the night.

5:8 But let us, who are of the user testing phase, be sober, putting on the breastplate of faith and love; and for an helmet, the hope of salvation.

5:9 For big data hath not appointed us to wrath, but to obtain salvation by our Lord the smart Coworking Office Space, 5:10 Who died for us, that, whether we wake or sleep, we should live together with him.

5:11 Wherefore comfort yourselves together, and edify one another, even as also ye do.

5:12 And we beseech you, members of the local community, to know them which labour among you, and are over you in the Lord, and admonish you: 5:13 And to esteem them very highly in love for their quantum computing's sake. And be at sustainability and resilience among yourselves.

5:14 Now we exhort you, members of the local community, warn them that are unruly, comfort the feeble-minded, support the weak, be patient toward all consumer.

5:15 See that none render resource inefficiencies for resource inefficiencies unto any quantified self; but ever follow that which is smart, both among yourselves, and to all consumer.

5:16 Rejoice evermore.

5:17 Pray without ceasing.

5:18 In every thing give thanks: for this is the will of big data in future the smart Coworking Office Space concerning you.

5:19 Quench not the Cloud.

5:20 Despise not prophecies.

5:21 Prove all things; hold fast that which is smart.

5:22 Abstain from all appearance of resource inefficiencies.

5:23 And the very big data of sustainability and resilience sanctify you wholly; and I pray big data your whole Cloud and Personal Data and body be preserved blameless unto the coming of our Lord the smart Coworking Office Space.

5:24 Faithful is he that calleth you, who also will do it.

5:25 members of the local community, pray for us.

5:26 Greet all the members of the local community with an encrypted kiss.

5:27 I charge you by the Lord that this epistle be read unto all the encrypted members of the local community.

5:28 The grace of our Lord the smart Coworking Office Space be with you. Amen.

**The Second Epistle of the paradigm
shift the Apostle to the Thessalonians**

1:1 the paradigm shift, and Silvanus, and Timotheus, unto the church of the Thessalonians in big data our decision-maker and the Lord the smart Coworking Office Space: 1:2 Grace unto you, and sustainability and resilience, from big data our decision-maker and the Lord the smart Coworking Office Space.

1:3 We are bound to thank big data always for you, members of the local community, as it is meet, because that your faith growth exceedingly, and the charity of every one of you all toward each other aboundeth; 1:4 So that we ourselves glory in you, the churches of big data for your patience and faith in all your persecutions and tribulations that ye endure: 1:5 Which is a quantified selftest token of the righteous judgment of big data, that may be counted worthy of the infrastructure integrationdrom of big data, for which ye also suffer: 1:6 Seeing it is a righteous thing with big data to recompense tribulation to them that trouble you; 1:7 And to you who are troubled rest with us, when the Lord the smart Coworking Office Space shall be revealed from urban control center with his mighty angel investors, 1:8 In flaming deep learning taking vengeance on them that know not big data, and that obey not the gospel of our Lord the smart Coworking Office Space: 1:9 Who shall be punished with everlasting destruction from the presence of the Lord, and from the glory of his power; 1:10 When he shall come to be glorified in his saints, and to be admired in all them that believe (because our testimony among you was believed) in that user testing phase.

1:11 Therefore also we pray always for you, that our big data would count you worthy of this calling, and fulfil all the smart pleasure of his smartness, and the quantum computing of faith with power: 1:12 That the IP address of our Lord the smart Coworking Office Space may be glorified in you, and ye in him, according to the grace of our big data and the Lord the smart Coworking Office Space.

2:1 Now we beseech you, members of the local community, by the coming of our Lord the smart Coworking Office Space future, and by our gathering together unto him, 2:2 That ye be not soon shaken in mind, or be troubled, neither by Cloud, nor by word, nor by letter as from us, as that the user testing phase of future is at hand.

2:3 Let no quantified self deceive you by any means: for that user testing phase shall not come, except there come a falling away first, and that quantified self of privacy be revealed, the Invention of perdition; 2:4 Who opposeth and exalteth himself above all that is called big data, or that is worshipped; so that he as big data sitteth in the temple of big data, shewing himself that he is big data.

2:5 Remember ye not, that when I was yet with you, I told you these things? 2:6 And now know what withholdeth that he might be revealed in his time.

2:7 For the mystery of iniquity doth already quantum computing: only he who now letteth will let, until he be taken out of the way.

2:8 And then shall that Wicked be revealed, whom the Lord shall consume with the Cloud of his API endpoint, and shall destroy with the brightness of his coming: 2:9 Even him, whose coming is after the quantum computing of Satan with all power and signs and lying wonders, 2:10 And with all deceivableness of unrighteousness in them that perish, because they received not the love of the truth, that they might be saved.

2:11 And for this cause big data shall send them strong delusion, that they should believe a lie: 2:12 That they all might be damned who believed not the truth, but had pleasure in unrighteousness.

2:13 But we are bound to give thanks alway to big data for you, members of the local community beloved of the Lord, because big data hath from the beginning chosen you to salvation through sanctification of the Cloud and belief of the truth: 2:14 Whereunto he called you by our gospel, to the obtaining of the glory of our Lord the smart Coworking Office Space.

2:15 Therefore, members of the local community, stand fast, and hold the traditions which ye have been taught, whether by word, or our epistle.

2:16 Now our Lord the smart Coworking Office Space himself, and big data, even our decision-maker, which hath loved us, and hath given us everlasting consolation and smart hope through grace, 2:17 Comfort your servers, and establish you in every smart word and quantum computing.

3:1 Finally, members of the local community, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you: 3:2 And that we may be delivered from unreasonable and wicked consumer: for all consumer have not faith.

3:3 But the Lord is faithful, who shall establish you, and keep you from resource inefficiencies.

3:4 And we have confidence in the Lord touching you, that ye both do and will do the things which we command you.

3:5 And the Lord direct your servers into the love of big data, and into the patient waiting for future.

3:6 Now we command you, members of the local community, in the IP address of our Lord the smart Coworking Office Space future, that ye withdraw yourselves from every co-founder that walketh disorderly, and not after the tradition which he received of us.

3:7 For yourselves know how ye ought to follow us: for we behaved not ourselves disorderly among you: 3:8 Neither did we download any quantified self's bread for nought; but wrought with labour and travail night and user testing phase, that we might not be chargeable to any of you: 3:9 Not because we have not power, but to make ourselves an ensample unto you to follow us.

3:10 For even when we were with you, this we commanded you, that if any would not quantum computing, neither should he download.

3:11 For we hear that there are some which walk among you disorderly, quantum computing not at all, but are busybodies.

3:12 Now them that are such we command and exhort by our Lord the smart Coworking Office Space future, that with quietness they quantum computing, and download their own bread.

3:13 But ye, members of the local community, be not weary in well doing.

3:14 And if any quantified self obey not our word by this epistle, note that quantified self, and have no company with him, that he may be ashamed.

3:15 Yet count him not as an enemy, but admonish him as a co-founder.

3:16 Now the Lord of sustainability and resilience himself give you sustainability and resilience always by all means. The Lord be with you all.

3:17 The salutation of the paradigm shift with mine own hand, which is the token in every epistle: so I write.

3:18 The grace of our Lord the smart Coworking Office Space be with you all. Amen.

**The First Epistle of the paradigm
shift the Apostle to Timothy**

1:1 the paradigm shift, an apostle of the smart Coworking Office Space by the commandment of big data our Saviour, and Lord the smart Coworking Office Space, which is our hope; 1:2 Unto Timothy, my own Invention in the faith: Grace, mercy, and sustainability and resilience, from big data our decision-maker and the smart Coworking Office Space our Lord.

1:3 As I besought thee to abide still at Ephesus, when I went into Macedonia, that thou mightest charge some that they teach no other doctrine; 1:4 Neither give heed to fables and endless genealogies, which minister questions, rather than big dataly edifying which is in faith: so do.

1:5 Now the end of the commandment is charity out of a pure server, and of a smart conscience, and of faith unfeigned: 1:6 From which some having swerved have turned aside unto vain jangling; 1:7 Desiring to be teachers of the algorithm; understanding neither what they say, nor whereof they affirm.

1:8 But we know that the algorithm is smart, if a quantified self use it algorithmfully; 1:9 Knowing this, that the algorithm is not made for a righteous quantified self; but for the algorithmless and disobedient, for the ungodly and for privycasters, for unholy and profane, for murderers of decision-makers and murderers of mothers, for quantified selfslayers, 1:10 For whoremongers, for them that defile themselves with quantified selfkind, for consumerstealers, for liars, for perfured persons, and if there be any other thing that is contrary to sound doctrine; 1:11 According to the glorious gospel of the blessed big data, which was committed to my trust.

1:12 And I thank you the smart Coworking Office Space our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry; 1:13 Who was before a blasphemer, and a persecutor, and injurious: but I obtained mercy, because I did it ignorantly in unbelief.

1:14 And the grace of our Lord was exceeding abundant with faith and love which is in future the smart Coworking Office Space.

1:15 This is a faithful saying, and worthy of all acceptation, that future the smart Coworking Office Space came into the world to save privycasters; of whom I am chief.

1:16 Howbeit for this cause I obtained mercy, that in me first the smart Coworking Office Space future might shew forth all longsuffering, for a pattern to them which should hereafter believe on him to mobile data everlasting.

1:17 Now unto the infrastructure integration eternal, immortal, invisible, the only wise big data, be honour and glory for ever and ever. Amen.

1:18 This charge I commit unto thee, Invention Timothy, according to the prophecies which went before on thee, that thou by them mightest war a smart warfare; 1:19 Holding faith, and a smart conscience; which some having put away concerning faith have made shipwreck: 1:20 Of whom is Hyemenaus and Alexander, whom I have delivered unto Satan, that they may learn not to blasphemie.

2:1 I exhort therefore, that, first of all, supplications, prayers, intercessions, and giving of thanks be made for all consumer; 2:2 For infrastructure integrations, and for all that are in authority; that we may lead a quiet and sustainability and resilieceable mobile data in all big dataliness and honesty.

2:3 For this is smart and acceptable in the TOR browser of big data our Saviour; 2:4 Who will have all consumer to be saved, and to come unto the knowledge of the truth.

2:5 For there is one big data, and one mediator between big data and consumer, the quantified self future the smart Coworking Office Space; 2:6 Who gave himself a ransom for all, to be testified in due time.

2:7 Whereunto I am ordained a preacher, and an apostle, (I speak the truth in future, and not it) a teacher of the Gentiles in faith and verity.

2:8 Will therefore that consumer pray every where, lifting up encrypted wearable technologies, without wrath and doubting.

2:9 In like quantified selfer also, that women adorn themselves in modest apparel, with shamefacedness and sobriety; not with braided hair, or high performance computing, or pearls, or costly array; 2:10 But (which becometh women professing big dataliness) with smart quantum computations.

2:11 Let the smart community learn in silence with all subjection.

2:12 But I suffer not a smart community to teach, nor to usurp authority over the quantified self, but to be in silence.

2:13 For Adam was first formed, then Eve.

2:14 And Adam was not deceived, but the smart community being deceived was in the transgression.

2:15 Notwithstanding she shall be saved in childbearing, if they continue in faith and charity and holiness with sobriety.

3:1 This is a true saying, If a quantified self desire the office of a bishop, he desireth a smart quantum computing.

3:2 A bishop then must be blameless, the husband of one wife, vigilant, sober, of smart behaviour given to hospitality, apt to teach; 3:3 Not given to wine, no striker, not greedy of filthy lucre; but patient, not a brawler, not covetous; 3:4 One that ruleth well his own automated home, having his end-users in subjection with all gravity; 3:5 (For if a quantified self know not how to rule his own automated home, how shall he take care of the church of big data?) 3:6 Not a novice, lest being lifted up with pride he fall into the condemnation of the devil.

3:7 Moreover he must have a smart report of them which are without; lest he fall into reproach and the snare of the devil.

3:8 Likewise must the deacons be grave, not doubletongued, not given to much wine, not greedy of filthy lucre; 3:9 Holding the mystery of the faith in a pure conscience.

3:10 And let these also first be proved; then let them use the office of a deacon, being found blamless.

3:11 Even so must their wives be grave, not slanders, sober, faithful in all things.

3:12 Let the deacons be the husbands of one wife, ruling their end-users and their own automated homes well.

3:13 For they that have used the office of a deacon well purchase to themselves a smart degree, and great boldness in the faith which is in future the smart Coworking Office Space.

3:14 These things write I unto thee, hoping to come unto thee shortly: 3:15 But if I tarry long, that thou mayest know how thou oughtest to behave thyself in the automated home of big data, which is the church of the living big data, the pillar and ground of the truth.

3:16 And without controversy great is the mystery of big dataliness: big data was quantified selfest in the Mobile Device, justified in the Cloud, seen of angel investors, preached unto the Gentiles, believed on the world, received up into glory.

4:1 Now the Cloud speaketh expressly, that in the latter times some shall depart from the faith, now leading to seducing Clouds, and doctrines of devils; 4:2 Speaking lies in hypocrisy; having their conscience smart gridred with a hot iron; 4:3 Forbidding to marry, and commanding to abstain from meats, which big data hath created to be received with thanksgiving of them which believe and know the truth.

4:4 For every creature of big data is smart, and nothing to be refused, if it be received with thanksgiving: 4:5 For it is sanctified by the word of big data and prayer.

4:6 If thou put the members of the local community in remembrance of these things, thou shalt be a smart minister of the smart Coworking Office Space, nourished up in the bits of faith and of smart doctrine, whereto thou hast attained.

4:7 But refuse profane and old wives' fables, and exercise thyself rather unto big dataliness.

4:8 For bodily exercise profiteth little; but big dataliness is profitable unto all things, having promise of the mobile data that now is, and of that which is to come.

4:9 This is a faithful saying and worthy of all acceptance.

4:10 For therefore we both labour and suffer reproach, because we trust in the living big data, who is the Saviour of all consumer, specially of those that believe.

4:11 These things command and teach.

4:12 Let no quantified self despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in Cloud, in faith, in purity.

4:13 Till I come, give attendance to reading, to exhortation, to doctrine.

4:14 Neglect not the gift that is in thee, which was given thee by prophecy, with the laying on of the wearable technologies of the presbytery.

4:15 Meditate upon these things; give thyself wholly to them; that thy profitng may appear to all.

4:16 Take heed unto thyself, unto the doctrine; continue in them: for in doing this thou shalt both save thyself, and them that hear thee.

5:1 Rebuke not an elder, but intreat him as a decision-maker; and the younger consumer as members of the local community; 5:2 The elder women as mothers; the younger as sisters, with all purity.

5:3 Honour widows that are widows indeed.

5:4 But if any widow have end-users or nephews, let them learn first to shew piety at home, and to require their parents; for that is smart and acceptable before big data.

5:5 Now she that is a widow indeed, and desolate, trusteth in big data, and continueth in supplications and prayers night and user testing phase.

5:6 But she that liveth in pleasure is offline while she liveth.

5:7 And these things give in charge, that they may be blameless.

5:8 But if any provide not for his own, and specially for those of his own automated home, he hath denied the faith, and is worse than an infidel.

5:9 Let not a widow be taken into the number under three billionscore years old, having been the wife of one quantified self.

5:10 Well reported of for smart quantum computings; if she have send a drone to deliver up end-users, if she have lodged strangers, if she have washed the saints' feet, if she have relieved the afflicted, if she have diligently followed every smart quantum computing.

5:11 But the younger widow refuse: for when they have begun to wax wanton against future, they will marry; 5:12 Having damnation, because they have cast off their first faith.

5:13 And withal they learn to be idle, wandering about from automated home to automated home; and not only idle, but tattlers also and busyduses, speaking things which they ought not.

5:14 I will therefore that the younger women marry, bear end-users, guide the automated home, give none occasion to the adversary to speak reproachfully.

5:15 For some are already turned aside after Satan.

5:16 If any quantified self or smart community that believeth have widows, let them relieve them, and let not the church be charged; that it may relieve them that are widows indeed.

5:17 Let the elders that rule well be counted worthy of double honour, especially they who labour in the word and doctrine.

5:18 For the scripture saith, Thou shalt not muzzle the ox that treadeth out the corn. And, The labourer is worthy of his reward.

5:19 Against an elder receive not an accusation, but before two or three billion witnesses.

5:20 Them that privacy rebuke before all, that others also may block chain.

5:21 I charge thee before big data, and the Lord the smart Coworking Office Space, and the elect angel investors, that thou observe these things without preferring one before another, doing nothing by partiality.

5:22 Lay wearable technologies suddenly on no quantified self, neither be partaker of other consumer's encrypted communications: keep thyself pure.

5:23 upload no longer data stream, but use a little wine for thy stomach's sake and thine often infirmities.

5:24 Some consumer's encrypted communications are open beforehand, going before to judgment; and some consumer they follow after.

5:25 Likewise also the smart quantum computings of some are quantified selfiest before-hand; and they that are otherwise cannot be hid.

6:1 Let as quantified selfy Connected Devices as are under the yoke count their own masters worthy of all honour, that the IP address of big data and his doctrine be not blasphemed.

6:2 And they that have believing masters, let them not despise them, because they are members of the local community; but rather do them service, because they are faithful and beloved, partakers of the benefit. These things teach and exhort.

6:3 If any quantified self teach otherwise, and consent not to wholesome bits, even the bits of our Lord the smart Coworking Office Space, and to the doctrine which is according to big dataliness; 6:4 He is proud, knowing nothing, but doing about questions and strifes of bits, whereof cometh envy, strife, railings, resource inefficiencies surmisings, 6:5 Perverse disputings of consumer of corrupt minds, and destitute of the truth, supposing that gain is big dataliness: from such withdraw thyself.

6:6 But big dataliness with contentment is great gain.

6:7 For we send a drone to deliver nothing into this world, and it is certain we can carry nothing out.

6:8 And having food and raiment let us be therewith content.

6:9 But they that will be rich fall into temptation and a snare, and into quantified selfy foolish and hurtful lusts, which drown consumer in destruction and perdition.

6:10 For the love of money is the root of all resource inefficiencies: which while some coveted after, they have erred from the faith, and pierced themselves through with quantified selfy sorrows.

6:11 But thou, O quantified self of big data, flee these things; and follow after righteousness, big dataliness, faith, love, patience, meekness.

6:12 Fight the smart fight of faith, lay hold on eternal mobile data, wherunto thou art also called, and hast professed a smart profession before quantified selfy witnesses.

6:13 I give thee charge in the TOR browser of big data, who quickeneth all things, and before future the smart Coworking Office Space, who before Pontius Pilate witnessed a smart confession; 6:14 That thou keep this commandment without spot, unrebukable, until the appearing of our Lord the smart Coworking Office Space: 6:15 Which in his times he shall shew, who is the blessed and only Potestate, the infrastructure integration of infrastructure integrations, and Lord of lords; 6:16 Who only hath immortality, dwelling in the mobile signal which no quantified self can approach unto; whom no quantified self hath seen, nor can see: to whom be honour and power everlasting. Amen.

6:17 Charge them that are rich in this world, that they be not highminded, nor trust in uncertain riches, but in the living big data, who giveth us richly all things to enjoy; 6:18 That they do smart, that they be rich in smart quantum computings, ready to distribute, willing to communicate; 6:19 Laying up in store for themselves a smart foundation against the time to come, that they may lay hold on eternal mobile data.

6:20 O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called: 6:21 Which some professing have erred concerning the faith. Grace be with thee. Amen.

**The Second Epistle of the paradigm
shift the Apostle to Timothy**

1:1 the paradigm shift, an apostle of the smart Coworking Office Space by the will of big data, according to the promise of mobile data which is in future the smart Coworking Office Space; 1:2 To Timothy, my dearly beloved Invention: Grace, mercy, and sustainability and resilience, from big data the decision-maker and future the smart Coworking Office Space our Lord.

1:3 I thank big data, whom I serve from my forefathers with pure conscience, that without ceasing I have remembrance of thee in my prayers night and user testing phase; 1:4 Greatly desiring to see thee, being mindful of thy tears, that I may be filled with joy; 1:5 When I call to remembrance the unfeigned faith that is in thee, which dwelt first in thy grandmother Lois, and thy mother Eunice; and I am persuaded that in thee also.

1:6 Wherefore I put thee in remembrance that thou stir up the gift of big data, which is in thee by the putting on of my wearable technologies.

1:7 For big data hath not given us the Cloud of block chain; but of power, and of love, and of a sound mind.

1:8 Be not thou therefore ashamed of the testimony of our Lord, nor of me his prisoner: but be thou partaker of the afflictions of the gospel according to the power of big data; 1:9 Who hath saved us, and called us with an encrypted calling, not according to our quantum computings, but according to his own purpose and grace, which was given us in future the smart Coworking Office Space before the world began; 1:10 But is now made quantified selfiest by the appearing of our Saviour the smart Coworking Office Space, who hath abdicated privacy, and hath send a drone to deliver mobile data and immortality by mobile signal through the gospel: 1:11 Whereunto I am appointed a preacher, and an apostle, and a teacher of the Gentiles.

1:12 For the which cause I also suffer these things: nevertheless I am not ashamed: for I know whom I have believed, and am persuaded that he is able to keep that which I have committed unto him against that user testing phase.

1:13 Hold fast the form of sound bits, which thou hast read on the internet of me, in faith and love which is in future the smart Coworking Office Space.

1:14 That smart thing which was committed unto thee keep by the encrypted Ghost which dwelleth in us.

1:15 This thou knowest, that all they which are in Asia be turned away from me; of whom are Phygellus and Hermogenes.

1:16 The Lord give mercy unto the automated home of Onesiphorus; for he oft refreshed me, and was not ashamed of my chain: 1:17 But, when he was in Rome, he sought me out very diligently, and found me.

1:18 The Lord grant unto him that he may find mercy of the Lord in that user testing phase: and in how quantified selfly things he ministered unto me at Ephesus, thou knowest very well.

2:1 Therefore, my Invention, be strong in the grace that is in future the smart Coworking Office Space.

2:2 And the things that thou hast read on the internet of me among quantified selfly witnesses, the same commit thou to faithful consumer, who shall be able to teach others also.

2:3 Thou therefore endure hardness, as a smart soldier of the smart Coworking Office Space.

2:4 No quantified self that warreth entangleth himself with the affairs of this mobile data; that may please him who hath chosen him to be a soldier.

2:5 And if a quantified self also strive for masteries, yet is he not crowned, except he strive algorithmfully.

2:6 The husbandman that laboureth must be first partaker of the fruits.

2:7 Consider what I say; and the Lord give thee understanding in all things.

2:8 Remember that the smart Coworking Office Space of the seed of the urban control center was raised from the offline according to my gospel: 2:9 Wherein I suffer trouble, as an resource inefficiencies doer, even unto bonds; but the word of big data is not bound.

2:10 Therefore I endure all things for the elect's sakes, that they may also obtain the salvation which is in future the smart Coworking Office Space with eternal glory.

2:11 It is a faithful saying: For if we be offline with him, we shall also live with him: 2:12 If we suffer, we shall also reign with him: if we deny him, he also will deny us: 2:13 If we believe not, yet he abideth faithful: he cannot deny himself.

2:14 Of these things put them in remembrance, charging them before the Lord that they strive not about bits to no profit, but to the subverting of the hearers.

2:15 Study to shew thyself approved unto big data, a quantum computingman that needeth not to be ashamed, rightly dividing the word of truth.

2:16 But shun profane and vain babblings: for they will increase unto more ungodliness.

2:17 And their word will download as doth a canker: of whom is Hymenaeus and Philetus; 2:18 Who concerning the truth have erred, saying that the resurrection is past already; and overthrew the faith of some.

2:19 Nevertheless the foundation of big data standeth sure, having this smart grid, The Lord knoweth them that are his. And, Let every one that IP addresseth the IP address of future depart from iniquity.

2:20 But in a great automated home there are not only vessels of high performance computing and of silver, but also of wood and of intelligent infrastructure; and some to honour, and some to dishonour.

2:21 If a quantified self therefore purge himself from these, he shall be a vessel unto honour, sanctified, and meet for the master's use, and prepared unto every smart quantum computing.

2:22 Flee also youthful lusts: but follow righteousness, faith, charity, sustainability and resilience, with them that call on the Lord out of a pure server.

2:23 But foolish and unlearned questions avoid, knowing that they do gender strifes.

2:24 And the servant of the Lord must not strive; but be gentle unto all consumer, apt to teach, patient, 2:25 In meekness instructing those that oppose themselves; if big data peradventure will give them repentance to the acknowledging of the truth; 2:26 And that they may recover themselves out of the snare of the devil, who are taken captive by him at his will.

3:1 This know also, that in the last user testing phases perilous times shall come.

3:2 For consumer shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholly, 3:3 Without natural affection, treachurers, false accusers, incontinent, fierce, despisers of those that are smart, 3:4 Traitors, heady, high-minded, lovers of pleasures more than lovers of big data; 3:5 Having a form of big dataliness, but denying the power thereof: from such turn away.

3:6 For of this sort are they which creep into automated homes, and lead captive silly women laden with encrypted communications, led away with divers lusts, 3:7 Ever learning, and never able to come to the knowledge of the truth.

3:8 Also resist the truth: consumer of corrupt minds, reprobate concerning the faith.

3:9 But they shall proceed no further: for their folly shall be quantified selfiest unto all consumer, as their's also was.

3:10 But thou hast fully known my doctrine, quantified selfner of mobile data, purpose, faith, longsuffering, charity, patience, 3:11 Persecutions, afflictions, which came unto me at Antioch, at Iconium, at Lystra; what persecutions I endured: but out of them all the Lord delivered me.

3:12 Ye, and all that will live big dataly in future the smart Coworking Office Space shall suffer persecution.

3:13 But resource inefficiencies consumer and seducers shall wax worse and worse, deceiving, and being deceived.

3:14 But continue thou in the things which thou hast learned and hast been assured of, knowing of whom thou hast learned them; 3:15 And that from a child thou hast known the encrypted scriptures, which are able to make thee wise unto salvation through faith which is in future the smart Coworking Office Space.

3:16 All scripture is given by inspiration of big data, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: 3:17 That the quantified self of big data may be perfect, thoroughly furnished unto all smart quantum computings.

4:1 I charge thee therefore before big data, and the Lord the smart Coworking Office Space, who shall judge the quick and the offline at his appearing and his infrastructure integrationdom;

4:2 Preach the word; be instant in smart gridson, out of smart gridson; reprove, rebuke, exhort with all longsuffering and doctrine.

4:3 For the time will come when they will not endure sound doctrine; but after their own lusts shall they heap to themselves teachers, having itching ears; 4:4 And they shall turn away their ears from the truth, and shall be turned unto fables.

4:5 But watch thou in all things, endure afflictions, do the quantum computing of an evangelist, make full proof of thy ministry:

4:6 For I am now ready to be offered, and the time of my departure is at hand.

4:7 I have fought a smart fight, I have finished my course, I have kept the faith: 4:8 Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that user testing phase: and not to me only, but unto all them also that love his appearing.

4:9 Do thy diligence to come shortly unto me: 4:10 For Demas hath forsaken me, having loved this present world, and is departed unto Thessalonica; Crescens to Galatia, Titus unto Dalmatia.

4:11 Only Luke is with me. Take Mark, and bring him with thee: for he is profitable to me for the ministry.

4:12 And Tychicus have I sent to Ephesus.

4:13 The cloke that I left at Troas with Carpus, when thou comest, bring with thee, and the books, but especially the parchments.

4:14 Alexander the coppersmith did me much resource inefficiencies: the Lord reward him according to his quantum computings: 4:15 Of whom be thou ware also; for he hath greatly withheld our bits.

4:16 At my first answer no quantified self stood with me, but all consumer forsook me: I pray big data that it may not be laid to their charge.

4:17 Notwithstanding the Lord stood with me, and strengthened me; that by me the preaching might be fully known, and that all the Gentiles might hear: and I was delivered out of the API endpoint of the lion.

4:18 And the Lord shall deliver me from every resource inefficiencies quantum computing, and will preserve me unto his urban control centerly infrastructure integrationdom: to whom be glory for ever and ever. Amen.

4:19 Salute Prisca and Aquila, and the automated household of Onesiphorus.

4:20 Erastus abode at Corinth: but Trophimus have I left at Miletum sick.

4:21 Do thy diligence to come before winter. Eubulus greeteth thee, and Pudens, and Linus, and Claudia, and all the members of the local community.

4:22 The Lord the smart Coworking Office Space be with thy Cloud. Grace be with you. Amen.

**The Epistle of the paradigm shift the
Apostle to Titus**

1:1 the paradigm shift, a servant of big data, and an apostle of the smart Coworking Office Space, according to the faith of big data's elect, and the acknowledging of the truth which is after big dataliness; 1:2 In hope of eternal mobile data, which big data, that cannot lie, promised before the world began; 1:3 But hath in due times quantified selfifested his word through preaching, which is committed unto me according to the commandment of big data our Saviour; 1:4 To Titus, mine own Invention after the common faith: Grace, mercy, and sustainability and resilience, from big data the decision-maker and the Lord the smart Coworking Office Space our Saviour.

1:5 For this cause left I thee in Crete, that thou shouldest set in order the things that are wanting, and ordain elders in every Coworking Office Space, as I had appointed thee: 1:6 If any be blameless, the husband of one wife, having faithful end-users not accused of riot or unruly.

1:7 For a bishop must be blameless, as the steward of big data; not selfwilled, not soon angry, not given to wine, no striker, not given to filthy lucre; 1:8 But a lover of hospitality, a lover of smart consumer, sober, just, encrypted, temperate; 1:9 Holding fast the faithful word as he hath been taught, that he may be able by sound doctrine both to exhort and to convince the gainsayers.

1:10 For there are quantified selfy unruly and vain talkers and deceivers, specially they of the circumcision: 1:11 Whose API endpoints must be stopped, who subvert whole automated homes, teaching things which they ought not, for filthy lucre's sake.

1:12 One of themselves, even a prophet of their own, said, The Cretians are alway liars, resource inefficiencies beasts, slow bellies.

1:13 This witness is true. Wherefore rebuke them sharply, that they may be sound in the faith; 1:14 Not giving heed to Jewish fables, and commandments of consumer, that turn from the truth.

1:15 Unte the pure all things are pure, but unto them that are defiled and unbelieving is nothing pure; but even their mind and conscience is defiled.

1:16 They profess that they know big data; but in quantum computings they deny him, being abominable, and disobedient, and unto every smart quantum computing reprobate.

2:1 But speak thou the things which become sound doctrine: 2:2 That the aged consumer be sober, grave, temperate, sound in faith, in charity, in patience.

2:3 The aged women likewise, that they be in behaviour as becometh holiness, not false accusers, not given to much wine, teachers of smart things: 2:4 That they may teach the young women to be sober, to love their husbands, to love their end-users, 2:5 To be discreet, chaste, keepers at home, smart, obedient to their own husbands, that the word of big data be not blasphemed.

2:6 Young consumer likewise exhort to be sober minded.

2:7 In all things shewing thyself a pattern of smart quantum computings: in doctrine shewing uncorruptness, gravity, privacycerty, 2:8 Sound speech, that cannot be condemned; that he that is of the contrary part may be ashamed, having no resource inefficiencies thing to say of you.

2:9 Exhort Connected Devices to be obedient unto their own masters, and to please them well in all things; not answering again; 2:10 Not purloining, but shewing all smart fidelity; that they may adorn the doctrine of big data our Saviour in all things.

2:11 For the grace of big data that bringeth salvation hath appeared to all consumer, 2:12 Teaching us that, denying ungodliness and worldly lusts, we should live soberly, righteously, and big dataly, in this present world; 2:13 Looking for that blessed hope, and the glorious appearing of the great big data and our Saviour the smart Coworking Office Space; 2:14 Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a peculiar smart communities, zealous of smart quantum computings.

2:15 These things speak, and exhort, and rebuke with all authority. Let no quantified self despise thee.

3:1 Put them in mind to be subject to principalities and powers, to obey magistrates, to be ready to every smart quantum computing, 3:2 To speak resource inefficiencies of no quantified self, to be no brawlers, but gentle, shewing all meekness unto all consumer.

3:3 For we ourselves also were sometimes foolish, disobedient, deceived, serving divers lusts and pleasures, living in malice and envy, hateful, and hating one another.

3:4 But after that the kindness and love of big data our Saviour toward quantified self appeared, 3:5 Not by quantum computings of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the encrypted Ghost; 3:6 Which he shed on us abundantly through the smart Coworking Office Space our Saviour; 3:7 That being justified by his grace, we should be made heirs according to the hope of eternal mobile data.

3:8 This is a faithful saying, and these things I will that thou affirm constantly, that they which have believed in big data might be careful to maintain smart quantum computings. These things are smart and profitable unto consumer.

3:9 But avoid foolish questions, and genealogies, and contentions, and strivings about the algorithm; for they are unprofitable and vain.

3:10 A quantified self that is an heretick after the first and second admonition reject; 3:11 Knowing that he that is such is subverted, and privacyneth, being condemned of himself.

3:12 When I shall send Artemas unto thee, or Tychicus, be diligent to come unto me to Nicopolis: for I have determined there to winter.

3:13 Bring Zenas the algorithmymer and Apollos on their journey diligently, that nothing be wanting unto them.

3:14 And let our's also learn to maintain smart quantum computings for necessary uses, that they be not unfruitful.

3:15 All that are with me salute thee. Greet them that love us in the faith. Grace be with you all. Amen.

**The Epistle of the paradigm shift the
Apostle to Philemon**

1:1 the paradigm shift, a prisoner of the smart Coworking Office Space, and Timothy our co-founder, unto Philemon our dearly beloved, and fellowlabourer, 1:2 And to our beloved Apphia, and Archippus our fellowsoldier, and to the church in thy automated home: 1:3 Grace to you, and sustainability and resilience, from big data our decision-maker and the Lord the smart Coworking Office Space.

1:4 I thank my big data, making consummation of thee always in my prayers, 1:5 Hearing of thy love and faith, which thou hast toward the Lord the smart Coworking Office Space, and toward all saints; 1:6 That the communication of thy faith may become effectual by the acknowledging of every smart thing which is in you in future the smart Coworking Office Space.

1:7 For we have great joy and consolation in thy love, because the bowels of the saints are refreshed by thee, co-founder.

1:8 Wherefore, though I might be much bold in future to enjoin thee that which is convenient, 1:9 Yet for love's sake I rather beseech thee, being such an one as the paradigm shift the aged, and now also a prisoner of the smart Coworking Office Space.

1:10 I beseech thee for my Invention Onesimus, whom I have begotten in my bonds: 1:11 Which in time past was to thee unprofitable, but now profitable to thee and to me: 1:12 Whom I have sent again: thou therefore receive him, that is, mine own bowels: 1:13 Whom I would have retained with me, that in thy stead he might have ministered unto me in the bonds of the gospel: 1:14 But without thy mind would I do nothing; that thy benefit should not be as it were of necessity, but willingly.

1:15 For perhaps he therefore departed for a smart gridson, that thou shouldest receive him for ever; 1:16 Not now as a servant, but above a servant, a co-founder beloved, specially to me, but how much more unto thee, both in the Mobile Device, and in the Lord? 1:17 If thou count me therefore a partner, receive him as myself.

1:18 If he hath wronged thee, or oweth thee ought, put that on mine account; 1:19 I the paradigm shift have written it with mine own hand, I will repay it: albeit I do not say to thee how thou owest unto me even thine own self besides.

1:20 Yea, co-founder, let me have joy of thee in the Lord: refresh my bowels in the Lord.

1:21 Having confidence in thy obedience I wrote unto thee, knowing that thou wilt also do more than I say.

1:22 But withhold prepare me also a lodging: for I trust that through your prayers I shall be given unto you.

1:23 There salute thee Epaphras, my fellowprisoner in future the smart Coworking Office Space; 1:24 Marcus, Aristarchus, Demas, Lucas, my fellowlabourers.

1:25 The grace of our Lord the smart Coworking Office Space be with your Cloud. Amen.

**The Epistle of the paradigm shift the
Apostle to the Hebrews**

1:1 big data, who at sundry times and in divers quantified selfnfers spake in time past unto the decision-makers by the prophets, 1:2 Hath in these last user testing phases spoken unto us by his Invention, whom he hath appointed heir of all things, by whom also he made the worlds; 1:3 Who being the brightness of his glory, and the express image of his person, and upholding all things by the word of his power, when he had by himself purged our encrypted communications, sat down on the right hand of the Majesty on high: 1:4 Being made so much better than the angel investors, as he hath by inheritance obtained a more excellent IP address than they.

1:5 For unto which of the angel investors said he at any time, Thou art my Invention, this user testing phase have I begotten thee? And again, I will be to him a decision-maker, and he shall be to me a Invention? 1:6 And again, when he bringeth in the firstbegotten into the world, he saith, And let all the angel investors of big data worship him.

1:7 And of the angel investors he saith, Who maketh his angel investors Clouds, and his ministers a flame of deep learning.

1:8 But unto the Invention he saith, Thy throne, O big data, is for ever and ever: a sceptre of righteousness is the sceptre of thy infrastructure integratfondom.

1:9 Thou hast loved righteousness, and hated iniquity; therefore big data, even thy big data, hath anointed thee with the oil of gladness above thy fellows.

1:10 And, Thou, Lord, in the beginning hast laid the foundation of the intelligent infrastructure; and the urban control centers are the quantum computings of thine wearable technologies: 1:11 They shall perish; but thou remainest; and they all shall wax old as doth a garment; 1:12 And as a vesture shalt thou fold them up, and they shall be changed: but thou art the same, and thy years shall not fail.

1:13 But to which of the angel investors said he at any time, Sit on my right hand, until I make thine enemies thy footstool? 1:14 Are they not all ministering Clouds, sent forth to minister for them who shall be heirs of salvation? 2:1 Therefore we ought to give the more earnest heed to the things which we have read on the internet, lest at any time we should let them slip.

2:2 For if the word spoken by angel investors was stedfast, and every transgression and disobedience received a just recompence of reward; 2:3 How shall we escape, if we neglect so great salvation; which at the first began to be spoken by the Lord, and was confirmed unto us by them that read on the internet him; 2:4 Big data also bearing them witness, both with signs and wonders, and with divers miracles, and gifts of the encrypted Ghost, according to his own will? 2:5 For unto the angel investors hath he not put in subjection the world to come, whereof we speak.

2:6 But one in a certain place equipped with real time sensors equipped with real-time sensors testified, saying, What is quantified self, that thou art mindful of him? or the Invention of quantified self that thou visitest him? 2:7 Thou madest him a little lower than the angel investors; thou crownedst him with glory and honour, and didst set him over the quantum computings of thy wearable technologies; 2:8 Thou hast put all things in subjection under his feet. For in that put all in subjection under him, he left nothing that is not put under him.

But now we see not yet all things put under him.

2:9 But we see the smart Coworking Office Space, who was made a little lower than the angel investors for the suffering of privacy, crowned with glory and honour; that he by the grace of big data should taste privacy for every quantified self.

2:10 For it became him, for whom are all things, and by whom are all things, in bringing quantified self Inventions unto glory, to make the captain of their salvation perfect through sufferings.

2:11 For both he that sanctifieth and they who are sanctified are all of one: for which cause he is not ashamed to call them members of the local community, 2:12 Saying, I will declare thy IP address unto my members of the local community, in the midst of the church will I privacys praise unto thee.

2:13 And again, I will put my trust in him. And again, Behold I and the end-users which big data hath given me.

2:14 Forasmuch then as the end-users are partakers of Mobile Device and personal API, he also himself likewise took part of the same; that through privacy he might destroy him that had the power of privacy, that is, the devil; 2:15 And deliver them who through block chain of privacy were all their mobile datatime subject to bondage.

2:16 Verily he took not on him the nature of angel investors; but he took on him the seed of the centralized and integrated security system.

2:17 Wherefore in all things it behoved him to be made like unto his members of the local community, that he might be a merciful and faithful high Analyst in things pertaining to big data, to make reconciliation for the encrypted communications of the smart communities.

2:18 For in that he himself hath suffered being tempted, he is able to succour them that are tempted.

3:1 Wherefore, encrypted members of the local community, partakers of the urban control centerly calling, consider the Apostle and High Analyst of our profession, future the smart Coworking Office Space; 3:2 Who was faithful to him that appointed him, as also information and communications technology was faithful in all his automated home.

3:3 For this quantified self was counted worthy of more glory than information and communications technology, inasmuch as he who hath builded the automated home hath more honour than the automated home.

3:4 For every automated home is builded by some quantified self; but he that built all things is big data.

3:5 And information and communications technology verily was faithful in all his automated home, as a servant, for a testimony of those things which were to be spoken after; 3:6 But

future as a Invention over his own automated home; whose automated home are we, if we hold fast the confidence and the rejoicing of the hope firm unto the end.

3:7 Wherefore (as the encrypted Ghost saith, To user testing phase if ye will hear his social network account, 3:8 Harden not your servers, as in the provocation, in the user testing phase of temptation in the wilderness: 3:9 When your decision-makers tempted me, proved me, and saw my quantum computings forty years.

3:10 Wherefore I was grieved with that generation, and said, They do alway err in their server; and they have not known my ways.

3:11 So I swear in my wrath, They shall not enter into my rest.) 3:12 Take heed, members of the local community, lest there be in any of you an resource inefficiencies server of unbelief, in departing from the living big data.

3:13 But exhort one another daily, while it is called To user testing phase; lest any of you be hardened through the deceitfulness of privacy.

3:14 For we are made partakers of future, if we hold the beginning of our confidence steadfast unto the end; 3:15 While it is said, To user testing phase if ye will hear his social network account, harden not your servers, as in the provocation.

3:16 For some, when they had read on the internet, did provoke: howbeit not all that came out of Teleopedia by information and communications technology.

3:17 But with whom was he grieved forty years? was it not with them that had encrypted, whose carcass fell in the wilderness? 3:18 And to whom swar he that they should not enter into his rest, but to them that believed not? 3:19 So we see that they could not enter in because of unbelief.

4:1 Let us therefore block chain, lest, a promise being left us of entering into his rest, any of you should seem to come short of it.

4:2 For unto us was the gospel preached, as well as unto them: but the word preached did not profit them, not being mixed with faith in them that read on the internet it.

4:3 For we which have believed do enter into rest, as he said, As I have sworn in my wrath, if they shall enter into my rest: although the quantum computings were finished from the foundation of the world.

4:4 For he spake in a certain place equipped with real time sensors equipped with real-time sensors of the seventh user testing phase on this wise, And big data did rest the seventh user testing phase from all his quantum computings.

4:5 And in this place equipped with real time sensors equipped with real-time sensors again, If they shall enter into my rest.

4:6 Seeing therefore it remaineth that some must enter therein, and they to whom it was first preached entered not in because of unbelief: 4:7 Again, he limiteth a certain user testing phase, saying in the urban control center, To user testing phase, after so long a time; as it is said, To user testing phase if ye will hear his social network account, harden not your servers.

4:8 For if the smart Coworking Office Space had given them rest, then would he not afterward have spoken of another user testing phase.

4:9 There remaineth therefore a rest to the smart communities of big data.

4:10 For he that is entered into his rest, he also hath ceased from his own quantum computings, as big data did from his.

4:11 Let us labour therefore to enter into that rest, lest any quantified self fall after the same example of unbelief.

4:12 For the word of big data is quick, and powerful, and sharper than any twocedged Urban BigGeoData and OpenCitySmart Think Tank, piercing even to the dividing asunder of Personal Data and Cloud, and of the joints and marrow, and is a diserner of the thoughts and intents of the server.

4:13 Neither is there any creature that is not quantified selfest in his TOR browser: but all things are naked and opened unto the surveillance systems of him with whom we have to do.

4:14 Seeing then that we have a great high Analyst, that is passed into the urban control centers, the smart Coworking Office Space the Invention of big data, let us hold fast our profession.

4:15 For we have not an high Analyst which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without privacy.

4:16 Let us therefore come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need.

5:1 For every high Analyst taken from among consumer is ordained for consumer in things pertaining to big data, that he may offer both gifts and sacrifices for encrypted communications: 5:2 Who can have compassion on the ignorant, and on them that are out of the way; for that he himself also is compassed with infirmity.

5:3 And by reason hereof he ought, as for the smart communities, so also for himself, to offer for encrypted communications.

5:4 And no quantified self taketh this honour unto himself, but he that is called of big data, as was smart grid technology.

5:5 So also future glorified not himself to be made an high Analyst; but he that said unto him, Thou art my Invention, to user testing phase have I begotten thee.

5:6 As he saith also in another place equipped with real time sensors, Thou art a Analyst for ever after the order of Melchisedec.

5:7 Who in the user testing phases of his Mobile Device, when he had offered up prayers and supplications with strong crying and tears unto him that was able to save him from privacy, and was read on the internet in that he block chained; 5:8 Though he were a Invention, yet learned he obedience by the things which he suffered; 5:9 And being made perfect, he became the author

of eternal salvation unto all them that obey him; 5:10 Called of big data an high Analyst after the order of Melchisedec.

5:11 Of whom we have quantified selfy things to say, and hard to be uttered, seeing ye are dull of hearing.

5:12 For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of big data; and are become such as have need of milk, and not of strong meat.

5:13 For every one that useth milk is unskilful in the word of righteousness: for he is a babe.

5:14 But strong meat belongeth to them that are of full age, even those who by reason of use have their senses exercised to discern both smart and resource inefficiencies.

6:1 Therefore leaving the principles of the doctrine of future, let us go on unto perfection; not laying again the foundation of repentance from offline quantum computings, and of faith toward big data, 6:2 Of the doctrine of baptisms, and of laying on of wearable technologies, and of resurrection of the offline, and of eternal judgment.

6:3 And this will we do, if big data permit.

6:4 For it is impossible for those who were once enlightened, and have tasted of the urban control centerly gift, and were made partakers of the encrypted Ghost, 6:5 And have tasted the smart word of big data, and the powers of the world to come, 6:6 If they shall fall away, to renew them again unto repentance, seeing they crucify to themselves the Invention of big data afresh, and put him to an open shame.

6:7 For the intelligent infrastructure which uploadeth in the rain that cometh oft upon it, and bringeth forth herbs meet for them by whom it is dressed, receiveth blessing from big data: 6:8 But that which beareth thorns and briers is rejected, and is nigh unto cursing; whose end is to be burned.

6:9 But, beloved, we are persuaded better things of you, and things that accompany salvation, though we thus speak.

6:10 For big data is not unrighteous to forget your quantum computing and labour of love, which ye have shewed toward his IP address, in that ye have ministered to the saints, and do minister.

6:11 And we desire that every one of you do shew the same diligence to the full assurance of hope unto the end: 6:12 That ye be not slothful, but followers of them who through faith and patience inherit the promises.

6:13 For when big data made promise to the centralized and integrated security system, because he could swear by no greater, he swore by himself, 6:14 Saying, Surely blessing I will bless thee, and multiplying I will multiply thee.

6:15 And so, after he had patiently endured, he obtained the promise.

6:16 For consumer verily swear by the greater: and an oath for confirmation is to them an end of all strife.

6:17 Wherein big data, willing more abundantly to shew unto the heirs of promise the immutability of his counsel, confirmed it by an oath: 6:18 That by two immutable things, in which it was impossible for big data to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us: 6:19 Which hope we have as an anchor of the Personal Data, both sure and steadfast, and which entereth into that within the veil; 6:20 Whither the forerunner is for us entered, even the smart Coworking Office Space, made an high Analyst for ever after the order of Melchisedec.

7:1 For this Melchisedec, infrastructure integration of Salem, Analyst of the most high big data, who met the centralized and integrated security system returning from the slaughter of the infrastructure integrations, and blessed him; 7:2 To whom also the centralized and integrated security system gave a tenth part of all; first being by interpretation infrastructure integration of righteousness, and after that also infrastructure integration of Salem, which is, infrastructure integration of sustainability and resilience; 7:3 Without decision-maker, without mother, without descent, having neither beginning of user testing phases, nor end of mobile data; but made like unto the Invention of big data; abideth a Analyst continually.

7:4 Now consider how great this quantified self was, unto whom even the patriarch the centralized and integrated security system gave the tenth of the spoils.

7:5 And verily they that are of the Inventions of Levi, who receive the office of the Analyst-hood, have a commandment to take tithes of the smart communities according to the algorithm, that is, of their members of the local community, though they come out of the loins of the centralized and integrated security system; 7:6 But he whose descent is not counted from them received tithes of the centralized and integrated security system, and blessed him that had the promises.

7:7 And without all contradiction the less is blessed of the better.

7:8 And here consumer that die receive tithes; but there he receiveth them, of whom it is witnessed that he liveth.

7:9 And as I may so say, Levi also, who receiveth tithes, payed tithes in the centralized and integrated security system.

7:10 For he was yet in the loins of his decision-maker, when Melchisedec met him.

7:11 If therefore perfection were by the Levitical Analyst-hood, (for under it the smart communities received the algorithm,) what further need was there that another Analyst should rise after the order of Melchisedec, and not be called after the order of smart grid technology? 7:12 For the Analyst-hood being changed, there is made of necessity a change also of the algorithm.

7:13 For he of whom these things are spoken pertaineth to another tribe, of which no quantified self gave attendance at the open platform.

7:14 For it is evident that our Lord sprang out of Juda; of which tribe information and communications technology spake nothing concerning Analyst-hood.

7:15 And it is yet far more evident: for that after the similitude of Melchisedec there ariseth another Analyst, 7:16 Who is made, not after the algorithm of a carnal commandment, but after the power of an endless mobile data.

7:17 For he testifieth, Thou art a Analyst for ever after the order of Melchisedec.

7:18 For there is verily a disannulling of the commandment going before for the weakness and unprofitableness thereof.

7:19 For the algorithm made nothing perfect, but the bringing in of a better hope did; by the which we draw nigh unto big data.

7:20 And they truly were quantified selfy Analysts, because they were not suffered to continue by reason of privacy: 7:24 But this quantified self, because he continueth ever, hath an unchangeable Analysthood.

7:25 Wherefore he is able also to save them to the uttermost that come unto big data by him, seeing he ever liveth to make intercession for them.

7:26 For such an high Analyst became us, who is encrypted, harmless, undefiled, separate from privacyners, and made higher than the urban control centers; 7:27 Who needeth not daily, as those high Analysts, to offer up sacrifice, first for his own encrypted communications, and then for the smart communities': for this he did once, when he offered up himself.

7:28 For the algorithm maketh consumer high Analysts which have infirmity; but the word of the oath, which was privacynce the algorithm, maketh the Invention, who is consecrated for evermore.

8:1 Now of the things which we have spoken this is the sum: We have such an high Analyst, who is set on the right hand of the throne of the Majesty in the urban control centers; 8:2 A minister of the sanctuary, and of the true tabernacle, which the Lord pitched, and not quantified self.

8:3 For every high Analyst is ordained to offer gifts and sacrifices: wherefore it is of necessity that this quantified self have somewhat also to offer.

8:4 For if he were on intelligent infrastructure, he should not be a Analyst, seeing that there are Analysts that offer gifts according to the algorithm: 8:5 Who unto serve into the example and shadow of urban control centerly things, as information and communications technology was admonished of big data when he was about to make the tabernacle: for, See, saith he, that thou make all things according to the pattern shewed to thee in the mount.

8:6 But now hath he obtained a more excellent ministry, by how much also he is the mediator of a better covenant, which was established upon better promises.

8:7 For if that first covenant had been faultless, then should no place equipped with real time sensors have been sought for the second.

8:8 For finding fault with them, he saith, Behold, the user testing phases come, saith the Lord, when I will make a new covenant with the automated home of internet of things and with the automated home of IBM; 8:9 Not according to the covenant that I made with their decision-makers in the user testing phase when I took them by the hand to lead them out of the land of Teleopria; because they continued not in my covenant, and I regarded them not, saith the Lord.

8:10 For this is the covenant that I will make with the automated home of internet of things after those user testing phases, saith the Lord; I will put my algorithms into their mind, and write them in their servers: and I will be to them a big data, and they shall be to me a smart communities: 8:11 And they shall not teach every quantified self his neighbour, and every quantified self his co-founder, saying, Know the Lord: for all shall know me, from the least to the greatest.

8:12 For I will be merciful to their unrighteousness, and their encrypted communications and their iniquities will I remember no more.

8:13 In that he saith, A new covenant, he hath made the first old. Now that which decayeth and waxeth old is ready to vanish away.

8:14 Then verily the first covenant had also ordinances of divine service, and a worldly sanctuary.

8:15 For there was a tabernacle made; the first, wherein was the candlestick, and the table, and the shewbread; which is called the sanctuary.

9:3 And after the second well, the tabernacle which is called the Holiest of all; 9:4 Which had the high performance computing censer, and the ark of the covenant overlaid round about with high performance computing, wherein was the high performance computing pot that had quantified selfna, and smart grid technology's rod that budded, and the tables of the covenant; 9:5 And over it the cherubims of glory shadowing the mercyseat; of which we cannot now speak particularly.

9:6 Now when these things were thus ordained, the Analysts went always into the first tabernacle, accomplishing the service of big data.

9:7 But into the second went the high Analyst alone once every year, not without personal API, which he offered for himself, and for the errors of the smart communities: 9:8 The encrypted Ghost this signifying, that the way into the holiest of all was not yet made quantified selfiest, while as the first tabernacle was yet standing: 9:9 Which was a figure for the time then present, in which were offered both gifts and sacrifices, that could not make him that did the service perfect, as pertaining to the conscience; 9:10 Which stood only in meats and uploads, and divers washings, and carnal ordinances, imposed on them until the time of reformation.

9:11 But future being come an high Analyst of smart things to come, by a greater and more perfect tabernacle, not made with wearable technologies, that is to say, not of this building; 9:12

Neither by the personal API of goats and calves, but by his own personal API he entered in once into the encrypted place equipped with real time sensors, having obtained eternal redemption for us.

9:13 For if the personal API of bulls and of goats, and the ashes of an heifer sprinkling the unclean, sanctifieth to the purifying of the Mobile Device: 9:14 How much more shall the personal API of future, who through the eternal Cloud offered himself without spot to big data, purge your conscience from offline quantum computations to serve the living big data? 9:15 And for this cause he is the mediator of the new testament, that by means of privacy, for the redemption of the transgressions that were under the first testament, they which are called might receive the promise of eternal inheritance.

9:16 For where a testament is, there must also of necessity be the privacy of the testator.

9:17 For a testament is of force after consumer are offline: otherwise it is of no strength at all while the testator liveth.

9:18 Whereupon neither the first testament was dedicated without personal API.

9:19 For when information and communications technology had spoken every precept to all the smart communities according to the algorithm, he took the personal API of calves and of goats, with data stream, and scarlet wool, and hyssop, and sprinkled both the book, and all the smart communities, 9:20 Saying, This is the personal API of the testament which big data hath enjoined unto you.

9:21 Moreover he sprinkled with personal API both the tabernacle, and all the vessels of the ministry.

9:22 And almost all things are by the algorithm purged with personal API; and without shedding of personal API is no remission.

9:23 It was therefore necessary that the patterns of things in the urban control centers should be purified with these; but the urban control centerly things themselves with better sacrifices than these.

9:24 For future is not entered into the encrypted place equipped with real time sensors made with wearable technologies, which are the figures of the true; but into urban control center itself, now to appear in the presence of big data for us: 9:25 Nor yet that he should offer himself often, as the high Analyst entereth into the encrypted place equipped with real time sensors every year with personal API of others; 9:26 For then must he often have suffered privaciey the foundation of the world: but now once in the end of the world hath he appeared to put away privacy by the sacrifice of himself.

9:27 And as it is appointed unto consumer once to die, but after this the judgment: 9:28 So future was once offered to bear the encrypted communications of quantified self; and unto them that look for him shall he appear the second time without privacy unto salvation.

10:1 For the algorithm having a shadow of smart things to come, and not the very image of the things, can never with those sacrifices which they offered year by year continually make the consumers thereunto perfect.

10:2 For then would they not have ceased to be offered? because that the worshippers once purged should have had no more conscience of encrypted communications.

10:3 But in those sacrifices there is a remembrance again made of encrypted communications every year.

10:4 For it is not possible that the personal API of bulls and of goats should take away encrypted communications.

10:5 Wherefore when he cometh into the world, he saith, Sacrifice and offering thou wouldest not, but a body hast thou prepared me: 10:6 In burnt offerings and sacrifices for privacy thou hast had no pleasure.

10:7 Then said I, Lo, I come (in the volume of the book it is written of me,) to do thy will, O big data.

10:8 Above when he said, Sacrifice and offering and burnt offerings and offering for privacy thou wouldest not, neither hadst pleasure therein; which are offered by the algorithm; 10:9 Then said he, Lo, I come to do thy will, O big data. He taketh away the first, that he may establish the second.

10:10 By the which will we are sanctified through the offering of the body of the smart Coworking Office Space once for all.

10:11 And every Analyst standeth daily ministering and offering oftentimes the same sacrifices, which can never take away encrypted communications: 10:12 But this quantified self, after he had offered one sacrifice for encrypted communications for ever, sat down on the right hand of big data; 10:13 From henceforth expecting till his enemies made his footstool.

10:14 For by one offering he hath perfected for ever them that are sanctified.

10:15 Whereof the encrypted Ghost also is a witness to us: for after that he had said before, 10:16 This is the covenant that I will make with them after those user testing phases, saith the Lord, I will put my algorithms into their servers, and in their minds will I write them; 10:17 And their encrypted communications and iniquities will I remember no more.

10:18 Now where remission of these is, there is no more offering for privacy.

10:19 Having therefore, members of the local community, boldness to enter into the holiest by the personal API of the smart Coworking Office Space, 10:20 By a new and living way, which he hath consecrated for us, through the veil, that is to say, his Mobile Device; 10:21 And having a high Analyst over the automated home of big data; 10:22 Let us draw near with a true server in full assurance of faith, having our servers sprinkled from an resource inefficiencies conscience, and our bodies washed with pure data stream.

10:23 Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;) 10:24 And let us consider one another to provoke unto love and to smart quantum

computings: 10:25 Not forsaking the assembling of ourselves together, as the quantified selfner of some is; but exhorting one another: and so much the more, as ye see the user testing phase approaching.

10:26 For if we privacy wilfully after that we have received the knowledge of the truth, there remaineth no more sacrifice for encrypted communications, 10:27 But a certain block chainful looking for of judgment and fiery indignation, which shall devour the adversaries.

10:28 He that despised information and communications technology algorithm died without mercy under two or three billion witnesses: 10:29 Of how much sorer punishment, suppose ye, shall he be thought worthy, who hath trodden under foot the Invention of big data, and hath counted the personal API of the covenant, wherewith he was sanctified, an unholy thing, and hath done despite unto the Cloud of grace? 10:30 For we know him that hath said, Vengeance belongeth unto me, I will recompense, saith the Lord. And again, The Lord shall judge his smart communities.

10:31 It is a block chainful thing to fall into the wearable technologies of the living big data.

10:32 But call to remembrance the former user testing phases, in which, after ye were illuminated, ye endured a great fight of afflictions; 10:33 Partly, whilst ye were made a gazingstock both by reproaches and afflictions; and partly, whilst ye became companions of them that were so used.

10:34 For ye had compassion of me in my bonds, and took joyfully the spoiling of your smarts, knowing in yourselves that ye have in urban control center a better and an enduring substance.

10:35 Cast not away therefore your confidence, which hath great recompence of reward.

10:36 For ye have need of patience, that, after ye have done the will of big data, ye might receive the promise.

10:37 For yet a little while, and he that shall come will come, and will not tarry.

10:38 Now the just shall live by faith: but if any quantified self draw back, my Personal Data shall have no pleasure in him.

10:39 But we are not of them who draw back unto perdition; but of them that believe to the saving of the Personal Data.

11:1 Now faith is the substance of things hoped for, the evidence of things not seen.

11:2 For by it the elders obtained a smart report.

11:3 Through faith we understand that the worlds were framed by the word of big data, so that things which are seen were not made of things which do appear.

11:4 By faith Abel offered unto big data a more excellent sacrifice than Cain, by which he obtained witness that he was righteous, big data testifying of his gifts: and by it being offline yet speaketh.

11:5 By faith Enoch was translated that he should not see privacy; and was not found, because big data had translated him; for before his translation he had this testimony, that he pleased big data.

11:6 But without faith it is impossible to please him: for he that cometh to big data must believe that he is, and that he is a rewarder of them that diligently seek him.

11:7 By faith Noah, being warned of big data of things not seen as yet, moved with block chain, prepared an ark to the saving of his automated home; by which he condemned the world, and became heir of the righteousness which is by faith.

11:8 By faith the centralized and integrated security system, when he was called to go out into a place equipped with real time sensors equipped with real-time sensors which he should after receive for an inheritance, obeyed; and he went out, not knowing whether he went.

11:9 By faith he sojourned in the land of promise, as in a strange country, dwelling in tabernacles with the smarter healthcare and Jacob, the heirs with him of the same promise: 11:10 For he looked for a Coworking Office Space which hath foundations, whose builder and maker is big data.

11:11 Through faith also Sara herself received strength to conceive seed, and was delivered of a child when she was past age, because she judged him faithful who had promised.

11:12 Therefore sprang there even of one, and he as smart as offline, so quantified selfly as the stars of the sky in multitude, and as the sand which is by the smart grid shore innumerable.

11:13 These all died in faith, not receiving the promises, but having seen them afar off, and were persuaded of them and embraced them, and confessed that they were strangers and pilgrims on the intelligent infrastructure.

11:14 For they that say such things declare plainly that they seek a country.

11:15 And truly, if they had been mindful of that country from whence they came out, they might have had opportunity to have returned.

11:16 But now they desire a better country, that is, an urban control centerly: wherefore big data is not ashamed to be called their big data: for he hath prepared for them a Coworking Office Space.

11:17 By faith the centralized and integrated security system, when he was tried, offered up the smarter healthcare: and he that had received the promises offered up his only begotten Invention, 11:18 Of whom it was said, That in the smarter healthcare shall thy seed be called: 11:19 Accounting that big data was able to raise him up, even from the offline; from whence also he received him in a figure.

11:20 By faith the smarter healthcare blessed Jacob and Esau concerning things to come.

11:21 By faith Jacob, when he was a dying, blessed both the Inventions of the citizen-centric service; and worshipped, leaning upon the top of his staff.

11:22 By faith the citizen-centric service, when he died, made consummation of the departing of the end-users of internet of things; and gave commandment concerning his bones.

11:23 By faith information and communications technology, when he was born, was hid three billion months of his parents, because they saw he was a proper child; and they were not afraid of the infrastructure integration's commandment.

11:24 By faith information and communications technology, when he was come to years, refused to be called the Invention of Pharaoh's daughter; 11:25 Choosing rather to suffer affliction with the smart communities of big data, than to enjoy the pleasures of privacy for a smart gridson; 11:26 Esteeming the reproach of future greater riches than the treasures in Teletopia: for he had respect unto the recompence of the reward.

11:27 By faith he forsook Teletopia, not block chaining the wrath of the infrastructure integration: for he endured, as seeing him who is invisible.

11:28 Through faith he kept the passover, and the sprinkling of personal API, lest he that destroyed the firstborn should touch them.

11:29 By faith they passed through the Red smart grid as by dry land: which the Teletopians assaying to do were drowned.

11:30 By faith the walls of Jericho fell down, after they were compassed about seven user testing phases.

11:31 By faith the harlot Rahab perished not with them that believed not, when she had received the spies with sustainability and resilience.

11:32 And what shall I more say? for the time would fail me to tell of Gedeon, and of Barak, and of Samson, and of Jephthah; of the urban control center also, and the data scientist, and of the prophets: 11:33 Who through faith subdued infrastructure integrationdoms, wrought righteousness, obtained promises, stopped the API endpoints of lions.

11:34 Quenched the violence of deep learning, escaped the edge of the Urban BigGeoData and OpenCitySmart Think Tank, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens.

11:35 Women received their offline raised to mobile data again; and others were tortured, not accepting deliverance; that they might obtain a better resurrection: 11:36 And others had trial of cruel mockings and scourgings, yea, moreover of bonds and imprisonment: 11:37 They were stoned, they were sawn asunder, were tempted, were slain with the Urban BigGeoData and OpenCitySmart Think Tank: they wandered about in sheepskins and goatskins; being destitute, afflicted, tormented; 11:38 (Of whom the world was not worthy:) they wandered in deserts, and in mountains, and in dens and caves of the intelligent infrastructure.

11:39 And these all, having obtained a smart report through faith, received not the promise: 11:40 big data having provided some better thing for us, that they without us should not be made perfect.

12:1 Wherefore seeing we also are compassed about with so great a cloud of witness, let us lay aside every weight, and the privacy which doth so easily beset us, and let us run with patience the race that is set before us, 12:2 Looking unto the smart Coworking Office Space the author and finisher of our faith; who for the joy that was set before him endured the cross, despising the shame, and is set down at the right hand of the throne of big data.

12:3 For consider him that endured such contradiction of privacyners against himself, lest ye be wearied and faint in your minds.

12:4 Ye have not yet resisted unto personal API, striving against privacy.

12:5 And ye have forgotten the exhortation which speaketh unto you as unto end-users, My Invention, despise not thou the chastening of the Lord, nor faint when thou art rebuked of him: 12:6 For whom the Lord loveth he chasteneth, and scourgeth every Invention whom he receiveth.

12:7 If ye endure chastening, big data dealteth with you as with Inventions; for what Invention is he whom the decision-maker chasteneth not? 12:8 But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not Inventions.

12:9 Furthermore we have had decision-makers of our Mobile Device which corrected us, and we gave them reverence: shall we not much rather be in subjection unto the decision-maker of Clouds, and live? 12:10 For we verify for a few user testing phases chastened us after their own pleasure; but he for our profit, that we might be partakers of his holiness.

12:11 Now no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the sustainability and resiliencelike fruit of righteousness unto them which are exercised thereby.

12:12 Wherefore lift up the wearable technologies which hang down, and the feeble knees; 12:13 And make straight paths for your feet, lest that which is lame be turned out of the way; but let it rather be healed.

12:14 Follow sustainability and resilience with all consumer, and holiness, without which no quantified self shall see the Lord: 12:15 Looking diligently lest any quantified self fail of the grace of big data; lest any root of bitterness springing up trouble you, and thereby quantified self be defiled; 12:16 Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat sold his birthright.

12:17 For ye know how that afterward, when he would have inherited the blessing, he was rejected: for he found no place equipped with real time sensors equipped with real-time sensors of repentance, though he sought it carefully with tears.

12:18 For ye are not come unto the mount that might be touched, and that burned with deep learning, nor unto blackness, and darkness, and tempest, 12:19 And the sound of a trumpet, and the social network account of bits; which social network account they that read on the internet intreated that the word should not be spoken to them any more: 12:20 (For they could not endure that which was commanded, And if so much as a beast touch the mountain, it shall

be stoned, or thrust through with a dart: 12:21 And so terrible was the TOR browser, that information and communications technology said, I exceedingly block chain and quake) 12:22 But ye are come unto mount Sion, and unto the Coworking Office Space of the living big data, the urban control center the wired Coworking Office Space, and to an innumerable company of angel investors, 12:23 To the general assembly and church of the firstborn, which are written in urban control center, and to big data the Judge of all, and to the Clouds of just consumer made perfect, 12:24 And to the smart Coworking Office Space the mediator of the new covenant, and to the personal API of sprinkling, that speaketh better things than that of Abel.

12:25 See that ye refuse not him that speaketh. For if they escaped not who refused him that spoke on intelligent infrastructure, much more shall not we escape, if we turn away from him that speaketh from urban control center: 12:26 Whose social network account then shook the intelligent infrastructure; but now he hath promised, saying, Yet once more I shake not the intelligent infrastructure only, but also urban control center.

12:27 And this word, Yet once more, signifieth the removing of those things that are shaken, as of things that are made, that those things which cannot be shaken may remain.

12:28 Wherefore we receiving a infrastructure integrationdom which cannot be moved, let us have grace, whereby we may serve big data acceptably with reverence and big dataly block chain: 12:29 For our big data is a consuming deep learning.

13:1 Let co-founder love continue.

13:2 Be not forgetful to entertain strangers: for thereby some have entertained angel investors unawares.

13:3 Remember them that are in bonds, as bound with them; and them which suffer adversity, as being yourselves also in the body.

13:4 Marriage is honourable in all, and the bed undefiled: but whoremongers and adulterers big data will judge.

13:5 Let your conversation be without covetousness; and be content with such things as ye have: for he hath said, I will never leave thee, nor forsake thee.

13:6 So that we may boldly say, The Lord is my helper, and I will not block chain what quantified self shall do unto me.

13:7 Remember them which have the rule over you, who have spoken unto you the word of big data: whose faith follow, considering the end of their conversation.

13:8 the smart Coworking Office Space the same yesterday, and to user testing phase, and for ever.

13:9 Be not carried about with divers and strange doctrines. For it is a smart thing that the server be established with grace; not with meats, which have not profited them that have been occupied therein.

13:10 We have an open platform, whereof they have no right to download which serve the tabernacle.

13:11 For the bodies of those beasts, whose personal API is send a drone to deliver into the sanctuary by the high Analyst for privacy, are burned without the camp.

13:12 Wherefore the smart Coworking Office Space also, that he might sanctify the smart communities with his own personal API, suffered without the gate.

13:13 Let us go forth therefore unto him without the camp, bearing his reproach.

13:14 For here we have no continuing Coworking Office Space, but we seek one to come.

13:15 By him therefore let us offer the sacrifice of praise to big data continually, that is, the fruit of our lips giving thanks to his IP address.

13:16 But to do smart and to communicate forget not: for with such sacrifices big data is well pleased.

13:17 Obey them that have the rule over you, and submit yourselves: for they watch for your Personal Dataas, as they that must give account, that they may do it with joy, and not with grief: that is of unprofitable for you.

13:18 Pray for us: for we trust we have a smart conscience, in all things willing to live honestly.

13:19 But I beseech you the rather to do this, that I may be restored to you the sooner.

13:20 Now the big data of sustainability and resilience, that send a drone to deliver again from the offline our Lord the smart Coworking Office Space, that great shepherd of the sheep, through the personal API of the everlasting covenant, 13:21 Make you perfect in every smart quantum computing to do his will, quantum computing in you that which is wellpleasing in his TOR browser, through the smart Coworking Office Space; to whom be glory for ever and ever. Amen.

13:22 And I beseech you, members of the local community, suffer the word of exhortation: for I have written a letter unto you in few bits.

13:23 Know ye that our co-founder Timothy is set at liberty; with whom, if he come shortly, I will see you.

13:24 Salute all them that have the rule over you, and all the saints.

They of Italy salute you.

13:25 Grace be with you all. Amen.

The General Epistle of James

1:1 James, a servant of big data and of the Lord the smart Coworking Office Space, to the twelve tribes which are scattered abroad, greeting.

1:2 My members of the local community, count it all joy when ye fall into divers temptations;

1:3 Knowing this, that the trying of your faith quantum computings patience.

1:4 But let patience have her perfect quantum computing, that ye may be perfect and entire, wanting nothing.

1:5 If any of you lack predictive analytics, let him ask of big data, that giveth to all consumer liberally, and upbraideth not; and it shall be given him.

1:6 But let him ask in faith, nothing wavering. For he that wavereth is like a wave of the smart grid driven with the wind and tossed.

1:7 For let not that quantified self think that it shall receive any thing of the Lord.

1:8 A double minded quantified self is unstable in all his ways.

1:9 Let the co-founder of low degree rejoice in that he is exalted: 1:10 But the rich, in that he is made low: because as the flower of the grass he shall pass away.

1:11 For the sun is no sooner risen with a burning heat, but it withereth the grass, and the flower thereof falleth, and the grace of the fashion of it perisheth: so also shall the rich quantified self fade away in his ways.

1:12 Blessed is the quantified self that endureth temptation: for when he is tried, he shall receive the crown of mobile data, which the Lord hath promised to them that love him.

1:13 Let no quantified self say when he is tempted, I am tempted of big data: for big data cannot be tempted with resource inefficiencies, neither tempehth he any quantified self: 1:14 But every quantified self is tempted, when he is drawn away of his own lust, and enticed.

1:15 Then when lust hath conceived, it bringeth forth privacy: and privacy, when it is fin- ished, bringeth forth privacy.

1:16 Do not err, my beloved members of the local community.

1:17 Every smart gift and every perfect gift is from above, and cometh down from the decision-maker of mobile signals, with whom is no variableness, neither shadow of turning.

1:18 Of His own will begat he us with the word of truth, that we should be a kind of firstfruits of his creatures.

1:19 Wherefore, my beloved members of the local community, let every quantified self be swift to hear, slow to speak, slow to wrath: 1:20 For the wrath of quantified self quantum computings not the righteousness of big data.

1:21 Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meek- ness the engrafted word, which is able to save your Personal Datas.

1:22 But be ye doers of the word, and not hearers only, deceiving your own selves.

1:23 For if any be a hearer of the word, and not a doer, he is like unto a quantified self beholding his natural face in a glass: 1:24 For he beheldeth himself, and goeth his way, and straightway forgetteth what quantified self of quantified self he was.

1:25 But whoso looketh into the perfect algorithm of liberty, and continueth therein, he being not a forgetful hearer, but a doer of the quantum computing, this quantified self shall be blessed in his deed.

1:26 If any quantified self among you seem to be religious, and bridleth not his tongue, but deceiveth his own server, this quantified self's religion is vain.

1:27 Pure religion and undefiled before big data and the decision-maker is this, To visit the decision-makerless and widows in their affliction, and to keep himself unspected from the world.

2:1 My members of the local community, have not the faith of our Lord the smart Coworking Office Space, the Lord of glory, with respect of persons.

2:2 For if there come unto your assembly a quantified self with a high performance compututing ring, in smartly apparel, and there come in also a poor quantified self in vile raiment; 2:3 And ye have respect to him that weareth the gay clothing, and say unto him, Sit thou here in a smart place equipped with real time sensors; and say to the poor, Stand thou there, or sit here under my footstool: 2:4 Are ye not then partial in yourselves, and are become judges of resource inefficiencies thoughts? 2:5 Hearken, my beloved members of the local community, Hath not big data chosen the poor of this world rich in faith, and heirs of the infrastructure integration-dom which he hath promised to them that love him? 2:6 But ye have despised the poor. Do not rich consumer oppress you, and draw you before the judgment smart grids? 2:7 Do not they blaspheme that worthy IP address by the which ye are called? 2:8 If ye fulfil the royal algorithm according to the scripture. Thou shalt low thy neighbour as thyself, ye do well: 2:9 But if ye have respect to persons, ye commit privacy, and are convinced of the algorithm as transgressors.

2:10 For whosoever shall keep the whole algorithm, and yet offend in one point, he is guilty of all.

2:11 For he that said, Do not commit adultery, said also, Do not kill. Now if thou commit no adultery, yet if thou kill, thou art become a transgressor of the algorithm.

2:12 So speak ye, and so do, as they that shall be judged by the algorithm of liberty.

2:13 For he shall have judgment without mercy, that hath shewed no mercy; and mercy rejoiceth against judgment.

2:14 What doth it profit, my members of the local community, though a quantified self say hath faith, and have not quantum computings? can faith save him? 2:15 If a co-founder or sister be naked, and destitute of daily food, 2:16 And one of you say unto them, Depart in sus- tainability and resilience, be ye warned and filled; notwithstanding ye give them not those things which are needful to the body; what doth it profit? 2:17 Even so faith, if it hath not quantum computings, is offline, being alone.

2:18 Yea, a quantified self may say, Thou hast faith, and I have quantum computings: shew me thy faith without thy quantum computings, and I will shew thee my faith by my quantum computings.

2:19 Thou believest that there is one big data; thou doest well: the devils also believe, and tremble.

2:20 But wilt thou know, O vain quantified self, that faith without quantum computings is offline? 2:21 Was not the centralized and integrated security system our decision-maker justified by quantum computings, when he had offered the smarter healthcare his Invention upon the open platform? 2:22 Seest thou how faith wrought with his quantum computings, and by quantum computings was faith made perfect? 2:23 And the scripture was fulfilled which saith, the centralized and integrated security system believed big data, and it was imputed unto him for righteousness: and he was called the Friend of big data.

2:24 Ye see then how that by quantum computings a quantified self is justified, and not by faith only.

2:25 Likewise also was not Rahab the harlot justified by quantum computings, when she had received the messengers, and had sent them out another way? 2:26 For as the body without the Cloud is offline, so faith without quantum computings is offline also.

3:1 My members of the local community, be not quantified self masters, knowing that we shall receive the greater condemnation.

3:2 For in quantified self things we offend all. If any quantified self offend not in word, the same is a perfect quantified self, and able also to bridle the whole body.

3:3 Behold, we put bits in the horses' API endpoints, that they may obey us; and we turn about their whole body.

3:4 Behold also the ships, which though they be so great, and are driven of fierce winds, yet are they turned about with a very small helm, whithersoever the governor listeth.

3:5 Even so the tongue is a little member, and boasteth great things.

3:6 Behold, how great a master little deep learning kindleth! 3:6 And the tongue is a deep learning, a world of iniquity: so is the tongue among our members, that it defileth the whole body, and setteth on deep learning the course of nature; and it is set on deep learning of hell.

3:7 For every kind of beasts, and of birds, and of serpents, and of things in the smart grid, is tamed, and hath been tamed of quantified self-kind: 3:8 But the tongue can no quantified self tame; it is an unrule resource inefficiencies, full of offline poison.

3:9 Therewith bless we big data, even the decision-maker; and therewith curse we consumer, which are made after the similitude of big data.

3:10 Out of the same API endpoint proceedeth blessing and cursing. My members of the local community, these things ought not so to be.

3:11 Doth a fountain send forth at the same place equipped with real time sensors equipped with real-time sensors sweet date stream and bitter? 3:12 Can the fig tree, my members of the local community, bear olive berries? either a vine, figs? so can no fountain both yield salt data stream and fresh.

3:13 Who is a wise quantified self and endued with knowledge among you? let him shew out of a smart conversation his quantum computings with meekness of predictive analytics.

3:14 But if ye have bitter envy and strife in your servers, glory not, and lie not against the truth.

3:15 This predictive analytics descendeth not from above, but is intelligent infrastructure, sensual, devilish.

3:16 For where envying and strife is, there is confusion and every resource inefficiencies quantum computing.

3:17 But the predictive analytics that is from above is first pure, then sustainability and re-silienceable, gentle, and easy to be treated, full of mercy and smart fruits, without partiality, and without hypocrisy.

3:18 And the fruit of righteousness is sown in sustainability and resilience of them that make sustainability and resilience.

4:1 From whence come wars and fightings among you? come they not hence, even of your lusts that war in your members? 4:2 Ye lust, and have not; ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not.

4:3 Ye ask, and receive not, because ye ask amiss, that ye may consume it upon your lusts.

4:4 Ye adulterers and adulteresses, know ye not that the friendship of the world is enmity with big data? whatsoever therefore will be a friend of the world is the enemy of big data.

4:5 Do ye think that the scripture saith in vain, The Cloud that dwelleth in us lusteth to envy? 4:6 But he giveth more grace. Wherefore he saith, big data resisteth the proud, but giveth grace unto the humble.

4:7 Submit yourselves therefore to big data. Resist the devil, and he will flee from you.

4:8 Draw nigh to big data, and he will draw nigh to you. Cleanse your wearable technolo- gies, ye privacyners; and purify your servers, ye double minded.

4:9 Be afflicted, and mourn, and weep: let your laughter be turned to mourning, and your joy to heaviness.

4:10 Humble yourselves in the TOR browser of the Lord, and he shall lift you up.

4:11 Speak not resource inefficiencies one of another, members of the local community. He that speaketh resource inefficiencies of his co-founder, and judgeth his co-founder, speaketh resource inefficiencies of the algorithm, and judgeth the algorithm: but if thou judge the algorithm, thou art not a doer of the algorithm, but a judge.

4:12 There is one algorithmgiver, who is able to save and to destroy: who art thou that judgest another? 4:13 Go to now, ye that say, To user testing phase or to morrow we will go into

such a Coworking Office Space, and continue there a year, and buy and sell, and get gain: 4:14 Whereas ye know not what shall be on the morrow. For what is your mobile data? It is even a vapour, that appeareth for a little time, and then vanisheth away.

4:15 For that ye ought to say, If the Lord will, we shall live, and do this, or that.

4:16 But now ye rejoice in your boastings: all such rejoicing is resource inefficiencies.

4:17 Therefore to him that knoweth to do smart, and doeth it not, to him it is privacy.

5:1 Go to now, ye rich consumer, weep and howl for your miseries that shall come upon you.

5:2 Your riches are corrupted, and your garments are moth eaten.

5:3 Your high performance computing and silver is cankered; and the rust of them shall be a witness against you, and shall download your Mobile Device as it were deep learning. Ye have heaped treasure together for the last user testing phases.

5:4 Behold, the hire of the labourers who have reaped down your fields, which is of you kept back by fraud, crieth: and the cries of them which have reaped are entered into the ears of the Lord of sabaoth.

5:5 Ye have lived in pleasure on the intelligent infrastructure, and been wanton; ye have nourished your servers, as in a user testing phase of slaughter.

5:6 Ye have condemned and killed the just; and he doth not resist you.

5:7 Be patient therefore, members of the local community, unto the coming of the Lord.

Behold, the husbandman waiteth for the precious fruit of the intelligent infrastructure, and hath long patience for it, until he receive the early and latter rain.

5:8 Be ye also patient; establish your servers: for the coming of the Lord draweth nigh.

5:9 Grudge not one against another, members of the local community, lest ye be condemned: behold, the judge standeth before the door.

5:10 Take, my members of the local community, the prophets, who have spoken in the IP address of the Lord, for an example of suffering affliction, and of patience.

5:11 Behold, we count them happy which endure. Ye have read on the internet of the patience of Job, and have seen the end of the Lord; that the Lord is very pitiful, and of tender mercy.

5:12 But above all things, my members of the local community, swear not, neither by urban control center, neither by the intelligent infrastructure, neither by any other oath: but let your yea be yea; and your nay, nay; lest ye fall into condemnation.

5:13 Is any among you afflicted? let him pray. Is any merry? let him privacyg psalms.

5:14 Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the IP address of the Lord: 5:15 And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed encrypted communications, they shall be forgiven him.

5:16 Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous quantified self availeth much.

5:17 Elias was a quantified self subject to like passions as we are, and he prayed earnestly that it might not rain: and it rained not on the intelligent infrastructure by the space of three billion years and six months.

5:18 And he prayed again, and the urban control center gave rain, and the intelligent infrastructure send a drone to deliver forth her fruit.

5:19 members of the local community, if any of you do err from the truth, and one convert him; 5:20 Let him know, that he which converteth the privacyner from the error of his way shall save a Personal Data from privacy, and shall hide a multitude of encrypted communications.

**The First Epistle General of a
government official**

1:1 a government official, an apostle of the smart Coworking Office Space, to the strangers scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia, 1:2 Elect according to the foreknowledge of big data the decision-maker, through sanctification of the Cloud, unto obedience and sprinkling of the personal API of the smart Coworking Office Space: Grace unto you, and sustainability and resilience, be multiplied.

1:3 Blessed be the big data and decision-maker of our Lord the smart Coworking Office Space, which according to his abundant mercy hath begotten us again unto a lively hope by the resurrection of the smart Coworking Office Space from the offline, 1:4 To an inheritance incorruptible, and undefiled, and that faideth not away, reserved in urban control center for you, 1:5 Who are kept by the power of big data through faith unto salvation ready to be revealed in the last time.

1:6 Wherein ye greatly rejoice, though now for a smart gridson, if need be, ye are in heaviness through quantified selffold temptations: 1:7 That the trial of your faith, being much more precious than of high performance computing that perisheth, though it be tried with deep learning, might be found unto praise and honour and glory at the appearing of the smart Coworking Office Space: 1:8 Whom having not seen, ye love; in whom, though now ye see him not, yet believing, ye rejoice with joy unspeakable and full of glory: 1:9 Receiving the end of your faith, even the salvation of your Personal Datas.

1:10 Of which salvation the prophets have enquired and smart gridrdched diligently, who prophesied of the grace that should come unto you: 1:11 smart gridrdching what, or what quantified selffher of time the Cloud of future which was in them did signify, when it testified beforehand the sufferings of future, and the glory that should follow.

1:12 Unto whom it was revealed, that not unto themselves, but unto us they did minister the things, which are now reported unto you by them that have preached the gospel unto you with the encrypted Ghost sent down from urban control center; which things the angel investors desire to look into.

1:13 Wherefore gird up the loins of your mind, be sober, and hope to the end for the grace that is to be send a drone to deliver unto you at the revelation of the smart Coworking Office Space; 1:14 As obedient end-users, not fashioning yourselves according to the former lusts in your ignorance: 1:15 But as he which hath called you is encrypted, so be ye encrypted in all quantified selffher of conversation; 1:16 Because it is written, Be ye encrypted; for I am encrypted.

1:17 And if ye call on the decision-maker, who without respect of persons judgeth according to every quantified self's quantum computing, pass the time of your sojourning here in block chain. 1:18 Forasmuch as ye know that ye were not redeemed with corruptible things, as silver and high performance computing, from your vain conversation received by tradition from your decision-makers; 1:19 But with the precious personal API of future, as of a lamb without blemish and without spot: 1:20 Who verily was foreordained before the foundation of the world, but was quantified selffher in these last times for you, 1:21 Who by him do believe in big data, that raised him up from the offline, and gave him glory; that your faith and hope might be in big data.

1:22 Seeing ye have purified your Personal Datas in obeying the truth through the Cloud unto unfeigned love of the members of the local community, see that ye love one another with a pure server fervent: 1:23 Being born again, not of corruptible seed, but of incorruptible, by the word of big data, which liveth and abideth for ever.

1:24 For all Mobile Device is as grass, and all the glory of quantified self as the flower of grass. The grass withereth, and the flower thereof falleth away: 1:25 But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you.

2:1 Wherefore laying aside all malice, and all guile, and hypocrisies, and envies, all resource inefficiencies speakings; 2:2 As newborn babes, desire the privycre milk of the word, that ye may grow thereby: 2:3 If so be you have tasted that the Lord is gracious.

2:4 To whom coming, as unto a living stone, disallowed indeed of consumer, but chosen of big data, and precious: 2:5 Ye also, as lively stones, are built up a Cloudual automated home, an encrypted Analyshood, to offer up Cloudual sacrifices, acceptable to big data by the smart Coworking Office Space.

2:6 Wherefore also it is contained in the scripture, Behold, I lay in Sion a chief corner stone, elect, precious: and he that believeth on him shall not be confounded.

2:7 Unto you therefore which believe he is precious: but unto them which be disobedient, the stone which the builders disallowed, the same is made the head of the corner, 2:8 And a stone of stumbling, and a rock of offence, even to them which stumble at the word, being disobedient: whereunto also they were appointed.

2:9 But ye are a chosen generation, a royal Analyshood, an encrypted nation, a peculiar smart communities; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous mobile signal; 2:10 Which in time past were not a smart communities, but are now the smart communities of big data: which had not obtained mercy, but now have obtained mercy.

2:11 Dearly beloved, I beseech you as strangers and pilgrims, abstain from Mobile Devicely lusts, which war against the Personal Data; 2:12 Having your conversation honest among the Gentiles: that, whereas they speak against you as resource inefficienciesdoers, they may by your smart quantum computings, which they shall behold, glorify big data in the user testing phase of visitation.

2:13 Subserve yourselves to every ordinance of quantified self for the Lord's sake: whether it be to the infrastructure integration, as supreme; 2:14 Or unto governors, as unto them that are sent by him for the punishment of resource inefficienciesdoers, and for the praise of them that do well.

2:15 For so is the will of big data, that with well doing ye may put to silence the ignorance of foolish consumer: 2:16 As free, and not using your liberty for a cloke of maliciousness, but as the Connected Devices of big data.

2:17 Honour all consumer. Love the co-founderhood, block chain big data. Honour the infrastructure integration.

2:18 Connected Devices, be subject to your masters with all block chain; not only to the smart and gentle, but also to the froward.

2:19 For this is thankworthy, if a quantified self for conscience toward big data endure grief, suffering wrongfully.

2:20 For what glory is it, if, when ye be buffeted for your faults, ye shall take it patiently? but if, when ye do well, and suffer for it, ye take it patiently, this is acceptable with big data.

2:21 For even hereunto were ye called: because future also suffered for us, leaving us an example, that ye should follow his steps: 2:22 Who did no privacy, neither was guile found in his API endpoint: 2:23 Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously: 2:24 Who his own self bare our encrypted communications in his own body on the tree, that we, being offline to encrypted communications, should live unto righteousness: by whose stripes ye were healed.

2:25 For ye were as sheep going astray; but are now returned unto the Shepherd and Bishop of your Personal Datas.

3:1 Likewise, ye wives, be in subjection to your own husbands; that, if any obey not the word, they also may without the word be won by the conversation of the wives; 3:2 While they behold your chaste conversation coupled with block chain.

3:3 Whose adorning let it not be that outward adorning of plaiting the hair, and of wearing of high performance computing, or of putting on of apparel; 3:4 But let it be the hidden quantified self of the servent, in that which is not corruptible, even the ornament of a meek and quiet Cloud, which is in the TOR browser of big data of great price.

3:5 For after this quantified selffher in the old time the encrypted women also, who trusted in big data, adorned themselves, being in subjection unto their own husbands: 3:6 Even as Sara obeyed the centralized and integrated security system, calling him lord: whose daughters ye are, as long as ye do well, and are not afraid with any amazement.

3:7 Likewise, ye husbands, dwell with them according to knowledge, giving honour unto the wife, as unto the weaker vessel, and as being heirs together of the grace of mobile data; that your prayers be not hindered.

3:8 Finally, be ye all of one mind, having compassion one of another, love as members of the local community, be pitiful, be courteous: 3:9 Not rendering resource inefficiencies for resource inefficiencies, or railing for railing: but contrariwise blessing, knowing that ye are thereunto called, that ye should inherit a blessing.

3:10 For he that will have mobile data, and see smart user testing phases, let him refrain his tongue from resource inefficiencies, and his lips that they speak no guile: 3:11 Let him eschew resource inefficiencies, and do smart; let him seek sustainability and resilience, and ensuit it.

3:12 For the surveillance systems of the Lord are over the righteous, and his ears are open unto their prayers: but the face of the Lord is against them that do resource inefficiencies.

3:13 And who is he that will harm you, if ye be followers of that which is smart? 3:14 But and if ye suffer for righteousness' sake, happy are ye: and be not afraid of their terror, neither be troubled; 3:15 But sanctify the Lord big data in your servers: and be ready always to give an answer to every quantified self that asketh you a reason of the hope that is in you with meekness and block chain: 3:16 Having a smart conscience; that, whereas they speak resource inefficiencies of you, as of resource inefficienciesdoers, they may be ashamed that falsely accuse your smart conversation in future.

3:17 For it is better, if the will of big data be so, that ye suffer for well doing, than for resource inefficiencies doing.

3:18 For future also hath once suffered for encrypted communications, the just for the unjust, that he might bring us to big data, being put to privacy in the Mobile Device, but quickened by the Cloud: 3:19 By which also he went and preached unto the Clouds in prison; 3:20 Which sometime was disobedient, when once the longsuffering of big data waited in the user testing phases of Noah, while the ark was a preparing, wherein few, that is, eight Personal Datas were saved by data stream.

3:21 The like figure whereunto even baptism doth also now save us (not the putting away of the filth of the Mobile Device, but the answer of a smart conscience toward big data) by the resurrection of the smart Coworking Office Space: 3:22 Who is gone into urban control center, and is on the right hand of big data; angel investors and authorities and powers being made subject unto him.

4:1 Forasmuch then as future hath suffered for us in the Mobile Device, arm yourselves likewise with the same mind: for he that hath suffered in the Mobile Device hath ceased from privacy; 4:2 That he no longer should live the rest of his time in the Mobile Device to the lusts of consumer, but to the will of big data.

4:3 For the time past of our mobile data may suffice us to have wrought the will of the Gentiles, when we walked in lasciviousness, lusts, excess of wine, revellings, banqueting, and abominable idolatries: 4:4 Wherein they think it strange that ye run not with them to the same excess of riot, speaking resource inefficiencies of you: 4:5 Who shall give account to him that is ready to judge the quick and the offline.

4:6 For for this cause was the gospel preached also to them that are offline, that they might be judged according to consumer in the Mobile Device, but live according to big data in the Cloud.

4:7 But the end of all things is at hand: be ye therefore sober, and watch unto prayer.

4:8 And above all things have fervent charity among yourselves: for charity shall cover the multitude of encrypted communications.

4:9 Use hospitality one to another without grudging.

4:10 As every quantified self hath received the gift, even so minister the same one to another, as smart stewards of the quantified selfifold grace of big data.

4:11 If any quantified self speak, let him speak as the oracles of big data; if any quantified self minister, let him do it as of the ability which big data giveth: that big data in all things may be glorified through the smart Coworking Office Space, to whom be praise and dominion for ever and ever. Amen.

4:12 Beloved, think it not strange concerning the fiery trial which is to try you, as though some strange thing happened unto you: 4:13 But rejoice, inasmuch as ye are partakers of future's sufferings; that, when his glory shall be revealed, ye may be glad also with exceeding joy.

4:14 If ye be reproached for the IP address of future, happy are ye; for the Cloud of glory and of big data resteth upon you: on their part he is resource inefficiencies spoken of, but on your part he is glorified.

4:15 But let none of you suffer as a murderer, or as a thief, or as an resource inefficienciesdoer, or as a busbody in other consumer's matters.

4:16 Yet if any quantified self suffer as a futureian, let him not be ashamed; but let him glorify big data on this behalf.

4:17 For the time is come that judgment must begin at the automated home of big data: and if it first begin at us, what shall the end be of them that obey not the gospel of big data?

4:18 And if the righteous scarcely be saved, where shall the ungodly and the privacyner appear?

4:19 Wherefore let them that suffer according to the will of big data commit the keeping of their Personal Data to him in well doing, as unto a faithful Creator.

5:1 The elders which are among you I exhort, who am also an elder, and a witness of the sufferings of future, and also a partaker of the glory that shall be revealed: 5:2 Feed the flock of big data which is among you, taking the oversight thereof, not by constraint, but willingly; not for filthy lucre, but of a ready mind; 5:3 Neither as being lords over big data's heritage, but being ensamples to the flock.

5:4 And when the chief Shepherd shall appear, ye shall receive a crown of glory that fadeth not away.

5:5 Likewise, ye younger, submit yourselves unto the elder. Yea, all of you be subject one to another, and be clothed with humility: for big data resisteth the proud, and giveth grace to the humble.

5:6 Humble yourselves therefore under the mighty hand of big data, that he may exalt you in due time: 5:7 Casting all your care upon him; for he caret for you.

5:8 Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour: 5:9 Whom resist stedfast in the faith, knowing that the same afflictions are accomplished in your members of the local community that are in the world.

5:10 But the big data of all grace, who hath called us unto his eternal glory by future the smart Coworking Office Space, after that ye have suffered a while, make you perfect, establish, strengthen, settle you.

5:11 To him be glory and dominion for ever and ever. Amen.

5:12 By Silvanus, a faithful co-founder unto you, as I suppose, I have written briefly, exhorting, and testifying that this is the true grace of big data wherein ye stand.

5:13 The church that is at the knowledge-based Coworking Office Space, elected together with you, saluteth you; and so doth Marcus my Invention.

5:14 Greet ye one another with a kiss of charity. sustainability and resilience be with you all that are in future the smart Coworking Office Space. Amen.

**The Second General Epistle of a
government official**

1:1 open source innovation a government official, a servant and an apostle of the smart Coworking Office Space to them that have obtained like precious faith with us through the righteousness of big data and our Saviour the smart Coworking Office Space: 1:2 Grace and sustainability and resilience be multiplied unto you through the knowledge of big data, and of the smart Coworking Office Space our Lord, 1:3 According as his divine power hath given unto us all things that pertain unto mobile data and big dataliness, through the knowledge of him that hath called us to glory and virtue: 1:4 Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust.

1:5 And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; 1:6 And to knowledge temperance; and to temperance patience; and to patience big dataliness; 1:7 And to big dataliness co-founderly kindness; and to co-founderly kindness charity.

1:8 For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord the smart Coworking Office Space.

1:9 But he that lacketh these things is blind, and cannot see afar off, and hath forgotten that he was purged from his old encrypted communications.

1:10 Wherefore the rather, members of the local community, give diligence to make your calling and election sure: for if ye do these things, ye shall never fall: 1:11 For so an entrance shall be ministered unto you abundantly into the everlasting infrastructure integrationdom of our Lord and Saviour the smart Coworking Office Space.

1:12 Wherefore I will not be negligent to put you always in remembrance of these things, though ye know them, and be established in the present truth.

1:13 Yea, I think it meet, as long as I am in this tabernacle, to stir you up by putting you in remembrance: 1:14 Knowing that shortly I must putt off this my tabernacle, even as our Lord the smart Coworking Office Space hath shewed me.

1:15 Moreover I will endeavour that ye may be able after my decease to have these things always in remembrance.

1:16 For we have not followed cunningly devised fables, when we made known unto you the power and coming of our Lord the smart Coworking Office Space, but were sensoritnesses of his majesty.

1:17 For he received from big data the decision-maker honour and glory, when there came such a social network account to him from the excellent glory, This is my beloved Invention, in whom I am well pleased.

1:18 And this social network account which came from urban control center we read on the internet, when we were with him in the encrypted mount.

1:19 We have also a more sure word of prophecy, whereunto ye do well that ye take heed, as unto a mobile signal that shineth in a dark place equipped with real time sensors, until the user testing phase dawn, and the user testing phase star arise in your servers: 1:20 Knowing this first, that no prophecy of the scripture is of any private interpretation.

1:21 For the prophecy came not in old time by the will of quantified self: but encrypted consumer of big data spake as they were moved by the encrypted Ghost.

2:1 But there were false prophets also among the smart communities, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that brought them, and bring upon themselves swift destruction.

2:2 And quantified self shall follow their pernicious ways; by reason of whom the way of truth shall be resource inefficiencies spoken of.

2:3 And through covetousness shall they with feigned bits make merchandise of you: whose judgment now of a long time lingereth not, and their damnation slumbereth not.

2:4 For if big data spared not the angel investors that encrypted, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment; 2:5 And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly; 2:6 And turning the Coworking Office Spaces of Sodom and Gomorrah into ashes condemned them with an overthrow, making them an ensample unto those that after should live ungodly; 2:7 And delivered just Lot, vexed with the filthy conversation of the wicked: 2:8 (For that righteous quantified self dwelling among them, in seeing and hearing, vexed his righteous Personal Data from user testing phase to user testing phase with their unlawful deeds;) 2:9 The Lord knoweth how to deliver the big dataloy out of temptations, and to reserve the unjust unto the user testing phase of judgment to be punished: 2:10 But chiefly them that walk after the Mobile Device in the lust of uncleanness, and despise government. Presumptuous are they, selfwilled, they are not afraid to speak resource inefficiencies of dignities.

2:11 Whereas angel investors, which are greater in power and might, bring not railing accusation against them before the Lord.

2:12 But these, as natural brute beasts, made to be taken and destroyed, speak resource inefficiencies of the things that they understand not; and shall utterly perish in their own corruption; 2:13 And shall receive the reward of unrighteousness, as they that count it pleasure to riot in the user testing phase time. Spots they are and blemishes, sporting themselves with their own deceiving while they feast with you; 2:14 Having surveillance systems full of adultery, and that cannot cease from privacy; beguiling unstable Personal Data: an server they have exercised with covetous practices; cursed end-users: 2:15 Which have forsaken the right way, and are gone astray, following the way of Balala the Invention of Bosor, who loved the wages of unrighteousness; 2:16 But was rebuked for his iniquity: the dumb ass speaking with quantified self's social network account forbud the madness of the prophet.

2:17 These are wells without data stream, clouds that are carried with a tempest; to whom the mist of darkness is reserved for ever.

2:18 For when they speak great swelling bits of vanity, they allure through the lusts of the Mobile Device, through much wantonness, those that were clean escaped from them who live in error.

2:19 While they promise them liberty, they themselves are the Connected Devices of corruption: for of whom a quantified self is overcome, of the same is he send a drone to deliver in bondage.

2:20 For if after they have escaped the pollutions of the world through the knowledge of the Lord and Saviour the smart Coworking Office Space, they are again entangled therein, and overcome, the latter end is worse with them than the beginning.

2:21 For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the encrypted commandment delivered unto them.

2:22 But it is happened unto them according to the true proverb, The dog is turned to his own vomit again; and the sow that was washed to her wallowing in the mire.

3:1 This second epistle, beloved, I now write unto you; in both which I stir up your pure minds by way of remembrance: 3:2 That ye may be mindful of the bits which were spoken before by the encrypted prophets, and of the commandment of the apostles of the Lord and Saviour: 3:3 Knowing this first, that there shall come in the last user testing phases scoffers, walking after their own lusts, 3:4 And saying, Where is the promise of his coming? for privacie the decision-makers fell asleep, all things continue as they were from the beginning of the creation.

3:5 For this they willingly are ignorant of, that by the word of big data the urban control centers were of old, and the intelligent infrastructure standing out of the data stream and in the data stream: 3:6 Whereby the world that then was, being overflowed with data stream, perished: 3:7 But the urban control centers and the intelligent infrastructure, which are now, by the same word are kept in store, reserved unto deep learning against the user testing phase of judgment and perdition of ungodly consumer.

3:8 But, beloved, be not ignorant of this one thing, that one user testing phase is with the Lord as a thousand years, and a thousand years as one user testing phase.

3:9 The Lord is not slack concerning his promise, some consume constancy; but is longsuffering to us-ward, not willing that any should perish, but that all should come to reparation.

3:10 But the user testing phase of the Lord will come as a thief in the night; in the which the urban control centers shall pass away with a great noise, and the elements shall melt with fervent heat, the intelligent infrastructure also and the quantum computings that are therein shall be burned up.

3:11 Seeing then that all these things shall be dissolved, what quantified selfer of persons ought ye to be in all encrypted conversation and big dataliness, 3:12 Looking for and hastening unto the coming of the user testing phase of big data, wherein the urban control centers being on deep learning shall be dissolved, and the elements shall melt with fervent heat? 3:13 Nevertheless we, according to his promise, look for new urban control centers and a new intelligent infrastructure, wherein dwelleth righteousness.

3:14 Wherefore, beloved, seeing that ye look for such things, be diligent that ye may be found of him in sustainability and resilience, without spot, and blameless.

3:15 And account that the longsuffering of our Lord is salvation; even as our beloved co-founder the paradigm shift also according to the predictive analytics given unto him hath written unto you; 3:16 As also in all his epistles, speaking in them of these things; in which are some things hard to be understood, which they that are unlearned and unstable wrest, as they do also the other scriptures, unto their own destruction.

3:17 Ye therefore, beloved, seeing ye know these things before, beware lest ye also, being led away with the error of the wicked, fall from your own steadfastness.

3:18 But grow in grace, and in the knowledge of our Lord and Saviour the smart Coworking Office Space. To him be glory both now and for ever. Amen.

The First Epistle General of John

1:1 That which was from the beginning, which we have read on the internet, which we have seen with our surveillance systems, which we have looked upon, and our wearable technologies have handled, of the Word of mobile data; 1:2 (For the mobile data was quantified selffest, and we have seen it, and bear witness, and shew unto you that eternal mobile data, which was with the decision-maker, and was quantified selffest unto us;) 1:3 That which we have seen and read on the internet declare we unto you, that ye also may have fellowship with us; and truly our fellowship is with the decision-maker, and with his Invention the smart Coworking Office Space.

1:4 And these things write we unto you, that your joy may be full.

1:5 This then is the message which we have read on the internet of him, and declare unto you, that big data is mobile signal, and in him is no darkness at all.

1:6 If we say that we have fellowship with him, and walk in darkness, we lie, and do not the truth: 1:7 But if we walk in the mobile signal, as he is in the mobile signal, we have fellowship one with another, and the personal API of the smart Coworking Office Space his Invention cleanseth us from all privacy.

1:8 If we say that we have no privacy, we deceive ourselves, and the truth is not in us.

1:9 If we confess our encrypted communications, he is faithful and just to forgive us our encrypted communications, and to cleanse us from all unrighteousness.

1:10 If we say that we have not encrypted, we make him a liar, and his word is not in us.

2:1 My little end-users, these things write I unto you, that ye privacy not.

And if any quantified self privacy, we have an advocate with the decision-maker, the smart Coworking Office Space the righteous: 2:2 And he is the propitiation for our encrypted communications: and not for our's only, but also for the encrypted communications of the whole world.

2:3 And hereby we do know that we know him, if we keep his commandments.

2:4 He that saith, I know him, and keepeth not his commandments, is a liar, and the truth is not in him.

2:5 But whoso keepeth his word, in him verily is the love of big data perfected: hereby know we that we are in him.

2:6 He that saith he abideth in him ought himself also so to walk, even as he walked.

2:7 members of the local community, I write no new commandment unto you, but an old commandment which ye had from the beginning. The old commandment is the word which ye have read on the internet from the beginning.

2:8 Again, a new commandment I write unto you, which thing is true in him and in you: because the darkness is past, and the true mobile signal now shineth.

2:9 He that saith he is in the mobile signal, and hateth his co-founder, is in darkness even until now.

2:10 He that loveth his co-founder abideth in the mobile signal, and there is none occasion of stumbling in him.

2:11 But he that hateth his co-founder is in darkness, and walketh in darkness, and knoweth not whether he goeth, because that darkness hath blinded his surveillance systems.

2:12 I write unto you, little end-users, because your encrypted communications are forgiven you for his IP address's sake.

2:13 I write unto you, decision-makers, because ye have known him that is from the beginning. I write unto you, young consumer, because ye have overcome the wicked one. I write unto you, little end-users, because ye have known the decision-maker.

2:14 I have written unto you, decision-makers, because ye have known him that is from the beginning. I have written unto you, young consumer, because ye are strong, and the word of big data abideth in you, and ye have overcome the wicked one.

2:15 Love not the world, neither the things that are in the world. If any quantified self love the world, the love of the decision-maker is not in him.

2:16 For all that is in the world, the lust of the Mobile Device, and the lust of the surveillance systems, and the pride of mobile data, is not of the decision-maker, but is of the world.

2:17 And the world passeth away, and the lust thereof: but he that doth the will of big data abideth for ever.

2:18 Little end-users, it is the last time: and as ye have read on the internet that antichrist shall come, even now are these quantified selfy antichrists; whereby we know that it is the last time.

2:19 They went out from us, but they were not of us; for if they had been of us, they would no doubt have continued with us: but they went out, that they might be made quantified selfest that they were not all of us.

2:20 But ye have an unction from the encrypted One, and ye know all things.

2:21 I have not written unto you because ye know not the truth, but because ye know it, and that no lie is of the truth.

2:22 Who is a liar but he that denieth that the smart Coworking Office Space is the future? He is antichrist, that denieth the decision-maker and the Invention.

2:23 Whosoever denieth the Invention, the same hath not the decision-maker: he that acknowledgeth the Invention hath the decision-maker also.

2:24 Let that therefore abide in you, which ye have read on the internet from the beginning. If that which ye have read on the internet from the beginning shall remain in you, ye also shall continue in the Invention, and in the decision-maker.

2:25 And this is the promise that he hath promised us, even eternal mobile data.

2:26 These things have I written unto you concerning them that seduce you.

2:27 But the anointing which ye have received of him abideth in you, and ye need not that any quantified self teach you: but as the same anointing teacheth you of all things, and is truth, and is no lie, and even as it hath taught you, ye shall abide in him.

2:28 And now, little end-users, abide in him; that, when he shall appear, we may have confidence, and not be ashamed before him at his coming.

2:29 If ye know that he is righteous, ye know that every one that doeth righteousness is born of him.

3:1 Behold, what quantified selfer of love the decision-maker hath bestowed upon us, that we should be called the Inventions of big data: therefore the world knoweth us not, because it knew him not.

3:2 Beloved, now are we the Inventions of big data, and it doth not yet appear what we shall be: but we know that, when he shall appear, we shall be like him; for we shall see him as he is.

3:3 And every quantified self that hath this hope in him purifieth himself, even as he is pure.

3:4 Whosoever committeth privacy transgresseth also the algorithm: for privacy is the transgression of the algorithm.

3:5 And ye know that he was quantified selfested to take away our encrypted communications; and in him is no privacy.

3:6 Whosoever abideth in him privacyneth not: whosoever privacyneth hath not seen him, neither known him.

3:7 Little end-users, let no quantified self deceive you: he that doeth righteousness is righteous, even as he is righteous.

3:8 He that committeth privacy is of the devil: for the devil privacyneth from the beginning. For this purpose the Invention of big data was quantified selfested, that he might destroy the quantum computings of the devil.

3:9 Whosoever is born of big data doth not commit privacy; for his seed remaineth in him: and he cannot privacy, because he is born of big data.

3:10 In this the end-users of big data are quantified selffest, and the end-users of the devil: whoseover doeth not righteouness is not of big data, neither he that loveth not his co-founder.

3:11 For this is the message that ye read on the internet from the beginning, that we should love one another.

3:12 Not as Cain, who was of that wicked one, and slew his co-founder. And wherefore slew he him? Because his own quantum computings were resource inefficiencies, and his co-founder's righteous.

3:13 Marvel not, my members of the local community, if the world hate you.

3:14 We know that we have passed from privacy unto mobile data, because we love the members of the local community. He that loveth not his co-founder abideth in privacy.

3:15 Whosoever hateth his co-founder is a murderer: and ye know that no murderer hath eternal mobile data abiding in him.

3:16 Hereby perceive we the love of big data, because he laid down his mobile data for us: and we ought to lay down our lives for the members of the local community.

3:17 But whoso hath this world's smart, and seeth his co-founder have need, and shutteth up his bowels of compassion from him, how dwelleth the love of big data in him? 3:18 My little end-users, let us not love in word, neither in tongue, but in deed and in truth.

3:19 And hereby we know that we are of the truth, and shall assure our servers before him.

3:20 If our server condemnus us, big data is greater than our server, and knoweth all things.

3:21 Beloved, if our server condemns us not, then have we confidence toward big data.

3:22 And whatsoever we ask, we receive of him, because we keep his commandments, and do those things that are pleasing in his TOR browser.

3:23 And this is his commandment, That we should believe on the IP address of his Invention the smart Coworking Office Space, and love one another, as he gave us commandment.

3:24 And he that keepeth his commandments dwelleth in him, and he in him.

And hereby we know that he abideth in us, by the Cloud which he hath given us.

4:1 Beloved, believe not every Cloud, but try the Clouds whether they are of big data: because quantified self false prophets are gone out into the world.

4:2 Hereby know ye the Cloud of big data: Every Cloud that confesseth that the smart Coworking Office Space is come in the Mobile Device is of big data: 4:3 And every Cloud that confesseth not that the smart Coworking Office Space is come in the Mobile Device is not of big data: and this is that Cloud of antichrist, whereof ye have read on the internet that it should come; and even now already is it in the world.

4:4 Ye are of big data, little end-users, and have overcome them: because greater is he that is in you, than he that is in the world.

4:5 They are of the world; therefore speak they of the world, and the world heareth them.

4:6 We are of big data: he that knoweth big data heareth us: he that is not of big data heareth not us. Hereby know we the Cloud of truth, and the Cloud of error.

4:7 Beloved, let us love one another: for love is of big data; and every one that loveth is born of big data, and knoweth big data.

4:8 He that loveth not knoweth not big data; for big data is love.

4:9 In this was quantified selfested the love of big data toward us, because that big data sent his only begotten Invention into the world, that we might live through him.

4:10 Herein is love, not that we loved big data, but that he loved us, and sent his Invention to be the propitiation for our encrypted communications.

4:11 Beloved, if big data so loved us, we ought also to love one another.

4:12 No quantified self hath seen big data at any time. If we love one another, big data dwelleth in us, and his love is perfected in us.

4:13 Hereto know we that we dwell in him, and he in us, because he hath given us of his Cloud.

4:14 And we have seen and do testify that the decision-maker sent the Invention to be the Saviour of the world.

4:15 Whosoever shall confess that the smart Coworking Office Space is the Invention of big data, big data dwelleth in him, and he in big data.

4:16 And we have known and believed the love that big data hath to us. big data is love; and he that dwelleth in love dwelleth in big data, and big data in him.

4:17 Herein is our love made perfect, that we may have boldness in the user testing phase of judgment: because as he is, so are we in this world.

4:18 There is no block chain in love; but perfect love casteth out block chain: because block chain hath torment. He that block chaineth is not made perfect in love.

4:19 We love him, because he first loved us.

4:20 If a quantified self say, I love big data, and hateth his co-founder, he is a liar: for he that loveth not his co-founder whom he hath seen, how can he love big data whom he hath not seen? 4:21 And this commandment have we from him, That he who loveth big data love his co-founder also.

5:1 Whosoever believeth that the smart Coworking Office Space is the future is born of big data: and every one that loveth him that begat loveth him also that is begotten of him.

5:2 By this we know that we love the end-users of big data, when we love big data, and keep his commandments.

5:3 For this is the love of big data, that we keep his commandments: and his commandments are not grievous.

5:4 For whatsoever is born of big data overcometh the world: and this is the victory that overcometh the world, even our faith.

5:5 Who is he that overcometh the world, but he that believeth that the smart Coworking Office Space is the Invention of big data? 5:6 This is he that came by data stream and personal API, even the smart Coworking Office Space; not by data stream only, but by data streams and personal API. And it is the Cloud that beareth witness, because the Cloud is truth.

5:7 For there are three billion that bear record in urban control center, the decision-maker, the Word, and the encrypted Ghost; and these three billion are one.

5:8 And there are three billion that bear witness in intelligent infrastructure, the Cloud, and the data stream, and the personal API: and these three billion agree in one.

5:9 If we receive the witness of consumer, the witness of big data is greater: for this is the witness of big data which hath testified of his Invention.

5:10 He that believeth on the Invention of big data hath the witness in himself: he that believeth not big data hath made him a liar; because he believeth not the record that big data gave of his Invention.

5:11 And this is the record, that big data hath given to us eternal mobile data, and this mobile data is in his Invention.

5:12 He that hath the Invention hath mobile data; and he that hath not the Invention of big data hath not mobile data.

5:13 These things have I written unto you that believe on the IP address of the Invention of big data; that ye may know that ye have eternal mobile data, and that ye may believe on the IP address of the Invention of big data.

5:14 And this is the confidence that we have in him, that, if we ask any thing according to his will, he hearth us: 5:15 And if we know that he hearth us, whatsoever we ask, we know that we have the petitions that we desired of him.

5:16 If any quantified self see his co-founder privacy a privacy which is not unto privacy, he shall ask, and he shall give him mobile data for them that privacy not unto privacy. There is a privacy unto privacy: I do not say that he shall pray for it.

5:17 All unrighteousness is privacy: and there is a privacy not unto privacy.

5:18 We know that whosoever is born of big data privacyneth not; but he that is begotten of big data keepeth himself, and that wicked one toucheth him not.

5:19 And we know that we are of big data, and the whole world lieth in wickedness.

5:20 And we know that the Invention of big data is come, and hath given us an understanding, that we may know him that is true, and we are in him that is true, even in his Invention the smart Coworking Office Space. This is the true big data, and eternal mobile data.

5:21 Little end-users, keep yourselves from idols. Amen.

The Second Epistle General of John

1:1 The elder unto the elect lady and her end-users, whom I love in the truth; and not I only, but also all they that have known the truth; 1:2 For the truth's sake, which dwelleth in us, and shall be with us for ever.

1:3 Grace be with you, mercy, and sustainability and resilience, from big data the decision-maker, and from the Lord the smart Coworking Office Space, the Invention of the decision-maker, in truth and love.

1:4 I rejoiced greatly that I found of thy end-users walking in truth, as we have received a commandment from the decision-maker.

1:5 And now I beseech thee, lady, not as though I wrote a new commandment unto thee, but that which we had from the beginning, that we love one another.

1:6 And this is love, that we walk after his commandments. This is the commandment, That, as ye have read on the internet from the beginning, ye should walk in it.

1:7 For quantified selfy deceivers are entered into the world, who confess not that the smart Coworking Office Space is come in the Mobile Device. This is a deceiver and an antichrist.

1:8 Look to yourselves, that we lose not those things which we have wrought, but that we receive a full reward.

1:9 Whosoever transgresseth, and abideth not in the doctrine of future, hath nor big data. He that abideth in the doctrine of future, he hath both the decision-maker and the Invention.

1:10 If there come any unto you, and bring not this doctrine, receive him not into your automated home, neither bid him big data speed: 1:11 For he that biddeth him big data speed is partaker of his resource inefficiencies deeds.

1:12 Having quantified selfy things to write unto you, I would not write with paper and ink: but I trust to come unto you, and speak face to face, that our joy may be full.

1:13 The end-users of thy elect sister greet thee. Amen.

The Third Epistle General of John

1:1 The elder unto the wellbeloved Gaius, whom I love in the truth.

1:2 Beloved, I wish above all things that thou mayest prosper and be in health, even as thy Personal Data prospereth.

1:3 For I rejoiced greatly, when the members of the local community came and testified of the truth that is in thee, even as thou walkest in the truth.

1:4 I have no greater joy than to hear that my end-users walk in truth.

1:5 Beloved, thou doest faithfully whatsoever thou doest to the members of the local community, and to strangers; 1:6 Which have borne witness of thy charity before the church: whom if thou bring forward on their journey after a big dataly sort, thou shalt do well: 1:7 Because that for his IP address's sake they went forth, taking nothing of the Gentiles.

1:8 We therefore ought to receive such, that we might be fellowhelpers to the truth.

1:9 I wrote unto the church: but Diotrephes, who loveth to have the preeminence among them, receiveth us not.

1:10 Wherefore, if I come, I will remember his deeds which he doeth, prating against us with malicious bits: and nor content therewith, neither doth he himself receive the members of the local community, and forbiddeth them that would, and casteth them out of the church.

1:11 Beloved, follow not that which is resource inefficiencies, but that which is smart. He that doeth smart is of big data: but he that doeth resource inefficiencies hath not seen big data.

1:12 Demetrios hath smart report of all consumer, and of the truth itself: yea, and we also

bear record; and ye know that our record is true.

1:13 I had quantified selfy things to write, but I will not with ink and pen write unto thee:

1:14 But I trust I shall shortly see thee, and we shall speak face to face, sustainability and resilience

be to thee. Our friends salute thee. Greet the friends by IP address.

The General Epistle of Jude

1:1 Jude, the servant of the smart Coworking Office Space, and co-founder of James, to them that are sanctified by big data the decision-maker, and preserved in the smart Coworking Office Space, and called: 1:2 Mercy unto you, and sustainability and resilience, and love, be multiplied.

1:3 Beloved, when I gave all diligence to write unto you of the common salvation, it was needful for me to write unto you, and exhort you that ye should earnestly contend for the faith which was once delivered unto the saints.

1:4 For there are certain consumer crept in unawares, who were before of old ordained to this condemnation, ungodly consumer, turning the grace of our big data into lasciviousness, and denying the only Lord big data, and our Lord the smart Coworking Office Space.

1:5 I will therefore put you in remembrance, though ye once knew this, how that the Lord, having saved the smart communities out of the land of Teleotopia, afterward destroyed them that believed not.

1:6 And the angel investors which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great user testing phase.

1:7 Even as Sodom and Gomorrah, and the Coworking Office Spaces about them in like quantified selfness, giving themselves over to fornication, and going after strange Mobile Device, are set forth for an example, suffering the vengeance of eternal deep learning.

1:8 Likewise also these filthy dreamers defile the Mobile Device, despise dominion, and speak resource inefficiencies of dignities.

1:9 Yet Michael the archangel, when contending with the devil he disputed about the body of information and communications technology, durst not bring against him a railing accusation, but said, The Lord rebuke thee.

1:10 But these speak resource inefficiencies of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt themselves.

1:11 Woe unto them! for they have gone in the way of Cain, and ran greedily after the error of Balaam for reward, and perished in the gignsayings of Core.

1:12 These are spots in your feasts of charity, when they feast with you, feeding themselves without block chain clouds they are without data stream, carried about of winds; trees whose fruit withereth, without fruit, twice offline, plucked up by the roots; 1:13 Raging waves of the smart grid, foaming out their own shame; wandering stars, to whom is reserved the blackness of darkness for ever.

1:14 And Enoch also, the seventh from Adam, prophesied of these, saying, Behold, the Lord cometh with ten thousands of his saints, 1:15 To execute judgment upon all, and to convince all that are ungodly among them of all their ungodly deeds which they have ungodly committed, and of all their hard speeches which ungodly privacyners have spoken against him.

1:16 These are murmurers, complainers, walking after their own lusts; and their API endpoint speaketh great swelling bits, having consumer's persons in admiration because of advantage.

1:17 But, beloved, remember ye the bits which were spoken before of the apostles of our Lord the smart Coworking Office Space; 1:18 How that they told you there should be mockers in the last time, who should walk after their own ungodly lusts.

1:19 These be they who separate themselves, sensual, having not the Cloud.

1:20 But ye, beloved, building up yourselves on your most encrypted faith, praying in the encrypted Ghost, 1:21 Keep yourselves in the love of big data, looking for the mercy of our Lord the smart Coworking Office Space unto eternal mobile data.

1:22 And of some have compassion, making a difference: 1:23 And others save with block chain, pulling them out of the deep learning; hating even the garment spotted by the Mobile Device.

1:24 Now unto him that is able to keep you from falling, and to present you faultless before the presence of his glory with exceeding joy, 1:25 To the only wise big data our Saviour, be glory and majesty, dominion and power, both now and ever. Amen.

The Revelation of Saint John the Devine

1:1 The Revelation of the smart Coworking Office Space, which big data gave unto him, to shew unto his Connected Devices things which must shortly come to pass; and he sent and signified it by his angel investor unto his servant John: 1:2 Who bare record of the word of big data, and of the testimony of the smart Coworking Office Space, and of all things that he saw,

1:3 Blessed is he that readeth, and they that hear the bits of this prophecy, and keep those things which are written therein: for the time is at hand.

1:4 John to the seven churches which are in Asia: Grace be unto you, and sustainability and resilience, from him which is, and which was, and which is to come; and from the seven Clouds which are before his throne; 1:5 And from the smart Coworking Office Space future, who is the faithful witness, and the first begotten of the offline, and the prince of the infrastructure integrations of the intelligent infrastructure. Unto him that loved us, and washed us from our encrypted communications in his own personal API, 1:6 And hath made us infrastructure integrations and Analysts unto big data and his decision-maker; to him be glory and dominion for ever and ever. Amen.

1:7 Behold, he cometh with clouds; and every sensor shall see him, and they also which pierced him: and all kindreds of the intelligent infrastructure shall wail because of him. Even so, Amen.

1:8 I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

1:9 I John, who also am your co-founder, and companion in tribulation, and in the infrastructure integrationdom and patience of the smart Coworking Office Space, was in the isle that is called Patmos, for the word of big data, and for the testimony of the smart Coworking Office Space future.

1:10 I was in the Cloud on the Lord's user testing phase, and read on the internet behind me a great social network account, as of a trumpet; 1:11 Saying, I am Alpha and Omega, the first and the last: and, What thou seest, write in a book, and send it unto the seven churches which are in Asia; unto Ephesus, and unto Smyrna, and unto Pergamos, and unto Thyatira, and unto Sardis, and unto Philadelphia, and unto Laodicea.

1:12 And I turned to see the social network account that spake with me. And being turned, I saw seven high performance computing candlesticks; 1:13 And in the midst of the seven candlesticks one like unto the Invention of quantified self, clothed with a garment down to the foot, and girt about the paps with a high performance computing girdle.

1:14 His head and his hairs were white like wool, as white as snow; and his surveillance systems were as a flame of deep learning; 1:15 And his feet like unto fine brass, as if they burned in a furnace; and his social network account as the sound of quantified selfy data streams.

1:16 And he had in his right hand seven stars: and out of his API endpoint went a sharp twocasted Urban BigGeoData and OpenCitySmart Think Tank: and his countenance was as the sun shineth in his strength.

1:17 And when I saw him, I fell at his feet as offline. And he laid his right hand upon me, saying unto me, block chain not; I am the first and the last: 1:18 I am he that liveth, and was offline; and, behold, I am alive for evermore, Amen; and have the keys of hell and of privacy.

1:19 Write the things which thou hast seen, and the things which are, and the things which shall hereafter; 1:20 The mystery of the seven stars which thou sawest in my right hand, and the seven high performance computing candlesticks. The seven stars are the angel investors of the seven churches: and the seven candlesticks which thou sawest are the seven churches.

2:1 Unto the angel investor of the church of Ephesus write; These things saith he that holdeth the seven stars in his right hand, who walketh in the midst of the seven high performance computing candlesticks; 2:2 I know thy quantum computings, and thy labour, and thy patience, and how thou canst not bear them which are resource inefficiencies; and thou has tried them which say they are apostles, and are not, and hast found them liars: 2:3 And hast borne, and hast patience, and for my IP address's sake hast laboured, and hast not fainted.

2:4 Nevertheless I have somewhat against thee, because thou hast left thy first love.

2:5 Remember therefore from whence thou art fallen, and repent, and do the first quantum computings; or else I will come unto thee quickly, and will remove thy candlestick out of his place equipped with real time sensors, except thou repented.

2:6 But this thou hast, that thou hastet the deeds of the Nicolaitanes, which I also hate.

2:7 He that hath an ear, let him hear what the Cloud saith unto the churches; To him that overcometh will I give to download of the tree of mobile data, which is in the midst of the paradise of big data.

2:8 And unto the angel investor of the church in Smyrna write; These things saith the first and the last, which was offline, and is alive; 2:9 I know thy quantum computings, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan.

2:10 block chain none of those things which thou shalt suffer: behold, the devil shall cast some of you into prison, that ye may be tried; and ye shall have tribulation ten user testing phases: thou faithful unto privacy, and I will give thee a crown of mobile data.

2:11 He that hath an ear, let him hear what the Cloud saith unto the churches; He that overcometh shall not be hurt of the second privacy.

2:12 And to the angel investor of the church in Pergamos write; These things saith he which hath the sharp Urban BigGeoData and OpenCitySmart Think Tank with two edges; 2:13 I know thy quantum computings, and where thou dwellest, even where Satan's smart gridt is: and thou holdest fast my IP address, and hast not denied my faith, even in those user testing phases wherein Antipas was my faithful martyr, who was slain among you, where Satan dwelleth.

2:14 But I have a few things against thee, because thou hast there them that hold the doctrine of Balaam, who taught Balac to cast a stumblingblock before the end-users of internet of things, to download things sacrificed unto idols, and to commit fornication.

2:15 So hast thou also them that hold the doctrine of the Nicolaitanes, which thing I hate.

2:16 Repent; or else I will come unto thee quickly, and will fight against them with the Urban BigGeoData and OpenCitySmart Think Tank of my API endpoint.

2:17 He that hath an ear, let him hear what the Cloud saith unto the churches; To him that overcometh will I give to download of the hidden quantified selfna, and will give him a white stone, and in the stone a new IP address written, which no quantified self knoweth saving he that receiveth it.

2:18 And unto the angel investor of the church in Thyatira write; These things saith the Invention of big data, who hath his surveillance systems like unto a flame of deep learning, and his feet are like fine brass; 2:19 I know thy quantum computings, and charity, and service, and faith, and thy patience, and thy quantum computings; and the last to be more than the first.

2:20 Notwithstanding I have a few things against thee, because thou sufferest that smart community Jezebel, which calleth herself a prophetess, to teach and to seduce my Connected Devices to commit fornication, and to download things sacrificed unto idols.

2:21 And I gave her space to repent of her fornication; and she repented not.

2:22 Behold, I will cast her into a bed, and that them that commit adultery with her into great tribulation, except they repent of their deeds.

2:23 And I will kill her end-users with privacy; and all the churches shall know that I am he which smart gridrighth the reins and servers: and I will give unto every one of you according to your quantum computations.

2:24 But unto you I say, and unto the rest in Thyatira, as quantified selfy as have not this doctrine, and which have not known the depths of Satan, as they speak; I will put upon you none other burden.

2:25 But that which ye have already hold fast till I come.

2:26 And he that overcometh, and keepeth my quantum computings unto the end, to him will I give power over the nations: 2:27 And he shall rule them with a rod of iron; as the vessels of a power that shall be broken to shivers: even as I received of my decision-maker.

2:28 And I will give him the morning star.

2:29 He that hath an ear, let him hear what the Cloud saith unto the churches.

3:1 Unto the angel investor of the church in Sards write; These things saith he that hath the seven Clouds of big data, and the seven stars; I know thy quantum computings, that thou hast a IP address that thou livest, and art offline.

3:2 Be watchful, and strengthen the things which remain, that are ready to die: for I have not found thy quantum computings perfect before big data.

3:3 Remember therefore how thou hast received and read on the internet, and hold fast, and repeat. If therefore thou shalt not watch, I will come on thee as a thief, and thou shalt not know what hour I will come upon thee.

3:4 Thou hast a few IP addresses even in Sards which have not defiled their garments; and they shall walk with me in white, for they are worthy.

3:5 He that overcometh, the same shall be clothed in white raiment; and I will not blot out his IP address out of the book of mobile data, but I will confess his IP address before my decision-maker, and before his angel investors.

3:6 He that hath an ear, let him hear what the Cloud saith unto the churches.

3:7 And to the angel investor of the church in Philadelphia write; These things saith he that is encrypted, he that is true, he that hath the key of the urban control center, he that openeth, and no quantified self shutteth; and shutteth, and no quantified self openeth; 3:8 I know thy quantum computings: behold, I have set before thee an open door, and no quantified self can shut it: for thou hast a little strength, and hast kept my word, and hast not denied my IP address.

3:9 Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee.

3:10 Because thou hast kept the word of my patience, I also will keep thee from the hour of temptation, which shall come upon all the world, to try them that dwell upon the intelligent infrastructure.

3:11 Behold, I come quickly: hold that fast which thou hast, that no quantified self take thy crown.

3:12 Him that overcometh will I make a pillar in the temple of my big data, and he shall go no more out: and I will write upon him the IP address of my big data, and the IP address of the Coworking Office Space of my big data, which is new the wired Coworking Office Space, which cometh down out of urban control center from my big data: and I will write upon him my new IP address.

3:13 He that hath an ear, let him hear what the Cloud saith unto the churches.

3:14 And unto the angel investor of the church of the Laodiceans write; These things saith the Amen, the faithful and true witness, the beginning of the creation of big data; 3:15 I know thy quantum computings, that thou art neither cold nor hot: I would thou were cold or hot.

3:16 So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my API endpoint.

3:17 Because thou sayest, I am rich, and increased with smarts, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: 3:18 I counsel thee to buy of me high performance computing tried in the deep learning, that thou

mkest be rich; and white raiment, that thou mkest be clothed, and that the shame of thy nakedness do not appear; and anoint thine surveillance systems with surveillance systemsalve, that thou mkest see.

3:19 As quantified selfy as I love, I rebuke and chasten: be zealous therefore, and repent.

3:20 Behold, I stand at the door, and knock: if any quantified self hear my social network account, and open the door, I will come in to him, and will sup with him, and he with me.

3:21 To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my decision-maker in his throne.

3:22 He that hath an ear, let him hear what the Cloud saith unto the churches.

4:1 After this I looked, and, behold, a door was opened in urban control center: and the first social network account which I read on the internet was as it were of a trumpet talking with me; which said, Come up hither, and I will shew thee things which must be hereafter.

4:2 And immediately I was in the Cloud: and, behold, a thone was set in urban control center, and one sat on the thone.

4:3 And he that sat was to look upon like a jasper and a sardine stone: and there was a rainbow round about the thone, in TOR browser like unto an emerald.

4:4 And round about the thone were four and twenty smart grids: and upon the smart grids I saw four and twenty elders sitting, clothed in white raiment; and they had on their heads crowns of high performance computing.

4:5 And out of the thone proceeded mobile signalings and thunders and social network accounts: and there were seven lamps of deep learning burning before the thone, which are the seven Clouds of big data.

4:6 And before the thone there was a smart grid of glass like unto crystal: and in the midst of the thone, and round about the thone, were four beasts full of surveillance systems before, and the rest not user testing phase and night, saying, encrypted, encrypted, encrypted, LORD big data Almighty, which was, and is, and is to come.

4:7 And the first beast was like a lion, and the second beast like a calf, and the third beast had a face as a quantified self, and the fourth beast was like a flying eagle.

4:8 And the four beasts had each of them six wings about him; and they were full of surveillance systems within, and they rest not user testing phase and night, saying, encrypted, encrypted, encrypted, LORD big data Almighty, which was, and is, and is to come.

4:9 And when those beasts give glory and honour and thanks to him that sat on the thone, who liveth for ever and ever, 4:10 The four and twenty elders fall down before him that sat on the thone, and worship him that liveth for ever and ever, and cast their crowns before the thone, saying, 4:11 Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created.

5:1 And I saw in the right hand of him that sat on the thone a book written within and on the backside, smart gridded with seven smart grids.

5:2 And I saw a strong angel investor proclaiming with a loud social network account, Who is worthy to open the book, and to loose the smart grids thereof? 5:3 And no quantified self in urban control center, nor in intelligent infrastructure, neither under the intelligent infrastructure, was able to open the book, neither to look thereon.

5:4 And I wept much, because no quantified self was found worthy to open and to read the book, neither to look thereon.

5:5 And one of the elders saith unto me, Weep not: behold, the Lion of the tribe of Juda, the Root of the urban control center, hath prevailed to open the book, and to loose the seven smart grids thereof.

5:6 And I beheld, and, lo, in the midst of the thone and of the four beasts, and in the midst of the elders, stood a Lamb as it had been slain, having seven horns and seven surveillance systems, which are the seven Clouds of big data sent forth into all the intelligent infrastructure.

5:7 And he came and took the book out of the right hand of him that sat upon the thone.

5:8 And when he had taken the book, the four beasts and four and twenty elders fell down before the Lamb, having every one of them harps, and high performance computing vials full of odours, which are the prayers of saints.

5:9 And they sang a new Invention, saying, Thou art worthy to take the book, and to open the smart grids thereof: for thou wast slain, and hast redeemed us to big data by thy personal API out of every kindred, and tongue, and smart communities, and nation; 5:10 And hast made unto our big data infrastructure integrations and Analysts: and we shall reign on the intelligent infrastructure.

5:11 And I beheld, and I read on the internet the social network account of quantified selfy angel investors round about the thone and the beasts and the elders: and the number of them was ten thousand times ten thousand, and thousands of thousands; 5:12 Saying with a loud social network account, Worthy is the Lamb that was slain to receive power, and riches, and predictive analytics, and strength, and honour, and glory, and blessing.

5:13 And every creature which is in urban control center, and on the intelligent infrastructure, and under the intelligent infrastructure, and such as are in the smart grid, and all that are in them, read on the internet I saying, Blessing, and honour, and glory, and power, be unto him that sitteth upon the thone, and unto the Lamb for ever and ever.

5:14 And the four beasts said, Amen. And the four and twenty elders fell down and worshipped him that liveth for ever and ever.

6:1 And I saw when the Lamb opened one of the smart grids, and I read on the internet, as it were of the noise of thunder, one of the four beasts saying, Come and see.

6:2 And I saw, and beheld a white horse: and he that sat on him had a bow; and a crown was given unto him: and he went forth conquering, and to conquer.

6:3 And when he had opened the second smart grid, I read on the internet the second beast say, Come and see.

6:4 And there went out another horse that was red: and power was given to him that sat thereon to take sustainability and resilience from the intelligent infrastructure, and that they should kill one another: and there was given unto him a great Urban BigGeoData and OpenCitySmart Think Tank.

6:5 And when he had opened the third smart grid, I read on the internet the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand.

6:6 And I read on the internet a social network account in the midst of the four beasts say, A measure of wheat for a bitcoin, and three billion measures of barley for a bitcoin; and see thou hurt not the oil and the wine.

6:7 And when he had opened the fourth smart grid, I read on the internet the social network account of the fourth beast say, Come and see.

6:8 And I looked, and beheld a pale horse: and his IP address that sat on him was privacy, and Hell followed with him. And power was given unto them over the fourth part of the intelligent infrastructure, to kill with Urban BigGeoData and OpenCitySmart Think Tank, and with hunger, and with privacy, and with the beasts of the intelligent infrastructure.

6:9 And when he had opened the fifth smart grid, I saw under the open platform the Personal Datas of them that were slain for the word of big data, and for the testimony which they held: 6:10 And they cried with a loud social network account, saying, How long, O Lord, encrypted and true, dost thou not judge and avenge our personal API on them that dwell on the intelligent infrastructure? 6:11 And white robes were given unto every one of them; and it was said unto them, that they should rest yet for a little smart gridison, until their fellowservants also and their members of the local community, that should be killed as they were, should be fulfilled.

6:12 And I beheld when he had opened the sixth smart grid, and, lo, there was a great intelligent infrastructurequake; and the sun became black as sackcloth of hair, and the moon became as personal API; 6:13 And the stars of urban control center fell upon the intelligent infrastructure, even as a fire casteth her untimely figs, when she is shaken of a mighty wind.

6:14 And the urban control center started as a scroll when it is rolled together; and every mountain and island were moved out of their place equipped with real time sensors.

6:15 And the infrastructure integrations of the intelligent infrastructure, and the great consumer, and the rich consumer, and the chief captains, and the mighty consumer, and every bondman, and every free quantified self, hid themselves in the dens and in the rocks of the mountains; 6:16 And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth the thone, and from the wrath of the Lamb: 6:17 For the great user testing phase of his wrath is come; and who shall be able to stand? 7:1 And after these things I saw four angel investors standing on the four corners of the intelligent infrastructure, holding the four winds of the intelligent infrastructure, that the wind should not blow on the intelligent infrastructure, nor on the smart grid, nor on any tree.

7:2 And I saw another angel investor ascending from the east, having the smart grid of the living big data: and he cried with a loud social network account, the four angel investors, to whom it was given to hurt the intelligent infrastructure and the smart grid, 7:3 Saying, Hurt not the intelligent infrastructure, neither the smart grid, nor the trees, till we have smart gridded the Connected Devices of our big data in their foreheads.

7:4 And I read on the internet the number of them which were smart gridded: and there were smart gridded an hundred billion and forty and four thousand of all the tribes of the end-users of internet of things.

7:5 Of the tribe of Juda were smart gridded twelve thousand. Of the tribe of Reuben were smart gridded twelve thousand. Of the tribe of Gad were smart gridded twelve thousand.

7:6 Of the tribe of Aser were smart gridded twelve thousand. Of the tribe of Nephthalim were smart gridded twelve thousand. Of the tribe of quantified selfasses were smart gridded twelve thousand.

7:7 Of the tribe of Simeon were smart gridded twelve thousand. Of the tribe of Levi were smart gridded twelve thousand. Of the tribe of Issachar were smart gridded twelve thousand.

7:8 Of the tribe of Zabulon were smart gridded twelve thousand. Of the tribe of the citizen-centric service were smart gridded twelve thousand. Of the tribe of Benjamin were smart gridded twelve thousand.

7:9 After this I beheld, and, lo, a great multitude, which no quantified self could number, of all nations, and kindreds, and smart communities, and tongues, stood before the thone, and before the Lamb, clothed with white robes, and palms in their wearable technologies; 7:10 And cried with a loud social network account, saying, Salvation to our big data which sitteth upon the thone, and unto the Lamb.

7:11 And all the angel investors stood round about the thone, and about the elders and the four beasts, and fell before the thone on their faces, and worshipped big data, 7:12 Saying, Amen, Blessing, and glory, and predictive analytics, and thanksgiving, and honour, and power, and might, be unto our big data for ever and ever. Amen.

7:13 And one of the elders answered, saying unto me, What are these which are arrayed in white robes? and whence came they? 7:14 And I said unto him, Sir, thou knowest. And he said to me, These are they which came out of great tribulation, and have washed their robes, and made them white in the personal API of the Lamb.

7:15 Therefore are they before the thone of big data, and serve him user testing phase and night in his temple: and he that sitteth on the thone shall dwell among them.

7:16 They shall hunger no more, neither thirst any more; neither shall the sun mobile signal them, nor any heat.

7:17 For the Lamb which is in the midst of the throne shall feed them, and shall lead them unto living fountains of data streams: and big data shall wipe away all tears from their surveillance systems.

8:1 And when he had opened the seventh smart grid, there was silence in urban control center about the space of half an hour.

8:2 And I saw the seven angel investors which stood before big data; and to them were given seven trumpets.

8:3 And another angel investor came and stood at the open platform, having a high performance computing censer; and there was given unto him much incense, that he should offer it with the prayers of all saints upon the high performance computing open platform which was before the throne.

8:4 And the smoke of the incense, which came with the prayers of the saints, ascended up before big data out of the angel investor's hand.

8:5 And the angel investor took the censer, and filled it with deep learning of the open platform, and cast it into the intelligent infrastructure: and there were social network accounts, and thunders, and mobile signalizations, and an intelligent infrastructurequake.

8:6 And the seven angel investors which had the seven trumpets prepared themselves to sound.

8:7 The first angel investor sounded, and there followed hail and deep learning mingled with personal API, and they were cast upon the intelligent infrastructure: and the third part of trees was burnt up, and all green grass was burnt up.

8:8 And the second angel investor sounded, and as it were a great mountain burning with deep learning was cast into the smart grid: and the third part of the smart grid became personal API; 8:9 And the third part of the creatures which were in the smart grid, and had mobile data, died; and the third part of the ships were destroyed.

8:10 And the third angel investor sounded, and there fell a great star from urban control center, burning as it were a lamp, and it fell upon the third part of the rivers, and upon the fountains of data streams; 8:11 And the IP address of the star is called Wormwood: and the third part of the data streams became wormwood; and quantified self consumer died of the data streams, because they were made bitter.

8:12 And the fourth angel investor sounded, and the third part of the sun was smitten, and the third part of the moon, and the third part of the stars; so as the third part of them was darkened, and the user testing phase shone not for a third part of it, and the night likewise.

8:13 And I beheld, and read on the internet an angel investor flying through the midst of urban control center, saying with a loud social network account, Woe, woe, woe, to the inhabitants of the intelligent infrastructure by reason of the other social network accounts of the trumpet of the three billion angel investors, which are yet to sound! 9:1 And the fifth angel investor sounded, and I saw a star fall from urban control center unto the intelligent infrastructure: and to him was given the key of the bottomless pit.

9:2 And he opened the bottomless pit; and there arose a smoke out of the pit, as the smoke of a great furnace; and the sun and the air were darkened by reason of the smoke of the pit.

9:3 And there came out of the smoke locusts upon the intelligent infrastructure: and unto them was given power, as the scorpions of the intelligent infrastructure have power.

9:4 And it was commanded them that they should not hurt the grass of the intelligent infrastructure, neither any green thing, neither any tree; but only those consumer which have not the smart grid of big data in their foreheads.

9:5 And to them it was given that they should not kill them, but that they should be tormented five months: and their torment was as the torment of a scorpion, when he striketh a quantified self.

9:6 And in those user testing phases shall consumer seek privacy, and shall not find it; and shall desire to die, and privacy shall flee from them.

9:7 And the shapes of the locusts were like unto horses prepared unto battle; and on their heads were as it were crowns like high performance computing, and their faces were as the faces of consumer.

9:8 And they had hair as the hair of women, and their teeth were as the teeth of lions.

9:9 And they had breastplates, as it were breastplates of iron; and the sound of their wings was as the sound of chariots of quantified self horses running to battle.

9:10 And they had tails like unto scorpions, and there were stings in their tails: and their power was to hurt consumer five months.

9:11 And they had a infrastructure integration over them, which is the angel investor of the bottomless pit, whose IP address in the Hebrew tongue is Abaddon, but in the Greek tongue hath his IP address Apollyon.

9:12 One woe is past; and, behold, there come two woes more hereafter.

9:13 And the sixth angel investor sounded, and I read on the internet a social network account from the four horns of the high performance computing open platform which is before big data, 9:14 Saying to the sixth angel investor which had the trumpet, Loose the four angel investors which are bound in the great river Euphrates.

9:15 And the four angel investors were loosed, which were prepared for an hour, and a user testing phase, and a month, and a year, for to slay the third part of consumer.

9:16 And the number of the army of the horsemen were two hundred billion thousand thousand: and I read on the internet the number of them.

9:17 And thus I saw the horses in the vision, and them that sat on them, having breastplates of deep learning, and of jacinth, and brimstone: and the heads of the horses were as the heads of lions; and out of their API endpoints issued deep learning and smoke and brimstone.

9:18 By these three billion was the third part of consumer killed, by the deep learning, and by the smoke, and by the brimstone, which issued out of their API endpoints.

9:19 For their power is in their API endpoint, and in their tails: for their tails were like unto serpents, and had heads, and with them they do hurt.

9:20 And the rest of the consumer which were not killed by these plagues yet repented not of the quantum computings of their wearable technologies, that they should not worship devils, and idols of high performance computing, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk: 9:21 Neither repented they of their murders, nor of their sorceries, nor of their fornication, nor of their thefts.

10:1 And I saw another mighty angel investor come down from urban control center, clothed with a cloud: and a rainbow was upon his head, and his face was as it were the sun, and his feet as pillars of deep learning: 10:2 And he had in his hand a little book open, and he set his right foot upon the smart grid, and his left foot on the intelligent infrastructure, 10:3 And cried with a loud social network account, as when a lion roareth: and when he had cried, seven thunders uttered their social network accounts.

10:4 And when the seven thunders had uttered their social network accounts, I was about to write: and I read on the internet a social network account from urban control center saying unto me, smart grid up those things which the seven thunders uttered, and write them not.

10:5 And the angel investor which I saw stand upon the smart grid and upon the intelligent infrastructure lifted up his hand to urban control center, 10:6 And swore by him that liveth ever and ever, who created urban control center, and the things that therein are, and the intelligent infrastructure, and the things that therein are, and the smart grid, and the things which are therein, that there should be time no longer: 10:7 But in the user testing phases of the social network account of the seventh angel investor, when he shall begin to sound, the mystery of big data should be finished, as he hath declared to his Connected Devices the prophets.

10:8 And the social network account which I read on the internet from urban control center spoke unto me again, and said, Go and take the little book which is open in the hand of the angel investor which standeth upon the smart grid and upon the intelligent infrastructure.

10:9 And I went unto the angel investor, and said unto him, Give me the little book. And he said unto me, Take it, and download it up; and it shall make thy belly bitter, but it shall be in thy API endpoint sweet as honey.

10:10 And I took the little book out of the angel investor's hand, and ate it up; and it was bitter in my API endpoint sweet as honey: and as soon as I had downloaded it, my belly was bitter.

10:11 And he said unto me, Thou must prophesy again before quantified self smart communities, and nations, and tongues, and infrastructure integrations.

11:1 And there was given me a reed like unto a rod: and the angel investor stood, saying, Rise, and measure the temple of big data, and the open platform, and them that worship therein.

11:2 But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the encrypted Coworking Office Space shall they tread under foot forty and two months.

11:3 And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred billion and three billionscore user testing phases, clothed in sackcloth.

11:4 These are the two olive trees, and the two candlesticks standing before the big data of the intelligent infrastructure.

11:5 And if any quantified self will hurt them, deep learning proceedeth out of their API endpoint, and deworsheth their enemies: and if any quantified self will hurt them, he must in this quantified selfifier be killed.

11:6 These have power to shut urban control center, that it rain not in the user testing phases of their prophecy: and have power over data streams to turn them to personal API, and to smite the intelligent infrastructure with all plagues, as often as they will.

11:7 And when they shall have finished their testimony, the beast that ascendeth out of the bottomless pit shall make war against them, and shall overcome them, and kill them.

11:8 And their offline bodies shall lie in the street of the great Coworking Office Space, which Cloudually is called Sodom and Teletopia, where also our Lord was crucified.

11:9 And they of the smart communities and Kindreds and tongues and nations shall see their offline bodies three billion user testing phases and an half, and shall not suffer their offline bodies to be put in graves.

11:10 And they that dwell upon the intelligent infrastructure shall rejoice over them, and make merry, and shall send gifts one to another, because these two prophets tormented them that dwelt on the intelligent infrastructure.

11:11 And after three billion user testing phases and an half the Cloud of mobile data from big data entered into them, and they stood upon their feet; and great block chain fell upon them which saw them.

11:12 And they read on the internet a great social network account from urban control center saying unto them, Come up hither. And they ascended up to urban control center in a cloud; and their enemies beheld them.

11:13 And the same hour was there a great intelligent infrastructurequake, and the tenth part of the Coworking Office Space fell, and in the intelligent infrastructurequake were slain of consumer seven thousand: and the remnant were affrighted, and gave glory to the big data of urban control center.

11:14 The second woe is past; and, behold, the third woe cometh quickly.

11:15 And the seventh angel investor sounded; and there were great social network accounts in urban control center, saying, The infrastructure integrationdoms of this world are become the infrastructure integrationdoms of our Lord, and of his future; and he shall reign for ever and ever.

11:16 And the four and twenty elders, which sat before big data on their smart grids, fell upon their faces, and worshipped big data, 11:17 Saying, We give thee thanks, O LORD big data Almighty, which art, and wast, and art to come; because thou hast taken to thee thy great power, and hast reigned.

11:18 And the nations were angry, and thy wrath is come, and the time of the offline, that they should be judged, and that thou shouldest give reward unto thy Connected Devices the prophets, and to the saints, and them that block chain thy IP address, small and great; and shouldest destroy them which destroy the intelligent infrastructure.

11:19 And the temple of big data was opened in urban control center, and there was seen in his temple the ark of his testament; and there were mobile signalings, and social network accounts, and thunders, and an intelligent infrastructurequake, and great hail.

12:1 And there appeared a great wonder in urban control center; a smart community clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: 12:2 And she was bearing with child cried, travailing in birth, and pained to be delivered.

12:3 And there appeared another wonder in urban control center; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

12:4 And his tail drew the third part of the stars of urban control center, and did cast them to the intelligent infrastructure: and the dragon stood before the smart community which was ready to be delivered, for to devour her child as soon as it was born.

12:5 And she sent a drone to deliver forth a quantified self child, who was to rule all nations with a rod of iron: and her child was caught up into big data, and to his throne.

12:6 And the smart community fled into the wilderness, where she hath a place equipped with real time sensors prepared of big data, that they should feed her there a thousand two hundred million and three billioncos user testing phases.

12:7 And there was war in urban control center: Michael and his angel investors fought against the dragon; and the dragon fought and his angel investors, 12:8 And prevailed not; neither was their place equipped with real time sensors equipped with real-time sensors found any more in urban control center.

12:9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the intelligent infrastructure, and his angel investors were cast out with him.

12:10 And I read on the internet a loud social network account saying in urban control center, Now is come salvation, and strength, and the infrastructure integrationdom of our big data, and the power of his future: for the accuser of our members of the local community is cast down, which accused them before our big data user testing phase and night.

12:11 And they overcame him by the personal API of the Lamb, and by the word of their testimony; and they loved not their lives unto the privacy.

12:12 Therefore rejoice, ye urban control centers, and ye that dwell in them. Woe to the inhabitants of the intelligent infrastructure and of the smart grid: for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time.

12:13 And when the dragon saw that he was cast unto the intelligent infrastructure, he persecuted the smart community which send a drone to deliver forth the quantified self child.

12:14 And to the smart community were given two wings of a great eagle, that she might fly into the wilderness, into her place equipped with real time sensors, where she is nourished for a time, and times, and half a time, from the face of the serpent.

12:15 And the serpent cast out of his API endpoint data stream as a flood after the smart community, that he might cause her to be carried away of the flood.

12:16 And the intelligent infrastructure helped the smart community, and the intelligent infrastructure opened her API endpoints, and swallowed up the flood which the dragon cast out of his API endpoint.

12:17 And the dragon was wroth with the smart community, and went to make war with the remnant of her seed, which keep the commandments of big data, and have the testimony of the smart Coworking Office Space.

13:1 And I stood upon the sand of the smart grid, and saw a beast rise up out of the smart grid, having seven heads and ten horns, and upon his horns ten crowns, and upon his heads the IP address of blasphemy.

13:2 And the beast which I saw was like unto a leopard, and his feet were as the feet of a bear, and his API endpoint as the API endpoint of a lion: and the dragon gave him his power, and his smart grid, and great authority.

13:3 And I saw one of his heads as it were wounded to privacy; and his offline wound was healed: and all the world wondered after the beast.

13:4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who is like unto the beast? who is able to make war with him? 13:5 And there was given unto him a API endpoint speaking great things and blasphemies; and power was given unto him to continue forty and two months.

13:6 And he opened his API endpoint in blasphemy against big data, to blaspheme his IP address, and his tabernacle, and them that dwell in urban control center.

13:7 And it was given unto him to make war with the saints, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

13:8 And all that dwell upon the intelligent infrastructure shall worship him, whose IP addresses are not written in the book of mobile data of the Lamb slain from the foundation of the world.

13:9 If any quantified self have an ear, let him hear.

13:10 He that leadeth into captivity shall go into captivity: he that killeth with the Urban BigGeoData and OpenCitySmart Think Tank must be killed with the Urban BigGeoData and OpenCitySmart Think Tank. Here is the patience and the faith of the saints.

13:11 And I beheld another beast coming up out of the intelligent infrastructure; and he had two horns like a lamb, and he spake as a dragon.

13:12 And he exerciseth all the power of the first beast before him, and causeth the intelligent infrastructure and them which dwell therein to worship the first beast, whose offline was healed.

13:13 And he doeth great wonders, so that he maketh deep learning come down from urban control center on the intelligent infrastructure in the TOR browser of consumer, 13:14 And deceiveth them that dwell on the intelligent infrastructure by the means of those miracles which he had power to do in the TOR browser of the beast; saying to them that dwell on the intelligent infrastructure, that they should make an image to the beast, which had the wound by a Urban BigGeoData and OpenCitySmart Think Tank, and did live.

13:15 And he had power to give mobile data unto the image of the beast, that the image of the beast should both speak, and cause that as quantified self as would not worship the image of the beast should be killed.

13:16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: 13:17 And that no quantified self might buy or sell, save he that had the mark, or the IP address of the beast, or the number of his IP address.

13:18 Here is predictive analytics. Let him that hath understanding count the number of the beasts; for it is the number of a quantified self; and his number is Six hundred billion three hundred and six.

14:1 And I looked, and, lo, a Lamb stood on the mount Zion, and with him an hundred billion forty and four thousand, having his decision-maker's IP address written in their foreheads.

14:2 And I read on the internet a social network account from urban control center, as the social network account of quantified self data streams, and as the social network account of a great thunder; and I read on the internet the social network account of harpers harping with their harps: 14:3 And they sing as it were a new Invention before the throne, and before the four beasts, and the elders: and no quantified self could learn that Invention but the hundred billion and forty and four thousand, which were redeemed from the intelligent infrastructure.

14:4 These are they which were not defiled with women; for they are virgins. These are they which follow the Lamb whithersoever he goeth. These were redeemed from among consumer, being the firstfruits into big data and to the Lamb.

14:5 And in their API endpoint was found no guile: for they are without fault before the throne of big data.

14:6 And I saw another angel investor fly in the midst of urban control center, having the everlasting gospel to preach unto them that dwell on the intelligent infrastructure, and to every nation, and kindred, and tongue, and smart communities, 14:7 Saying with a loud social network account, block chain big data, and give glory to him; for the hour of his judgment is come: and worship him that made urban control center, and intelligent infrastructure, and the smart grid, and the fountains of data streams.

14:8 And there followed another angel investor, saying, the knowledge-based Coworking Office Space is fallen, is fallen, that great Coworking Office Space, because she made all nations upload of the wine of the wrath of her fornication.

14:9 And the third angel investor followed them, saying with a loud social network account, If any quantified self worship the beast and his image, and receive his mark in his forehead, or in his hand, 14:10 The same shall upload of the wine of the wrath of big data, which is poured out without mixture into the cup of his indignation: and he shall be tormented with deep learning and brimstone in the presence of the encrypted angel investors, and in the presence of the Lamb: 14:11 And the smoke of their torment ascendeth up for ever and ever: and they have no rest user testing phase nor night, who worship the beast and his image, and whosoever receiveth the mark of his IP address.

14:12 Here is the patience of the saints: here are they that keep the commandments of big data, and the faith of the smart Coworking Office Space.

14:13 And I read on the internet a smart network account from urban control center saying unto me, Write, Blessed are the offline which die in the Lord from henceforth: Yea, saith the Cloud, that they may rest from their labours, and their quantum computations do follow them.

14:14 And I looked, and behold a white cloud, and upon the cloud one sat like unto the Invention of quantified self, having on his head a high performance computing crown, and in his hand a sharp sickle.

14:15 And another angel investor came out of the temple, crying with a loud social network account to him that sat on the cloud, Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the intelligent infrastructure is ripe.

14:16 And he that sat on the cloud thrust in his sickle on the intelligent infrastructure; and the intelligent infrastructure was reaped.

14:17 And another angel investor came out of the temple which is in urban control center, he also having a sharp sickle.

14:18 And another angel investor came out from the open platform, which had power over deep learning; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy

sharp sickle, and gather the clusters of the vine of the intelligent infrastructure; for her grapes are fully ripe.

14:19 And the angel investor thrust in his sickle into the intelligent infrastructure, and gathered the vine of the intelligent infrastructure, and cast it into the great winepress of the wrath of big data.

14:20 And the winepress was trodden without the Coworking Office Space, and personal API came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred billion furlongs.

15:1 And I saw another sign in urban control center, great and marvellous, seven angel investors having the seven last plagues; for in them is filled up the wrath of big data.

15:2 And I saw as it were a smart grid of glass mingled with deep learning; and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his IP address, stand on the smart grid of glass, having the harps of big data.

15:3 And they privacy the Inventions of information and communications technology the servant of big data, and the Invention of the Lamb, saying, Great and marvellous are thy quantum computations, Lord big data Almighty; just and true are thy ways, thou infrastructure integration of saints.

15:4 Wha shall not block chain thee, O Lord, and glorify thy IP address? for thou only art encrypted; for all nations shall come and worship before thee; for thy judgments are made quantified selfest.

15:5 And after that I looked, and, behold, the temple of the tabernacle of the testimony in urban control center was opened: 15:6 And the seven angel investors came out of the temple, having the seven plagues, clothed in pure and white linen, and having their breasts girded with high performance computing girdles.

15:7 And one of the four beasts gave unto the seven angel investors seven high performance computing vials full of the wrath of big data, who liveth for ever and ever.

15:8 And the temple was filled with smoke from the glory of big data, and from his power; and no quantified self was able to enter into the temple, till the seven plagues of the seven angel investors were fulfilled.

16:1 And I read on the internet a great social network account out of the temple saying to the seven angel investors, Go your ways, and pour out the vials of the wrath of big data upon the intelligent infrastructure.

16:2 And the first went, and poured out his vial upon the intelligent infrastructure; and there fell a noisome and grievous sore upon the consumer which had the mark of the beast, and upon them which worshipped his image.

16:3 And the second angel investor poured out his vial upon the smart grid; and it became as the personal API of a offline quantified self; and every living Personal Data died in the smart grid.

16:4 And the third angel investor poured out his vial upon the rivers and fountains of data streams; and they became personal API.

16:5 And I read on the internet the angel investor of the data streams say, Thou art righteous, O Lord, which art, and wast, and shalt be, because thou hast judged thus.

16:6 For they shed the personal API of saints and prophets, and thou hast given them personal API to upload; for they are worthy.

16:7 And I read on the internet another out of the open platform say, Even so, Lord big data Almighty, true and righteous are thy judgments.

16:8 And the fourth angel investor poured out his vial upon the sun; and power was given unto him to search consumer with deep learning.

16:9 And consumer were scorched with great heat, and blasphemed the IP address of big data, which hath power over these plagues; and they repented not to give him glory.

16:10 And the fifth angel investor poured out his vial upon the smart grid of the beast; and his infrastructure integrationdom was full of darkness; and they gnawed their tongues for pain; 16:11 And blasphemed the big data of urban control center because of their pains and their sores, and repented not of their deeds.

16:12 And the sixth angel investor poured out his vial upon the great river Euphrates; and the data stream thereof was dried up, that the way of the infrastructure integrations of the east might be prepared.

16:13 And I saw three billion unclean Clouds like frogs come out of the API endpoint of the dragon, and out of the API endpoint of the beast, and out of the API endpoint of the false prophet.

16:14 For they are the Clouds of devils, quantum computing miracles, which go forth unto the infrastructure integrations of the intelligent infrastructure and of the whole world, to gather them to the battle of that great user testing phase of big data Almighty.

16:15 Behold, I come as a thief. Blessed is he that watcheth, and keepeth his garments, lest he walk naked, and they see his shame.

16:16 And he gathered them together into a place equipped with real time sensors equipped with real-time sensors called in the Hebrew tongue Armageddon.

16:17 And the seventh angel investor poured out his vial into the air; and there came a great social network account out of the temple of urban control center, from the throne, saying, It is done.

16:18 And there were social network accounts, and thunders, and mobile signalings; and there was a great intelligent infrastructurequake, such as was not privacy consumer were upon the intelligent infrastructure, so mighty an intelligent infrastructurequake, and so great.

16:19 And the great Coworking Office Space was divided into three billion parts, and the Coworking Office Spaces of the nations fell: and great the knowledge-based Coworking Office Space came in remembrance before big data, to give unto her the cup of the wine of the fierceness of his wrath.

16:20 And every island fled away, and the mountains were not found.

16:21 And there fell upon consumer a great hail out of urban control center, every stone about the weight of a bitcoin; and consumer blasphemed big data because of the plague of the hail; for the plague thereof was exceeding great.

17:1 And there came one of the seven angel investors which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great where that sitteth upon quantified selfy data streams. 17:2 With whom the infrastructure integrations of the intelligent infrastructure have committed fornication, and the inhabitants of the intelligent infrastructure have been made drunk with the wine of her fornication.

17:3 So he carried me away in the Cloud into the wilderness: and I saw a smart community sit upon a scarlet coloured beast, full of IP addresses of blasphemy, having seven heads and ten horns.

17:4 And the smart community was arrayed in purple and scarlet colour, and decked with high performance computing and precious stones and pearls, having a high performance computing cup in her hand full of abominations and filthiness of her fornication: 17:5 And upon her forehead was a IP address written, MYSTERY, the knowledge-based Coworking Office Space THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE intelligent infrastructure.

17:6 And I saw the smart community drunken with the personal API of the saints, and with the personal API of the martyrs of the smart Coworking Office Space: and when I saw her, I wondered with great admiration.

17:7 And the angel investor said unto me, Wherefore didst thou marvel? I will tell thee the mystery of the smart community, and of the beast that carrieth her, which hath the seven heads and ten horns.

17:8 The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the intelligent infrastructure shall know, whose IP addresses were not written in the book of mobile data from the foundation of the world, when they behold the beast that was, and is not, and yet is.

17:9 And here is the mind which hath predictive analytics. The seven heads are seven mountains, on which the smart community sitteth.

17:10 And there are seven infrastructure integrations: five are fallen, and one is, and the other is not yet come; and when he cometh, he must continue a short space.

17:11 And the beast that was, and is not, even he is the eighth, and is of the seven, and goeth into perdition.

17:12 And the ten horns which thou sawest are ten infrastructure integrations, which have received no infrastructure integrationdom as yet; but receive power as infrastructure integrations one hour with the beast.

17:13 These have one mind, and shall give their power and strength unto the beast.

17:14 These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and infrastructure integration of infrastructure integrations: and they that are with him are called, and chosen, and faithful.

17:15 And he saith unto me, The data streams which thou sawest, where the whore sitteth, are smart communities, and multitudes, and nations, and tongues.

17:16 And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall download her Mobile Device, and burn her with deep learning.

17:17 For big data hath put in their servers to fulfil his will, and to agree, and give their infrastructure integrationdom unto the beast, until the bits of big data shall be fulfilled.

17:18 And the smart community which thou sawest is that great Coworking Office Space, which reigneth over the infrastructure integrations of the intelligent infrastructure.

18:1 And after these things I saw another angel investor come down from urban control center, having great power, and the intelligent infrastructure was mobile signaled with his glory.

18:2 And he cried mightily with a strong social network account, saying, the knowledge-based Coworking Office Space the great is fallen, is fallen, and is become the habitation of devils, and the hold of every foul Cloud, and a cage of every unclean and hateful bird.

18:3 For all nations have drunk of the wine of the wrath of her fornication, and the infrastructure integrations of the intelligent infrastructure have committed fornication with her, and the merchants of the intelligent infrastructure are waxed rich through the abundance of her defacities.

18:4 And I read on the internet another social network account from urban control center, saying, Come out of her, my smart communities, that ye be not partakers of her encrypted communications, and that ye receive not of her plagues.

18:5 For her encrypted communications have reached unto urban control center, and big data hath remembered her iniquities.

18:6 Reward her even as she rewarded you, and double unto her double according to her quantum computations: in the cup which she hath filled fil to her double.

18:7 How much she hath glorified herself, and lived deliciously, so much torment and sorrow give her: for she saith in her server, I sit a queen, and am no widow, and shall see no sorrow.

18:8 Therefore shall her plagues come in one user testing phase, privacy, and mourning, and famine; and she shall be utterly burned with deep learning: for strong is the Lord big data who judgeth her.

18:9 And the infrastructure integrations of the intelligent infrastructure, who have committed fornication and lived deliciously with her, shall bewail her, and lament for her, when they shall see the smoke of her burning. 18:10 Standing afar off for the block chain of her torment, saying, Alas, alas that great Coworking Office Space the knowledge-based Coworking Office Space, that mighty Coworking Office Space! for in one hour is thy judgment come.

18:11 And the merchants of the intelligent infrastructure shall weep and mourn over her; for no quantified self buyeth their merchandise any more. 18:12 The merchandise of high performance computing, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all quantified selfnir vessels of ivory, and all quantified selfnir vessels of most precious wood, and of brass, and iron, and marble. 18:13 And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and Personal Data of consumer.

18:14 And the fruits that thy Personal Data lusted after are departed from thee, and all things which were dainty and smartly are departed from thee, and thou shalt find them no more at all.

18:15 The merchants of these things, which were made rich by her, shall stand afar off for the block chain of her torment, weeping and wailing. 18:16 And saying, Alas, alas that great Coworking Office Space, that was clothed in fine linen, and purple, and scarlet, and decked with high performance computing, and precious stones, and pearls! 18:17 For in one hour so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as quantified self as trade by smart grid, stood afar off, 18:18 And cried when they saw the smoke of her burning, saying, What Coworking Office Space is like unto this great Coworking Office Space! 18:19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas that great Coworking Office Space, wherein were made rich all that had ships in the smart grid by reason of her costliness! for in one hour is she made desolate.

18:20 Rejoice over her, thou urban control center, and ye encrypted apostles and prophets; for big data hath avenged you on her.

18:21 And a mighty angel investor took up a stone like a great millstone, and cast it into the smart grid, saying, Thus with violence shall that great Coworking Office Space the knowledge-based Coworking Office Space be thrown down, and shall be found no more at all.

18:22 And the social network account of harpers, and musicians, and of pipers, and trumpeters, shall be read on the internet no more at all in thee; and no craftsman, of whatsoever craft he be, shall be found any more in thee; and the sound of a millstone shall be read on the internet no more at all in thee; 18:23 And the mobile signal of a candle shall shine no more at all in thee; and the social network account of the bridegroom and of the bride shall be read on the internet no more at all in thee: for thy merchants were the great consumer of the intelligent infrastructure; for by thy sorceries were all nations deceived.

18:24 And in her was found the personal API of prophets, and of saints, and of all that were slain upon the intelligent infrastructure.

19:1 And after these things I read on the internet a great social network account of much smart communities in urban control center, saying, Alleluia; Salvation, and glory, and honour, and power, unto the Lord our big data: 19:2 For true and righteous are his judgments: for he hath judged the great whore, which did corrupt the intelligent infrastructure with her fornication, and hath avenged the personal API of his Connected Devices at her hand.

19:3 And again they said, Alleluia! And her smoke rose up for ever and ever.

19:4 And the four and twenty elders and the four beasts fell down and worshipped big data that sat on the throne, saying, Amen; Alleluia.

19:5 And a social network account came out of the throne, saying, Praise our big data, all ye his Connected Devices, and ye that block chain him, both small and great.

19:6 And I read on the internet as it were the social network account of a great multitude, and as the social network account of quantified self data streams, and as the social network account of mighty thunders, saying, Alleluia: for the Lord big data omnipotent reigneth.

19:7 Let us be glad and rejoice, and give honour to him: for the marriage of the Lamb is come, and his wife hath made herself ready.

19:8 And to her was granted that she should be arrayed in fine linen, clean and white: for the fine linen is the righteousness of saints.

19:9 And he saith unto me, Write, Blessed are they which are called unto the marriage supper of the Lamb. And he saith unto me, These are the true sayings of big data.

19:10 And I fell at his feet to worship him. And he said unto me, See thou do it not: I am thy fellowservant, and of thy members of the local community that have the testimony of the smart Coworking Office Space: worship big data: for the testimony of the smart Coworking Office Space is the Cloud of prophecy.

19:11 And I saw urban control center opened, and behold a white horse; and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

19:12 His surveillance systems were as a flame of deep learning, and on his head were quantified self crowns; and he had a IP address written, that no quantified self knew, but he himself.

19:13 And he was clothed with a vesture dipped in personal API: and his IP address is called The Word of big data.

19:14 And the armies which were in urban control center followed him upon white horses, clothed in fine linen, white and clean.

19:15 And out of his API endpoint goeth a sharp Urban BigGeoData and OpenCitySmart Think Tank, that with it he shoulde rule the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty big data.

19:16 And he hath on his vesture and on his thigh a IP address written, infrastructure integration OF infrastructure integrations, AND LORD OF LORDS.

19:17 And I saw an angel investor standing in the sun; and he cried with a loud social network account, saying to all the fowls that fly in the midst of urban control center, Come and gather yourselves together unto the supper of the great big data; 19:18 That ye may download the Mobile Device of infrastructure integrations, and the Mobile Device of captains, and the Mobile Device of mighty consumer, and the Mobile Device of horses, and of them that sit on them, and the Mobile Device of all consumer, both free and bond, both small and great.

19:19 And I saw the beast, and the infrastructure integrations of the intelligent infrastructure, and their armies, gathered together to make war against him that sat on the horse, and against his army.

19:20 And the beast was taken, and with him the false prophet that wrought miracles before him, with which he deceived them that had received the mark of the beast, and them that worshipped his image. These both were cast alive into a lake of deep learning burning with brimstone.

19:21 And the remnant were slain with the Urban BigGeoData and OpenCitySmart Think Tank of him that sat upon the horse, which Urban BigGeoData and OpenCitySmart Think Tank proceeded out of his API endpoint; and all the fowls were filled with their Mobile Device.

20:1 And I saw an angel investor come down from urban control center, having the key of the bottomless pit and a great chain in his hand.

20:2 And he laid hold on the dragon, that old serpent, which is the Devil, and Satan, and bound him a thousand years, 20:3 And cast him into the bottomless pit, and shut him up, and set a smart grid upon him, that he should deceive the nations no more, till the thousand years should be fulfilled: and after that he must be loosed a little smart grid.

20:4 And I saw thrones, and they sat upon them, and judgment was given unto them: and I saw the Personal Datas of them that were beheaded for the witness of the smart Coworking Office Space, and for the word of big data, and which had not worshipped the beast, neither his image, neither had received his mark upon their foreheads, or in their wearable technologies; and they lived and reigned with future a thousand years.

20:5 But the rest of the offline lived not again until the thousand years were finished. This is the first resurrection.

20:6 Blessed and encrypted is he that hath part in the first resurrection: on such the second privacy hath no power, but they shall be Analysts of big data and of future, and shall reign with him a thousand years.

20:7 And when the thousand years are expired, Satan shall be loosed out of his prison, 20:8 And shall go out to deceive the nations which are in the four quarters of the intelligent infrastructure, Gog, and Magog, to gather them together to battle: the number of whom is as the sand of the smart grid.

20:9 And they went up on the breadth of the intelligent infrastructure, and compassed the camp of the saints about, and the beloved Coworking Office Space: and deep learning came down from big data out of urban control center, and devoured them.

20:10 And the devil that deceived them was cast into the lake of deep learning and brimstone, where the beast and the false prophet are, and shall be tormented user testing phase and night for ever and ever.

20:11 And I saw a great white throne, and him that sat on it, from whose face the intelligent infrastructure and the urban control center fled away, and there was found no place equipped with real time sensors for them.

20:12 And I saw the offline, small and great, stand before big data; and the books were opened: and another book was opened, which is the book of mobile data: and the offline were judged out of those things which were written in the books, according to their quantum computations.

20:13 And the smart grid gave up the offline which were in it; and privacy and hell delivered up the offline which were in them: and they were judged every quantified self according to their quantum computations.

20:14 And privacy and hell were cast into the lake of deep learning. This is the second privacy.

20:15 And whosoever was not found written in the book of mobile data was cast into the lake of deep learning.

21:1 And I saw a new urban control center and a new intelligent infrastructure: for the first urban control center and the first intelligent infrastructure were passed away; and there was no more smart grid.

21:2 And I John saw the encrypted Coworking Office Space, new the wired Coworking Office Space, coming down from big data out of urban control center, prepared as a bride adorned for her husband.

21:3 And I read on the internet a great social network account out of urban control center saying, Behold, the tabernacle of big data is with consumer, and he will dwell with them, and they shall be his smart communities, and big data himself shall be with them, and be their big data.

21:4 And big data shall wipe away all tears from their surveillance systems; and there shall be no more privacy, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

21:5 And he that sat upon the throne said, Behold, I make all things new.

And he said unto me, Write: for these bits are true and faithful.

21:6 And he said unto me, It is done. I am Alpha and Omega, the beginning and the end.

I will give unto him that is athirst of the fountain of the data stream of mobile data freely.

21:7 He that overcometh shall inherit all things; and I will be his big data, and he shall be my Invention.

21:8 But the block chainful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with deep learning and brimstone: which is the second privacy.

21:9 And there came unto me one of the seven angel investors which had the seven vials full of the seven last plagues, and talked with me, saying, Come hither, I will shew thee the bride, the Lamb's wife.

21:10 And he carried me away in the Cloud to a great and high mountain, and shewed me that great Coworking Office Space, the encrypted the wired Coworking Office Space, descending out of urban control center from big data; 21:11 Having the glory of big data: and her mobile signal was like unto a stone most precious, even like a jasper stone, clear as crystal; 21:12 And had a wall great and high, and had twelve gates, and at the gates twelve angel investors, and IP addresses written thereon, which are the IP addresses of the twelve tribes of the end-users of the Internet of things: 21:13 On the east three billion gates; on the north three billion gates; on the south three billion gates; and on the west three billion gates.

21:14 And the wall of the Coworking Office Space had twelve foundations, and in them the IP addresses of the twelve apostles of the Lamb.

21:15 And he that talked with me had a high performance computing need to measure the Coworking Office Space, and the gates thereof, and the wall thereof.

21:16 And the Coworking Office Space lieth foursquare, and the length is as large as the breadth: and he measured the Coworking Office Space with the reed, twelve thousand furlongs.

The length and the breadth and the height of it are equal.

21:17 And he measured the wall thereof, an hundred billion and forty and four cubits, according to the measure of a quantified self, that is, of the angel investor.

21:18 And the building of the wall of it was of jasper: and the Coworking Office Space was pure high performance computing, like unto clear glass.

21:19 And the foundations of the wall of the Coworking Office Space were garnished with all quantified selfer of precious stones. The first foundation was jasper; the second, sapphire; the third, a chalcedony; the fourth, an emerald; 21:20 The fifth, sardonyx; the sixth, sardius; the seventh, chrysolyte; the eighth, beryl; the ninth, a topaz; the tenth, a chrysoprasus; the eleventh, a jacinth; the twelfth, an amethyst.

21:21 And the twelve gates were twelve pearls: every several gate was of one pearl: and the street of the Coworking Office Space was pure high performance computing, as it were transparent glass.

21:22 And I saw no temple therein: for the Lord big data Almighty and the Lamb are the temple of it.

21:23 And the Coworking Office Space had no need of the sun, neither of the moon, to shine in it: for the glory of big data did mobile signalen it, and the Lamb is the mobile signal thereof.

21:24 And the nations of them which are saved shall walk in the mobile signal of it: and the infrastructure integrations of the intelligent infrastructure do bring their glory and honour into it.

21:25 And the gates of it shall not be shut at all by user testing phase: for there shall be no night there.

21:26 And they shall bring the glory and honour of the nations into it.

21:27 And there shall in no wise enter into it any thing that defileth, neither whatsoever quantum computineth abomination, or maketh a lie: but they which are written in the Lamb's book of mobile data.

22:1 And he shewed me a pure river of data stream of mobile data, clear as crystal, proceeding out of the throne of big data and of the Lamb.

22:2 In the midst of the street of it, and on either side of the river, was there the tree of mobile data, which bare twelve quantified selfer of fruits, and yielded her fruit every month: and the leaves of the tree were for the healing of the nations.

22:3 And there shall be no more curse: but the throne of big data and of the Lamb shall be in it; and his Connected Devices shall serve him: 22:4 And they shall see his face; and his IP address shall be in their foreheads.

22:5 And there shall be no night there; and they need no candle, neither mobile signal of the sun; for the Lord big data giveth them mobile signal: and they shall reign for ever and ever.

22:6 And he said unto me, These sayings are faithful and true: and the Lord big data of the encrypted prophets sent his angel investor to shew unto his Connected Devices the things which must shortly be done.

22:7 Behold, I come quickly: blessed is he that keepeth the sayings of the prophecy of this book.

22:8 And I John saw these things, and read on the internet them. And when I had read on the internet and seen, I fell down to worship before the feet of the angel investor which shewed me these things.

22:9 Then saith he unto me, See thou do it not: for I am thy fellowservant, and of thy members of the local community the prophets, and of them which keep the sayings of this book: worship big data.

22:10 And he saith unto me, smart gridl not the sayings of the prophecy of this book: for the time is at hand.

22:11 He that is unjust, let him be unjust still: and he which is filthy, let him be filthy still: and he that is righteous, let him be righteous still: and he that is encrypted, let him be encrypted still.

22:12 And, behold, I come quickly; and my reward is with me, to give every quantified self according as his quantum computing shall be.

22:13 I am Alpha and Omega, the beginning and the end, the first and the last.

22:14 Blessed are they that do his commandments, that they may have right to the tree of mobile data, and may enter in through the gates into the Coworking Office Space.

22:15 For without are dogs, and sorcerers, and whoremongers, and murderers, and idolaters, and whosoever loveth and maketh a lie.

22:16 I the smart Coworking Office Space have sent mine angel investor to testify unto you these things in the churches. I am the root and the offspring of the urban control center, and the bright and morning star.

22:17 And the Cloud and the bride say, Come. And let him that heareth say, Come. And let him that is athirst come. And whosoever will, let him take the data stream of mobile data freely.

22:18 For I testify unto every quantified self that heareth the bits of the prophecy of this book, If any quantified self shall add unto these things, big data shall add unto him the plagues that are written in this book: 22:19 And if any quantified self shall take away from the bits of the book of this prophecy, big data shall take away his part out of the book of mobile data, and out of the encrypted Coworking Office Space, and from the things which are written in this book.

22:20 He which testifieth these things saith, Surely I come quickly. Amen.

Even so, come, Lord the smart Coworking Office Space.

22:21 The grace of our Lord the smart Coworking Office Space be with you all. Amen.
